Case No. GCC 202/28/07/05

IN THE GAUTENG CONSUMER AFFAIRS COURT HELD AT JOHANNESBURG

In the matter between: PRISCILLA LEYDS, Complainant, and JETBRO BRICK & TIMBER, Respondent

JUDGMENT

Introduction

1. This is the judgment concerning an alleged unfair business practice arising out of the Respondent's failure to deliver the correct grade timber (the timber) to the complainant in terms of an agreement concerning the purchase of building materials (the agreement) the complainant concluded with the Respondent on or about 13 September 2004.

ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)

2. The hearing took place on 15 August 2005. The complainant was represented by the Consumer Protector, Advocate G Pitso. The respondent elected not to attend the hearing, which proceeded in the respondent's absence. Only the complainant testified in support of her complaint and a small bundle of documents was handed in.

Summary of evidence*The complainant***Priscilla Leyds**

3. The complainant testified that during September 2004 she purchased certain building materials, which included the timber, from the respondent for an amount of R9 650 (the purchase price). The complainant furnished the respondent with an approved municipal building plan when she purchased the building materials. This plan specifically recorded the grade of timber, which was to be used to make roof trusses for alterations to the complainant's house at Stand 808, Mayberry Park, Alberton.

4. The respondent delivered the building materials, including the timber, to the complainant. The municipal building inspector inspected the building materials on 27 September 2004 and informed the complainant that the respondent had supplied the incorrect grade of timber to assemble the roof trusses.

5. On the same day, the complainant informed the respondent's representative, who is known to her as Mr Ash (Ash), that the respondent had delivered the incorrect grade of timber. Ash promised to speak to the inspector to convince the inspector that the respondent could treat the timber. Later, the complainant's husband telephoned Ash, who asked the complainant's husband to 'offer something to the inspector to convince him to approve the material'. The complainant understood Ash to be asking her husband to bribe the inspector to approve the timber.

6. The complainant's husband refused to attempt to bribe the inspector and instead made an appointment during October 2004 to see the inspector together with Ash. However, Ash did not arrive for the meeting at the municipality's Alberton Office. The complainant then lodged a complaint with the Office for the Investigation of Unfair Business Practices (the office).

7. On 13 January 2005, Ash telephoned the complainant. He told her that the office had contacted him and he would like to resolve the complaint. He undertook to deliver the correct grade of timber and asked the complainant to call at the respondent's shop and sign a document. Accordingly, on 21 January 2005 the complainant called at the respondent's shop and signed the respondent's tax invoice number 4852 on which it is recorded that:

I the above-mentioned hereby acknowledge that Jetbro Builder Supply will replace timber purchased on the 11/09/04 to be changed to V5 timber with no extra costs.

Ash told the complainant that the respondent would deliver the V5 timber on 25 January 2005.

8. The respondent did not deliver the V5 timber on 25 January 2005. Accordingly, on 27 January 2005 the complainant telephoned the respondent and Ash told her that the respondent would deliver the V5 timber after lunch time. The complainant waited for the respondent to deliver the V5 timber but the respondent failed to comply with its undertaking to deliver the V5 timber on 27 January 2005.

9. The complainant then contacted the office on 4 March 2005 and the office's representative asked the complainant to attend a hearing with the respondent at the office on 5 April 2005. However, on 24 March 2005 Ash telephoned the complainant and threatened to make the complainant pay for the "damages on the timer as it had been cut" if the complainant referred the complaint back to the office. The complainant replied that all she wanted was the correct grade of timber and the respondent had furnished her with a written undertaking that it would replace the timber at no extra cost. The complainant then attended the hearing at the office on 5 April 2005 in the absence of the respondent.

10. The complainant produced a letter from the Ekurhuleni Metropolitan Municipality, the relevant part of which reads as follows—

Illegal roof construction: Stand 80, Mayberry Park: An inspection carried out on the 27th September 2004 at the above stand revealed the following: The timber used for the manufacturing of the roof trusses did not comply with the National Building Regulations and the roof construction has therefore been rejected.

11. The complainant has been severely inconvenienced by the respondent's failure to deliver the correct grade of timber. The complainant's house leaks and she has been unable to complete the building work to her house. She wishes to keep the building materials, except the timber used to make the roof trusses. The complainant paid an amount of R5 034 for the timber. She wishes to be refunded this amount together with interest on this amount.

Analysis of evidence and argument

12. The complainant is required to prove her case against the respondent on a balance of probabilities. This standard means that the complainant's version must be more probable than the respondent's version.

13. The respondent, despite being summoned to attend the court hearing and the summons having been duly served on it, elected not to attend court. Accordingly, the uncontested evidence before this court is that the respondent accepted the purchase price from the respondent but failed to deliver the correct grade of timber to the complainant. The respondent's conduct has unfairly affected the complainant and constitutes an unfair business practice under the Consumer Affairs (Unfair Business Practices) Act, 1996 (the Act).

14. The unfair business practice committed by the respondent is aggravated by the respondent's actions. First, the respondent, having been furnished with the approved building plan which specifically recorded the grade of timber to be used to make the roof trusses, accepted the purchase price for the timber from the complainant but failed to deliver the correct grade of timber to the complainant.

ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)

15. Second, when the complainant informed the respondent that it had delivered the incorrect grade of timber, Ash promised to convince the building inspector that the respondent could treat the timber and later unlawfully asked the complainant's husband to bribe the building inspector to approve the timber. The respondent's unlawful and corrupt behaviour in suggesting that the complainant bribe the inspector has no place in South African society.

16. Third, during October 2004 Ash failed to attend the meeting with the building inspector at the municipality's Alberton office.

17. Fourth, once the complainant had lodged a complaint with the office Ash undertook in writing to deliver the correct grade of timber to the complainant and then failed to do so.

18. Fifth, having failed to comply with his undertaking Ash then threatened the complainant that if she referred the complaint back to the office he would make the complainant pay for the damages the respondent had incurred by erroneously delivered the incorrect grade of timber to the complainant.

19. Sixth, the respondent failed to attend both the hearing at the office and the hearing of this court.

20. Moreover, the respondent's actions have greatly inconvenienced the complainant, who has been unable to complete the building work to her house and has consequently suffered water leaks.

21. For all of these reasons, we agree with Mr Pitso's submission in argument that the respondent has no valid defence to the complainant's claim, which explains the respondent's blatant disregard for not only the complainant but the procedures of both the office and this court. It follows that the respondent has acted dishonestly, unlawfully and grossly unreasonably.

Compensation

22. The complainant has been clearly prejudiced. She paid the purchase price but did not receive the correct grade of timber from the respondent, which held itself out to be in the business of supplying building materials. The complainant testified that she wishes to keep the building materials she bought from the respondent except for the incorrect grade of timber. The evidence reveals that the complainant paid an amount of R5 034,00 (excluding VAT) for the incorrect grade of timber. In our view, the complainant is entitled to cancel that part of the agreement concerned the incorrect grade of timber and be refunded an amount of R5 738,76 (being R5 034,00 plus VAT on this amount).

Costs

23. Section 17 (1) (b) of the Act empowers this court to award costs on a prescribed scale or in an amount determined by the court against a person who is found to have acted, amongst other things, grossly unreasonably. This court has found that the respondent has acted grossly unreasonably and considers it appropriate to order the respondent to pay towards the costs of the investigation by the office and the sitting of this court.

Order

24. Accordingly, this court orders that—

24.1 That part of the agreement the complainant and respondent concluded on or about 13 September 2004 concerning the purchase of timber for the manufacture of roof trusses is hereby cancelled;

24.2 The respondent is, through the Office for the Investigation of Unfair Business Practices and within 21 days of this judgment having been served on the respondent, to refund the complainant the amount of R5 738,76 together with interest thereon at the prescribed rate from 13 September 2004 to date of payment.

24.3 The respondent is to pay to the Office for the Investigation of Unfair Business Practices and within 21 days of this judgment having been served on the respondent the amount of R5 000 towards the costs of the investigation of this complaint by the Office For The Investigation of Unfair Business Practices and sitting of this court.

IN THE HIGH COURT OF SOUTH AFRICA

(Witwatersrand Local Division)

**In the *ex parte* application of: ROBSON, SIDNEY CAWOOD, First Applicant, and
ROBSON, LESLEY (Born TRUEBODY), Second Applicant**

REPORT BY THE REGISTRAR OF DEEDS: JOHANNESBURG

A copy of the Notice of Motion and supporting documents in the above matter having been served on me, I wish to report as follows:

1. According to the records of this office:

1.1 No sequestrations or other interdicts are recorded against the names of the either of the applicants, and

1.2 Immovable property is registered in the name of the second applicant, the particulars are as follows:

(a) Title Number: T70164/2000.

(b) Property description: Erf 1107, Helderkrui Extension 6.

(c) Registered owner: Lesley Robson, Identity Number: 7302020307081, married out of community of property.

(d) Mortgage Bond Numbers: B54118/2000 and B14609/2004 are registered against the title of the property for the amounts of R300 000,00 and R500 000,00 respectively in favour of Standard Bank of South Africa Limited.

2. An antenuptial contract H1103/1998 is registered in the names of the applicants. Annexure "B" is an accurate copy of the said antenuptial contract and paragraph 6 relates to the matter of accrual.

3. Section 21 of the Matrimonial Property Act, Act 88/1984 reads:

"Change of matrimonial property system —(1) A husband and wife, whether married before or after the commencement of this Act, may jointly apply to a court for leave to change the matrimonial property system, including the marital power, which applies to their marriage, and the court may, if satisfied that—

(a) there are sound reasons for the proposed change,

(b) sufficient notice of the proposed change has been given to all the creditors of the spouses, and

(c) no other person will be prejudiced by the proposed change, order that such matrimonial property system shall not longer apply to their marriage and authorize them to enter into a notarial contract by which their future matrimonial property system is regulated on such conditions as the court may think fit".

4. I have perused the proposed contract, annexure "C" to the Notice of Motion, and wish to comment that the rights of pre-existing creditors are not being addressed. See *ex parte* Lourens et uxor 1986 (2) SA 291 CPD keeping in mind that pre-existing creditors may well have benefited from the accrual system that has been in force and effect since the marriage on 28th February 1998, if the marriage were to be dissolved apropos paragraph 6 of the first applicant's affidavit.

If the honourable court should order that the proposed contract be registered I would humbly request that the Registrar also be ordered to cancel the existing contract, H1103/1998.

I shall abide by the decision of the Court.
