by the said Department for the purpose; provided, however, that fruit which by special arrangement is conveyed in a separate chamber may be shipped although it has not been in cold storage the number of hours prescribed, and that the time spent by fruit sent for export in refrigerator cars may count as portion of the forty-eight hours.

(*c*) Pine fruits shall be delivered for inspection not less than twenty-eight hours prior to the sailing of the vessel by which the exporter intends such fruit to be shipped.

Rome Beauty.	Statesman.	Delicious.
Missouri Pippin.	Wemmers Hoek (late bloomer).	Jonathan.

Jumble or Face Packing will not be allowed, and the fruit should be packed in tiers on the diagonal system where possible, with a definite number of apples in each tier. On account of varying shapes of apples, straight and offset packs are sometimes more suitable than the diagonal pack. Charts for instruction in packing will be issued by the Department if possible before the coming season.

(*b*) Vruchten in partikuliere goedgekeurde koelkamers aan de haven van verscheping geplaatst, zullen in zodanige koelkamers door de inspekteur onderzocht worden, op voorwaarde dat door de uitvoerder of zijn agent daarvan acht en veertig uur van te voren aan de Inspekteur kennis gegeven wordt. Aldus opgeborgen vruchten zullen in koelwagens naar de haven vervoerd worden.

12. De volgende zullen de graden voor de genoemde vruchten zijn. Wegens inkrimping wordt aanbevolen dat de uitvoerders bij het verpakken alle vruchten een-achtste van een duim groter zullen graderen dan de genoemde afmetingen.

(*a*) *Appels.*

(1) "*Ekstra Uitgezocht.*"—De appels moeten bestaan uit goed gegroeide, behoorlik verpakte monsters van één soort, van gelijke afmeting en van goede soortkleur, gaaf, vrij van brand, wormgaten, kneuzingen, hagelmerken en andere kwetsingen, hun voorkomen benadelende.

(2) "*Uitgezocht.*"—De appels moeten in alle opzichten gelijk zijn aan "Ekstra Uitgezocht," maar mogen een weinig minderwaardig dan die graad zijn, wat betreft kleur, gelijkvormigheid en afwezigheid van brand of hagelmerken, en andere kneuzingen die hun voorkomen benadelen.

(3) "*Goed.*"—De appels moeten redelik gaaf zijn, behoorlik verpakt, van gelijke afmeting, maar niet van zo goede kwaliteit of zo vrij van brand of andere beschadigingen, welke hun voorkomen benadelen.

De appels moeten zodanig verpakt worden dat ze de volgende standaardhoeveelheden bevatten:—

96–120	afmeting 3 duim.
125–163	afmeting 2¾ duim.
175–200	afmeting 2½ duim.
213–225	afmeting 2¼ duim.

Dooreen Pakken zal niet toegelaten worden en de vruchten moeten, waar mogelik, in overdwarse lagen verpakt worden, met een bepaald aantal appels in iedere laag. Wegens de afwisselende vorm van appels is rij-verpakking met kleine afwijkingen soms doelmatiger dan overdwarse verpakking. Kaarten met aanwijzingen omtrent verpakking zullen zo mogelik voor het aanstaande seizoen door het Departement uitgegeven worden.

The Department has made every effort to render as accurate as possible the information given in this notice, but will not be responsible for any inaccuracies should such exist.

Applicants are recommended personally to inspect the holdings before formally applying therefor. In considering applications for holdings, Land Boards decline, as a rule, to recommend allotments to applicants who have failed to inspect personally or to have had inspected on their behalf the holdings applied for. No railway or transport concessions are given by the Government in connection with the inspection of holdings.

Occupation can be granted immediately upon allotment, unless other provision be made in the letter of allotment.

All applications must be submitted on the prescribed form, which can be obtained from the magistrates of the districts in which the holdings are situate; the Secretary for Lands, Pretoria; the Secretary to the Land Board, Supreme Court Buildings, Queen Victoria Street, Capetown; and the Surveyor-General, Pietermaritzburg.

The Department has a staff dealing specially with applications and inquiries for land, and prospective settlers desirous of obtaining information with regard to land settlement are advised to apply for such information direct to the Department of Lands, Union Buildings, Pretoria.

op zich zou moeten nemen vóór de registratie van het huurkontrakt, dan zal de suksesvolle applikant bij de toekening van een hoeve aan hem de aansprakelikheid voor de betaling van zodanige bijdragen aanvaarden. Het bedrag van zodanige bijdragen moet door de persoon aan wie de plaats wordt toegekend in kontanten aan het Goevernement worden betaald, of kan naar verkiezing van de persoon aan wie het eigendom is toegekend, worden gevoegd bij de waardering van de hoeve, in welk geval de bedragen van de huur en paaiementen van de koopprijs dienovereenkomstig zullen worden verhoogd. Geslaagde applikanten voor enige van de hoeven waarvan de grenslijnen of gedeelten daarvan omheind zijn, zullen aansprakelikheid moeten aanvaarden, overeenkomstige de Omheiningswet van 1912, voor enige bedragen welke door de eigenaren van aanliggende eigendommen, krachtens die wet, geëist mogen worden.

In de huurkontrakten die men van plan is uit te geven ten aanzien van de hoeven waarop boorgaten zijn gezonken of gezonken mogen worden zal een klausule worden opgenomen het Goevernement het recht van toegang verlenende tot en het recht om water te nemen uit de boorgaten voor boordoeleinden, gedurende een termijn van vijf jaren van af de datum van de huurkontrakten.

Een voorwaarde van het huurkontrakt zal zijn, dat de suksesvolle applikant voor enige van de bovengenoemde hoeven waarop boorgaten bestaan of vóór of na toekenning mochten gezonken worden met ingang van de datum van toekenning of van voltooiing van het werk, verantwoordelik zal worden gehouden voor de behoorlike oppassing en het onderhoud van het boorgat of de boorgaten op zijn hoeve en aansprakelik zal zijn voor enige schade daaraan veroorzaakt. Hij moet derhalve in geen geval zonder behoorlike pompmachines daaruit water nemen. Navraag, betreffende de machinerie welke het meest geschikt is om te worden gebruikt in verband met enige van de boorgaten, behoort door de suksesvolle applikant bij de Direkteur van Irrigatie, te Pretoria, te worden gedaan alvorens tot de oprichting van enige pompmachinerie over te gaan.

De proef door het Irrigatie-departement met pompen genomen in verband met de boorgaten in deze kennisgeving vermeld was zo vertrouwbaar mogelik. Het Goevernement aanvaardt echter geen verantwoordelikheid voor enig verlies of schade, welke door een huurder mocht worden geleden indien bij een nieuwe of uitgebreide pompproef het water in het boorgat mocht worden bevonden minder te bedragen dan in deze kennisgeving vermeld, of ingeval er andere biezonderheden aangaande het boorgat gegeven onjuist mochten blijken te zijn.

In het geval van ongelukken aan personen of vee overkomen tengevolge van het bestaan van schachten, tunnels en andere omstandigheden, ontstaande uit prospekteer- en mijnwerkzaamheden, ondernomen vóór de datum van het huurkontrakt, zal de huurder niet gerechtigd zijn tot vergoeding van het Goevernement of de prospektor of claimhouder.

Algemene Opmerkingen—

Het uit te reiken huurkontrakt zal voorwaarden bevatten met betrekking tot okkupatie, verbeteringen, omheining, mineralen, uitspanningen, wegen en zulke andere voorwaarden als gewoonlik gesteld worden in landbouw-huurkontrakten, uitgereikt onder de Kroongrond Nederzettingswet, No. 12 van 1912, zoals gewijzigd door Wetten Nos. 23 van 1917, 28 van 1920 en 21 van 1922.

In het voorgestelde huurkontrakt en de daarop volgende Kroongrondbrief in verband met de hoeven zal speciale voorziening gemaakt worden waardoor—

(*a*) de Regering het recht hebben zal om tegen betaling van schadevergoeding enige hoeve of enig gedeelte daarvan terug te nemen, indien voor publieke doeleinden of een uitspanning benodigd;

(*b*) aanwezige paden en doorgangen vrij en onbelemmerd zullen blijven, hetzij op de kaart aangegeven of niet, en de huurder van enige hoeve gehouden zal zijn noodzakelike paden naar en van de grond van aangrenzende of naburige eigenaren toe te laten;

(*c*) de eksploitatie van mineralen geregeld zal worden;

(*d*) trekpadfaciliteiten worden verstrekt waar zulks nodig is. *behalve in het geval van Hoeve No. 5.*

De huur, betaald gedurende het tijdperk van het huurkontrakt van vijf jaren, wordt niet van de koopprijs afgetrokken ingeval gebruik gemaakt wordt van de optie tot aankoop.

Alle rechten op mineralen, minerale produkten, minerale olieën, metalen en edelgesteenten zijn gereserveerd voor het Goevernement.

Het Departement heeft alle pogingen gedaan om de informatie in deze kennisgeving vervat, zo juist mogelik te geven, maar zal niet verantwoordelik zijn voor onjuistheden, welke mochten voorkomen.

Applikanten worden aanbevolen de hoeven persoonlik te inspekteren, alvorens formele applikatie daarvoor in te dienen. Bij de overweging van applikaties voor hoeven zijn Landraden niet geneigd toekenningen aan te bevelen aan applikanten die verzuimd hebben persoonlik of door iemand anders ten hun behoeve, de hoeven waarvoor zij applikatie hebben gemaakt te inspekteren. Geen spoorweg- of andere transportkoncessies worden door de Regering in verband met de inspektie van hoeven toegestaan.

Onmiddellik na toekenning kan okkupatie worden toegestaan, tenzij in de brief van toekenning anders wordt bepaald.

Alle applikaties moeten worden ingediend op de voorgeschreven vorm, welke van de magistraten van de distrikten waarin de hoeven gelegen zijn; de Sekretaris voor Landen, Pretoria; de Sekretaris van de Landraad, Hooggerechtshof-gebouw, Queen Victoriastraat, Kaapstad, en de Landmeter-generaal, Pietermaritzburg, kunnen worden verkregen.

Het Departement heeft een staf die speciaal applikaties en navragen betreffende grond behandelt en aanstaande settelaars die met betrekking tot landnederzetting informatie verlangen, worden aangeraden om zich met het verzoek om die informatie rechtstrecks te wenden tot het Departement van Landen, Unie-gebouw, Pretoria.

DEPARTMENT OF DEFENCE.

The following Government Notice is published for general information.

Chief of the General Staff and Secretary for Defence.
Department of Defence, Pretoria.

✱ No. 1826.] [9th November, 1923.

REGULATIONS FOR THE SOUTH AFRICAN PERMANENT FORCE.

His Royal Highness the Governor-General-in-Council has been pleased, under the provisions of section *one hundred and sixteen* of the South Africa Defence Act, 1912, to make regulations for the South African Permanent Force, as set forth in the annexures hereto, viz.:—Chapters VIII, X, XI, XII, and XIV.

REGULATIONS FOR THE S.A. PERMANENT FORCE.

CHAPTER VIII.—GENERAL AND BARRACK DUTIES, MOVEMENT OF TROOPS, AND ADMISSION TO DEFENCE WORKS.

General Duties.

1. An officer entrusted with public money will keep such a record of his cash transactions as may be required by the regulations and instructions, and the book in which this is kept will be retained under lock and key in the officer's own custody. Every officer charged with making payments will either make them himself or see that they are made in his presence; he is personally responsible for any sum of money he may entrust to subordinates.

Any officer or other person in charge of public stores of any kind is strictly forbidden to lend any article under his charge for any purpose not sanctioned by property authority.

2. A subaltern officer is responsible to his squadron, etc., commander or immediate senior, and a warrant or non-commissioned officer is responsible to his officer. A senior officer is responsible in turn to his C.O., and the latter to the proper military authority. This chain of responsibility will be strictly enforced. Subaltern officers on joining will provide themselves with a nominal roll of their charge, and will make themselves acquainted as soon as possible with the disposition, character, age, and service of each of their men.

3. When a soldier is sentenced to penal servitude, imprisonment, or detention, on the expiration of which he will not rejoin his unit, he will be informed that the military authorities are not responsible for the custody of any private property he may possess. Facilities will be given to him for making private arrangements for the custody or disposal of his property, including regimental necessaries not sent with him to prison or detention barrack; should he, however, decline or fail to make private arrangements prior to quitting his unit or corps, any articles then remaining in military charge will be sold by auction, in the same manner as the effects of deserters.

4. Paragraph 3 will not apply to deserters, whose property will be dealt with in accordance with paragraphs 102-104, Chapter V, Pay and Allowances.

Daily Duties.

5. The hours for "Reveille," "Retreat," and "Tattoo" will be: "Reveille," varying from 05.00 hrs. in summer to 06.30 hrs. in winter; "Retreat" at sunset; "Tattoo" ("last post") at 22.00 hrs., unless otherwise specially ordered.

6. Between tattoo and reveille no call will be sounded except "lights out" (which will be sounded a quarter of an hour after "last post") and the "alarm," "fire-alarm," or other signal for troops to turn out. On the "alarm" being sounded all troops will turn out under arms.

7. The field officer of the day will be present at garrison guard mounting and will visit all such guards by day and night; these duties will be performed mounted, unless otherwise ordered. He will take command of the piquets in case of fire, riot, or alarm. When the guards dismount the reports of their commanders will be forwarded by the field officer to the O.C. the station, together with his own report.

8. In a small garrison a captain will do the duty of field officer of the day in the same manner in all respects as a field officer, except that his being mounted may be dispensed with. When the guards are numerous or widely distributed, a captain as well as a field officer of the day may be detailed, and the former may be directed to perform a portion of the field officer's duties.

REGULASIES VIR DIE SUIDAFRIKAANSE STAANDE MAG.

Dit het Sy Koninklike Hoogheid die Goewerneur-generaal-in-Rade behaag om kragtens die bepalinge van artiekel *honderd-en-sestien* van die Suidafrika Verdedigingswet, 1912, regulasies vir die Suidafrikaanse Staande Mag vas te stel soos vervat in die bygaande hoofstukke VIII, X, XI, XII en XIV:—

REGULASIES VIR DIE SUIDAFRIKAANSE STAANDE MAG.

HOOFSTUK VIII.—ALGEMENE- EN KASERNEDIENSTE, VERPLASING VAN TROEPE EN TOEGANG TOT VERDEDIGINGSWERKE.

Algemene Dienste.

1. 'n Offisier aan wie Staatsgeld toevertrou is, moet die aantekening van sy kas hou wat die regulasies en instruksies van hom vorder en die boek waarin hy die aantekening maak moet in sy eie bewaring agter slot gehou word. Elke offisier wat met uitbetaling belas is, moet self elke uitbetaling doen of sorg dat dit in sy teenwoordigheid gedoen word; hy is persoonlik verantwoordelik vir elke som geld wat hy aan 'n ondergeskikte toevertrou.

Elke offisier of ander persoon wat goewermentsgoedere van watter soort ook in sy sorg het, word streng verbied om 'n artiekel wat in sy sorg is uit te leen vir enige doel wat nie deur bevoegde gesag goedgekeur is nie.

2. 'n Luitenant is verantwoordelik aan sy eskadrons-, ens., bevelvoerder of onmiddellike senior en 'n adjudant-onderoffisier of onderoffisier is verantwoordelik aan sy offisier. 'n Senior offisier is weer verantwoordelik aan sy B.O. en laasgenoemde aan die bevoegde militêre outoriteit. Hierdie volgorde van verantwoordelikheid moet streng toegepas word. Luitenants moet by aansluiting sorg dat hulle in besit kom van 'n naamlys van die manne onder hul bevel en moet hulle so gou as moontlik bekend stel met die geaardheid, karakter en diens van elkeen van hul manskappe.

3. As 'n soldaat tot dwangarbeid, tronkstraf of detensie veroordeel is, by afloop waarvan hy nie weer by sy eenheid sal aansluit nie, moet aan hom meegedeel word dat die militêre owerheid nie vir die private eiendom wat hy besit verantwoordelik is nie. Geleentheid moet aan hom gegee word om private reëlinge te maak vir die bewaring of ander beskikking van sy eiendom, met inbegrip van resjimentsbenodighede wat nie saam met hom na die tronk of detensiekaserne gestuur is nie; maar as hy weier of versuim om private reëlinge te maak voor hy sy eenheid of korps verlaat, moet sy goed wat daar agterbly by veiling verkoop word op dieselfde manier as die persoonlike goedere van deserteurs.

4. Paragraaf 3 is nie van toepassing op deserteurs nie; met hulle eiendom word gehandel volgens die bepalinge van paragrawe 102-104, Hoofstuk V, Soldy en Toelaes.

Daelikse Diens.

5. Die tyd van môre- en aandsienjaal en taptoe is: "Môresienjaal" 05.00 uur in die somer en 06.30 uur in die winter; "Aandsienjaal" met sonsondergang; "Laaste Taptoe" om 22.00 uur, tensy spesiaal anders gelas.

6. Tussen die "taptoe" en die "Môresienjaal" word geen beuelsienjaal geblaas nie, behalwe "ligte uit" ('n halfuur na die laaste taptoe) en die "alarm," brandalarm of ander sienjaal om die troepe op te roep. As die "alarm" geblaas word moet alle troepe in die geweer kom.

7. Die hoofoffisier van diens moet aanwesig wees by die opstelling van garnisoenswagte en moet al hierdie wagte oordag en in die nag besoek; hierdie diens moet te perd uitgevoer word tensy anders gelas. Hy moet in geval van brand, oproer of alarm die bevel oor die brandpiket of binnewagte op hom neem. Na terugtrekking van die wagte, moet die hoofoffisier hul rapporte saam met sy eie rapport aan die O. in B. van die standplaas stuur.

8. By 'n klein garnisoen moet 'n kaptein die diens van hoofoffisier van diens doen in alle opsigte op dieselfde manier as 'n hoofoffisier, behalwe dat dit nie juis nodig is dat hy te perd moet wees nie. As daar baie wagte is of as hulle ver versprei is, kan 'n kaptein benewens 'n hoofoffisier van diens aangesê en eersgenoemde dan gelas word om 'n gedeelte van die hoofoffisier se pligte uit te voer.

9. An orderly officer will be detailed daily in each unit to superintend regimental duties.

10. Soldiers will be warned personally for all duties, etc., and daily orders shall be posted in a suitable place in the quarters of each squadron, etc., or read to troops on parade.

Guards and Piquets.

11. An O.C. a station will be responsible that the number of garrison and regimental guards and piquets is the lowest possible, and they will be replaced, wherever possible, by a system of police. Guards and piquets will mount at the hours the O.C. the station may deem best suited to the climate and season. All guards and armed parties, before going on duty, will be inspected by the adjutant or some officer of their unit.

12. The commander will visit his sentries at least twice by day and twice by night to ascertain that they are alert on their posts and acquainted with their orders and understand their application, and, in addition, he will send a non-commissioned officer with a file of men to perform the same duty at frequent and uncertain intervals.

13. Every guard will turn out at the commencement of the reveille, retreat, and tattoo sounding. The commander will then carefully inspect it.

14. Sentries will, when practicable, be relieved every two hours; but at night, in cold or inclement weather, they may, at the discretion of the C.O., be relieved every hour.

15. A sentry furnished by a stable guard will mount with or without arms, at the discretion of the C.O.

16. A commander will, in addition to rendering his guard report, also send an immediate report to the field officer or captain of the day of any unusual occurrence on or near his guard.

17. A patrol or piquet detailed to assist the civil authorities, or to quell a disturbance in which soldiers are concerned, will be armed and provided with ammunition, and when employed in the actual suppression of disturbances will be under the command of an officer. A regimental piquet or patrol employed in the apprehension of soldiers may be sent out with side arms only.

Barrack Duties.

18. The C.O. unit or corps, under the direction of superior authority, will be responsible for the care, cleanliness, and sanitation of barracks, enclosures, and Government ground placed in his charge.

19. A squadron, etc., commander will, when practicable, attend all inspections of his own barrack-rooms and stables; an officer of the S.A.M.C. will attend that of the hospital; and a veterinary officer at the veterinary hospital. These officers will attest by their signatures in the notebook of the officer making the inspection the list of damages or losses to be assessed in their respective departments, or object on the spot to any charge against which they wish to appeal. The officer i/c barracks will also initial the notebook of the regimental officer. When bedding and furniture, with regard to which questions of damages may arise, are returned to the barrack store, a regimental officer will attend.

20. The receipt of periodical and marching-out inspection reports will be immediately acknowledged by a C.O. by letter to the officer from whom they are received. A C.O. will then forthwith give written notice to the officer i/c barracks of the items against which he intends to appeal. The officer i/c barracks will furnish full particulars of all damages or losses to the Q.M.G.

21. The amount of damages or losses assessed against troops at any inspection of barracks will be charged, as far as possible, against individuals. All accounts not traceable to individuals will be a general charge and shared among the troops. The amounts assessed against each company, etc., will be published in regimental orders.

22. A charge will not be made against the troops for washing rooms or passages unless neglect is apparent, or the building has been left in a dirty state. Such cases should be immediately reported by the C.O. to the O.C. troops.

23. A N.C.O. in charge of a room will bring to notice at once any losses or damages so that responsibility may be fixed upon the individuals liable. Cases are rare in which it is proper to make a general charge for bedding lost or damaged.

24. Occupants of married quarters will be directly responsible for any loss of, or damage to, furniture or fixtures in such quarters, and a report of the loss or damage must be brought to the notice of the C.O. immediately. On receipt of that information, or in the case of loss or damage disclosed in the course of his own inspections, the C.O. will at once take such action in order that recovery of the amount involved may be effected from the occupant without delay.

Regimental Inspections.

25. During the first week of every month the O.C. the troops occupying a barrack, or an officer deputed by him, will make an inspection of the buildings, stores, and bedding in possession of the troops. He will note repairs to be made, and stores to be replaced. This inspection will be unnecessary in any month in which the periodical inspection is made by the officer i/c barracks and an officer of the S.A.E.C. After these monthly inspections the C.O. will forward an indent for articles to be replaced or exchanged.

Medical Inspections.

26. An officer of the S.A.M.C. is to inspect the whole of the barracks, including the married quarters, at least once a month. He will note in his sanitary diary any defects in cleanliness or sanitation; and will pass the diary to the C.O. concerned, who, after recording in it the action taken, will return it to such officer.

9. 'n Offisier van diens moet elke dag in iedere eenheid aangesê word om toesig te hou oor die resjimentsdienste.

10. Soldate moet persoonlik vir alle dienste, ens., aangesê word en dagorders moet op 'n geskikte plek in die kwartiere van elke eskadron, ens., opgeplak, of aan die troepe op parade voorgelees word.

Wagte en Binnewagte.

11. Die O. in B. van 'n standplaas moet sorg dat die getal garnisoens- en resjimentswagte so klein is as moontlik en hulle moet, waar moontlik, vervang word deur 'n poliesiestelsel. Wagte en binnewagte kom op diens op die ure wat die O. in B. van die standplaas die geskikste reken vir die klimaat en die jaargety. Alle wagte en gewapende afdelings moet, voor op diens te gaan, geïnspekteer word deur die adjudant of 'n offisier van hul eenheid.

12. Die bevelvoerder moet sy skildwagte ten minste tweemaal in die dag en tweemaal in die nag besoek om te sien of hulle waaksaam op hul poste is, bekend is met hul orders en die toepassing daarvan verstaan. Ook moet hy 'n onderoffisier met twee man stuur om kort-kort met onbepaalde tussenpose dieselfde diens te doen.

13. Elke wag moet uitstaan by die begin van die "Môresienjaal," die "Aandsienjaal" en die "Taptoe" en word dan sorgvuldig geïnspekteer deur die bevelvoerder.

14. Skildwagte moet as dit doenlik is elke twee uur afgelos word; maar in die nag, koue of slegte weer kan hulle as die B.O. dit goed vind elke uur afgelos word.

15. 'n Skildwag wat deur 'n stalwag verskaf word kan, as die B.O. dit goed vind met of sonder geweer opgestel word.

16. 'n Bevelvoerder moet, benewens die indiening van sy wagrapport, ook dadelik aan die hoofoffisier of kaptein van diens rapport doen van elke ongewone gebeurtenis by of naby sy wag.

17. Patrollies of binnewagte wat aangesê is om die siviele owerheid te help, of om onluste waarby soldate betrokke is te onderdruk, moet gewapen en van patrone voorsien wees en moet, as hulle gebruik word vir die werklike onderdrukking van onluste, onder bevel van 'n offisier wees. 'n Resjimentswag of patrollie wat gebruik word om soldate te arresteer, kan uitgestuur word met net die sywapen.

Kasernediens.

18. Die B.O. van 'n eenheid of korps is, onder aanwysing van hoër gesag, verantwoordelik vir die sorg vir en sindelikheid en sanitasie van kasernes, kampe en goewermentsgrond wat aan sy sorg toevertrou is.

