CITY OF CAPE TOWN (SOUTH PENINSULA REGION)

PROPOSED REZONING AND DEVELOPMENT OF A PORTION OF PORTION 7 OF THE FARM DASSENBERG NO 940, NOORDHOEK

Ministerial approval was previously obtained for the rezoning of the abovementioned property from Agricultural to Subdivisional Area to permit the subdivision thereof for use for residential, private open space, and road purposes. The High Court subsequently set the approval aside on judicial review on the grounds that the Minister infringed the right of interested parties to lawful and fair administrative action. As a result the process is incomplete. Since the High Court decision, an environmental impact assessment has been undertaken and town planning refinements have been introduced in response to the environmental impact assessment. This additional information has now been completed and the Minister of Local Government, Environmental Affairs and Development Planning will be requested to reconsider the application as well as all comments and objections previously received and to take a final decision on the application.

Notice is hereby given that application will be made to the said Minister to take a final decision on the rezoning application as described above. All comments and objections previously submitted remain part of the record to be taken into consideration by the Minister in arriving at a final decision. Anyone wishing to submit additional or new comments or objections for the Minister's consideration are invited to do so within the time period and in the manner stipulated below.

In view of the lengthy delay that has occurred since the proposed rezoning was initially advertised, it was resolved to re-advertise the matter in order to afford interested parties a fresh opportunity to lodge comments or objections in respect of the proposal. It is recorded that a formal application for subdivision of the property has been submitted to the City of Cape Town, and an application for environmental authorisation has been submitted to the Department of Environmental Affairs and Development Planning. These applications are advertised separately, but are integral to the development proposal. An open house meeting will be held at the King of Kings Baptist Centre in Fish Hoek (corner of Ou Kaapse Weg and Buller Louw Drive), on Tuesday 11th November 2008, from 16:00 to 19:00, where the development proposal will be explained. All interested parties are invited to attend this open house meeting.

Notice is hereby given that the Minister is required to consider the application for rezoning of the property to subdivisional area as described below.

The application for rezoning to subdivisional area will be open for inspection from Friday 24th October 2008 at the office of the Director: Integrated Environmental Management, Department of Environmental Affairs and Development Planning, Provincial Government of the Western Cape, at the Utilitas Building, 1 Dorp Street Cape Town between 08:00 to 12:30 and 13:00 to 15:30 during weekdays. The application will also be open for inspection from Friday 24th October 2008 at the office of the District Manager Department of Planning and Building Development Management, Southern District, City of Cape Town, at 3 Victoria Road Plumstead between 08:00 and 14:30 during weekdays. Any comments and objections, stating the number of the application, name of the applicant, property description (see below) and reasons, must be submitted in writing to the office of the abovementioned Director: Integrated Environmental Management, Department of Environmental Affairs and Development Planning, at the Utilitas Building, 1 Dorp Street Cape Town, or by post to Private Bag X9086, Cape Town, 8000 reach the Director on or before Monday 24th November 2008.
