Case No. 23756/2002

IN THE HIGH COURT OF SOUTH AFRICA

(Transvaal Provincial Division)

Before the Honourable Mr Justice Van der Walt

In the *ex parte* application of **NEDCOR INVESTMENT BANK HOLDINGS LIMITED** (Registration Number 1963/003972/06) ("NIB" or "the Applicant"), Applicant

Notice is given that under the authority of an Order of the High Court of South Africa (Transvaal Provincial Division) issued in the above matter on Tuesday, 3 September 2002, and pursuant thereto, a scheme meeting of the members of NIB, other than Nedcor Limited ("Nedcor"), holding ordinary shares of one cent each in the share capital of NIB at the close of trade on the JSE Securities Exchange South Africa and the Namibian Stock Exchange on Thursday, 26 September 2002, be held on Monday, 30 September 2002 at 10:00, in the Auditorium, Nedcor Sandton, 135 Rivonia Road, Sandton, under the chairmanship of

B A Cleaver, or failing him any other independent attorney or advocate nominated for that purpose by Friedland Hart Inc, for the purpose of considering and, if deemed fit, of approving, with or without modification, the scheme of arrangement ("the scheme") proposed by Nedcor between NIB and its members, other than Nedcor, which scheme will be submitted to such meeting, provided that the scheme meeting will not be entitled to agree any modification to the said scheme without the prior consent of NIB. The Chairperson's office is situated at 10 Fricker Road, Illovo Boulevard, Johannesburg.

The basic characteristic of the scheme is that, subject to the fulfilment of certain conditions precedent which are stated in paragraph 4.5 of the scheme, all of the ordinary shares in NIB, other than those held by Nedcor, will be acquired by Nedcor and the members of NIB (other than Nedcor) will receive 3,03030 Nedcor shares for every 100 NIB shares held by them on the record date (which is expected to be on Friday, 18 October 2002).

Members of NIB (other than Nedcor) who hold ordinary shares in NIB and are registered as such at the close of business on Thursday, 26 September 2002 or the date 2 (two) business days prior to any adjournment meeting ("the scheme members"), will be entitled to attend and vote at the scheme meeting.

Copies of the scheme and an explanatory statement in terms of section 312 of the Companies Act (No. 61 of 1973), as amended, explaining the scheme, and a copy of the Order of Court convening the scheme meeting, the form of proxy and the form of surrender, are included in a circular which has been sent to the NIB shareholders and may be obtained on request from NIB at its registered office, 1 Newtown Avenue, Killarney, 2193, or the office of the transfer secretaries, Computershare Investor Services Limited, 7th Floor, 11 Diagonal Street, Johannesburg, 2001 (PO Box 1053, Johannesburg, 2000), or, in the case of Namibian shareholders, Transfer Secretaries (Proprietary) Limited, Shop No. 12, Kaiser Krone Centre, Post Street Mall, Windhoek, Namibia (PO Box 2401, Windhoek, Namibia) during normal business hours from Thursday, 5 September 2002 to Monday, 30 September 2002.

If you are a dematerialised shareholder and not an own name dematerialised shareholder, your Central Securities Depository Participant ("CSDP") or broker is obliged to contact you to ascertain how you wish to cast your vote and thereafter to vote in accordance with your instructions and, if you wish to attend the scheme meeting you should contact your CSDP or broker, as the case may be timeously and obtain your relevant letter of representation from them.

Each scheme member may attend, speak and vote in person or by representative at the scheme meeting and may appoint any other person (who need not be a member of NIB) as a proxy to attend, speak and vote in such member's place.

The required form of proxy (blue) (for completion by certificated and own name dematerialised scheme members) accompanies this notice and may be obtained on request from the registered office of NIB and the office of the transfer secretaries at the addresses given above.

Each form of proxy should be completed and signed in accordance with the instructions printed thereon and should be lodged at or posted to the above-mentioned transfer secretaries at the above-mentioned addresses to be received no later than 10:00 local time on Friday, 27 September 2002, or 24 (twenty-four) hours before any adjourned scheme meeting, but if not so lodged or posted will still be valid if properly completed, signed and accompanied by proof of appropriate authority and handed to the Chairperson of the scheme meeting not later than 10 (ten) minutes before the scheme meeting is due to commence (or recommence if adjourned).

Where there are joint holders of NIB shares, any one of such persons may vote at the scheme meeting in respect of such shares as if he/she was solely entitled thereto, but if more than one of such joint holders be present or represented at the scheme meeting, then one of the said persons whose name stands first in the register in respect of such shares of his/her proxy, as the case may be, shall alone be entitled to vote in respect thereof, as if he/she were the sole holder of such shares.