19. Die bevelvoerder van 'n eskadron, ens., moet as dit doenlik is, aanwesig wees by die inspeksie van sy eie kasernekamers en stalle; 'n offisier van die S.A.G.D. moet aanwesig wees by die inspeksie van die hospitaal en 'n offisier-veearts by die inspeksie van die veeartseny-hospitaal. Hierdie offisiere moet die lys van beskadiginge of verlies wat in hul respektiewe departemente getakseer moet word, in die aantekeningboek van die inspeksieoffisier met hul handtekening attesteer, of anders op die plek objekteer teen skade of verlies wat teen hul respektiewe departemente in die lys opgeneem is en waarteen hulle wil appeleer. Die offisier in bevel van die kaserne moet ook die aantekeningboek van die resjimentsoffisier met sy voorletters teken. As beddegoed en meubels, in verband waarmee kwessies van skade sou kan ontstaan, na die kasernemagasyn teruggebring word, moet 'n resjimentsoffisier aanwesig wees.

20. Die ontvangs van periodieke inspeksierapporte en rapporte van inspeksie by verlating moet deur 'n B.O. dadelik per brief aan die offisier van wie hulle ontvang is erken word. 'n B.O. moet dan dadelik aan die offisier in bevel van die kaserne skriftelik kennis gee van die poste waarteen hy gaan appeleer. Die offisier in bevel van die kaserne moet die K.M.G. voorsien van volledige besonderhede aangaande alle beskadiging of verlies.

21. Die bedrag waarvoor troepe by kaserne-inspeksie aangeslaan word vir skade of verlies, moet vir so ver moontlik teen persone in rekening gebring word. Die skade, ens., wat nie op 'n persoon tuis gebring kan word nie, moet teen al die troepe in rekening gebring en onder hulle verdeel word. Die bedrae waarvoor elke kompanjie, ens., aangeslaan is, moet in resjimentsorders gepubliseer word.

22. Geen koste vir die was van kamers en gange moet teen troepe gereken word nie, tensy daar blykbaar nalatigheid was of die geboue in 'n vuile toestand gelaat is. Sulke gevalle moet dadelik deur die B.O. aan die O. in B. van troepe gerapporteer word.

23. 'n Onderoffisier wat in 'n kamer in bevel is, moet verlies of beskadiging dadelik bekend stel sodat verantwoordelikheid kan tuis gebring word op die persone wat daaraan skuld het. Daar is min gevalle waar 'n algemene aanslag vir verlore of beskadigde beddegoed gevoeglik gemaak kan word.

24. Bewoners van kwartiere vir getroudes is regstreeks verantwoordelik vir verlies van of beskadiging aan meubels of vasstaande goed in die bewoonde kwartiere en rapport van die verlies of skade moet dadelik aan die B.O. gemaak word. Op ontvangs van hierdie informasie, of in geval van verlies of skade wat by sy eie inspeksies aan die lig kom, moet die B.O: dadelik die nodige stappe neem om die betrokke bedrag sonder versuim van die bewoner te laat invorder.

Resjimentsinspeksies.

25. Gedurende die eerste week van elke maand moet die O. in B. van die troepe wat 'n kaserne bewoon—of 'n offisier deur hom daartoe gelas—inspeksie hou van die geboue, goedere en beddegoed in besit van die troepe. Hy moet aantekening doen van reparasies wat gemaak en goedere wat aangevul moet word. Hierdie inspeksie sal onnodig wees in elke maand waarin die periodieke inspeksie gehou word deur die offisier in bevel van die kaserne en 'n offisier van die S.A.Sj.D. Na die gemelde maandelikse inspeksie, moet die B.O. 'n bestelling indien van goedere wat aangevul of vervang moet word.

Geneeskundige Inspeksies.

26. 'n Offisier van die S.A.G.D. moet die hele kaserne, met inbegrip van die kwartiere vir getroudes, ten minste eenmaal in die maand inspekteer. Hy moet in sy sanitasie-dagboek aantekening doen van elke fout in sindelikheid of sanitasie. Hy gee dan die dagboek aan die betrokke B.O. wat daarin die stappe wat geneem is aanteken en dit dan teruggee aan eersgenoemde offisier.

MARCHING-IN AND MARCHING-OUT INSPECTIONS.

27. To save time and labour these inspections will, whenever possible, be combined.

28. The O.C. a unit, in conjunction with the officer i/c barracks, an officer of the S.A.E.C., and the barrack stores accountant, will cause all buildings, fixtures, and furniture allotted for the use of troops to be inspected (if possible before the arrival of the troops) to ascertain their condition. This inspection will be carried out by an officer of the unit concerned. The troops then become responsible for the buildings, etc., handed over.

29. A party, not exceeding two officers, four N.C.O.'s, and twelve rank and file, will take over barracks for a unit or corps. This party, unaccompanied by any families, should precede the unit, and a party of the same strength should be left behind to give over barracks.

30. An officer taking over barracks on behalf of a unit will initial and date each inventory before leaving the room or quarter; he will, at the same time, if relieving another unit, make out a list of any articles requiring exchange or replacement, so that he need not refrain from initialing the inventories.

31. As soon as possible after marching in the C.O. will sign a certificate, in duplicate, in the proper form.

32. When troops are ordered to hand over a barrack, the O.C. station will give the officer i/c barracks and the S.A.E.C. the earliest possible intimation of the hour and date at which the buildings will be vacated, in order that arrangements may be made for the marching-out inspection.

33. At this inspection an experienced officer will accompany these officers in going over the whole of the barracks and in assessing the damages. Before leaving each room, or quarter, the former officer will attest by his signature in the notebooks of the other officers the correctness of the damages or deficiencies noted therein, or object on the spot to any charge against which he wishes to appeal.

34. Inventories in respect of barrack stores issued to units will be prepared by the barrack stores accountant and signed by him and the receiving officer. These inventories will be affixed to an inventory board and hung in the room, building, or group of buildings where the stores are in use.

Under no circumstances will articles of furniture, etc., on inventory or fixtures, be removed for permanent use elsewhere without the authority of the barrack stores accountant or officer i/c barracks.

35. Alterations or additions will not be made to rooms or buildings by any officer or soldier without the sanction of the Q.M.G., who may approve minor alterations not affecting accommodation and not at variance with approved types and provisions in barracks. Temporary buildings, huts, or stands may be similarly approved by the Q.M.G., as well as the erection of a stage within a building. Such erection will not be taken into use until it has been passed, especially with regard to risks of fire, by the S.A.E.C. Any person who makes an unauthorized alteration in the electric light or water fittings or interior arrangements of any buildings allotted for the use of troops will be liable to pay for any excess of electric current or water consumed and for the expense of replacing the fittings as they originally stood.

36. Unoccupied buildings within a barrack enclosure or a unit's lines, as well as buildings in the actual possession of the troops, are, as regards their security, under the charge of the C.O.

SANITATION.

37. In cases of epidemic disease every care will be taken to secure that articles likely to convey infection are not returned to the barrack or ordnance store. Should there be any reason to believe that infected articles of bedding, clothing, tentage, etc., have been so returned, the officer concerned will be at once warned.

38. The windows of every barrack-room will be opened sufficiently to allow of free ventilation and will be kept open as far as the weather and season admit.

39. Cows, pigs, goats, poultry, etc., shall not be kept except with the permission of the O.C. troops, and then only to the extent advised on sanitary grounds by the S.M.O. of the station.

PRECAUTIONS AGAINST FIRE.

40. At all stations a fire committee will be appointed, consisting of three members, including the officer i/c barracks, one of whom should, if possible, be a field officer.

41. The duty of the fire committee will be to make such recommendations as may appear advisable for the improvement of the fire arrangements, and to hold inspections of the fire appliances, at which the troops will turn out as at a fire. These inspections will be more valuable if made without warning. At least two members of the committee should be present at each inspection.

42. The committee will report half-yearly on the results of their inspections, but anything which may need prompt attention should be brought to notice at the time.

43. They will state whether the personnel, appliances, and water supply are reasonably sufficient and efficient and are distributed to the best advantage, and they will make recommendations for remedying defects.

44. A book will be kept in an appointed place, in which a record of the inspections made and any observations arising therefrom will be entered and signed by the members. The record should be full, and should show which hydrants were tested, what unit furnished the piquet, its strength, etc.

45. In all barracks and stations where mineral or highly inflammable oils or spirits are kept, for sale in institutes or for public or private use, the S.A.E.C. will decde and will inform the

INSPEKSIES BY VERTREK EN INTREK.

27. Om tyd en werk te bespaar, moet hierdie inspeksies, as dit moontlik is, verenig word.

28. Die B.O. van 'n eenheid te same met die offisier in bevel van die kaserne, 'n offisier van die S.A.Sj.D. en die boekhouer van die kasernegoedere, moet alle geboue, meubels en vasstaande meubels wat vir die gebruik van troepe bestem is (as dit moontlik is vóór die aankoms van die troepe) laat inspekteer om uit te vind wat die toestand daarvan is. Hierdie inspeksie moet uitgevoer word deur 'n offisier van die betrokke eenheid. Die troepe word daarna verantwoordelik vir die oorhandigde geboue, ens.

29. 'n Afdeling van nie meer as twee offisiere, vier onderoffisiere en twaalf man van die geledere moet die kaserne vir die eenheid of korps oorneem. Hierdie afdeling moet sonder hul gesinne vooruit gestuur word deur die eenheid. 'n Afdeling van dieselfde sterkte moet agtergelaat word om die kaserne te oorhandig.

30. 'n Offisier wat namens 'n eenheid 'n kaserne oorneem, moet, voor hy die kamer of kwartier verlaat, elke inwentaris met sy voorletters teken en dit dateer; hy moet, as sy eenheid 'n ander eenheid aflos, tegelykertyd 'n lys opmaak van goed wat vervang of ontbrekende goed wat aangevul moet word, sodat hy nie die tekening van die inwentaris hoef na te laat nie.

31. So gou as moontlik na intrek geneem is, moet die B.O. 'n sertifikaat in die regte vorm in tweevoud teken.

32. As troepe gelas word om 'n kaserne te oorhandig, moet die O. in B. van die standplaas aan die offisier in bevel van die kaserne en aan die S.A.Sj.D. so vroegtydig moontlik kennis gee van die dag en uur van verlating van die geboue, sodat reëling getref kan word vir die inspeksie by vertrek.

33. By hierdie inspeksie moet 'n ervare offisier die gemelde offisiere vergesel by die inspeksie van die hele kaserne en die vasstelling van skade. Eersgenoemde offisier moet, voor hy 'n kamer of kwartier verlaat, deur sy handtekening in die aantekeningboeke van die ander offisiere sertifiseer dat die aangetekende beskadiging of ontbrekinge reg is, of moet op die plek objekteer as daar iets is waarteen hy wil appeleer.

34. Inwentarisse van kasernegoedere wat aan eenhede uitgereik word moet deur die boekhouer van kasernegoedere opgemaak en deur hom en die ontvangende offisier geteken word. Hierdie inwentarisse word aan 'n inwentarisbord geplak en die bord dan opgehang in die kamer, gebou, of groep van geboue waar die goedere gebruik word.

Onder geen omstandighede mag meubels, ens., wat in die inwentaris opgeneem is of vasstaande meubels sonder magtiging van die boekhouer van kasernegoedere of van die offisier in bevel van die kaserne vir permanente gebruik op 'n ander plek weggeneem word nie.

35. Geen offisier of soldaat mag sonder die magtiging van die K.M.G veranderinge of toevoeginge aan kamers of geboue maak nie; laasgenoemde kan sy goedkeuring gee aan geringe veranderinge wat nie die woonruimte raak nie en ook nie van die goedgekeurde modelle en voorsieninge in die kaserne verskil nie. Tydelike geboue, hutte of 'n verhoog kan ook deur die K.M.G. goedgekeur word en ook die oprigting van 'n tribune in 'n gebou. Dit mag egter nie in gebruik geneem word voor dit deur die S.A.Sj.D. goedgekeur is, veral in verband met riesiko van brand. 'n Persoon wat sonder magtiging 'n verandering maak in die elektriese lig, waterpype of inwendige inrigting van 'n gebou vir gebruik van troepe bestem, is aanspreeklik vir betaling vir vermeerdering van elektriese stroom of waterverbruik en vir die koste om wat verander is in die oorspronkelike toestand te herstel.

36. Leë geboue binne die ring van 'n kaserne of binne die terrein van 'n eenheid, sowel as geboue in werklike besit van die troepe is, vir so ver dit die veiligheid daarvan betref, onder die sorg van die B.O.

SANITASIE.

37. In geval van epidemiese siektes, moet alles gedoen word om te voorkom dat iets wat waarskynlik besmetting zal veroorsaak na die kaserne- of krygsbehoefte- magasyn teruggestuur word. As daar rede is om te dink dat besmette beddegoed, klere, tente, ens., so teruggestuur is, moet die betrokke offisier dadelik gewaarsku word.

38. Die vensters van elke kasernekamer moet wyd genoeg oopgemaak word om 'n ruime lugstroming toe te laat en moet oop gehou word vir sover as die weer en jaargetye toelaat.

39. Koeie, varkens, bokke, pluimvee, ens., mag nie sonder toestemming van die O. in B. van die troepe gehou word nie en dan net so veel as wat deur die S.O.G. van die standplaas op grond van sanitêre redes aangeraai word.

VOORSORGMAATREËLS TEEN BRAND.

40. By elke standplaas moet 'n brandblussings-komitee aangestel word bestaande uit drie lede (met inbegrip van die offisier i/b. van die kaserne) een waarvan, as dit moontlik is, 'n hoofoffisier moet wees.

41. Die plig van die brandblussings-komitee is om aanbevelinge te doen wat raadsaam blyk vir die verbetering van die reëlinge vir brandblussing, en om inspeksies van die toestelle vir brandblussing te hou, waarby die troepe moet opkom net soos by brand. So 'n inspeksie sal meer goed doen as dit sonder waarskuwing gehou word. Ten minste twee lede van die komitee moet by iedere inspeksie aanwesig wees.

42. Die komitee moet halfjaarliks verslag doen van die resultate van sy inspeksies, maar iets wat dadelik aandag vereis, moet dadelik ter kennis gebring word.

43. Die komitee moet meld of die personeel, toestelle en watervoorraad redelik voldoende en goed is en op die voordeligste manier verdeel is, en moet aanbevelinge doen vir herstelling van gebreke.

44. 'n Boek moet op 'n vasgestelde plek gehou word waarin die inspeksies wat gehou is en die aanmerkinge in verband daarmee aangeteken en deur die lede geteken moet word. Die aantekening moet volledig wees en moet aantoon watter brandkrane getoets is, watter eenheid die brandpiket verskaf het, die sterkte daarvan, ens.

45. By alle kasernes en standplase waar mineraalolie of erg ontvlambare olie of spieritus in voorraad gehou word vir verkoop in institute of vir goewermentsgebruik of private gebruik, moet

officer i/c barracks what quantity may safely be kept in store, the place in which it is to be kept, and the rules under which it may be issued.

46. In framing these rules it will be necessary to guard against the oil or spirit being stored in places to which men can have access after dark, and to direct that lights be not taken into the store at any time. Proximity to magazines and storehouses must invariably be avoided, and the hours of issue must be such as to ensure that the utmost precautions are used to avoid danger from fire. In all places where oil or spirit is stored a box of sand or dry earth must be placed, to be thrown at once on any that may have become ignited; water must not be used.

47. Suitable sheds for the storage in barracks of motor vehicles which are the private property of members may be erected at the expense of the members concerned, as encroachments, with the approval of the O.C. troops and S.A.E.C. The following rules will be adhered to by the owners of all private vehicles stored on Defence buildings, and copies will be affixed to the walls of the sheds:—

(i) Replenishment of fuel tanks of motor cars or bicycles may only be made in the open air and at a distance of not less than 10 yards from any shed or other building.

(ii) In the case of motor vehicles fitted with burners, no burner is to be lighted or be allowed to remain alight within 10 yards of any shed or building or pile of inflammable material.

(iii) Smoking is not allowed within the sheds.

48. Lights or freshly made up fires will not be allowed in barrack-rooms or buildings occupied by troops—except in hospitals, latrines, guard-houses, galleries, or stables—later than a quarter of an hour after the last post, when an officer will visit the barracks to see that this order is obeyed. Lights are permitted in sergeants' messes up to the hour authorized by O.C. troops or garrison. Soldiers are prohibited from smoking in buildings or tents where there is loose straw.

49. In the barracks of a mounted unit, before the "Dismiss" is sounded, the orderly officer will see that all the stable buckets are filled with water and left in the most accessible spot, and a note showing that he performed this duty will be made in his report. The person responsible for the closing of rooms or buildings in which fires or lights are used during the day, but which are unoccupied at night, will personally ascertain, before leaving for the night, that there is nothing which might lead to an outbreak of fire. In messes, canteens, etc., all rooms in which fires or lights have been used during the day will be swept out before being closed at night. The raking out of a fire on to the hearthstone should be avoided. Towards the time for "Lights out" in the case of occupied buildings other than hospitals and guard-houses, or the time for closing in the case of buildings unoccupied at night, all fires should be allowed to die down as much as possible.

50. Immediately after troops enter upon the occupation of any barracks, the C.O. will appoint a N.C.O. and a party of men as a "fire-piquet," who should preferably be those who have had some previous acquaintance with things mechanical to enable them to learn more readily the handling of the appliances and the technical terms relating to them.

51. The C.O. will see that fire engines are kept clean and the hose properly dubbed, and cause each engine and hydrant to be tested monthly. The whole of the hose will be attached to the engine or stand-pipes and tested, and the hydrant boxes examined and cleared. Hose must on no account be rolled up and put away while still wet after use or practice.

52. Instructions regarding fire piquets, etc., should be posted up in each orderly-room, guard-room, and fire-engine house or shelter.

53. In addition to those forming part of the equipment of fire-engine houses, fire engines, hose reels, and wall boxes, three keys, each of which fits every hydrant and stop-cock on the water mains, are provided for each barrack, and will be distributed as follows: One each in charge of the officer i/c barracks and the S.A.E.C. and one in the regimental guard-room. Notice-boards should be put up in all barracks and guard-rooms showing where those keys and the key of the engine house will always be found.

54. The C.O. shall frame local orders defining the duties and distribution of the troops in the event of fire breaking out either within the barracks or in their neighbourhood. The troops should be practised by day and night in turning out and concentrating upon any given spot with the fire engines and apparatus. In wooden hut encampments the fire-screens and fire appliances will be distributed at convenient and accessible spots.

55. When hand-pumps are specially authorized they will be kept in a prominent position inside the building with a group of three to five fire-buckets filled with water. A small notice-board painted bright red and lettered in white should be fixed at this point, indicating it as a fixed station for these appliances.

56. An officer or soldier, as well as any other person in the employ of the Defence Department, will be liable to make good damage done to Government property by fire the result of his own neglect, but in view of the large sum to which liability may extend in such cases the amount to be recovered will usually be limited to the equivalent of a week's pay of the individual who is held responsible.

57. Whenever a fire, explosion, or similar occurrence involving the destruction of public property takes place in any barrack building, a court of inquiry (to include the officer i/c barracks, if available at the station) will be immediately assembled to investigate the cause of it.

58. In the case of fire the main points to be investigated are:—

(i) The cause and origin of the fire.

(ii) By whom it was discovered.

(iii) The action taken by the person or persons making the discovery.

(iv) To whom the fire was first reported by the person making the discovery.

die S.A.Sj.D. beslis oor die hoeveelheid wat met veiligheid in voorraad gehou kan word, die plek waar dit gehou moet word en die reëls vir die uitreiking daarvan en moet hierdie beslissing meedeel aan die offisier i/b. van die kaserne.

46. By die optrekking van die bedoelde reëls sal dit nodig wees om te waak teen die wegpak van olie en spieritus in plekke waartoe mense na donker toegang kan kry, en om te gelas dat ligte nooit in die pakhuis gebring mag word nie. Die pakhuis moet nooit in die nabyheid van goederemagasyne en kruithuise wees nie en die tyd van uitreiking moet sodanig wees dat die allerbeste voorsorgmaatreëls geneem kan word teen die gevaar van brand. In elke plek waar olie of spieritus gebêre is, moet 'n kis met sand of droë grond wees wat dadelik op die vuur gegooi moet word as daar brand ontstaan; water moet nie gebruik word nie.

47. Geskikte loodse waarin motorvoertuie wat die private eiendom van lede is in kasernes kan staan, kan, met goedkeuring van die O. in B. van die troepe en die S.A.Sj.D. as inbreuk opgerig word op onkoste van die betrokke lede. Die volgende reëls moet nagekom word deur die eienare van alle private motorvoertuie wat by Verdedigingsgeboue in loodse staan. Hierdie reëls moet aan die mure van die loodse geplak word:—

(i) Die bensientenks van motorkarre en motorrywiele mag net buitenshuis gevul word en dan op 'n afstand van ten minste 10 jaarts van 'n loods of ander gebou af.

(ii) By motorvoertuie wat van lampe voorsien is, mag geen lamp binne 10 jaarts van 'n loods, gebou of stapel ontvlambare materiale opgesteek word of brand nie.

(iii) Niemand mag in die loodse rook nie.

48. Ligte of pasopgemaakte vure mag in kasernekamers of geboue waar troepe in is—behalwe hospitale, latrienes, waghuise, galerye, of stalle—nie later as 'n kwartier na die laaste taptoe toegelaat word nie; 'n offisier moet dan die kaserne besoek om te sien dat hierdie order gehoorsaam is. Ligte word in sersantsklubs toegelaat tot die uur vasgestel deur die O. in B. van die troepe of garnisoen. In geboue of tente waarin los strooi is mag soldate nie rook nie.

49. In die kaserne van 'n berede eenheid, moet die offisier van diens, voor "verdaag" geblaas word, kyk dat al die stalemmers vol water en op die toeganklikste plek gelaat is; in sy rapport moet aantekening gemaak word van die feit dat hy hierdie taak uitgevoer het. Die persoon wat verantwoordelik is vir die toemaak van kamers of geboue waarin vure of ligte oordag gebruik word maar wat in die nag onbewoon is, moet voor hy die plek die aand verlaat self seker maak dat daar niks is wat brand sou kan veroorsaak nie. In klubs, soldatewinkels, ens., moet alle kamers waarin vuur of ligte in die dag gebruik is, uitgevee word voor hulle die aand toegemaak word. Vuur moet nie op die haardsteen uitgekrap word nie. As dit tyd word om, wat bewoonde geboue behalwe hospitale en waghuise betref, die sienjaal te blaas vir "ligte uit" of, wat betref geboue wat snags onbewoon is, toe te maak, moet gesorg word dat alle vure so veel as moontlik uitbrand.

50. Onmiddellik na troepe intrek neem in 'n kaserne, moet die B.O. 'n onderoffisier en 'n afdeling manskappe aanwys as brandpiket; dit moet by voorkeur manne wees wat vroeër al iets met masienerie te doen gehad het om makliker die hantering van die toestelle en ook die tegniese terme in verband daarmee te kan leer.

51. Die B.O. moet kyk dat die brandspuite skoon gehou en die brandspuitslang behoorlik gesmeer word, en moet elke brandspuit en brandkraan maandeliks laat toets. Die hele brandspuitslang moet aan die brandspuit of brandkraan gesit en getoets en die brandkraankaste ondersoek en skoongemaak word. Die brandspuitslang mag volstrek nie opgerol en gebêre word solank as dit na gebruik nog nat is nie.

52. Instruksies in verband met brandpikette, ens., moet in elke kantoor, wagkamer en brandspuithuis of beskutting opgeplak word.

53. Buiten die sleutels wat deel uitmaak van die uitrusting van brandspuithuise, brandspuite, spuitslangrolle en muurkissies, word vir elke kaserne drie sleutels verskaf, elkeen waarvan pas op elke brandkraan en afsluitkraan aan die hoofpyp. Hierdie sleutels word gehou soos volg:—een deur die offisier in bevel van die kaserne, een deur die S.A.Sj.D. en een in die resjimentswagkamer. Kennisgewingborde moet in alle kasernes en wagkamers opgehang word en daarop moet aangetoon word waar hierdie sleutels en die sleutel van die brandspuithuis altyd te kry sal wees.

54. Plaaslike orders met opgawe van die pligte en verdeling van troepe ingeval daar brand ontstaan in of in die omtrek van die kaserne moet deur die B.O opgetrek word. Die troepe moet oordag en in die nag geoefen word om uit te kom en met die brandspuite en toestelle op 'n gegewe punt te konsentreer. In kampe met houthutte moet die vuurskerms en toestelle ooral op gerieflike en toeganklike plekke gesit word.

55. As handpompe spesiaal geoorloof is, moet hulle op 'n goed sigbare plek in die gebou gehou word met 'n groep van 3 tot 5 brandemmers vol water. Op hierdie plek moet 'n klein kennisgewingbord wees, waarop met wit letters op 'n helder rooi grond aangeduie is dat dit die vaste plek is vir hierdie toestelle.

