In the event of the Government being required, in terms of the Fencing Act, No. 17 of 1912, or any amendment thereof, to contribute towards the cost of fencing the boundaries, or any part thereof, of any of the holdings advertised in this notice, or to accept liability for the payment of such contribution prior to the allotment of the holding, the successful applicant shall, on allotment being made to him, assume liability for the payment of such contribution. The amount of such contribution shall be paid by the allottee to the Government in cash, or at the option of the allottee it may be added to the valuation of the holding, in which case the rental payments and instalments of purchase price shall be increased accordingly. The successful applicants for any of the holdings on which the boundaries or part thereof are fenced shall accept liability under the Fencing Act, 1912, for any amounts which may be claimed by adjoining owners in terms of the said Act.

A clause will be inserted in the leases which it is proposed to issue in respect of those holdings on which boreholes have been or may be sunk, giving the Government access to and the right to take water from the boreholes for drilling purposes for a period of five years from the dates of the leases.

In the event of an allottee making an application for a borehole to be sunk on his holding, and of such application being approved by the Minister of Lands, the cost of such borehole (exclusive of transport, fuel, and water, which must be borne by the allottee) will be added to the valuation of the holding and the half-yearly rentals and instalments of purchase price increased accordingly as from the date of the completion of the work.

In the event of boring operations being undertaken on any of the holdings contained in this notice before or after the date of allotment thereof, the cost of the boring operations will be added to the valuations of the holdings on which boreholes have been or may be completed, and the rentals and instalments of purchase price increased accordingly, from the date of completion of the borehole.

It will be a condition of lease that the successful applicant for any of the above holdings on which boreholes exist or may have been sunk previous to or after allotment will be held responsible as from the date of allotment or of completion of the work for the proper care and maintenance of the borehole or boreholes on his holding, and shall be liable for any damage caused thereto. He must, therefore, on no account raise water without proper pumping machinery. Inquiries as to the most suitable machinery to be utilized in connection with any borehole should be made to the Director of Irrigation, Pretoria, by the successful applicant before proceeding to erect pumping machinery.

The pumping test made by the Irrigation Department in connection with the borehole on Holding No. 9 was as reliable as possible, but the Government accepts no responsibility for any loss or damage that may be sustained by a lessee should, on a new or extended pumping test taking place, the water supply in the borehole be found to be less than that stated in this notice, or in the event of the other particulars given in respect of the borehole being found to be inaccurate.

General Remarks—

The lease to be issued will contain conditions relative to residence, improvements, fencing, minerals, outspans, roads, and such other conditions as are usually inserted in agricultural leases granted under the Land Settlement Act, No. 12 of 1912, as amended by the Land Settlement Act Amendment Act, No. 23 of 1917.

The rent paid during the lease period of five years is not deducted from the purchase price in the event of the option to purchase being exercised.

All rights to minerals, mineral products, mineral oils, metals, and precious stones are reserved to the Crown.

The Department has made every effort to render as accurate as possible the information given in this notice, but will not be responsible for any inaccuracies should such exist.

Applicants are recommended personally to inspect farms before formally applying therefor. In considering applications for holdings, Land Boards decline, as a rule, to recommend allotments to applicants who have failed to inspect personally or to have had inspected on their behalf, the holdings applied for. No railway or transport concessions are given by the Government in connection with the inspection of holdings.

After the expiry of this notice intending applicants should ascertain from the Department of Lands which holdings are still available before proceeding to inspect any of them.

Occupation can be granted immediately on allotment, unless other provision be made in the letter of allotment.

All applications must be submitted on the prescribed form, which, with copies of the regulations framed under the Act, in which appears a specimen copy of the lease to be issued, can be obtained from the magistrates of the districts in which the farms are situate, or from the Secretary of Lands, Pretoria.

The Department has a staff dealing specially with applications and inquiries for land, and prospective settlers desirous of obtaining information with regard to land settlement are advised to apply for such information direct to the Department of Lands, Union Buildings, Pretoria.

14. Veeplaats; bosrijk; tamelik gezond; geen bovengrondswater; geschikte plek voor een dam. Ligt ongeveer 150 mijl ten noorden van Potgietersrust.

Ingeval het Goevernement, overeenkomstig de Omheingswet, No. 17 van 1912, of enige wijziging daarvan, tot de kosten van de omheining van de grenslijnen, of enig deel daarvan, van de hoeven in deze kennisgeving geadverteerd, zou moeten bijdragen of voor de betaling van zodanige bijdragen de aansprakelikheid op zich zou moeten nemen vóór de uitgifte van de hoeve, dan zal de suksesvolle applikant bij de toekenning van een hoeve aan hem de aansprakelikheid voor de betaling van zodanige bijdragen aanvaarden. Het bedrag van zodanige bijdrage moet door de persoon aan wie de plaats wordt toegekend in kontanten aan het Goevernement worden betaald, of kan naar verkiezing van de persoon aan wie het eigendom is toegekend, worden gevoegd bij de waardering van de hoeve, in welk geval de bedragen van de huur en paaiementen van de koopprijs dienovereenkomstig zullen worden verhoogd. Geslaagde applikanten voor enige van de hoeven, waarvan de grenslijnen of gedeelten daarvan omheind zijn, zullen aansprakelikheid moeten aanvaarden, overeenkomstig de Omheiningswet van 1912, voor enige bedragen welke door de eigenaren van aanliggende eigendommen, krachtens die wet, geëist mogen worden.

In de huurkontrakten te worden uitgereikt in verband met hoeven waarop boorgaten zijn of mochten worden gezonken, zal voorziening gemaakt worden waardoor de Regering het recht hebben zal van toegang tot en het recht om voor boordoeleinden water te nemen uit de boorgaten voor een tijdperk van vijf jaren van af de datums van de huurkontrakten.

Indien de persoon aan wie een hoeve is toegewezen verzoekt, dat op zijn hoeve een boorgat moge worden gezonken en zodanige applikatie door de Minister van Landen wordt goedgekeurd, dan zullen de kosten van zodanig boorgat (behalve van transport, brandstof en water, welke door die persoon moeten worden betaald) gevoegd worden bij de koopprijs van de hoeve, en de halfjaarliks huurprijs en paaiementen op de koopprijs zullen dientengevolge verhoogd worden van af de datum van de voltooiing van het werk.

Ingeval boorwerkzaamheden ondernomen mochten worden op enige van de hoeven, in deze kennisgeving geadverteerd, vóór of na de datum van toekenning daarvan, dan zullen de kosten daarvan gevoegd worden bij de koopprijzen van de hoeven, waarop boorgaten zijn of mochten worden voltooid, en de huurprijzen en paaiementen op de koopprijzen zullen dientengevolge verhoogd worden van af datum van de voltooiing van de boorgaten.

Een voorwaarde van het huurkontrakt zal zijn, dat de suksesvolle applikant voor enige van de bovengenoemde hoeven waarop boorgaten bestaan of voor of na toekenning mochten gezonken zijn, met ingang van de datum van toekenning of voltooiing van het werk verantwoordelik zal worden gehouden voor de behoorlike oppassing en het onderhoud van het boorgat of de boorgaten op zijn hoeve en aansprakelik zal zijn voor enige schade daaraan veroorzaakt. Hij moet derhalve in geen geval zonder behoorlike pompmachines daaruit water nemen. Navraag, betreffende machinerie welke het meest geschikt is om te worden gebruikt in verband met enige van de boorgaten, behoort door de suksesvolle applikant bij de Direkteur van Irrigatie te Pretoria te worden gedaan alvorens tot de oprichting van enige pompmachinerie over te gaan.

De proef door het Irrigatie-departement met pompen genomen in verband met het boorgat op hoeve No. 9 was zo vertrouwbaar mogelik. Het Goevernement aanvaardt echter geen verantwoordelikheid voor enig verlies of schade, welke door een huurder mocht worden geleden, indien bij een nieuwe of uitgebreide pompproef het water in het boorgat mocht worden bevonden minder te bedragen dan in deze kennisgeving vermeld, of ingeval de andere biezonderheden aangaande het boorgat gegeven onjuist mochten blijken te zijn.

