Notice is hereby given that a Special General Meeting of the above-named Company will be held in the Board-room, Second Floor, The Corner House, Johannesburg, on Wednesday, the 28th of January, 1920, at 11 o'clock in the forenoon, or so soon afterwards as the Nineteenth Ordinary General Meeting of Shareholders shall be concluded, when the subjoined resolutions will be moved:—

(1) That the capital of the Company be increased to three hundred and fifty thousand pounds (£350,000) by the creation of one hundred and forty thousand (140,000) shares of one pound (£1) sterling each.

(2) As an extraordinary resolution:—

That the Articles of Association be altered in manner following:—

(a) That the words "with the sanction of the Company in General Meeting" occurring in Article 118 be deleted and that the following words be added to the Article:—

"Dividends or bonuses may be paid wholly or in part by the distribution of specific assets, and in particular of paid up shares, debentures or debenture stock of the Company or paid up shares, debentures or debenture stock of any other Company or in any one or more of such ways; and where any difficulty arises in regard to the distribution the Directors may settle the same as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any members upon the footing of the value so fixed, in order to adjust the rights of all parties and may vest any such specific assets in Trustees upon trusts for the persons entitled to the dividend as may seem expedient to the Directors. Where requisite, a proper contract shall be filed in accordance with Section 86 of the Companies Act (Transvaal) of 1909, and the Directors may appoint any person to sign such contract on behalf of the persons entitled to the dividend, and such appointment shall be effective."

"The payment of dividends may be subject to the deduction of Income Tax or any other tax or duty for the time being in force."

(b) The following Article shall be substituted for Article 120, viz.:—

120. "The Directors may before recommending any dividend or paying any interim dividend as aforesaid, set aside out of the profits of the Company such sums as they think proper as a reserve fund to meet contingencies, or for special dividends, or for the payment of a bonus, or for equalizing dividends or for repairing, improving, and maintaining any of the property of the Company, and for such other purposes as the Directors shall in their absolute discretion think conducive to the interests of the Company; and the Directors may invest the several sums so set aside upon such investments as they may think fit, and may from time to time deal with

and vary such investments, and dispose of all or any part thereof for the benefit of the Company, and may divide the reserve fund into such special funds as they think fit with full power to employ the assets constituting the reserve fund in the business of the Company, and that without being bound to keep the same separate from the other assets."

(c) The following Article shall be inserted after Article 120, viz.:—

"120a. Notwithstanding anything to the contrary in these presents herein before contained the Directors may in the year 1920 pass a resolution that it is desirable to capitalize the sum of one hundred and forty thousand pounds (£140,000) being part of the undivided profits of the Company standing to the credit of 'Funds Transferred from Appropriation Account' in the Balance-sheet of the Company as at 31st August, 1919, and distribute that sum as a bonus amongst the shareholders registered in the Books of the Company at the close of business on the 28th day of February, 1920, in proportion to the shares held by them respectively and to distribute in like proportions the one hundred and forty thousand (140,000) unissued shares (resulting from the recent resolution of the Company to increase the capital to that extent) to such registered shareholders."

"When such resolution has been passed the Directors may allot and issue the 140,000 unissued shares credited as fully paid up to the shareholders registered in the Books of the Company at the close of business on the 28th day of February, 1920, in satisfaction of the said bonus and in proportion to the shares held by them respectively, and the Directors may settle any difficulty arising from fractions of shares as they think expedient."

"The Directors may further hereafter at any time similarly capitalize the whole or any portion of the Company's undivided profits, distribute the same as a bonus amongst the shareholders and distribute amongst them unissued shares in satisfaction of such bonus in the same manner as provided in the last preceding sub-section with regard to the said sum of £140,000."

And notice is hereby also given that a further Special General Meeting of the Company will be held in the Board-room, Second Floor, The Corner House, Johannesburg, on Thursday, the 19th day of February, 1920, at 11 o'clock in the forenoon, for the purpose of receiving a report of the proceedings at the above-mentioned Special General Meeting, and of confirming, if thought fit, as a special resolution the above-mentioned extraordinary resolution.
