TOWN COUNCIL OF ZEERUST.

PROPOSED AMENDMENT OF THE ZEERUST TOWN PLANNING SCHEME NO. 1 OF 1958 (AMENDMENT SCHEME NO. 1/7).

The Town Council of Zeerust has prepared a draft amendment town planning scheme to be known as Amendment Scheme 1/7.

The area affected by the proposed Amendment Scheme is bounded by Drooge Street, Jean Street and portions of Hooge, Schut and Doorn Streets as well as Berg Street.

The area is situated north of the central area of Zeerust and consists of approximately 239 properties.

The present use-zoning of the erven in the abovementioned area is "Special Residential" with a density of "one dwelling house per 15000 sq. ft." with the exception of a property situated between Smook, Rossouw, Joubert and Eigen Streets which is zoned "Existing Public open space".

The purpose of this Amendment Scheme is to amend the Zeerust Town Planning Scheme in such a manner that the present density zoning of the Residential erven in the abovementioned area is altered from

"one dwelling house per 15 000 sq. ft." to "one dwelling house per 1250 square metres (12500 sq. ft.)". This amendment will have the effect that the Residential erven in the said area may be subdivided into a maximum of 4 portions.

The "Red Roads" shown on the Amendment Scheme Maps will become public streets and will provide access to the various portions when the specific erven are subdivided.

Particulars of this Scheme are open for inspection at the Municipal Offices of Zeerust for a period of 4 weeks from the date of the first publication of this notice which is 3 November, 1971.

The Council will consider whether or not the Scheme should be adopted.
