M.M. 2966/18

PRETORIA, 5th March, 1919.

To the Hon. the Minister for Mines and Industries,
Pretoria.

REPORT OF THE CONCILIATION BOARD APPOINTED TO DEAL WITH A DISPUTE BETWEEN CERTAIN EMPLOYEES OF THE PRETORIA TOWN COUNCIL AND THE PRETORIA TOWN COUNCIL.

Sir,

The Board, consisting of S. A. McCormick, Esquire, Acting Resident Magistrate of Pretoria (Chairman), A. C. Romyn, Esquire, representing the Pretoria Town Council, and R. B. Waterston, Esquire, representing the municipal employees, was appointed by the Minister on 6th February, 1919. It sat the following day to arrange its procedure, and fixed its first sitting for Tuesday, 11th February, 1919. It sat on that day and on the 12th and 13th February to take evidence. The employees were represented by Mr. Lewis and Mr. Welch, and the Town Council by Mr. R. F. Marais and Mr. Mondriaan, Town Councillors. Twenty witnesses in all gave evidence, among them being the Mayor, the Town Clerk, the Town Treasurer, and the Town Engineer. Mr. Downie, Secretary to the Chamber of Commerce, gave evidence on the cost of living, and Mr. Dely, a land and estate agent, gave evidence as to the rateable value of property in Pretoria and the effect on that value of recent rating legislation. Councillors Mondriaan, Turner, and Leggett were also called, and the remaining witnesses were municipal employees. The evidence of all these witnesses in detail is attached hereto. On the 13th February the Board adjourned until Wednesday, 19th February, to hear the arguments to be advanced by Mr. Lewis and Mr. Marais, and heard these arguments on that day. These arguments in detail are attached hereto. All these sittings were held in the Town Hall. Thereafter the Board held three meetings on 20th and 24th February and 5th March at the office of the Chairman to consider its findings. It arrived at the conclusions detailed below.

Twelve points were put before us for decision by the employees. Of these two points fell away during the argument and need not further be considered except to say that they referred to definitions of the term "junior" and "skilled labour."

The remaining ten points fall into two classes, these being six on which we can make a definite recommendation which we expect to be carried out, and four on which we can only express our opinion. Dealing with the six points seriatim the first reads:—

"1. It is required that an increase in remuneration shall be given retrospectively to all employees of the Pretoria Municipal Council commensurate with the decreased purchasing power of the sovereign as demonstrated by the increased cost of living compared with the year 1914 based upon the normal remuneration of the position with an added percentage increase."

Before dealing with this point, which was the chief one submitted to us, it seems desirable that we should first give our recommendations on the remaining five, since these will to some extent explain our reasons for coming to the conclusion we have arrived at on the first point.

The second point reads:—

"2. The remuneration be given to all employees engaged and to be engaged during the time that the purchasing power of the sovereign remains below pre-war standard on the scale given by the Council prior to August, 1914, plus a percentage equivalent to the decreased purchasing power of the sovereign as demonstrated by the increased cost of living reports."

By "all employees" it was agreed was meant all the municipal employees excluding the skilled artisans who are paid by the day and the tramwaymen.

RAPPORT VAN HET VERZOENINGSKOMITEE, AANGESTELD OM EEN DISPUUT TUSSEN ZEKERE BEAMBTEN VAN HET PRETORIA STADSBESTUUR EN HET PRETORIA STADSBESTUUR TE SCHIKKEN.

Edelachtbare Heer,

Het Komitee, bestaande uit de heren S. A. McCormick, Waarnemende Resident Magistraat van Pretoria (Voorzitter), A. C. Romyn, het Pretoria Stadsbestuur vertegenwoordigende, en R. B. Waterston, de municipale beambten vertegenwoordigende, werd door de Minister op 6 Februarie 1919 aangesteld. Dit lichaam kwam de volgende dag te zamen om de werkzaamheden te regelen en stelde de eerste zitting vast op Dinsdag, 11 Februarie 1919. De zitting vond op die dag plaats en op de 12de en 13de Februarie om getuigenis af te nemen. De beambten waren vertegenwoordigd door de heren Lewis en Welch en het Stadsbestuur door de heren R. F. Marais en Mondriaan, Stadsraadsleden. In het geheel legden twintig personen getuigenis af, waaronder de Burgemeester, de Stadsklerk, de Stadsingenieur en de Stadsthesaurier, de heer Downie, Sekretaris van de Kamer van Koophandel, die getuigenis aflegde omtrent de onderhoudskosten en de heer Dely, een land- en eigendomsagent, legde getuigenis af omtrent de waardeerbare waarde van vast eigendom in Pretoria en de invloed daarvan op de recente wetgeving in zake het betalen van belasting. De Stadsraadsleden Mondriaan, Turner en Legget werden eveneens opgeroepen en de overige getuigen waren municipale ambtenaren. De volledige verklaringen van al deze getuigen zijn hierbij gevoegd. Op de 13de Februarie verdaagde het Komitee tot Maandag, 17 Februarie, om de argumenten te horen van de heren Lewis en Marais en werden die op gemelde dag gehoord. Deze argumenten gaan in biezonderheden hierbij. Al deze zittingen werden in de Stadszaal gehouden. Daarna hield het Komitee drie zittingen, t.w. op de 20ste en 24ste Februarie en 5de Maart, in het kantoor van de Voorzitter, om zijn bevindingen op te stellen. Het Komitee kwam tot de gevolgtrekkingen zoals hieronder uiteengezet.

Twaalf punten werden ons ter beslissing door de beambten voorgelegd. Van deze vielen er twee gedurende de besprekingen af en behoeven die niet verder te worden besproken, uitgezonderd dat hier vermeld dient te worden dat zij betrekking hebben op de definitie van de termen "Junior" en "Vakarbeid."

De overige tien punten vallen in twee klassen, waaronder zes zijn waarop wij de nodige aanbeveling kunnen doen en waarvan wij de verwachting koesteren, dat zij kunnen worden uitgevoerd en vier, waarover wij slechts onze mening kunnen uitspreken. De zes punten na volgorde, nemende, luidt het eerste:—

1. "Er wordt gevraagd dat een verhoging van loon van terugwerkende kracht aan alle beambten van de Pretoria Municipale Raad zal worden gegeven, evenredig aan de verminderde koopkracht van het gouden pond, zoals gebleken uit de vermeerderde levenskosten vergeleken met het jaar 1914, gebaseerd op de normale vergoeding van de toen bestaande toestanden met daarbij gevoegde percentsgewijze vermeerdering."

Vóór dit punt, het voornaamste ons voorgelegd, in behandeling te nemen, schijnt het wenselik dat wij eerst onze aanbevelingen over de overige vijf dienen te geven, aangezien die enigermate onze redenen zullen aangeven om tot de beslissing van het eerste punt te geraken.

Het tweede punt luidt:—

2. "Het loon te worden gegeven aan alle beambten, aangenomen en te worden aangenomen gedurende de tijd dat de koopkracht van het gouden pond beneden de standaard van vóór de oorlog blijft, te zijn op de schaal door de Raad vóór Augustus 1914 gegeven, plus een percentage gelijkstaande aan de verminderde koopkracht van het gouden pond, zoals aangetoond door de cijfers der vermeerderde levenskosten."

Aangenomen werd dat onder de term "alle beambten" verstaan werd alle municipale ambtenaren, uitgezonderd de vakmensen, die per dag worden betaald en het trampersoneel.

That reference is in rather involved terms, but, as elucidated in argument, we understand it to mean that the Council should at no time reduce its scale of salaries below that obtaining in 1914, and should from time to time add to that scale a percentage equivalent to the increased cost of living over that obtaining in August, 1914. We have no reason to believe that the Town Council has any intention of reducing a scale which has evidently been fixed as the result of careful thought. We cannot, of course, bind the Town Council not to introduce a scheme of retrenchment if some great calamity to the town should occur, but short of that we recommend that the Council should adhere to its present scale of salaries until such time as economic conditions have become so settled that they may be described as normal. Then possibly there may have to be reconsideration of the scale with a view to raising it if, as seems possible, the future normal cost of living is higher than the pre-war normal cost. With regard to the added percentage to cover increased cost of living that is dealt with in our recommendations on points one and three.

Point three reads:—

"3. Any remuneration paid shall not be termed 'war bonus' or 'bonus' or other misnomer, but be styled wages or salary as the case may be."

We hope and believe that the present abnormal increase is merely temporary, but in any case there is no evidence, and it would be idle to forecast, what the future cost of living is going to be. The whole economic situation is in a state of flux, and to fix a scale of salaries not with a sliding scale—adjusted every six months—to meet increased or decreased cost of living seems to us a vicious principle and not in the best interests of the employees themselves. We propose to grant some relief which is graduated in proportion to the ability of the individual to bear the burden. As these conditions, so far as we are able to judge at present, are only temporary, the relief must be temporary, leaving an adjustment of the substantive salaries to some future time when economic conditions may be described as normal.

Whether this relief is called "war bonus" or by any other name matters little so long as the principle is definitely understood that it is a grant of temporary relief where relief is needed to meet abnormal conditions. This principle was recognized by Mr. Lewis, the men's representative, as he suggested we should call it an "abnormal conditions allowance." It is that, in actual fact, but we propose to call it a "temporary allowance" as being a more convenient term. We express the opinion that the Council would not be justified in ceasing at any time to pay this temporary allowance so long as the cost of living remains at its present level.

The fourth point reads:—

4. "There shall be no differentiation in such increased remuneration as between married and single employees."

In so far as this relates to fixed salaries we are in entire agreement with it, and, indeed, the Council makes no differentiation. But where it refers to what we call the "temporary allowance," then it seems to us inequitable to adopt the principle. As indicated in dealing with point three it is being granted purely as a measure of relief to meet abnormal conditions, and as that is the case obviously the relief must be granted where it is most needed. It is clearly most needed in the case of married men and single men with proved dependents. It is impossible to fix a scale of relief that will apply with scientific accuracy, even were the plan adopted—which was rejected by the Public Service Commission of Inquiry—of having a sliding scale according to the number of dependents. The saving power of individuals varies even when their incomes are equal. We consider the case will be sufficiently met by dividing the employees into married and single and granting relief to the former. The Town Council already makes provision, we understand, in special cases of single men with dependents, and we recommend that they continue to do this.

The fifth point reads:—

"5. All employees shall, after twelve months' continuous service, receive remuneration during periods of genuine illness up to a reasonable period to be decided upon by the Board."

This deals with the question of sick leave. The Council grants leave of six weeks on full pay and six weeks on half-pay in cases of illness. It was admitted by Mr. Lewis, the men's representative, that this was adequate, and we are also of that opinion.

The sixth point reads:—

"6. That the Board decide what sum in its opinion constitutes a living wage to be paid under normal and under present conditions to attendants at sanitary conveniences, both male and female."

What we are really asked to do here is to fix a value on the work done by these attendants and express it in terms of wages. That is impossible. It is entirely a matter for the Council and their employees to decide what any services are worth and to pay accordingly. If we were asked to say what in our opinion is a living wage generally, leaving juniors out of consideration, we should fix on an amount of £25 per month for Pretoria under present circumstances.