Algemene Opmerkingen—

Het uit te reiken huurkontrakt zal voorwaarden bevatten met betrekking tot de okkupatie, verbeteriingen, omheining, mineralen, uitspanningen, wegen en zulke andere voorwaarden als gewoonlik gesteld worden in landbouwhuurkontrakten uitgereikt onder de Kroongrond Nederzettings Wet, No. 12 van 1912, zoals gewijzigd door de Nederzettings Wet Wijzigingswet, No. 23 van 1917.

De huur, betaald gedurende het tijdperk van het huurkontrakt van vijf jaren, wordt niet van de koopprijs afgetrokken ingeval gebruik gemaakt wordt van de optie tot aankoop.

Alle rechten op mineralen, mineale produkten, minerale olieën, metalen en edelgesteenten zijn gereserveerd voor het Goevernement.

Het Departement heeft alle pogingen gedaan om de informatie in deze kennisgeving vervat zo juist mogelik te geven, maar zal niet verantwoordelik zijn voor onjuistheden, welke mochten voorkomen.

Applikanten worden aanbevolen plaatsen persoonlik te inspekteren alvorens formele applikatie daarvoor in te dienen. Bij de overweging van applikaties voor hoeven, zijn Landraden niet geneigd toekenningen aan te bevelen aan applikanten die verzuimd hebben persoonlik of door iemand anders ten hun behoeve, de hoeven waarvoor zij applikatie hebben gemaakt te inspekteren. Geen spoorweg- of ander transportkoncessies worden door de Regering in verband met de inspektie van hoeven toegestaan.

Na de datum, waarop deze kennisgeving afgelopen is, behoren applikanten eerst van het Departement van Landen te vernemen welke hoeven nog beschikbaar zijn, alvorens enigeen daarvan te gaan inspekteren.

Onmiddellik na toekenning kan okkupatie worden toegestaan, tenzij in de brief van toekenning anders wordt bepaald.

Alle applikaties moeten worden ingediend op de voorgeschreven vorm, welke te zamen met kopieën van de regulaties volgens de wet opgetrokken, waarin voorkomt een proefeksemplaar van het huurkontrakt dat zal worden uitgereikt, van de Landdrosten van de distrikten waarin de plaatsen gelegen zijn, of van de Sekretaris voor Landen, Pretoria, kunnen worden verkregen.

Het Departement heeft een staf die speciaal applikaties en navragen betrffende grond behandelt, en aanstaande settelaars die met betrekking tot landnederzetting informatie verlangen, worden aangeraden om zich met het verzoek om die informatie rechtstreeks te wenden tot het Departement van Landen, Uniegebouw, Pretoria.

JOHANNESBURG WINKELBEDIENDES LOONRAAD.

MINIMUM LOON.

Het volgende rapport van de Raad, aangesteld door Zijn Edelgestrenge de Minister van Mijnwezen en Nijverheid, krachtens Wet No. 29 van 1918, om de diensten en funkties uit te voeren, omschreven in artikel *negen* van de gemelde Wet, betreffende vrouwen en jeugdige personen, helpende in een winkel of stoor, waarin enige goederen, waren of koopwaren worden verkocht of in enige teekamer of restaurant, binnen de Witwatersrand Municipale grenzen, n.m. Johannesburg, Germiston, Boksburg, Benoni, Roodepoort-Maraisburg, Springs en Krugersdorp, wordt ter algemene informatie gepubliceerd.

RAPPORT VAN DE WITWATERSRAND WINKEL-ASSISTENTEN LOONRAAD.

I.—*Samenstelling en Procedure van de Raad.*

De Raad werd benoemd overeenkomstig Goevernements Kennisgeving No. 36 van 1919, krachtens artikel *zes* van de Wet tot Regeling van Lonen, Leerlingen en Ambachtsgezellen, 1918 (Wet No. 29 van 1918).

De funkties ervan zijn beperkt binnen de grenzen van de Witwatersrand Municipaliteiten, t.w. Johannesburg, Germiston, Boksburg, Benoni, Roodepoort-Maraisburg, Springs en Krugersdorp. Zij zijn ook beperkt tot de gespecificeerde bedrijven en beroepen voorgeschreven in klausule 1 van de bijlage van de wet, t.w. tot personen die "helpen in een winkel of stoor, waarin goederen, waren of koopwaren worden verkocht of in teekamer of restaurant."

De funkties, onder deze beperkingen, zijn:—

(*a*) Te overwegen alle daarnaar door de Minister verwezen aangelegenheden betreffende nijverheidstoestanden en verslag te doen [artikel *negen* (1)].

(*b*) Minimum lonen vast te stellen voor vrouwen en jeugdige personen [artikel *negen* (2)].

(*c*) De tussenruimten vast te stellen waarmede zulke loonsbetalingen van vrouwen en jeugdige personen zullen geschieden [artikel *negen* (2)].

(*d*) Minimum lonen voor leerlingen en ambachtsgezellen vast te stellen [artikels *vier* (1) en *negen* (2)].

(*e*) Een permit te verlenen in individuele gevallen van vrouwen en jeugdige personen ten aanzien van de betaling van een minimum loon [artikel *negen* (6)].

(*f*) De evenredigheid van leerlingen en ambachtsgezellen ten aanzien van het aantal geoefende werkers, vast te stellen [artikels *vier* (1) en *negen* (2)].

(*g*) to permit apprenticeships for a period of less than three years [section *four* (3) and section *nine* (2)];

(*h*) to vary or withdraw any minimum rate or proportionate number fixed by it [section *nine* (4)];

(*i*) to prosecute, as a private prosecutor, for any offence against the Act [section *nine* (5)];

(*j*) to inquire into complaints that any employer pays less than the fixed minimum rate of wages [section *nine* (5)];

2. The present report deals only with items (*b*), (*c*), (*d*), and (*f*); and only with those in respect of shop assistants, excluding employees in tearooms and restaurants.

3. The Board has held six meetings and has examined eight witnesses, including representatives of Chambers of Commerce, of the Transvaal Shop Assistants' Union, and of several women's associations. It has also collected information as to the rates of wages at present paid and as to the cost of board and lodging.

II.—*Rates of Minimum Wage.*

4. The Act appears to take for granted that any trades dealt with under it already possess a system of apprenticeship. If this assumption had been correct, the Act, as it stands, would include all grades of female employees. It covers—

(1) apprentices, i.e. females under indentures;

(2) improvers, i.e. females out of their indentures but not yet fully qualified; and

(3) women; which term would, in a properly organized trade, mean females who had gone through the stages mentioned above.

5. In fact, however, no such system is in use among shop assistants in this area; there are no apprentices or improvers in the sense in which those terms are defined by section *sixteen* of the Act; and, consequently, many of the women employed are not properly trained and qualified.

6. This seems to us a very unsatisfactory state of affairs and one which, we hope, will not persist. In no line of life can any person become efficient and earn full wages without a proper training. We propose, therefore, to begin by discussing the minimum rates which should, we consider, obtain if the trade were properly organized for training; and we adopt this course because we think that conclusions upon this point, though at present merely academic, will in the long run be of more permanent importance than the merely temporary expedients with which we shall subsequently deal.

7. The principle upon which the Board has founded all its conclusions is that the minimum wage for a properly qualified female assistant is the amount upon which a single woman, without dependents and without any resources beyond her own earnings, can live decently on the Rand.

8. Our reason for adopting this principle is that the human race, as a whole produces more than it consumes, as is evident from the steady increase of material wealth—except, possibly, in such periods of convulsion as the present war. It follows that the average individual does the same; but the proportion of his production to his consumption varies greatly at different periods of his life. For many years after his birth, he is wholly dependent upon others for his maintenance; then comes a period during which he contributes by his labour an increasing proportion towards that maintenance, until he becomes entirely self-supporting. He next attains a position where he cannot only support himself but can also support the preceding and succeeding generation. Finally, his powers decline and towards the end of his life, he again becomes dependent upon others.

9. It seems to us that the moment when the individual becomes just capable of self-support and no more may reasonably be held to coincide with the moment at which, having completed his technical training, he is admitted to be fully qualified at his trade.

