2. Legislative framework

- 2.1 The legislative framework for this guideline is:
- (a) Alteration of Sex Description and Sex Status Act, 2003 (Act 49 of 2003);
 - (b) Births and Deaths Registration Act, 1992 (Act 51 of 1992);
 - (c) Children's Act, 2005 (Act 38 of 2005);
 - (d) Constitution of the Republic of South Africa, 1996;
 - (e) National Education Policy Act, 1996 (Act 27 of 1996);
 - (f) National Health Act, 2003 (Act 61 of 2003);
 - (g) Promotion of Equality and Prevention of Unfair Discrimination Act, 2000 (Act 4 of 2000);
 - (h) Protection of Personal Information Act, 2013 (Act 4 of 2013);
 - (i) South African Schools Act, 1996 (Act 84 of 1996);
 - (j) Western Cape Provincial School Education Act, 1997 (Act 12 of 1997).

3. Purpose

- 3.1 The purpose of this guideline is to—
- (a) create an educational environment that does not discriminate directly or indirectly against anyone on one or more grounds, including gender, sex, sexual orientation, conscience, belief, culture and birth, among others;
 - (b) create an educational environment that is free from stigma and discrimination for all learners in all public schools; and
 - (c) promote gender identity and gender expression.

4. Scope

This guideline is applicable to all public schools.

5. Gender identity

- 5.1 When a learner discloses his or her gender identity and/or sexual orientation to the principal, educator or a fellow learner, the matter must be treated with great sensitivity and confidentiality.
- 5.1.1 It is encouraged that the learner be referred to a social worker, psychologist or any other organisation which deals with matters of this nature in order to facilitate counselling and assistance.
- 5.1.2 The principal may manage and coordinate this process.
- 5.1.3 In order to maintain confidentiality, the principal may report to the governing body that a learner is LGBTQI+, without necessarily divulging the learner's name or gender identity.
- 5.1.4 With the consent of the learner, the principal may convene a meeting with the learner and his or her parent(s) to—

- (a) gain an understanding of the perceptions and expectations of the learner and his or her parent(s) in dealing with the matter;
- (b) supply them with comprehensive information concerning all the appropriate guidance services available in the community and the services available at the school;
- (c) clearly state that parents may request or can apply for an exception to the school's code of conduct where reasonable or practicable;
- (d) take any further decisions, for example, about—
 - (i) whether the matter must be handled confidentially;
 - (ii) self-expression and conduct on the part of the learner;
 - (iii) allowing for freedom of participation, where reasonable and practicable, in the school's extracurricular activities and the use of other school facilities.

6. Gender expression

- 6.1 A LGBTQI+ learner has the right to choose the first name by which he or she wants to be known to educators, school staff and fellow learners, irrespective of his or her gender characteristics or assigned sex at birth.
- 6.2 The LGBTQI+ learner will maintain his or her sex description on the Central Education Management Information System (CEMIS) as it appears on his or her birth certificate or where he or she has altered his or her sex description on his or her birth register at the Department of Home Affairs.

7. Dress code and physical appearance

- 7.1 Schools are encouraged to accommodate the dress code preferences of LGBTQI+ learners in their respective codes of conduct and may introduce gender neutral uniforms. The same rules which are applicable to girls, may apply to boys and vice versa, where reasonable and practicable.
- 7.2 Schools are also encouraged to allow for deviations from the school's uniform policy on cultural, medical and gender diversity grounds. A letter of application signed by the parents may be submitted to the principal.
- 7.3 It is recommended that neatness and cleanliness be the underlying principles of the school's dress code and the onus be on parents and learners to ensure that they remain presentable at all times.
- 7.4 The exception contemplated in paragraph 7.1 does not mean that "anything goes".

8. Participation in sports

- 8.1 Learners of all sexual orientations and gender identities may be encouraged to participate in school sports, free from bullying, harassment and discrimination. LGBTQI+ learners can participate in any sports code of their choice. It is recommended that schools inform LGBTQI+ learners that when they progress to obtaining national or provincial colours, they will have to adhere to the rules and regulations applicable to the national and provincial sporting federations.