To return now to the first point. There are two factors to be taken into consideration. One is the increase in the cost of living as compared with August, 1914. This, it was agreed upon, is roughly 30 per cent. The other was the financial position of the municipality and its capacity to bear any increase to the present wages bill. In his address on behalf of the Council,

De referentie is enigszins ingewikkeld, maar zoals bij de besprekingen uiteengelegd, verstaan wij het te menen dat de Raad op geen enkel tijdstip de schaal van salarissen beneden die van 1914 moet verminderen en van tijd tot tijd bij die schaal een percentage moet voegen, gelijkstaande aan de vermeerderde levenskosten boven die bestaande in Augustus 1914. Wij hebben geen reden om te geloven dat het Stadsbestuur enig voornemen heeft om een schaal te verminderen, welke klaarblijkelik werd vastgesteld als het resultaat van nauwkeurig uitdenken. Wij kunnen natuurlik de Stadsraad niet verplichten om geen schema van bezuiniging in te voeren, indien een of ander groot ongeluk de stad zou treffen, maar dit voorbehouden, bevelen wij aan dat de Raad bij de tegenwoordige schaal van salarissen zal blijven, tot tijd en wijle ekonomiese omstandigheden zo zijn geworden dat zij als normaal kunnen worden beschouwd. Dan mogelik kan die schaal weder in overweging worden genomen ten einde die te verhogen indien, zoals mogelik schijnt, de toekomstige normale levenskosten hoger zijn dan de kosten van vóór de oorlog. Wat betreft de hogere percentage ter dekking van de vermeerderde levenskosten, dit punt wordt behandeld in onze aanbevelingen over punten een en drie.

Punt drie luidt als volgt:—

3. "Enige vergoeding betaald zal niet genoemd worden 'oorlogsbonus' of 'bonus' of andere naam, maar genoemd worden lonen of salaris al naar het geval moge zijn."

Wij hopen en geloven dat de tegenwoordige abnormale vermeerdering slechts tijdelik is, maar in enig geval bestaat er geen bewijs en zou het dwaas zijn om te voorspellen, wat de toekomstige levenskosten zullen zijn. De gehele ekonomiese toestand is in een staat van beroering en om een schaal van salarissen zonder gelijdelike schaal—elke zes maanden weder te herzien—vast te stellen, ten einde vermeerderde of verminderde levenskosten tegemoet te komen schijnt ons een slecht beginsel toe en niet in het belang der beambten zelve. Wij stellen voor dat enige tegemoetkoming zal worden toegestaan, welke trapsgewijze zal worden geregeld, in verhouding tot de bekwaamheid van de persoon, om de lasten te dragen. Aangezien deze toestanden, zover wij voor het tegenwoordige kunnen beoordelen, slechts tijdelik zijn, moet de tegemoetkoming ook tijdelik zijn en de regeling van de vaste salarissen in de toekomst worden gedaan wanneer de ekonomiese toestanden als normaal kunnen worden beschouwd.

Of deze tegemoetkoming genoemd wordt "oorlogsbonus" of een andere naam draagt, doet er weinig aan toe, zolang het beginsel goed wordt verstaan dat het een toekenning is voor tijdelike verlichting om abnormale toestanden tegemoet te komen. Dit beginsel werd door de heer Lewis, de vertegenwoordiger der werklieden erkend, aangezien hij aan de hand gaf dat wij het een "toekenning voor abnormale toestanden" zouden noemen. Dat is het ook in werkelikheid, maar wij stellen voor het een "tijdelike toekenning" te noemen, aangezien die term gemakkeliker is. Wij geven onze mening te kennen dat de Raad niet gerechtvaardigd is om te eniger tijd deze tijdelike toelage te doen ophouden, zolang de levenskosten op de tegenwoordige hoogte blijven.

Het vierde punt luidt als volgt:—

4. "Er zal geen onderscheid worden gemaakt wat betreft de betaling van meerdere vergoeding voor getrouwde of ongetrouwde beambten."

Voor zover dit betreft de vaste salarissen zijn wij er volkomen mede eens en maakt de Raad ook inderdaad geen verschil. Maar waar het wat wij "tijdelijke toekenning" noemen betreft, schijnt het ons onbillik toe om het beginsel toe te passen. Zoals aan de hand gedaan voor wat betreft punt drie, wordt die toekenning enkel gedaan als een maatregel voor verlichting om abnormale toestanden het hoofd te bieden en aangezien dat het geval is, moet de tegemoetkoming klaarblijkelik gegeven worden waar zulks het meest benodigd is. Het is duidelik dat die het meest benodigd is in het geval van gehuwde mensen en ongehuwde mensen met van hun afhankeliken. Het is niet mogelik om een schaal voor verlichting vast te stellen welke volgens berekening nauwkeurig zal werken, zelfs indien het plan van een opgaande schaal volgens het aantal afhankeliken werd aangenomen—welk plan door de Publieke Dienst Kommissie van Onderzoek werd verworpen. Het opsparingsvermogen van individuen is zelfs verschillend, zelfs wanneer hun inkomsten dezelfde zijn. Wij menen dat hierin voldoende zal zijn tegemoet gekomen door de beambten in gehuwden en ongehuwden in te delen en aan eerstgemelden een tegemoetkoming te geven. De Stadsraad maak alreeds, naar wij vernemen, voorziening voor speciale gevallen van ongehuwde personen met van het afhankeliken en wij bevelen aan dat daarmede zal worden voortgegaan.

Het vijfde punt luidt als volgt:—

5. "Alle beambten zullen na 12 maanden voortdurende dienst hun loon trekken gedurende de tijd dat zij werkelik ziek zijn; een redelike tijd te worden bepaald door het Komitee."

Deze zaak betreft de kwestie van ziekteverlof. De Stadsraad verleent verlof van zes weken tegen vol loon en zes weken tegen half loon in gevallen van ziekte. Door de heer Lewis, de vertegenwoordiger der beambten, werd toegegeven dat dit voldoende was en wij zijn eveneens die mening toegedaan.

Het zesde punt luidt als volgt:—

6. "Dat het Komitee zal beslissen welk bedrag, volgens zijn oordeel, een behoorlik loon zal uitmaken, onder normale en onder de bestaande omstandigheden te worden betaald aan beambten werkzaam bij gezondheidsdiensten, zowel mannelike als vrouwelike."

Wat ons in werkelikheid hier gevraagd wordt is een waarde te bepalen voor het werk door deze beambten gedaan en die in de vorm van loon uit te drukken. Zulks is niet mogelik. Het is geheel en al een zaak voor de Stadsraad en hun beambten om te bepalen wat de waarde dier diensten zijn en dienovereenkomstig te betalen. Indien ons gevraagd werd wat in het algemeen een loon zou zijn waarvan kan worden geleefd, beginnenden niet inbegrepen, dan zouden wij voor Pretoria onder de tegenwoordige omstandigheden een bedrag van £25 per maand vaststellen.

Om nu tot het eerste punt terug te komen. Daarbij moeten twee zaken in overweging worden genomen. De ene is de vermeerderde levenskosten, vergeleken bij die van Augustus 1914. Die vermeerdering bedraagt, ruw berekend 30 percent en is men het er hiermede eens. De andere was de geldelike positie van de municipaliteit en haar vermogen om enige vermeerdering in

Mr. Marais urged the position of the Council upon us. He said they had to hold the balance even between all sections of the community, and were not entitled to favour one at the expense of the other, that the Council's capacity for raising further revenue was strictly limited, and that any increase in the financial burden of the town would have to be borne by a comparatively small number of ratepayers, the great majority of whom would not be able to pass the burden on to others. We have taken all these factors into careful consideration, and we estimate that the increase caused by our proposals will not exceed £1500 per annum. If this sum were divided equally among the ratepayers alone it would represent an increase of less than 8s. per head per annum, while if it were divided among the community generally by means of a very slightly increased cost in services the cost per head would be infinitesimal. We do not think the community can reasonably feel aggrieved at the slightly increased burden which is for the purpose of bettering the living conditions of their servants, especially as that burden is probably only a temporary one. We do not propose any increase to men below £140 per annum. Mr. Lewis stated that we need not consider their case as the existing bonus given to the men represents an advance on their pay of over 30 per cent. We do not feel justified in increasing any employee's temporary allowance beyond a point necessitated by the increased cost of living which is 30 per cent. We have adopted a graduated scale because we feel that while the men between £140 and £240 have no margin to meet any increased cost of living, there is such a margin, in an increasing degree, as the salaries rise above £300 per annum, and those who have such a margin may well be called upon to bear some portion of the burden caused by the increased cost of living.

We recommend the following scale of temporary allowances should be adopted. It is based on the grades now in force in the Council's service :—

Salary.	*Temporary Allowance.*
£140—£180	£48 per annum.
£181—£240	£48 ,,
£241—£300	£42 ,,
£301—£360	£39 ,,
£361—£420	£36 ,,
£421—£500	£33 ,,
£501—£600	£30 ,,

To be retrospective from 1st July, 1918. Bonuses already paid from that date to be deducted.

It is possible some minor anomalies may arise in the application of this scale, but we are of opinion that these can be adjusted by the Town Treasurer. It refers, of course, only to those persons who are to-day in the employ of the Council.

We come now to the four points on which we are asked to express our opinion.

The first reads :—

" The Pretoria Town Council shall have a standing committee which shall deal with all matters affecting employees subject only to the jurisdiction of the Council."

We are opposed to this suggestion as we are of opinion that it would not serve any more useful purpose than the committees now in existence.

The second point reads :—

" That steps be taken for the establishment of a Joint Board for the purpose of considering the wages of and matters affecting the municipal employees, the latter to be represented by delegates from the Transvaal Municipal Employees' Federation, and that, if considered necessary, legislation be recommended to compel the establishment of such a Joint Board.".

We do not agree with the proposal in the form in which it is put forward, but we are of opinion that it would greatly facilitate the settlement of disputes and lead to more harmonious relationships between the Council and its employees if a Board were to be formed consisting of three Town Councillors of the Pretoria Municipal Council and three of its employees, with an independent chairman, a resident of Pretoria, agreed upon by both sides. This Board would exist for the purpose of investigating matters affecting the Council's employees in respect of their employment with the Council and make recommendations thereon to the Council, with whom a final decision would lie. Such a Board would probably save Councillors from being worried with a number of trivial disputes as happens at present.

The third point reads :—

" That steps be taken for the establishment of a final Court of Appeal, the members of such Court of Appeal to be individuals who are not connected in any way with the Municipal Local Authority, and that, if considered necessary, legislation be recommended to compel the establishment of such Court of Appeal and to enforce the acceptance by the parties concerned of the decisions of such Court of Appeal."

We are of opinion that this suggestion is quite impracticable, and is in any event a matter for legislation, and the Court of Appeal asked for is unnecessary.

