No. R. 1256

27 June 1975

THE SOUTH AFRICAN MEDICAL AND DENTAL COUNCIL

The Minister of Health has, in terms of section 50 (2) of the Medical, Dental and Supplementary Health Service Professions Act, 1974 (Act 56 of 1974), approved the following rules made by the South African Medical and Dental Council under section 50 (1) of the Act:

RULES SPECIFYING THE ACTS OR OMISSIONS IN RESPECT OF WHICH DISCIPLINARY STEPS MAY BE TAKEN BY THE PROFESSIONAL BOARD FOR HEALTH INSPECTORS AND THE COUNCIL

The following acts or omissions by a health inspector shall constitute acts or omissions in respect of which disciplinary steps may be taken by the Professional Board and the Council, on the understanding that—

(a) the said acts or omissions cannot be and are not intended to constitute a complete list of acts or omissions of which the Professional Board for Health Inspectors and the Council may take cognisance and that the Professional Board and the Council are empowered by section 50 of the Act to inquire into and deal with any complaint, charge or allegation which may be brought before them;

(b) the Professional Board and Council ordinarily will act only if a complaint, charge or allegation is laid before them.

1. ADVERTISING

Introduction.—Sound relationships between health inspectors as colleagues are essential for furthering the public esteem and trustworthiness of the profession and thus of health inspectors themselves. Acts by which a health inspector makes himself known directly to the public or by which he prejudices the esteem of a colleague (or other registered person) are contrary to this premise and fundamental proposition. The quality of a health inspector's services is traditionally the justified means by which he can become professionally known. Competition in the medico-scientific field and the disclosure of personal findings and views should take place only in the professional press.

The Professional Board and the Council endorse the desirability of informing the public of matters in the general interest, but disapprove of methods adopted by a health inspector aimed at advertising a particular person, institution remedy or technique. It is laid down, furthermore, that a health inspector who allows his professional opinions to be divulged in the lay press or on the radio or to be disclosed to a lay assembly, will personally be held responsible that such divulging or disclosure does not constitute advertising.

Strawwe

7. Enigeen wat enige bepaling van hierdie regulasies oortree, of versuim om daarvan te voldoen, begaan 'n misdryf en is by skuldigbevinding strafbaar—

(a) in geval van 'n eerste oortreding, met 'n boete van hoogstens R200 of, by wanbetaling, gevengenisstraf vir 'n tydperk van hoogstens ses maande; en

(b) in geval van 'n tweede of latere oortreding met 'n boete van hoogstens R1 000 of, by wanbetaling, gevengenisstraf vir 'n tydperk van hoogstens een jaar.

8. Die Regulasies vir Rookbeheer afgekondig by Goewermentskennisgewing R. 2031 van 2 November 1973 word hiermee herroep.

No. R. 1256

27 Junie 1975

DIE SUID-AFRIKAANSE GENEESKUNDIGE EN TANDHEELKUNDIGE RAAD

Die Minister van Gesondheid het kragtens artikel 50 (2) van die Wet op Geneeshere, Tandartse en Aanvullende Gesondheidsdiensberoep, 1974 (Wet 56 van 1974), sy goedkeuring geheg aan die volgende reëls wat deur die Suid-Afrikaanse Geneeskundige en Tandheelkundige Raad kragtens artikel 50 (1) van die Wet opgestel is:

REËLS WAT DIE HANDELINGE OF VERSUIME UITEENSIT TEN OPSIGTE WAARVAN TUGSTAPPE DEUR DIE BEROEPSRAAD VIR GESONDHEIDSINSPEKTEURS EN DIE RAAD GEDOEEN KAN WORD

Onderstaande handelinge of versuime van 'n gesondheidsinspekteur is handelinge of versuime ten opsigte waarvan tugstappe deur die Beroepsraad en die Raad gedoen kan word, met dien verstande dat—

(a) genoemde handelinge of versuime nie 'n volledige lys kan wees nie en nie as 'n volledige lys bedoel is nie van handelinge of versuime waarvan die Beroepsraad vir Gesondheidsinspekteurs en die Raad kennis kan neem en dat die Beroepsraad en die Raad kragtens artikel 50 van die Wet bevoeg is om onderzoek in te stel na en om te handel met enige klage, beskuldiging of bewering wat aan hulle voorgelê word;

(b) die Beroepsraad en die Raad gewoonlik sal optree slegs wanneer 'n klage, beskuldiging of bewering aan hulle voorgelê word.

1. ADVERTEER

Inleiding.—Gesonde onderlinge verhoudings tussen gesondheidsinspekteurs as kollegas is noodsaaklik vir die bevordering van die openbare aansien en betrouwbaarheid van die beroep en dus van gesondheidsinspekteurs self. Handelinge waardeur 'n gesondheidsinspekteur hom direk by die publiek bekendmaak of waardeur hy die aansien van 'n kollega (of ander geregistreerde persoon) benadeel, is strydig met dié uitgangspunt en grondstelling. Van oudsher is die gehalte van 'n gesondheidsinspekteur se dienslewering die geregtigde wyse waarop professionele bekendheid kan posvat. Mededeling op medies-wetenskaplike gebied en die bekendmaking van persoonlike bevindings en menings behoort slegs in die professionele pers te geskied.

