[8th April, 1919.

Under the provisions of sub-section (1) of section *twenty-eight* of the Industrial Disputes Prevention Act, 1909, of the Transvaal (Act No. 20 of 1909), the Report of the Conciliation and Investigation Board appointed under the provisions of the said Act to investigate the dispute between the Krugersdorp Town Council and its employees, members of the Krugersdorp Municipal Employees' Association, is hereby published by direction of the Honourable the Minister of Mines and Industries for general information.
M.M. 1239/19.

REPORT OF A BOARD OF CONCILIATION AND INVESTIGATION UNDER SECTION TEN OF THE ACT WITH REGARD TO A DISPUTE BETWEEN CERTAIN MUNICIPAL EMPLOYEES, MEMBERS OF THE KRUGERSDORP MUNICIPAL EMPLOYEES' ASSOCIATION (HEREIN AFTER CALLED THE EMPLOYEES), AND THE MUNICIPALITY OF KRUGERSDORP (HEREIN AFTER CALLED THE EMPLOYERS).

To the Honourable the Minister of Mines and Industries,
Pretoria.

This Board was appointed on an application made by The Transvaal Municipal Employees' Federation on behalf of the Krugersdorp Municipal Employees' Association.

The points of dispute, claims and demands, numbered thirteen; the employers agreed to eight claims or demands—one was later withdrawn.

Evidence was adduced on one item only—that referring to the wage of an unskilled white employee; on all other points in dispute statements, documents, and reports were admitted which rendered evidence unnecessary.

At the beginning of the second sitting the way had been cleared to a considerable extent by the admission of statements, documents, and reports; the Board thought it opportune to attempt to bring the parties to an agreement.

This was found to be impracticable, as on the main point—the extent of the remuneration—the parties would not agree to consider a settlement.

We have the honour to forward our report, and to express appreciation of the services of our secretary, Mr. D. Steyn.

We will take the items of the claims and demands seriatim.

1. "It is required that an increase in remuneration shall be given retrospectively to *all* the employees of the Krugersdorp Municipal Council commensurate with the decreased purchasing power of the sovereign, as demonstrated by the increased cost of living compared with the year 1914, based upon the normal remuneration of the position with an added percentage increase."

The parties agreed that—

(a) the 8th May, 1918, was the date when negotiations between them began, and the term "retrospectively" referred to this date;

(b) the Public Service granted a war allowance at the rate given in the First Report of the Public Service Commission of Inquiry;

(c) the Chamber of Mines granted a war bonus to mine employees on a sliding scale as authorized in Circular, Groups No. 85/18 of the 26th November, 1918;

(d) the reports of the Cost of Living Commission be accepted.

The employers put in reports of the grading of salaries of the municipal staff as adopted by them on 16th June, 1910, and of the bonus to meet the extra cost of living due to the war as at present granted.

The Pension and Provident Funds By-laws were also handed in.

It was admitted that the employers paid their mechanics the standard rate of wages.

With regard to the word *all* in this demand: It was at first agreed that *all* should mean all persons employed by the Municipality with the exception of skilled artisans, who are paid the standard rate of wages, and relief labourers, i.e. unskilled white employees, concerning whom there is a special claim, No. 8.

At a later stage of the proceedings, Mr. Dieperink, for the employers, pointed out that this Board could not deal with all persons employed by the employers, as, by the terms of the application of the employees, the parties to the dispute were on the one hand "The Municipality of Krugersdorp," and on the other "Municipal Employees engaged in the supply of Electric Light, Water, Sanitary Services, and trades defined in the Industrial Disputes Prevention Act, 1909, and additions made thereto by Proclamation No. 9 (Union), 1910, members of the Krugersdorp Municipal Employees' Association," and that a number of persons employed by the employers were not engaged on any services mentioned in the Act or the Proclamation which extends it. He asked for a ruling of the Board, urging that, as the employees had limited themselves in this matter and the Minister had decided on their own application that the provisions of the Act applied to this dispute, the Board could not extend the scope of its investigations so as to include persons who were not parties to the dispute.

After discussion the Board decided that the employees must be bound by the terms of their application, which limited the parties to the dispute to those therein mentioned.

The employers clearly recognize that some relief should be granted to meet the increased expense of living. They are at present allowing a bonus at the rate of 30s. per month to their servants who receive up to £240 a year—single persons without dependents not being included. During these proceedings it was suggested by the employers that, if the Board decided to grant an allowance, it should be at the rate of £2. 12s. per month to be paid to those, coming within the terms of this dispute, who earned up to £35 per month. This was the amount asked for by the Krugersdorp Municipal Employees' Association in February, 1918. The employees refused to agree to this suggestion.

* No. 500.]

[8 April 1919.

Krachtens subartikel (1) van artikel *acht en twintig* van de Wet ter voorkoming van Industriële Geschillen, 1909, van de Transvaal (Wet No. 20 van 1909), wordt het rapport van de Conciliatie en Onderzoekingsraad, aangesteld krachtens genoemde wet, ter onderzoek van het geschil tussen de Krugersdorp Stadsraad en de werklieden daarvan, leden van de Krugersdorp Municipale Werklieden Vereniging, op last van Zijn Edele de Minister van Mijnwezen en Nijverheid ter algemene informatie gepubliceerd.
M.M. 1239/19.

RAPPORT VAN EEN KONCILIATIE EN ONDERZOEKINGSRAAD KRACHTENS ARTIKEL TIEN VAN DE WET MET BETREKKING TOT EEN GESCHIL TUSSEN ZEKERE MUNICIPALE WERKLIEDEN, LEDEN VAN DE KRUGERSDORP WERKLIEDEN VERENIGING (HIERNA DE WERKLIEDEN GENOEMD) EN DE MUNICIPALITEIT VAN KRUGERSDORP (HIERNA DE WERKGEVERS GENOEMD).