The fourth point reads :—

" That some definite course be recommended to prevent the procrasinating and dilatory methods adopted by the Council in dealing with the representations of its employees who do and do not fall within the direct scope of the Industrial Disputes Prevention Act, 1909."

de bestaande lijst van lonen te dragen. In zijn toespraak ten behoeve van de Raad legde de heer Marais de toestand van de Raad aan ons bloot. Hij zeide dat zij het evenwicht tussen alle partijen van de gemeenschap gelijk moesten houden en niet gerechtigd waren om een deel van de bevolking te begunstigen ten koste van de ander, dat de bevoegdheid van de Stadsraad voor een verdere heffing van inkomsten strikt beperkt was en dat enige vermeerdering van de geldelike lasten van de stad gedragen moest worden door een betrekkelik klein aantal belastingbetalers, waarvan de meesten niet in staat zouden zijn om die lasten op anderen over te dragen. Wij hebben al deze faktoren in zorgvuldige overweging genomen en wij hebben uitgerekend, dat de vermeerdering door onze voorstellen teweeggebracht een bedrag van £1500 per jaar niet zou te boven gaan. Wordt deze som gelijkelik over de belastingbetalers alleen verdeeld, dan zou het een vermeerdering van minder dan 8s. per hoofd en per jaar betekenen, terwijl indien het bedrag over de gehele bevolking wordt verdeeld door middel van zeer geringe vermeerderde kosten van diensten, de kosten per hoofd oneindig klein zouden zijn. Wij denken niet dat de bevolking redelikerwijze zich gegriefd zal gevoelen door de geringe vermeerderde last, welke dient om de levenstoestanden van zijn beambten te verbeteren, voornamelik omdat die last waarschijnlik slechts tijdelik zal zijn. Wij stellen niet voor dat enige verhoging aan personen beneden de £140 per jaar zal worden gegeven. De heer Lewis deelde mede dat wij hun geval niet in aanmerking behoefden te nemen, aangezien de bestaande bonus aan die personen gegeven, een vermeerdering op hun loon van ruim 30 percent uitmaakte. Wij gevoelen ons niet gerechtvaardigd om de tijdelike toelage van enige beambte te vermeerderen boven een punt, nodig geworden door de vermeerderde levenskosten, welke 30 percent bedraagt. Wij hebben een trapsgewijze schaal aangenomen, omdat wij van mening zijn dat, terwijl de personen met salarissen tussen de £140 en £240 geen marge hebben om enige verhoogde levenskosten te bestrijden, er wel zulk een marge, in vermeerderde graad, bestaat naarmate de salarissen boven de £300 per jaar geraken en degenen die zulk een marge hebben, kunnen worden aangezocht om een gedeelte van de lasten, door de vermeerderde levenskosten veroorzaakt, te helpen dragen.

Wij bevelen aan dat de volgende schaal van tijdelike toelagen zal worden aangenomen. Die schaal is gebaseerd op de graden nu van toepassing in de dienst van de Stadsraad :—

Salaris.	*Tijdelike Toelage.*
£140—£180	£48 per jaar.
£181—£240	£48 ,,
£241—£300	£42 ,,
£301—£360	£39 ,,
£361—£420	£36 ,,
£421—£500	£33 ,,
£501—£600	£30 ,,

Van terugwerkende kracht te zijn vanaf 1 Julie 1918. Bonussen van af die tijd reeds betaald te worden afgetrokken.

Het is mogelik dat enkele kleinere onregelmatigheden bij de toepassing van die schaal zullen voorkomen, maar wij zijn van mening dat die door de Stadsthesaurier kunnen worden geregeld. Deze regeling heeft natuurlik enkel betrekking op die personen die op het ogenblik in de dienst van de Stadsraad zijn.

Wij komen nu tot de vier punten waarover wij verzocht werden onze mening uit te spreken.

Het eerste luidt :—

" De Pretoria Stadsraad zal een Staand Komitee hebben welke alle zaken, de beambten betreffende, zal te behandelen hebben, onderworpen slechts aan de jurisdiktie van de Raad."

Tegen dit voorstel zijn wij gekant, omdat wij van oordeel zijn dat die niet van enig meer nut zal zijn dan de nu bestaande komitees.

Het tweede punt luidt :—

" Dat stappen zullen worden genomen voor het in het leven roepen van een Gezamenlik Komitee met het doel om de lonen van en zaken de municipale beambten betreffende te overwegen, deze laatsten te worden vertegenwoordigd door afgevaardigden van de Transvaal Municipale Beambten Vereniging en dat, indien nodig bevonden, een wetgeving zal worden aanbevolen om de vestiging van zulk een Gezamenlik Komitee te gelasten."

Wij zijn het niet met de vorm waarin het voorstel is vervat eens, maar wij zijn van oordeel dat het de schikking van disputen ten zeerste zal vergemakkeliken en tot meer vriendschappelike betrekkingen tussen de Stadsraad en zijn beambten zal leiden, indien een komitee werd gevormd, bestaande uit drie Stadsraadsleden van de Pretoria Municipale Raad en drie van zijn beambten, met een onafhankelike voorzitter, een inwoner van Pretoria, door beide partijen goedgekeurd. Dit komitee zou er zijn om zaken aangaande de beambten van de Stadsraad betreffende hun werk bij de Raad te onderzoeken en daarover aanbevelingen bij de Raad te doen, bij wie de uiteindelike beslissing zal liggen. Zodanig komitee zou waarschijnlik voorkomen dat Stadsraadsleden worden lastig gevallen met een aantal onbetekenende disputen, zoals dit op het ogenblik voorkomt.

Het derde punt luidt :—

" Dat stappen zullen worden genomen voor het in het leven roepen van een finaal Hof van Appèl; de leden van zodanig Hof van Appèl personen te zijn die in generlei opzicht iets te maken hebben met het Municipale Lokale Gezag en dat, indien nodig bevonden, een wetgeving zal worden aanbevolen om de vestiging van zodanig Hof van Appèl te gelasten en de aanname van de beslissingen van zodanig Hof van Appèl door de betrokken partijen te doen bekrachtigen."

Wij zijn van mening dat dit voorstel geheel en al onuitvoerbaar is en in enig geval een zaak voor wetgeving is en dat het gevraagde Hof van Appèl niet nodig is.

Het vierde punt luidt :—

" Dat enig bepaald iets wordt aanbevolen om de talmende en uitstellende methoden, door de Stadsraad gebezigd ten opzichte van de vertogen van zijn beambten, welke al dan niet binnen de werkkring van de Industriële Disputen Voorkomingswet, 1909, vallen, te beletten."

We are satisfied that any delay which occurs in dealing with representations is the inevitable fault of the system under which Town Councils do their work. We are of opinion that the Board suggested above would facilitate these matters.

We have the honour to be,
Sir,
Your obedient servants,

PART I.

Exchanges.

1. All applications for the establishment of telephone exchanges should be addressed to the Postmaster-General, and be accompanied by a list of the persons undertaking to rent lines for a specified period. Under ordinary circumstances an exchange will be opened if the guaranteed revenue from subscriptions is sufficient to cover the estimated annual expenditure.

2. When the number of subscribers is limited or where the construction, maintenance, or operating is unusually costly, special rates of subscription in excess of the normal rates may be charged by the Postmaster-General.

3. Where the population in any district is dense and spread over a wide area, the Postmaster-General is empowered to establish an exchange system to be served by one or more exchanges connected by junction lines.

4. In any exchange system the Postmaster-General may, at his discretion, measure the length of a subscriber's exchange line to an arbitrary measurement centre instead of to the exchange.

5. When an intending subscriber is not himself the owner of the premises in which he desires a telephone to be installed, he shall obtain the permission of the owner of the premises and shall be responsible for all necessary work done in connection with the installation.

7. Rent charged in respect of any telephone service shall be payable annually in advance for the fixed period of the agreement, and, at the discretion of the Postmaster-General, quarterly in advance thereafter. When quarterly rental payments are accepted from subscribers at first class exchanges, the allowance of free calls shall be upon a quarterly instead of upon an annual basis.

8. A subscriber's line shall be available for his use during such hours as may be prescribed by the Postmaster-General for observance at the exchange to which the line is connected.

9. The use of any telephone line may be discontinued on the expiration of the period stipulated in the agreement, or at any time thereafter, on one month's notice being given in writing by either party.

DEPARTEMENT VAN POST- EN TELEGRAAFWEZEN.

De volgende Goevernementskennisgeving wordt ter algemene informatie gepubliceerd.

JER. WILSON,
Postmeester-generaal.

Hoofdpostkantoor, Pretoria.

✱ No. 399.] [17 Maart 1919.

Het heeft Zijn Excellentie de Goeverneur-generaal behaagd krachtens de bepalingen van subartikel (4) van artikel *drie* en krachtens artikel *vier* van Wet No. 10 van 1911 zijn goedkeuring te hechten aan de ondergenoemde gewijzigde Telefoonregulaties met ingang vanaf 1 Februarie 1919.

DEPARTEMENT VAN POST- EN TELEGRAAFWEZEN.

TELEFOONREGULATIES.

AFDELING I.

Telefoonbureau's.

1. Alle aanvragen om instelling van telefoonbureau's behoren gericht te worden aan de Postmeester-generaal en vergezeld te gaan van een lijst van personen, die zich verbinden om lijnen voor een bepaalde tijd te huren. Onder gewone omstandigheden zal een telefoonbureau worden geopend, indien de gewaarborgde inkomsten uit huurgelden toereikend zijn om de beraamde jaarlikse uitgaven te dekken.

2. Wanneer het aantal intekenaars gering is of wanneer de aanleg, instandhouding of bediening met buitengewone onkosten gepaard gaat, kan de Postmeester-generaal een biezonder, het gewone tarief te boven gaand intekentarief, in rekening brengen.

3. In een distrikt waar de bevolking dicht en over een grote oppervlakte verspreid is, kan de Postmeester-generaal een lokaal telefoonnet oprichten, dat bediend wordt door één of meer door kruislijnen verbonden telefoonbureau's.

4. In een lokaal telefoonnet, kan de Postmeester-generaal desgoedvindende de leagte van de aansluitlijn van een intekenaar meten tot naar een willekeurig meetcentrum in plaats van naar het telefoonbureau.

5. Wanneer de aanstaande intekenaar niet de eigenaar is van het perceel, waar hij een telefoon aangelegd wil hebben, moet hij de toestemming van de eigenaar van het perceel daartoe verkrijgen, en zal hij aansprakelik worden gehouden voor al het werk in verband met de aanleg.

6. De personen, die intekenaars wensen te worden, moeten een overeenkomst met de Postmeester-generaal aangaan, zullende met de aanleg van de telefoon niet worden begonnen, alvorens de overeenkomst gesloten en de eerste betaling van de intekenprijs geschied is.

7. De intekenprijs van een telefoondienst moet jaarliks vooruit worden voldaan gedurende het bepaalde tijdperk van de overeenkomst en daarna naar goedvinden van de Postmeester-generaal driemaandeliks. Wanneer intekenaars op Klasse I Bureau's toegelaten worden de intekengelden om de drie maanden te betalen, wordt de toekenning van kosteloze gesprekken berekend op een driemaandelikse in plaats van op een jaarlikse basis.

8. Een intekenaar kan zich van zijn lijn bedienen gedurende de uren die door de Postmeester-generaal vastgesteld zijn voor de dienst aan het telefoonbureau, waarbij de lijn aangesloten is.