- 8.2 Ensure that all learners have the opportunity to be physically active and that they are able to express their sporting abilities and interests.

9. Use of toilet and changing room facilities

- 9.1 Having considered the safety measures and inherent risks, a school may allow a LGBTQI+ learner to use the toilets and changing room facilities which he or she feels most comfortable with, but it is recommended that the sensitivity of other learners also be taken into account.
- 9.2 A school may also make provision for a unisex toilet, if reasonably practicable, depending on their available financial resources and infrastructure.

10. School excursions and hostels

- 10.1 Careful consideration and preparation is needed where a LGBTQI+ learner is a resident in a school hostel and when a LGBTQI+ learner goes on a school excursion, to ensure that a LGBTQI+ learner is not excluded in any way.
- 10.2 It is recommended that sleeping arrangements be considered very carefully before the excursion takes place, and thorough risk assessments be carried out prior to the excursion so that reasonable adjustments can be made to allow the LGBTQI+ learner to participate.
- 10.3 Similarly, sleeping arrangements will have to be considered very carefully before placing a LGBTQI+ learner in a hostel, and while it may be best suited for the LGBTQI+ learner, it is recommended that the sensitivity of the other learners also be taken into account.

11. School functions and the matric dance

- 11.1 It is encouraged that learners be allowed to have dress code preferences of their choice.
- 11.2 Ensure that all learners feel free to bring a partner of their choice to the matric dance, regardless of sexual orientation and gender identity.

12. Single gender schools

- 12.1 The admission policy of a public school is determined by the governing body of such school.
- 12.2 The governing body of a single gender school may admit LGBTQI+ learners and may make provision for their enrolment in its admissions policy.
- 12.3 It is recommended that the school engage in consultation sessions with the parents and learners of the school community to ensure that the decision of the school to include the admission of LGBTQI+ learners reflects the wishes of the majority of the parents and learners.

- 12.4 It is recommended that schools be fair and objective in this instance and not be swayed by the subjective wishes of a particular group.
- 12.5 Schools may engage in suitable education campaigns with the parents and learners of the school community to ensure that the decision of the school to include the admission of LGBTQI+ learners is understood by the parents and learners.

13. Safe space

- 13.1 It is recommended that schools strive to create an environment where LGBTQI+ learners get affirmation that, whatever their sexual orientation and gender identity are, they are respected, valued and deemed part of the normal spectrum of sexual orientations and gender identities.
- 13.2 We recommend that schools support and acknowledge the establishment of social diversity associations where the celebration of diversity is embraced.

14. Curriculum inclusiveness

- 14.1 The school environment, curriculum and assemblies can all be used to explore issues of sex, gender, gender identity, homophobia and transphobia, and it is recommended that these topics be explored in subjects such as Life Orientation.
- 14.2 It is recommended that gender inclusion be integrated in the curriculum, by—
 - (a) using lesson plans that will help learners to see, appreciate and understand one another as individuals;
 - (b) using lesson plans that will help learners to identify gender stereotyping;
 - (c) discussing and practicing ways in which learners can stop gender stereotyping and disparagement in school;
 - (d) teaching learners ways to be an ally and to stand up for one another;
 - (e) integrating gender topics into the curriculum through story problems, writing prompts, readings, art assignments or music.
- 14.3 It is important to provide learners with the knowledge, skills, attitudes and values about sexual orientation and gender diversity, and help them to have a clear understanding that sexual orientation and gender diversity are two completely different things. The accompanying social responsibilities in especially the learning area such as Life Orientation, cannot be overemphasised.

15. Training of schools by the Western Cape Education Department to raise awareness

- 15.1 The Western Cape Education Department (WCED) will provide training to education districts, principals, governing bodies, educators and learners on creating awareness about gender diversity as a key focus area to promote positive attitudes to gender diversity and to include LGBTQI+ learners without discriminating against them.