56. 'n Offisier of soldaat, en ook enige ander persoon in die diens van die Departement van Verdediging is aanspreeklik vir vergoeding van skade aan goewermentseiendom deur brand wat die gevolg van sy eie nalatigheid is, maar aangesien die aanspreeklikheid in sulke gevalle tot 'n groot som kan uitstrek, sal die bedrag wat ingevorder moet word gewoonlik beperk wees tot 'n bedrag wat gelykstaan aan 'n week se soldy van die man wat verantwoordelik gehou word.

57. As 'n brand, ontploffing of iets dergeliks wat vernieling van Staatseiendom meebring in 'n kasernegebou plaas vind. moet 'n hof van ondersoek (wat die offisier in bevel van die kaserne moet insluit as hy op die standplaas beskikbaar is) onmiddellik byeen geroep word om ondersoek in te stel na die oorsaak daarvan.

58. By brand is die vernaamste punte wat ondersoek moet word:—

(i) Die oorsaak en oorsprong van die brand.

(ii) Deur wie dit ontdek is.

(iii) Die stappe geneem deur die persoon of persone wat dit ontdek het.

(iv) Aan wie die brand die eerste gerapporteer is deur die persoon wat dit ontdek het.

(v) The length of time between the discovery of the fire and the sounding of alarm.
(vi) What officer was in command of the fire arrangements.
(vii) The length of time after the alarm before the appliances were at work and a jet or jets playing on the fire.
(viii) Whether the fire piquet turned out in sufficient numbers and with promptitude.
(ix) Whether there was any failure as regards water supply, hydrants, or the working of the fire appliances generally.
(x) The action taken to warn the corporation or other local fire brigade of the outbreaks.
(xi) The length of time between the warning of corporation or other local fire brigade and the arrival of assistance.
(xii) The extent of the assistance given by corporation or other local brigade.
(xiii) The period from the alarm until the outbreak was extinguished.
(xiv) The extent of the damage done to (*a*) persons, (*b*) buildings, (*c*) contents of buildings.
(xv) Responsibility for the outbreak of fire.

In the case of an explosion or similar occurrence, the above procedure will be followed as far as applicable.

59. An estimate from the S.A.E.C. of the cost of structural repairs will be attached to the proceedings of the court. The proceedings will be sent to the Q.M.G.

60. When a fire of an extensive nature occurs, causing loss of accommodation in a barrack, an immediate report will be made to the Q.M.G., stating the number of troops or animals displaced and how they will be temporarily accommodated.

Miscellaneous Barrack Duties.

61. A C.O. will exercise a careful supervision over the consumption of electric current and water. When there has been an excessive consumption of electric current or water, the Q.M.G. will direct the officer i/c barracks to report whether the excess can be traced.

62. A C.O. will resist the admission of strangers into barracks, and will exclude all persons not of respectable character.

Movement of Troops.

63. All movements of troops are ordered by the General Staff, and arrangements for their movement, embarkation, and disembarkation are made by the Q.M.G.

64. Movements of individual soldiers or troops are executed under the authority of routes issued by the competent military authority, and, as a rule, no soldier is to be moved before the requisite route has been obtained.

65. An armed party consisting of twenty men or more is not to proceed on any duty unaccompanied by an officer. An unarmed party of twenty men or more, moving by rail, will also be accompanied by an officer.

66. Whenever practicable to do so, a general medical inspection will be made of troops ordered to move in order that members obviously unfit may be detained. A unit or detachment consisting of 200 or upwards proceeding by route march will, as a rule, be accompanied by a medical officer.

Routes or Move Orders.

67. A route is the authority for—
(i) The movement itself.
(ii) The recovery of miscellaneous charges, including travelling allowances.

68. Every route should detail how the movement is to be effected, and, where railway or steamship conveyance is involved, the stages of the journey to be taken should be clearly indicated.

69. When rail warrants are issued on the authority of routes, the officer under whose authority the route is issued is responsible as to the route taken.

Railways: General Instructions.

70. Officers in command of troops moving by railway are responsible that the regulations of the Railway Administration are complied with by the troops. They are not to interfere with the prescribed running of the trains or the general working of the railway service.

71. When the number of troops to proceed is considerable, an advance party may be sent to the railway station on the day of entrainment to allot the carriages and trucks and make detailed arrangements.

72. The approach of troops to the station should be reported to the superintending staff officer, or, in his absence, to the railway authorities, in order that the route to be used within the station, and the halting place previous to entrainment, may be pointed out. The officer in command will, on arrival at the station, arrange the troops for entrainment, and tell off parties for entraining animals, guns, etc.

73. Officers in command of troops will inspect the accommodation before any entrainment takes place. They will note carefully the condition of all vehicles and report any damages or deficiencies to the station master. Any damages caused by troops during a journey will be carefully noted.

Admission to Defence Works.

74. The following rules are to be observed in granting permission to visit Defence Department works:—
(i) Every practicable facility is to be afforded to officers and others who require to visit works in the performance of their duties.
(ii) All who have business in works are to be required to treat the information they obtain there as confidential.
(iii) Persons having no business in works are to be denied access to them.

(v) Die tyd wat verloop het tussen die ontdekking van die brand en die alarm.
(vi) Watter offisier in bevel van die brandblussing was.
(vii) Hoelang dit na die alarm geduur het voor die toestelle aan 't werk en 'n stroom of strome op die vuur gerig was.
(viii) Of die brandpiket met voldoende sterkte en met spoed opgekom het.
(ix) Of daar iets makeer het aan die wateraanvoer, die brandkrane, of die werking van die brandblussingstoestelle in die algemeen.
(x) Die stappe wat geneem is om die brandweer van die stadsraad of ander plaaslike brandweer te waarsku van die brand.
(xi) Die tyd wat verloop het tussen die waarskuwing aan die brandweer van die stadsraad of ander plaaslike brandweer en die aankoms van hulp.
(xii) Watter hulp die stadsraad se brandweer of ander plaaslike brandweer gegee het.

(xiv) Die mate van beskadiging van (*a*) persone, (*b*) geboue, (*c*) inhoud van geboue.
(xv) Verantwoordelikheid vir die ontstaan van die brand.

In geval van 'n ontploffing of iets dergeliks word dieselfde handelwys gevolg vir so ver as dit toepaslik is.

59. 'n Skatting deur die S.A.Sj.D. van die koste van reparasies aan die geboue moet aan die notule van die hof geheg en die notule aan die K.M.G. gestuur word.

60. By 'n groot brand wat verlies van huisvesting in 'n kaserne tot gevolg het, moet dadelik aan die K.M.G. rapport gemaak word met opgawe van die getal troepe en diere wat sonder dak is, en die planne vir hul tydelike beskutting.

Diverse Pligte in die Kaserne.

61. 'n B.O. moet stip toesig hou op die verbruik van water en elektriese stroom. As daar 'n oormatige verbruik van water of elektriese stroom gewees het, moet die K.M.G. die offisier in bevel van die kazerne gelas om te rapporteer of uitgevind kan word wie daaraan skuld het.

62. Die B.O. moet die toegang van vreemdelinge tot die kaserne teenstaan en moet toegang verbied aan alle persone wat nie van fatsoenlike karakter is nie.

Bewegings van Troepe.

(i) die verplasing self;
(ii) die terugvordering van diverse uitgawes, met inbegrip van reistoelaes.

68. Elke verplasingsorder moet in besonderhede aantoon hoe die verplasing moet uitgevoer word en as daar spoorweg- of stoomskipvervoer aan verbind is, moet die verskillende trekke van die reis duidelik aangetoon word.

69. As spoorordes onder magtiging van verplasingsorders uitgereik word, is die offisier op wie se gesag die verplasingsorder uitgevaardig is daarvoor verantwoordelik dat met die regte spoorweglyn gereis word.

71. As die getal troepe wat moet vertrek groot is, kan op die dag van vertrek 'n afdeling vooruit na die spoorwegstasie gestuur word om spoorwaens en trokse toe te wys en ander reëlinge te maak.

72. Die nadering van die troepe tot die stasie moet aan die stafoffisier wat toesig hou of in sy afwesigheid aan die spoorwegowerheid gerapporteer word, sodat die weg wat in die stasie gevolg en die plekke waar gehalt moet word om op die trein te gaan aangewys kan word. Die offisier in bevel moet by aankoms op die stasie die troepe rangskik om op te stap en afdelings aansê om diere, kanonne, ens., in te laai.

73. Offisiere in bevel van troepe moet voor 'n begin gemaak word met die inlaai die spoorwaens, ens., noukeurig inspekteer. 75. Officers commanding are responsible that no unauthorized person gains admission to any works in their commands.

76. The following may be admitted without passes to works (except to position-finding cells, torpedo buildings, magazines, storehouses, and similar works):—

(i) Officers and warrant officers when in uniform.
(ii) Non-commissioned officers and men when on duty.

77. The following may be admitted without passes to the residential portions only of occupied works:—

(i) Officers, warrant officers, N.C.O.'s, and men.
(ii) Caretakers.
(iii) Wives, families, friends, and servants of the residents.

78. The admission of persons to either defensive or residential portions of completed works otherwise than as specified in paragraphs 76 and 77 will be by pass.

79. Passes for admission are issued as follows:—

(i) Special pass issued only by the C.G.S. It admits to all works, including position-finding cells, torpedo buildings, magazines, storehouses, etc.
(ii) District pass.
(iii) Visitor's pass.
(iv) Works pass.

Passes (ii), (iii), and (iv) are issued at the discretion of C.O.'s under the conditions herein after specified. The number of passes issued is to be kept as low as possible. If a pass has been lost or cancelled, instructions should immediately be sent to the works concerned to prevent the pass being improperly used.

80. A district pass will be issued to such officers and soldiers as the O.C. may authorize, and will be applicable when admission is not covered by the rules in paragraphs 76, 77, and 83.

81. A visitor's pass will not be issued to any person who is not a British subject, unless the sanction of the Minister has been obtained, and any foreign subject authorized to receive a pass will only be allowed to use it when accompanied by an officer. This pass will in no case admit the holder to position-finding cells, torpedo buildings, magazines, storehouses, etc.

82. A works pass will be issued to authorized workmen only.

83. No person is to be allowed to enter position-finding cells, torpedo buildings, magazines, storehouses, etc., unless he is provided with a special pass or a district pass. Such passes, whether held by officers or others, are only available for admission to the places named thereon. Where officers or soldiers in uniform are ordered to perform military duty in any position-finding cell, torpedo building, magazine, storehouse, etc., passes may be dispensed with at the discretion of the O.C.

84. Orders are to be issued directing sentries in the first place to refer the holders of all passes to the N.C.O.'s of the guard, who will carefully examine passes and retain all visitors' passes. Sentries will be ordered not to permit the holders of special, district, or visitors' passes to have access to any of the defences, or the holders of district or works passes to have access to any of the buildings mentioned in paragraph 83 until they have received the orders of the N.C.O. of the guard.

85. Information is not to be given regarding the construction of works or machinery in connection with them, except to officers in uniform, to holders of district and works passes when necessary for the performance of their duty, and to holders of special passes.

86. Except when necessary in the performance of duty, holders of passes of any kind are not to be permitted to make any written note, drawing, photograph, or measurement of any work, whether completely constructed or not, nor of any gun, machinery, or apparatus.

87. In each work or establishment which, in the opinion of the O.C., is of sufficient importance to require special safeguarding from observation, a register will be kept in which visitors holding special, district, or visitors' passes will be required to sign their names on entering. The custodian of the register is to note in it against the signature of the person admitted the following particulars:—

(i) Date of the visit.
(ii) Description of pass and date for which it is available.
(iii) Name of the officer issuing the pass and date of issue.

As soon as these particulars have been recorded in the case of a visitor's pass, the pass is to be destroyed by the custodian who will tear it into small pieces and note the fact in the register that he has done so.

88. The register referred to in paragraph 87 will be inspected by the O.C. periodically.

89. The Minister may, by order, in terms of section *ten* (1) of Act No. 22 of 1922, prohibit or restrict the access of all persons to any military camp, barracks, or other premises used for military purposes, or to any naval dockyard, barracks, or other premises used for naval purposes.

CHAPTER X.—DRESS AND CEREMONIAL.

Dress, Clothing, and Equipment.

1. A soldier will not leave his quarters unless properly dressed, and he will not smoke in the streets when on duty.

2. It is the duty of all officers, warrant officers, and N.C.O.'s to report irregularities of dress or misdemeanours of soldiers on pass or furlough to the men's C.O.'s, whether the men belong to their own unit or corps or not.

3. The orders of dress are to be observed and read in connection with the dress, clothing, and equipment instructions.

76. Die volgende persone kan sonder passe toegelaat word tot werke (behalwe tot posiesieaanwyser-selle, torpedo-geboue, magasyne, pakhuise en dergelike werke):—

(i) Offisiere en adjudant-onderoffisiere in uniform.
(ii) Onderoffisiere en manskappe as hulle op diens is.

(ii) Oppassers.
(iii) Die vrouens, gesinne, vriende en bediendes van die bewoners.

78. Toegang van persone tot die verdedigings- en woning-gedeelte van voltooide werke geskied, behalwe soos gespesifiseer in para. 76 en 77 hoerbo, op 'n pas.

79. Passe vir toegang word uitgereik soos volg:—

(i) Spesiale pas, wat net deur die H.G.S. uitgereik word. Dit gee toegang tot alle werke, met inbegrip van posiesieaanwyser-selle, torpedo-geboue, magasyne, pakhuise, ens.
(ii) Distrikpas.
(iii) Besoekerspas.
(iv) Werkerspas.

Passe (ii), (iii) en (iv) word uitgereik na goeddunke van bevelvoerende offisiere onder voorwaardes hierin later uiteengesit. Die getal van die uitgereikte passe moet so klein as moontlik wees. As 'n pas verloor of gekanseleer is, moet instruksies dadelik na die betrokke werke gestuur word om te voorkom dat misbruik van die pas gemaak word.

80. 'n Distrikspas word uitgereik aan die offisiere en minderes wat die B.O. mag outoriseer en sal van toepassing wees as toegang nie order die reëls in para. 76, 77 en 83 verkry word nie.

81. 'n Besoekerspas mag aan niemand uitgereik word wat nie 'n Britse onderdaan is nie, tensy die toestemming van die Minister verkry is en enige onderdaan van 'n vreemde moontheid wat gemagtig is 'n pas te kry word toegelaat om dit te gebruik net wanneer deur 'n offisier vergesel. Hierdie pas mag in geen geval die houer daarvan toegang verskaf tot posiesieaanwysers-selle, torpedogeboue, magasyne, pakhuise, ens.

82. 'n Werkerspas word net aan geoutoriseerde werksmanne uitgereik.

83. Niemand mag toegelaat word om in posiesieaanwysers-selle, torpedogeboue, magasyne, pakhuise, ens., te gaan nie, tensy hy voorsien is van 'n spesiale pas of 'n distrikspas. Hierdie passe is, of hulle gehou word deur offisiere of andere persone, net geldig vir toegang tot die plekke wat daarin genoem is. As offisiere of minderes in uniform gelas word om militêre diens te doen in 'n posiesieaanwyser-sel, torpedogebou, magasyn, pakhuis, ens., kan as die O. in B. dit goedvind afgesien word van die pas.

84. Orders moet uitgevaardig word waarin skildwagte gelas word om die houers van alle passe in die eerste plaas te verwys na die onderoffisier van die wag; laasgenoemde moet alle passe noukeurig inspekteer en alle besoekerspasse hou. Skildwagte moet gelas word om die houers van spesiale-, distriks- of besoekerspasse toegang tot elke verdedigingswerk en die houers van werkerspasse toegang tot elke in paragraaf 83 vermelde geboue te belet tot tyd en wyl hulle die orders van die onderoffisier van die wag ontvang.

85. Informasie aangaande die konstruksie van werke of masienerie in verband daarmee mag nie gegee word nie, behalwe aan offisiere in uniform, aan houers van distriks- en werkerspasse as dit nodig is vir die verrigting van hul diens, en aan houers van spesiale passe.

86. Behalwe waar dit nodig is vir die verrigting van diens, mag houers van passe nie toegelaat word om 'n aantekening, tekening, foto, of meting te maak van 'n werk hetsy die konstruksie voltooi is of nie, en ook nie van 'n kanon, masien of apparaat nie.

87. In elke werk of inrigting wat na die oordeel van die O. in B. belangrik genoeg is om spesiale beskerming teen waarneming te vereis, moet 'n register gehou word en alle besoekers wat spesiale-, distriks- of besoekerspasse hou, moet by ingang hul name in hierdie register teken. Die bewaarder van die register moet daarin die volgende aantekening doen teenoor die handtekening van die person wat toegang gekry het:—

(i) Datum van die besoek.
(ii) Soort van pas en die datum waarop dit geldig is.
(iii) Die naam van die offisier wat die pas uitgereik het en die datum van uitreiking.

Sodra as hierdie besonderhede opgeteken is in die geval van 'n besoekerspas, moet die bewaarder die pas vernietig; hy moet dit in klein stukkies skeur en moet die feit dat hy dit gedoen het in die register aanteken.

88. Die register in paragraaf 87 vermeld, moet periodiek deur die O. in B. geïnspekteer word.

89. Die Minister kan, by bevel, kragtens artiekel *tien* (i) van Wet No. 22 van 1922, 'n verbod of 'n beperking lê op die toegang van alle persone tot 'n militêre kamp, kaserne of ander terreine wat vir militêre doeleindes gebruik word of tot 'n mariene dokwerf, kaserne of ander terrein wat vir mariene doeleindes gebruik word.

HOOFSTUK X.—TENU EN SEREMONIEEL.

Tenu, Kleding en Uitrusting.

Algemene Instruksies.

1. 'n Soldaat moet nie sy kwartiere verlaat nie tensy hy behoorlik geklee is en moet nie op straat rook nie as hy op diens is.

2. Dit is die plig van alle offisiere, adjudant-onderoffisiere en onderoffisiere om enige onreëlmatighede in tenu of misdrywe van soldate wat op verlof is aan die manne se bevelvoerende offisiere te rapporteer, of die manne aan hul eie eenhede of korpse behoort of nie.

3. Die tenu-orders moet nagekom en gelees word in verband met die instruksies met betrekking tot tenu, kleding en uitrusting.

4. (*a*) Alle range wat op geoorloofde verlof is mag burgerklere dra.

(*b*) Offisiere mag, as hulle net op kantoordiens en nie op ander diens is nie, burgerklere dra na 1 uur n.m. daeliks.

(*c*) Warrant officers and non-commissioned officers not below the rank of sergeant are not permitted to wear plain clothes when attending office or on other duty.

(*d*) Officers commanding units may grant special plain clothes permits twice a week to other ranks below the rank of sergeant.

(*e*) Plain clothes may be worn by all other ranks for recreation purposes except when taking part in military mounted sports, or when taking part in organized sport, when the helmet or forage cap and jacket will be worn over the sports kit when proceeding to and returning from the recreation ground.

5. The hair of the head will be kept reasonably short. The face shall be clean shaven, but a moustache may be grown. In the case of members of the S.A.N.S. the face shall be clean shaven or both beard and moustache grown.

Arms and Accoutrements.

6. A soldier going on pass or leave will not take any arms or accoutrements.

7. Arms and accoutrements as may be ordered will be carried on parade in all orders of dress.

8. Water is not to be kept in the water-bottle when the bottle is not in use.

9. When soldiers are transferred from one squadron or company to another, in the same regiment or battalion, their arms and accoutrements are to be transferred with them.

Small-Arm Ammunition.

10. In time of peace, ball ammunition is never to be in possession of the men, unless the O.C. should consider it necessary to authorize an issue of service ball ammunition for a special purpose.

11. Guards and escorts (except escorts for soldiers in custody) and parties detached in aid of the civil power will have the requisite ammunition served out to them before going on duty. This supply is to be collected in the presence of an officer after the duty has been performed.

12. When ammunition is in possession of the men, it is to be inspected at the daily morning parade by an officer, and any loss or damage is to be reported.

13. Before men are dismissed from any parade for which ball ammunition has been issued, an officer will ascertain that none remains in their rifles, pouches, or bandoliers. The men will also be reminded on such occasions that they are not allowed to have any unauthorized ammunition in their possession.

14. After firing with ball ammunition the officer i/c firing squad will assure all unexpended rounds of ball ammunition have been collected or otherwise accounted for.

15. Dummy cartridges may be issued to the men for practice in rapid loading in their spare time. Company, etc., commanders will satisfy themselves by frequent inspections that the dummy cartridges are correctly accounted for.

16. A unit moving from one station to another will take with it only the quantity of ammunition required to provide a sufficient guard with 20 rounds per man, unless otherwise specially ordered by the C.O.S. Any additional ammunition on charge to the unit will be returned to ordnance store unless instruction to the contrary is given.

17. When ammunition is issued from store to, or returned to store by, troops at the issuing station, an officer of the unit will, if possible, be in attendance. If an officer be not available, a warrant or senior N.C.O. will be present.

18. The issue of ammunition from the regimental ammunition store is to be made by the quartermaster or other responsible officer, and he is not to entrust the key of the store to any one. The squadron, etc., commander will inspect all ammunition issued for the use of his squadron, etc., and will be personally responsible for the correctness of the description and quantity of ammunition drawn, and for the care and expenditure of such ammunition. He will also personally check any unexpended balance of ammunition when collected from the men, and will be responsible for its return to the store.

19. All ammunition on regimental charge is to be inspected at least once a month by the C.O., who will see that it is deposited in a place of safety.

20. As damage may be done to rifles by the use of unsuitable ammunition, the use of any ammunition, whether ball, blank, or dummy, except that provided by Government, is forbidden.

21. When ammunition is found to be defective, the date of manufacture marked on the box is to be noted. The rounds complained of, with their wrappers, charger cases, or cotton bandoliers, and further samples from the same box, and the arms with which failure occurred, will be examined locally as far as possible. Should this examination establish sufficient evidence that the ammunition is defective, a full report must be forwarded by the O.C. to the Q.M.G., and samples retained for further inspection if required.

Medals and Decorations.

22. Instructions concerning the wearing of medals, decorations, and miniature medals by officers are contained in the instructions for dress.

23. Medals and decorations will be worn by other ranks when in review order (in the order prescribed in the dress instructions). In other than review order ribbons only will be worn.

24. When the grant of a medal has been notified and medal rolls have been transmitted to the A.G., the C.G.S. may, pending the issue of the medal, authorize the wearing of the regulation ribbon by all ranks whose names are entered on the rolls, except in cases where the decoration has been forfeited. The ribbon will be issued free, but indents will not be made until it has been notified that the ribbon is ready for issue.

25. Medals left behind by a soldier who absents himself without leave, and is declared by a court of inquiry to be illegally absent, will be forwarded to the A.G. If the man does not rejoin within ten years, the medals will be disposed of as unclaimed.

(*c*) Adjudant-onderoffisiere en onderoffisiere, wat nie onder die rang van sersant is nie, mag nie burgerklere dra as hul op kantoor- of ander diens is nie.

(*d*) Offisiere in bevel van eenhede kan spesiale permitte vir die dra van burgerklere tweemaal 'n week toestaan aan minderes onder die rang van sersant.

(*e*) Vir die doel van ontspanning mag burgerklere deur alle minderes gedra word behalwe as daar deel geneem word aan militêre sports te perd of aan georganiseerde sport en dan moet die helm of pet en baadjie deur die deelnemer oor sy sportsklere gedra word as hy na die ontspanningsterrein toe gaan of daarvandaan kom.

5. Die hare van die hoof moet taamlik kort gehou word. Die gesig moet kaal geskeer wees maar 'n snor kan gedra word. In die geval van lede van die S.A.S.D. moet die gesig kaal geskeer wees of anders moet hulle 'n baard en 'n snor dra.

Wapens en Mondering.

6. 'n Soldaat wat op verlof gaan moet geen wapens of mondering met hom meeneem nie.

7. Wapens en mondering, soos gelas mag word, moet by elke tenu op parade gedra word.

8. Geen water moet in die waterfles gehou word as die fles nie gebruik word nie.

9. As soldate van een eskadron of kompanjie na 'n ander in dieselfde resjiment of bataljon oorgeplaas word, moet hul wapens en mondering ook saam met hulle oorgeplaas word.

Geweerammuniesie.

10. In tyd van vrede moet manne nooit koeëlpatrone in hul besit hê nie tensy die B.O. dit nodig ag om die uitreiking van koeëlpatrone vir 'n spesiale doel te magtig.

11. Aan wagte en eskorte (behalwe eskorte vir soldate wat in bewaring is) en afdelings wat bedoel is om die burgerlike gesag by te staan, moet die nodige ammuniesie uitgereik word voor hulle op diens gaan en hierdie ammuniesie moet in die teenwoordigheid van 'n offisier ingesamel word nadat die diens uitgevoer is.