9. Het gebruik van een telefoonlijn kan worden gestaakt na verloop van de bij de overeenkomst bepaalde tijd of te eniger tijd daarna na schriftelike opzegging één maand te voren door een van de partijen gedaan.

10. Een direkte aansluitlijn kan ter beoordeling van de Postmeester-generaal naar andere punten worden verlengd tegen tariefprijs: doch wanneer de aansluitlijn tegen het onbeperkt diensttarief gehuurd is, kan de verlenging slechts naar het tweede kantoor, de takpercelen of de woning van de intekenaar geschieden.

11. Gemeenschappelike lijnen kunnen tegen tariefprijs worden aangelegd op plaatsen, waar het telefoonbureau voorzien is van geschikte toestellen en wanneer de percelen van de personen, die bij dezelfde lijn aangesloten willen worden, binnen een redelike afstand van elkaar en van de lijn gelegen zijn.

12. When, in the opinion of the Postmaster-General, the number of calls originated by any subscriber to a party line is sufficient to warrant it, the Postmaster-General may require the subscriber either to rent a direct exchange line or to subscribe to a line to which there are fewer parties connected.

13. At the Postmaster-General's discretion, any person occupying offices in the same building as a subscriber may, with the subscriber's permission, be allowed to use the subscriber's telephone on payment by the subscriber to the Postmaster-General of the prescribed fee. The subscriber shall be responsible for all telephone fees and charges incurred by the joint user.

14. All measurements as to distance and length of line shall be made by the Postmaster-General, and his decision in the matter shall be final.

15. All apparatus being the property of the Government, the Postmaster-General or any officers appointed by him shall have free access to the premises of the subscriber for inspection purposes whenever necessary.

16. A subscriber shall pay on demand to the Postmaster-General the amount of the certified damage to any apparatus supplied to him or under his control or to any wiring within his premises, not due to fair wear and tear, whether such damage shall result from the negligence or wilful act of any person or from fire or other cause.

17. The Postmaster-General may at any time disconnect an exchange line from the exchange with which it is connected and connect it to any other exchange.

18. Subscribers' names shall be inserted once in the telephone directory free of charge. Additional names or designations, agencies, and names of partners and extension, and private branch exchange addresses, may be inserted upon payment of the prescribed fees.

19. Every care will be taken in the preparation and correction of the telephone directory, but the Postmaster-General will not guarantee the accuracy of the information contained therein. Subscribers are required to notify all necessary alterations to the Postmaster-General in writing.

20. The Postmaster-General reserves absolute discretion as to the allotment or variation at any time of any subscriber's number or designation in the telephone directory.

21. Accounts for trunk line and other facilities not covered by the subscription are payable to the Postmaster-General on presentation. The subscriber shall be responsible for the charges for all such facilities obtained by means of his telephone, and an account rendered by a postmaster or any other officer of the Post Office shall be sufficient evidence of the amount due from the subscriber to the Postmaster-General.

22. If a subscriber be in arrear with his exchange subscription or any other account, and fail to pay the same within seven days of the date on which it becomes due, the Postmaster-General shall have the power to determine the subscriber's agreement, disconnect his telephone, remove his name from the telephone directory, and enter upon his premises for the purpose of removing all apparatus, wires, etc., and such action shall in no way prejudice the right of the Postmaster-General to take such further steps as may be deemed necessary for the recovery of the amount due. The Postmaster-General shall also be entitled to recover from the subscriber forthwith as liquidated damages, and not by way of penalty (and in addition to any such arrears as aforesaid), a sum equal to the whole subscription which would have become payable between such determination and the expiration of the agreement.

23. Should a telephone be discontinued in terms of the foregoing paragraph, the subscriber will be required to pay the prescribed fee before it is again connected with the exchange, and if the telephone has been removed, application to be reconnected shall be treated as an application for a new line.

24. A subscriber whose line is connected to an exchange at which there is a telegraph office may send and receive telegrams to and from that telegraph office by means of his exchange line, and he may similarly send telephone messages to the telegraph office for delivery therefrom. When, however, the value of such telegrams exceeds £1 per month in two consecutive months, the subscriber shall make a deposit of not less than £1. 10s. as security for the charges. Telephoned telegrams and telephone messages shall be subject to the general provisions of the Telegraph Regulations.

25. In the event of the subscriber's line not being in good working order, the Postmaster-General shall repair and restore the line at his own expense and with all possible dispatch. The Postmaster-General shall not in any circumstances be held responsible or liable to the subscriber in damages or otherwise, however, for any delay in such repair or for any loss or damage occasioned by the total or partial interruption of the said line; nor shall any abatement be made from the subscription by reason of such failure or omission from whatever cause arising, except such line shall have been totally interrupted for a continuous period of at least fourteen days. The line and apparatus shall be considered to be in working order unless written notification to the contrary is received from the subscriber.

26. The Postmaster-General may disconnect any subscriber from an exchange, and cause to be removed any apparatus, etc., allotted to a subscriber—

(*a*) if, in the case of a flat rate subscriber, he allows his telephone to be used otherwise than for his own business or private purposes, except as provided for in Regulation No. 13;

(*b*) if he allows his telephone to be wilfully damaged or destroyed, or put to any improper or illegal use;

(*c*) if the connections of the apparatus or wires have been tampered with or altered without the authority of the Postmaster-General; and

12. Wanneer de Postmeester-generaal van oordeel is, dat het aantal oproepingen door een intekenaar van een gemeenschappelike lijn gedaan voldoende is om zulks te rechtvaardigen, kan hij de intekenaar verplichten een direkte aansluitlijn te huren of een lijn te huren, waarbij een geringer aantal personen aangesloten is.

13. Een persoon, die in hetzelfde gebouw als een intekenaar zijn kantoor heeft, kan met goedkeuring van de Postmeester-generaal en van de intekenaar de telefoon van de intekenaar gebruiken tegen betaling door de intekenaar aan de Postmeester-generaal van het voorgeschreven recht. De intekenaar is aansprakelik voor alle telefoontaksen en onkosten door de medegebruiker verschuldigd.

14. Alle metingen van afstanden of lengte van lijnen geschieden door de Postmeester-generaal, wiens beslissing in de zaak afdoende is.

15. Aangezien alle toestellen het eigendom zijn van de Regering, hebben de Postmeester-generaal of de door hem aangewezen ambtenaren vrije toegang tot de percelen van de intekenaar, zo dikwels zulks voor inspektiedoeleinden nodig is.

16. Een intekenaar moet op eerste aanvrage aan de Postmeester-generaal het bedrag betalen van de gecertificeerde niet aan gewone slijtage te wijten schade aan toestellen, die aan hem verstrekt zijn of onder zijn opzicht staan, of aan draad binnen zijn gebouw, zonder aanzien of de schade veroorzaakt is door de nalatigheid of door de moedwilligheid van een ander of door brand of hoe dan ook.

17. De Postmeester-generaal kan te eniger tijd een aansluitlijn van een telefoonbureau, waarmede hij verbonden is, afsnijden en hem bij een ander telefoonbureau aansluiten.

18. De namen van de intekenaars zullen eenmaal kosteloos in het Telefoon-adresboek worden opgenomen. Bijkomende namen of aanduidingen, agentschappen en de namen van vennoten en de adressen van bijaansluitingen en private takaansluitingen kunnen tegen betaling van het voorgeschreven tarief daarin worden opgenomen.

19. Het Telefoon-adresboek zal met de meeste zorg worden samengesteld en gekorrigeerd, doch de Postmeester-generaal kan niet instaan voor de juistheid van de daarin gegeven inlichtingen. Indien noodzakelike veranderingen daarin moeten worden aangebracht, dienen de intekenaars daarvan schriftelik kennis te geven aan de Postmeester-generaal.

20. De Postmeester-generaal behoudt zich het recht voor van toewijzing en wijziging, te eniger tijd, van het nummer of de aanduiding van een intekenaar in het Telefoon-adresboek.

21. Rekeningen voor hoofdlijn en andere faciliteiten, die niet door de intekenprijs zijn gedekt, zijn op aanvrage aan de Postmeester-generaal betaalbaar. De intekenaar is verantwoordelik voor de kosten van alle door middel van zijn telefoon verkregen faciliteiten, zullende door een postmeester of ander postbeambte gedane rekening tot genoegzaam bewijs strekken van het bedrag, dat door de intekenaar aan de Postmeester-generaal verschuldigd is.

22. Indien een intekenaar zijn aansluitingsprijs of enige andere rekening niet binnen zeven dagen na de dag waarop deze vervalt, betaald heeft, kan de Postmeester-generaal de overeenkomst beëindigen, zijn telefoon afsnijden, zijn naam uit het Telefoon-adresboek verwijderen en zijn perceel binnengaan om alle toestellen, draden, enz., weg te nemen, onverminderd het recht van de Postmeester-generaal om de nodige stappen te doen tot invordering van het verschuldigde bedrag. De Postmeester-generaal is tevens gerechtigd om van de intekenaar, bij wijze van gelikwideerde schadevergoeding, en niet bij wijze van boete (boven en behalve de achterstallige gelden voormeld) de betaling te vorderen van een som, gelijk aan de gehele intekenprijs, die in het tijdvak tussen zodanige vernietiging en het einde van de overeenkomst verschuldigd zou zijn.

23. Ingeval een aansluiting ingevolge het voorgaand artikel afgesneden wordt, kan de intekenaar niet weer bij het telefoonbureau worden aangesloten dan na voldoening van het voorgeschreven recht, en in geval het telefoontoestel verwijderd is, wordt de aanvrage om weer aangesloten te worden, beschouwd als een aanvrage om een nieuwe aansluiting en dienovereenkomstig behandeld.

24. Een intekenaar, die aangesloten is bij een telefoonbureau, waaraan een telegraafkantoor verbonden is, kan door middel van zijn aansluitlijn telegrammen zenden naar en ontvangen van dat telegraafkantoor en kan insgelijks telefoniese berichten zenden naar het telegraafkantoor ter bestelling van daar. Wanneer de waarde van zodanige telegrammen echter gedurende twee achtereenvolgende maanden, £1 per maand te boven gaat, dan moet de intekenaar minstens £1. 10s. deponeren als sekuriteit voor de onkosten. Op deze telegrammen en telefoniese berichten zijn de algemene bepalingen van de telegraaf-regulaties van toepassing.

25. Ingeval de aansluitlijn van een intekenaar niet in goed werkende orde is, is de Postmeester-generaal gehouden de lijn op zijn kosten en ten spoedigste te herstellen. Hij is echter onder geen omstandigheid verplicht tot vergoeding van de schade of verlies, door de intekenaar geleden ten gevolge van vertraging in de herstelling, of van de gehele of tijdelike storing van de lijn noch tot vermindering van de intekenprijs uit hoofde van zodanige storing of verzuim, waaraan de storing of het verzuim ook te wijten mocht zijn, tenzij de storing gedurende een onafgebroken tijd van ten minste veertien dagen geduurd heeft. De lijn en de telefoontoestel wordt vermoed in goed werkende orde te zijn, zolang geen schriftelik bericht van de intekenaar ontvangen is dat zulks niet het geval is.

