Filling of one vacancy

22. (1) (a) If only one vacancy is to be filled the returning officer shall divide the ballot papers into parcels according to the first preferences recorded thereon for each candidate.

(b) Each ballot paper for the candidate concerned shall be counted as one vote with a value of one hundred.

(2) If the value of a candidate's votes is more than half of the value of the votes awarded to all the continuing candidates at any time he shall have achieved an absolute majority and shall be declared duly elected by the returning officer.

(3) (a) If no candidate has an absolute majority the returning officer shall exclude from the election—

(i) the candidate with the least value of votes; or

(ii) when two or more candidates together have the least value of votes, that candidate with the lowest number of original votes; or

(iii) when two or more candidates contemplated in subparagraph (ii) have the same number of original votes, the candidate determined by lot,

and transfer his unexhausted ballot papers to the continuing candidates according to the ensuing preference recorded thereon.

(3) Niemand anders as die kiesbeampte, hulpbeamptes en verkiesingsagente mag by die tel van stemme teenwoordig wees nie.

Omslagkoeverte wat laat ingedien word

20. Omslagkoeverte wat na verstryking van die uur en dag wat kragtens regulasie 14 (4) (a) bepaal is, by die kiesbeampte ingedien word, word nie oopgemaak nie en word mee gehandel op die wyse in regulasie 26 bepaal.

Watter stembriewe verwerp word

21. (1) Die kiesbeampte verwerp 'n stembrief en tel nie 'n stem wat daarop uitbring is nie—

(a) indien die stembrief nie die offisiële merk dra nie, tensy die kiesbeampte rede het om te glo dat dit amptelik ingevolge regulasie 14 uitgereik is;

(b) in die geval van 'n stembrief wat deur die pos afgestuur is, indien die handtekening van 'n lid nie op die betrokke omslagkoevert verskyn nie;

(c) in die geval waar 'n lid meerdere keuses op 'n stembrief aangedui het, indien die syfer een ("1") nie teenoor die naam van 'n kandidaat geplaas is nie, of teenoor die naam van meer as een kandidaat geplaas is, of tesame met 'n ander syfer teenoor die naam van 'n kandidaat geplaas is;

(d) in die geval waar 'n lid meerdere keuses op 'n stembrief aangedui het, indien die syfers wat die lid daarop moes aanbring, nie op die stembrief verskyn nie;

(e) indien die stembrief ongemerk of onduidelik is: Met dien verstande dat die stembrief nie op grond van onduidelikheid verwerp word nie waar meer as een kandidaat in dieselfde volgorde van keuse gemerk is, maar die kandidaat wat as eerste keuse gemerk is, duidelik aangedui is;

(f) indien 'n lid sy eie naam of handtekening op 'n stembrief geplaas het.

(2) Indien 'n lid slegs vir een kandidaat gestem het en sy keuse duidelik met 'n ander merk as 'n syfer op 'n stembrief aangedui het, verwerp die kiesbeampte nie die stembrief nie, tensy die lid gestem het deur sy eie naam of handtekening op die stembrief te plaas.

Vul van een vakature

22. (1) (a) Wanneer slegs een vakature gevul moet word, verdeel die kiesbeampte die stembriewe in pakkies volgens die eerste keuses wat daarop vir elke kandidaat aangeteken is.

(b) Elke stembrief in die betrokke kandidaat se pakkie word getel as een stem met 'n waarde van 'n honderd.

(2) Indien 'n kandidaat se waarde aan stemme meer is as die helfte van die waarde van die stemme wat te eniger tyd aan al die blywende kandidate toegeken is, het hy 'n volstreekte meerderheid verkry en word hy deur die kiesbeampte behoorlik verkies verklaar.

(3) (a) Indien geen kandidaat 'n volstreekte meerderheid verkry het nie, moet die kiesbeampte—

(i) die kandidaat met die kleinste waarde aan stemme; of

(ii) wanneer twee of meer kandidate saam die kleinste waarde aan stemme het, die kandidaat met die kleinste getal oorspronklike stemme; of

(iii) wanneer twee of meer kandidate in subparagraaf (ii) bedoel dieselfde getal oorspronklike stemme het, die kandidaat wat deur loting bepaal word,

van die verkiesing uitsluit en sy onafgehandelde stembriewe aan die blywende kandidate oordra volgens die daaropvolgende keuse wat daarop aangeteken is.

(b) the exhausted ballot papers of a candidate excluded from the election shall be put aside and not taken into account during the counting of votes.