Aan Zijn Edele de Minister van Mijnwezen en Nijverheid,
Pretoria.

Deze Raad werd aangesteld op aanzoek van de Transvaalse Municipale Werklieden Federatie ten behoeve van de Krugersdorp Municipale Werklieden Vereniging.

De punten van geschil, eisen en vorderingen waren dertien in getal: de werkgevers kwamen overeen met acht eisen of vorderingen—een werd later teruggetrokken.

Getuigenis werd slechts op een punt aangevoerd—that verwijzende naar het loon van een onbedreven blanke werksman; op al de andere punten van geschil werden verklaringen, dokumenten en rapporten aangenomen waardoor getuigenis onnodig gemaakt werd.

Bij de aanvang van de tweede zitting was de weg grotelijks vergemakkelikt door de aanneming van verklaringen, dokumenten en rapporten; de Raad meende dat dit de geschikte tijd was om te proberen de partijen tot een overeenkomst te brengen.

Men vond dat dit onuitvoerbaar was daar de partijen over het voornaamste punt—het bedrag van loon—het niet eens konden worden om tot een schikking te komen.

Wij hebben de eer u ons rapport te doen toekomen en onze waardering over de diensten van onze sekretaris, de heer D. Steyn, uit te spreken.

Wij zullen de punten van de eisen en vorderingen in geregelde orde nemen.

1. "Er wordt gevraagd dat een verhoging van loon van terugwerkende kracht aan alle werklieden van de Krugersdorp Municipale Raad zal worden gegeven, evenredig aan de verminderde koopkracht van het gouden pond, zoals gebleken uit de vermeerderde levenskosten vergeleken met het jaar 1914, gebaseerd op de normale vergoeding van de toen bestaande toestanden met daarbij gevoegde percentsgewijze vermeerdering."

De partijen kwamen overeen dat:—

(a) De 8ste Mei 1918 de datum was toen onderhandelingen tussen hen aangegaan waren en dat terugwerkende kracht naar deze datum verwees.

(b) De Staatsdienst kende een oorlogstoelage toe tegen het bedrag gegeven in het Eerste Rapport van de Staatsdienstkommissie van Onderzoek.

(c) De Kamer van Mijnen kende een oorlogbonus toe aan de mijnwerklieden op een geleidelijke schaal zoals geautoriseerd in Cirkulaire, Groepen No. 85/18, dato 26 November 1918.

(d) De rapporten van de Levenskostenkommissie worden aangenomen.

De werkgevers lagen rapporten voor van het graderen van salarissen van het municipale personeel zoals door hen aangenomen op 16 Junie 1910, en van de bonus ter bestrijding van de ekstra levenskosten tengevolge van de oorlog zoals op het ogenblik toegekend.

De reglementen van het Pensioen- en Voorzorgsfonds werden eveneens ingehandigd.

Men erkende dat de werkgevers hun werktuigkundigen tegen de standaard loonschaal betaalden.

Met betrekking tot het woord *allen* in deze eis: Kwam men eerst overeen dat "allen" behoorde te betekenen alle personen in dienst van de municipaliteit, met uitzondering van geoefende ambachtshui, die tegen de standaard loonschaal betaald worden en relief-arbeiders, d.i. ongeoeffende blanke werklieden, met betrekking tot wie er een speciale eis (No. 8) is.

Bij een later stadium van de verrichtingen wees de heer Dieperink, voor de werkgevers, er op dat deze Raad niet kon handelen met alle personen door de werkgevers in dienst genomen daar de partijen van het dispuut, overeenkomstig de applicatie van de werklieden, aan de ene kant waren "de Municipaliteit van Krugersdorp" en aan de andere kant de "Municipale Werklieden in dienst genomen bij de verschaffing van elektrisches licht, water en sanitaire diensten en beroepen bepaald bij de wet op het voorkomen van Industriële Geschillen van 1909 en bijvoegingen daartoe bij Proklamatie No. 9 (Unie), 1910, leden van de Krugersdorp Municipale Werkgevers Vereniging," en dat een aantal personen door de werkgevers in dienst genomen niet te werk gesteld zijn op enige van de diensten genoemd in de wet of de proklamatie welke dit uitbreidt. Hij verzocht om een regeling van de Raad, aanvoerende dat, daar de werklieden zich beperkt hadden in deze zaak en de Minister op hun eigene applicatie besloten had dat de bepalingen van de wet op dit geschil toegepast werd, de Raad de werkring van zijn onderzoek niet kon uitbreiden op zulke wijze om personen, die niet partijen van het geschil waren, in te sluiten.

Na bespreking besloot de Raad dat de werklieden zich moesten houden aan de termen van de applicatie welke de partijen van het geschil beperkten tot degenen die daarin genoemd zijn.

De werkgevers erkennen duidelijk dat er een tegemoetkoming behoorde te zijn om de verhoogde levenskosten te bestrijden. Men geeft op 't ogenblik een bonus tegen 30s. per maand aan zijn banten die tot £240 per jaar ontvangen—ongetrouwden zonder afhankelijk niet inbegrepen. Gedurende deze verrichtingen werd door de werkgevers aan de hand gegeven dat, indien de Raad zou besluiten om een toelage te geven, het tegen een bedrag van £2. 10s. per maand behoorde te zijn aan degenen komende onder de termen van het geschil en die tot £35 per maand verdienden. Dit was het bedrag gevraagd door de Krugersdorp Municipale Werklieden Vereniging in Februarie 1918. De werklieden weigerden met dit voorstel in te stemmen.

The Board decided to adopt the recommendation of the Public Service Commission as to war allowance granted to Salaried Public Servants on the Witwatersrand—see p. 27 of the First Report.

These figures were based on the reports of the Cost of Living Commission, and conditions as to Johannesburg were specially considered.

We are of the opinion that conditions differ but little along the Rand, and accordingly accepted the schedule of the Public Service Commission; we did not think it necessary or advisable to go over again practically the same ground.