In terms of the Order of Court, the Chairperson of the scheme meeting will report the results of the scheme meeting to the above Honourable Court on Tuesday, 8 October 2002 at 10:00, or as soon thereafter as Counsel may be heard. A copy of such report will be available on request (free of charge) to any NIB member at the registered office referred to above during normal business hours from Tuesday, 1 October 2002 until Tuesday, 8 October 2002, or in respect of any adjourned scheme meeting, for at least 1 (one) week before the report back date after the adjourned scheme meeting.

The scheme is subject to certain conditions precedent stated in the scheme, one of such conditions being its sanction by the above Honourable Court.

In terms of the aforementioned Order of Court, the chairman of the scheme meeting must report the results thereof to the above Honourable Court on Tuesday, 22 October 2002 at 10:00 or so soon thereafter as Counsel may be heard. CLOVER HOLDINGS LIMITED

(Incorporated in the Republic of South Africa)

(Registration Number 1970/000876/06)

("Clover Holdings")

OFFER TO THE SHAREHOLDERS OF CLOVER HOLDINGS

1

INTRODUCTION

Further to the cautionary announcements published by Clover Holdings on 29 May 2002 and 15 July 2002, the board of directors of Clover Holdings ("board") wishes to announce that, subject to the fulfilment of the conditions precedent referred to in paragraph 7 below, it has resolved to propose a scheme of arrangement in terms of section 311 of the Companies Act 61 of 1973, as amended ("scheme") between Clover Holdings and its shareholders ("Clover Holdings shareholders") other than National Co-operative Dairies ("NCD"), Business Venture Investments No. 19 (Proprietary) Limited ("BVI 19"), Business Venture Investments No. 199 (Proprietary) Limited ("BVI 199") and Compagnie Gervais Danone ("Danone") (collectively, being referred to as "excluded members"). In terms of the scheme, Clover Holdings will extend an offer to Clover Holdings shareholders (other than the excluded members) to purchase all of their Clover Holdings shares for a consideration comprising shares ("Clover Beverages shares") in the capital of Clover Beverages (Proprietary) Limited ("Clover Beverages") as described in paragraphs 2 and 3 below.

The scheme if implemented will result in the excluded members becoming the sole shareholders of Clover Holdings.

2

RATIONALE FOR THE SCHEME

2.1

The business conducted by Clover Holdings, through its direct and indirect subsidiaries and joint ventures ("Clover Group"), effectively, embodies three distinct businesses:

2.1.1

Firstly, Clover Group operates a dairy business which encompasses the processing, marketing, selling and distribution of milk, milk powder, butter and certain cheeses. The dairy business is a low margin business with an emphasis on the volume of products distributed and sold. Furthermore, the dairy business is, internationally, of a cyclical nature. That is, the dairy business is exposed to a constant cycle of surplus and shortage

of milk. This cycle impacts, often negatively, upon the profitability of Clover Group and, effectively, prevents the dairy business from being profitable at certain points in the cycle.

2.1.2

Secondly, Clover Group operates in the beverage and branded products business which encompasses the distribution and sale of flavoured milk, juices, dairy mixes, energy drinks and custards. Unlike the dairy business, the margins in the beverages and branded products business are not low and the profitability of such business can be sustained in view of the fact that it is not subject to the same cycles as the dairy business. That is, the surpluses and shortages of milk does not impact upon the profitability of the beverages and branded products businesses. The beverage and branded products business comprises certain very well known and strong brands including "Clover Krush", "Tropica", "Super M", "Ultramel", "Mina Moo", "Single Seven" and "Tango".

2.1.3

Thirdly, Clover Group operates a distribution or logistics business. The logistics business is an adjunct to the dairy and beverage and branded products business which Clover Group operates and which enables the distribution of Clover Group products through the largest cold chain in South Africa. Clover Group also distributes the product range of certain other prominent food manufacturers through its logistics business.

2.2

The high yielding beverage and branded products business and the earnings generated thereby are diluted by the activities of the dairy business with its low margin and cyclical nature. Because of the influence of the dairy business on the profitability of Clover Group, Clover Group shares have become illiquid and trade at a substantial discount to their net asset value.

