Every notice shall be maintained in good and legible condition until the date for lodging objections has expired; provided that the Board may condone any failure so to maintain such notice board upon being satisfied by the applicant that such failure resulted from causes beyond his control.

(b) in ander gevalle die vorm aanneem van Bylae 9.

(2) No advertisement shall be necessary.

(3) No application which is not lodged with the clerk between the 15th day of October and the 30th day of November of the year for which the expiring licence was issued [section 20 (2) of the Act] shall be entertained by the clerk in terms of section 33 of the Act.

(4) Whenever the clerk does not propose to exercise the authority conferred upon him by section 33 of the Act, he shall cause the applicant to be so informed in sufficient time to enable him to arrange for the conduct of his application before the board at the annual meeting.

D. OBJECTIONS

13. (1) Objection to the granting of an application for a certificate for the issue of a licence (section 21 of the Act) shall be lodged in triplicate and a copy thereof shall be served by the objector upon the applicant.

(2) Such objection shall be lodged and served—

(b) not later than the 15th day of November of the year for which the expiring licence was issued, in the case of an application in respect of the renewal of a licence.

(3) Objections lodged or served out of time shall not be entertained by the board; provided that when any objection relates to a new licence the board may, in its discretion, direct that the same be received and, if deemed necessary, adjourn the proceedings to allow the applicant a reasonable opportunity of answering it.

E. OTHER MATTERS

14. No document in the nature of a petition, either in favour of or in opposition to the granting of an application, shall be received or considered by the board.

15. (1) An objector, and, in every case where objections have been lodged, the applicant, shall, not less than five clear days before the date fixed for the meeting of the board, lodge with the clerk, in duplicate, a schedule specifying the documents which he intends to use, other than the applicant's books of account and the like, or plans or papers which have been previously lodged, and also serve a copy thereof upon the other party.

(2) The party by whom documents have been scheduled shall allow the other party reasonable facilities for inspecting and copying them.

(3) Any documents which ought to have been scheduled, but which have not been scheduled or served within the prescribed time, shall not be used at the hearing, unless the board so directs, in which case the board may, if it deems it necessary to do so, adjourn the proceedings to allow the other party a reasonable opportunity of inspecting such documents.

16. (1) A party to an application who desires the attendance of any person as a witness at the hearing of such application may submit a request to the clerk, setting out the full name and address of such person, together with such other information as may enable the chairman to decide whether to exercise the authority conferred upon him by section 15 of the Act provided that the chairman shall not issue a notice for the attendance of such person until he is satisfied that there has been lodged with the clerk a sum sufficient to cover the reasonable expenses of such person in attending the hearing as a witness.

(2) Geen advertensie is nodig nie.

(3) 'n Aansoek wat nie by die klerk ingedien is tussen die 15de dag van Oktober en die 30ste dag van November van die jaar ten opsigte waarvan die verstrykende lisensie uitgereik is nie [artikel 20 (2) van die Wet], word nie ooreenkomsig artikel 33 van die Wet deur die klerk behandel nie.

(4) Wanneer die klerk nie voornemens is om die bevoegdheid uit te oefen wat by artikel 33 van die Wet aan hom verleen word nie, moet hy die applikant betyds dienooreenkomsig in kennis laat stel sodat hy reëlings kan tref om sy aansoek by geleentheid van die jaarvergadering voor die raad te bring.

D. BESWARE

13. (1) Besware teen die toestaan van 'n aansoek om 'n sertifikaat vir die uitreiking van 'n lisensie (artikel 21 van die Wet) moet in triplo ingedien en 'n afskrif daarvan deur die beswaarmaker op die applikant gedien word.

(2) Inlewing en diening van so 'n beswaar moet plaasvind—

(a) in die geval van 'n aansoek ten opsigte van 'n nuwe lisensie, minstens 10 volle dae voor die datum wat vir die vergadering van die raad bepaal is; en

(b) in die geval van 'n aansoek ten opsigte van die hernuwing van 'n lisensie, voor of op die 15de dag van November van die jaar ten opsigte waarvan die verstrykende lisensie uitgereik is.