10. The amount on which a single woman can live decently in this area we estimate at £15 per month. The details upon which this estimate is based will be found in Annexure A. [The figures represent the present current prices, and the amount, like all estimates based upon cost of living, will need to be revised from time to time as the latter varies. Such revisions are provided for in section *nine* (4) of the Act.] We therefore think that the minimum rate of wages for a qualified female assistant should be £15 per month.

11. By "qualified female assistant" we mean, primarily, a woman who has been through the accepted period of apprenticeship and improvership.

12. With regard to the wages of apprentices and improvers, we discard the principle of paying them enough to supply their needs because, in the ordinary course of nature, the immature cannot supply their own needs by their own labour: they must be dependent, though to a gradually decreasing extent, upon their parents. We have therefore provided a graduated scale rising from mere pocket-money at the beginning to almost full assistant's wages near the end. We may point out that this scale also corresponds approximately to the value to the employer of the employee's services: an improver who will have completed her training in a short time is worth very nearly full assistant's wages; while an apprentice just taken on is worth hardly anything. During the intermediate stages, she is gradually becoming more and more valuable; and probably the process is accelerated in the later stages.

13. Both the Johannesburg Chamber of Commerce and the Transvaal Shop Assistants' Union approve of three years' apprenticeship and one year's improvership. The Roodepoort Chamber agrees as to the apprenticeship, but suggests two years' improvership. Mr. R. N. Boyd, Shop Inspector for the West Rand, considers four years the proper period of training. The Act does not fix any period, nor has the Board any power to do so; this matter can only be settled by agreement between the

(*g*) Een leertijd toe te staan voor een tijdperk van minder dan drie jaar [artikels *vier* (3) en *negen* (2)].

(*h*) Enig minimum loon of evenredig aantal er door vastgesteld te wijzigen of te herroepen [artikel *negen* (4)].

(*i*) Te vervolgen als private vervolger wegens elke overtreding van deze wet [artikel *negen* (5)].

(*j*) Klachten te onderzoeken dat de door een werkgever betaalde lonen minder bedragen dan de vastgestelde minimum standaard [artikel *negen* (5)].

2. Dit rapport behandeld slechts artikels (*b*), (*c*), (*d*) en (*f*) en slechts die ten aanzien van winkelassistenten, uitsluitende werknemers in teekamers en restaurants.

3. De Raad heeft zes vergaderingen gehouden en heeft acht getuigen ondervraagd, insluitende vertegenwoordigers van de Kamer van Koophandel, van de Transvaalse Winkelassistenten Unie en van verschillende vrouwenverenigingen. Het heeft ook informatie ingewonnen ten aanzien van de tegenwoordige betaalde lonen en ten aanzien van de kosten van logies.

II.—*Minimum Loonschalen.*

4. De wet schijnt te veronderstellen dat enig bedrijf erin behandeld alreeds een leertijdstelsel bezit. Ware dit een juiste veronderstelling zou de wet, zoals hij staat, alle rangen van vrouwelike werknemers insluiten. Het sluit in—

(1) leerlingen, t.w. vrouwen onder kontrakt;

(2) ambachtsgezellen, t.w. vrouwen, die het kontrakt voltooid hebben doch nog niet geheel en al gekwalificeerd; en

(3) vrouwen, t.w. welke uitdrukking in een behoorlik georganiseerd bedrijf, zou bedoelen vrouwen die bovengemelde perioden hebben doorgemaakt.

5. Er is inderdaad echter binnen deze terreinen geen zodanig stelsel in gebruik ten aanzien van winkelassistenten, er zijn geen leerlingen of ambachtsgezellen in de zin, waarin die termen omschreven worden door artikel *zestien* van de wet en worden gevolgelik vele van de vrouwelike werknemers niet behoorlik opgeleid en gekwalificeerd.

6. Volgens onze opvatting schijnt dit een onbevredigende toestand en een welke, naar wij vertrouwen, niet zal blijven voortduren. Geen persoon kan in enige levensloop bekwaam worden en een vol loon verdienen zonder behoorlike opleiding. Wij stellen derhalve voor om te beginnen met het bespreken van minimum lonen, welke, naar onze mening, behoren te bestaan als het bedrijf behoorlik georganiseerd was voor opleiding; en we nemen deze richting aan omdat wij menen dat besluiten op dit punt, hoewel akademies voor het tegenwoordige, zij van meer blijvende aard en belang zullen zijn dan de slechts tijdelike hulpmiddelen welke later hierin behandeld zullen worden.

7. Het beginsel, waarop de Raad al zijn besluiten gebaseerd heeft is, dat een minimum loon voor een behoorlike gekwalificeerde vrouwelike assistent het bedrag is waarop een ongehuwde vrouw, zonder afhankeliken en zonder andere inkomsten dan haar eigen verdiensten, een behoorlik bestaan op de Witwatersrand kan maken.

8. De reden waarom dit principe aangenomen wordt is omdat het menselik geslacht, als een geheel meer produceert dan het verteert, zoals blijkt volgens de gestadige vermeerdering van materiale welvaart, wellicht behalve in tijden van omwentelingen, zoals gedurende de huidige oorlog. Het volgt dat de gemiddelde persoon hetzelfde doet: maar de verhouding tussen zijn opbrengst en vertering verschilt gedurende verschillende perioden van zijn leven. Voor vele jaren na zijn geboorte is hij voor zijn onderhoud geheel en al afhankelik van anderen; dan komt er een tijdperk gedurende welke hij door zijn arbeid een vermeerderende proportie ten aanzien van zulk onderhoud bijdraagt, totdat hij geheel en al zelfstandig wordt. Dan bereikt hij een toestand waarin hij niet alleen zichzelf maar ook het voorafgaand en nakomend geslacht kan onderhouden. Uiteindelik verminderen zijn krachten weer en tegen het eind van zijn leven wordt hij wederom van anderen afhankelik.

9. Het schijnt dat op het ogenblik wanneer 'n persoon juist bekwaam wordt zichzelf te onderhouden en niet meer, dat het redelik beschouwd kan worden overeen te stemmen met het tijdstip waarop, zijn techniese opleiding voltooid hebbende, hij erkend wordt behoorlik gekwalificeerd te zijn in zijn ambacht.

10. Het bedrag waarop een ongehuwde vrouw zich binnen deze grenzen behoorlik kan onderhouden beramen wij op £15 per maand. De biezonderheden van deze beraming zullen gevonden worden in Bijlage "A." (De cijfers weergeven de tegenwoordige prijzen en het bedrag, zoals alle beramingen gebaseerd op de levenskosten, zal van tijd tot tijd in herziening moeten genomen worden zoals deze veranderd. Voorziening wordt gemaakt in artikel *negen* (4) van de wet voor zulke herzieningen.) We menen dus dat het minimum loon voor 'n gekwalificeerde vrouwelike assistent zal moeten zijn £15 per maand.

11. Met "gekwalificeerde vrouwelike assistent" bedoelen wij, hoofdzakelik, een vrouw die het voorgeschreven tijdperk van leertijd en ambachtsgezel heeft doorgemaakt.

12. In het regelen van de lonen voor leerlingen en ambachtsgezellen, wordt van het beginsel afgeweken om ze genoeg te betalen in hun behoefte te voorzien, want in de gewone loop van omstandigheden, kunnen de onvolwassenen niet in hun eigen behoeften, door hun eigen arbeid, voorzien. Zij zijn van hun ouders afhankelik doch op een al langzamerhand afnemende mate. Voorziening wordt derhalve gemaakt voor een schaal trapsgewijze rijzende van slechts zakgeld in het begin tot bijna volle assistentslonen tegen het einde. We willen erop wijzen dat deze schaal ongeveer overeenkomt met de waarde van de diensten van de werknemer voor de werkgever; een ambachtsgezel die haar opleiding binnen een korte tijd zal voltooid hebben is bijna het volle loon van een assistente waard: terwijl een pas aangenomen leerling slechts weinig waard is. Zij wordt gedurende de achtereenvolgende perioden langzamerhand al meer en meer waardevol en wordt heel waarschijnlik haar ontwikkeling gedurende de laatste perioden bespoedigd.