Considerable emphasis was laid by the employers on the advantages that the employees derive from the pension scheme, and the Board was asked to take this into consideration. We do not think that on account of the pension scheme the scale of allowances should be reduced. It replaced a system of gratuities which were given on retirement. No figures were submitted, but, as the employers stated that they generously treated those persons who left their service, the total would probably amount to a substantial sum. Further, the conditions of the public service as to pensions are somewhat similar, and it is on the report dealing with that body that we have based our recommendations.

The following schedule sets out the monthly payments which the Board recommends:—

Substantive Salary per annum.	Allowances per month. Per cent.
£100 to £119	£2 10 0 (30.0)
£120 to £139	£2 18 4 (29.2)
£140 to £159	£3 5 0 (27.9)
£160 to £179	£3 12 6 (27.2)
£180 to £199	£4 0 0 (26.1)
£200 to £219	£4 5 0 (25.5)
£220 to £239	£4 10 0 (24.6)
£240 to £259	£4 15 0 (23.8)
£260 to £279	£4 18 4 (22.7)
£280 to £299	£5 1 8 (21.8)
£300 to £319	£5 5 0 (21.0)
£320 to £339	£5 8 4 (20.3)
£340 to £359	£5 11 8 (19.7)
£360 and over	£5 15 0 (19.2)

These allowances to operate from the 1st June, 1918, less payments already made as war bonuses since that date.

We also recommend that these allowances should be subject to revision on the 30th June and 31st December in each year. The basis of revision shall be as follows:—

These figures shall be taken to represent the allowances granted when the increase in the cost of living is 30 per cent.; as the cost of living rises or falls from this percentage, according to the periodical reports of the Cost of Living Commission, the allowances shall rise or fall in the same ratio, fractions of 1 per cent. to be ignored; e.g. if the cost of living rises to 32 per cent. the increase in the allowances will be two-thirtieths over the amounts stated in the schedule. In calculating the increase or decrease to be considered, the average of the percentages of increase shown by the reports of the Cost of Living Commission for the six months previously shall be taken.

The Board wishes to state that, though this investigation is limited to certain municipal servants, its recommendations equitably should apply to all persons employed by the employers.

2. "That remuneration be given to all employees engaged and to be engaged during the time that the purchasing power of the sovereign remains below pre-war standard on the scale given by the Council prior to 1914 (August), plus a percentage equivalent to the decreased purchasing power of the sovereign as demonstrated by the increased cost of living reports."

It was submitted that persons engaged by the employers subsequently to the 8th May, 1918, should receive the salary of their grade and in addition the allowance granted by the Board.

The Board recommends that every person engaged or to be engaged by the employers should receive the salary attached to his grade together with the allowance given in the previous recommendations.

3. "That any remuneration paid shall not be termed 'war bonus,' 'bonus,' or other misnomer, but be styled wages or salary, as the case may be."

The parties agreed, and the Board recommends that the allowance granted be termed "abnormal conditions allowance."

4. "That there shall be no differentiation in such increased remuneration as between married and single employees."

The Board came to the conclusion that the increased cost of living affected married persons more than single.

As the extra remuneration has to be regarded as "abnormal conditions allowance" and not as wages we recommend that it should not* apply to single persons; that widowers and widows supporting their own children should be treated as married; and that other servants who prove that they have persons solely dependent on them should be entitled to the same allowance as married servants.

The Board also recommends the payment of £1. 10s. per month to all single servants; widowers and widows without dependents to be treated as single.

* I do not agree to this differentiation. It is not made in the case of artisans because, as Mr. Hoatson admitted, their trade unions are strong. The employees originally claimed the increase as a wage but subsequently altered the claim to one for an allowance so as not to prejudice the newly established pension fund. I think the increase should be given to employees whether married or single.

De Raad besloot de aanbeveling aan te nemen van de Staatsdienstkommissie wat betreft oorlogstoelage, toegekend aan gesalarieerde Staatsambtenaren op de Witwatersrand—zie blz. 27 van het Eerste Rapport.

Deze cijfers waren gebaseerd op de rapporten van de Levenskostenkommissie, en toestanden aangaande Johannesburg werden in 't bijzonder in overweging genomen. Wij zijn van mening dat toestanden heel weinig verschillen langs de Rand, en dientengevolge hebben wij de bijlage van de Staatsdienstkommissie aangenomen; wij meenden niet dat het nodig of raadzaam was om over nagenoeg dezelfde gronden te gaan.

Grote nadruk werd gelegd door de werkgevers op de voordelen welke de werklieden trekken uit het pensioenschema en de Raad werd gevraagd om dit in overweging te nemen. Wij menen niet dat ter oorzake van het pensioenschema de schaal van toelagen verminderd behoorde te worden. Het verving een stelsel van gratifikatieën hetwelk bij uitdiensttreding gegeven werd. Geen cijfers werden voorgelegd maar, daar de werkgevers verklaarden dat zij de personen, die hun dienst hebben verlaten, gulhartig hebben behandeld, zou het totaal waarschijnlijk een aanzienlijke som bedragen. Verder zijn de kondities van de Staatsdienst wat betreft de pensioenen meer of min gelijk en het is op het rapport handelende met dat lichaam dat wij onze aanbevelingen gebaseerd hebben.

De volgende Bijlage zet de maandelijke betalingen, welke de Raad aanbeveelt, uiteen:—

Substantief salaris per jaar.	Toelagen per maand. percent.
£100 tot £119	£2 10 0 (30.0)
£120 tot £139	£2 18 4 (29.2)
£140 tot £159	£3 5 0 (27.9)
£160 tot £179	£3 12 6 (27.2)
£180 tot £199	£4 0 0 (26.1)
£200 tot £219	£4 5 0 (25.5)
£220 tot £239	£4 10 0 (24.6)
£240 tot £259	£4 15 0 (23.8)
£260 tot £279	£4 18 4 (22.7)
£280 tot £299	£5 1 8 (21.8)
£300 tot £319	£5 5 0 (21.0)
£320 tot £339	£5 8 4 (20.3)
£340 tot £359	£5 11 8 (19.7)
£360 en over	£5 15 0 (19.2)

Deze toelagen in werking te treden met ingang van 1 Junie 1918, min betalingen alreeds gemaakt als oorlogsbonus sedert die datum.