(3) Besware wat nie tydig ingelewer en gedien word, word nie deur die raad oorweeg nie; met dien verstande dat die raad wanneer 'n beswaar op 'n nuwe lisensie betrekking het, na goedvinde kan gelas dat dit in ontvangs geneem word en die verrigtinge, indien hy dit nodig ag, kan verdaag ten einde die applikant 'n redelike geleentheid te gee om daarop te antwoord.

E. ANDER AANGELEENTHEDDE

14. Geen dokument van die aard van 'n versoekskrif, hetsy teen of ten gunste van die toestaan van 'n aansoek, word deur die raad in ontvangs geneem of oorweeg nie.

15. (1) 'n Beswaarmaker en, in elke geval waar besware ingedien is, die applikant, moet minstens vyf volle dae voor die datum wat vir die vergadering van die raad bepaal is 'n lys van die dokumente (afgesien van die applikant se besigheidsboeke, ensovoorts, of planne of stukke wat reeds ingedien is) wat hy voornemens is om te gebruik, in duplo by die klerk inlewer en 'n afskrif daarvan op die ander party dien.

(2) Die party deur wie die dokumente ingedien is, moet die ander party redelike fasiliteite gee om hulle na te gaan en afskrifte te maak.

(3) Enige dokumente wat ingelys behoort te gewees het maar wat nie ingelys of binne die voorgeskrewe tydperk gedien is nie, mag nie by die behandeling van die aansoek gebruik word nie tensy die raad dienooreenkomsig gelas en in daardie geval kan die raad, indien hy dit nodig ag, die verrigtinge verdaag ten einde aan die ander party 'n redelike geleentheid te gee om die dokumente na te gaan.

16. (1) 'n Party wat by 'n aansoek betrokke is en wat verlang dat 'n persoon in die hoedanigheid van getuie by die behandeling van sodanige aansoek aanwesig moet wees, kan aan die klerk 'n versoek voorlê met vermelding van die volle naam en adres van so 'n persoon, tesame met sodanige ander inligting as wat die voorsitter in staat mag stel om te besluit of hy die bevoegdheid moet uitoeft wat artikel 15 van die Wet aan hom verleen; met dien verstande dat die voorsitter nie 'n kennisgewing vir die bywoning deur sodanige persoon moet uitreik nie alvorens hy daarvan oortuig is dat daar by die klerk 'n toereikende bedrag gestort is tot dekking van sodanige persoon se redelike onkoste in verband met sy bywoning van die verhoor as 'n getuie.

(2) Any person who is required to attend as a witness at the hearing of any application shall be entitled to receive from the party at whose instance he was required so to attend, such allowances and fees as would be payable to him if he were required to attend a magistrate's court on subpoena in a civil case.

(3) Notice to attend as a witness at the hearing of any application which shall be substantially in the form of Schedule 10, shall be forwarded for service to the messenger of the magistrate's court, who shall be entitled to the payment of such fees as would be payable were the notice a subpoena to attend a magistrate's court in a civil case.

THE HEARING OF APPLICATIONS AND OBJECTIONS

17. In the hearing and determination of applications and objections the board shall, in any matter of practice or procedure not provided for in the Act or these regulations, be guided as far as practicable by the rules of practice and procedure obtaining in civil cases in magistrate's courts; provided that nothing herein contained shall be construed as entitling the board to award costs in any case.

18. The decision of the board shall in every case be duly recorded and, where any application is refused, a statement of the reasons for refusal shall be prepared at or before the close of the sitting of the board and shall be signed by the chairman.

19. (1) The clerk shall keep a record of every application showing the name of the applicant and of any objector, the nature of the application, the premises (if any) and the result of the application.

(2) Upon receipt of an application for a new licence a file shall be prepared in which shall be kept the record of proceedings, the application and any objections, plans, reports or other documents and upon the outer cover of which shall be shown the name and address of the applicant, the nature of the licence, the premises (if any) and the result of the application.

(3) If the application in respect of a new licence is granted, the same file shall be used for applications for the renewal of such licence from year to year, the results of which shall also be shown upon the cover or a continuation thereof.

20. (1) Subject to the provisions of section 38 of the Act, the chairman shall, upon the granting of an application, sign the certificate of authority which the clerk shall transmit to the applicant for production by him to the receiver of revenue when applying for the relevant licence.

