Administrator's Notice 979

2 September, 1970

MIDDELBURG MUNICIPALITY: BY-LAWS FOR THE REGULATION OF BURSARY LOANS.

The Administrator hereby, in terms of section 101 of the Local Government Ordinance, 1939, publishes the by-laws set forth hereinafter, which have been approved by him in terms of section 99 of the said Ordinance.

1. In these by-laws, unless the context indicates otherwise —

“bursary loan” means an advance for study purposes which is repayable by the recipient;

“Bursary Loan Fund” means a fund established by the Council in terms of the provisions of section 79(51) of the Local Government Ordinance, 1939;

“Council” means the Town Council of Middelburg and includes the management committee of that Council or any officer employed by the Council, acting by virtue of any power vested in the Council in connection with these by-laws and delegated to him in terms of section 58 of the Local Government (Administration and Elections) Ordinance, 1960 (Ordinance 40 of 1960);

“university” means any educational institution referred to in section 79(17) of the Local Government Ordinance, 1939.

2. A Bursary Loan Fund is hereby instituted for the granting of bursary loans for study at a university, each of which loans shall be for a period fixed by the Council but not exceeding 6 (six) years, subject to the conditions of these by-laws. The Council may, as resolved from time to time, deposit money from revenue surpluses in the fund.

3. As many bursary loans may be granted each year as may be determined by the Council within the limitation of money available in the Bursary Loan Fund.

4. The amount of each bursary loan shall be determined and fixed by the Council and shall only make provision for the following expenses:—

- (a) Class fees.
- (b) Boarding fees payable at an approved hostel or an amount equal to the fees of an approved hostel where boarding cannot be obtained at an approved hostel for some or other sound reason.
- (c) Cost of prescribed textbooks.
- (d) Insurance premiums on a life policy, if any, for the student concerned.

5. A bursary loan may be granted to any student who, within a period of 2 (two) years before the date of application for such bursary loan or such longer period as the Council may approve has, with a minimum aggregate of 50 per cent in the examination concerned, passed a Matriculation Examination entitling him to admission to the university concerned or passed a university year-end examination, and who has been domiciled in the Middelburg Municipality or Magisterial District of Middelburg for a period of at least 3 (three) years before the date of such application.

6. Elke aansoek om 'n beurslening moet na sy meriete behandel word met skoolprestasie as die vernaamste oorweging. Indien dit vir die Raad blyk dat 'n applikant wat vir 'n beurslening in aanmerking kom, of sy ouers, oor voldoende geldelike middele beskik om vir sy studies te betaal en die Raad van mening is dat deur die toekenning van 'n beurslening aan sodanige applikant, 'n ander applikant wat ook ingevolge artikel 5 vir 'n beurslening kwalifiscer maar nie oor sodanige middele beskik nie, die geleentheid ontsê word om 'n universiteit by die woon, dan kan die Raad aan laasgenoemde applikant voorkeur gee.

7. Betaling van beurslenings na aftrekking van assuransiepremies indien daar is, geskied halfjaarlikse deur die Raad vooruit aan die registrator van die universiteit ten aansien waarvan die beurslening toegestaan is. Een helfte van enige onbestede geld in besit van die registrator nadat alle gelde en heffings van die universiteit met betrekking tot die studiekursus vir die halfjaar vereffen is, moet kwartaalliks deur die hoof van die universiteit aan die student uitbetaal word. Die assuransiepremies word deur die Raad direk aan die betrokke versekeringsmaatskappy betaal.

8. Indien 'n student aan wie 'n beurslening toegeken is aan die einde van enige jaar nie sodanig slaag dat hy met die volgende voorgeskrewe studiekursus kan voortgaan nie, kan die beurslening na goeddunke van die Raad opgeskort word: Met dien verstande dat indien sodanige lening opgeskort word en die student, sonder hulp van die Raad, binne een jaar na sodanige opskorting dusdanig slaag, die Raad die beurslening kan herstel vir die orige tydperk asof geen opskorting plaasgevind het nie, tensy dit reeds by 'n vorige geleentheid onder soortgelyke omstandighede opgeskort was.

9. Elke beurslening is rentevry tot die datum waarop die eerste paaiemende vir terugbetaling soos hierna bepaal, betaalbaar is, waarna rente aanwas teen 7 (sewe) persent per jaar, bereken tot die einde van die kalenderhalfjaar waarin sodanige datum voorkom en daarna halfjaarlikse vooruit op saldo's wat van tyd tot tyd verskuldig is. Sodanige paaiemende tesame met rente word in die Beursleningsfonds gestort.

10. 'n Student wat die studiekursus waarvoor die beurslening toegeken is, voltooi, is na goeddunke van die Raad verplig om by voltooiing van die kursus in diens van die Raad te tree op die eerste dag van die kalenderhalfjaar wat volg op die halfjaar waarin hy sy studies voltooi het in 'n amp en teen 'n vergoeding wat deur die Raad bepaal word, en is verplig om in diens van die Raad te bly vir 'n tydperk gelyk aan die aantal maande in die termyn waarin die totale bedrag voorgeskiet deur die Raad uitbetaal is.

11. Terugbetaling van beurslenings tesame met rente soos voornoem, geskied soos volg:

- (a) In die geval van 'n student wat die studiekursus waarvoor die beurslening toegeken is, voltooi, en in diens van die Raad tree soos uiteengesit in artikel 10, in gelyke maandelikse paaiemende oor die aantal maande wat gelyk is aan die tydperk waarin hy verplig is om in die diens van die Raad aan te bly. Sodanige paaiemende is betaalbaar aan die Raad op die eerste dag van elke kalendermaand, met ingang van die maand wat volg op die maand waarin hy in diens van die Raad getree het: Met dien verstande dat die Raad na goeddunke by ontvangs van 'n skriftelike aansoek van so 'n student kan besluit om sodanige student kwytskelding te verleen van 'n bedrag gelyk aan 75 persent van die beurslening.

6. Each application for a bursary loan shall be treated according to its merits and scholastic merit shall be the first consideration. If it appears to the Council that an eligible applicant or his parents have sufficient means to finance the applicant's studies, and if the Council is of the opinion that by its granting a bursary loan to such applicant, another applicant qualified under section 5 but lacking such means would be deprived of the opportunity of attending a university, then the Council may give preference to such last-mentioned applicant.

7. Payments of a bursary loan, after deduction of insurance premiums, if any, shall be made by the Council half-yearly in advance to the registrar of the university in respect of which the loan has been granted. One-half of any balance remaining in the hands of such registrar after deduction of the fees and charges of the university in connection with the half-year's course of study, shall be paid out quarterly to the student by the principal of the university. The insurance premiums may be paid directly to the insurance company concerned by the Council.

8. Where a student to whom a bursary loan has been granted does not at the end of any year obtain a pass which will enable him to proceed with the next prescribed year of study, the bursary loan shall be suspended at the discretion of the Council: Provided that if such loan is suspended and the student (otherwise than at the expense of the Council) within one year after such suspension obtains the necessary pass, the Council may, unless there has been a previous suspension of the bursary loan in similar circumstances, reinstate the bursary loan for its remaining period as if no suspension had occurred.

9. Each bursary shall be interest free until the date on which the first repayment instalment falls due as herein-after provided; after such date interest shall accrue at 7 (seven) per cent per annum calculated to the end of the calendar half-year in which such date occurs and half-yearly in advance thereafter on balances from time to time outstanding. Such instalments together with interest shall be deposited in the Bursary Loan Fund.

10. A student who completes the study course in respect of which a bursary loan has been granted shall, at the discretion of the Council be bound upon completion of such course, to enter the service of the Council on the first day of the calendar half-year following upon the half-year in which he has completed his studies, in a position and at a remuneration to be determined by the Council, and shall be bound to remain in the service of the Council for a period equal to the number of months in the period in which the total amount advanced by the Council was paid out.

