the first time, and I am sure it will be the last. I have
had a very hard time getting along with the people here,
and I have been very much annoyed by the way they have
treated me. I have had to work very hard to get along
with them, and I have had to sacrifice a great deal to do
so. I have had to give up a lot of my time and energy
to trying to make things work out, and I have had to
put up with a lot of bad behavior from some of the
people here. It has been a difficult experience, but I
have learned a lot from it, and I think it has made me
a stronger person. I am grateful for the experience,
even though it was not always easy.
