The lot will be put up for lease at the upset rent fixed, and the highest bidder who shall have offered not less than such upset rent shall be declared the lessee for any term not less than one year and not exceeding five years.

The following are general conditions of all such leases:—

1. One year's rent shall be paid to the Resident Magistrate on the day of sale, and if the term of the lease shall exceed one year the due payment in advance of the rent for the subsequent year or years shall be secured by approved sureties, provided that the Resident Magistrate may receive two years' rent in advance, in which case the security shall not be required.

2. The Government reserves the right of terminating the lease, should it be thought expedient to sell the land or other circumstances render it necessary or expedient at any time, at six months' notice; and in such case the proportion of paid rent for any unexpired portion of the current year shall be refunded to the lessee.

3. Government land surveyors employed in the survey of Crown or other lands, with their assistants and servants, shall have the right of access at any time to any part of the land leased for professional purposes, and the right of occupying any part of the land and grazing and watering their cattle or horses on all pastures and at all waters.

4. The right of searching and mining for ores, metals, minerals, or precious stones is reserved to the Government or to any person authorized by it.

5. The land is subject to such further rights as the public or the Government may now or may hereafter have or be entitled to obtain under or by virtue of any law relating to the prospecting, digging, mining, or exploitation of minerals, mineral products, mineral oils, precious stones, precious or base minerals, on or under the land hereby leased.

6. The Government does not undertake to point out any beacons. The description of each lot will be given on the day of sale of the leases, and the lessee will thereupon be expected to find the extent leased by him.

7. The lessee shall not be at liberty to cut down timber, trees, underwood, or brushwood, except such as shall be reasonably necessary for his own use and for the beneficial occupation of the land, in and upon the land leased by him.

8. The lessee shall not, under any circumstances be entitled at the expiration or other termination of his lease to any compensation for improvements made during the term of the lease, but they shall become the property of the Government.

9. The lessee shall be required to keep all existing improvements on the land in good repair during the lease, and to deliver up the same in good repair, but shall not be entitled to any compensation for the same.

12. The Government reserves to itself the right to limit the number of persons who may reside on the land hereby leased during the subsistence of the lease, and upon the recommendation of the Divisional Council, after due inquiry made with cognizance of the lessee, either to remove such numbers of persons as it may consider excessive or to cancel the lease as may seem to it equitable under the circumstances.

2. De Regering behoudt zich het recht voor om, bij opzegging van zes maanden vooruit, het huurkontraat te beëindigen, indien het wenselijk mocht worden geacht de grond te verkopen of andere omstandigheden het te eniger tijd nodig of wenselijk mochten maken; en in dat geval zal de huur betaald voor een nog niet afgelopen deel van het lopende jaar aan de huurder worden terugbetaald.

7. De huurder zal op de door hem gehuurde grond geen hout, bomen of kreupelhout mogen okkappen, behalve zoveel als redelijkerwijs nodig mocht zijn voor zijn eigen gebruik en om de grond op voordelige wijze te okkuperen.

8. De huurder zal onder geen omstandigheden, bij afloop of anderszins beëindiging van het huurkontraat, aanspraak hebben op enige vergoeding voor verbeteringen aangebracht gedurende de huurtijd, maar deze zullen het eigendom van de Regering worden.
