I, the undersigned Victor Montgomery Anderson:

3. The Second Applicant and I were married to each other on 13 March 2004.

5. The Second Applicant and I did not conclude a notarial contract giving effect to our common intention expressed in paragraph 4 above before the said marriage took place as the Second Applicant and I were under the *bona fide* but mistaken belief that such a contract could be concluded after the date of marriage.
6. The Second Applicant and I have now been advised by our attorneys, Bakers Incorporated, that the notarial contract had to be concluded before the marriage was solemnised and that in the absence of this we have to bring this present application to give effect to our common intention expressed in paragraph 4 above.
7. Before the marriage, during the marriage and to this present date the Second Applicant and I have kept our financial affairs separate and have administered our respective estates separately and distinctly and we intend to continue to do so in the future.

8. I will cause notice of this Application to be given to the Registrar of Deeds in terms of Section 97 (1) of the Deeds Registries Act, No. 47 of 1937.

9. I attach hereto marked A a notarial contract which correctly reflects the intention of both myself and the Second Applicant.

10. I will cause notice of this Application to be published in the *Government Gazette* and in two local newspapers.

11. My current assets are as set out in Annexure B hereto.

12.1 My only liabilities are those listed in Annexure C hereto.

12.2 I will cause notice of this Application by registered post, to be given to my creditor in C.

13. I have not been sequestered and no sequestration proceedings are pending against me.

14. There are no legal proceedings of any nature currently pending against me by any person.

15. I have no reason to believe that any person will suffer prejudice, and I submit that no person shall suffer prejudice in the event that this Honourable Court grants the order in terms of the Notice of Motion herein.