2.3

In an effort to unlock value for shareholders, it was decided that the beverages and branded products business should be isolated from the dairy business and the logistics business. The rationale for such isolation is to ensure that the profitable, high margin beverage and branded products business is conducted unencumbered by the dairy business and the logistics business. Such isolation was achieved by the sale of the beverage and branded products business to a newly formed subsidiary of Clover SA, Clover Beverages Limited (registration number 2000/000301/06) ("Clover Beverages"). The holding company of Clover

Beverages is Clover SA (Proprietary) Limited (registration number 1994/001064/07) ("Clover SA"), which is a subsidiary of Clover Holdings. Following on the acquisition of the beverage and branded products business by Clover SA as aforesaid, Clover Holdings and Clover SA concluded an agreement in terms of which 22 281 335 shares in the capital of Clover Beverages were sold to Clover Holdings for a cash consideration of R22 281 335. In terms of the scheme it is proposed that shareholders of Clover Holdings other than the excluded shareholders (hereinafter referred to as "scheme participants") will in consideration for the repurchase by Clover Holdings of their Clover shares receive, on a one-for-one basis, shares in the capital of Clover Beverages ("consideration shares") held by Clover Holdings. It is anticipated that shareholders will benefit directly from the scheme inasmuch as the consideration shares have an increased earnings potential to Clover shares. It is further anticipated that because of increased earnings potential of Clover Beverages, the consideration shares will be more liquid than Clover Group shares are presently.

2.4

A further benefit of the isolation of the beverage and branded products business is the concomitant split in the management and staffing, at appropriate levels, of the business currently operated by Clover Group. Staff and management will be able to focus on a particular business and will not be required to divide their attention between the different businesses being operated.

2.5

Finally, should the negotiations which are presently being conducted with Danone be successful, Danone will acquire 26% of the entire issued share capital of Clover Beverages from Clover SA. This significant stake will ensure that Danone's key expertise and skills are fully exploited in the beverages and branded products business. Appropriate undertakings have been given by Clover Holdings to the Securities Regulation Panel established in terms of section 440B of the Companies Act ("the SRP") to ensure that Danone will not be more favourably treated than scheme participants should the aforementioned negotiations be successful. Further, save as disclosed no agreement, arrangement or understanding exists between Clover Holdings and the excluded shareholders, including any of the directors of the excluded shareholders.

2.6

NCD and Danone, both of which have materially different rights and interests from other shareholders in Clover Holdings have been excluded.

Furthermore, in light of the fact that the Clover Executive Participation Trust (Master's reference number IT4151/99) ("Clover Trust") and the NCD Members Participation Trust (Master's reference number IT4153/99) ("NCD Trust") are directly and indirectly controlled by NCD and since BVI 199 and BVI 19 are controlled by the Clover Trust and NCD Trust respectively, these shareholders may be viewed as related parties to NCD and have accordingly been excluded.

2.7 The different rights and/or interests which NCD and Danone have in respect of Clover Holdings include, without limitation, the following:

2.7.1 NCD and Danone are parties to a shareholders agreement with Clover Holdings, which shareholders agreement confers upon them pre-emptive and other rights normal for agreements of that nature. No other shareholders of Clover Holdings are party to such shareholders agreement. The aforesaid shareholders agreement also confers on Danone (unlike other shareholders of Clover Holdings) the ability to appoint two directors to the board of Clover Holdings;

2.7.2 Danone, again unlike any other shareholder of Clover Holdings, has interests in Clover Group by virtue of shareholding in Clover SA and Danone Clover (Proprietary) Limited ("Danone Clover"). Together with such shareholding in Clover SA and Danone Clover, Danone is party to a number of shareholders agreements, joint venture agreements and the like which protect Danone's interests in Clover Group. In addition, Danone are currently in negotiations with Clover SA to acquire 26% of the entire issued share capital of Clover Beverages;

2.7.3 NCD, a co-operative representing farmers, maintains to a large extent an interest in the dairy business of Clover Holdings, which interest is not necessarily share by other shareholders of Clover Holdings.

3 CONSIDERATION

Clover Holdings shareholders (other than the excluded shareholders) will, if the scheme is implemented, receive one consideration share for each Clover share surrendered by them ("scheme consideration"). Ernst & Young, Corporate

Finance (Proprietary) Limited ("EYCF") as independent financial adviser to the board, has indicated that the aforesaid exchange ratio of one Clover share for one consideration share is fair and reasonable to the Clover shareholders.

4

FINANCIAL EFFECTS OF THE OFFER

The table below illustrates the relative financial interest of a scheme participant before and after the implementation of the scheme based on each of the parameters outlined:

	Before ⁽¹⁾ (Clover Holdings)	After ⁽²⁾ (Clover Beverages)
Market value per share (cents)	68,0	100
(Loss)/earnings per share (cents)	(12,2)	3,3
(Headline loss)/earnings per share (cents)	(29,2)	3,3
Net asset value per share (cents)	385,7	6,2

Notes:

- 1 The figures in the before column have been extracted from the audited financial statements of Clover Holdings for the financial year ended 30 June 2001 with the exception of the market value per share statistic which represents the latest OTC trading price of Clover Holdings.
- 2 The figures in the after column have been extracted from the historical annual financial information of Clover Beverages for the financial year ended 30 June 2001 based on 300 000 000 shares in issue with the exception of the market value per share statistic which represents the estimated share price based on the valuation of Clover Beverages as at 31 December 2001.

From the above, it can be seen that a scheme member is giving up a share in Clover Holdings which:

- historically traded at a substantial discount to NAV; and

- *has incurred a loss for the financial year ended 30 June 2001, 2000 and 1999 (and only generated a profit for the six month period ended 31 December 2001)*

for a share in Clover Beverages with greater potential future growth as illustrated by the increased estimated share price, earnings per share and headline earnings per share results compared with that of the holding company, Clover Holdings, albeit that the latter will maintain a broader scale and nature of business.

The directors feel that the scheme provides an opportune method of unlocking shareholder value and are of the opinion that scheme members will be better off holding shares in Clover Beverages as the dilution of earnings in Clover Holdings (because of that company's underlying business) places growth constraints on the shares of Clover Holdings and the market at large has accordingly chosen to value such shares at a significant discount to NAV.

5 **OPINIONS AND RECOMMENDATIONS**

EYCF, acting as independent financial advisor to the board (other than those directors of the board that are directors of the excluded members), has considered the terms and conditions of the scheme and is of the opinion that, the scheme is fair and reasonable to shareholder of Clover Holdings (other than the excluded shareholders) and has advised the board of Clover Holdings accordingly. A copy of EYCF's letter in this regard to the directors of the board is included in the circular referred to in paragraph 8 below.

6 **OVER-THE-COUNTER MARKET**

Subject to the scheme being unconditional, Sanlam Private Investments (Proprietary) Limited has agreed to -

- 6.1 the termination of the OTC market managed and administered by it to facilitate trading in Clover shares; and
- 6.2 the establishment of a new OTC market for shares in the capital of Clover Beverages (ie, the consideration shares) on mutatis mutandis the same terms and conditions as have applied in the past in relation to the OTC market in respect of Clover shares.

7 CONDITIONS PRECEDENT

The scheme is subject to the fulfilment of, inter alia, the following conditions precedent -

- 7.1 the passing and registration by the Registrar of Companies ("Registrar") of the special resolution necessary to amend the articles of association of Clover Holdings to permit Clover Holdings to purchase its own shares in terms of section 85 of the Companies Act 61 of 1973, as amended ("Companies Act");
- 7.2 the passing and registration by the Registrar of the special resolution necessary for Clover Holdings to repurchase the Clover shares of the scheme participants in order to implement the scheme;
- 7.3 the approval of the scheme by a majority representing not less than three-fourths of the votes exercised by scheme participants (other than the excluded shareholders) present and voting either in person or by proxy at the scheme meeting;
- 7.4 the High Court of South Africa (Witwatersrand Local Division) sanctioning the scheme;
- 7.5 the court order sanctioning the scheme being registered by the Registrar of Companies in terms of the Companies Act.

8 FURTHER DOCUMENTATION

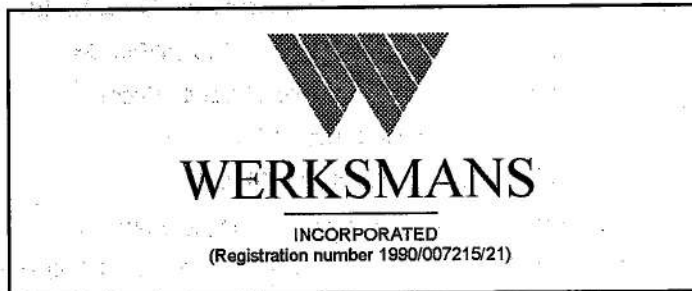

Documentation in respect of the scheme is in the process of being prepared, and a circular, which has been approved by the Securities Regulation Panel ("SRP"), will be mailed to Clover shareholders within 13 days of the date of this announcement (or, with the consent of the SRP, as soon as possible thereafter). Further announcements, including the salient dates pertaining to the scheme, will be published in the press in due course.