12. As daar ammuniesie in besit van die manne is, moet dit op die oggendparade deur 'n offisier geïnspekteer word en as daarvan ontbreek of beskadig is, moet dit gerapporteer word.

13. Voor die manne verdaag op 'n parade waarvoor koeëlpatrone uitgereik is, moet 'n offisier hom oortuig dat daar nie patrone in die gewere, sakkies of bandeliers agterbly nie. Die manne moet ook by sulke geleenthede daaraan herinner word dat hulle nie ongeoorloofde patrone in hul besit mag hê nie.

14. Nadat daar met koeëlpatrone geskiet is, moet die offisier aan die hoof van die skietafdeling sorg dat alle ongebruikte koeëlpatrone ingesamel is of dat daarvan rekenskap gegee is.

15. Valspatrone kan aan die manne uitgereik word vir oefening in gou laai in hul orige tyd. Bevelvoerders van kompanjies, ens., moet hulle deur herhaalde inspeksie tevrede stel dat van al die valspatrone rekenskap gegee is.

16. 'n Eenheid wat van een standplaas na 'n ander gaan, moet net soveel ammuniesie saam neem as wat nodig is om 'n voldoende wag met 20 patrone per man te voorsien, tensy die H.G.S. spesiaal ander instruksies gee. Alle ander ammuniesie in besit van die eenheid moet by die krygsbehoeftemagasyn terugbesorg word tensy teenoorgestelde instruksies gegee word.

17. Wanneer ammuniesie uit die magasyn uitgereik word aan, of by die magasyn terugbesorg word deur, troepe by die standplaas waar dit uitgereik word, moet daar 'n offisier van die eenheid aanwesig wees, as dit moontlik is. As daar nie 'n offisier beskikbaar is nie moet 'n adjudant-onderoffisier of senior onderoffisier aanwesig wees.

18. Die uitreiking van ammuniesie uit die resjiments-ammuniesiemagasyn moet deur die kwartiermeester of ander verantwoordelike offisier geskied en hy mag die sleutel van die magasyn aan niemand toevertrou nie. Die bevelvoerder van die eskadron,ens., moet alle ammuniesie wat vir die gebruik van sy eskadron, ens., uitgereik is inspekteer en hy is persoonlik verantwoordelik daarvoor dat die ammuniesie, soos ontvang, van die regte soort en hoeveelheid is. Ook is hy persoonlik verantwoordelik vir die sorg en verbruik van die ammuniesie. Hy moet ook self enige onverbruikte ammuniesie, as dit van die manne ingesamel is, nagaan en sorg dat dit by die magasyn terugbesorg word.

19. Alle ammuniesie in besit van die resjiment moet minstens eenmaal elke maand deur die B.O. geïnspekteer word, en hy moet sorg dat dit op 'n veilige plek bewaar word.

20. Aangesien gewere beskadig kan word deur die gebruik van ongeskikte ammuniesie mag geen ander ammuniesie (of dit koeëlpatrone of loskruit- of valspatrone is) as die wat deur die Goewerment verskaf word, gebruik word nie.

21. As dit blyk dat daar slegte patrone is, moet daar nota geneem word van die datum van fabriekasie wat op die kis voorkom. Die patrone waaroor gekla word, en ook die omhulsels, dosies, katoenbandeliers, ander monsters uit dieselfde kis, en die geweers wat met daardie patrone geweier het, moet, sover as moontlik is, op die plek self ondersoek word. As uit hierdie ondersoek genoegsaam blyk dat die ammuniesie sleg is, moet deur die B.O. 'n volledige verslag aan die K.M.G. gestuur word en monsters gehou word vir verdere inspeksie as dit nodig is.

Medaljies en Dekorasies.

22. Instruksies met betrekking tot die dra van medaljies, dekorasies en miniatuur-medaljies deur offisiere, is vervat in die "instruksies in verband met tenu."

23. By groot-tenu moet medaljies en dekorasies deur minderes gedra word in die orde soos voorgeskryf in die "Instruksies in verband met Tenu." Behalwe by groot-tenu moet net linte gedra word.

24. As daar van die toekenning van 'n medaljie kennis gegee is en die medaljielys aan die A.G. gestuur is, kan die H.G.S., alle range waarvan die name op die lys voorkom, behalwe die wat die dekorasie verbeur het, toelaat om, solank as die medaljies nog nie uitgereik is nie, die voorgeskrywe lint te dra. Die lint word kosteloos uitgereik maar moet nie bestel word nie voor daar kennis gegee is dat die lint vir uitreiking gereed is.

25. Medaljies agtergelaat deur 'n soldaat wat afwesig is sonder verlof en wat volgens uitspraak van 'n hof van ondersoek onwettig afwesig is, moet na die A.G. gestuur word. As die man nie binne 10 jaar weer aansluit nie sal met die medaljies gehandel word as of niemand daarop aanspraak het nie.

26. The A.G. will arrange for the safe custody of medals of absentees, and will keep a book showing (i) the regimental numbers, ranks, and names of the men whose medals are placed in his charge; (ii) the service for which the medals were granted; (iii) the date and cause of their being taken in charge, and (iv) the date and manner of their disposal.

27. The grant, forfeiture, and restoration of medals will be recorded on the military history-sheet, and, when medals are issued to a man after he has left the Force, the officer i/c records will enter the grant in the man's discharge or transfer documents. An entry of the grant will also be made in the allotted space on the certificate of character, showing name of campaign, medal, and number of clasps.

Acceptance and Wearing of Non-military Medals granted for Acts of Gallantry.

28. The only British non-military medals allowed to be worn when in uniform are—

(i) "The Albert medal," "The Edward medal," "The Board of Trade medal," "The medal of the Order of St. John of Jerusalem," and

(ii) the medals of the Royal Humane Society, the "Stanhope Gold medal" awarded by that body, and the medal of the Royal National Lifeboat Institution.

29. Of the medals mentioned in paragraph 28, not more than two may be worn for one act of gallantry, viz., one official medal and, if awarded, either the Royal Humane Society's medal, the Stanhope gold medal, or the Royal National Lifeboat Institution's medal.

30. Under no circumstances can medals awarded by private societies be permitted to be worn, and, as far as possible, this restriction also applies to medals awarded by foreign governments. In a case, however, where a foreign government medal and a British medal are awarded for the same act of gallantry, the foreign medal may be worn only on occasions of ceremony where representatives of the country concerned are present.

31. No restriction is imposed on the acceptance of any medal, British or foreign, which it is not intended to wear.

32. The right of determining which of several medals awarded may be worn is reserved to the Minister.

33. Whenever any of the medals mentioned in paragraph 31 are awarded to officers or soldiers, a statement of the fact should be sent to the A.G., in order that the necessary authority may be issued for the distinction to be worn.

Foreign Orders and Medals.

34. Attention is drawn to the regulations respecting foreign orders and medals issued by the Foreign Office, and published from time to time in the Official Army and Navy Lists, especially to the rule prescribing that "the intention of a foreign Sovereign to confer upon a British subject the insignia of an order must be notified to His Majesty's Principal Secretary of State for Foreign Affairs either through the British Minister accredited to the Court of such foreign Sovereign or through his Minister accredited at the Court of His Majesty." Until such notification has been made, His Majesty's permission to accept and wear the decoration cannot in any case be granted.

35. A medal or decoration bestowed by a foreign power cannot under any circumstances be replaced.

Loss and Replacement.

36. Medals are to be shown at kit inspections. When a soldier is unable to produce his medals, the squadron, etc., commander will record all available evidence regarding the loss, and will submit the same to the O.C. the unit, who will record his opinion as to whether the loss occurred—

(i) when the soldier was on duty and from causes entirely beyond his control;

(ii) by accident;

(iii) wilfully.

37. Under paragraph 36 (i) and (ii) applications to replace the lost medals may be at once submitted to the A.G. with the original record of evidence taken by the company, etc., commander.

38. In cases in which no testimony as to the loss, except that of the soldier himself, is forthcoming, the C.O., except in very special circumstances, which he will record, will take the man's character into account in forming his opinion.

39. It is necessary that the replacement of medals should be carefully safeguarded, and every effort made to prevent their falling into the possession of unauthorized persons.

40. For this reason it is seldom that medals can be permitted to be replaced at the public expense. Such replacement is confined to cases in which the loss of the medal was due entirely to unavoidable circumstances such as shipwreck, fire, etc. In interpreting this rule care should be taken to differentiate between such accidental losses as might ordinarily be incurred in private life and those which are incurred solely through the exigencies of the service. Thus, loss by theft, burglary, loss of baggage while travelling, or loss due to defective fastenings, etc., are such as might be incurred by any individual, and are not, therefore, to be considered as fair charges against the public.

41. In cases under paragraph 36 (iii) the soldier will be dealt with under section 24 of the Code, and, if convicted, he must serve three years clear of a regimental entry before he can be recommended for the grant of a new medal, on paying the value thereof.

42. If sentenced to imprisonment or detention, the three years will reckon from termination of such imprisonment or detention.

43. In all cases where the clasps are not lost, a new medal only is to be applied for.

26. Die A.G. moet reëlings tref vir die veilige bewaring van medaljies van afwesiges en moet 'n register hou waarin aangetoon word (i) die resjimentsnommers, rang en name van die manne wie se medaljies aan sy sorg toevertrou is; (ii) die diens waarvoor die medaljies toegeken is; (iii) die datum wanneer en die rede waarom hulle onder sy sorg geneem is; en (iv) wanneer en hoe daaroor beskik is.

27. Die toekenning, verbeuring en teruggawe van medaljies moet op die soldaat se militêre diensstaat aangeteken word en as medaljies aan 'n man uitgereik word na hy die Mag verlaat het, moet die register-offisier die toekenning op die man se ontslag of oorplasingpapiere aanteken. Die toekenning moet ook in die daarvoor bestemde ruimte op die gedrag-sertifikaat aangeteken word met vermelding van die naam van die veldtog, medaljie en aantal gespes.

Siviele Medaljies toegeken vir Dappere Dade.

28. Die enigste Britse siviele medaljies wat deur iemand in uniform gedra mag word is die volgende:—

(i) Die "Albert Medal," die "Edward Medal," die "Board of Trade Medal," die "Medal of the Order of St. John of Jerusalem" en

(ii) Die medaljies van die "Royal Humane Society," die "Stanhope Gold Medal"—deur daardie genootskap toegeken—en die "Medal of the Royal National Lifeboat Institution."

29. Nie meer as twee van die medaljies, wat in paragraaf 28 vermeld is, mag vir een daad van dapperheid gedra word nie, t.w. een offisiële medaljie en een van die volgende (as dit toegeken is) nl. die "Medal of the Royal Humane Society," "die "Stanhope Gold Medal" of die "Medal of the Royal National Lifeboat Institution."

30. Onder geen omstandighede kan dit toegelaat word nie om medaljies te dra wat deur partiekuliere genootskappe toegeken is; en hierdie beperking geld ook sover moontlik is vir medaljies wat deur vreemde moëndhede toegeken is. Waar egter 'n vreemde medaljie en 'n Britse medaljie vir dieselfde daad van dapperheid toegeken is, kan die vreemde medaljie net gedra word by seremoniële geleenthede waar daar verteenwoordigers van die betrokke vreemde moëndheid aanwesig is.

31. Daar is geen beperking nie teen die aanneming van enige medaljie, of dit 'n Britse of 'n vreemde medaljie is, wat die houer daarvan nie van plan is om te dra nie.

32. Die Minister behou die reg voor om te beslis watter van die verskillende toegekende medaljies gedra mag word.

33. As daar 'n medaljie of medaljies, soos in paragraaf 31 vermeld, aan offisiere of minderes toegeken is, moet dit aan die A.G. meegedeel word sodat die nodige magtiging vir die dra daarvan kan uitgereik word.

Vreemde Ordes en Medaljies.

34. Die aandag word gevestig op die regulasies in verband met vreemde ordes en medaljies, soos deur die Departement van Buitenlandse Sake (Engeland) uitgereik en van tyd tot tyd in die ranglyste van die Leër en die Vloot gepubliseer, en vooral op die reël wat bepaal dat "die voorneme van 'n vreemde soewerein om aan 'n Britse onderdaan die insienjie van 'n orde toe te ken, moet aan Sy Majesteit se Eerste Sekretaris van Staat vir Buitenlandse Sake bekend gestel word deur die Britse Minister wat by die hof van sulke vreemde soewerein geakkrediteer is, of anders deur sy eie minister wat by die hof van Sy Majesteit geakkrediteer is." Solank as sulke bekendstelling nog nie geskied het nie kan die toestemming van Sy Majesteit om die dekorasie te mag aanneem en dra in geen geval verleen word nie.

35. 'n Medaljie of dekorasie deur 'n vreemde moëndheid toegeken, kan onder geen omstandigheid deur 'n ander vervang word nie.

Verlies en Vervanging.

36. Medajies moet tydens die inspeksie van uitrusting getoon word. As 'n soldaat nie sy medaljies kan toon nie moet die bevelvoerder van die eskadron, kompanjie, ens., al die beskikbare getuienis in verband met die verlies daarvan aanteken en aan die O. in B. van die eenheid voorlê en laasgemelde maak 'n aantekening of volgens sy oordeel die verlies plaas gevind het—

(i) toe die soldaat op diens was en weëns oorsake wat heeltemaal buite sy beheer was;

(ii) per ongeluk;

(iii) met opset.

37. Onder paragraaf 36 (i) en (ii) kan applikasies vir vervanging van die verlore medaljies dadelik aan die A.G. voorgelê word met die originele getuienis genotuleer deur die bevelvoerder van die eskadron, kompanjie, ens.

38. In gevalle waar geen getuienis as net die van die soldaat self in verband met die verlies gelewer word, moet die B.O., behalwe in buitengewone gevalle waarvan hy aantekening moet hou, die man se karakter in aanmerking neem as hy sy opienie vorm.

39. Dit is nodig om by die vervanging van medaljies baie versigtig te werk te gaan en te sorg dat hulle nie in verkeerde hande val nie.

40. Dit is die rede waarom dit selde kan toegelaat word dat die vervanging van medaljies op staatskoste geskied. Sulke vervanging is beperk tot gevalle waar die verlies van die medaljie net te wyte was aan omstandighede wat nie vermy kon word nie, soos skipbreuk, brand, ens., en in die toepassing van hierdie reël is dit nodig om te onderskeie tussen sulke toevallige verliese as wat gewoonlik in die private lewe kan veroorsaak word en die wat net alleen deur die omstandighede van die diens veroorsaak word. By voorbeeld, verlies veroorsaak deur diefstal of deur die wegraak van bagasie gedurende 'n reis of van goedere wat sleg vasgemaak is, is van so 'n aard dat dit aan enige persoon kan veroorsaak word en moet dus nie as grond vir 'n billike vordering teen die Staat beskou word nie.

41. In gevalle onder paragraaf 36 (iii) word die soldaat onder seksie 24 van die Reglement behandel en hy moet, as hy veroordeel word, drie jaar dien sonder 'n resjimentsboeking teen sy naam, voor 'n aanbeveling kan gedoen word vir die toekenning aan hom van 'n nuwe medaljie by betaling deur hom van die waarde daarvan.

42. As die soldaat tot gevangenisstraf of detensie gevonnis is, tel die drie jaar van die afloop af van sulke gevangenisstraf of detensie.

43. In alle gevalle waar die gespes nie verloor is nie moet net vir 'n nuwe medaljie applikasie gemaak word.

44. An application from an ex-soldier for medals to replace those lost by him must be accompanied by a statutory declaration as to the circumstances under which the original medals were lost. New medals will not be issued until six months have elapsed from the date of the loss.

Forfeiture and Restoration of War Medals.

45. When the service forfeited by a soldier on conviction of desertion or fraudulent enlistment, or upon dispensation with trial for either of those offences, is restored to him, the war medals forfeited by him will also be restored.

46. War medals will similarly be restored to a soldier who qualifies for the restoration of forfeited service, but elects not to have such service restored.

47. Medals forfeited for other resons than desertion or fraudulent enlistment may be restored by the C.O. when the man has served three years clear of a regimental entry. When sentenced to imprisonment or detention, the three years will reckon from termination of such imprisonment or detention.

48. When reservists rejoin the Force on mobilization, any medals forfeited by them prior to transfer to the reserve will be restored.

Medals of Soldiers Discharged as Lunatics and of Deceased Officers and Soldiers.

49. Medals of a soldier who, on discharge, is sent to a lunatic asylum will be forwarded, by the officer who carries out the discharge, to the A.G., with a notification of the date of discharge and the institution to which the man has been sent.

50. Similar notification will be made in cases of such men who, on discharge, are entitled to medals not then issued.

51. The A.G. will periodically ascertain from the institution what becomes of the men, in order that their medals may be forwarded to them if they recover, or to their next-of-kin if they die.

52. The medals of an officer or soldier dying in the service will be disposed of by his C.O. as follows:—

(1) When bequeathed by will: The medals will be sent to the legatee.

(2) When not bequeathed by will: The medals will be sent to the next-of-kin, in the following order of relationship: widow; eldest surviving son; eldest surviving daughter; father; mother; eldest surviving brother; eldest surviving sister; eldest surviving half-brother; eldest surviving half-sister.

53. Medals issued after the death of an officer or soldier will be similarly dealt with by the A.G.

54. Cases in which the medals cannot be disposed of in terms of paragraph 52 will be submitted to the A.G. for decision.

Good Conduct Badges.

55. A good conduct badge shall be a distinction conferred on a soldier, other than a warrant or non-commissioned officer, and shall be marked by a chevron worn on the left arm.

56. Good conduct badges may be granted after the following periods of service:—

One badge: After 3 years' service (on first re-engagement).
Two badges: After 7 years' service (on third re-engagement)
Three badges: After 11 years' service.
Four badges: After 15 years' service.
Five badges: After 21 years' service.

57. If no entry has been made against a soldier in his regimental conduct-sheet for 15 years, he shall be entitled to his fifth good conduct badge after 18 years' service.

58. All service allowed to reckon towards discharge shall be reckoned towards the grant of good conduct badges.

59. A good conduct badge shall be awarded, within the limits of paragraph 56, to a soldier on completing a "term of good conduct," viz., a period of two years during which no entry has been made against the soldier in his regimental conduct-sheet. If the offence last entered involved detention or imprisonment, such period shall reckon from the day following that of the termination of the detention or imprisonment; otherwise it shall reckon from the date on which punishment was awarded.

60. A second or later badge shall not be granted under paragraph 59 until the badge or badges previously awarded have been held through a complete "term of good conduct" immediately preceding the date of the grant.

For example: If a soldier does not earn his first good conduct badge until he has served 6 years, he cannot be granted his second badge until he has served a further complete "term of good conduct," viz., at the end of 8 years.

61. A warrant or N.C.O. reduced to the rank of private shall, unless forfeiture is awarded under paragraph 62, be granted at once such a number of good conduct badges as he would be eligible for, under paragraph 56, in the lower rank, regard being had to the entries in his regimental conduct-sheet see paragraph 62); and the remaining badge or badges shall be awarded under the conditions of paragraph 59.

44. 'n Applikasie van 'n oud-soldaat vir medaljies om die wat hy verloor het te vervang moet vergesel gaan van 'n verklaring van die omstandighede waaronder hy die oorspronkelike medaljies verloor het. Nuwe medaljies word nie uitgereik nie voor die verstryking van ses maande gereken van die datum van die verlies daarvan.

Verbeuring en Teruggawe van Oorlogsmedaljies.

45. As aan 'n soldaat die diens teruggegee word wat hy verbeur het by sy veroordeling weëns desersie of bedrieglike diensneming, of as van sy formele beregting vir een of albei van hierdie oortredinge afgesien word, moet die oorlogsmedaljies wat hy verbeur het ook aan hom teruggegee word.

46. Op dieselfde manier word oorlogsmedaljies teruggegee aan 'n soldaat wat vir die teruggawe van verbeurde diens kwalifiseer maar wat verkies dat sulke diens nie aan hom teruggegee word nie.

47. Medaljies wat om ander redes as desersie of bedrieglike diensneming verbeur is, kan deur die B.O. teruggegee word as die man drie jaar diens gedoen het sonder 'n resjimentsboeking teen sy naam. As die man tot gevangenisstraf of detensie veroordeel is dan tel die drie jaar van die afloop af van sulke gevangenisstraf of detensie.

48. As reserviste by mobilisasie opnuut by die mag aansluit, moet alle medaljies, wat hulle voor hul oorplasing na die reserwe verbeur het, aan hulle teruggegee word.

Medaljies van Soldate wat as Kranksinniges ontslaan is en van Oorlede Offisiere en Soldate.

49. Medaljies van 'n soldaat wat by sy ontslag na 'n kranksinniggestig geneem word, moet deur die offisier wat die ontslag uitvoer na die A.G. gestuur word met 'n meedeling betreffende die datum van ontslag en die gestig waar die man heen gestuur is.

50. So 'n meedeling moet ook geskied in gevalle van manne wat, by ontslag, geregtig is op medaljies wat dan nog nie uitgereik is nie.

51. Die A.G. moet op gereelde tye by die gestig verneem wat van die manne geword het sodat hul medaljies aan hulle gestuur kan word as hulle herstel, of aan hul naasbestaande as hulle sterf.

52. Die B.O. van 'n offisier of soldaat wat in die diens sterf en medaljies nalaat, moet daarmee handel soos volg:—

(1) As die medaljies by testament vermaak is, moet hulle aan die persoon gestuur word aan wie hulle vermaak is.

(2) As die medaljies nie by testament vermaak is nie moet hulle aan die naasbestaande in die volgorde van verwantskap soos hier aangegee, gestuur word: wedewee; oudste seun wat nog leef; oudste dogter wat nog leef; vader; moeder; oudste broer wat nog leef; oudste suster wat nog leef; oudste stiefbroer wat nog leef; oudste stiefsuster wat nog leef.

53. Op dieselfde manier moet deur die A.G. gehandel word met medaljies wat na die dood van 'n offisier of soldaat uitgereik is.

54. Gevalle waarin nie ooreenkomstig paragraaf 52 met die medaljies kan gehandel word nie moet aan die A.G. vir beslissing voorgelê word.

Onderskeidingstekens vir Goeie Gedrag.

55. 'n Onderskeidingsteken vir goeie gedrag is 'n onderskeiding wat aan 'n soldaat, behalwe 'n adjudant-onderoffisier of onderoffisier, toegeken word, en word aangeduie deur 'n streep wat op die linkerarm gedra word.

56. Onderskeidingstekens vir goeie gedrag kan toegeken word nadat die volgende tydperke van diens afgelê is:—

Een onderskeidingsteken: na 3 jaar diens (by 1ste diensvernuwing).
Twee onderskeidingstekens: na 7 jaar diens (by 3de diensvernuwing).
Drie onderskeidingstekens: na 11 jaar diens.
Vier onderskeidingstekens: na 15 jaar diens.
Vyf onderskeidingstekens: na 21 jaar diens.

57. As daar vir 15 jaar geen boeking teen 'n soldaat in sy resjiments-gedragstaat gemaak is nie sal hy na 18 jaar diens op sy vyfde onderskeidingsteken geregtig wees.

58. Diens wat gereken kan word vir die doel van ontslag word ook gereken vir die toekenning van 'n onderskeidingsteken vir goeie gedrag.

59. 'n Onderskeidingsteken vir goeie gedrag moet, binne die perke van paragraaf 56, aan 'n soldaat toegeken word as hy 'n "termyn van goeie gedrag" voltooi het, t.w. 'n tydperk van twee jaar gedurende die loop waarvan daar geen boeking teen hom in sy resjiments-gedragstaat gemaak is nie. As daar detensie of gevangenisstraf gevolg het op die oortreding wat die laaste geboek is, moet die bedoelde tydperk gereken word van die dag af wat volg op die datum waarop die detensie of gevangenisstraf verstryk het, maar anders moet die tydperk gereken word van die datum af waarop die straf opgelê is.

60. 'n Twede of daaropvolgende onderskeidingsteken moet nie onder paragraaf 59 toegeken word nie tensy die vroeër toegekende onderskeidingsteken of onderskeidingstekens gehou is vir 'n komplete "termyn van goeie gedrag," onmiddellik voor die datum van die toekenning.

By voorbeeld: As 'n soldaat nie sy eerste onderskeidingsteken vir goeie gedrag verdien voor hy 6 jaar gedien het nie kan hy sy twede onderskeidingsteken nie kry nie voor hy eers 'n verder komplete "termyn van goeie gedra" voltooi het, t.w. na 8 jaar.