- 15.2 There will be ongoing professional development to build the skills of staff members to prevent, identify and respond to bullying, harassment and discrimination.
- 15.3 Schools can also enable parents and guardians to play an active role in the sexual education of their children by presenting parent involvement and educational support programmes.
- 15.4 It is important that the school leadership, i.e. the principal, school management team and the Representative Council of Learners, makes an effort to educate the school community about sexual orientation and gender identity rights.

16. Review

This guideline must be reviewed when the need arises or in the case of changed circumstances, such as pronouncements by legislation and/or regulations and budgetary constraints.

Note: *Mphela v Manamela and others (2016), case no 1/2016, Seshego Magistrates Court, (Equality Court)*

In a landmark judgment handed down in March 2017, the Equality Court for the District of Seshego in Limpopo Province, the South African Human Rights Commission instituted proceedings on behalf of a transgender secondary school learner. The case arose from allegations of humiliation and harassment based on the gender identity of the learner that created a hostile and intimidating environment at the school. The learner testified that he identified himself to be a girl, dressed accordingly and used the girls' toilet facilities. He did not complete matric and he further testified that he felt that the school system failed him in acknowledging his personal situation and providing a safe and comfortable environment. The Court held that the principal of the school and the Limpopo Provincial Department of Education were and still are tasked to create a safe, protective, stress-free environment for learners. They are tasked to look after the well-being of the learners and they failed.

The Western Cape Education Department has developed this guideline to sensitise all public schools and school communities to assist in creating an educational environment that does not discriminate directly or indirectly against anyone on one or more grounds, including, gender, sex, sexual orientation, conscience, belief, culture and birth, among others.

3. Doel

3.1 Die doel van hierdie riglyn is om—

- (a) 'n opvoedkundige omgewing te skep wat nie direk of indirek teenoor enigiemand op een of meer gronde, ingeslote gender, geslag, seksuele oriëntasie, gewete, geloof, kultuur en geboorte, onder meer, diskrimineer nie;
- (b) 'n opvoedkundige omgewing wat vry van stigma en diskriminasie vir alle leerders in alle openbare skole is, te skep; en
- (c) genderidentiteit en uitdrukking van gender te bevorder.

4. Omvang

Hierdie riglyn is van toepassing op alle openbare skole.

5. Genderidentiteit

5.1 Wanneer 'n leerder sy of haar genderidentiteit en/of seksuele oriëntasie aan die prinsipaal, opvoeder of 'n medeleerder bekend maak, moet die aangeleentheid met groot sensitiwiteit en vertroulikheid hanteer word.

5.1.1 Dit word aanbeveel dat die leerder na 'n maatskaplike werker, sielkundige of enige ander organisasie wat aangeleenthede van hierdie aard hanteer, verwys word om berading en hulp te faciliteer.

5.1.2 Die prinsipaal mag hierdie proses bestuur en koördineer.

5.1.3 Om vertroulikheid te handhaaf, mag die prinsipaal aan die beheerliggaam verslag doen dat 'n leerder LGBTQI+ is, sonder om noodwendig die leerder se naam of genderidentiteit bekend te maak.

5.1.4 Met die toestemming van die leerder mag die prinsipaal 'n vergadering met die leerder en sy of haar ouer(s) byeenroep om—

- (a) 'n begrip te vorm van die persepsies en verwagtinge van die leerder en sy of haar ouer(s) oor die hantering van die aangeleentheid;
- (b) hulle te voorsien van omvattende inligting oor alle toepaslike dienste wat leiding hieroor gee en wat in die gemeenskap beskikbaar is, en die dienste wat by die skool beskikbaar is;
- (c) duidelik te meld dat ouers 'n versoek mag rig of aansoek mag doen om 'n uitsondering te maak wat die skool se gedragskode betref, waar dit redelik of prakties uitvoerbaar is;

- (d) enige verdere besluite te neem oor, byvoorbeeld—
(i) of die aangeleentheid op vertroulike wyse hanteer moet word;
(ii) selfuiting en gedrag van die leerder;
(iii) die vergunning om vrylik deel te neem aan die skool se buitemuurse aktiwiteite en die gebruik van ander skoolgeriewe, waar dit redelik en prakties uitvoerbaar is.

