THE FLOWERING PLANTS OF AFRICA

This publication is issued as an illustrated serial, much on the same lines as Curtis's Botanical Magazine, and for imitating which no apology need be tendered.

The desire and object of the promoters of the publication will be achieved if it stimulates further interest in the study and cultivation of our indigenous plants.

The illustrations are prepared mainly by the artists at the Botanical Research Institute, but the Editor welcomes contributions of suitable artistic and scientific merit from kindred institutions.

Each part contains 10 plates. Two parts are published in one cover and costs R15 per issue of two parts (other countries R16 per issue). Two, three or four parts may be published annually, depending on the availability of illustrations. A volume consists of four parts.
