8002. If procedures under tariff items 8201 to 8218 inclusive are carried out by specialists in maxillofacial and oral surgery, the fees shall be equal to the appropriate tariff fee plus 50 per cent/Indien die prosedures van tariefitems 8201 tot en met 8218 uitgevoer word deur spesialiste in kaak-, gesig-, en mondchirurgie, is die gelde gelyk aan die toepaslike tariefgelde plus 50 persent.
8005. The fee for more than one operation or procedure performed through the same incision shall be calculated as the fee for the major operation plus the tariff fee for the subsidiary operation to a maximum of R25 for each such subsidiary operation or procedure/Die gelde vir meer as een operasie of prosedure via dieselfde insnyding uitgevoer, word bereken as die geld vir die hoofoperasie plus die tariefgeld van die bykomende operasie tot 'n maksimum van R25 vir elke sodanige operasie of prosedure.
8006. The fee for more than one operation or procedure performed under the same anaesthetic but through another incision shall be calculated on the tariff fee for the major operation plus half the tariff fee for each subsidiary operation. This rule shall not apply where two or more unrelated operations are performed by practitioners in different specialties, in which case each practitioner shall be entitled to the full fee for his operation/Die gelde vir meer as een operasie of ingreep onder dieselfde narkose maar via 'n ander insnyding uitgevoer, word bereken as die geld vir die hoofoperasie plus die helfte van die geld vir elke bykomende operasie. Hierdie reël is nie van toepassing nie waar twee of meer onverwante operasies deur praktisyns van verskillende spesialiteite uitgevoer word, in welke geval elke praktisyn geregtig is op die volle geld vir sy operasie.

If, within six months, a second operation for the same condition or injury is performed, the fee for the second operation shall be half of that for the first operation/Indien daar binne ses maande 'n tweede operasie vir dieselfde toestand of besering uitgevoer word, is die geld vir die tweede operasie die helfte van die vir die eerste.

The tariff fee for an operation shall, unless otherwise stated, include normal post-operative care for a period not exceeding four months. If a practitioner does not himself complete the post-operative care, he shall arrange for it to be completed without extra charge: Provided that in the case of post-operative treatment of a prolonged or specialised nature, such fee as may be agreed upon between the practitioner and the Commissioner may be charged/Die tariefgeld vir 'n operasie sluit in, tensy daar anders vermeld word, die normale na-operatiewe versorging vir 'n tydperk van hoogstens vier maande. Indien 'n praktisyn nie self die na-operatiewe versorging voltooi nie moet hy reël dat dit voltooi word sonder bykomende heffing: Met dien verstande dat, in die geval van na-operatiewe behandeling van 'n langdurige of gespesialiseerde aard, sodanige gelde heffing kan word as waarop die praktisyn en die Kommissaris ooreengekom het.

8007. The fee payable to an assistant shall be calculated as 12,5 per cent of the fee of the practitioner performing the operation, with a minimum of R15/Die bedrag aan 'n assistent betaalbaar word bereken op 12,5 persent van die geld van die praktisyn wat die operasie uitvoer, met 'n minimum van R15.