(c) The value of a vote transferred in terms of this subregulation shall remain unchanged and shall be added to the total value of the votes of the candidate to whom the vote was transferred.

(4) The procedure set out in subregulation (3) shall be repeated until one candidate has obtained an absolute majority in terms of subregulation (2).

Filling of more than one vacancy

23. (1) If more than one vacancy is to be filled the returning officer shall first determine the quota necessary for the election of a candidate, which quota shall be calculated in terms of the following formula:

$$\frac{A \times B}{(C + D)} + E$$

In this formula—

(a) A represents the number of ballot papers not rejected;

(b) B represents the numeral 100;

(c) C represents the number of members that are to be elected;

(d) D represents the figure 1;

(e) E represents the figure 1,

and with such a calculation all fractions are left out of account.

(2) (a) The returning officer shall divide the ballot papers into parcels according to the first preferences recorded thereon for each candidate.

(b) Each ballot paper in the parcel of the candidate concerned shall be counted as one vote with a value of a hundred.

(3) (a) Each candidate with a value of votes equal to or more than the quota shall be declared duly elected by the returning officer.

(b) If a candidate has a value of votes equal to the quota, his ballot papers shall be put aside and not taken into account during the counting of votes.

(c) If a candidate has a value of votes larger than the quota, his surplus of votes shall be transferred to the remaining candidates in the manner set out in subregulation (4).

(4) (a) All surpluses of votes which arise during the counting of votes shall be transferred in terms of this subregulation.

(b) The surplus of votes of each stage shall be finalized in a sequence in which the largest surplus of votes is transferred first.

(c) If two or more candidates together have the largest surplus of votes, the surplus of votes of the candidate in whose favour the largest number of original votes has been recorded shall be transferred first and, if such candidates have the same number of original votes, the surplus of votes of the candidate that is determined by lot shall be transferred first.

(d) (i) If a surplus of votes consists of original votes only, the returning officer shall divide the unexhausted ballot papers in the parcel of the candidate concerned into subparcels amongst the continuing candidates according to the ensuing preference recorded thereon.

(ii) The exhausted ballot papers of the candidate concerned shall be put aside and not taken into account during the counting of votes.

(b) Die afgehandelde stembriewe van 'n kandidaat wat van die verkiesing uitgesluit is, word eenkant geplaas en buite rekening gelaat by die tel van stemme.

(c) Die waarde van 'n stem wat ingevolge hierdie subregulasie oorgedra word, bly onveranderd en word gevoeg by die totale waarde van die stemme van die kandidaat aan wie die stem oorgedra is.

(4) Die prosedure in subregulasie (3) uiteengesit, word herhaal totdat een kandidaat 'n volstrekte meerderheid ingevolge subregulasie (2) verkry het.

Vul van meer as een vakature

23. (1) Wanneer meer as een vakature gevul moet word, bepaal die kiesbeampte eers die kwota wat vir die verkiesing van 'n kandidaat nodig is en wat ooreenkomstig die formule:

$$\frac{A \times B}{(C + D)} + E$$

bereken word, in welke formule—

(a) A die getal stembriewe wat nie verwerp is nie, verteenwoordig;

(b) B die syfer 100 verteenwoordig;

(c) C die getal lede wat verkies moet word, verteenwoordig;

(d) D die syfer 1 verteenwoordig;

(e) E die syfer 1 verteenwoordig,

en by so 'n berekening word alle breuke buite rekening gelaat.

(2) (a) Die kiesbeampte verdeel die stembriewe in pakkies volgens die eerste keuses wat daarop vir elke kandidaat aangeteken is.

(b) Elke stembrief in die betrokke kandidaat se pakkie word getel as een stem met 'n waarde van 'n honderd.

(3) (a) Iedere kandidaat met 'n waarde aan stemme wat gelyk is aan of groter is as die kwota, word deur die kiesbeampte behoorlik verkies verklaar.

(b) Indien 'n kandidaat 'n waarde aan stemme het wat gelyk is aan die kwota, word sy stembriewe eenkant geplaas en buite rekening gelaat by die tel van stemme.

(c) Indien 'n kandidaat 'n waarde aan stemme het wat groter as die kwota is, word sy stemoorskot aan die blywende kandidaat oorgedra op die wyse in subregulasie (4) uiteengesit.

(4) (a) Alle stemoorskotte wat tydens die tel van stemme ontstaan, word ooreenkomstig hierdie subregulasie oorgedra.

(b) Elke stadium se stemoorskotte word afgehandel in 'n volgorde waarin die grootste stemoorskot eerste oorgedra word.

(c) Indien twee of meer kandidaat saam die grootste stemoorskot het, word die stemoorskot van die kandidaat met die grootste getal oorspronklike stemme eerste oorgedra en, indien sodanige kandidaat dieselfde getal oorspronklike stemme het, word die stemoorskot van die kandidaat wat deur loting bepaal word eerste oorgedra.

(d) (i) Indien 'n stemoorskot slegs uit oorspronklike stemme bestaan, moet die kiesbeampte die onafgehandelde stembriewe in die betrokke kandidaat se pakkie in subpakkies onder die blywende kandidaat verdeel volgens die daaropvolgende keuse wat daarop aangeteken is.

(ii) Die afgehandelde stembriewe van die betrokke kandidaat word eenkant geplaas en buite rekening gelaat by die tel van stemme.

(iii) If the value of the votes on the unexhausted ballot papers of the candidate concerned—

(aa) is equal to or less than his surplus, the returning officer shall transfer each vote at the value at which the candidate concerned received it;

(bb) is more than his surplus, the returning officer shall transfer each vote at the value calculated by dividing the surplus by the total number of unexhausted ballot papers and in such a calculation no fractions shall be taken into account.

(iv) In the application of subparagraph (iii) "surplus" means the number by which the total value of the votes of the candidate concerned exceeds the quota.

(e) (i) If a surplus does not consist of original votes only, the returning officer shall divide the unexhausted papers in the last subparcel transferred to the candidate into subparcels according to the ensuing preference recorded thereon and thereupon the provisions of paragraph (d) (ii) and (iii) shall apply.

(ii) All ballot papers in the parcel or subparcels of the candidate concerned which are not transferred in terms of this paragraph, shall be put aside and not taken into account at the counting of votes.

(5) (a) If all the vacancies are not filled after all the surplus of votes has been transferred in terms of subregulation (4), the returning officer shall exclude from the election—

(i) the candidate with the lowest value of votes; or

(ii) when two or more candidates together have the lowest value of votes, the candidate with the least number of original votes; or

(iii) when two or more candidates contemplated in subparagraph (ii) have the same number of original votes, the candidate determined by lot, and

subject to the provisions of paragraphs (c), (d) and (e), divide his unexhausted ballot papers into subparcels amongst the continuing candidates according to the ensuing preference recorded thereon.

(b) The exhausted ballot papers of the candidate concerned shall be put aside and not taken into account during the counting of votes.

(c) The unexhausted ballot papers that contain the original votes of the candidate concerned shall be transferred first and the value of each vote which is transferred shall be a hundred.

(d) The unexhausted ballot papers that do not contain the original votes of the candidate concerned shall subsequently be transferred in the sequence in which he obtained them and each vote shall be transferred at the value at which he obtained it.

(e) Each transfer contemplated in paragraphs (c) and (d) shall be regarded as a separate transfer.

(f) The procedure set out in this subregulation shall be repeated until a candidate qualifies for the last vacancy by obtaining the quota or until the last vacancy is filled in the manner determined in regulation (7).

(6) (a) If a candidate after the completion of a transfer in terms of subregulation (4) or (5) has a value of votes equal to or greater than the quota, no further votes shall be transferred to him and he shall be declared duly elected by the returning officer.

(iii) Indien die waarde van die stemme op die onafgehandelde stembriewe van die betrokke kandidaat—

(aa) gelyk aan of minder as sy surplus is, dra die kiesbeampte elke stem oor teen die waarde waarteen die betrokke kandidaat dit verkry het;

(bb) groter as sy surplus is, dra die kiesbeampte elke stem oor teen die waarde wat bereken word deur die surplus deur die totale getal onafgehandelde stembriewe te verdeel, en by so 'n berekening word alle breuke buite rekening gelaat.

(iv) By die toepassing van subparagraaf (iii) beteken "surplus" die getal waarmee die betrokke kandidaat se totale waarde aan stemme die kwota te bowe gaan.

(e) (i) Indien 'n stemoorskot nie uit oorspronklike stemme alleen bestaan nie, moet die kiesbeampte die onafgehandelde stembriewe in die laaste subpakkie wat aan die kandidaat oorgedra is in subpakkies onder die blywende kandidaat verdeel volgens die daaropvolgende keuse wat daarop aangeteken is, en daarna is die bepalings van paragraaf (d) (ii) en (iii) van toepassing.

