## HIGH ALERT: SCAM WARNING!!!

### TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works (GPW)*.

The scam involves the fraudsters using the letterhead of *GPW* to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. *GPW* has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

[PROCUREMENT@GPW-GOV.ORG](mailto:PROCUREMENT@GPW-GOV.ORG)

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the *GPW*.

*GPW* has an official email with the domain as [@gpw.gov.za](mailto:@gpw.gov.za)

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

*GPW* will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. *GPW* does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

*Government Printing Works* gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

## Fake Tenders

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

### How tender scams work

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at [www.gpwonline.co.za](http://www.gpwonline.co.za)
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

**ANNEXURE A**

**NOTICE IN TERMS OF SECTION 39 OF THE PREVENTION OF ORGANISED CRIME ACT 121 OF 1998 (POCA)**

The National Director of Public Prosecutions applied for and was granted a preservation of property order in terms of section 38 of the Prevention of Organised Crime Act, No. 121 of 1998 in the High Court of South Africa (Western Cape Division, Cape Town) on 11 December 2019 in case number 21999/19 in relation to: property described as a MAN truck with registration number 798 KHM GP seized by members of the South African Police Service on 18 February 2019 (a copy of the application and order can be obtained from the person mentioned in par 9 hereunder).

This notice is addressed to all persons who may have an interest in the property described above.

Take notice that:

1 If you have an interest in the property, you should understand that it is now at risk. You are advised to obtain legal advice on whether your interest can be protected and, if so, on how to protect it.

2 You are notified that the National Director will, within 90 days of publication of this notice, apply to the High Court under section 48 of the POCA for a forfeiture order. The preservation order will remain in force until the application for a forfeiture order is finalised, and until any forfeiture order that is made is satisfied.

3 If you intend to oppose the application for a forfeiture order, or you intend to apply for an order excluding your interest from a forfeiture order in respect of the property, you must enter an appearance in terms of the order. The requirements for such an appearance are set out in the order and are also dealt with in sections 39(3), (4) and (5) of the POCA. An appearance must comply with these requirements and must be delivered to the office of the State Attorney at the address mentioned in paragraph 9, below.

4 Your attention is specifically drawn to the 14-day time limit prescribed in section 39(4) for the entry of an appearance referred to in paragraph 3 above.

5 If you enter an appearance in terms of the order you will be entitled to be given 14 days' notice of the application by the applicant for a forfeiture order in respect of the property.

6 If you fail to enter an appearance in terms of the order or to comply with the above requirements, you will not be given notice of the application for a forfeiture order and you will not be entitled to appear at the hearing of the application. In such a case, the court may grant a default order forfeiting the property to the state under section 53 of the POCA.

7 You may, on good cause shown (including the non-availability of any other suitable remedy to protect your legitimate rights or interests), on 3 days' notice in urgent instances and at least 7 days' notice in other instances to the applicant, and within 8 days of becoming aware of the order, apply for reconsideration of the order.

8 You are specifically advised that even if you intend to apply for reconsideration of the preservation order in this case, you must, in addition, comply with paragraphs 4 and 5 above if you intend to oppose the forfeiture application at a later date. Failure to do so can result in a forfeiture order being granted against the property by default and without further notice to you.

9 Whenever this order states that you must deliver or serve any notice, affidavit or other process document on the applicant, you must deliver or serve them on the applicant at the following address:
