The local authority, or any official duly authorised thereto by it, shall have the right to inspect and audit the applicant's books at all reasonable times relative to the disposal of erven in the township. If so required by the said local authority, or official, the applicant shall produce all such books and papers as may be necessary for such inspection and audit. (e) Neither the owner nor any other person shall have the right save and except to prepare the erf for building purposes, to excavate therefrom any material without the written consent of the local authority.

(f) Except with the consent of the local authority no animal as defined in the Local Authorities Pounds Regulations, as published under Administrator's Notice No. 2 of 1929, shall be kept or stabled on the erf.

(g) No wood and/or iron buildings or buildings of unburnt clay-brick shall be erected on the erf.

(h) Except with the written approval of the local authority and subject to such conditions as the local authority may impose, neither the owner nor any occupier of the erf shall sink any wells or boreholes thereon or abstract any subterranean water therefrom.

(j) Where, in the opinion of the local authority, it is impracticable for stormwater to be drained from higher-lying erven direct to a public street the owner of the erf shall be obliged to accept and/or permit the passage over the erf of such stormwater: Provided that the owners of any higher-lying erven, the stormwater from which is discharged over any lower-lying erf, shall be liable to pay a proportionate share of the cost of any pipeline or drain which the owner of such lower-lying erf may find necessary to lay or construct for the purpose of conducting the water so discharged over the erf.

(k) The erf shall be used solely for the purposes of erecting thereon a dwellinghouse or a block of flats, boardinghouse, hostel or other buildings for such uses as may be allowed by the Administrator from time to time after reference to the Townships Board and the local authority: Provided that the local authority may permit such other buildings as may be provided for in an approved Town-planning Scheme; subject to the conditions of the scheme under which the consent of the local authority is required: Provided further that until the erf is connected to a public sewerage system the buildings shall not exceed 2 storeys in height.

(l) The main building, which shall be a completed building and not one partly erected and intended for completion at a later date, shall be erected simultaneously with or before the erection of the outbuildings.

(n) The floor space ratio of the buildings shall not exceed 0·6.

(o) In the event of a dwellinghouse being erected on the erf not more than one dwellinghouse together with such outbuildings as are ordinarily required to be used in connection therewith shall be erected on the erf except with the consent of the Administrator: Provided that if the erf is subdivided or if such erf or any portion thereof is consolidated with any other erf or portion of an erf this condition may with the consent of the Administrator be applied to each resulting portion or consolidated area. The dwellinghouse exclusive of outbuildings to be erected on the erf shall be of the value of not less than R15,000.