13. De Johannesburg Kamer van Koophandel en de Transvaal Winkelassistenten Unie keuren beiden een driejarig leerling- en 'n éénjarig ambachtsgezelschap goed. De Roodepoort Kamer van Koophandel stemt in met de leertijd maar stelt voor 'n tweejarig ambachtsgezelschap. De heer R. N. Boyd, Inspekteur van Winkels voor de West Rand, meent dat vier jaar een behoorlike leertijd is. De wet bepaalt geen tijdperk, nog heeft de Raad de macht dit te doen; deze zaak kan alleen geschikt worden door

parties. As the Union and the largest body of employers are agreed upon three years' apprenticeship and one year's improvership, we shall assume, for the purposes of this report, that those periods will be put into effect. We therefore grade the scales in eight divisions of six months each, that being a reasonable interval between rises.

14. We propose to fix the following scale of minimum wages for apprentices and improvers:—

1st	6 months	6/30th	of full pay.
2nd	,,	8/30th	,,
3rd	,,	10/30th	,,
4th	,,	12/30th	,,
5th	,,	15/30th	,,
6th	,,	18/30th	,,
7th	,,	21/30th	,,
8th	,,	25/30th	,,

15. The above reasoning appears to us to show a sound basis upon which to fix minimum rates of wages for qualified assistants, improvers, and apprentices. The Board has, however, no authority to fix rates for qualified assistants; its mandate in this respect extends only to four classes:—

(1) Women;
(2) young persons;
(3) improvers;
(4) apprentices.

The last two classes have been dealt with above, and we now proceed to consider the first two.

16. The Act contains no definition of "woman": but as we have pointed out above, it was probably intended, when used in connection with a fully organized trade, to refer to a qualified assistant. That, however, is not expressed in the Act; and since, by section *eighteen*, a "young person" means any one under the age of eighteen, "woman" is presumably used for any female over that age.

17. The presumption on which we based the rates laid down above—that any woman who has been through a course of training is worth her keep—clearly does not apply to a woman who has undergone no training whatever. And that is, unfortunately, the position of a considerable number of woman employed in shops on the Witwatersrand. Many assistants have picked up their trade as best they could in the earlier years of their employment. In these circumstances, they have probably taken longer to learn it than if they had been regularly apprenticed and, if we take the above-mentioned period of four years as the proper length for a regular training, we may fairly assume that it will take at least five years to arrive at the same degree of proficiency under the present system.

18. Upon this assumption, women with five years' experience should be regarded as qualified assistants, and those with less as being in one of the stages of apprenticeship or improvership, according to their length of service; and we should like to lay down minimum rates of pay varying accordingly. Unfortunately, however, the Act—section *four* (2)—has only given us power to do this in respect of apprentices or improvers, not in respect of women or young persons; and therefore whatever rate we lay down as a minimum for women will apply to every women in the trade—see section *two* (1)—and the same principle applies to young persons.

19. In these circumstances it seems that, if we fix the rate for "women" at that which we consider suitable for a qualified assistant, the result will be that the juniors will either be paid much more than they are worth or be dismissed; probably, in practice, their numbers will be reduced and the pay of those retained will be increased, a result which does not appear to us either to be in accordance with justice or to be in the interest of the juniors themselves. If, on the other hand, we fix the rate at an amount which we consider to be a proper minimum for the least experienced "woman," i.e. that of an apprentice during her first period of service, there will be no result at all, as practically every woman is getting that or more already.

20. Although the Act and the particular circumstances of the trade with which we are dealing prevent us from laying down the scale which we should consider logical and reasonable, that fact does not appear to us to justify our doing nothing. The Act clearly contemplates that minimum rates should be fixed, and we think the best course in the circumstances is to resognize frankly that we are making an experiment of a somewhat dangerous character, and to fix in the first instance a minimum rate about half-way between that suitable for the youngest apprentice and that for the qualified assistant, with the avowed intention of increasing it at intervals of six months or a year until it reaches the minimum rate which we consider should be paid to qualified assistants. From this course we hope for two results:—

(1) That wages will be gradually pushed upwards without any violent dislocation of present conditions or wholesale discharges of assistants; and

(2) that new entrants to the trade will come in as apprentices and not as "women" without any definite status.

The first point explains itself; with regard to the second, as the cost of employing "women" increases, employers will be less and less inclined to take on unqualified girls at women's rates, and the new-comer, if she desires to enter the trade at all, will have to accept what is, in our opinion, her proper status, that of an apprentice.

21. A number of returns received from Chambers of Commerce and others show average salaries for women with three years' experience as follows:—

Johannesburg	£13	15	0
Krugersdorp	10	11	0
Roodepoort	9	18	0

overeenkomst tussen de betrokken partijen. Daar de Winkelassistenten Unie en de meerderheid van werkgevers overeengekomen zijn op een driejarige leertijd en 'n éénjarig ambachtsgezelschap, zullen we voor het doel van dit rapport, veronderstellen dat die perioden in praktijk gebracht zullen worden. We verdelen de schalen in acht verdelingen van zes maanden ieder, zijnde een redelike tussenruimte tussen verhogingen.

14. We stellen voor de volgende minimum lonen voor leerlingen en ambachtsgezellen vast te stellen:—

1ste	zes maanden	6/30ste	van volle betaling.
2de	,,	8/30ste	,, ,,
3de	,,	10/30ste	,, ,,
4de	,,	12/30ste	,, ,,
5de	,,	15/30ste	,, ,,
6de	,,	18/30ste	,, ,,
7de	,,	21/30ste	,, ,,
8ste	,,	25/30ste	,, ,,

15. De bovenstaande beredenering schijnt, onzes insziens, een gezonde basis waarop minimum lonen voor gekwalificeerde assistenten, ambachtsgezellen en leerlingen moeten worden vastgesteld. Deze Raad echter heeft niet de macht om lonen voor gekwalificeerde assistenten vast te stellen; de opdracht in dit opzicht strekt slechts uit over vier klassen:

(1) Vrouwen.
(2) Jeugdige personen.
(3) Ambachtsgezellen.
(4) Leerlingen.

Deze laatste twee groepen werden hierboven behandeld en zullen wij nu overgaan tot de behandeling van de twee eerstgenoemde groepen.

16. De wet bevat geen definitie van "vrouw," maar zoals wij hierboven aangeduid hebben werd het heel waarschijnlik bedoeld te refereren naar een gekwalificeerde assistent wanneer gebruikt in verband met een behoorlik georganiseerd bedrijf. Dat wordt echter niet in de wet verduidelikt en aangezien onder artikel *achttien* een "jong persoon" enigeen onder 18 jaar bedoelt, wordt "vrouw" waarschijnlik gebruikt voor enige vrouw boven die ouderdom.

17. De veronderstelling waarop wij de lonen vastgesteld hebben en zoals hierboven uiteengezet, nl. dat enige vrouw die een behoorlike opleiding ontvangen heeft haar onderhoud waard is, heeft klaarblijkelik geen betrekking op een vrouw die geen opleiding hoegenaamd ontvangen heeft. En dat is ongelikkig het geval met een aanzienlik aantal van vrouwelike werknemers in de winkels op de Witwatersrand. Vele werknemers hebben, zoals zij het best konden, hun ambacht geleerd in hun eerste dienstjaren. Onder deze omstandigheden hebben zij heel waarschijnlik langer genomen hun ambacht te leren dan wanneer zij een behoorlike leertijd hebben doorgemaakt, en indien wij de bovenaangehaalde periode van vier jaren nemen als de nodige leertijd voor geregelde opleiding, kunnen wij in redelikheid aannemen dat het, onder het tegenwoordige sisteem, minstens vijf jaar zou nemen dezelfde mate van bekwaamheid te bereiken.

18. Op deze veronderstelling moeten vrouwen met vijf jaar ondervinding beschouwd worden als gekwalificeerde assistenten en die met minder als zijnde in een van de leertijd perioden of ambachtsgezelschap naar gelang van hun diensttijd, en wij zouden gaarne minimum lonen dienovereenkomstig vaststellen. Ongelukkig echter heeft de wet, artikel *vier* (2), ons slechts macht gegeven dit te doen ten aanzien van leerlingen of ambachtsgezellen, en niet ten aanzien van vrouwen of jeugdige personen, en lonen die wij ook als minimum voor vrouwen zullen vaststellen, zullen derhalve betrekking hebben op elke vrouw in de handel, zie artikel *twee* (1) en hetzelfde beginsel sluit in jeugdige personen.