11. Repayment of bursary loans, together with interest as aforesaid, shall be effected as follows:

- (a) In the case of a student who completes the study course for which the bursary loan has been granted and who enters the service of the Council as provided for in section 10, in equal monthly instalments over a number of months equal to the period which he is bound to remain in the service of the Council. Such instalments shall be payable to the Council on the first day of each calendar month commencing on the first day of the month after that in which he has entered the service of the Council: Provided that the Council, upon receipt of an application, in writing, from a student may in its discretion decide to exempt such student from payment of an amount equal to 75 per cent of the bursary loan.

- (b) In die geval van 'n student wat die studiekursus waarvoor die beurslening toegeken is, voltooi, en nie in diens van die Raad tree nie, in gelyke maandelikse paaimeente oor die aantal maande wat gelyk is aan die aantal maande in die termyn waarin die totale bedrag voorgeskiet deur die Raad uitbetaal is. Sodanige paaimeente is betaalbaar aan die Raad op die eerste dag van elke kalendermaand, met ingang van die eerste dag van die kalenderhalfjaar wat volg op die halfjaar waarin hy sy kursus voltooi het.
- (c) In die geval van 'n student wat op enige stadium afstand doen van die beurslening en sy studies voltooi sonder verdere hulp van die Raad, in gelyke maandelikse paaimeente oor die aantal maande wat gelyk is aan die aantal maande in die termyn waarin die totale bedrag voorgeskiet deur die Raad uitbetaal is. Sodanige paaimeente is betaalbaar aan die Raad op die eerste dag van elke kalendermaand, met ingang van die eerste dag van die kalenderhalfjaar na die halfjaar waarin hy sodanige kursus voltooi het of waarin sodanige kursus normaalweg voltooi moet word, welke datum ook al die vroegste is, of na sodanige verlengde tydperk wat na goeddunke van die Raad toegestaan kan word: Met dien verstande dat die Raad na goeddunke so 'n student kan verplig om by voltoeing van die kursus in diens van die Raad te tree soos uiteengesit in artikel 10: Voorts met dien verstande dat indien so 'n student verplig word om in diens van die Raad te tree, die Raad na goeddunke by ontvangs van 'n skriftelike aansoek van so 'n student kan besluit om sodanige student kwytskelding te verleen van 'n bedrag gelyk aan 75 persent van die beurslening.
- (d) In die geval van 'n student wat sy studiekursus stak, in gelyke maandelikse paaimeente oor die aantal maande wat gelyk is aan die aantal maande in die termyn waarin die totale bedrag voorgeskiet deur die Raad uitbetaal is. Sodanige paaimeente is betaalbaar aan die Raad op die eerste dag van elke kalendermaand, met ingang van die eerste dag van die kalendermaand wat volg op die maand waarin die studiekursus gestaak is.

12. Die datum waarop 'n studiekursus deur 'n student aan wie 'n beurslening toegestaan is, voltooi of gestaak is, is onweerlegbaar die datum wat deur die hoof van die betrokke universiteit of enige persoon wat onder sy gesag optree, in 'n brief gerig aan die Stadsklerk, aangegee word.

13. Ingeval 'n student aan wie 'n beurslening toegestaan is, versuim om binne 14 (veertien) dae na die vervaldatum, soos bepaal in artikel 11, enige paaiment te betaal, het die Raad, ondanks enige voorafgaande bepaling, die reg om onmiddellik betaling van die volle som van die lening dan verskuldig met rente daarop, te eis.

14. Ingeval 'n student aan wie 'n beurslening toegeken is, te sterwe kom voordat die lening met rente daarop aan die Raad terugbetaal is, is die bedrag verskuldig aan die Raad ondanks enige voorafgaande bepaling onmiddellik ten volle betaalbaar op die sterftedatum en rente op die bedrag was aan soos voormeld tot die datum van betaling.
