No. 1371.] [26 Augustus 1921.

Overeenkomstig artikel *twee* van Wet No. 15 van 1887, zoals gewijzigd bij artikels *vier*, *vijf* en *zes* van Wet No. 40 van 1895, wordt hiermede kennis gegeven, dat het volgend perceel Kroonland bij publieke veiling te koop zal worden aangeboden voor het kantoor van de Magistraat van Van Rhynsdorp, op Woensdag, 26 Oktober 1921, 's morgens om 10 uur, onderworpen aan de voorwaarden en bepalingen in bovengenoemde wet en in de algemene koopvoorwaarden uiteengezet, en verder aan zulke voorwaarden als op de verkoopdag mogen worden vermeld.

Het perceel zal te koop worden aangeboden tegen de inzetprijs als vastgesteld, en de meestbiedende, die niet minder geboden zal hebben dan die inzetprijs, zal de koper verklaard worden, en zodanige koper zal de koopsom naar verkiezing geheel of gedeeltelik op de verkoopdag kunnen betalen. Met dien verstande—

(i) dat, indien geen betaling geschiedt op de verkoopdag, één-tiende van de koopprijs betaald moet worden binnen zes maanden en één-tiende binnen twaalf maanden, te worden gerekend van af de verkoopdag;

(ii) that if less than one-tenth of the purchase price be paid on the day of sale the balance of such one-tenth shall be paid at the expiration of six months and the remaining one-tenth at the expiration of twelve months from the day of sale;

(iii) that if the amount paid on the day of sale be one-tenth or any sum between one-tenth and one-fifth of the purchase price, the balance of one-fifth of the purchase price shall be paid at the expiration of twelve months from the day of sale.

Interest on the instalments above mentioned shall be paid at the rate of 4 per centum per annum; and the payment of the instalments, together with the interest thereon, shall be secured on the day of sale by two good and sufficient sureties to the satisfaction of the Magistrate, which sureties will bind themselves in regard to such payment as sureties *in solidum* and co-principal debtors, renouncing the exceptions of excussion and division.

If the purchaser or his sureties fail or are unable to make the necessary payment of purchase money as above within the stipulated time, it shall be competent for the Government to cancel the sale, and all payments already made in respect of such sale shall be forfeited to the Government.

The expenses of survey, etc., on each lot and of the title-deed (viz., 12s. 3d.) and Deeds Office Registration fee (viz., 5s.) shall be paid to the Magistrate or other duly authorized person in that behalf on the day of sale.

The purchaser shall be bound to pass a mortgage bond, bearing interest at the rate of 4 per centum per annum, in favour of the Government for four-fifths of the purchase price, unless he shall have paid on the day of sale more than one-fifth thereof, in which case the amount of the bond shall be for the balance of the purchase price, the purchaser having the right to pay off the bond, or any portion thereof not being less than fifty pounds, at any time.

If the purchaser be desirous of holding the balance of the purchase money on mortgage, as above, he will be required to pass the bond within thirteen (13) calendar months from the day of sale, failing which a fine of one shilling will be imposed for every day allowed to pass beyond it up to eighteen months from the date of sale, after which, should such failure still continue, the balance of the purchase money, with interest thereon, and the amount of fine, if any, so imposed, shall forthwith become due and payable, and shall be recoverable in any competent court of law without further notice, and if not paid within one month after the date of judgment the sale shall become null and void, and payments already made shall be forfeited to the Government.

The lot will be offered for sale subject to the following special conditions, viz.:—

1. That all rights to minerals, mineral products, mineral oils, and precious stones, precious or base minerals, on or under the land hereby sold are expressly reserved to the Crown, together with the right of access to any mines or works undertaken for mining or prospecting purposes by any person duly authorized in that behalf. The land is subject to such further rights as the public or the Government now may or may hereafter have or be entitled to obtain under or by virtue of any law relating to the prospecting, digging, mining, or exploitation of minerals, mineral products, mineral oils, precious stones, precious or base minerals, on or under the land hereby sold, which right shall not be impaired or in any way affected by the title-deed.

2. That the Trigonometrical Station on this land shall be protected and preserved by the purchaser and his successors, that neither it nor any other point within a radius of 50 yards be adopted at any time as a corner point of any sub-division of the land, and that the provisions of Act No. 12 of 1887, having reference to the inspection, maintenance, and repair of trigonometrical beacons, shall apply to this land.

3. That the historic caves situated on the land shall be protected and preserved by the purchaser and his successors, and that persons holding a permit from the Magistrate of the Division, shall at all reasonable times, have the right of free access to the caves.