19. Onder deze omstandigheden schijnt het als wij het loon vaststellen voor "vrouwen," welke naar onze mening, geschikt zal zijn voor een gekwalificeerde assistent, het ten gevolge zal hebben dat de juniors òf meer betaald worden dan zij waard zijn òf ontslagen moeten worden; waarschijnlik zullen hun aantallen in praktijk verminderd worden en zal de betaling verhoogd worden van diegenen die aangehouden worden, een gevolg welk ons niet overeenkomstig toeschijnt met rechtvaardigheid, of in het belang van de juniors zelf. Indien, aan de andere hand, wij het loon vaststellen op een bedrag welk wij menen een behoorlik minimum te zijn voor de "vrouw" met de minste ondervinding, d.w.z. dat van een leerling, gedurende haar eerste diensttijd, zal er hoegenaamd geen resultaat zijn, daar feitelik iedere vrouw nu dat of reeds meer ontvangt.

20. Alhoewel de wet en de biezondere omstandigheden van het bedrijf waarmee wij te doen hebben ons verbieden een standaard, welke wij redelik en billik zouden beschouwen, neer te leggen, schijnt dit feit het niet te rechtvaardigen dat wij niets doen. De wet beoogt klaarblijkelik dat minimum lonen vastgesteld moeten worden en wij menen dat onder bestaande omstandigheden het beter is om ronduit te erkennen dat wij een proefneming van een ietwat gevaarlike aard maken en om voor het eerst een minimum loon zowat halfweg tussen dat geschikt voor de jongste leerling en dat voor een gekwalificeerde assistent vast te stellen, met de beweerde bedoeling om het bij tussenruimten van zes maanden of één jaar te verhogen totdat het minimum loon bereikt is welke wij van mening zijn aan gekwalificeerde assistenten betaald zou moeten worden. Van dit oogpunt beschouwd zien wij uit naar twee resultaten—

(1) dat lonen gestadiglik zullen stijgen zonder hevige wanorde van tegenwoordige toestanden of algemeen ontslag van werknemers; en

(2) dat pas aangestelden in het bedrijf aangenomen zullen worden als leerlingen en niet als "vrouwen," zonder enige bepaalde status.

Het eerste punt verklaart zichzelf; in verband met het tweede naar gelang de kosten van het employeren van "vrouwen" vermeerderen zullen werkgevers al minder geneigd zijn ongekwalificeerde meisjes aan te nemen tegen lonen aan vrouwen aangeboden, en de pas aangestelde, indien zij verlangd om in het bedrijf in te gaan, zal moeten aannemen wat, naar onze mening, haar behoorlike status is, nl. dat van een leerling.

21. Een aantal verslagen ontvangen van de Kamers van Koophandel en anderen tonen aan gemiddelde salarissen van vrouwen met driejarige ondervinding, als volgt:—

Johannesburg	£13	15	0
Krugersdorp	10	11	0
Roodepoort	9	18	0

while, out of 645 such women covered by the returns, 141 are receiving less than £8 per month. (These returns, not being complete, can only be treated as an indication, and they probably show an unduly favourable result, as it is natural that the worst-paying employers would be the most likely to fail to send in a return.)

22. We therefore propose, for the present, to fix the minimum wage for women at £8 per month.

23. In dealing with "young persons," the same considerations apply as in the case of women, with the additional fact that all persons of that age (under eighteen) and not merely, as in the case of "women," some of them, may reasonably be supposed to be in one of the stages of apprenticeship.

The returns show average salaries at present paid to young persons employed as follows:—

Johannesburg	£4 18 0
Krugersdorp	2 16 0

and, out of 128 cases, 35 receive less than £4 per month.

24. We therefore propose to fix the minimum wage for this class for the present at £4 per month.

25. Before leaving the subject of minimum rates of wages, we wish to point out that our main object is to raise the general average of

(*a*) wages;
(*b*) efficiency;

both of which we consider to be at present unnecessarily low. We desire to add that we are by no means confident as to how far our proposals will achieve these aims or, indeed, what results will follow from our action. The Act gives us the opportunity of revising our decisions at short intervals, and we propose to take full advantage of that opportunity to modify them in any direction that further experience may indicate.

III.—*Intervals of Payment.*

26. All the witnesses who have mentioned this subject have recommended monthly payments, and the others seem to be of the same opinion, as all their calculations and references are on a monthly basis. No one, however, seems to attach much importance to the matter, and we have learned that the custom of the trade in this respect is by no means uniform. Rather than cause unnecessary inconvenience to any section, we prefer, in the absence of complaints, to leave the matter open for the present.

IV.—*Respective Proportions of Assistants, Improvers, and Apprentices.*

27. The effect of fixing a definite proportion of apprentices and improvers to assistants must be either to increase the number of assistants, to decrease it, or to maintain it at its present level. In the absence of any evidence that there is at present either an excess or a deficiency of assistants, the natural course is to endeavour to maintain the supply.

28. In order to do this, it is necessary that the number of improvers qualifying annually as assistants shall be the same as the number of assistants annually giving up their occupations. If the total number of assistants employed at any one time is 100, and the number of years during which an assistant, on the average, continues that occupation is ten years, it is obvious that, on the average, ten of the assistants will retire every year. To express this proposition in a universal formula which will cover all cases—

$$x = \frac{a}{b}$$

where x is the annual number of gaps in the ranks of the assistants, a is the total number of assistants and b is the average number of years which an assistant carries on that occupation.

29. If a be taken as 100, x will be the percentage instead of the total number of assistants annually giving up the business; in other words 100 divided by b will give the percentage of gaps annually occurring in the ranks of the assistants. It follows that, until b becomes a known quantity, it is impossible to calculate the percentage of gaps which require to be filled.

30. Meanwhile, since the percentage of annual vacancies is expressed by $\frac{100}{b}$, the same formula will express the number of improvers to each 100 assistants who must annually qualify as assistants in order to fill those vacancies. As improvers only serve as such for one year, the number qualifying annually will be the total number in that stage, and therefore the same formula expresses the percentage of improvers to assistants required to keep the balance level.

31. Since apprentices have to serve three years, only one-third of the total number will annually mature into improvers, and in order to keep up the supply of improvers there must be three times as many apprentices as improvers, i.e. the percentage of improvers to assistants must be $\frac{300}{b}$.

32. Thus, in order to maintin the number of assistants at the present level, there must be, to every 100 assistants, $\frac{300}{b}$ apprentices and $\frac{100}{b}$ improvers. If ten years is the average period after qualification during which an assistant sticks to her trade, the proportion must be—

30 apprentices;
10 improvers;
100 assistants;

or 3, 1, 10, respectively. If the average period is 20 years, the proportions will be 3, 1, and 20; if it is 5 years, they will be 3, 1, and 5.

terwijl, van de 645 vrouwen, inbegrepen in de verslagen, 141 minder dan £8 per maand ontvangen. (Deze onvoltooide verslagen kunnen slechts als een vingerwijzing beschouwd worden en heel waarschijnlik tonen zij een ongewenst gunstig resultaat aan, daar het goed te verstaan is dat de slecht-betalende werkgevers vermoedelik diegenen zouden zijn die geen verslag zouden indienen.)

22. Wij stellen derhalve voor een minimum loon voor vrouwen, voor het tegenwoordige, tegen £8 per maand vast te stellen.

23. In het behandelen van "jeugdige personen," zijn dezelfde beweegredenen van toepassing als in het geval van vrouwen, met het additionele feit dat alle personen van die ouderdom (onder achttien) en niet alleen slechts enkelen zoals in het geval van "vrouwen" kunnen billikerwijze beschouwd worden als zijnde in een van de tijdperken van leerlingschap. De staten tonen aan gemiddelde salarissen betaald aan jeugdige personen als volgt:—

Johannesburg	£4 18 0
Krugersdorp	2 16 0

en van 128 gevallen ontvangen 35 minder dan £4 per maand.