(ii) Alle stembriewe in die pakkie of subpakkies van die betrokke kandidaat wat nie ingevolge hierdie subparagraaf oorgedra word nie, word eenkant geplaas en buite rekening gelaat by die tel van stemme.

(5) (a) Indien al die vakatures nie gevul is nie nadat alle stemoorskotte ingevolle subregulasie (4) oorgedra is, moet die kiesbeampte—

(i) die kandidaat met die kleinste waarde aan stemme; of

(ii) wanneer twee of meer kandidaat saam die kleinste waarde aan stemme het, die kandidaat met die kleinste getal oorspronklike stemme; of

(iii) wanneer twee of meer kandidaat in subparagraaf (ii) bedoel dieselfde getal oorspronklike stemme het, die kandidaat wat deur loting bepaal word,

van die verkiesing uitsluit en sy onafgehandelde stembriewe, behoudens die bepalings van paragrafe (c), (d) en (e) in subpakkies onder die blywende kandidaat verdeel volgens die daaropvolgende keuse wat daarop aangeteken is.

(b) Die afgehandelde stembriewe van die betrokke kandidaat word eenkant geplaas en buite rekening gelaat by die tel van stemme.

(c) Die onafgehandelde stembriewe wat die oorspronklike stemme van die betrokke kandidaat bevat, word eerste oorgedra, en die waarde van elke stem wat oorgedra word, is 'n honderd.

(d) Die onafgehandelde stembriewe wat nie die oorspronklike stemme van die betrokke kandidaat bevat nie, word daarna oorgedra in die volgorde waarin hy dit verkry het, en elke stem word oorgedra teen die waarde waarteen hy dit verkry het.

(e) Elke oordrag in paragrafe (c) en (d) bedoel, word as 'n afsonderlike oordrag beskou.

(f) Die prosedure in hierdie subregulasie uiteengesit, word herhaal totdat 'n kandidaat vir die laaste vakature kwalifiseer deur die kwota te behaal of totdat die laaste vakature gevul word op die wyse in subregulasie (7) bepaal.

(6) (a) Indien 'n kandidaat na die voltooiing van 'n oordrag ingevolge subregulasie (4) of (5) 'n waarde aan stemme het wat gelyk aan of groter as die kwota is, word geen verdere stembriewe aan hom oorgedra nie en word hy deur die kiesbeampte behoorlik verkies verklaar.

(b) If the said candidate has a value of votes equal to the quota, his votes shall be put aside and not taken into account during the counting of votes.

(c) If the said candidate has a value of votes greater than the quota, his surplus of votes shall be transferred in terms of subregulation (4) after all transfers have been completed in terms of subregulation (5), but before any other candidate is excluded in terms of subregulation (5).

(7) (a) When the number of continuing candidates is reduced to the number of vacancies which still have to be filled, the continuing candidates shall be declared duly elected by the returning officer.

(b) When only one vacancy still has to be filled and a continuing candidate has a value of votes greater than the total value of all the other votes that can be transferred, he shall be declared duly elected by the returning officer.

(c) When only one vacancy still has to be filled and there are only two continuing candidates who, after all the votes have been transferred, have the same value of votes, the candidate with the greatest value of original votes, or when the said candidates have the same number of original votes, the candidate determined by lot, shall be declared duly elected by the returning officer.

Procedure when determining by lot

24. (1) When a candidate has to be determined by lot in terms of regulation 22 (3) (a) (iii) or 23 (4) (c), (5) (a) (iii) or (7) (c), the returning officer shall write the names of the candidates concerned on separate pieces of paper which are similar in size and appearance and shall fold them in such a manner that they will as far as possible appear to be identical.

(2) (a) The returning officer shall subsequently place the pieces of paper in a ballot box.

(b) After the returning officer has closed the ballot box and shaken it, he shall open it again and take out one piece of paper from the ballot box without looking at the pieces in the ballot box.

(3) The candidate whose name appears on the piece of paper thus taken out, shall be the candidate on whom the lot has fallen.

(7) (a) Wanneer die getal blywende kandidate verminder word tot die getal vakatures wat nog gevul moet word, word die blywende kandidate deur die kiesbeampte behoorlik verkies verklaar.

(2) (a) Daarna plaas die kiesbeampte die stukkies papier in 'n stembus.