26. De Postmeester-generaal kan de intekenaar van een telefoonbureau afsnijden en de aan de intekenaar geleverde telefoontoestel, enz., laten wegnemen—

(*a*) indien een intekenaar, die tegen het onbeperkt diensttarief betaalt, zijn telefoon anders laat gebruiken dan voor zijn eigen bezigheid of voor private doeleinden met inachtneming echter van regulatie 13;

(*b*) indien hij zijn telefoon moedwillig laat beschadigen of vernielen of voor onbehoorlike of onwettige doeleinden laat gebruiken;

(*c*) indien de verbindingen van het toestel of de draden geschonden of veranderd worde zonder toestemming van de Postmeester-generaal; en

(*d*) if improper language is used to the exchange operators or to any other person by a subscriber or any person using his telephone.

27. A subscriber may, upon giving reasonable notice, have his telephone and wires removed from one position to another, or to another address, upon payment in advance of the prescribed charges, provided that where considered necessary by the Postmaster-General the subscriber may in addition be required to enter into a new agreement.

28. In the interests of the general efficiency of the telephone service, the Postmaster-General reserves to himself the right to terminate any conversation after the expiration of six minutes from the time of its commencement.

29. The Postmaster-General shall take all reasonable precautions to prevent damage or injury to subscribers or their premises from fire or other cause by reason of the installation of telephone communication, but he shall not be liable for any damage or injury which may arise from the failure of any such precautions.

30. If a subscriber vacates his premises and fails to notify his removal, the Postmaster-General shall have the right to remove the apparatus, and such action shall in no way prejudice the Department's claim for any amounts which may be due under the agreement.

PART II.

Call Offices.

31. Call offices will be established by the Postmaster-General at convenient points in connection with exchanges and trunk lines. The fees for their use shall be at the prescribed rates, and shall be paid before the telephone is used.

32. The unit period of conversation shall be three minutes from the time when the caller has been informed that the connection is completed.

33. Application may be made for the use of a call office line for a continuous period of six minutes, but in such a case no part of the fee will be refunded if the line be actually used for a shorter period.

34. Conversations from call offices shall be subject to the provisions of paragraph 28 of these regulations.

PART III.

Trunk Service.

35. The charges for trunk telephone conversations (that is for conversations over lines connecting separate exchange areas) shall be at the prescribed rates and subject to the provisions of paragraphs 28, 32, and 33 of these regulations.

PART IV.

Appointment Service.

36. At the request of a subscriber or of a person using a call office, a message requesting a non-subscriber to attend at a specified call office for the purpose of holding a conversation will be transmitted and delivered within the free delivery of the telegraph office nearest thereto. The fees for the service shall be at the prescribed rates.

PART V.

Private Lines.

37. Private telephone (or telegraph) lines are ordinarily erected and maintained by the Postmaster-General; but persons desiring to do so may themselves erect and maintain such lines under licence.

38. Any person desiring to erect a private line under licence from the Postmaster-General shall submit a plan and specification showing the route to be followed, especially marking where roads are to be crossed or entered upon, and describing the nature of the apparatus and material to be used in the construction and working of the line, and any other particulars which may be required. The Postmaster-General may direct an officer to examine such plan and specification, and, if necessary, make an inspection of the route, the cost of such examination and inspection to be borne by the person desiring to erect the line. Should the report of such officer disclose that the line will not in any way interfere with or endanger the working of any other line of telegraph or telephone, whether belonging to the Postmaster-General or any private person, and that the material and method of erection and proposed working described in the specification are satisfactory, the Postmaster-General may, upon payment of the prescribed fees, and subject to the provisions of Regulation No. 39, grant permission to erect the line. Such permission shall, however, in no case be granted in the event of the route of the proposed line being along any public road, railway, or tract, or over or across any private land other than land belonging to the person desiring to erect such private line, unless and until the necessary permission of the local authority or of the owners of such private land, as the case may be, shall have been obtained, and satisfactory evidence to that effect forwarded to the Postmaster-General.

39. If the applicant for permission to erect a private telephone line desires to have the line terminated on the switchboard in a telephone exchange in order that it may be connected to the trunk system as occasion may demand, he shall conform in the method of construction to such special requirements as may be laid down by the Postmaster-General.

40. Where a Post Office telegraph or telephone route is conveniently situated for the purpose, the Postmaster-General may at his discretion and provided that there is no technical or other objection, agree to the erection thereon of a privately owned telegraph or telephone circuit. In every such case the portion of the privately owned circuit which is to be supported on the Post Office route shall be erecetd and maintained by the Postmaster-General at the expense of the owner.

(*d*) indien hij of iemand, die van zijn telefoon gebruik maakt, tegenover de telefonisten aan het telefoonkantoor of een ander persoon onbetamelike taal bezigt.

27. Een intekenaar kan na daartoe een redelike tijd van te voren kennis te hebben gegeven zijn telefoon en draden doen verzetten of naar een ander adres doen verplaatsen tegen vooruitbetaling van de voorgeschreven kosten, zullende de intekenaar bovendien een nieuwe overeenkomst moeten aangaan, indien de Postmeester-generaal zulks nodig oordeelt.

28. Ter bevordering van een doeltreffend telefoonverkeer kan de Postmeester-generaal een telefonies gesprek, dat langer duurt dan zes minuten, onderbreken.

29. De Postmeester-generaal is verplicht redelike voorzorgen te nemen ten einde de intekenaars of hun percelen te beveiligen tegen schade of letsel, ten gevolge van brand of andere oorzaken, die door de telefooninrichting zou kunnen worden veroorzaakt, doch hij is niet gehouden tot vergoeding van enige schade of enig letsel, ontstaande doordat de getroffen voorzorgsmaatregelen geen doel treffen.

30. Indien een intekenaar zijn percelen verlaat zonder kennis te geven van zijn verhuizing zal de Postmeester-generaal het recht hebben het toestel weg te nemen, hetwelk in genen dele het recht van het Departement zal verminderen om de bedragen in te vorderen, die onder de overeenkomst verschuldigd mogen zijn.

AFDELING II.

Oproepkantoren.

31. Oproepkantoren zullen door de Postmeester-generaal op geriefelike plaatsen in verband met telefoonbureau's en hoofdlijnen worden opgericht. Voor het voeren van een gesprek daarin moet het voorgeschreven tarief worden voldaan.

32. De tijdeenheid voor een gesprek is *drie minuten* gerekend van af de tijd waarop de oproeper verwittigd is, dat de aansluiting tot stand gebracht is.

33. Het gebruik van een oproepkantoorlijn kan aangevraagd worden voor een onafgebroken termijn van zes minuten, doch wordt de lijn in zodanig geval in werkelikheid voor een korter termijn gebruikt, dan wordt geen gedeelte van de gesprekkosten terugbetaald.

34. Gesprekken gevoerd uit oproepkantoren zijn onderworpen aan de bepalingen in paragraaf 28 van deze regulaties.

AFDELING III.

Hoofdlijndienst.

35. Voor gesprekken gevoerd over de hoofdlijnen (d.w.z. voor gesprekken over lijnen, die afzonderlike bureaukringen verbinden) wordt het voorgeschreven tarief in rekening gebracht, behoudens het bepaalde bij paragrafen 28, 32 en 33 van deze regulaties.

AFDELING IV.

Oproepberichtdienst.

36. Op verzoek van een intekenaar, of van een persoon, die van een oproepkantoor gebruik maakt, zal aan een niet-telefonies aangesloten persoon een bericht worden gezonden en binnen de kosteloze bestelkring van het naaste telegraafkantoor afgeleverd worden, om in een aangewezen oproepkantoor een gesprek te voeren.

De kosten worden volgens het voorgeschreven tarief berekend.

AFDELING V.

Partikuliere Lijnen.

37. Partikuliere telefoon- of telegraaflijnen worden in de regel door de Postmeester-generaal aangelegd en onderhouden. Ze kunnen ook door partikuliere personen zelven onder een licentie worden aangelegd en onderhouden.

38. Een ieder die een partikuliere lijn onder licentie van de Postmeester-generaal wenst aan te leggen, moet aan de Postmeester-generaal een plan met specifikatie inzenden waarop de richting van de lijn aangewezen wordt en bepaaldelik de punten aangeduid worden, waar wegen gekruist of betreden worden. Hij moet tevens de aard van de toestellen en materialen beschrijven, die voor de aanleg en de dienst van de lijn gebruikt zullen worden, en zulke andere biezonderheden vermelden, als benodigd mochten zijn. De Postmeester-generaal kan het plan en de specifikatie en, zo nodig, de door de lijn te volgen weg doen onderzoeken en bezichtigen, zullende de kosten van het onderzoek en de bezichtiging, ten laste komen van de aanlegger van de lijn. Indien uit het verslag van de ambtenaar blijkt dat de aan te leggen lijn geen hinder zal veroorzaken aan, of gevaar zal opleveren voor de dienst van een andere telegraaf- of telefoonlijn, behorende hetzij aan de Postmeester-generaal of aan een partikulier persoon, en dat het te gebruiken materiaal en de wijze van aanleg en van de voorgestelde bediening van de lijn, beschreven in de specifikatie, bevredigend zijn, dan kan de Postmeester-generaal tegen betaling van het voorgeschreven bedrag en behoudens het bepaalde bij regulatie 39 verlof geven tot het aanleggen van de lijn. Dit verlof wordt echter in geen geval verleend indien de lijn moet worden aangelegd langs een openbare weg, spoorweg of baan of over private grond, niet behorende aan de persoon, die zodanige partikuliere lijn wil aanleggen, tenzij en totdat de toestemming daartoe van het plaatselik bestuur of van de eigenaar van zodanige private grond respektievelik verkregen is en daarvan voldoend bewijs aan de Postmeester-generaal gezonden is.

39. Indien iemand, die een partikuliere telefoonlijn wil aanleggen, aansluiting op het schakelbord van een telefoonbureau verlangt ten einde in verbinding te worden gesteld met het hoofdlijnnet wanneer de omstandigheden zulks vereisen, zal hij wat de wijze van aanleg betreft, moeten voldoen aan alle biezondere eisen, die de Postmeester-generaal mocht stellen.

40. Wanneer een posttelegraaf- of telefoonpaalroute zich daarvoor op een geschikte plaats bevindt, kan de Postmeester-generaal, naar zijn goedvinden en mits er geen technies of ander bezwaar bestaat, toestemming geven tot het aanleggen daarop van een private telegraaf- of telefoongeleiding. In ieder zodanig geval wordt het gedeelte van de geleiding, dat aan de paalroute bevestigd moet worden door de Postmeester-generaal aangelegd en onderhouden op kosten van de eigenaar.

41. The person to whom such permission has been granted shall, upon the completion of the line, report the fact to the Postmaster-General, when an officer may, if considered by the Postmaster-General to be necessary, besent to inspect the line and report whether the work has been satisfactorily carried out. The cost of such inspection shall be borne by the person who erected the line. If the work is not to the satisfaction of the inspecting officer, he shall issue directions as to what is required, and on the defects being made good a licence to use the line may be issued.