61. Aan 'n adjudant-onderoffisier of onderoffisier wat na die geledere teruggesit is, moet, tensy verbeuring onder paragraaf 62 opgelê is, dadelik die aantal onderskeidingstekens vir goeie gedrag toegeken word waarvoor hy in aanmerking sou gekom het, in die laer rang, onder paragraaf 56, en hierby moet in ag geneem word die boekinge in sy resjiments-gedragstaat (kyk paragraaf 62). Die orige onderskeidingsteken of onderskeidingstekens moet onder die bepalinge van paragraaf 59 toegeken word.

62. One badge held by a soldier shall be forfeited for each entry against him in his regimental conduct-sheet, unless the entry be for an offence entailing further forfeiture under paragraph 63.

63. A soldier shall forfeit all his good conduct badges and be placed in the same position as regards earning badges as a recruit when—

(*a*) he is convicted of an offence under section 17 or section 18 of the U.M.D.C.;

(*b*) his conviction by a court martial or the order dispensing with his trial is such as to entail a forfeiture of former service towards engagement;

(*c*) he is sentenced by a court martial or civil court to a term of imprisonment.

64. The forfeiture of a good conduct badge shall be reckoned from the date on which punishment is awarded.

65. A soldier who forfeits a good conduct badge, except under the circumstances defined in paragraph 63, shall regain it on completing a "half term of good conduct," viz., a period of one year during which no entry has been made against him in his regimental conduct-sheet.

If the soldier has lost more than one badge, he shall complete a "half term of good conduct" from the date of losing the last badge forfeited before one lost badge is restored, and shall complete another "half term" before the second badge is restored, and so on.

62. Vir elke boeking teen 'n soldaat in sy resjiments-gedragstaat sal hy een onderskeidingsteken, wat hy hou, verbeur tensy die boeking vir 'n oortreding is wat verder verbeuring onder paragraaf 63 meebring.

63. 'n Soldaat sal al sy onderskeidingstekens vir goeie gedrag verbeur en, wat betref die verdien van onderskeidingstekens, in dieselfde posiesie as'n rekruut geplaas word as—

(*a*) hy weëns 'n oortreding onder seksie 17 of seksie 18 van die U.M.R.D. gevonnis is;

(*b*) sy veroordeling deur 'n krygsgraad, of die order waaronder van sy formele beregting afgesien is, van so 'n aard is dat dit verbeuring meebring van vroeër diens wat vir indiensneming tel;

(*c*) hy deur 'n krygsraad of burgerlike hof tot 'n tydperk van gevangenisstraf gevonnis is.

64. Die verbeuring van 'n onderskeidingsteken vir goeie gedrag word gereken van die datum af waarop die straf opgelê is.

65. 'n Soldaat wat 'n onderskeidingsteken vir goeie gedrag verbeur, behalwe onder die omstandighede soos bepaal in paragraaf 63, sal dit terugwin as hy "'n halwe termyn van goeie gedrag" voltooi het, t.w. 'n tydperk van een jaar waarin geen boeking teen sy naam in sy resjiments-gedragstaat gemaak is nie.

As die soldaat meer as een onderskeidingsteken verloor het, moet hy "'n halwe termyn van goeie gedrag" gereken van die datum af waarop hy die laaste verbeurde onderskeidingsteken verloor het, voltooi voor een verlore onderskeidingsteken teruggegee word en moet nog 'n "halwe termyn" voltooi voor die twede onderskeidingsteken teruggegee word, en so voort.

86. 'n B.O. van 'n gewapende afdeling wat 'n wag verbygaan, of wat salueer of gesalueer word moet, as hy in grootteru is, sy sabel trek voor hy die nodige bevel gee. As hy in bevel van 'n ongewapende afdeling is moet hy met die regterhand terugsalueer op sy kommando "oë regs (of links)." (ii) Laden boats, or those towing or in tow, are not included in above rules. The officer or coxswain will only salute.

(iii) Coxswains of boats, when an officer is in charge, do not salute except at landing-places, and then only when ordered to do so by the above rules.

(iv) Officers of branches other than the military branch are to receive the same salutes as officers of the military branch of corresponding rank, with the exception of tossing or laying on oars and letting fly sheet.

(v) In the case of boats conveying officers of branches other than the military branch passing, or being passed by, boats conveying officers of the military branch of the same relative rank, the officers in charge of the boats, or the coxswains, should there be no officers in charge, are to mutually salute.

(vi) Boat-keepers are to stand up and salute officers who pass their boats, unless the boat's awning is spread, when they will sit up smartly and salute.

(vii) When passing a funeral party afloat with the body, oars will be tossed by double-banked boats or corresponding marks of respect paid by either pulling or steam boats.

Note.—In boats fitted with crutches, oars are never to be tossed, but the salute given by laying on oars.

94. N.C.O.'s and men will address warrant officers, Classes I and II, in the same manner as they do officers, but will not salute them.

95. In a civil court an officer or soldier will remove his headdress while the judge or magistrate is present, except when the officer or soldier is on duty under arms with a party or escort inside the court.

Guards of Honour.

96. A guard of honour, as a general rule, of 100 rank and file with a captain in command, two subaltern officers (one carrying the King's colour), a proportion of sergeants, and the command or district band, will attend—

(i) upon the King and other Royal personages, and upon Presidents of Republican States;

(ii) at State ceremonials.

97. Similar guards of honour, but with the regimental colour, will attend upon the Governor-General on such occasions as are customary.

98. A guard of honour of 50 rank and file, with two officers, one carrying the regimental colour, and a band, will attend—

(i) when a foreign general or flag officer lands at a military station to visit the civil governor or officer in command;

(ii) when a naval officer of flag rank commanding-in-chief lands for the first time at a port within his command;

(iii) if deemed expedient, to receive distinguished personages other than those mentioned in the preceding paragraphs.

Guards and Sentries.

99. Guards, including guards of honour, mounted over the person of the King and members of the Royal Family, will pay no compliments except to the King and members of the Royal Family; and guards, including guards of honour, mounted over viceroys and governors within their respective governments, will pay no compliments to officers or persons of lesser degree. When any such guards are visited by officers on duty, they will turn out to them with sloped arms.

100. Guards are at all times between reveille and retreat to turn out and pay the compliments specified in paragraph 62 to general officers in uniform and to civil governors within the limits of their jurisdiction. Guards and parties on the march will also pay the prescribed compliments to general officers in uniform.

101. An officer under the rank of a general officer is not entitled to the compliment of the bugle sounding the salute or the drum beating a ruffle when guards "present arms" to him. An officer who is not in uniform is not entitled to the compliment of a guard turning out, except members of the Royal Family and governors or lieutenant-governors within the precincts of their governments.

102. To regimental C.O.'s—irrespective of their army rank—their regimental guards are to turn out, and present arms, once a day.

103. When a general officer in uniform, or a person entitled to a salute, passes in rear of a guard, the commander is to cause his guard to fall in and stand with sloped arms facing the front, but no drum is to beat or bugle to sound. When such officers pass guards while in the act of relieving, both guards are to salute as they stand, receiving the word of command from their senior commander.

104. Guards are to turn out at all times when armed parties of any branch of the service approach their posts; to armed corps they will present arms, and before other armed parties they will stand with sloped arms. They will not pay compliments between the sounding of "Retreat" and "Reveille," except to Grand Rounds. They will not turn out to unarmed parties. A mounted party, armed, will draw and carry arms to all guards turning out to it.

Note.—By the expression "armed party" is meant a party consisting of at least twenty rank and file under an officer armed with swords, guns, or rifles, and mounted in the case of mounted units.

By the expression "armed corps" is meant an armed party of a certain strength, namely, a regiment of cavalry, a battery of horse, field, heavy, or mountain artillery with its guns, garrison artillery of not less than two companies, engineers of not less than four companies, a battalion of infantry with or without colours, A.S.C., or A.O.C. of not less than four companies.

(ii) Gelaaide bote, sleepbote of bote wat gesleep word val nie onder bostaande reëls nie. Net die offisier of bootsman salueer.

(iii) Bootsmanne van bote met 'n offisier aan die hoof salueer nie behalwe by landingsplekke en dan net as hul, ooreenkomstig bostaande reëls, orders kry om dit te doen.

(iv) Offisiere van takke, met uitsondering van die militêre tak, moet op dieselfde manier as offisiere van die militêre tak van oorstemmende rang gesalueer word, behalwe dat die salute "Roeirieme oorend," "Op roeirieme lê" en "Seil laat skiet" nie gegee word nie.

(v) As bote wat offisiere van ander takke as die militêre tak vervoer en bote wat offisiere van die militêre tak van ooreenstemmende rang vervoer, mekaar verbygaan, moet die offisiere in bevel van die bote, of die bootsmanne as die bote nie onder bevel van offisiere is nie, mekaar salueer.

(vi) Bootopsigters moet offisiere wat hul bote verbygaan salueer in 'n staande houding, behalwe as die sonskerm gespan is, en dan moet hulle regop sit en salueer.

(vii) As 'n begrafnisafdeling te water met die lyk verbygegaan word moet die roeirieme oorend gehou word op bote met twee roeiers op een bank, of ooreenstemmende eerbewyse betoon word, sowel deur roei- as stoombote.

Noot.—As bote van roeimikke voorsien is, moet die roeirieme nooit oorend gehou word nie, maar moet die saluut geskied deur op die roeirieme te lê.

94. Onderoffisiere en manskappe moet adjudant-onderoffisiere, Klas I en II, op dieselfde manier aanspreek as wat offisiere aangespreek word, maar moet hulle nie salueer nie.

95. In 'n burgerlike hof moet 'n offisier of soldaat sy hoofdeksel afhaal solank as die regter of magistraat aanwesig is, behalwe wanneer die offisier of soldaat op diens is onder wapens met 'n afdeling of eskorte binne die hof.

Erewagte.

96. 'n Erewag, wat gewoonlik bestaan uit 100 man van die geledere met 'n kaptein in bevel, twee luitenants (een waarvan die Koningsvaandel dra), 'n eweredige aantal sersants en die leërplaas- of distriks-musiekkorps, word opgestel—

(i) vir die Koning en ander koninklike persone; en vir presidente van republikeinse state;

(ii) by staatsplegtighede.

97. Dergelike erewagte, maar met die resjimentsvaandel, word by gebruiklike geleenthede opgestel vir die Goewerneurgeneraal.

98. 'n Erewag, wat bestaan uit 50 man van die geledere, met twee offisiere (een waarvan die resjimentsvaandel dra) en 'n musiekkorps, word opgestel—

(i) as 'n vreemde generaal of vlagoffisier by 'n militêre standplaas land om die burgerlike goewerneur of offisier in bevel te besoek;

(ii) as 'n seeoffisier van die rang van vlagoffisier in opperbevel, vir die eerste maal land by 'n hawe wat binne sy gebied geleë is;

(iii) as dit nodig geag word, om persone van onderskeiding, behalwe die wat in dit voorgaande paragrawe vermeld is, te ontvang.

Wagte en Skildwagte.

99. Wagte, met inbegrip van erewagte, opgestel vir die persoon van die Koning en lede van die Koninklike Famielie, betoon geen eerbewyse behalwe aan die Koning en lede van die Koninklike Familie; en wagte, met inbegrip van erewagte, opgestel vir onderkonings en goewerneurs binne hul respektiewe regerings, betoon geen eerbewyse aan offisiere of persone van 'n minder graad. As hierdie wagte deur offisiere op diens besoek word, moet hulle met die geweer "oor" vir sulke offisiere aantree.

100. Wagte moet altyd tussen die môre- en aandsienjale aantree en die eerbewyse, soos in paragraaf 62 voorgeskryf, betoon aan opperoffisiere in uniform en aan burgerlike goewerneurs binne die perke van hul gebied. Wagte en afdelings op mars moet ook die voorgeskrywe eerbewyse aan opperoffisiere in uniform betoon.

101. 'n Offisier benede die rang van opperoffisier is nie op begroeting van 'n beuelsienjaal of 'n roffelslag geregtig nie as wagte hom die geweer presenteer. 'n Offisier wat nie in uniform is nie, is nie geregtig om deur aantree van die wag begroet te word nie. Dit geld egter nie vir lede van die Koninklike Famielie en ook nie vir goewerneurs of luitenant-goewerneurs binne die perke van hul regerings.

102. Vir resjimentsbevelvoerders (wat hul rang in die leër ook al is) moet die resjimentswag eenmaal elke dag aantree en die geweer presenteer.

103. As 'n opperoffisier in uniform, of 'n persoon wat op 'n saluut geregtig is, agter 'n wag verbygaan, moet die bevelvoerder sy wag laat aantree en in die houding van "oor-geweer" laat staan, met die gesig na die front, maar geen tamboer moet geslaan en geen beuel geblaas word nie. As sulke offisiere wagte verbygaan op die oomblik van aflossing, moet albei wagte salueer soos hulle staan, waarby hulle die kommando van die senior bevelvoerder ontvang.

104. Wagte moet altyd aantree as gewapende afdelings van enige tak van die diens hul poste nader. Vir gewapende korpse moet hulle die geweer presenteer en vir ander gewapende afdelings moet hulle in die houding "oor-geweer" staan. Tussen die môre- en aandsienjaal moet hul geen eerbewyse betoon nie behalwe aan groot rondes. Vir ongewapende afdelings tree hul nie aan nie. 'n Berede afdeling met wapens, kom in die houding van "geweer-op" vir alle wagte wat vir hulle aantree.

Noot.—Die uitdrukking "gewapende afdeling" beteken 'n afdeling wat bestaan uit nie minder nie as 20 manskappe, onder 'n offisier, gewapen met sabels, kanonne of gewere, en te perd in die geval van berede eenhede.

Die uitdrukking "gewapende korps" beteken 'n gewapende afdeling van 'n seker sterkte, t.w., 'n resjiment kawallerie, 'n battery rydende-, veld-, sware of bergartillerie, met kanonne, vestingsartillerie van nie minder nie as 2 kompanjies, sjenietroepe van nie minder nie as 4 kompanjies, 'n infanteriebataljon, met of sonder vaandels, intendans of leër-krygsbehoeftediens van nie minder as 4 kompanjies.

Artillerie Salute.

109. Pretoria en Kaapstad is die standplase waar dit geoorloof is salute te vuur; en ook op S.M.S.A. skepe waarop ligte snelvuurkanonne is.

110. Koninklike salute bestaan uit 21 kanonskote.

Koninklike salute word ter ere van die volgende hoë persone gevuur by die geleenthede soos vermeld:—

(i) Die Soewerein; 'n lid van die Koninklike Famielie; 'n Vreemde gekroonde hoof of soewereine prins of sy gemalin; 'n prins wat 'n lid is van 'n vreemde koninklike famielie; die president van 'n republiekeinse staat.
Salute word gevuur by aankoms en ook by vertrek.

(ii) By die verbygaan van 'n skip met vlae wat die teenwoordigheid daarop aanduie van die Soewerein (of lede van die Koninklike Famielie wat hom verteenwoordig), die Koningin, die Koningin-moeder of die Prins van Wallis. Die teenwoordigheid van die Soewerein (of sy verteenwoordigers) word aan boord van elke oorlogskip aangeduie deur die "Royal Standard" aan die grootmas te vertoon, die vlag van die "Lord High Admiral" aan die voormas en die "Union Jack" aan die besaansmas. Op 'n skip met minder as drie maste word dieselfde vlae op die mees sigbare plekke vertoon. Die teenwoordighid van die Prins van Wallis of 'n ander lid van die Koninklike Famielie op enige skip word deur hulle respektiewe vlae aangeduie.
Geen ander vlag word in die teenwoordigheid van die "Royal Standard" of van die vlag van die Prins van Wallis of 'n ander lid van die Koninklike Famielie gesalueer nie behalwe die vlag van 'n vreemde koninklike famielie of van die president van 'n republiek.

(iii) As een van S.M.S.A. skepe 'n plek langs die kus verbygaan waar die "Royal Standard" of die vlag van 'n lid van die Koninklike Famielie vertoon word, of 'n skip verbygaan waarop vertoon word die vlag van 'n vreemde gekroonde hoof of soewereine prins, of die gemalin van daardie hoof of prins, of die president van 'n republiek.

(iv) Die verjaardag van die Soewerein.

111. When any anniversary falls on a Sunday, the salute will be fired at noon on the following day.

112. Upon the occasion of the celebration of the birthday of the king or the queen of a foreign nation, or of other important national festivals and ceremonies, by any ships of war of such nation, a salute not exceeding 21 guns may be fired in conjunction with any of His Majesty's ships that may be present, on official intimation of the intended celebration being received by the O.C. the troops at the station.

113. A salute, consisting of 19 guns, will be fired in honour of the Governor-General on the following occasions:—

(*a*) On first landing in South Africa.
(*b*) On reading of Royal Commission and taking oaths of office.
(*c*) On leaving South Africa on leave of absence.
(*d*) On returning to South Africa from leave of absence exceeding three months.
(*e*) On leaving South Africa on expiration of term of office.
(*f*) When officially arriving at or departing from Pretoria and Capetown, but not oftener than once each in twelve months.

114. Salutes in honour of officers of the army, other than those mentioned in the preceding paragraph, will not be fired by forts except at their funerals, when the number of guns will be as given in paragraph 137.

115. Officers temporarily acting in any higher command are entitled, during their temporary tenure, to all the honours or salutes that may appertain to that office, provided that an officer under the rank of brigadier-general or commodore is not to be saluted in virtue of his military or naval rank.

116. An inferior authority is not to be saluted in the presence of a superior authority. Personal as well as other salutes are included in both cases.

117. Such of the authorities mentioned in the foregoing instructions as may, from their rank and appointments, be entitled to be saluted in more than one capacity, will be saluted under that rank which shall entitle them to the greatest number of guns, but on no occasion is the same individual to be saluted in more than one capacity.

118. A foreigner of high distinction, or a foreign general or flag officer, when visiting the governor or the military officer in command (see paragraph 121), may, on landing, be saluted with the number of guns which, from his rank, he is entitled to receive from a ship of war of his own nation, or with such number, not exceeding 19, as may be deemed proper; but such salute will not in any case exceed the number of guns given to officers of corresponding rank in His Majesty's Army and Navy.

119. All salutes from ships of war of other nations to a fort or one of H.M.S.A. ships are to be returned gun for gun.

120. The following regulations, in which the maritime powers generally have concurred, are to be observed in reference to the interchange of salutes between His Majesty's S.A. ships and foreign ships of war which bear the flag of a flag officer or the broad pendant of a commodore or captain commanding a squadron or division:—

	Guns.
The flag of an admiral of the fleet or flag officer who ranks with a field marshal is to be saluted with ...	19
The flag of an admiral is to be saluted with	17
The flag of a vice-admiral is to be saluted with	15
The flag of a rear-admiral is to be saluted with	13
The broad pendant of a commodore or a captaine de vaisseau chef de division in the French Navy is to be saluted with	11

For the purpose of this paragraph, as the rank of full admiral does not exist in the French Navy, vice-admirals of that nation whose flags may be hoisted at the main are to be regarded as full admirals, and are to be saluted with 17 guns.

121. If a foreigner of high distinction, or a foreign flag officer or general officer, should visit any one of His Majesty's S.A. ships, he may be saluted on his going on board, or on leaving the ship, with the number of guns which he, from his rank, would receive on visiting a ship of war of his own nation, or with such number, not exceeding 19 guns, as may be deemed proper; should the number of guns to which he is entitled from ships of his own nation be less than is given to the officers of his rank under paragraph 120, he is to be saluted with the greater number.

122. The captain of a ship, or the senior officer of more than one ship, on anchoring at a foreign port where there is a fort or battery, or where a ship of the nation may be lying, shall salute the National Flag with 21 guns, on being satisfied that the salute will be returned.

The salute shall be fired on each occasion that a ship visits a foreign port, except in the case of a ship leaving port temporarily, when by agreement with the local authorities the salute on her return may be dispensed with. This rule has been concurred in by the maritime powers generally.

123. If one or more H.M.S.A. ships should meet a foreign ship of war bearing the flag of a flag officer, or the broad pendant of a commodore commanding a station or squadron, and superior in rank to the senior officer in command of His Majesty's S.A. ship or ships, such senior officer shall salute the foreign flag officer with the number of guns accorded to his rank in paragraph 120. If the meeting takes place in port, the salute is not to be fired until the proper national salutes shall have been interchanged, and then only if the local regulations admit thereof.

124. If from any special cause one of His Majesty's S.A. ships from which a salute may reasonably be expected is unable to salute, the circumstances are to be explained on the spot.

125. His Majesty's S.A. ships shall not, on any account, lower their flags to any foreign ships whatsoever unless the foreign ships shall first, or at the same time, lower their flags to them.

126. The following regulations are to be observed in regard to return salutes to or from His Majesty's S.A. ships and forts or bateries:—

(*a*) *Royal.*—Royal salutes are not to be returned.

111. As 'n verjaardag op 'n Sondag val word die saluut die middag van die volgende dag gevuur.

112. By geleentheid van die viering van die geboortedag van die Koning of die Koningin van 'n vreemde nasie of die viering van ander belangrike nasionale feeste en plegtighede deur die oorlogskepe van sulke nasie, kan, in vereniging met enige van Sy Majesteits skepe wat teenwoordig is, 'n saluut van nie meer nie as 21 kanonskote gevuur word as daar 'n amptelike meedeling omtrent die voorgenome viering ontvang is deur die B.O. van troepe by die standplaas.

113. 'n Saluut van 19 kanonskote word ter ere van die Goewerneur-generaal gevuur by die volgende geleenthede:—

(*a*) As hy die eerste maal in Suidafrika land.
(*b*) As die Koninklike Opdrag voorgelees en die ampseed afgelê word.
(*c*) As hy op verlof Suidafrika verlaat.
(*d*) As hy na Suidafrika terugkeer van verlof van meer as drie maande.
(*e*) As hy Suidafrika verlaat by verstryking van sy ampstyd.
(*f*) As hy amptelik in Pretoria en Kaapstad aankom of daarvandaan vertrek, maar nie meer nie as eenmaal elke jaar vir elkeen van hierdie twee plekke.

114. Salute ter ere van offisiere van die leër, uitgenome die wat in die voorgaande paragraaf vermeld is, word nie deur forte gevuur nie, behalwe by geleentheid van die begrafnisse van sulke offisiere en dan is die aantal kanonskote soos voorgeskrywe in paragraaf 137.

115. Offisiere wat tydelik in 'n hoër bevel optree is gedurende hul tydelike ampstyd geregtig op al die eerbewyse en salute wat by daardie amp behoort; maar 'n offisier benede die rang van brigadier-generaal of kommodoor moet nie op grond van sy militêre of mariene rang gesalueer word nie.

116. 'n Minder outoriteit moet nie in die teenwoordigheid van 'n meerder outoriteit gesalueer word nie. Dit sluit in persoonlike en ander salute.

117. Enige van die in die voorafgaande instruksies vermelde outoriteite, wat op grond van hul rang en betrekkinge geregtig is om in meer as een hoedanigheid gesalueer te word, moet gesalueer word onder die rang wat hulle die reg gee op die grootste aantal kanonskote, maar een en dieselfde persoon moet by geen geleentheid in meer as een hoedanigheid gesalueer word nie.

118. 'n Vername vreemdeling of 'n vreemde generaal of vlagoffisier kan, as hy die goewerneur of militêre offisier in bevel besoek (kyk paragraaf 121) by landing gesalueer word met die aantal kanonskote wat hy, op grond van sy rang, geregtig is te ontvang van 'n oorlogskip van sy eie nasie, of met so 'n aantal, maar nie meer nie as 19, as wat gepas geag word. So 'n saluut moet egter in geen geval uit 'n groter aantal kanonskote bestaan nie as die waarop offisiere van ooreenstemmende range in Sy Majesteits Leër of Seemag geregtig is nie.

119. Alle salute van oorlogskepe van ander nasies aan 'n fort of een van S.M.S.A. skepe, moet deur eweveel kanonskote beantwoord word.

120. Die volgende regulasies, waarmee die maritieme moëndhede in die algemeen ingestem het, moet in ag geneem word in verband met die wisseling van salute tussen S.M.S.A. skepe en vreemde oorlogskepe onder die vlag van 'n vlagoffisier of die breë wimpel van 'n kommodoor of kaptein in bevel van 'n eskader of smaldeel:

	Kanonskote.
Die vlag van 'n vlootadmiraal of vlagoffisier wat gelyk staan in rang met 'n veldmaarskalk word gesalueer met	19
Die vlag van 'n admiraal word gesalueer met	17
Die vlag van 'n viseadmiraal	15
Die vlag van 'n skout-by-nag	13
Die breë wimpel van 'n kommodoor of 'n kapitaine de vaisseau chef de division in die Franse Seemag word gesalueer met	11

Aangesien die rang van volle admiraal nie in die Franse Seemag bestaan nie, word daardie nasie se viseadmiraals wie se vlae aan die grootmas gehys is, vir die doel van hierdie paragraaf as volle admiraals beskou en word hulle met 17 kanonskote gesalueer.