Wij bevelen eveneens aan dat deze toelagen aan herziening onderhevig zullen zijn op 30 Junie en 31 Desember in ieder jaar. De basis van herziening zal als volgt zijn:—

Deze cijfers zullen genomen worden om de toelagen toegestaan te vertegenwoordigen wanneer de vermeerdering van de levenskosten 30 percent is; naarmate de levenskosten stijgen of vallen van dit percentage volgens de periodieke rapporten van de Levenskostenkommissie, zullen de toelagen stijgen of vallen tegen dezelfde verhouding, breuken van 1 percent niet in aanmerking te worden genomen; b.v. indien de levenskosten tot 32 percent stijgen zal de vermeerdering in de toelagen twee dertigsten over de bedragen in de bijlage vermeld zijn. Bij de berekening van de vermeerdering of vermindering in overweging te worden genomen, zullen de gemiddelde percentages van de vermeerdering, aangeduid door de rapporten van de Levenskostenkommissie over de vorige zes maanden, genomen worden.

De Raad verlangt melding te maken dat, ofschoon dit onderzoek beperkt is tot zekere municipale beamtten, behoorden deze aanbevelingen onpartijdig toegepast te worden op alle personen door de werkgevers in dienst genomen.

2. "Het loon te worden gegeven aan alle beamtten, aangenomen en te worden aangenomen gedurende de tijd dat de koopkracht van het gouden pond beneden de standaard van vóór de oorlog blijft, te zijn op de schaal door de Raad vóór Augustus 1914 gegeven, plus een percentage gelijkstaande aan de verminderde koopkracht van het gouden pond, zoals aangetoond door de cijfers van de vermeerderde levenskosten."

Het werd voorgelegd dat personen in dienst genomen door de werkgevers na 8 Mei 1918, het salaris van hun graad behoorden te ontvangen en verder de toelage door de Raad toegestaan.

De Raad beveelt aan dat ieder persoon in dienst genomen of te worden in dienst genomen het salaris verbonden aan zijn graad te zamen met de toelage gegeven in de vorige aanbevelingen behoorde te ontvangen.

3. "Enige vergoeding betaald zal niet genoemd worden 'oorlogsbonus,' 'bonus' of andere naam, maar genoemd worden loon of salaris al naair het geval moge zijn."

De partijen waren het eens en de Raad beveelt aan dat de toelage toegekend "een toekenning voor abnormale toestanden" genoemd zal worden.

4. "Er zal geen onderscheid worden gemaakt wat betreft de betaling van meerdere vergoeding voor getrouwde en ongetrouwde beamtten."

De Raad kwam tot het besluit dat de vermeerderde levenskosten meer gevoeld worden door getrouwde dan ongetrouwde.

Daar de ekstra vergoeding geacht moest worden als "een toekenning voor abnormale toestanden" en niet als loon bevelen wij aan dat het niet* op ongetrouwden behoorde toegepast te worden; dat weduwnaars en weduwen die hun eigene kinderen onderhouden als getrouwden behoorden behandeld te worden; en dat andere werklieden die bewijzen leveren dat zij personen hebben die volkomen van hen afhankelijk zijn, gerechtigd behoorden te zijn op dezelfde toekenning als getrouwde werklieden.

De Raad beveelt eveneens de betaling aan van £1. 10s. per maand aan ongetrouwde beamtten; weduwnaars en weduwen zonder afhankeliken als ongetrouwden te worden behandeld.

* Ik ben het niet eens met dit onderscheid. Het wordt niet gemaakt in 't geval van ambachtslui omdat, zoals de heer Hoatson erkende, hun "trade unions" sterk zijn. De werklieden eisten oorspronkelijk de vermeerdering als loon, doch daarna wijzigden zij de eis (sommigen voor een toekenning om het nieuw gevestigde pensioenfonds niet te benadelen). Ik denk dat de vermeerdering aan werklieden, hetzij getrouwd of ongetrouwd, gegeven behoorde te worden.

CIRCULAR
GROUPS No. 23/19.

Messrs.....

J o h a n n e s b u r g.

Dear Sirs,

EASTER HOLIDAYS ON THE MINES.

My Executive Committee considers it desirable that, as far as possible, uniform action should be taken by the Mining Companies in the matter of regulating the pay of mine employees (exclusive of staff) during the Easter Holidays, although, of course, it is open to individual Companies to follow whatever procedure appears to them most advisable, provided that the terms of the Agreement with the Unions are not departed from with regard to the men concerned.

With regard to the arrangements for the current year, I am directed to convey to you the following recommendations, namely :-

- (a) That Good Friday if not worked be paid for at ordinary rates.
- (b) That all time actually worked on Good Friday be paid for at double ordinary rates.

These recommendations are subject to the employee concerned working his ordinary shift immediately preceding Good Friday (viz. Thursday, April 17th), and during the day immediately following Good Friday (viz. Saturday, April 19th).

The above recommendations are in accordance with the Agreement already mentioned.

Certificated Winding Engine Drivers, to whom the Agreement Governing Conditions of Work applies, are specially provided for in their Agreement. It will be remembered that for this class of employee Good Friday has been specially defined by the addition of the following paragraph to Clause 8 of the Agreement governing conditions of work reading as follows, namely :-

"For the purpose of clause 8, Christmas Day or Good Friday
" shall be 24 consecutive hours from the commencement of
" the ordinary shift on each mine which if worked continuously
" for eight hours would extend into Christmas Day or Good
" Friday."

Yours faithfully,

E.L.R. KELSEY,

Joint-Secretary & Legal Advisor.

5. "That all employees shall, after twelve months' continuous service, receive remuneration during periods of genuine illness up to a reasonable period to be decided upon by the Conciliation Board."

The leave regulations of the employers were handed in. It appeared from section 18 that "servants on temporary engagements are, unless it is otherwise provided in the terms of their appointment, not allowed to have leave of any kind without losing their pay."

During the discussion Mr. Hoatson assured the Board that for the past 7½ years, during which he had been a councillor, wages had in all cases been paid to those servants who had been granted sick leave.

The Board recommends that any servant after twelve months' continuous service should have the benefit of the sick leave regulations of the employers.

6. "That a definition of the term 'junior' be laid down to prevent it being elaborated and extended unreasonably."

The parties agreed and the Board recommends that the term "junior" should apply to messengers under eighteen years of age and to apprentices.

7. "That a definition of the term 'skilled labour' be laid down; e.g. members of the fire brigade, sanitary overseers, etc."

The parties agreed and the Board recommends that sanitary overseers and road overseers should not be classed as "white unskilled labourers."

8. "That the Board decide what sum in its opinion constitutes a minimum wage to be paid under normal and present conditions to an unskilled white employee."

Three witnesses, who work as relief (i.e. white unskilled) labourers, gave evidence.

This class of labourer is receiving 8s. 6d. a day and £1. 10s. per month war bonus.

The Board is forced to the conclusion that married men cannot live decently on this wage and recommends that the wages of married relief (i.e. white unskilled) labourers, including abnormal conditions allowance, should not be less than £15 per month, and that in normal times their wages should not fall below this amount.

9. "That the Krugersdorp Council shall have a standing committee which shall deal with all matters affecting the employees, subject only to the jurisdiction of the Council."

The employers agreed to this committee.

It was pointed out that all financial matters have to go before the finance committee.

The Board recommends that a standing committee be appointed to deal with all matters affecting the employees; that the finance committee should report to the Council on the financial aspect of all recommendations by such standing committee, but should not be allowed to prevent any such recommendations from coming before the Council.

10. "That steps be taken for the establishment of a joint board for the purpose of considering the wages of and matters affecting the municipal employees, such board to consist of councillors and employees, the latter to be represented by delegates from the Transvaal Municipal Employees' Federation, and that, if considered necessary, legislation be recommended to compel the establishment of such joint board."

The employees agreed to this.

The Board recommends that a joint board be established, to consist of ten members, five from the employers and five members of the Transvaal Municipal Employees' Federation, the chairman to be elected from the representatives and to have a deliberative vote only.

11. "That steps be taken for the establishment of a final court of appeal, the members of such court of appeal to be individuals who are not connected in any way with the Municipal Local Authority, and that, if considered necessary, legislation be recommended to compel the establishment of such court of appeal and to enforce the acceptance by the parties concerned of the decision of such court of appeal."

The employers agreed to this.

The Board recommends that, in the event of the joint board not being able to come to a decision, the procedure of the Arbitration Ordinance, No. 24 of 1904 (Transvaal), which provides the necessary machinery for this court of appeal, should be adopted.

12. "That some definite course be recommended to prevent the procrastinating and dilatory methods adopted by the Council in dealing with the representations of its employees who do and who do not fall within the direct scope of the Industrial Disputes Prevention Act, 1909."

The employees withdrew this.

For the employers Mr. Hoatson handed in a statement to show that no unnecessary delay had taken place, and protested against the insinuations conveyed.

The employees stated that they did not intend to make unpleasant reflections.

13. "The Federation, on behalf of the Krugersdorp Municipal Employees' Association and the employees of the Council generally, agrees to the terms of section twenty-five of Act No. 20 of 1909 (Transvaal) applying to this dispute provided that the Krugersdorp Municipal Council acquiesce in a like manner to be bound by the finding of the Conciliation Board."

The chairman read section twenty-five of the Act, and in answer to him the parties both agreed to be bound by the findings of this Board.

Proceedings of the Board.

Messrs. J. Hoatson and J. A. Dieperink represented the employers; Messrs. J. Mackay, V. E. Lewis, and W. H. Sharpe, the employees.

The Board sat in public on the 26th and 27th February and 4th March, 1919, and heard the evidence of three witnesses.

5. "Dat alle beambten na 12 maanden voortdurende dienst hun loon zullen trekken gedurende de tijd dat zij werkelijk ziek zijn; een redelijke tijd te worden bepaald door de Konsultatieraad."

De verlofregulaties van de werkgevers werden ingehandigd. Het blijkt uit artikel 18 dat tijdelijke werklieden, tenzij op andere wijze voorziening gemaakt wordt in termen van hun aanstelling, in geen geval verlof kunnen krijgen zonder hun salaris prijs te geven.

Gedurende de bespreking verzekerde de heer Hoatson de Raad dat gedurende de afgelopen 7½ jaren, zolang hij Stadsraadlid was, het loon aan de beambten, aan wie ziekverlof gegeven was, betaald werd.

De Raad beveelt aan dat enige beambte na twaalf maanden voortdurende dienst behoorde te delen in het voordeel van de ziekteverlofregulaties van de werkgevers.

6. "Dat een woordbepaling van de uitdrukking 'junior' neergelegd zal worden om te voorkomen dat het op onredelijke wijze uitgebreid en toegepast zal worden."

De partijen zijn het eens en de Raad beveelt aan dat de uitdrukking "junior" van toepassing behoorde te zijn op boden beneden de ouderdom van 18 jaar en op leerlingen.

7. "Dat een woordbepaling van de uitdrukking 'bedreven arbeid' neergelegd wordt b.v. leden van de brandweer, sanitaire opzichters, enz."