24. Wij stellen voor het minimum loon voor dezen, voor het tegenwoordige, vast te stellen op £4 per maand.

25. Alvorens af te stappen van het onderwerp van minimum-lonen, wensen wij duidelik te maken dat ons hoofddoel is om de algemene gemiddelde

(*a*) lonen;
(*b*) bekwaamheid;

te verhogen, welke beiden naar onze mening op het ogenblik onnodig gering zijn. Wij verlangen erbij te voegen dat wij geenzins verzekerd zijn in hoeverre onze voorstellen dit doel zullen bereiken of inderdaad, wat de resultaten zullen zijn van onze handelwijze. De wet geeft ons de gelegenheid onze besluiten bij korte tussenruimten in herziening te nemen, en wij zijn van plan vol gebruik van die gelegenheid te maken ten einde ze te wijzigen naar gelang van ondervinding opgedaan.

III.—*Tussenruimten van Betalingen.*

26. Alle getuigen die dit onderwerp opbrachten, hebben maandelikse betaling aanbevolen, en de andere schijnen van dezelfde mening te zijn, daar al hun berekeningen en referentieën op een maandelikse basis zijn. Niemand schijnt echter veel waarde aan de zaak te hechten en wij hebben vernomen dat het handelsgebruik in dit opzicht geenszins gelijkmatig is. Liever dan onnodig ongerief aan enige sektie aan te doen verkiezen wij, in de afwezigheid van klachten, deze zaak voor het tegenwoordige over te laten staan.

IV.—*Respektievelike Evenredigheid van Assistenten, Ambachtsgezellen en Leerlingen.*

27. Het gevolg van het vaststellen van een bepaalde evenredigheid van leerlingen en ambachtsgezellen tegenover assistenten, zal of het aantal assistenten vermeerderen, verminderen of op gelijke voet staande houden. Bij gebrek van getuigenis dat er op het ogenblik of 'n overvloed van of 'n tekort aan assistenten is, is het natuurlike gevolg om te trachten de voorraad vol te houden.

28. Ten einde dit te kunnen doen, moet het aantal ambachtslieden dat jaarliks als assistenten kwalificeert hetzelfde zijn als het aantal assistenten dat jaarliks hun werk verlaat. Indien het aantal assistenten in het geheel te eniger tijd geëmployeerd 100 is en het aantal jaren gedurende welke een assistent, gemiddeld, in zodanig bedrijf blijft 10 jaar is, is het duidelik dat gemiddeld 10 assistenten gedurende elk jaar aftreden. Om dit voorstel in een algemene formule uit te drukken, welke alle gevallen zal insluiten is:—

$$x = \frac{a}{b}$$

waar x het jaarlikse aantal openingen in de gelederen van assistenten voorstelt, is a het gehele aantal van assistenten en b het gemiddeld aantal jaren gedurende welke een assistent in zulk bedrijf blijft werken.

29. Indien a 100 voorstelt, zal x het persent zijn in plaats van het gehele aantal van assistenten dat jaarliks aftreedt, met andere woorden zal 100 gedeeld door b het percentum geven van jaarlikse openingen in de gelederen van assistenten voorvallende. Het volgt dus dat totdat b een bekende hoeveelheid wordt het onmogelik is het percentum van openingen die gevuld moeten worden te berekenen.

30. Intussen, aangezien het percent van jaarlikse openingen door $\frac{100}{b}$ uitgedrukt wordt, zal dezelfde formule het aantal ambachtsgezellen weergeven, ten aanzien van elke 100 assistenten die jaarliks moeten kwalificeren als assistenten ten einde die openingen te vullen. Daar ambachtsgezellen slechts voor één jaar als zulks dienen zal het aantal dat jaarliks kwalificeerd het gehele aantal in dat jaar zijn, en derhalve drukt dezelfde formule het percent uit van ambachtsgezellen ten aanzien van assistenten die benodigd zijn het evenwicht te houden.

31. Daar leerlingen drie jaren moeten dienen, zal slechts één-derde van het gehele aantal jaarliks ambachtsgezellen worden, en ten einde het aantal ambachtsgezellen vol te houden, moeten er driemaal zoveel leerlingen als ambachtsgezellen zijn, t.w. het percentum van ambachtsgezellen tegenover assistenten moet $\frac{300}{b}$ zijn.

32. Ten einde het aantal assistenten op gelijke voet staande te houden moet er ten aanzien van elke 100 assistenten $\frac{300}{b}$ leerlingen en $\frac{100}{b}$ ambachtsgezellen zijn. Indien 10 jaar het gemiddeld tijdperk is, na kwalifikatie, gedurende welke een assistent in haar bedrijf blijft werken, moet de evenredigheid zijn—

30 leerlingen;
10 ambachtsgezellen;
100 assistenten;

of 3, 1, 10 respektievelik. Indien het gemiddeld tijdperk 20 jaar is, zal de evenredigheid zijn 3, 1 en 20; indien het 5 jaar is zal het zijn 3, 1 en 5.

33. In other words, in order to preserve the present number of assistants, there must be three apprentices to every improver; and to every improver there must be the same number of assistants as the number of years which the average assistant serves.

34. Since the question is thus shown to be purely a mathematical one, it is unnecessary to discuss the various suggestions made in evidence, none of which were based upon such calculations.

35. We have been unable to find any line of inquiry which would enable us to discover the number of years which the average assistant serves, and we are therefore unable to state the true proportions required. Since, however, under the Act, the Board has no power to compel any apprentices or improvers to be employed—it can only fix the number who "may" lawfully be employed, i.e. the maximum number—and since we are informed that different classes of stores employ different proportions of assistants and learners, so that the excess of learners in one store makes up for the deficiency in another store, we think that we should, until we have obtained more precise knowledge, err upon the side of freedom. We therefore propose for the present to fix the proportion of apprentices and improvers to skilled workers at 1 to 1. We do this, not because we believe that such a proportion is required in order to maintain the supply of skilled workers, but because we think that many firms will not employ enough learners to fill the ranks of their own assistants, and it is therefore necessary that other firms shall be at liberty to employ more than their own requirements should demand. Here, again, we desire to make it quite clear that for lack of data we are only making a tentative experiment, which we fully expect to have to revise after a little experience. In case of such a revision we shall, of course, give reasonable notice before it takes effect.

36. In conclusion, we desire again to draw attention to the omission from the Act of any provision under which Wages Boards can prescribe scales of payment, varying with age and experience, in the case of women and young persons. We consider this omission a grave defect in the Act, more especially in the case of young persons, who should, in our opinion, be remunerated upon a sliding scale.

ANNEXURE "A."

	Per annum.
Board and lodging	£96
Dress	48
Tram fares	9
Washing	6
Doctor, dentist, etc.	5
Sundries	16
	£180 or £15 p. m.

With reference to the above figures, we wish to direct attention to the fact that it is a minimum, not an average, wage for a newly qualified assistant who has just ceased to be an improver. As explained in paragraph 9 of the report, we consider that a girl in that position (who will be about nineteen or twenty years of age) ought to be able to provide herself with the necessaries and the decencies of life, but we have made no allowance for luxuries. These she must either get from her parents or do without for a year or two until she has qualified herself to earn more than the bare minimum.

On the other hand we have not taken into consideration the various perquisites which, in fact, the employees of the better firms do get—free cups of tea, the privilege of buying the firm's goods at specially cheap rates, commission on certain lines, etc. So far as we can learn the firms which grant these privileges will not be likely to withdraw them in consequence of the increase of minimum rates; they consider that good relations with their staffs are more important than the amount which they would save by cutting off these advantages. But the assistants whom it is imperative to protect are not those employed by firms of this class, it is, in the main, the smaller and cheaper firms which underpay their assistants. Even if the result of fixing a minimum wage were to injure, to some small extent, the employees of the better firms, the loss would be more than compensated by the levelling up of the position of the employees of the inferior firms.

It has been suggested that a legally fixed minimum rate will in fact become also a maximum rate. Whether this suggestion is or is not correct, we have not before us sufficient evidence to express an opinion. Besides, that is not our business; presumably the Legislature, before passing the Act, considered objections of this class. We are not asked to say whether or not a minimum wage ought to be prescribed, but, after that question has been answered by Parliament in the affirmative, what such a minimum wage should be.