121. Ingeval 'n vername vreemdeling, of 'n vreemde vlagoffisier of opperoffisier een van S.M.S.A. skepe besoek, kan hy, as hy op die skip gaan of die skip verlaat, gesalueer word met die aantal kanonskote wat hy op grond van sy rang sou ontvang as hy 'n oorlogskip van sy eie nasie besoek, of met so 'n aantal kanonskote, maar nie meer nie as 19, as wat gepas geag mag word. Ingeval die aantal kanonskote, waarop hy van sy eie nasie se skepe geregtig is, minder is as die aantal waarmee die offisiere van sy rang onder paragraaf 120 gesalueer word, moet hy met die groter aantal gesalueer word.

122. Die kaptein van 'n skip of die senior offisier van meer as een skip moet by ankering in 'n vreemde hawe waar 'n fort of battery is of waar 'n skip van so 'n vreemde nasie lê, die nasionale vlag met 21 kanonskote salueer as hy verseker is dat die saluut beantwoord sal word.

Die saluut moet gevuur word elke maal wat 'n skip 'n vreemde hawe besoek behalwe as 'n skip die hawe tydelik verlaat en dan kan, in oorleg met die plaslike outoriteit, van die saluut by sy terugkeer afgesien word. Hiermee het die maritieme moëndhede in die algemeen ingestem.

123. As een of meer van S.M.S.A. skepe 'n vreemde oorlogskip ontmoet onder die vlag van 'n vlagoffisier of onder die breë wimpel van 'n kommodoor in bevel van 'n standplaas of eskader en hoër in rang as die senior offisier in bevel van S.M.S.A. skip of skepe dan moet daardie senior offisier die vreemde vlagoffisier salueer met die aantal kanonskote wat sy rang toekom volgens paragraaf 120. As die ontmoeting in 'n hawe plaas vind, moet die saluut nie gevuur word voor die gebruiklike nasionale salute eers gewissel is nie en dan net as die plaaslike regulasies dit toelaat.

124. As daar 'n besondere oorsaak is waarom een van S.M.S.A. skepe, van wie 'n saluut redelikerwys verwag kan word, nie kan salueer nie moet die omstandighede daar en dan verklaar word.

125. S.M.S.A. skepe moet onder geen omstandighede hulle vlae vir enige vreemde skepe neerlaat nie tensy die vreemde skepe eers of op dieselfde tyd hul vlae neerlaat.

126.—Die volgende regulasies moet in ag geneem word in verband met die beantwoording van salute aan of van S.M.S.A. skepe en forte of batterye:—

(*a*) *Koninklike.*—Koninklike salute moet nie beantwoord word nie.

(*b*) *From Foreign Ships of War.*—All salutes from foreign ships of war, either to His Majesty's S.A. ships or forts, are to be returned gun for gun. Should there be no fort or battery from which such salutes can be returned, the senior naval officer present will return them gun for gun.

127. In the case of salutes from His Majesty's S.A. ships, forts, and batteries to foreign Royal personages and other functionaries, the following arrangement entered into with the maritime powers is to be observed:—

(i) *Salutes Not Returned.*—Salutes from ships of war which will not be returned:

(*a*) To Royal personages, chiefs of States, or members of Royal Families, whether on arrival at or departure from a port, or upon visiting ships of war;

(*b*) to diplomatic, naval, military, or consular authorities, or to governors or officers administering a government, whether on arrival at or departure from a port, or when visiting ships of war;

(*c*) to foreigners of high distinction on visiting ships of war;

(*d*) upon occasions of national festivals or anniversaries.

(ii) *Salutes Returned.*—Salutes from ships of war which will be returned gun for gun:

(*a*) To the national flag on anchoring at a foreign port;

(*b*) to the flags of foreign admirals and commodores when met with at sea or in harbour (see paragraph 120).

(iii) *Reciprocity with Foreign Ships.*—When foreign ships of war salute the British flag or British Royal or other personages, or any of His Majesty's functionaries in similar circumstances, the same rules are to be reciprocally observed by His Majesty's S.A. ships present as to returning or not returning the salutes.

(iv) *Viceroy.*—Salutes to the Viceroy of India are not returned.

Note.—By clause (i) of this paragraph [taken in conjunction with clause (iii)] His Majesty's S.A. ships will not return a personal salute to a British officer fired by foreign vessels; nor will such return salute be expected by the officers of a power which adheres strictly to the international arrangement. If, however, on any occasion where personal salutes are exchanged a personal salute fired by one of His Majesty's S.A. ships or by a ship of some third nation to a foreign officer is returned, it is an excess of courtesy which it would be impossible not to reciprocate by returning any personal salute to a British officer fired immediately afterwards under like conditions. His Majesty's S.A. ships may even take the initiative in returning personal salutes, if such is known to be the custom of the nation whose ship has saluted, and if it is expected that a personal salute to an officer of that nation will presently have to be fired and will be returned.

128. When foreign or British merchant ships or any ships not in the Royal Navy or S.A.N.S. salute His Majesty's S.A. ships, the return salute is to be five guns to a single ship and seven to more than one sailing in company.

Flags to be Hoisted when Saluting or Returning Salutes.

129. When salutes are interchanged with foreign ships of war or forts, or when personal salutes are fired in honour of foreigners, the following rules as to the flags that shall be displayed are to be observed by His Majesty's S.A. ships:—

(a) *Royal Personages.*—In the case of a foreign Royal personage or chief of a State.	The flag of the nation of such Royal personage, etc., is to be hoisted at the main.
(b) *Festivals.*—When salutes are fired, whether in British or in foreign ports, on the occasion of a foreign national festival.	The flag of the foreign nation in honour of which the day is being celebrated is to be hoisted at the main during the salute, and for such further time as the ships of the nation may be dressed, or if none are present, until sunset.
(c) *National Flag.*—On anchoring at a foreign port.	The flag of the foreign nation which is being saluted is to be hoisted at the main during the salute.
(d) *Foreign Flag Officers.*—When meeting a foreign flag officer, or when returning the salute of any foreign flag officer or ship of war.	The flag of the foreign nation is to be hoisted at the fore during the salute or return salute.
(e) *Visits of Foreign Authorities.*—On the occasion of visits from foreign diplomatists, governors, or naval, military, or consular authorities, or of distinguished persons entitled to salutes.	The flag of the foreign nation to which the person saluted belongs is to be hoisted at the fore during the personal salute.

130. The foregoing salutes to foreign Royal personages and other foreign authorities and flags are only authorized in the case of a government formally recognized by His Majesty.

131. His Majesty's S.A. ships and forts do not exchange salutes in any part of His Majesty's dominions.

132. The Minister may sanction such salutes as have been customary, and which he may deem right and proper, at religious ceremonies, but these salutes are in no cases to exceed nineteen guns.

133. Salutes other than those authorized by these regulations are not to be allowed, except such as may be necessary for the fulfilment of any treaty obligation; provided that, upon any important occurrence, the Minister may direct such salutes to be fired as the occasion may seem to him to require.

134. Salutes will not be fired before sunrise or after retreat, or during the usual hours for divine service on Sundays. The same principle will apply to guards of honour and official receptions. In exceptional cases the course to be pursued will be determined locally.

(*b*) *Van vreemde oorlogskepe.*—Alle salute van vreemde oorlogskepe aan S.M.S.A. skepe of forte moet met 'n gelyke aantal kanonskote beantwoord word. As daar geen fort of battery is waaruit sulke salute kan beantwoord word nie moet die aanwesige senior see-offisier die salute met eweveel kanonskote beantwoord.

127. In verband met salute van S.M.S.A. skepe, forte en batterye, aan vreemde koninklike persone en ander amptenare moet die volgende reëling, met die maritiême moëndhede getref, in ag geneem word:—

(i) *Salute wat nie beantwoord word nie.*—Salute van oorlogskepe wat nie beantwoord word nie—

(*a*) aan koninklike persone, hoofde van state of lede van koninklike families as hulle by 'n hawe aankom of daarvandaan vertrek of as hulle oorlogskepe besoek;

(*b*) aan diplomatieke, mariene, militêre, of konsulêre outoriteite of aan goewerneurs of amptenare aan die hoof van 'n regering, as hulle by 'n hawe aankom of daarvandaan vertrek of as hulle oorlogskepe besoek;

(*c*) aan vername vreemdelinge as hulle oorlogskepe besoek;

(*d*) by geleentheid van nasionale of jaarfeeste.

(ii) *Salute wat beantwoord word.*—Salute van oorlogskepe wat met eweveel kanonskote beantwoord moet word—

(*a*) aan die nasionale vlag by ankering in 'n vreemde hawe;

(*b*) aan die vlae van vreemde admiraals en kommodoors by ontmoeting op see of in hawe (kyk paragraaf 120).

(iii) *Salute van vreemde skepe.*—As vreemde oorlogskepe die Britse vlag of Britse koninklike of ander hoë persone of enige van Sy Majesteits amptenare in dergelike omstandighede salueer, moet die aanwesige S.M.S.A. skepe dieselfde reëls in verband met die al of nie beantwoord van salute in ag neem.

(iv) *Onderkoning.*—Salute aan die Onderkoning van Indië word nie beantwoord nie.

Noot.—Volgens klousule (i) van hierdie paragraaf [in verband geneem met klousule (iii)] moet S.M.S.A. skepe 'n persoonlike saluut wat vir 'n Britse offisier deur vreemde skepe gevuur word nie beantwoord nie; ook word die beantwoording van so 'n saluut nie verwag nie deur die offisiere van 'n moëndheid wat hom stip aan die internasionale reëling hou. As egter, by 'n geleentheid waar persoonlike salute gewissel word, 'n persoonlike saluut gevuur deur een van S.M.S.A. skepe of deur 'n skip van een of ander derde nasie aan 'n vreemde offisier, beantwoord word dan is dit 'n beleefdheid wat, hoewel dit oordrewe is, noodwendig terugbetoon moet word en dit word gedoen deur 'n persoonlike saluut aan 'n Britse offisier onmiddellik na die saluut op dieselfde manier te beantwoord. S.M.S.A. skepe kan selfs die eerste wees om persoonlike salute te beantwoord as dit bekend is dat dit die gewoonte is van die nasie waarvan die skip gesalueer het en as dit verwag word dat 'n persoonlik saluut aan 'n offisier van daardie nasie kort daarna gevuur sal moet word en beantwoord sal word.

128. As vreemde of Britse handelskepe, of skepe wat nie in die Koninklike Seemag of S.A.S.D. is nie, S.M.S.A. skepe salueer, moet die saluut beantwoord word deur vyf kanonskote te vuur vir net een skip en sewe vir twee of meer skepe wat in die geselskap vaar.

Vlae wat Gehys moet word as daar Gesalueer of Teruggesalueer word.

129. As salute gewissel word met vreemde oorlogskepe of forte of as persoonlike salute gevuur word ter ere van vreemdelinge, moet die volgende reëls in verband met die vlae wat gehys moet word deur S.M.S.A. skepe gevolg word:—

(a) *Koninklike persone.*—'n vreemde koninklike persoon of hoof van 'n staat.	Die vlag van die nasie van daardie koninklike persoon ens., word aan die grootmas gehys.
(b) *Feesdae.*—As salute gevuur word in Britse sowel as in vreemde hawes by geleentheid van 'n vreemde nasionale fees.	Die vlag van die vreemde nasie ter ere waarvan die dag gevier word, word aan die grootmas gehys gedurende die saluut of vir so 'n langer tyd as wat die skepe van daardie nasie versier mag wees, of, as daar nie skepe aanwesig is nie, tot sononder.
(c) *Nasionale vlag.*—By ankering in 'n vreemde hawe.	Die vlag van die vreemde nasie wat gesalueer word, word aan die grootmas gehys gedurende die saluut.
(d) *Vreemde vlagoffisiere.* — As 'n vreemde vlagoffisier ontmoet word of as 'n vreemde vlagoffisier of oorlogskip teruggesalueer word.	Die vlag van die vreemde nasie word aan die voormas gehys gedurende die saluut of die beantwoording daarvan.
(e) *Besoeke van vreemde outoriteite.*—By besoeke van vreemde diplomate, goewerneurs, of mariene, militêre, of konsulêre outoriteite, of van vername persone wat op salute geregtig is.	Die vlag van die vreemde nasie waaraan die gesalueerde persoon behoort, word aan die voormas gehys gedurende die persoonlike saluut.

130. Die voornoemde salute aan vreemde koninklike persone en ander vreemde outoriteite en vlae is net geoorloof in die geval van 'n regering wat formeel deur Sy Majesteit erken is.

131. Geen salute word tussen S.M.S.A. skepe en forte in enige deel van Sy Majesteits Domieniums gewissel nie.

132. Die Minister kan salute goedkeur wat gebruiklik gewees is en wat hy reg en gepas ag by godsdiensplegtighede, maar hierdie salute moet in geen geval meer as 19 kanonskote bedra nie.

133. Salute waarvoor in hierdie regulasies geen magtiging gegee is nie moet nie toegelaat word nie behalwe die wat nodig is om enige verpligting onder 'n verdrag na te kom; met die voorwaarde egter dat die Minister by 'n belangrike gebeurtenis las kan gee om sulke salute te laat vuur as wat die geleentheid volgens sy oordeel mag vereis.

134. Salute word nie voor son-op of na son-onder gevuur nie; ook nie gedurende die gewone tyd vir godsdiensoefening op Sondae nie. Dit geld ook vir erewagte en amptelike resepsies. In buitengewone gevalle word plaaslik beslis hoe in hierdie omstandighede gehandel moet word.

Military Funerals.

135. A military funeral will be accorded to an officer or soldier, provided troops are stationed within reasonable distance of the burial ground; but if any additional expense is involved for the use of a gun-carriage or the attendance of soldiers, such military funeral will not be ordered without the special authority of the A.G.

136. Honours are not to be paid officially at the funerals of officers who, at the time of their decease, are not in the exercise of some military command or office, or of discharged soldiers of any rank. In special circumstances, however, where it is desired to accord a military funeral to an ex-officer or soldier, application stating reasons should be made to the A.G. for the grant of authority.

137. Military funerals are to be saluted by forts or field guns, and attended in accordance with the following table:—

Rank or corresponding Rank.	Salute of Guns.	Rounds of Small Arms.	Troops to attend with due proportion of Officers.
Field-marshal.....	19	—	6 battalions and 8 squadrons.
General.....	17	—	4 battalions and 6 squadrons.
Lieutenant-general.....	15	—	3 battalions and 4 squadrons.
Major-general.....	13	—	2 battalions and 3 squadrons.
Brigadier-general.....	11	—	1 battalion and 2 squadrons.
Colonel commanding...	—	3 rounds in each case	His own regiment or detachments equivalent thereto.
Lieutenant-colonel.....	—		300 rank and file.
Major.....	—		200 rank and file.
Captain.....	—		His own company or 100 men.
Lieutenant or Second Lieutenant	—		40 rank and file, under a lieutenant or second lieutenant.
Warrant Officer.....	—		25 rank and file under a sergeant.
Sergeant.....	—		19 rank and file under a sergeant.
All other grades.....	—		13 rank and file under a sergeant.

138. At the funeral of a general or flag officer, or of a commodore or brigadier-general, dying upon service, minute-guns are to be fired while the body is being borne to the burial ground, but these minute-guns are not to exceed the number prescribed by the preceding paragraph. When any such officer who has died when afloat is to be buried on shore, minute-guns are to be fired from the ship, if a ship of war, while the body is being conveyed to the shore, and where the means exist, minute guns will be fired from the shore while the procession is moving from the landing-place to the burial ground. The total minute-guns so fired must not exceed twice the number of guns prescribed by the preceding paragraph.

139. The salute of guns prescribed by paragraph 137, or, in the case of a flag officer or commodore, a salute of the number of guns to which the deceased was entitled when living, will be fired after the body is deposited in the grave.

140. The pall is to be supported by officers of the same rank as that held by the deceased, but if a sufficient number of that rank cannot be obtained, officers next in seniority are to supply their places.

141. Honours paid at the funeral of a staff or departmental officer of the army are to be regulated according to his rank, or corresponding rank, as the case may be.

142. In addition to the firing parties, the funeral of an officer will be attended by the officers, that of a warrant officer by the warrant officers, that of a sergeant by the sergeants, and that of a corporal by the corporals, of the corps to which the deceased belonged or was attached. The funeral of a N.C.O. or private will be attended by the company, etc. (officers included), to which he belonged or was attached.

Minute-Guns at Civil Funerals.

143. At the funeral of a civil functionary the same number of guns will be fired as minute-guns, while the procession is going to the burial ground, as he was entitled to as salutes when living. A civil functionary not entitled to salutes of cannon when living is not to have guns fired at his funeral.

Salute to Remains of Distinguished Foreigners, Etc.

144. Should a vessel carrying the remains of a foreigner of high distinction, foreign general, or foreign flag officer, arrive during saluting hours at any authorized saluting station, the same number of minute-guns will be fired on its arrival as the deceased was entitled to under paragraph 118 when living.

Visits of Ceremony.

145. The following rules, in which the maritime powers generally have concurred, are to be observed by all naval officers in reference to the interchange of visits with officers of friendly men-of-war in all ports, whether British or foreign:—

(a) *Preliminary Visit.*—On the arrival of any ship or ships of war of another nationality, the flag or other officer in command of one or more ships of war in port, whatever may be his rank, will send an officer to such arriving ship, or in case of a fleet or squadron, to the ship of the officer in chief command of it, to offer the customary courtesies.

The captain of the ship to which this visit is paid will send an officer to return it.

Militêre Begrafnisse.

135. Aan 'n oorlede offisier of soldaat word 'n militêre begrafnis gegee as daar troepe binne 'n redelike afstand van die begraafplaas gestationeer is; maar as die gebruik van 'n kanonwa of die aanwesigheid van soldate ekstra onkoste meebring, moet daar nie vir so 'n militêre begrafnis las gegee word nie behalwe op spesiale magtiging van die A.G.

136. By die begrafnisse van offisiere wat nie tydens hul dood in een of ander militêre bevel of amp was nie, of van ontslae soldate van enige rang moet geen eerbewyse amptelik betoon word nie. Onder spesiale omstandighede, egter, waar verlang word om 'n militêre begrafnis aan 'n gewese offisier of soldaat te gee, moet by die A.G. aansoek gedoen word vir die nodige magtiging.

137. Militêre begrafnisse moet gesalueer word deur forte of veldkanonne en bygewoon word ooreenkomstig die volgende tabel:—

Rang of ooreenstemmende rang.	Kanonskote.	Geweerskote (sarsies).	Troepe wat aanwesig moet wees met 'n eweredige aantal offisiere.
Veldmaarskalk.....	19	—	6 bataljons en 8 eskadrons.
Generaal.....	17	—	4 bataljons en 6 eskadrons.
Luitenant-generaal.....	15	—	3 bataljons en 4 eskadrons.
Generaal-majoor.....	13	—	2 bataljons en 3 eskadrons.
Brigadier-generaal.....	11	—	1 bataljon en 2 eskadrons.
Kolonel in bevel.....	—	3 sarsies vir elkeen	Sy eie resjiment of afdelings wat daaraan gelykstaan.
Luitenant-kolonel.....	—		300 van die geledere.
Majoor.....	—		200 van die geledere.
Kaptein.....	—		Sy eie kompanjie of 100 man.
Luitenant of twede luitenant			40 van die geledere onder 'n luitenant of twede luitenant.
Adjudant-onderoffisier	—		25 van die geledere onder 'n sersant.
Sersant.....	—		19 van die geledere onder 'n sersant.
Alle ander grade.....	—		13 van die geledere onder 'n sersant.

138. By die begrafenis van 'n generaal of vlagoffisier of van 'n kommodoor of brigadier-generaal, wat op diens sterf, moet minuutskote gevuur word terwyl die lyk na die begraafplaas vervoer word. Hierdie minuutskote moet egter nie die aantal in die voorgaande paragraaf voorgeskryf, te bo gaan nie. As so 'n offisier wat op see gesterf het, op land moet begrawe word, moet minuutskote van die skip af, as dit 'n oorlogskip is, gevuur word terwyl die lyk na die land vervoer word; en waar daar geleentheid voor is moet minuutskote van die land af gevuur word terwyl die lykstasie van die landingplek na die begraafplaas gaan. Die totale aantal van sulke minuutskote moet nie meer wees nie as dubbel die aantal skote in die voorgaande paragraaf voorgeskryf.

139. Die kanonskote voorgeskryf in paragraaf 137 of (in die geval van 'n vlagoffisier of kommodoor) die minuutskote waarop die oorledene in sy leeftyd geregtig was moet gevuur word nadat die lyk in die graf gelê is.

140. Die slippe van die lykkleed moet gedra word deur offisiere van dieselfde rang as wat die oorledene gehou het maar as daar nie genoeg offisiere van daardie rang beskikbaar is nie, moet hul plekke gevul word deur offisiere wat die naaste aan daardie rang is.

141. Eerbewyse wat by die begrafnis van 'n staf- of diensvakoffisier van die leër betoon word, moet volgens sy rang of ooreenstemmende rang, na gelang van die vereiste, gereël word.

142. Die begrafnis van 'n offisier moet, benewens die vuurafdelings, deur die offisiere bygewoon word; die begrafnis van 'n adjudant-onderoffisier deur die adjudant-onderoffisiere; die van 'n sersant deur die sersants, en die van 'n korporaal deur die korporaals, van die korps waaraan die oorledene behoort het of toegevoeg was. Die begrafnis van 'n onderoffisier of manskap moet bygewoon word deur die kompanjie, ens. (offisiere daarby inbegryp) waaraan hy behoort het of toegevoeg was.

Minuutskote by Burgerlike Begrafnisse.

143. By die begrafnis van 'n burgerlike amptenaar word, terwyl die lykstasie na die begraafplaats gaan, net so veel minuutskote gevuur as die saluutskote waarop hy in sy leeftyd geregtig was. By die begrafenis van 'n burgerlike amptenaar wat nie op salute met kanonne in sy leeftyd geregtig was nie moet geen kanonskote gevuur word nie.

Saluut vir Lyke van Vername Vreemdelinge, ens.

144. As 'n skip, wat die lyk van 'n vername vreemdeling, van 'n vreemde generaal, of van 'n vreemde vlagoffisier aan boord het, gedurende saluuture by enige aangewese saluutstasie aankom, word by die aankoms daarvan dieselfde aantal minuutskote gevuur as die waarop die oorledene in sy leeftyd onder paragraaf 118 geregtig was.

Seremoniebesoeke.

145. Die volgende reëls waarmee die maritieme moëndhede in die algemeen ingestem het, moet deur alle seeoffisiere gevolg word wat betref onderlinge besoeke tussen offisiere van bevrinde oorlogskepe in alle Britse en vreemde hawes:—

(a) *Voorlopige besoek.*—By aankoms van enige oorlogskip of oorlogskepe van 'n ander nasionaliteit, stuur die vlagoffisier of 'n ander offisier in bevel van een of meer oorlogskepe in die hawe, wat sy rang ook mag wees, 'n offisier na die aangekome skip, of, in geval van 'n vloot of eskader, na die skip van die offisier wat in opperbevel is, om die gebruiklike beleefdhede aan te bied.

Die kaptein van die skip, wat hierdie besoek ontvang, stuur dan 'n offisier om die besoek te beantwoord.

(b) *Official Visit.*—Within twenty-four hours of his arrival, the flag or other officer in chief command of the arriving ship or ships will visit the officer in chief command of the fleet or squadron or single ship of war of another nationality present at the port, if he be his equal in grade, and the visit will be returned within twenty-four hours of being paid. Captains and officers of a lower grade will return the visits of commanders and officers of inferior rank in command.

(d) *Visits of other than Senior Officers.*—After the interchange of visits between the senior officers shall have taken place, the captains or other officers in command of the several ships of war arriving will visit the captains or other officers in command of the ships of war in port, who will return their visits.

(e) *Reciprocity from Foreign Officers.*—His Majesty's officers may expect that strict reciprocity will be observed in similar circumstances by foreign naval officers in respect to these visits of ceremony.

146. On the arrival of a fleet, squadron, or ship at a foreign port, the first visit will be made by the naval or consular officer who is subordinate in relative rank to the other, according to the following scale:—

(a) Agents and consuls-general or commissioners and consuls-general	To rank with but after rear-admirals, except in the case of the agent and consul-general in Egypt, who, occupying a position similar to that of a governor, takes precedence of all flag officers.
(b) Consuls-general.....	To rank with but after commodores.
(c) Consuls.....	To rank with but after captains of three years' standing, and before all other such captains.
(d) Vice-consuls.....	To rank with but after lieutenants of eight years' standing.
(e) Consular-agents.....	To rank with but after all other lieutenants.

147. The senior naval officer present will arrange, when necessary, to provide a suitable boat to enable the diplomatic, colonial, or consular officer to pay any official visits afloat, and to reland him, on the officer notifying his wishes to that effect.