De partijen zijn het eens en de Raad beveelt aan dat sanitaire opzichters en wegopzichters niet als "blanke onbedreven arbeiders" geklassificeerd behoorden te worden.

8. "Dat de Raad besluiten zal welke som naar zijn oordeel, een minimum loon zal uitmaken dat betaald behoort te worden onder normale en tegenwoordige toestanden aan een onbedreven blanke werkmán."

Drie getuigen, die als relief werken (d.i. blanke onbedreven) arbeiders, gaven getuigenis.

Deze klasse arbeider ontvangt 8s. 6d. per dag en £1. 10s. per maand oorlogsbonus.

De Raad wordt tot het besluit gedwongen dat getrouwde mannen niet op dit loon fatsoenlijk kunnen leven en beveelt aan dat het loon van getrouwde relief (d.i. blanke onbedreven) arbeiders, inbegrepen abnormale toestanden toelage, niet minder zou zijn dan £15 per maand en dat in normale tijden hun loon niet beneden dit bedrag behoorde te zijn.

9. "Dat het Krugersdorp Stadsbestuur een staand comité zal hebben betwélk alle zaken betreffende de werklieden in behandeling zal nemen, onderworpen slechts aan de jurisdictie van het Stadsbestuur."

De werkgevers zijn het eens met dit comité.

Er werd op gewezen dat alle financiële zaken voor een financieel comité moeten komen.

De Raad beveelt aan dat een staand comité aangesteld zal worden om alle zaken betreffende de werklieden in behandeling te nemen; dat het financiële comité een rapport aan het Stadsbestuur zou uitbrengen omtrent de financiële zaken van alle aanbevelingen door zodanig staand comité, doch niet zou toegelaten worden om te verhinderen dat enige zodanige aanbevelingen voor het Stadsbestuur komen.

10. "Dat stappen zullen worden genomen voor het in het leven roepen van een gezamenlijk comité, met het doel om de lonen van en zaken de municipale beambten betreffende te overwegen; zodanig comité te bestaan uit Stadsraadsleden en beambten, deze laatste te worden vertegenwoordigd door afgevaardigden van de Transvaal Municipale Beambten Vereniging, en dat, indien nodig bevonden, een wetgeving zal worden aanbevolen om de vestiging van zulk een gezamenlijk comité te gelasten."

De werkgevers zijn het hiermede eens.

De Raad beveelt aan dat een gezamenlijk comité in het leven geroepen wordt, te bestaan uit tien leden, vijf uit de werkgevers en vijf leden van de Transvaal Municipale Beambten Vereniging; de voorzitter te worden gekozen uit de vertegenwoordigers en slechts een overwegende stem te hebben.

11. "Dat stappen zullen worden genomen voor het in het leven roepen van een finaal hof van appel; de leden van zodanig hof van appel personen te zijn die in generlei opzicht iets te maken hebben met het municipale lokale gezag en dat, indien nodig bevonden, een wetgeving zal worden aanbevolen om de vestiging van zodanig hof van appel te gelasten en de aanneming van de beslissingen van zodanig hof van appel door de betrokken partijen te doen bekrachtigen."

De werkgevers zijn het hierover eens.

De Raad beveelt aan dat, ingeval het gezamenlijk comité niet in staat zal zijn om tot een beslissing te komen, de procedure van de Arbitratie Ordonantie, No. 24 van 1904 (Transvaal), welke de nodige machinerie voorziet voor dit hof van appel, gevolgd zou worden.

12. "Dat enig bepaald iets wordt aanbevolen om de talmende en uitsteltende methoden, door de Stadsraad gebezigt ten opzichte van de vertogen van zijn beambten, welke al dan niet binnen de werkkering van de Industriële Disputen Voorkomingswet, 1909, vallen, te beletten."

De beambten trokken dit terug.

Voor de werkgevers handigde de heer Hoatson een verklaring in om aan te tonen dat er geen onnodige vertraging plaats had en protesteerde tegen de insinuaties geuit.

De beambten verklaarden dat het niet hun bedoeling was om onaangename aanmerkingen te maken.

13. "De Federatie, ten behoeve van de Krugersdorp Municipale Beambten Vereniging en de Beambten van de Raad in 't algemeen, zijn het eens met de termen van artikel vijf en twintig van Wet No. 20 van 1909 (Transvaal) toepassende op dit dispuut, met dien verstande dat de Krugersdorp Municipale Raad op dezelfde wijze inwilligt om te berusten in de bevinding van de Konsultatieraad."

De voorzitter las artikel vijf en twintig van de wet en in antwoord aan hem waren beide partijen het eens om zich neer te leggen bij de bevindingen van de Raad.

Verrichtingen van de Raad.

De heren J. Hoatson en J. A. Dieperink vertegenwoordigden de werkgevers; de heren J. Mackay, V. E. Lewis en W. H. Sharpe, de werklieden.

De zitting van de Raad vond plaats in 't openbaar op 26 en 27 Februarie en 4 Maart 1919, en nam getuigenis van drie getuigen.

The Board sat in private on 4th and 12th March.

All sittings took place in the evening; this was arranged to suit the convenience of the parties and the public; the secretary was required to attend at Krugersdorp till 10.30 p.m., and we think that he should receive some recognition in respect of the extra hours he was called upon to work.

G. R. HUGHES,
Sekretaris voor Landen.

Departement van Landen, Pretoria.

No. 298.]

[28 Februarie 1919.