Die Beroepsraad en die Raad onderskryf die wenslikheid om die publiek in te lig oor onderwerpe wat die breë belang dien, maar keur metodes af wat deur 'n gesondheidsinspekteur aangewend word met die doel om 'n bepaalde persoon, inrigting, middel of tegniek te adverteer. Verder word bepaal dat 'n gesondheidsinspekteur wat toelaat dat sy professionele menings in die lekers of oor die radio bekendgemaak of aan 'n lekegehoor geopenbaar word, persoonlik daarvoor verantwoordelik gehou sal word dat sodanige bekendmaking of openbaarmaking nie 'n advertensie uitmaak nie.

Advertising himself with a view to his (direct or indirect, immediate or eventual) professional gain or permitting such advertisement. The following acts shall not be regarded as such advertisement:

(a) The publication of articles in professional journals and of scientific books for use by the professions and by students in health inspection and students in medicine, dentistry, nursing and related professions, indicating his name and professional qualifications;

(b) the publication of non-professional books and non-professional articles in the lay press under his own name without an indication of professional qualifications; and

(c) the divulgence in the lay press or on the radio or television under his own name, or the expression by means of addresses or lectures to a lay audience of his views on subjects of a professional nature—

(i) by health inspectors acting in their official capacities and where such publication is bona fide part of their official duties;

(ii) by officers of an association of health inspectors, acting in their official capacities and on the instructions of such association; and

(iii) by any health inspector on matters of a purely academic nature, public health, hospital administration, medico-political matters, and similar matters.

2. ASSOCIATION WITH CHARITABLE INSTITUTIONS

Being associated professionally in any manner with an institution which falsely purports to be a charitable or beneficiary institution.

3. TENDERING

(ii) "hake" means any species of hake (*Merluccius capensis*, *Merluccius paradoxus* and *Merluccius polli*).

153. (1) No person shall, without the authority of a permit issued by the Director, carry on board any fishing boat or use for fishing any trawl net or midwater trawl net of which the mesh size in any part of the net is less than 75 mm when measured in accordance with the method prescribed in subregulation (2).

(2) The mesh size of a net shall be measured by means of a flat wedgeshaped gauge having a thickness of not more than 2 mm when the net is still wet after use or after it has been soaked in sea water for 10 minutes. Measurement shall be made by inserting the measuring instrument through a mesh of the net and taking a reading while the measuring instrument is subject to a pressure or pull of 5 kg. The mesh size of the net shall be regarded as the average of the measurements of any series of at least 20 consecutive meshes measured in this manner and which are not less than 10 meshes away from the lacings

As alternatief kan die pen in die stertvin in lyn met die punt van die keep gesteek word. Die meetband moet styf gespan in 'n reguit lyn ewewydig met die dek of platvorm en die walvis se lyf gehou word en, behalwe in buitengewone omstandighede, langs die rug van die walvis, waarna die aflesing in lyn met die ander ent van die walvis gedoen moet word. Vir meetdoeleindes is die ente van die walvis die punt van die keep tussen die stertvinne en die punt van die bokaak, of in die geval van potvisse, die heelvoerste gedeelte van die kop.

Afmetings moet tot die naaste 0,1 meter afgerond word, dit wil sê, 'n walvis tussen 10,15 meter en 10,25 meter moet as 10,2 meter aangegeteken word en 'n walvis tussen 10,25 meter en 10,35 meter moet as 10,3 meter aangegeteken word. Die afmeting van 'n walvis wat op presies 0,05 van 'n meter val, moet tot die volgende tiende van 'n meter afgerond word, byvoorbeeld 10,25 meter word as 10,3 meter aangegeteken."

'n Voltooide afskrif van iedere sodanige vorm moet uiterlik 14 dae na afloop van die visvangtog aan die direkteur gestuur word.

Enige net of netwerk waaraan so 'n identifikasiemerk deur 'n internasionale inspekteur aangebring is mag, tot tyd en wyl dit ondersoek is en die identifikasiemerk deur die direkteur verwyder is, nie vir visvang gebruik word nie.

THE FLOWERING PLANTS OF AFRICA

This publication is issued as an illustrated serial, much on the same lines as Curtis's Botanical Magazine, and for imitating which no apology need be tendered.

The desire and object of the promoters of the publication will be achieved if it stimulates further interest in the study and cultivation of our indigenous plants.

The illustrations are prepared mainly by the artists at the Botanical Research Institute, and the Editor is pleased to receive living plants of general interest or of economic value for illustration.

Each part contains 10 plates and costs R1,50 per part. Two, three or four parts may be published annually, depending on the availability of illustrations. A volume consists of four parts. From Volume 27, the price per volume is: Cloth binding, R10; morocco binding, R14.

Obtainable from the Director, Division of Agricultural Information, Private Bag X144, Pretoria.

DIE BLOMPLANTE VAN AFRIKA

Hierdie publikasie word uitgegee as 'n geïllustreerde reeks, baie na die aard van Curtis se "Botanical Magazine". Die doel van die werk is om die skoonheid en variasie van vorm van die flora van Afrika aan die leser bekend te stel, om belangstelling in die studie en kweek van die inheemse plante op te wek, en om plantkunde in die algemeen te bevorder.

Die meeste van die illustrasies word deur kunstenaars van die Navorsingsinstituut vir Plantkunde gemaak, dog die redakteur verwelkom gesikte bydraes van 'n wetenskaplike en kunsstandaard afkomstig van verwante inrigtings.

Onder huidige omstandighede word twee dele van die werk gelyktydig gepubliseer, maar met onreëlmateriale tussenpose; elke deel bevat tien kleurplate. Intekengeld bedra R1,50 per deel: Vier dele per band. Vanaf band 27 is die prys per band in linne gebind R10; in morocco-leer gebind R14.