CHAPTER XI.—CORRESPONDENCE, DOCUMENTS, ORDERS, AND RECORDS.

Correspondence.

General Instructions.

1. Rules as to the method of conducting correspondence will be issued from time to time, and must be strictly adhered to.

2. All correspondence from and between military sections of Defence Headquarters, Commands, and Units of the Force shall be signed by an officer. The rank and unit or appointment are to be added after the signature. All signatures are to be in manuscript and not stamped, except as the C.G.S. may authorize. In correspondence between heads of sections and between C.O.'s, letters are to be signed by these officers themselves or on their behalf, the general rule being that official correspondence will be conducted between equals in rank. All correspondence addressed to higher authority (and all orders and instructions) must be signed by, or on behalf of, the head of the section or C.O.

3. An officer is responsible for the correctness of documents submitted by him. In transmitting correspondence to higher authority, he is to record his opinion or recommendation thereon, adding such observations, based on local knowledge, as may enable a final decision to be arrived at.

4. A letter of a secret or confidential nature is to be marked "Secret" or "Confidential" as the case may be. Such a letter must be enclosed in two envelopes, of which the inner one only will be marked "Secret" or "Confidential," in addition to the address, and the outer one inscribed with the address only. A secret or confidential plan or other document is to be similarly treated. In addition to these precautions, secret and confidential correspondence, if sent through the post, will be registered if the sender considers such a course necessary, and in every case will be acknowledged at once.

5. The formal acknowledgment of the receipt of a secret communication, the contents of which are not revealed in such acknowledgment, should not be marked "Secret." This will apply also to papers which are not in themselves secret though connected with secret papers.

6. Packets or envelopes endorsed "Secret" or "Confidential" shall only be opened by the officer to whom they are addressed or his authorized deputy.

Documents and Maps marked "Secret," "Confidential," or "For Office Use Only."

7. A document or map marked "Secret" is intended only for the personal information of the individual to whom it is officially issued, and of those officers under him whose duties it affects and who it is necessary should be made acquainted with such document, or portion thereof, or map, for the proper carrying out of their duties.

8. The officer to whom such a document or map is issued is personally responsible for its safe custody, and that its contents are disclosed to those officers and to those only who must necessarily be made acquainted therewith and to the extent only that is necessary for their several duties. The existence of such a document or map is not to be disclosed by him or them to any other person without the sanction of superior military authority.

9. A document or map marked "Confidential" is of a privileged nature. The contents are only to be disclosed to authorized persons.

10. The information contained in a document or map marked "For official use only" is not to be communicated to the Press or to any person not holding an official position.

11. Documents and maps classed as "Secret" or "Confidential" are not to be referred to in any catalogue or publication which is not itself a document marked "Secret" or "Confidential," as the case may be. The only legitimate use an officer or soldier may make of documents or information of which he becomes possessed in his official capacity is for the furtherance of the Public Service in the performance of his duty. Publishing official documents or information, or using them for personal controversy, or for any private purpose, without due authority, will be treated as a breach of official trust under the Official Secrets Act, 1911.

12. Secret and confidential books, documents, and maps will be distributed as directed by the C.G.S. Heads of sections and C.O.'s to whom such are issued will be responsible for their safe custody and distribution to those concerned; will obtain and retain individual receipts for all such distributions, *vide* paragraph 14; and will furnish the C.G.S. with a certificate showing that such documents, etc., have been so distributed.

13. When a document, etc., becomes obsolete and orders have been issued for its destruction, the holders of such will furnish their C.O.'s with certificates of destruction, who in turn will furnish the C.G.S. with a list of the serial numbers of the copies destroyed.

14. Should any such book, document, or map be lent by the officer responsible for its safe custody to an officer authorized to be made acquainted with its contents, a receipt will be obtained from the officer, to whom it is lent, which will be retained until the book, document, or map is returned.

15. Heads of sections and C.O.'s will forward to the C.G.S. annually on the 1st January a list of the secret books, documents, and maps for which they are responsible, with a certificate appended to the effect that such books, etc., are in their personal custody. Should any of the secret documents, etc., enumerated in the list be in the temporary custody of a subordinate officer, the head of section or C.O. will also forward a supplementary list, duly completed and certified by the officer actually holding the said document, etc.

16. A head of section or C.O. will keep a list of all secret and confidential documents, etc., issued to him, and will check it against them at least once in every six months. On each occasion of handing over his office or command, all such documents, etc., will be handed over and verified with the list by the officer succeeding to the office or command, who will give receipt therefor. Should any deficiency be discovered, the matter shall immediately be reported to the C.G.S., who will cause due inquiry to be made and take such disciplinary and other steps as the case may warrant.

2. Alle briewe van en aan militêre afdelings van Verdedigingshoofkwartier, leërplase en eenhede van die Mag moet deur 'n offisier geteken word. Die rang en eenheid of betrekking moet agter die handtekening toegevoeg word. Alle handtekeninge moet met die hand geskrywe en nie gestempel wees nie, behalwe soos deur die H.G.S. gemagtig mag word. By briefwisseling tussen hoofde van afdelings en tussen bevelvoerende offisiere moet briewe deur hierdie offisiere self, of namens hulle, geteken word en dit is 'n algemene reël dat offisiële briewe tussen offisiere van gelyke rang moet gewissel word. Alle briewe gerig aan hoër gesag (en alle orders en instruksies) moet deur, of namens, die hoof van die afdeling of B.O. geteken word.

3. 'n Offisier is verantwoordelik vir die juistheid van dokumente wat deur hom ingedien word. As hy briewe aan hoër gesag deurstuur moet hy sy opienie of aanbeveling daaromtrent boekstaaf, met sy aanmerkinge daarby, gebaseer op plaaslike kennis, om sodoende tot 'n finale beslissing te kan kom.

4. 'n Brief van 'n geheime of konfidensiële aard moet gemerk word "Geheim" of "Konfidensieel" na gelang van die omstandigheid. So 'n brief moet in twee koeverte ingesluit word. Net die binnenste een, met die adres daarop, moet gemerk word "Geheim" of "Konfidensieel" en op die buitenste een moet net die adres voorkom. 'n Geheime of konfidensiële kaart of ander dokument moet op dieselfde manier ingesluit en geadresseer word. Benewens hierdie voorsorgsmaatreëls moet geheime en konfidensiële briewe, as dit deur die pos gestuur word, geregistreer word as die versender dit nodig ag, en in elke geval moet die ontvangs dadelik erken word.

5. Die formele erkenning van die ontvangs van 'n geheime mededeling waarvan die inhoud nie in die erkenning bekend gemaak is nie, moet nie "Geheim" gemerk word nie. Dit geld ook vir papiere wat, hoewel hulle nie self geheim is nie, betrekking het op geheime papiere.

6. Pakkies of koeverte met die opskrif "Geheim" of "Konfidensieel" moet net oopgemaak word deur die offisier aan wie dit geadresseer is of deur sy gemagtigde plaasvervanger.

Dokumente en Kaarte wat gemerk is Geheim, Konfidensieel of Net vir Kantoorgebruik.

7. 'n Dokument of kaart gemerk "Geheim" is bedoel net vir die persoonlike informasie van die persoon aan wie dit offisieel uitgereik is, en van die offisiere onder hom wie se pligte dit raak en wat met so 'n dokument, of gedeelte daarvan, of kaart bekend gestel sal moet word vir die behoorlike uitvoering van hul pligte.

8. Die offisier aan wie so 'n dokument of kaart uitgereik word, is persoonlik verantwoordelik vir die veilige bewaring daarvan en dat die inhoud daarvan bekendgemaak word net aan die offisiere wat noodwendig daarmee bekend gestel moet word en dan net vir sover as dit nodig is vir hulle respektiewe pligte. Die bestaan van so 'n dokument of kaart mag nie, sonder toestemming van hoër militêre gesag, deur hom of hulle aan enige ander persoon bekendgemaak word nie.

9. Die inhoud van 'n dokument of kaart wat "Konfidensieel" gemerk is, moet net aan geoorloofde persone bekendgemaak word.

10. Die informasie vervat in 'n dokument of kaart gemerk "Net vir offisiële gebruik" moet nie aan die pers of aan enige persoon wat nie 'n offisiële betrekking beklee, meegedeel word nie.

11. Van dokumente en kaarte geklassifiseer as "Geheim" of "Konfidensieel" moet nie melding gemaak word nie in enige katalogus of publikasie wat nie self 'n "Geheim" of "Konfidensieel" gemerkte dokument is nie. Die enigste manier waarop 'n offisier of soldaat wettig gebruik kan maak van dokumente of informasie wat hy in sy offisiële hoedanigheid in besit kry, is vir die bevordering van die publieke diens in die uitvoering van sy plig. Die publiek maak van offisiële dokumente of informasie of die gebruik maak daarvan vir persoonlike redetwiste, of vir enige private doel, sonder behoorlike magtiging, sal geag word as troubreuk onder die Offisiële Geheime Wet, 1911.

12. Geheime en konfidensiële boeke, dokumente en kaarte word uitgegee soos gelas deur die H.G.S. Hoofde van afdelings en bevelvoerende offisiere aan wie daardie dokumente, ens., uitgereik is, is verantwoordelik vir die veilige bewaring en vir die uitgifte daarvan aan die betrokke persone; moet aparte ontvangsbewyse vir al sulke uitgiftes verkry (kyk paragraaf 14); en moet die H.G.S. voorsien van 'n sertifikaat dat daardie dokumente, ens., aldus uitgegee is.

13. As 'n dokument, ens., verouder is en die vernietiging daarvan gelas is, moet die houers daarvan sertifikate van vernietiging verskaf aan hul bevelvoerende offisiere wat dan weer 'n lys van die serienommers van die vernietigde afskrifte aan die H.G.S. verskaf.

14. As so 'n boek, dokument of kaart deur die offisier, wat vir die veilige bewaring daarvan verantwoordelik is, geleen word aan 'n offisier wat met die inhoud bekend gestel mag word, moet 'n ontvangsbewys verkry word van die offisier aan wie dit geleen is en hierdie ontvangsbewys moet gehou word totdat die boek, dokument of kaart teruggegee word.

15. Hoofde van afdelings en bevelvoerende offisiere moet jaarliks op die 1ste Januarie aan die H.G.S. 'n lys stuur van die geheime boeke, dokumente en kaarte waarvoor hulle verantwoordelik is, met 'n sertifikaat daarby dat daardie boeke, ens., in hul persoonlike bewaring is. As enigeen van die geheime dokumente, ens., wat op die lys voorkom, tydelik in die bewaring van 'n ondergeskikte offisier is, moet die hoof van 'n afdeling of die B.O. ook 'n aanvullingslys stuur, wat behoorlik opgemaak en gesertifiseer is deur die offisier wat werklik die bedoelde dokument, ens., in sy besit het.

16. 'n Hoof van 'n Afdeling, of 'n B.O., moet 'n lys hou van alle geheime en konfidensiële dokumente, ens., wat aan hom uitgereik is en moet ten minste eenmaal elke ses maande die lys daarmee vergelyk. Elke maal wat hy sy amp of bevel oorhandig, moet al daardie dokumente, ens., ook oorhandig word. Die offisier, wat hom in die amp of bevel opvolg, moet dan die lys daarmee vergelyk en 'n ontvangsbewys daarvoor gee. As ontdek word dat daar iets ontbreek, moet die omstandighede dadelik aan die H.G.S. gerapporteer word en hy sal dan behoorlik ondersoek laat instel en sulke disiplinêre stappe neem as wat onder die omstandighede nodig is.

17. Books, documents, and maps, including those marked "For official use only," issued for the Public Service will be dealt with, as regards custody and handing over, in a similar manner to that laid down in the preceding paragraph.

Issue of Textbooks.

18. All ranks will be supplied (free of charge for first issue only, unless worn out by fair wear and tear, or lost or destroyed through no fault of the holder) with the latest editions of such training and other manuals as are necessary for the proper performance of their duties, according to scales approved by the C.G.S.

19. A member to whom a textbook has been issued free of charge, which has been lost or destroyed through his fault, shall take immediate steps to have it replaced on payment. On kit inspection, all such books must be shown.

Orders.

20. General Orders will be issued by the Minister over the signature of the C.G.S., as may be required.

21. S.A.P.F. Orders will be issued by the Minister over the signature of the C.G.S., as may be required.

22. Station (Command) Orders will be issued by the O.C., as may be required.

23. Unit or Corps Orders will be issued by the O.C., as may be required.

24. Standing Orders relating to the Force, or any portion thereof, may be issued as required by the C.G.S.

25. Standing Orders relating to a unit or corps may be issued as required with the approval of the C.G.S.

26. Unit or Corps Orders will be divided into three parts, as follows:—

Part I will deal with training, manoeuvres, parades, and matters which do not affect a member's pay, service, or documents;
Part II with matters which affect a member's pay, service, or documents;
Part III with matters of a technical nature where necessary.

27. Unit or Corps Orders will be numbered consecutively, commencing on the 1st January of each year, and each paragraph will be given a letter or sub-number.

28. Unit or Corps Orders shall be posted up in a conspicuous position in a convenient place to which the soldier has full access, and all soldiers should be encouraged by their officers and non-commissioned officers to read and assimilate them as issued. Wherever possible, such orders will be read out on parade.

Records.

29. The A.G. will maintain records of the personal particulars and services of all officers. Officers' medical histories will be kept at the headquarters of the unit or corps in which they are serving.

30. The form of engagement of each soldier will be completed in duplicate; one copy (duplicate) will be permanently kept in the office of the A.G., and the other (original attestation) held at the headquarters of the unit or corps in which the man is serving. Attesting officers will take special care that the form is filled in clearly and completely.

31. A soldier when attested will receive a Force number, which will be allotted by the A.G. In all documents relating to a soldier, this number will precede his name. The number will not be changed as long as he remains in the Force unless a new system of numbering should be introduced. If a soldier desert, is discharged, or die, his number will not be given to any other soldier. A soldier promoted to warrant rank will retain his number.

32. The following documents will be attached to the duplicate attestation:—

(i) Authority for engagement, if necessary;
(ii) previous documents in the case of a man re-engaged after a break in service. (Medical history-sheet to be detached and sent to Commanding Officer for attachment to new duplicate attestation);
(iii) proceedings of any court of inquiry on injuries sustained or on report "missing" while on active service;
(iv) declaration of change of name or any other similar document relating to the soldier;
(v) the soldier's will.*

33. The following documents will be maintained with the original attestation:—

(i) Regimental conduct-sheet;
(ii) squadron, etc., conduct-sheet;
(iii) medical history-sheet;
(iv) employment-sheet;
(v) railway concession certificate, record of.

34. Every circumstance affecting a soldier, published in Part II of unit orders, will be entered immediately on Form P.F. 1 (Form of Attestation and Service Record), where columns are provided for the purpose, the original of which is kept by the C.O., and a copy by the A.G. (Records Branch).

35. On discharge, the original attestation and attached documents will be sent to the A.G., when the military history-sheets (original and duplicate) shall be checked together. If any discrepancy between them be discovered, it shall be investigated forthwith and the erroneous copy duly rectified.

* The importance of making a will is not sufficiently realized by soldiers. C.O.'s will, therefore, urge upon all troops the importance of executing their wills, especially before proceeding on active service, but a soldier cannot be compelled to make his will. All wills should be duly witnessed, although this formality is not essential in the case of wills executed by soldiers on active service. All wills executed by soldiers will be secured in sealed envelopes and transmitted by their C.O. to the A.G. for safe custody.

17. Met boeke, dokumente en kaarte (met inbegrip van die wat gemerk is "Net vir offisiële gebruik") uitgereik vir die Staatsdiens, moet, wat betref bewaring en oorhandiging, gehandel word net soos in die voorgaande paragraaf bepaal.

Uitreiking van Handboeke.

18. Alle range moet, ooreenkomstig die skale soos goedgekeur deur die H.G.S., voorsien word van die jongste uitgawes van die oefenings- en ander handboeke wat nodig is vir die behoorlike uitvoering van hul pligte. Net die eerste uitreiking is kosteloos, tensy bedoelde boeke op die gewone manier verslyt is, of verloor of vernietig is sonder skuld van die houer daarvan.

19. As aan 'n lid 'n handboek kosteloos uitgereik is wat deur sy eie skuld verloor of vernietig is, moet hy dadelik stappe neem om 'n ander in die plek daarvan te laat stel teen betaling. By inspeksie van uitrusting moet al sulke boeke getoon word.

Orders.

20. Generale Orders word, na gelang vereis word, deur die Minister uitgereik en deur die H.G.S. onderteken.

21. S.A.S.M. Orders word, na gelang vereis word, deur die Minister uitgereik en deur die H.G.S. onderteken.

22. Standplaas- (Leërplaas-) orders word, na gelang vereis word, deur die B.O. uitgereik.

23. Eenheids- of Korpsorders word, na gelang vereis word, deur die B.O. uitgereik.

24. Staande Orders in verband met die Mag of enige gedeelte daarvan kan, na gelang vereis word, deur die H.G.S. uitgereik word.

25. Staande Orders in verband met 'n eenheid of korps kan, na gelang vereis word, met die goedkeuring van die H.G.S. uitgereik word.

26. Eenheids- of Korpsorders word verdeel, soos volg:—

Deel I handel oor oefening, maneuwers, parades en sake wat nie op 'n lid se soldy, diens of dokumente betrekking het nie.
Deel II handel oor sake wat op 'n lid se soldy, diens of dokumente betrekking het.
Deel III handel oor sake van tegniese aard, as dit nodig is.

27. Eenheids- of Korpsorders word genommer met volgnommers wat begin op die 1ste Januarie van elke jaar. Aan elke paragraaf word 'n letter of sub-nommer gegee.

28. Eenheids- of Korpsorders moet op 'n gerieflike plek aangeplak word waar dit goed gesien kan word en waartoe die soldaat volle toegang het. Alle soldate moet deur hul offisiere en onderoffisiere aangemoedig word om hierdie orders, na gelang hulle uitgereik word, te lees en te onthou. Waar dit moontlik is moet die orders op parade voorgelees word.

Registers.

29. Die A.G. moet registers hou van die persoonlike besonderhede en dienste van alle offisiere. Geneeskundige state van offisiere moet by die hoofkwartier van die eenheid of korps waarby hulle dien, gehou word.

30. Die vorm van diensneming van elke soldaat moet in duplikaat ingevul word. Een afskrif (duplikaat) moet permanent in die kantoor van die A.G. gehou word en die ander een (origenele attestasie) moet by die hoofkwartier van die eenheid of korps waarby die man dien, gehou word. Attesterende offisiere moet goed daarvoor sorg dat die vorm duidelik en kompleet ingevul word.

31. As 'n soldaat geattesteer is, kry hy 'n Magnommer wat deur die A.G. toegewys word. Hierdie nommer moet voor die naam van die soldaat geplaas word in alle dokumente wat op hom betrekking het. Solank as die soldaat in die Mag bly, moet hierdie nommer nie verander word nie tensy 'n nuwe stelsel van nommering ingevoer word. As 'n soldaat deserteer, ontslaan word, of sterf, moet sy nommer nie aan 'n ander soldaat gegee word nie. 'n Soldaat wat tot die rang van adjudant-onderoffisier bevorder is, behou sy nommer.

32. Die volgende dokumente moet aan die duplikaat-attestasie geheg word:—

(i) Magtiging vir diensneming, as dit nodig is;
(ii) vroeëre dokumente in die geval van 'n man wat na 'n onderbreking van diens weer in diens geneem word. Die geneeskundige staat moet afgehaal en aan die B.O. gestuur word om aan die nuwe duplikaat-attestasie geheg te word;
(iii) notule van enige hof van ondersoek, in verband met letsels veroorsaak, of 'n rapport van "vermis" terwyl op aktiewe diens;
(iv) verklaring in verband met verandering van naam of 'n ander dergelike dokument met betrekking tot die soldaat;
(v) die soldaat se testament.*

33. Die volgende dokumente moet by die originele attestasie gehou word:—

(i) Resjiments-gedragstaat;
(ii) eskadrons- (ens.) gedragstaat;
(iii) geneeskundige staat;
(iv) werkstaat;
(v) opgaaf van spoorweg-konsessiesertifikate.

34. Elke omstandigheid wat 'n soldaat raak, soos gepubliseer in Deel II van eenheidsorders moet dadelik op Vorm P.F. 1 (vorm van attestasie en opgaaf van diens) aangeteken word in die kolomme wat daarvoor bestem is. Die origineel word deur die B.O. en 'n duplikaat deur die A.G. (Afdeling Registers) gehou.

35. By ontslag word die originele attestasie en aangehegte dokumente na die A.G. gestuur en dan word die militêre dienstate (origineel en duplikaat) met mekaar vergelyk. As daar 'n verskil tussen hulle ontdek word, moet dit dadelik ondersoek en die foutiewe eksemplaar behoorlik reggemaak word.

*Dit word nie deur soldate genoeg ingesien hoe belangrik dit is om 'n testament te maak nie. Bevelvoerende offisiere moet dus alle troepe met nadruk daarop wys hoe belangrik dit is om hul testamente te maak, veral voor hul op aktiewe diens gaan; maar 'n soldaat kan nie gedwing word om sy testament te maak nie. Alle testamente moet ook deur getuies geteken word, hoewel hierdie formaliteit nie 'n absolute vereiste is in die geval van testamente wat deur soldate op aktiewe diens gemaak word nie. Alle testamente deur soldate gemaak, moet deur hul B.O. in verseëlde koeverte aan die A.G. gestuur word vir veilige bewaring.

36. Any alteration recorded at the soldier's unit or corps headquarters in regard to his next-of-kin will be entered on the military history-sheet (original copy) and reflected in unit orders.

37. C.O.'s will ensure that the medical history-sheet for each member contains full particulars as to his number, name, rank, unit or corps, age, and length of service, and that the following particulars are entered:—

(i) Admissions to and discharge from hospital;

(ii) wounds or injuries received, with date of court of inquiry in remarks column;

(iii) any illness of a member not treated in hospital but who receives medical treatment for more than one day;

(iv) vaccination, inoculation, and dental treatment.

38. C.O.'s will ensure that an employment-sheet is kept for each member under his command. The employment-sheet is intended to be a guide to the capabilities and qualifications of a soldier for employment in civil life, but is not to refer to the soldier's military character, which is recorded in his conduct-sheet.

39. The employment-sheet is to be referred to by the unit commander in assessing in testimonial form the soldier's character when he leaves the service, therefore it is important that anything concerning the soldier which can possibly be of assistance in assessing his capabilities and qualifications must be recorded therein as it occurs. For this reason the trade qualifications of a soldier in a technical corps, together with any improvement or deterioration of qualifications, the extent to which a soldier has been employed at his trade, and the manner in which he has carried out his work, are to be recorded.

40. The capabilities and qualifications of each soldier will be summed up and recorded on the employment-sheet annually before 1st April, and whenever a soldier is transferred to another unit. This summary is to indicate the soldier's merits, and if necessary his defects, under such heads as industry, energy, cleanliness, trustworthiness, intelligence, initiative, self-reliance, capacity for continuous hard work, educational standard, etc. Special mention will be made of any trade or occupation which is likely to be of use to the soldier in civil life. After each summary is completed, it will be read to the soldier, who, if dissatisfied, will be given an opportunity of appealing to his C.O. The opportunity thus afforded will be used to warn a soldier who is deteriorating of the serious consequences which unfavourable entries will have on his prospects after leaving the Force.

Regimental Conduct-Sheets.

41. Regimental conduct-sheets will be kept as confidential documents *in every unit and corps for officers therein serving* who have been convicted by court martial or awarded a summary punishment by a general officer. Entries will be made as detailed in paragraph 43. If an officer who has been convicted by court-martial or awarded a summary punishment by a general officer is transferred or posted to another unit or corps, the sheet will be sent to his new C.O.

42. A regimental conduct-sheet will be made out for every soldier. The regimental conduct-sheets of warrant officers and N.C.O.'s not below the rank of staff sergeant will be kept as confidential documents; those of other soldiers will be kept with their other documents.

43. The following entries will be made in the regimental conduct-sheets in accordance with the subjoined instructions:—

(i) *Every conviction by court martial*, whether the sentence is wholly remitted or not; but no entry will be made of any charge upon which a finding of "not guilty" has been recorded.

The "statement" of the charge as set forth in Rule 11, Rules of Procedure, U.M.D.C., is to be entered. In cases where the "statement" does not disclose the full nature of an offence, such as charges under sections 11 and 40 of the U.M.D.C., the purport of the "particulars" will be added, thus:—

"Neglecting to obey garrison orders—bathing in the river at a prohibited hour"; or

"Conduct to the prejudice of good order and military discipline—alcoholism."

When the charge is under section 19, and the particulars show that the offence was committed when on duty or after having been warned for duty, the entry in the conduct-sheet should be—

"Drunkenness—on duty"; or

"Drunkenness—having been warned for duty."