Ter algemene informatie word hiermede bekendgemaakt, dat op de plaats Pofadder West, in de Afdeling Kenhardt, Provincie Kaap de Goede Hoop, een dorp is uitgelegd genaamd Theronville, en dat de hieronder genoemde blokken percelen en percelen tot het genoemd dorp behorende, bij publieke veiling te koop zullen worden aangeboden in termen van artikel twee van Wet No. 15 van 1887 (Kaap), zoals gewijzigd door artikels vier, vijf en zes van Wet No. 40 van 1895 (Kaap), te Pofadder, op Woensdag, de 7de Mei 1919, des morgens om 11 uur, behoudens de voorwaarden en bepalingen in de bovengenoemde wet en in de hieronder volgende koopkondities uiteengezet, en alle zodanig verdere voorwaarden als op de dag van de verkoping mochten worden bekendgemaakt;

De stukken grond zullen te koop worden aangeboden tegen de inzetprijs als vastgesteld, en de meestbiedende, die niet minder geboden zal hebben dan die inzetprijs, zal de koper verklaard worden, en zodanige koper zal de koopsom naar verkiezing geheel of gedeeltelijk op de verkoopdag kunnen betalen. Met dien verstande—

- dat, indien geen betaling geschiedt op de verkoopdag, één-tiende van de koopprijs betaald moet worden binnen zes maanden en één-tiende binnen twaalf maanden, te worden gerekend van af de verkoopdag;
- dat, indien minder dan één-tiende van de koopsom op de verkoopdag betaald wordt, het overige van zodanige één-tiende moet betaald worden binnen zes maanden, en het andere één-tiende binnen twaalf maanden, te worden gerekend van af de verkoopdag;

(iii) that if the amount paid on the day of sale be one-tenth or any sum between one-tenth and one-fifth of the purchase price the balance of one-fifth of the purchase price shall be paid at the expiration of twelve months from the day of sale;

(iv) in cases where the purchase money is less than twenty-five pounds the whole amount shall be paid in cash or in equal instalments extending over a period of three years.

Interest on the instalments above mentioned shall be paid at the rate of 4 per centum per annum; and the payment of the instalments, together with the interest thereon, shall be secured on the day of sale by two good and sufficient sureties to the satisfaction of the Magistrate, which sureties will bind themselves in regard to such payment as sureties *in solidum* and co-principal debtors, renouncing the exceptions of excussion and division.

If the purchaser or his sureties fail or are unable to make the necessary payment of purchase money as above within the stipulated time, it shall be competent for the Government to cancel the sale, and all payments already made in respect of such sale shall be forfeited to the Government.

The expenses of survey, etc., on each piece of land and of the title-deed (viz. 12s. 3d.) and Deeds Office registration fee (viz. 5s.), shall be paid to the magistrate or other duly authorized person in that behalf on the day of sale.

The purchaser shall be bound to pass a mortgage bond, bearing interest at the rate of 4 per centum per annum, in favour of the Government for four-fifths of the purchase price, unless he shall have paid on the day of sale more than one-fifth thereof, in which case the amount of the bond shall be for the balance of the purchase price, the purchaser having the right to pay off the bond, or any portion thereof not being less than fifty pounds, at any time.

If the purchaser be desirous of holding the balance of the purchase money on mortgage, as above, he will be required to pass the bond within thirteen (13) calendar months from the day of sale, failing which a fine of one shilling will be imposed for every day allowed to pass beyond it up to eighteen months from the date of sale, after which, should such failure still continue, the balance of the purchase money, with interest thereon, and the amount of fine, if any, so imposed, shall forthwith become due and payable, and shall be recoverable in any competent court of law without further notice, and if not paid within one month after the date of judgment the sale shall become null and void, and payments already made shall be forfeited to the Government.

The improvements effected on certain of the lots shall be paid for in cash on the day of sale by the purchaser not being the improver. The amount to be paid in every case shall be that shown against the respective pieces of land in the schedule hereunder.

The diagrams and conditions of sale may be seen at the Department of Lands, Pretoria, and at the Office of the Magistrate of Kenhardt.

[8]

(iii) dat, indien het bedrag betaald op de verkoopdag het één-tiende mocht zijn, of enige som tussen het één-tiende en één-vijfde deel van de koopsom, het overige van het één-vijfde van de koopsom betaald moet worden binnen twaalf maanden, te worden gerekend van af de verkoopdag;

(iv) ingeval de koopsom minder dan vijf en twintig ponden mocht zijn, moet het geheel bedrag kontant of in gelijke paaiementen, zich uitstrekken over een tijdperk van drie jaren, betaald worden.

Rente moet op de bovengenoemde paaiementen betaald worden, berekend tegen vier percent per jaar; en de betaling van de paaiementen, met de rente erop, zal op de verkoopdag door twee door de Magistraat goedgekeurde en voldoende borgen verzekerd worden, welke borgen zich met betrekking tot die betaling als borgen *in solidum* er mede-hoofdschuldenaars verbinden, afstand doende van de excepties van inbeslagneming en verdeling.

Indien de koper of zijn borgen in gebreke blijven of niet in staat zijn de nodige betalingen van de koopsom als bovenvermeld binnen de vastgestelde tijd te doen zal de Regering het recht hebben de koop te vernietigen, en alle gelden reeds in verband met die koop betaald zullen aan de Regering vervallen.

De kosten verbonden aan de opmeting, enz., van elk stuk grond en van de grondbrief (nl. 12s. 3d.) en registratiefooi (nl. 5s.) moeten aan de Magistraat of ander te dien opzichte behoorlijk gemachtigd persoon, op de verkoopdag betaald worden.

De koper zal verplicht zijn, ten gunste van het Goevernement voor vier-vijfde van de koopsom, een verband te passeren, rente dragende tegen vier percent per jaar, tenzij hij op de verkoopdag meer dan één-vijfde van de koopsom betaald zal hebben, in welk geval het bedrag van het verband voor het saldo van de koopprijs zal zijn; de koper het recht hebbende om het verband, of enig gedeelte daarvan, niet minder dan vijftig pond bedragende, te eniger tijd af te betalen.