42. Should the person to whom permission has been granted fail to make good any defects pointed out by the inspecting officer, the Postmaster-General may carry out the necessary alterations, and any costs incurred shall be recoverable from the person concerned, who shall be prohibited from using the line until such costs have been paid and the requirements of the Postmaster-General complied with.

43. All private lines erected under licence from the Postmaster-General which are carried along any railway, or public or private street, road, footpath, or land, shall in such places be carried at least ten feet from the ground, and every such line which crosses such railway, street, road, or footpath shall be at least fourteen feet from the ground throughout the crossing, provided that in towns, or in the immediate neighbourhood of towns, the minimum heights shall be twelve and eighteen feet respectively.

44. The Postmaster-General may direct an official inspection of any privately constructed line to be made periodically, and the officer making such inspection may direct the licensee to effect such alterations or repairs as may to him appear necessary, and the licensee shall immediately carry out the same; and in the event of his failing to do so within a reasonable time the licence to use such line may be cancelled.

45. The licensee shall maintain the line at his own expense, and the cost of any alterations, repairs, or other works which the Postmaster-General may, in the interests of public safety or convenience, order to be done, shall be charged to the licensee, and may be recovered by ordinary process of law.

46. The licensee shall be solely responsible for any injury or damage which may be caused by the poles, wire, or other portions of the line erected and maintained by the licensee.

47. The Postmaster-General may undertake the maintenance of any privately erected line and apparatus, and charge therefor such rates as may be mutually agreed upon between himself and the owner of the line. Before any extension of a private line authorized under licence is carried out, a further application shall be made to the Postmaster-General as in the case of the original line.

48. In the event of a number of persons desiring to erect a private line for inter-communication, the persons concerned shall nominate and submit to the Postmaster-General the names of two of their number who shall enter into an undertaking to accept and discharge all liabilities under the licence.

49. Except as provided for in Regulations Nos. 53 and 54, the renter or licensee of a private line shall use the line for his own private purposes only, and in no case shall he charge or accept a fee or remuneration for the use of the line or for the transmission of any communication over the same on pain of cancellation of the agreement or licence, as the case may be.

50. The issue of a licence for the erection of a private line intended to be connected to a telegraph office shall not in itself entitle the licensee to have his line connected to the public telephone system. The conditions under which such a facility may be granted are laid down in Regulation No. 39.

51. Where a private line is connected to a telegraph office, the renter or licensee, as the case may be, shall pay to the Postmaster-General for accommodation of the telephone and for clerical services such charges as may be prescribed.

52. Any private line connected to a telegraph office may, at the discretion of the Postmaster-General, be used for the transmission of telegrams to and from the telegraph office and for the sending of telephone messages for delivery from the telegraph office. Such telegrams and telephone messages shall be subject to the general provisions of the Telegraph Regulations.

53. Where a private line is connected to a telegraph office and the telephone thereat is situated in the public portion of the office, any person may hold a conversation with the renter or licensee, as the case may be, upon payment of the fees prescribed for call office conversations, and persons may be called to the telegraph office at the renter's or licensee's request under the conditions applicable to the call office appointment service.

54. At the discretion of the Postmaster-General, a private line connected to a telegraph office may, with the consent of the renter or licensee, as the case may be, be made available for the use of the general public for the transmission of telegrams and telephone messages, and the holding of conversations on such conditions as may be decided by the Postmaster-General.

55. In all other respects, private lines are subject *mutatis mutandis* to the general provisions of these regulations.

PART VI.

General.

56. Amendments which may be made to these regulations from time to time may be applied to lines and services rented at the time of publication of such amendments as well as to services provided after the publication of the amendments.

41. De persoon, aan wie zodanig verlof verleend is, moet, zodra de aanleg van de lijn voltooid is, aan de Postmeester-generaal daarvan kennis geven, zullende deze, indien hij zulks nodig oordeelt, een ambtenaar mogen zenden om de lijn te bezichtigen en te berichten of het werk naar behoren uitgevoerd is. De kosten van deze bezichtiging worden door de aanlegger van de lijn gedragen. Indien het werk niet ten genoegen van de ambtenaar vermeld uitgevoerd is, dan wijst hij aan wat gedaan moet worden. Zodra het nodige gedaan is, kan een licentie voor het gebruik van de lijn worden uitgereikt.

42. Indien de persoon, aan wie verlof verleend is, de door de bezichtigende ambtenaar aangewezen gebreken niet herstelt, kan de Postmeester-generaal de nodige veranderingen ten koste van de betrokken persoon doen aanbrengen, zullende deze de lijn niet mogen gebruiken, voordat die kosten betaald zijn en aan de eisen van de Postmeester-generaal voldaan is.

43. Alle uit kracht van een licentie van de Postmeester-generaal aangelegde partikuliere lijnen, die langs een spoorweg, openbare of private straat, weg, voetpad of land aangelegd worden, moeten op deze plekken ten minste tien voet boven de grond worden gevoerd. Elke zodanige lijn die zodanige spoorweg, straat, weg of voetpad kruist, moet over de gehele kruisingslengte, ten minste veertien voet boven de oppervlakte van de grond worden gevoerd, uitgezonderd in steden of in de onmiddellike nabijheid van steden, waar de minimum-hoogte twaalf en achttien voet respektievelik moet bedragen.

44. De Postmeester-generaal kan een door private onderneming aangelegde lijn van tijd tot tijd ambtshalve doen bezichtigen, zullende de ambtenaar, belast met de bezichtiging, aan de licentiehouder mogen voorschrijven om zulke veranderingen of herstellingen te doen als hij noodzakelik mocht vinden. De licentiehouder is verplicht onverwijld de gegeven voorschriften na te komen. Bij niet-voldoening daaraan binnen een redelike tijd, kan de licentie voor het gebruik van de lijn worden ingetrokken.

45. De licentiehouder moet de lijn op eigen kosten onderhouden. De kosten van alle veranderingen, herstellingen of andere werken, waarvan de verrichting of uitvoering door de Postmeester-generaal in het belang van de openbare veiligheid of ten gerieve van het publiek mocht worden bevolen, komen ten laste van de licentiehouder en kunnen langs gerechtelike weg op hem worden verhaald.

46. De licentiehouder is uitsluitend aansprakelik voor schade of letsel veroorzaakt door de palen, draden of andere delen van de lijn, die door de licentiehouder aangelegd is en onderhouden wordt.

47. De Postmeester-generaal kan zich belasten met het onderhoud van een door private onderneming aangelegde lijn met bijbehorende toestellen, en daarvoor zodanige betaling vragen, als tussen hem en de eigenaar van de lijn mocht zijn overeenkomen. Voordat de verlenging van een uit krachte van een licentie aangelegde partikuliere lijn kan worden aangevangen, moet, evenals ten aanzien van de oorspronkelike lijn, verlof daartoe bij de Postmeester-generaal worden aangevraagd.

48. Wanneer een aantal personen een partikuliere lijn voor onderling verkeer wensen aan te leggen, moeten de betrokken personen twee uit hun midden benoemen en hun namen aan de Postmeester-generaal voordragen, die zich moeten verbinden om alle verplichtingen onder de licentie op zich te nemen en na te komen.

49. Behoudens het bepaalde bij regulaties 53 en 54 is de huurder of licentiehouder van een partikuliere lijn verplicht de lijn slechts voor zijn eigen private doeleinden te gebruiken. Hij mag in geen geval, betaling of vergoeding aannemen of berekenen voor het gebruik van de lijn of voor de verzending van een bericht over dezelve, op straffe van vernietiging van de overeenkomst of de licentie, onderscheidenlik.

50. De uitreiking van een licentie voor de aanleg van een partikuliere lijn, die bestemd is om met een telegraafkantoor verbonden te worden, geeft op zich zelve aan de licentiehouder geen recht op aansluiting van zijn lijn met het openbaar telefoonnet. De voorwaarden waaronder zodanige vergunning toegestaan kan worden, zijn vervat in regulatie 39.

51. De huurder of licentiehouder onderscheidenlik van een partikuliere lijn, die met een telegraafkantoor verbonden is, moet aan de Postmeester-generaal zodanige betalingen maken als mocht worden voorgeschreven voor de plaatsing van de telefoon en voor klerkediensten.

52. Een partikuliere lijn, die op een telegraafkantoor aangesloten is, kan, naar goedvinden van de Postmeester-generaal, worden gebruikt voor de overzending van telegrammen van of naar het telegraafkantoor en voor de overzending van telefoniese berichten ter bestelling door het telegraafkantoor. De algemene bepalingen en regulaties voor de telegraafdienst zijn van toepassing op deze telegrammen en telefoniese berichten.

53. Wanneer een partikuliere lijn op een telegraafkantoor aangesloten is en de telefoon daarin in het voor het publiek bestemde gedeelte van het kantoor geplaatst is, kan een ieder, met de huurder of licentiehouder, een gesprek voeren tegen betaling volgens het tarief, dat voor gesprekken in oproepkantoren vastgesteld is en op verzoek van de huurder of licentiehouder kunnen personen voor het voeren van een gesprek naar het telegraafkantoor worden geroepen onder de voorwaarden, die van toepassing zijn op de oproepkantoordienst.

54. De Postmeester-generaal kan desverkiezende en met de toestemming van de huurder of licentiehouder een partikuliere lijn, onder door de Postmeester-generaal te bepalen voorwaarden, voor het publiek beschikbaar stellen voor de overzending van telegrammen en telefoniese berichten en voor het voeren van gesprekken.

55. De algemene bepalingen van deze regulaties zijn overigens, *mutatis mutandis*, van toepassing op partikuliere lijnen.

AFDELING VI.

Algemene Bepalingen.

56. Alle van tijd tot tijd in deze regulaties aangebrachte wijzigingen kunnen van toepassing worden gemaakt op lijnen en diensten, die ten tijde van de bekendmaking van zulke wijzigingen reeds gehuurd zijn, alsmede op diensten verstrekt na de bekendmaking van de wijzigingen.

57. The normal charges and fees shall be those set forth in Part VII of these regulations, but the Postmaster-General may, at his discretion, fix special and higher rates where the circumstances are unusual.

58. Services not specifically provided for herein shall be charged for at such rates as the Postmaster-General shall determine.

✱ No. 384.] [21st March, 1919.

It is hereby notified that, under the provisions of section *six*, Act No. 26 of 1891 (Cape of Good Hope), and in terms of a resolution adopted by the House of Assembly on the 23rd March, 1914, and concurred in by the Senate on the 1st May, 1914, the undermentioned piece of Crown land, situate in Main Street, Kimberley, Division of Kimberley, will be offered for sale by public auction in front of the Magistrate's Office, Kimberley, at 11 o'clock a.m., on Saturday, 10th May, 1919, subject to the general terms and conditions contained in the Act No. 15 of 1887 (Cape of Good Hope) so far as applicable, and further to such conditions as may be declared on the day of sale.