* NOTICE No. 582 OF 1919.

WITWATERSRAND SHOP ASSISTANTS WAGES BOARD.

It is hereby notified for general information that the above Board proposes, in terms of section *nine* (2) of Act No. 29 of 1918, to fix minimum wages as follows in respect of apprentices, improvers, young persons, and women assisting in a shop or store in which any goods, wares, or merchandise are sold:—

33. Met andere woorden, ten einde het huidig aantal assistenten te behouden moeten er drie leerlingen ten aanzien van elke ambachtsgezel zijn en ten aanzien van elke ambachtsgezel moet er hetzelfde aantal assistenten zijn als het aantal jaren welke de gemiddelde assistent dient.

34. Aangezien het vraagstuk zuiver wiskundig is, wordt het overbodig geacht de verschillende voorstellen in de getuigenis vervat, gene waarvan op zulke berekeningen berusten, te bespreken.

35. Wij waren niet in staat een onderzoekgedragslijn in te slaan ons in staat stellende het aantal jaren welke de gemiddelde assistent dient uit te vinden en wij zijn derhalve niet in het vermogen de juiste evenredigheid voor het tegenwoordige te geven. Aangezien de Raad onder de wet echter geen macht heeft dwang uit te oefenen leerlingen of ambachtsgezellen in dienst te nemen—het kan slechts het aantal, die wettiglik geëmployeerd "mogen" worden, vaststellen, t.w. het maximum aantal; en aangezien wij vernomen hebben dat verschillende klassen van winkels, een verschillende evenredigheid van assistenten en leerlingen employeren, zodat de overvloed in één winkel het tekort in een andere winkel vergoed, denken wij dat het beter is om over te hellen aan de kant van te veel vrijheid, totdat wij meer kennis hebben opgedaan. Wij stellen voor het tegenwoordige derhalve voor de verhouding van leerlingen en ambachtsgezellen ten aanzien van geoefende werkers te bepalen op 1 tot 1. Wij doen dit, niet omdat wij geloven dat zulk een verhouding nodig is ten einde de voorraad geoefende werkers te handhaven maar omdat wij menen dat vele firma's niet genoeg leerlingen in dienst zullen nemen ten einde de rangen van hun eigen assistenten op te vullen en het is nodig dat andere firma's het recht zullen hebben meer in dienst te nemen dan hun eigen behoeften vereisen. Hier verlangen wij ook duidelik te maken dat wegens gebrek aan gegevens, wij slechts een provisionele proef nemen, welke wij in herziening verwachten te nemen na opgedane ondervinding. In geval van zodanige herziening zullen wij natuurlik redelike kennis geven voordat zulks in werking treedt.

36. Ten slotte wensen wij andermaal aandacht te bepalen op de uitlating in de wet van enige voorziening onder welke Loonraden loonschalen kunnen voorschrijven, afwisselende met ouderdom en ondervinding in het geval van vrouwen en jeugdige personen. Wij beschouwen deze uitlating een ernstig gebrek in de wet, vooral in het geval van jeugdige personen, die, naar onze mening, op een trapsgewijze rijzende schaal betaald moeten worden.

BIJLAGE "A."

	Per annum.
Kost en inwoning	£96
Kleding	48
Tremgeld	9
Wassen	6
Dokter, tandarts, enz.	5
Diversen	16
	£180 of £15 p. m.

In verband met bovenstaande cijfers wordt de aandacht bepaald op het feit dat het een minimum niet een gemiddeld loon is voor een pas gekwalificeerde assistent die juist opgehouden heeft een ambachtsgezel te zijn. Zoals in paragraaf 9 van het rapport duidelik gemaakt menen wij dat een meisje in die positie (die ongeveer 19 of 20 jaar oud zal zijn) zichzelf behoort te kunnen voorzien van de behoorlike benodigdheden des levens, maar wij hebben geen voorziening gemaakt voor weeldeartikelen. Deze moet zij of van haar ouders krijgen of voor 'n jaar of twee zonder doen totdat zij zich kwalificeert om meer dan het minimum loon te verdienen.

Aan de andere hand hebben wij niet in overweging genomen de verschillende voorrechten welke de werknemers van de betere firma's ontvangen—vrije kopjes tee, het voorrecht de waren van de firma tegen speciale goedkope tarieven te kopen, kommissie op zekere waren, enz. Zover wij kunnen uitvinden zullen de firma's die deze voorrechten geven ze waarschijnlik niet terug trekken als een gevolg van het verhogen van minimum lonen. Zij zijn van mening dat een goede onderlinge verstandhouding tussen hen van veel meer betekenis is dan het bedrag dat zij zouden sparen als deze voorrechten ontnomen werden. Maar de assistenten die het meest belangrijk zijn te beschermen zijn niet diegenen die door deze firma's geëmployeerd worden, het zijn hoofdzakelik de kleinere en goedkope firma's die hun assistenten te min betalen. Al zou het bepalen van een minimum loon in een kleine mate ten gevolge hebben de werknemers in de betere firma's te benadelen, zou het verlies meer dan vergoed zijn door het op gelijke voet stellen van de werknemers van de kleine firma's.

Het werd voorgesteld dat een wettig bepaald minimum loon inderdaad ook het maximum loon zal worden. Wij hebben niet genoeg getuigenis om onze opinie uit te spreken of deze uiting juist of onjuist is. Buitendien, treft ons deze zaak niet, heel waarschijnlik heeft de Wetgevende Macht, voordat deze wet gepasseerd werd, de bezwaren van deze klas in overweging genomen. Wij werden niet gevraagd te zeggen of een minimum loon zou moeten vastgesteld worden, maar, na deze vraag bevestigend door het Parlement beantwoord werd, wat het minimum loon behoort te zijn.

* KENNISGEVING No. 582 VAN 1919.

WITWATERSRAND WINKELBEDIENDES LONENRAAD.

Ter algemene informatie wordt hiermede kennis gegeven dat bovengenoemde Raad, overeenkomstig de termen van artikel *negen* (2) van Wet No. 29 van 1918, voorstelt minimum lonen als volgt vast te stellen ten aanzien van leerlingen, ambachtsgezellen, jonge lieden en vrouwen die in een winkel behulpzaam zijn waarin goederen, waren en koopwaren verkocht worden:—

1. *Apprentices and Improvers*—
   First six months, £3 per month.
   Second six months, £4 per month.
   Third six months, £5 per month.
   Fourth six months, £6 per month.
   Fifth six months, £7. 10s. per month.
   Sixth six months, £9 per month.
   Seventh six months, £10. 10s. per month.
   Eighth six months, £12. 10s. per month.
2. *Young Persons*—
   £4 per month.
3. *Women*—
   £8 per month.

It is further notified that the Board proposes, in terms of section *four* (1) of the same Act, to fix the proportion of apprentices and improvers to skilled workers employed by any employer in that occupation as *one* to *one*.

It is further notified that any objections to the above proposals must be addressed to the Secretary of the Board, Room 50, New Law Courts, Johannesburg, on or before the 13th day of October, 1919. Failing any objections, the proposals will take effect on the day following the last-mentioned date.

NOTICE TO SHAREHOLDERS OF EXTRAORDINARY GENERAL MEETINGS.

Notice is hereby given that an Extraordinary General Meeting of Shareholders in the above-named Company will be held in the Board-room, First Floor, Jeppe Arcade, Commissioner Street, Johannesburg, on Thursday, the 20th day of November, 1919, at 11 o'clock in the forenoon, for the purpose of considering and, if thought fit, passing the following resolutions, with or without modifications, viz.:—

1. That it is expedient to effect an amalgamation of this Company with the SOUTH AFRICAN TOWNSHIPS, MINING, AND FINANCE CORPORATION, LIMITED, and that with a view thereto this Company be wound up voluntarily.