Indien de koper het saldo van de koopsom op verband wenst te houden, als bovenvermeld, moet hij het verband binnen dertien (13) maanden van af de verkoopdag passeren, bij gebreke waarvan een boete van één shilling opgelegd zal worden voor iedere dag, welke men daarna voorbij laat gaan tot op achttien maanden van af de datum van de verkoping; indien er daarna nog geen verband gepasseerd mocht zijn, zal het saldo van de koopsom, met interest erop, en het bedrag van de boete, indien aldus enige boete is opgelegd, terstond betaalbaar zijn en betaald moeten worden en in enig bevoegd gerechtshof zonder verdere kennisgeving opgevorderd kunnen worden, en indien niet binnen een maand na datum van de uitspraak betaald, zal de koop van nul en gener waarde worden en zullen reeds gedane betalingen aan de Regering vervallen.

De verbeteringen, op sommige van de percelen aangebracht, zullen door de koper, indien hij niet zelf de verbeteraar is, op de dag van de verkoping kontant moeten worden uitbetaald. Het bedrag in ieder geval te worden betaald zal zoveel zijn als in de hieronder volgende lijst tegen de respektieve stukken grond is vermeld.

De kaarten en koopkondities liggen ter inzage op het Departement van Landen te Pretoria en ten kantore van de Magistraat te Kenhardt.

In the case of Portuguese East Africa it has been arranged that in the cases of the commodities marked with an asterisk, such permits may be issued by the Union Agent at Lourenco Marques, the same procedure being in force as hitherto, that is, the importer in Portuguese East Africa will send a copy of his order to the Union Agent for the issue of a permit or certificate of recommendation, as the case may be. If the Union Agent considers the issue of an export permit is in order, he will issue such permit and forward it direct to the exporter, or if permit cannot be issued from Lourenco Marques the Union Agent will forward his recommendations direct to the exporter, who must procure an export permit from the Office of the Controller of Imports and Exports, Pretoria.

EXPORTS TO PLACES NOT ALREADY MENTIONED.

Export permits will be required for all goods except the undermentioned to any destination other than those already mentioned in this notice:—

Wines and spirits.
Tobacco.
Cigars and cigarettes.

GENERAL.

Exporters should bear in mind that certain import restrictions are still in force in other countries, and the desirability of ascertaining from prospective consignees whether importation licences have been obtained should not, therefore, be overlooked.

Applications for permits to export goods in respect of which permits may not be issued by Collectors of Customs, Chief Inspector of Explosives, or the Union Agent, should be made to the Controller of Imports and Exports, Pretoria, and exporters must clearly understand that this notice refers only to those goods over which the Controller of Imports and Exports has direct control, and does not in any way affect any instructions or regulations which may have been issued by the Commissioner of Customs in respect of those goods, the export of which is directly controlled by that officer.

The schedules herein published may be amended by additions or deletions at any time.

* NOTICE No. 244 OF 1919.

It is hereby notified for general information that the Board of Trade has decided to remove all restrictions on importation into the United Kingdom of goods which are exported from and are the produce or manufacture of the British Dominions, except in the case of—

R. W. FAIR,
Deputy-Controller of Imports and Exports.

Pretoria, 8th April, 1919.

In het geval van Portugees Oost-Afrika, is men overeengekomen dat, in de gevallen van de goederen gemerkt met een sterretje, zulke permitten uitgereikt mogen worden door de Unie-agent te Lourenco Marques, dezelfde procedure zijnde van kracht als tot hertoe, dat is, de invoerder in Portugees Oost-Afrika zal een kopie van zijn order naar de Unie-agent zenden voor de uitreiking van een permit of certificaat van aanbeveling naar het geval mocht zijn. Indien de Unie-agent van mening is dat de uitreiking van een uitvoerpermit in orde is, zal hij zodanig permit uitreiken en het direkt aan de uitvoerder zenden, of indien het permit niet uit Lourenco Marques uitgereikt kan worden, zal de Unie-agent zijn aanbevelingen de uitvoerder direkt toezenden, die een uitvoerpermit moet bekomen van het kantoor van de Kontroleur van Invoer en Uitvoer, Pretoria.

UITVOER NAAR PLAATSEN NOG NIET GENOEMD.

Uitvoerpermitten zijn benodigd voor alle goederen, behalve de ondergenoemde, naar enige andere plaats van bestemming dan de plaatsen alreeds in deze kennisgeving genoemd:—

Wijnen en spiritus.
Tabak.
Sigaren en sigaretten.

ALGEMEEN.

Uitvoerders dienen er aan te denken dat zekere beperkingen op invoer nog van kracht zijn in andere landen, en de wenselijkheid om van aanstaande geadresseerden te weten te komen of invoerlicenties verkregen zijn, behoorde derhalve niet uit het oog verloren te worden.

Applikaties voor permitten om goederen uit te voeren ten opzichte waarvan permitten niet uitgereikt mogen worden door de Doane-ontvangers, Hoofdingspektuur van Ontplofbare Stoffen, of de Unie-agent, behoorden gericht te worden aan de Kontroleur van Invoer en Uitvoer, Pretoria, en uitvoerders moeten duidelijk verstaan dat deze kennisgeving slechts verwijst naar de goederen waarover de Kontroleur van Uitvoer en Invoer direkte controle heeft en in geen geval betrekking heeft op enige instrukties of regulaties welke gegeven of afgekondigd mochten zijn, door de Kommissaris van Inkomende rechten ten opzichte van de goederen waarvan de uitvoer direkt door die ambtenaar gecontroleerd wordt.

De schedules hierin gepubliceerd mogen te eniger tijd gewijzigd worden door aanvullingen of weglatingen.

Deze herziende regulaties treden in werking met ingang van 1 April 1919, en verder wordt bekendgemaakt dat Goevernements Kennisgevingen Nos. 1682 van 1918 en 133 van 1919 hierbij ingetrokken worden.

R. W. FAIR,
Adjunkt Kontroleur van Invoer en Uitvoer.