The lot will be put up at the upset price fixed, and the highest bidder who shall have offered not less than such upset price shall be declared the purchaser, and such purchaser shall have the option of paying either the whole or part of the purchase money on the day of sale; provided

(ii) that if less than one-tenth of the purchase price be paid on the day of sale the balance of such one-tenth shall be paid at the expiration of six months and the remaining one-tenth at the expiration of twelve months from the day of sale;

De aandacht wordt gevestigd op Goevernements Kennisgeving No. 297 van 28 Februarie 1919, regulaties bevattende voor het beheer van en de kontrole over het weiden van vee van houders van percelen in het dorp Theronsville op het resterend gedeelte van de plaats Pofadder West.

✱ No. 384.] [28 Maart 1919.

Hiermede wordt bekendgemaakt dat krachtens de bepalingen van artikel *zes* van Wet No. 26 van 1891 (Kaap de Goede Hoop) en overeenkomstig een besluit op 23 Maart 1914 door de Volksraad genomen en de 1ste Mei 1914 door de Senaat goedgekeurd, het ondergenoemd stuk Kroongrond, gelegen in Mainstraat, Kimberley, Afdeling Kimberley, bij publieke veiling te koop zal worden aangeboden voor het Magistraatskantoor des voormiddags om 11 uur, op Zaterdag, 10 Mei 1919, onderworpen aan de algemene bepalingen en voorwaarden vervat in Wet No. 15 van 1887 (Kaap de Goede Hoop) voor zover die van toepassing zijn, en verder aan zodanige voorwaarden als op de dag van die verkoping mochten worden bekendgemaakt.

Het perceel zal te koop worden aangeboden tegen de inzetprijs als vastgesteld, en de meestbiedende, die niet minder geboden zal hebben dan die inzetprijs, zal de koper verklaard worden, en zodanige koper zal de koopsom naar verkiezing geheel of gedeeltelik op de verkoopdag kunnen betalen. Met dien verstande—

(i) dat indien geen betaling geschiedt op de verkoopdag, één-tiende van de koopprijs betaald moet worden binnen zes maanden en één-tiende binnen twaalf maanden, te worden gerekend van af de verkoopdag;

(ii) dat, indien minder dan één-tiende van de koopsom op de verkoopdag betaald wordt, het overige van zodanige één-tiende moet betaald worden binnen zes maanden, en het andere één-tiende binnen twaalf maanden, te worden gerekend van af de verkoopdag;

(iii) dat, indien het bedrag betaald op de verkoopdag het één-tiende mocht zijn, of enige som tussen het één-tiende en één-vijfde deel van de koopsom, het overige van het één-vijfde van de koopsom betaald moet worden binnen twaalf maanden, te worden gerekend van af de verkoopdag.

(iv) ingeval de koopsom minder dan vijf en twintig ponden mocht zijn, moet het gehele bedrag kontant of in gelijke paaiementen, zich uitstrekkende over een tijdperk van drie jaren betaald worden.

Rente moet op de bovengenoemde paaiementen betaald worden, berekend tegen vier percent per jaar; en de betaling van de paaiementen, met de rente erop, zal op de verkoopdag door twee door de Magistraat goedgekeurde en volgens hem voldoende borgen verzekerd worden, welke borgen zich met betrekking tot die betaling als borgen *in solidum* en mede-hoofdschuldenaars verbinden, afstand doende van de excepties van inbeslagneming en verdeling.

Indien de koper of zijn borgen in gebreke blijven of niet in staat zijn de nodige betalingen van de koopsom als bovenvermeld binnen de vastgestelde tijd te doen zal de Regering het recht hebben de koop te vernietigen, en alle gelden reeds in verband met die koop betaald zullen aan de Regering vervallen.

De kosten verbonden aan de opmeting, enz., van elk perceel en van de grondbrief (nl. 12s. 3d.) en Registratiekantoor fooi voor registratie (nl. 5s.) moeten aan de Magistraat, of ander te dien opzichte behoorlik gemachtigd persoon, op de verkoopdag betaald worden.

De koper zal verplicht zijn, ten gunste van het Goevernement voor vier-vijfde van de koopsom, een verband te passeren, rente dragende tegen vier percent per jaar, tenzij hij op de verkoopdag meer dan één-vijfde van de koopsom betaald zal hebben, in welk geval het bedrag van het verband voor het saldo van de koopprijs zal zijn; de koper het recht hebbende om het verband, of enig gedeelte daarvan, niet minder dan vijftig pond bedragende, te eniger tijd af te betalen.

Indien de koper het saldo van de koopsom op verband wenst te houden, als bovenvermeld, moet hij het verband binnen dertien (13) maanden van af de verkoopdag passeren, bij gebreke waarvan een boete van één shilling opgelegd zal worden voor iedere dag, welke men daarna voorbij laat gaan tot op achttien maanden van af de datum van de verkoping; indien er daarna nog geen verband gepasseerd mocht zijn, zal het saldo van de koopsom, met interest erop, en het bedrag van de boete, indien aldus enige boete is opgelegd terstond betaalbaar zijn en betaald moeten worden en in enig bevoegd gerechtshof zonder verdere kennisgeving opgevorderd kunnen worden, en indien niet binnen een maand na datum van de uitspraak betaald, zal de koop van nul en gener waarde worden en zullen reeds gedane betalingen aan de Regering vervallen zijn.

Het perceel zal te koop worden aangeboden onderworpen aan de hiernagenoemde speciale voorwaarde, nl.:—

Dat alle rechten op mineralen, minerale produkten, minerale olieën en edelgesteenten, edele of onedele metalen op of onder de grond hieronder verkocht, te zamen met het recht van toegang

Inquiries as to the most suitable machinery to be utilized should be made to the Director of Irrigation, Pretoria, by the successful applicants before proceeding to erect any pumping machinery.

The pumping test made by the Irrigation Department in connection with the boreholes on holdings Nos. 14, 15, and 16 was as reliable as possible, but the Government accepts no responsibility for any loss or damage that may be sustained by a lessee should, on a new or extended pumping test taking place, the water supply in the borehole be found to be less than that stated in this notice, or in the event of the other particulars given in respect of the borehole being found to be inaccurate.

A clause will be inserted in the leases which it is proposed to issue in respect of those holdings on which boreholes have been or may be sunk, giving the Government access to and the right to take water from the boreholes for drilling purposes for a period of five years from the dates of the leases.

In the event of an allottee making an application for a borehole to be sunk on his holding, and of such application being approved by the Minister of Lands, the cost of such borehole (exclusive of transport, fuel, and water, which must be borne by the allottee) will be added to the valuation of the holding and the half-yearly rentals and instalments of purchase price increased accordingly as from the date of the completion of the work.

In the event of boring operations being undertaken on any of the holdings contained in this notice, before the date of allotment thereof, the cost of the boring operations will be added to the valuations of the holdings on which boreholes have been or may be completed, and the rentals and instalments of purchase price increased accordingly from the date of completion of the borehole.

General Remarks—

The lease to be issued will contain conditions relative to residence, improvements, fencing, minerals, outspans, roads, and such other conditions as are usually inserted in agricultural leases granted under the Land Settlement Act, No. 12 of 1912, as amended by the Land Settlement Act Amendment Act, No. 23 of 1917.

The following special clauses will be inserted in the lease which it is proposed to issue in respect of these holdings and in the Crown grants to be issued later:—

(*a*) Giving the Government the right to resume the whole or a portion of any holding required for public purposes or outspan purposes, on payment of compensation therefor;

(*b*) stipulating that roads and thoroughfares, whether they are described in the diagram or not, existing on the land shall remain free and uninterrupted, and requiring the lessee of any holding to grant to any adjacent or neighbouring proprietor a way or road of necessity to or from the land of such adjacent or neighbouring proprietor;

(*c*) governing the exploitation of minerals.

The rent paid during the lease period of five years is not deducted from the purchase price in the event of the option to purchase being exercised.

All rights to minerals, mineral products, mineral oils, metals, and precious stones are reserved to the Crown.

The Department has made every effort to render as accurate as possible the information given in this notice, but the Department will not be responsible for any inaccuracies under this heading should such exist.

Applicants are recommended personally to inspect the holdings before formally applying therefor. In considering applications for holdings, Land Boards decline, as a rule, to recommend allotments to applicants who have failed to inspect personally or to have had inspected on their behalf, the holdings applied for. No railway or transport concessions are given by the Government in connection with the inspection of holdings.

Occupation can be granted immediately on allotment unless other provision be made in the letter of allotment.

All applications must be submitted on the prescribed form, which, with copies of the regulations framed under the Act, in which appears a specimen copy of the lease to be issued, can be obtained from the Magistrate of Mafeking or from the Secretary for Lands, Pretoria.

The Department has a staff dealing specially with applications and inquiries for land, and prospective settlers desirous of obtaining information with regard to land settlement are advised to apply for such information direct to the Department of Lands, Union Buildings, Pretoria.

✱ No. 393.] [21st March, 1919.

Tenders are hereby invited and will be received by the Secretary for Lands, c/o the Surveyor-General, Pietermaritzburg, Natal, for a period of one month from the date of this notice, and for such time thereafter as the lands may remain unsold, for

de waardering van de hoeve, in welk geval de bedragen van de huur en paaiementen van de koopprijs dienovereenkomstig zullen worden verhoogd.

Geslaagde applikanten voor enige van de hoeven, waarvan de grenslijnen of gedeelten daarvan omheind zijn, zullen aansprakelikheid moeten aanvaarden, overeenkomstig de Omheiningswet van 1912, voor enige bedragen welke door de eigenaren van aanliggende eigendommen, krachtens die wet, geëist mogen worden.

Een voorwaarde van het huurkontrakt zal zijn, dat de suksesvolle applikanten voor hoeven Nos. 14, 15 en 16, met ingang van de datum van toekenning verantwoordelik zullen worden gehouden voor de behoorlike oppassing en het onderhoud van de boorgaten en pompen op de hoeven, en aansprakelik zullen zijn voor enige schade daaraan veroorzaakt. In geen geval moet water daaruit genomen worden zonder behoorlike pompmachines. Navraag betreffende machinerie welke het meest geschikt is, behoort door de suksesvolle applikanten bij de Direkteur van Irrigatie te Pretoria gedaan te worden, alvorens tot de oprichting van enige pompmachinerie over te gaan.

De proef door het Irrigatie-departement met pompen genomen in verband met de boorgaten op hoeven Nos. 14, 15 en 16 was zo vertrouwbaar mogelik. Het Goevernement aanvaardt echter geen verantwoordelikheid voor enig verlies of schade, welke door een huurder mocht worden geleden, indien bij een nieuwe of uitgebreide pompproef het water in het boorgat mocht worden bevonden minder te bedragen dan in deze kennisgeving vermeld, of ingeval de andere biezonderheden aangaande het boorgat gegeven onjuist mochten blijken te zijn.

In de huurkontrakten te worden uitgereikt in verband met hoeven waarop boorgaten zijn of mochten worden gezonken zal voorziening gemaakt worden waardoor de Regering het recht hebben zal van toegang tot en het recht om voor boordoeleinden water te nemen uit de boorgaten voor een tijdperk van vijf jaren van af de datum van de huurkontrakten.