(2) Every certificate of authority shall, amongst other things, show the date when it was granted and set forth any conditions or restrictions subject to which its issue was authorised.

*Rural Licensing Board for the area.....
Township Licensing Board for the Township.....
Miscellaneous Areas Licensing Board for the area.....

(2) Enigeen van wie verlang word om die behandeling van 'n aansoek as 'n getuie by te woon, is geregtig om van die party op wie se aandring hy versoek is om aldus teenwoordig te wees, sulke toelaes en gelde te ontvang as wat aan hom betaalbaar sou wees indien hy gedagvaar word om in 'n siviele regsgeding in 'n magistraatshof te verskyn.

(3) Kennis om die behandeling van 'n aansoek as 'n getuie by te woon, moet in hoofsaak die vorm aanneem van Bylae 10 en moet vir diening aan die geregsbode van die magistraatshof deurstuur word; laasgenoemde is geregtig tot betaling van sulke gelde as wat betaalbaar sou gewees het indien die kennisgewing 'n dagvaarding was om in 'n siviele regsgeding in die magistraatshof te verskyn.

DIE BEHANDELING VAN AANSOEKE EN BESWARE

17. By die behandeling en uitwysing van aansoeke en besware moet die raad met betrekking tot enige aangeleentheid in verband met gebruik of prosedure waarvoor die Wet of hierdie regulasies nie voorsiening maak nie, vir sover moontlik die reëls betreffende praktyk en prosedure in siviele regsgeding in magistraatshowe as leidraad gebruik, met dien verstande dat niks hierin vervat vertolk moet word al sou dit die raad die reg gee om in enige geval koste toe te staan nie.

18. Die raad se beslissing moet in elke geval behoorlik opgeteken word en waar 'n aansoek afgewys is, moet 'n opgawe van die redes vir weiering by of voor die afsluiting van die raadsitting opgestel en deur die voorsitter onderteken word.

19. (1) Die klerk moet van elke aansoek aantekening hou, bevattende besonderhede aangaande die naam van die applikant en van enige beswaarmaker, die aard van die aansoek, die eventuele perseel en die uitslag van die aansoek.

(2) Na ontvangs van 'n aansoek om 'n nuwe lisensie moet 'n lêer geopen word waarin die notule van verrigtinge, die aansoek en enige besware, planne, verslae of ander dokumente gehou moet word; die naam en adres van die applikant, die aard van die lisensie, die eventuele perseel en die uitslag van die aansoek moet op die buiteblad van hierdie lêer vermeld word.

(3) Word die aansoek ten opsigte van 'n nuwe lisensie toegestaan, moet dieselfde lêer jaar na jaar vir aansoeke om die hernuwing van sodanige lisensie gebruik word en die uitslae van hierdie aansoeke moet ook op die buiteblad of op 'n vervolg daarvan aangeteken word.

20. (1) Onderworpe aan die bepalings van artikel 38 van die Wet moet die voorsitter na die toestaan van 'n aansoek die magtigingsertifikaat onderteken wat die klerk aan die applikant moet deurstuur sodat hy dit aan die ontvanger van inkomste kan vertoon wanneer hy die betrokke lisensie aanvra.

(2) Elke magtigingsertifikaat moet onder meer die datum aangee waarop dit uitgereik is en enige voorwaardes waarop of beperkings waaronder die uitreiking gemagtig is, vermeld.

2. Elke beampte moet hom deeglik op hoogte stel van die Wet en die regulasies se bepalings betreffende die toestaan van magtigingsertifikate vir die uitreiking van licensies in die gebiede van die licensieraade, asook van hierdie regulasies. 6. Whenever, as the result of an inspection by him of any licensed premises, an officer is of opinion that the circumstances connected with any of the matters referred to in sections 26 (1) (b) and (c), 26 (2) (b) and (c) and sections 27, 28 and 31 of the Act are such that they ought to be brought to the notice of the Board, or if he has knowledge that any condition or restriction annexed to any licence is not being observed or complied with, or that the holder of any licence has been convicted of any offence which may tend to establish that he is not a fit and proper person to hold such a licence, he shall report to the clerk of the licensing board accordingly in the manner and within the time prescribed by section 23 (1) of the Act.

7.