2. A resolution appointing the Liquidators and fixing their remuneration.

3. That the draft agreement submitted to this Meeting and expressed to be made between this Company and its Liquidators of the one part, and the South African Townships, Mining, and Finance Corporation, Limited, of the other part, be and the same is hereby approved, and the said Liquidators be and they are hereby authorized, pursuant to Section 166 of the Companies Act, 1909, Transvaal, to enter into an agreement in terms of the said draft, with such modifications (if any) as they think expedient, and to carry the same into effect.

The principal provisions of the draft agreement are:—

(1) That the Purchasing Company shall acquire the undertaking and assets (with the exceptions after mentioned) of the Selling Company as at 30th June, 1919, and shall assume the liabilities of the Selling Company as at the same date.

(2) The issued capital of this Company being £649,631 in fully paid shares of £1 each, the consideration for the aforegoing is 319,831 new shares in the Purchasing Company of the nominal value of £1 each, to be created and issued as fully paid up.

From the assets to be taken over are to be excluded 1500 shares in the South African Townships, Mining, and Finance Corporation, Limited, held by the Selling Company, which, together with the said 319,831 new shares (in all 321,331 shares), shall be distributed among the Shareholders in this Company (who together hold 642,661 shares) other than the South African Townships, Mining, and Finance Corporation, Limited (which itself holds 6970 shares in this Company), i.e. on the basis of one share in the Purchasing Company for each two shares in the Selling Company previously held.

(3) The Purchasing Company is to surrender for cancellation its said holding of 6970 shares in the Selling Company and is to receive no share in any distribution in the liquidation of the Selling Company.

(4) As this Company is the holder of 75,179 shares of 5s. each in the Rhodesia and Union Farms and Mines, Ltd. (which Company's undertaking the Purchasing Company proposes to acquire simultaneously with but independently of this sale, on the basis of one £1 share for every ten shares of 5s. each in the Rhodesia and Union Farms and Mines, Ltd.), this Company will receive 7518 shares in the Purchasing Company in lieu of its said holding of 75,179 shares in Rhodesia and Union Farms and Mines, Ltd., should that sale become effective, and in that event such 7518 shares in the Purchasing Company shall also be excluded from the present purchase, and shall be retained by this Company for distribution among its Shareholders, other than the Purchasing Company, and the purchase consideration shall be reduced by the same amount to 312,313 shares.

(5) As the Purchasing Company contemplates sub-dividing each of its £1 shares into two shares of 10s. each, provision is made that, should such sub-division be resolved on, equivalent numbers of 10s. shares in the Purchasing Company will be substituted for the numbers of consideration shares mentioned above.

(6) As regards the proportion of the shares in the Purchasing Company, which but for the dissent of such members would have been distributable among and claimable by those members who shall effectively dissent from the special resolutions in accordance with the provisions of Section 166 of the Companies Act, 1909, Transvaal, the Liquidators shall use their best endeavours to sell the same for what they will fetch, and the proceeds of the sale thereof, after deducting all expenses of and incidental to the sale, shall be payable to such dissentient members in accordance with the aforesaid section of the said Act, and in so far as the same shall be deficient the Purchasing Company shall make up the deficiency.

(7) The Liquidators shall be at liberty to retain out of the assets agreed to be sold:—

(*a*) All expenses of and incidental to the liquidation, including their remuneration.

(*b*) A sufficient sum for the purpose of satisfying the claims of any members who shall effectively dissent as aforesaid.

(8) Any shares in the Purchasing Company representing fractions arising in the distribution among Shareholders of this Company shall be disposed of by the Liquidators on the Johannesburg Stock Exchange, and the net proceeds thereof distributed among the Shareholders in this Company entitled thereto in their proper proportion.

And notice is also hereby given that a further Extraordinary General Meeting of Shareholders in the Company will be held at the same place on Friday, the 12th day of December, 1919, at 11 o'clock in the forenoon, for the purpose of receiving a report of the proceedings of the above-mentioned Meeting, and of confirming, if thought fit, as special resolutions, in terms of the said Act, the above-mentioned resolutions.

The Share Transfer Books of the Company will be closed from the 10th day of November, 1919, to the 12th day of December, 1919, both inclusive.

Proxies may be sent to the London Office of the Company, Palmerston House, Old Board Street, London, E.C., and will be forwarded by them to the Head Office by the next mail following on their receipt. In view, however, of the irregularity of the mails, Shareholders are advised to post their proxies immediately, as the Company can accept no responsibility for delays.

ADVERTISEMENTS.

and of confirming, if thought fit, as special resolutions all or any of the resolutions passed at the first Meeting.

The principal provisions of the draft agreement referred to in the resolutions above set out are:—

(1) That the South African Townships, Mining, and Finance Corporation, Limited (herein after referred to as "the Purchasing Company"), shall acquire the undertaking and assets of the South African Gold Mines, Limited (herein after referred to as "the Selling Company"), as at the 30th of June, 1919, with the exception of certain 13,905 shares in the Purchasing Company held by the Selling Company, and with the other exceptions after mentioned.

(2) The consideration to be paid by the Purchasing Company is:—
  (*a*) The assumption of the liabilities of the Selling Company as at the 30th June, 1919.
  (*b*) The allotment to the Selling Company or its Liquidators of 57,103 new shares in the Purchasing Company of the nominal value of £1 each, to be created and issued as fully paid up.
  (*c*) The surrender for cancellation to the Selling Company or its Liquidators of 37,308 shares in the Selling Company held by the Purchasing Company, upon and in respect of which shares the Purchasing Company shall not be entitled to any distribution in the liquidation of the Selling Company.

(3) Inasmuch as it is in contemplation to sub-divide each share in the Purchasing Company into two shares of 10s. each, which sub-division may be completed prior to the completion of this sale, it is stipulated that 114,206 shares of 10s. each in the Purchasing Company may be substituted for the 57,103 shares of £1 each, should such sub-division take place.

(4) Any shares in the Purchasing Company representing fractions arising in distribution amongst Shareholders, shall be disposed of by the Liquidators on the Johannesburg Stock Exchange, and the net proceeds distributed among the Shareholders of the Selling Company entitled thereto in their proper proportion.

(5) As regards the proportion of shares in the Purchasing Company, which, but for the dissent of such members, would have been distributable among and claimable by those members of the Selling Company who shall effectually dissent from the said resolutions in accordance with the provisions of Section 166 of the Companies Act, 1900 (Transvaal), the Liquidators shall use their best endeavours to sell the same for what they will fetch, and the proceeds thereof, after deducting all expenses of and incidental to the sale, shall be payable to such dissentient members, in accordance with the aforesaid section of the said Act, and in so far as the same shall be deficient the Purchasing Company shall make up the deficiency.

(6) The Liquidators shall be at liberty to retain out of the assets agreed to be sold:—
  (*a*) All expenses of and incidental to the liquidation of the Selling Company, including their remuneration.
  (*b*) A sufficient sum for the purpose of satisfying the claims of any members of the Selling Company who shall effectually dissent as aforesaid.

(7) The 57,103 new shares in the Purchasing Company to be allotted and issued to the Selling Company, together with the 13,905 shares in the Purchasing Company which have been excluded from the sale (together making a total of 71,008 shares in the Purchasing Company of £1 each, or their equivalent, 142,016 shares of 10s. each), shall be distributed among the members of the Selling Company (other than the Purchasing Company) in the proportion as near as may be, of a £1 share in the Purchasing Company for each two shares in the Selling Company, or one 10s. share in the Purchasing Company for each one share in the Selling Company.

(8) Inasmuch as the Selling Company are the holders of 57,900 shares of £1 each in African Farms, Limited, which Company's undertaking the Purchasing Company proposes to acquire simultaneously with but independently of this sale, on the basis of a £1 share for every two shares in the African Farms, Limited; and inasmuch as if the acquisition by the Purchasing Company of the assets of African Farms, Limited, becomes effective, the Selling Company will receive from the Liquidators of African Farms, Limited, 28,950 shares of £1 each, or 57,900 shares of 10s. each, in the Purchasing Company, it is agreed that in that event such 28,950 shares of £1 each (or 57,900 shares of 10s. each) shall also be excluded from this sale and shall be retained by the Selling Company for distribution among its Shareholders (other than the Purchasing Company), and the purchase consideration aforementioned shall be reduced by the said number of shares so retained.