Indien de persoon aan wie een hoeve is toegewezen verzoekt, dat op zijn hoeve een boorgat moge worden gezonken, en zodanige applikatie door de Minister van Landen wordt goedgekeurd, dan zullen de kosten van zodanig boorgat (behalve van transport, brandstof en water, welke door die persoon moeten worden betaald) gevoegd worden bij de koopprijs van de hoeve, en de halfjaarlikse huurprijs en paaiementen op de koopprijs zullen dientengevolge verhoogd worden vanaf de datum van de voltooiing van het werk.

Ingeval boorwerkzaamheden ondernomen mochten worden op enige van de hoeven, in deze kennisgeving geadverteerd, vóór de datum van toekenning daarvan, dan zullen de kosten daarvan gevoegd worden bij de koopprijzen van de hoeven, waarop boorgaten zijn of mochten worden voltooid, en de huurprijzen en paaiementen op de koopprijzen zullen dientengevolge verhoogd worden van af datum van de voltooiing van de boorgaten.

Algemene Opmerkingen—

Het uit te reiken huurkontrakt zal voorwaarden bevatten met betrekking tot de okkupatie, verbeteringen, omheining, mineralen, uitspanningen, wegen en zulke andere voorwaarden als gewoonlik gesteld worden in landbouwhuurkontrakten uitgereikt onder de Kroongrond Nederzettings Wet, No. 12 van 1912, zoals gewijzigd door de Nederzettings Wet Wijzigingswet No. 23 van 1917.

In het voorgestelde huurkontrakt en de daarop volgende Kroongrondbrief in verband met deze hoeven zal speciale voorziening gemaakt worden waardoor—

(*a*) de Regering het recht hebben zal om tegen betaling van schadevergoeding enige hoeve of enig gedeelte daarvan, terug te nemen, indien voor publieke doeleinden of een uitspan benodigd;

(*b*) aanwezige paden en doorgangen vrij en onbelemmerd zullen blijven hetzij op de kaart aangegeven of niet en de huurder van enige hoeve gehouden zal zijn noodzakelike paden naar en van de grond van aangrenzende of naburige eigenaren toe te laten;

(*c*) de eksploitatie van mineralen geregeld zal worden.

De huur, betaald gedurende het tijdperk van het huurkontrakt van vijf jaren, wordt niet van de koopprijs afgetrokken ingeval gebruik gemaakt wordt van de optie tot aankoop.

Alle rechten op mineralen, minerale produkten, minerale olieën, metalen en edelgesteenten zijn gereserveerd voor het Goevernement.

Het Departement heeft alle pogingen gedaan om de informatie in deze kennisgeving vervat, zo juist mogelik te geven, maar het Departement zal niet verantwoordelik zijn voor onjuistheden, welke onder dit hoofd mochten voorkomen.

Applikanten worden aanbevolen de hoeven persoonlik te inspekteren, alvorens formele applikatie daarvoor in te dienen. Bij de overweging van applikaties voor hoeven, zijn Landraden niet geneigd toekenningen aan te bevelen aan applikanten die verzuimd hebben persoonlik of door iemand anders ten hun behoeve, de hoeven waarvoor zij applikatie hebben gemaakt te inspekteren. Geen spoorweg- of andere transportkoncessies worden door de Regering in verband met de inspektie van hoeven toegestaan.

Onmiddellik na toekenning kan okkupatie worden toegestaan, tenzij in de brief van toekenning anders wordt bepaald.

Alle applikaties moeten worden ingediend op de voorgeschreven vorm, welke te zamen met kopieën van de regulatie volgens de wet opgetrokken, waarin voorkomt een proefeksemplaar van het huurkontrakt dat zal worden uitgereikt, van de Landdrost van Mafeking of van de Sekretaris voor Landen, Pretoria, kunnen worden kregen.

Het Departement heeft een staf die speciaal applikaties en navragen betreffende grond behandelt en aanstaande settelaars, die met betrekking tot landnederzetting informatie verlangen, worden aangeraden om zich met het verzoek om die informatie rechtstreeks te wenden tot het Departement van Landen, Uniegebouw, Pretoria.

Het bedrag van zodanige bijdrage moet door de persoon aan wie de plaats wordt toegekend in kontanten aan het Goevernement worden betaald, of kan naar verkiezing van de persoon aan wie het eigendom is toegekend, worden gevoegd bij de waardering van de hoeve, in welk geval de bedragen van de huur en paaiementen van de koopprijs dienovereenkomstig zullen worden verhoogd. Geslaagde applikanten voor enige van de hoeven, waarvan de grenslijnen of gedeelten daarvan omheind zijn, zullen aansprakelikheid moeten aanvaarden, overeenkomstig de Omheiningswet van 1912, voor enige bedragen welke door de eigenaren van aanliggende eigendommen, krachtens die wet, geëist mogen worden.

General Remarks—

The lease to be issued will contain conditions relative to residence, improvements, fencing, minerals, outspans, roads, and such other conditions as are usually inserted in agricultural leases granted under the Land Settlement Act, No. 12 of 1912, as amended by the Land Settlement Act Amendment Act, No. 23 of 1917.

The rent paid during the lease period of five years is not deducted from the purchase price in the event of the option to purchase being exercised.

All rights to minerals, mineral products, mineral oils, metals, and precious stones are reserved to the Crown.

The Department has made every effort to render as accurate as possible the information given in this notice, but the Department will not be responsible for any inaccuracies should such exist.

Applicants are recommended personally to inspect farms before formally applying therefor. In considering applications for holdings, Land Boards decline, as a rule, to recommend allotments to applicants who have failed to inspect personally or to have had inspected on their behalf the holdings applied for. No railway or transport concessions are given by the Government in connection with the inspection of holdings.

Occupation can be granted immediately on allotment, unless other provision be made in the letter of allotment.

All applications must be submitted on the prescribed form, which, with copies of the regulations framed under the Act, in which appears a specimen copy of the lease to be issued, can be obtained from the Magistrate of Vrede for holdings Nos. 1 to 9, and from the Magistrate of Harrismith for holdings Nos. 10 to 18, or from the Secretary for Lands, Pretoria.

The Department has a staff dealing specially with applications and inquiries for land, and prospective settlers desirous of obtaining information with regard to land settlement are advised to apply for such information direct to the Department of Lands, Union Buildings, Pretoria.

IN THE MATTER OF } DE BETHAL LANDBOUW KO-OPERATIEVE VEREENIGING.
IN ZAKE }

PLAN OF CONTRIBUTION.
KONTRIBUTIE-PLAN.

The plan of contribution (herein after referred to as the plan) apportioning the debt due by the Bethal Landbouw Ko-operatieve Vereeniging (herein after referred to as the society) to the Land and Agricultural Bank of South Africa (herein after referred to as the Land Bank) in equal shares among all persons liable for the debts and obligations of the society framed by the Central Board of the Land Bank (herein after referred to as the Board) in terms of section *thirty-eight*, sub-section (1) (*a*) of Act No. 18 of 1912, is hereby published.

If within fourteen days from the date of publication of the plan in the *Gazette* the liability due to the Land Bank in respect of the advance to the society with interest and costs be not paid to the General Manager of the Land Bank at his office, 399 Market Street, Pretoria, by each person included in the plan to the amount set opposite his name the Board will without recourse to any Court of Law, seize and sell through the Sheriff or Messenger, as the case may be, so much of the property and effects of each of the defaulting persons as may be necessary to meet the liability of each such person as shown in the said plan, together with any costs that may be incurred by the Land Bank in connection with such seizure and sale.

If any person liable to contribute under the plan has not paid his contribution, and has not, to the knowledge of the Board, property or effects sufficient to meet his liability, the Board may recover pro rata from each of the other persons liable the share of that person's unsatisfied liability, and if any person liable to pay pro rata a share of another person's liability be unable to pay same, the other persons shall be liable to pay pro rata a further share to meet that liability, and such further shares shall be recoverable from such other persons and so on, until the whole liability to the Bank is paid off.

Nothing in this notice shall be construed as taking away or diminishing the right of any one debtor who has paid more than his *pro rata* share in satisfying his liability to proceed at common law against his co-principal debtor.

Het kontributie-plan (hierna genoemd het plan) de schuld van de Bethal Landbouw Ko-operatieve Vereeniging (hierna genoemd de vereniging) aan de Land en Landbouw Bank van Zuid-Afrika (hierna genoemd de Landbank) verschuldigd, in gelijke aandelen verdelende onder alle personen die aansprakelik zijn voor de schulden en verbintenissen van de vereniging, opgetrokken door de Centrale Raad van de Landbank (hierna genoemd de Raad) ingevolge artikel *acht en dertig*, subartikel (1) (*a*) van Wet No. 18 van 1912, wordt hierbij bekend gemaakt.

Indien binnen veertien dagen vanaf de datum van bekendmaking van het plan in de *Staatskoerant*, de schuld aan de Landbank ten opzichte van het voorschot aan de vereniging met rente en kosten niet betaald is aan de Algemene Bestuurder van de Landbank ten zijne kantoren, 399 Marktstraat, Pretoria, door elk persoon genoemd in gezegd plan ten belope van het tegenover zijn naam aangewezen bedrag zal de Raad, zonder vorm van proces door de Baljuw of Gerechtsbode, onderscheidenlik, een genoegzame hoeveelheid van de goederen en effekten van de nalatige personen in beslag doen nemen en verkopen tot dekking van de schuld van ieder zodanige persoon volgens het gezegde kontributie-plan, alsmede van de onkosten, door de Bank gemaakt in verband met die inbeslagneming en verkoop.

Wanneer een persoon, die volgens het plan verplicht is bij te dragen, zijn bijdrage niet betaald heeft, en, voor zover aan de Raad bekend is, geen genoegzame goederen of effekten bezit om zijn schuld te dekken, dan kan de Raad op ieder andere aansprakelike persoon een evenredig deel van de onvoldane schuld van die persoon verhalen. Zo een persoon die verplicht is tot betaling van een evenredig deel van de schuld van een ander persoon, dat deel niet kan betalen, dan zijn de andere personen verplicht een verder evenredig deel van die schuld te voldoen. Dit verder deel kan op die andere aansprakelike personen worden verhaald en, alzo voortgaande, totdat de gehele schuld aan de Bank afbetaald is.

Door het bepaalde in deze kennisgeving wordt een schuldenaar die meer dan zijn evenredig deel van de schuld betaald heeft, niet verkort in zijn recht om zijn ko-principale schuldenaar volgens het algemene recht aan te spreken.

To the Honourable the Judge-President and Judges of the Supreme Court of South Africa, Natal Provincial Division.

The petition of THOMAS ELLERKER, of Pietermaritzburg, retired farmer, humbly showeth:—

(1) That the Premier Products and Industries, Ltd., is a company registered under the Limited Liability Laws of the Province of Natal, having its head office at Pietermaritzburg in the said Province.
(2) That your Petitioner is the registered holder of 3500 shares of the nominal value of one pound (£1) each in the said company.
(3) That on the 28th day of February, 1919, the shareholders of the company in general meeting passed a special resolution requiring the company to be wound up by the Court.