6. Uitdrukking van gender

- 6.1 'n LGBTQI+-leerder het die reg om die voornaam waarmee hy bekend wil staan by opvoeders, skoolpersoneel en medeleerders te kies, ongeag sy of haar gendereienskappe of toegewysde geslag by geboorte.
- 6.2 Die LGBTQI+-leerder sal sy of haar geslagsbeskrywing op die Sentrale Onderwysbestuurs-inligtingstelsel (SOBIS) behou soos dit op sy of haar geboortesertifikaat verskyn, of waar hy of sy, sy of haar geslagsbeskrywing op sy of haar geboorteregister by die Departement van Binnelandse Sake verander het.

7. Kleredragkode en fisiese voorkoms

- 7.1 Skole word aangemoedig om die kleredragvoorgekeure van LGBTQI+-leerders in hulle onderskeie gedragskodes tegemoet te kom en mag genderneutrale skoolklere in gebruik neem. Dieselfde reëls vir dogters mag ook op seuns van toepassing wees, en omgekeerd, waar dit redelik en prakties uitvoerbaar is.
- 7.2 Skole word ook aangemoedig om afwykings van die skool se kleredragbeleid toe te laat op grond van kultuur, mediese en genderdiversiteit. 'n Aansoekbrief wat deur die ouers geteken is, mag by die prinsipaal ingedien word.
- 7.3 Daar word aanbeveel dat netheid en higiëne die onderliggende beginsels van die skool se kleredragkode is en die onus is op ouers en leerders om te verseker dat hulle te alle tye fatsoenlik voorkom.
- 7.4 Die uitsondering in paragraaf 7.1 beoog, beteken nie dat "alles geoorloof" word nie.

8. Deelname aan sport

- 8.1 Leerders van alle seksuele oriëntasies en genderidentiteite mag aangemoedig word om aan skoolsport deel te neem, sonder om afgeknou en geteister te word en sonder diskriminasie. LGBTQI+-leerders mag deelneem aan enige sportkode van hulle keuse. Daar word aanbeveel dat skole LGBTQI+-leerders inlig dat wanneer hulle vordering maak en nasionale of provinsiale kleure verwerf, hulle sal moet voldoen aan die reëls en regulasies wat van toepassing is op die nasionale en provinsiale sportfederasies.
- 8.2 Maak seker dat alle leerders die geleentheid het om fisiek aktief te wees en dat hulle hulle vermoëns en belangstellings in sport kan uitleef.

9. Gebruik van toilet en kleedkamergeriewe

- 9.1 Na oorweging van die veiligheidsmaatreëls en gepaardgaande risiko's mag 'n skool toelaat dat 'n LGBTQI+-leerder die toilette en kleedkamergeriewe waarmee hy of sy die gemaklikste voel, gebruik, maar daar word aanbeveel dat die ander leerders se gevoelens ook in ag geneem word.
- 9.2 'n Skool mag ook voorsiening maak vir 'n unisekstoilet, indien dit redelik en prakties uitvoerbaar is, afhangende van hulle beskikbare finansiële hulpbronne en infrastruktuur.

10. Skooluitstappies en koshuise

- 10.1 Omsigtige oorweging en voorbereiding is nodig as 'n LGBTQI+-leerder 'n inwoner van 'n skoolkoshuis is en as 'n LGBTQI+-leerder op 'n skooluitstappie gaan, om te verseker dat 'n LGBTQI+-leerder in geen opsig uitgesluit word nie.
- 10.2 Daar word aanbeveel dat slaapreëlings baie versigtig oorweeg word voordat die uitstappie plaasvind en deeglike risiko-assesserings uitgevoer word vóór die uitstappie sodat redelike aanpassings gemaak kan word om die LGBTQI+-leerder toe te laat om deel te neem.
- 10.3 Op dieselfde wyse sal slaapreëlings baie versigtig oorweeg moet word voordat 'n LGBTQI+-leerder in 'n koshuis geplaas word, en alhoewel dit die beste aan die LGBTQI+-leerder se behoeftes mag voldoen, word daar aanbeveel dat die gevoelens van die ander leerders ook in ag geneem word.

