(2) The subsistence allowance mentioned in subregulation (i) may also be paid in respect of short periods during which a judge returns to his headquarters, provided that he travels at his own expense and his commitments in respect of accommodation continue at the place where he performs official duties.

11. The following allowances shall be payable to judges (including the Chief Justice) of the Appellate Division:—

(a) If resident in Bloemfontein, R80 per month: Provided that the allowance in respect of the Chief Justice shall be payable only for so long as he has not been supplied with an official residence at Bloemfontein.

(b) If resident elsewhere than Bloemfontein, R145 per month: Provided that such judge shall be entitled to payment of the allowance only in respect of periods of service actually performed at Bloemfontein and that the total amount so claimed shall not exceed R800 in any year. 12. On all claims for the payment of allowances in terms of these regulations the nature of the services, exact time of departure and arrival and such other information as may be necessary to calculate the amount payable shall, where applicable, be stated. The lowest tender for the packing, loading, unloading and unpacking of the effects shall be accepted: Provided that the lowest tender for transport by road may be accepted if it is more economical having regard to the railway tariff at concession rates. The Minister may, however, approve the acceptance of a higher tender if in his opinion there are good reasons for the rejection of the lowest tender.

(3) The State shall not be responsible for any insurance premiums: Provided that premiums in respect of insurance coverage for transport by road may be paid from public funds if the lowest tender for road transport includes such premiums as an integral part thereof.

van sy hoofkwartier: Met dien verstande dat waar huisvesting en onderhoud inbegrepe is by vervoer wat op staatskoste verskaf word, die onderhoudstoelae R2 per dag bedra. Die toelae vir 'n gedeelte van 'n dag word na verhouding volgens die getal ure afwesig bereken.

(2) Die onderhoudstoelae in subregulasie (1) genoem, kan ook betaal word ten opsigte van kort tydperke wat 'n regter na sy hoofkwartier terugkeer, mits hy op eie koste reis en sy verpligte ten opsigte van huisvesting op die plek waar hy sy amptsligte verrig, voortduur.

11. Aan regters van die Appelaafdeling (met inbegrip van die Hoofregter) is die volgende toelaes betaalbaar:—

(b) indien elders as in Bloemfontein woonagtig, R145 per maand: Met dien verstande dat sodanige regter op betaling van die toelae geregtig is slegs ten opsigte van tydperke van diens wat werklik te Bloemfontein verrig is en dat die totale bedrag wat geëis word nie R800 in enige jaar oorskry nie. Vir tydperke van minder as 'n maand word die toelae na verhouding van die tydperk van diens bereken.

12. In alle eise vir die betaling van toelaes ingevolge hierdie regulasies, moet, waar toepaslik, die aard van die dienste, die presiese tyd van vertrek en aankoms en sodanige ander inligting wat nodig is om die bedrag betaalbaar te bereken, gemeld word. Sodanige eis word deur die betrokke regter onderteken of deur sy klerk nadat die inligting daarin vervat deur die regter bevestig is.

13. (1) Wanneer 'n regter van een afdeling permanent in 'n ander afdeling aangestel word of wanneer 'n persoon as regter aangestel word en sy hoofkwartier nie op die plek geleë is waar hy by aanstelling woonagtig is nie, word die koste verbonde aan die vervoer van sodanige regter of persoon, sy gesin, huisbediendes en besittings, na sy nuwe hoofkwartier uit staatsgelde bestry, behoudens die voorwaarde dat die vervoerkoste ten opsigte van die regter of persoon, sy gesin en Blanke bediendes nie die koste van eersteklastreinkaartjies en in die geval van nie-Blanke bediendes, van tweedeklastreinkaartjies teen staatstarief oorskry nie, tensy magtiging vir die gebruik van ander vervoer deur die Minister verleen is.

(2) Waar besittings vervoer moet word, vra die griffier van die afdeling waarvandaan sodanige besittings vervoer moet word, skriftelike tenders van minstens ses vervoerkontrakteurs vir die verpakking, laai, aflaai en ontpacking van die besittings vir vervoer per trein en, indien die betrokke regter of persoon dit verlang, vir die vervoer daarvan per pad. Die laagste tender vir die verpakking, laai, aflaai en ontpacking van die besittings word aanvaar: Met dien verstande dat die laagste tender vir vervoer per pad aanvaar kan word indien dit meer ekonomies sal wees, met inagneming van die spoorgeld teen konsessietarief. Die Minister kan egter die aanvaarding van 'n hoër tender goedkeur indien daar na sy mening goeie redes bestaan vir die verwering van die laagste tender.

(3) Die Staat is nie verantwoordelik vir enige assuransiepremies nie: Met dien verstande dat premies ten opsigte van assuransiedekking by die vervoer van besittings per pad uit staatsgelde betaal kan word indien die laagste padvervoertender sodanige premies as 'n integrerende deel daarvan insluit.

(4) Not more than two motor vehicles of a judge or person mentioned in subregulation (1) shall be transported by goods train at State expense, provided that they are transported at owner's risk. Incidental expenses for the loading and unloading of the vehicle or vehicles to a maximum of R4 may be reimbursed from public funds.

(5) Unless the Minister gives permission within the undermentioned period for the postponement of the transport of the effects mentioned in this regulation, such effects shall be transported within two months of the transfer or appointment of the judge concerned.

(6) The Minister may in exceptional cases approve that the effects of a judge or person mentioned in subregulation (1) be transported at State expense and be stored in a storehouse at his previous headquarters or residence or at his new headquarters for not more than six months and thereafter be transported to his new residence provided the registrar concerned calls for at least six tenders for the execution of the services and the lowest tender is accepted. The Minister may, however, approve the acceptance of a higher tender if in his opinion there are good reasons for the rejection of the lowest tender.

14. On the retirement or death of a judge his effects may be transported at State expense to any place in the Republic of South Africa or in South West Africa, where he or his widow, as the case may be, is to settle, in which case the provisions of regulation 13 shall *mutatis mutandis* apply. Such transport shall, however, be effected not earlier than two months prior to and not later than six months after the date of retirement and in the case of death not later than six months after the date of death.
