NOTE (1).—Under the High Commissioner's Proclamations of 31st August and 8th December, 1915, and in the case of Basutoland, under the King's Proclamations of 25th June and 10th November, 1915, all Proclamations relating to Trading with the Enemy apply to all persons or bodies of persons of enemy nationality, resident or carrying on business in Liberia, Persia, Morocco, or Portuguese East Africa, and consequently it is an offence to trade with any person or body of persons of enemy nationality, resident or carrying on business in Liberia, Persia, Morocco, or Portuguese East Africa, even though such person or body of persons is not included by name in the above list, and the omission of the name of any such person or body of persons from such list is not an authority or licence to trade with such person or body of persons.

NOTE (2).—Where a person or firm mentioned in the list has more than one address in the country, or group of countries, under which the name of the person or firm appears, all dealings in that country, or in any country in the group, with such person or firm are prohibited, even in cases where one only of the addresses or one only of the countries is specifically mentioned.

NOTE (3).—It is not unusual for firms in Holland and the Netherland East Indies to be registered under names commencing with descriptive terms such as "Handel Maatschappy" (Trading Company) or "Naamlooze Venootschap" (Limited Liability Company). In such cases it has been found more convenient to publish the firm under its proper name, followed by the general descriptive term "Handel Maatschappy" or "Naamlooze Venootschap" (N.V.) as in the case of an English company. For instance, Handel Maatschappy van den Berg & Company and Naamlooze Venootschap de Kommeet v/h Dumonceau Frères, will be found under "Berg" and "Kommeet" respectively, and not under "Handel" or "Naamlooze."