11. Skoalfunksies en die matriekafskeid

- 11.1 Daar word aangemoedig dat leerders toegelaat word om hulle kleredrag volgens voorkeur te kies.
- 11.2 Maak seker dat alle leerders vry is om 'n metgesel van hulle keuse na die matriekafskeid te bring, ongeag seksuele oriëntasie en genderidentiteit.

12. Enkelgeslagskole

- 12.1 Die toelatingsbeleid van 'n openbare skool word deur die beheerliggaam van sodanige skool bepaal.

- 12.3 Daar word aanbeveel dat die skool oorlegplegingsessies met die ouers en leerders van die skoalgemeenskap hou om seker te maak dat die besluit van die skool om LGBTQI+-leerders by toelating in te sluit die wense van die meerderheid van die ouers en leerders weerspieël.
- 12.4 Daar word aanbeveel dat skole in hierdie geval regverdig en objektief is en nie deur die subjektiewe wense van 'n besondere groep oorred word nie.

Die meegaande sosiale verantwoordelikhede in die leerarea soos Lewensoriëntering in die besonder kan nie genoeg beklemtoon word nie.

15. Opleiding van skole deur die Wes-Kaap Onderwysdepartement om bewustheid te kweek

- 15.2 Voortgesette professionele ontwikkeling sal voorsien word om die vaardighede van personeellede op te bou om afknouery, teistering en diskriminasie te voorkom, identifiseer en daarop te reageer.
- 15.3 Skole kan ouers en voogde ook in staat stel om 'n daadwerklike rol in die seksvoorligting van hulle kinders te speel deur ouerbetrokkenheids- en onderrigondersteuningsprogramme aan te bied.
- 15.4 Dit is belangrik dat die leierskap van die skool, d.w.s. die prinsipaal, skoolbestuurspanne en die Verteenwoordigende Raad van Leerders, 'n poging aanwend om die skoalgemeenskap oor seksuele oriëntasie en genderidentiteitsregte op te voed.

Aantekening: *Mphela v Manamela and others (2016), saakno. 1/2016, Landdroshof Seshego, (Gelykheidshof)*

In 'n mylpaalbeslissing wat in Maart 2017, Distrik Seshego se Gelykheidshof in die Limpopoprovince gelewer is, het die Suid-Afrikaanse Menseregtekommissie 'n geding aangegaan ten behoeve van 'n transgender hoëskoolleerder. Die saak het voortgespruit uit aantygings van vernedering en teistering gebaseer op die genderidentiteit van die leerder wat 'n vyandige en intimiderende omgewing by die skool geskep het. Die leerder het getuig dat hy homself as 'n meisie geïdentifiseer het, sodanig aangetrek het en die meisies se toilet gebruik het. Hy het nie matriek klaargemaak nie en het voorts getuig dat hy van mening is dat die skoolstelsel in gebreke gebly het om sy persoonlike omstandighede te erken en 'n veilige en aangename omgewing te voorsien. Die Hof het beslis dat dit die taak van die prinsipaal van die skool en Limpopo se Onderwysdepartement was en steeds is om 'n veilige, beskermde, stresvrye omgewing vir leerders te skep. Hulle taak is om na die welsyn van die leerders om te sien en hulle het hierin misluk.

Die Wes-Kaap Onderwysdepartement het hierdie riglyn ontwikkel om alle openbare skole en skoolgemeenskappe te sensiteer om te help om 'n onderwysomgewing te skep wat nie direk of indirek teen enigiemand op een of meer gronde, ingeslote gender, geslag, seksuele oriëntasie, gewetensake, geloof, kultuur en geboorte, onder meer, diskrimineer nie.