## SCHEDULE/BYLAE

## TARIFF OF FEES IN RESPECT OF PHYSIOTHERAPY SERVICES/GELDETARIEF TEN OPSIGTE VAN FISIOTERAPEUTIESE DIENSTE

## GENERAL RULES GOVERNING THE TARIFF/ALGEMENE REËLS VAN TOEPASSING OP DIE TARIEF

- 001 Unless timely steps are taken to cancel an appointment for a consultation the relevant consultation fee shall be payable by the workman/Tensy stappe vroegtydig gedoen word om 'n afspraak vir 'n konsultasie te kanselleer, sal die werksman aanspreeklik wees vir die konsultasiegelde.
- 002 In exceptional cases where the tariff fee is disproportionately low in relation to the actual services rendered by a practitioner, a higher fee may be negotiated. Conversely, if the fee is disproportionately high in relation to the actual services rendered, a lower fee than that in the tariff should be charged. In buitengewone gevalle waar die tariefgelde buite verhouding laag is in vergelyking met die werklike dienste deur 'n praktisyn gelewer, is hoër gelde onderhandelbaar. Aan die anderkant, as die gelde buite verhouding hoog is met betrekking tot die werklike dienste gelewer, moet 'n laer bedrag as dié wat in die geldetarief aangegee word, gevra word.
- 003 The services of a physiotherapist shall be available only on referral by a medical or dental practitioner/Die dienste van 'n fisioterapeut is beskikbaar slegs ná 'n verwysing deur 'n mediese praktisyn of tandarts.
- 004 In the case of prolonged or costly treatments these should only be embarked upon after negotiations between the referring medical practitioner and the Commissioner/In die geval van 'n langdurige of duur behandeling kan slegs daarmee voortgegaan word na onderhandeling tussen die verwysende mediese praktisyn en die Kommissaris.
- 005 After a series of 20 treatments in respect of one patient for the same condition; the practitioner concerned shall report to the Commissioner as soon as possible if further treatment is necessary. Payment for treatments in excess of the stipulated number may be granted by the Commissioner on receipt of a progress report (W.C1. 5) from the medical practitioner/Na 'n reeks van 20 behandelings van een pasiënt vir dieselfde toestand, moet die betrokke praktisyn die Kommissaris so gou doenlik in kennis stel indien verdere behandeling nodig is. Betaling vir behandelings bo die vasgestelde aantal kan deur die Kommissaris toegestaan word by ontvangs van 'n vorderingsverslag (W.C1. 5) afkomstig van die mediese praktisyn.
- 006 "After hours treatments" shall mean those performed by arrangement at night between 18h00 and 07h00 on the following day or during weekends between 13h00 Saturday and 07h00 on Monday. Public Holidays are regarded as Sundays.
- This rule shall apply for all treatments whether given in the practitioner's rooms, or at a nursing home or private residence only by arrangement when the patient's condition necessitates it.
- The fee for all treatments under this rule shall be the total fee for the treatment plus 50 per cent. Modifier 0006 must then be quoted after the appropriate Tariff number to indicate that this rule is applicable.
- In cases where the physiotherapist's scheduled working hours extend after 18h00 during the week or 13h00 on a Saturday the above rule shall not apply and the treatment fee shall be that of the *normal listed tariff*. "Na-ursee behandelings" beteken dié behandelings wat gereël is in die nag tussen 18h00 en 07h00 van die volgende dag of gedurende naweke tussen 13h00 Saterdag en 07h00 Maandag. Openbare vakansiedae word beskou as Sondae.
- Hierdie reël sal geld vir alle behandelings, hetsy dit in die praktisyn se kamers gegee word of by 'n verpleeginrigting, of by 'n private woning alleenlik indien vooraf gereël wanneer die pasiënt se toestand dit vereis.
- Vir alle behandelings ooreenkomstig hierdie reël is die geld die volle Tariefgeld vir die behandeling plus 50 persent. Ná die betrokke Tariefnommer moet dan die uitdrukking "wysiger 0006" vermeld word ten einde aan te dui dat hierdie reël van toepassing is.
- In gevalle waar die fisioterapeut se vaste werksure gedurende die week strek tot na 18h00 of op 'n Saterdag tot na 13h00, geld bogenoemde reël nie en die geld vir behandeling is die *gewone gelyste tarief*.
- 007 The practitioner shall submit his account for treatment under the Act to the employer of the workman concerned/Die praktisyn moet sy rekening ten opsigte van behandeling kragtens die Wet aan die betrokke werksman se werkgever stuur.
- 008 The fee in respect of more than one procedure (save for Tariff item 72701) performed at the same consultation or visit, shall be the Tariff fee for the major procedure plus half the Tariff fee in respect of each additional procedure, but under no circumstances may fees be charge for more than three procedures carried out in the treatment of any one condition. Modifier 0008 must then be quoted after the appropriate Tariff numbers for the additional procedures to indicate that this rule is applicable/Die gelde vir meer as een prosedure (met uitsondering van Tariefitem 72701) wat tydens dieselfde konsultasie of besoek uitgevoer word, is die Tariefgeld vir die groot prosedure plus die helfte van die Tariefgeld vir elke bykomende prosedure, maar onder geen omstandighede mag die gelde gehef word vir meer as drie prosedures wat tydens die behandeling van 'n enkele toestand uitgevoer word nie. Ná die betrokke tariefnummers moet dan die uitdrukking "wysiger 0008" vermeld word ten einde aan te dui dat hierdie reël van toepassing is op die addisionele prosedures.
- 009 When more than one condition requires treatment and each of these conditions necessitates an individual treatment time, they shall be charged as individual treatments. Full details of the nature of the treatments must be stated. Modifier 0009 must then be quoted after the appropriate Tariff numbers to indicate that this rule is applicable/Wanneer meer as een toestand behandeling verg en elk van hierdie toestande 'n eie behandeling genoodsaak, word daar vir die onderskeie behandelings afsonderlike gelde gehef.
- Die volledige besonderhede van die aard van die behandelings moet verstrekk word. Ná die betrokke Tariefnummers moet dan die uitdrukking "wysiger 0009" vermeld word ten einde aan te dui dat hierdie reël van toepassing is.
- 010 When the treatment times of two completely separate and different conditions overlap, the fee shall be the full Tariff fee for the one condition and 50 per cent of the fee for the other condition. Modifier 0010 must then be quoted after the appropriate Tariff number to indicate that this rule is applicable/Wanneer die behandelings van twee heeltemal afsonderlike en verskillende toestande ooreenval, is die geld die volle Tariefgeld vir een van die toestande en 50 persent van die geld vir die ander toestand. Ná die betrokke Tariefnommer moet dan die uitdrukking "wysiger 0010" vermeld word ten einde aan te dui dat hierdie reël van toepassing is.