The original sentence, together with any alteration or revision or variation by the confirming officer, is to be recorded in the column "Punishment awarded."

The date of the original sentence is to be recorded in the column "Date of award," with the word "confirmed" and the date of confirmation immediately below it.

A finding of "guilty" need not be entered, but where the accused is found guilty of a cognate charge or the finding has been altered on revision, such alteration will be recorded in the column "punishment awarded."

When the record of a court martial is ordered to be removed, the entry of the conviction is to be erased, and the authority quoted.

(ii) *Every case of desertion or fraudulent enlistment in which trial has been dispensed with.*—The authority to be quoted and the date of the order to be entered.

(iii) *Every conviction by a court of criminal jurisdiction.*—When the sentence of the court is a fine, and the offender has not undergone imprisonment in default of payment, the C.O. may, if he thinks a regimental entry of the conviction should not be made, represent the case to the A.G. for decision as to whether entry shall or shall not be made.

36. Enige verandering wat by die hoofkwartier van die soldaat se eenheid of korps aangeteken word in verband met sy naasbestaande moet op sy militêre diensstaat (die origineel) aangeteken en in die eenheidsorders vermeld word.

37. Bevelvoerende offisiere moet sorg dat die geneeskundige staat van elke lid volledige besonderhede bevat wat betref sy nommer, naam, rang, eenheid of korps, sy ouderdom en die tyd wat hy gedien het, en dat die volgende besonderhede aangeteken word:—

(i) Opneming in en ontslag uit die hospitaal;

(ii) wonde en letsels wat hy opgedoen het met vermelding van die datum van die sitting van die hof van ondersoek in die aanmerkinge-kolom;

(iii) enige siekte van 'n lid wat nie in die hospitaal behandel word nie, maar wat geneeskundige behandeling vir meer as een dag ontvang;

(iv) inenting, inspuiting en tandheelkundige behandeling.

38. Bevelvoerende offisiere moet sorg dat vir elke lid onder hul bevel 'n werkstaat gehou word. Die werkstaat is bedoel om aan te duie watter bekwaamheid en kwalifikasies die soldaat besit vir werk in die burgerlike lewe, maar moet nie melding maak nie van die soldaat se militêre karakter, want dit word in sy gedragstaat aangeteken.

39. Van die werkstaat moet deur die bevelvoerder van die eenheid gebruik gemaak word as hy die soldaat se karakter, by verlating van die diens, in die vorm van 'n getuigskrif klassifiseer. Dit is dus van belang dat enige aangeleentheid in verband met die soldaat, wat moontlik tot hulp sal wees om te bepaal wat sy bekwaamheid en kwalifikasies is, op die werkstaat aangeteken moet word na gelang dit voorkom. Om hierdie rede moet daar aantekening gehou word van die vak-kwalifikasies van 'n soldaat in 'n tegniese korps; ook van enige verbetering of agteruitgang van kwalifikasies; tot watter mate 'n soldaat in sy vak werksaam was; en die manier waarop hy sy werk uitgevoer het.

40. Die bekwaamheid en kwalifikasies van elke soldaat moet jaarliks voor die 1ste April opgesom en op die werkstaat aangeteken word en ook as 'n soldaat na 'n ander eenheid oorgeplaas word. Hierdie opsomming moet die soldaat se verdienste en, as dit nodig is, sy tekortkominge aantoon onder sulke hoofde as vlyt, werkkrag, sindelikheid, betroubaarheid, vernuft, selfstandigheid, selfvertroue, vermoë om aanhoudend hard te werk, skoolkennis, ens. Van enige ambag of beroep wat die soldaat waarskynlik tot nut sal wees in die burgerlike lewe moet spesiaal melding gemaak word. Elke opsomming moet, nadat dit voltooi is, aan die soldaat voorgelees word en as hy ontevrede is daarmee moet hy in die geleentheid gestel word om hom op sy B.O. te beroep. In geval van die agteruitgang van 'n soldaat moet van daardie geleentheid gebruik gemaak word om hom te wys op die nadelige invloed wat ongunstige aantekeninge sal hê op sy vooruitsigte nadat hy die Mag verlaat.

Resjiments-gedragstate.

41. Regjiments-gedragstate moet, as konfidensiële dokumente, *in elke eenheid of korps vir offisiere wat daarin dien*, gehou word as hulle deur 'n krygsraad veroordeel of deur 'n opperoffisier summier gestraf is. Aantekeninge moet, ooreenkomstig paragraaf 43, gemaak word. As 'n offisier wat deur 'n krygsraad veroordeel of deur 'n opperoffisier summier gestraf is, na 'n ander eenheid of korps oorgeplaas of daarby ingedeel word, moet die gedragstaat aan sy nuwe B.O. gestuur word.

42. Vir elke soldaat moet 'n resjiments-gedragstaat opgemaak word. Die resjiments-gedragstate van adjudant-onderoffisiere en onderoffisiere, wat nie onder die rang van stafsersant is nie, word as konfidensiële dokumente gehou; die van ander soldate word by hul ander dokumente gehou.

43. Die volgende aantekeninge moet ooreenkomstig onderstaande instruksies in die resjiments-gedragstate gemaak word:—

(i) *Elke veroordeling deur 'n krygsraad*, hetsy die vonnis in sy geheel kwytgeskel is of nie; maar van 'n beskuldiging waarop 'n uitspraak van "onskuldig" gevolg het, word geen aantekening gemaak nie.

Die "opgawe" van die aanklag soos aangegee in Reël 11, Reëls van Prosedure, U.M.R.D., moet aangeteken word. In gevalle waar die volle aard van 'n oortreding nie uit die "opgawe" blyk nie, soos aanklagte onder seksies 11 en 40 van die U.M.R.D., moet in beknopte vorm die "besonderhede" toegevoeg word op die volgende manier:—

"Versuim om garnisoensorders te gehoorsaam—in die rivier, baai op 'n verbode tyd"; of

"gedrag tot nadeel van die goeie orde en militêre disipliene—misbruik van drank."

As die aanklag onder seksie 19 is en uit die besonderhede blyk dat die oortreding deur die soldaat op diens begaan is nadat hy vir diens aangesê is, moet die aantekening in die gedragstaat wees—

"Dronkenskap—op diens"; of

"Dronkenskap—na hy vir diens aangesê is."

Die oorspronklike vonnis, te same met enige verandering of hersiening of wysiging deur die bekragtigende offisier, moet in die kolom "straf opgelê" aangeteken word.

Die datum van die oorspronklike vonnis moet in die kolom "datum van oplê van straf" aangeteken word met die woord "bekragtig" en die datum van bekragtiging onmiddellik daaronder.

'n Uitspraak van "skuldig" hoef nie aangeteken te word nie, maar as die beskuldigde skuldig verklaar is aan 'n verwante aanklag, of die uitspraak by hersiening verander is, moet die verandering in die kolom "straf opgelê" aangeteken word.

As daar las gegee word om die notule van 'n krygsraad te skrap, moet die aantekening van die veroordeling deurgehaal en die magtiging vermeld word.

(ii) *Elke geval van desersie of bedrieglike diensneming waar van formele beregting afgesien is.* Die magtiging moet vermeld en die datum van die order aangeteken word.

(iii) *Elke veroordeling deur 'n hof met jurisdiksie in kriminele sake.* As die vonnis van die hof 'n boete is en die oortreder nie gevangenisstraf by wanbetaling ondergaan het nie, kan die B.O., as hy dink dat 'n resjimentsaantekening van die veroordeling nie moet gemaak word nie, die saak aan die A.G. voorlê om te beslis of die aantekening gemaak moet word of nie.

If it is ordered that entry is not to be made, the case will not be treated as a previous conviction on a trial by court martial.

Convictions by the civil power, whether before or after enlistment, for offences committed prior to enlistment, are not to be entered or given in evidence against a soldier on a trial by court martial. Conviction for offences, committed in civil life while in a state of desertion, are to be entered and given in evidence before court martial as previous conviction.

Certified copies of all convictions by the civil power will be annexed to the soldier's regimental conduct-sheet. When the imprisonment awarded for any such conviction exceeds seven days, the certified record will be produced in evidence in the same manner as a former conviction by court martial. When the imprisonment is for seven days or under, the conviction is to be treated as an ordinary entry in the regimental conduct-sheet with regard to the forfeiture of good conduct badges.

(iv) *Every case in which a soldier has been bound over by a court, or given a suspended sentence, or ordered to appear for conviction or judgment, if called upon, or in which the charge has been dismissed but the soldier has been ordered to pay costs.* In any case where the C.O. is of opinion that a regimental entry should not be made, he may represent the case for decision of the A.G., whether entry shall or shall not be made.

When a regimental entry has been made, a certified copy of the order of the court will be annexed to the soldier's regimental conduct-sheet.

(v) *Every severe reprimand of a N.C.O.*

(vi) *Every case of reduction of a N.C.O. to a lower grade, or to the ranks, or deprivation of lance stripe, or acting rank for an offence, but not for inefficiency.*

(ix) *Every award by the C.O. of forfeiture of pay* (on active service only).

(x) *Confinement to barracks exceeding seven days.*

When deprivation of pay, under regulation No. 57 of the regulations under Chapter VII of the Act, is awarded as an alternative to C.B., the equivalent number of days C.B. must be entered on the conduct-sheet and not the amount or number of days' pay the soldier is deprived of.

45. If a conduct-sheet is lost, the C.O. will assemble a court of inquiry to investigate the circumstances and obtain evidence as to the entries contained in the lost sheet. The C.O. will then cause a new sheet to be drawn up and substituted for the lost sheet, an entry in rek ink, "substituted for original, lost," with date and C.O.'s signature, being made in front of "number of sheet."

46. When a unit proceeds on active service, all regimental conduct-sheet will be forward to the officer in charge of records. At the conclusion of the campaign, or when a soldier returns, the regimental conduct-sheet will be completed from the entries made in the field conduct-sheet.

The guard-book will also contain a specimen conduct-sheet for guidance in making entries, together with an alphabetical list of soldiers on the strength of, or attached to, the squadron, etc. Should a sheet be temporarily withdrawn, the date and reason for such withdrawal will invariably be noted in pencil against the soldier's name on the list.

48. An entry will be made in the squadron, etc., conduct-sheet of every award of punishment against the soldier, by whomsoever made, except that offences exempt from insertion under paragraph 43 (iii) and (iv) or under rule (iv), paragraph 49, will not be entered.

As dit gelas word dat geen aantekening gemaak moet word nie, moet die saak nie, by beregting deur 'n krygsraad, as 'n vroeëre veroordeling beskou word nie.

Veroordeling deur die burgerlike overheid, hetsy voor of na diensneming, weëns oortredinge voor diensneming begaan, moet nie aangeteken word nie, en ook nie as getuienis teen 'n soldaat by 'n beregting deur 'n krygsraad, aangevoer word nie.

Veroordeling deur die burgerlike owerheid, hetsy voor gedurende dersersie begaan, moet aangeteken word en voor 'n krygsraad as getuienis van 'n vroeëre veroordeling aangevoer word.

Gesertifiseerde afskrifte van alle veroordelinge deur die burgerlike owerheid moet aan die soldaat se resjiments-gedragstaat geheg word. As die gevangenisstraf vir so 'n veroordeling opgelê meer was as sewe dae moet die gesertifiseerde notule as getuienis ingedien word net soos 'n vroeëre veroordeling deur 'n krygsraad. As die gevangenisstraf vir sewe dae of minder is, moet die veroordeling beskou word as 'n gewone aantekening in die resjiments-gedragstaat wat betref die verbeuring van onderskeidingstekens vir goeie gedrag.

(iv) *Elke geval waar 'n soldaat deur 'n hof 'n verbod opgelê is of waar 'n soldaat 'n opgeskorte vonnis gekry het of gelas is om, as hy aangesê word, vir veroordeling of vonnis te verskyn, of waar die aanklag van die hand gewys is maar die soldaat gelas is om die koste te betaal.* In enige geval waar die B.O. van oordeel is dat 'n resjimentsaantekening nie gemaak moet word nie kan hy die geval aan die A.G. voorlê om te beslis of 'n aantekening gemaak moet word of nie.

As daar 'n resjimentsaantekening gemaak is, moet 'n gesertifiseerde afskrif van die order van die hof aan die soldaat se resjiments-gedragstaat geheg word.

(v) *Elke ernstige berisping van 'n onderoffisier.*

(vi) *Elke geval van terugsetting van 'n onderoffisier na 'n laer graad of na die geledere, of ontneming van die streep van 'n ondersersant, onderkorporaal, ens., of waarnemende rang, weëns 'n oortreding, maar nie weëns onbekwaamheid nie.*

(vii) *Elke toewysing van detensie deur die B.O.*

(viii) *Elke toewysing van veldstraf deur die B.O.* (net op aktiewe diens).

(ix) *Elke toewysing deur die B.O. van verbeuring van soldy* (net op aktiewe diens).

(x) *Kaserne-arrest vir meer as sewe dae.*

As ontneming van soldy, onder regulasie 57 van die regulasies onder Hoofstuk VII van die Wet, in stede van kaserne-arrest toegewys is, moet op die gedragstaat die ekwiwalente aantal dae kasere-arrest aangeteken word en nie die bedrag of die aantal dae waarvoor soldy van die soldaat ontneem is nie.

(xi) Elke geval van dronkenskap.

(xii) Elke kwytskelding, verwisseling of versagting van 'n vonnis, hetsy die vonnis deur 'n krygsraad of ander outoriteit opgelê is, moet in die aanmerkinge-kolom aangeteken word met vermelding van die datum en die magtiging.

44. (i) Elke aantekening moet deur die B.O. of die adjudant, met die voorletters in die aanmerkinge-kolom geteken word. Aantekeninge omtrent krygsrade moet met die volle handtekening onderteken word.

(ii) Vage aantekeninge soos "onbehoorlike gedrag" moet nie gemaak word nie.

(iii) Die volgende afkortinge, ens., moet gebruik word: —

Kaserne-arrest—K.A.
Gevangenisstraf met harde arbeid—G.H.A.

(iv) Verbeuring van soldy of van bekwaamheidssoldy, diens-soldy of van onderskeidingsteken vir goeie gedrag moet onder die hoof "aanmerkinge" aangegee word soos volg: —

Verbeur soldy vir.....dae; of

(v) 'n Vorm van die resjiments-gedragstaat moet in die kantoor van elke offisier wat die reg het om 'n resjiments-aantekening te gelas, gehou word.

45. As 'n gedragstaat verloor is, moet die B.O. 'n hof van ondersoek byeroep om die omstandighede na te gaan en getuienis te verkry in verband met die aantekeninge in die verlore staat. Die B.O. moet dan 'n nuwe staat laat opmaak om in die plek van die verlore een te stel en dan word, voor "nommer van gedragstaat," die volgende aantekeninge met rooi ink gemaak, nl., "In die plaas gestel van origineel wat verloor is," met die datum en die B.O. se handtekening daarby.

46. As 'n eenheid op aktiewe diens gaan, moet alle resjiments-gedragstate aan die register-offisier gestuur word. As die veldtog afgeloop is, of as die soldaat terugkeer, moet die aantekeninge uit die veld-gedragstaat op die resjiments-gedragstaat oorgedra word.

Eskadrons-, Battery- en Kompanjie-Gedragstate.

47. 'n Eskadrons-gedragstaat vir elke soldaat onder die rang van stafsersant moet in die wagboek gehou word en in die bewaring van die bevelvoerder van die eskadron, ens., agter slot gehou word. Die wagboek moet ook 'n vorm van die gedragstaat bevat om aan te toon hoe aantekeninge gemaak moet word, met 'n alfabetiese naamlys daarby van soldate op die sterkte van of toegevoeg aan die eskadron, ens. As 'n blad tydelik uitgeneem word moet die datum wanneer en die rede waarom dit uitgeneem is altyd in potlood teen die soldaat se naam op die lys aangeteken word.

48. In die eskadrons- (ens.) gedragstate moet aantekening gemaak word van elke straf wat 'n soldaat opgelê is, deur wie ook, met hierdie uitsondering egter dat oortredinge wat onder paragraaf 43 (iii) en (iv) of onder reël (iv), paragraaf 49, uitgesluit is, nie moet aangeteken word nie.

49. Die volgende reëls in verband met die hou van eskadrons-(ens.) gedragstate moet gevolg word: —

(i) Die hoof van elke staat moet ingevul word.

(ii) Dieselfde reëls as die wat voorgeskryf is vir resjiments-gedragstate in paragrawe 43 en 44 moet gevolg word.

(iii) Die offisier wat die aantekening maak moet dit in die laaste kolom met sy voorletters teken.

(iv) The squadron, etc., commander will record therein every offence committed by soldiers for which punishment has been awarded, except offences (other than drunkenness or those involving forfeiture of pay) for which confinement to barracks for one day, or its equivalent punishment on board ship, or one extra guard or piquet has been awarded. Admonition will not be entered except in cases of drunkenness and in those involving forfeiture of pay.

(v) Every act of drunkenness committed by a soldier is to be entered in black ink, and numbered consecutively, in red ink, in the column set apart for that purpose.

(vi) Every case of admission to hospital on account of alcoholism duly certified by a medical officer, whether it has been dealt with as an offence or not, is to be entered in red ink, unless the soldier has been tried on a charge based upon the same facts and acquitted.

(vii) All entries in the squadron, etc., conduct-sheets will be compared frequently by the C.O. or an officer deputed by him with the awards recorded in the guard reports and minor offence reports.

50. In the case of a sheet being lost, the procedure laid down in paragraph 45 will be followed.

51. On promotion to staff sergeant or any higher rank, any entries in the squadron, etc., conduct-sheet such as those mentioned in paragraph 56 will, for purposes of assessment of character, application for good conduct medal, etc., be transferred to the regimental conduct-sheet in red ink, with a note that these entries do not count as regimental entries. If there are no such entries to be transferred, the fact will be noted on the regimental conduct-sheet in red ink. The squadron, etc., conduct-sheet will then be destroyed.

52. The squadron, etc., conduct-sheet of a soldier will be destroyed on his discharge. A record of such entries as are referred to in paragraph 56 will, however, be made on a fresh sheet and placed with the discharge documents, and those entries and entries in the regimental conduct-sheet will alone be taken into account in assessing a soldier's character. If there are no such entries, the fact will be noted on the regimental conduct-sheet in red ink.

53. It will also, if containing any entries, be destroyed, and a blank one substituted—

(i) on completion of six months from the date of his attestation;

(ii) after every continuous period of two years during which he shall not have incurred an entry in his squadron, etc., sheet;

(iii) on attaining the rank of sergeant.

54. When a new sheet is taken into use, an entry, signed by the squadron, etc., commander, will be made at the top of the sheet, "sheet destroyed (date); last entry (date);* number of cases of drunkenness (date of last instance)."

55. Before destroying squadron, etc., conduct-sheets, the headings on the new sheet will be compared. The entries in the regimental sheets will be checked and completed.

56. Entries in the squadron conduct-sheets of deprivation of lance stripe or severe reprimands of N.C.O.'s, of admission to hospital for alcoholism, and of cases of drunkenness, which under previous regulations have not been reckoned as regimental entries, are not to be transferred to the regimental conduct-sheets. They are to be copied into successive new squadron, etc., conduct-sheets, and will be taken into account in the assessment of the soldier's character.

57. When a soldier proceeds on active service, his squadron conduct-sheet will be forwarded with his other documents to the officer in charge records. At the conclusion of the campaign, or when a soldier returns, the squadron conduct-sheet will be completed, from the entries made by the unit in the field, in the field conduct-sheet.

Field Conduct-Book.

58. A field conduct-sheet will be held in peace by the squadron, etc., commander for every serving soldier.

59. On active service all entries of offences and every case of a sentence being suspended, or a suspended sentence being remitted or put into execution, will be made in the field conduct-book, except that in the case of N.C.O.'s of the rank of staff sergeant and upwards, regimental entries only will be recorded. If necessary, field conduct-sheets will be prepared for officers and warrant officers (see paragraph 41). Every entry in the field conduct-book will be initaled by the officer making it.

60. The book will contain a nominal list of the men of the squadron, etc., with an assessment by the squadron, etc., commander of their respective characters at the commencement of the campaign, number of cases of drunkenness, with date of last instance, etc.

61. If a man be transferred, while in the field, to another unit or corps, it will be sufficient if he be accompanied by a memorandum showing an assessment of his character up to date of transfer, and the total number of cases of drunkenness recorded against him, with the date of last entry.

62. If the character is not satisfactory, a short explanatory note may be added, e.g.:—

No..... Private....., previous cases of drunkenness....., last case....., last offence.....
Character, bad. Insubordinate.

63. At the conclusion of a campaign, or when a soldier dies or returns, his field conduct-sheet will be forwarded to the officer in charge records.

*The date to be entered will be the date of award, or, in the case of imprisonment or detention, the date of return to duty.

(iv) Die eskadrons- (ens.) bevelvoerder moet daarin aantekening maak van elke oortreding deur soldate begaan waarvoor straf opgelê is, behalwe oortredinge (met uitsondering egter van gevalle van dronkenskap en oortredinge wat soldyverbeuring as gevolg het) waarvoor kasernearrest vir een dag, of 'n gelykstaande straf aan boord skip, of een ekstra wag- of skildwag-beurt opgelê is. 'n Vermaning moet nie aangeteken word nie, behalwe in gevalle van dronkenskap en in die wat soldyverbeuring as gevolg het.

(v) Elke maal wat 'n soldaat hom skuldig maak aan dronkenskap moet dit met swart ink aangeteken word en in volgorde in die kolom wat daarvoor bestem is, met rooi ink genommer word.

(vi) Elke geval van opneming in die hospitaal weëns misbruik van drank, behoorlik gesertifiseer deur 'n offisier-geneeskundige, hetsy dit as 'n oortreding behandel is of nie, moet met rooi ink aangeteken word, tensy die soldaat in verhoor geneem is op 'n aanklag gebaseer op dieselfde feite en vrygespreek is.

(vii) Alle aantekeninge in die eskadrons- (ens.) gedragstate moet dikwels deur die B.O., of 'n offisier deur hom aangestel, vergelyk word met die strawwe soos aangeteken in die wagrapporte en rapporte van geringe oortredinge.

50. In geval 'n gedragstaat verloor is moet gehandel word soos voorgeskryf in paragraaf 45.

51. By bevordering tot stafsersant of hoër rang moet enige aantekeninge in die eskadrons- (ens.) gedragstaat, soos die wat in paragraaf 56 vermeld is, vir die doel van klassifikasie van karakter, aansoek om medaljie vir goeie gedrag, ens., met rooi ink op die resjiments-gedragstaat oorgebring word met 'n noot daarby dat hierdie aantekeninge nie as resjiments-aantekeninge tel nie. As daar geen aantekeinge is wat oorgebring moet word nie moet die feit in die resjiments-gedragstaat met rooi ink aangeteken word. Die eskadrons- (ens.) gedragstaat word dan vernietig.

52. Die eskadrons- (ens.) gedragstaat van 'n soldaat moet by sy ontslag vernietig word. Die aantekeninge wat in paragraaf 56 vermeld is, moet egter op 'n nuwe gedragstaat opgegee en by die ontslagpapiere gevoeg word. Net daardie aantekeninge en aantekeninge in die resjiments-gedragstaat moet in aanmerking geneem word as 'n soldaat se gedrag geklassifiseer word. As daar nie sulke aantekeninge is nie, moet die feit in die resjiments-gedragstate met rooi ink vermeld word.

53. Die eskadrons- (ens.) gedragstaat moet ook, as daar enige aantekeninge op voorkom, vernietig word en deur 'n nuwe een vervang word—

(i) na voltooiing van ses maande diens van die datum van attestasie af;

(ii) na elke onafgebroke tydperk van twee jaar waarin geen aantekening teen hom in sy eskadrons- (ens.) gedragstaat voorkom nie;

(iii) by bereiking van die rang van sersant.

54. As 'n nuwe gedragstaat in gebruik geneem word, moet 'n aantekening, geteken deur die bevelvoerder van die eskadron, ens., bo aan die gedragstaat gemaak word, soos volg: "Gedragstaat vernietig (datum); laaste aantekening (datum)*; aantal gevalle van dronkenskap (datum van laatste geval)."

55. Voor die eskadrons- (ens.) gedragstate vernietig word, moet die hoofde op die nuwe staat met die van die oue vergelyk word. Die aantekeninge in die resjiments-gedragstate moet nagegaan en ingevul word.

56. Aantekeninge in die eskadrons-gedragstate van ontneming van ondersersants-, onderkorporaals- ens. -strepe, of ernstige berisping van onderoffisiere, van opneming in die hospitaal vir misbruik van drank, en van gevalle van dronkenskap wat onder vorige regulasies nie as resjiments-aantekeninge gereken is nie, moet nie op die resjiments-gedragstate oorgebring word nie. Hulle moet in agtereenvolgende nuwe eskadrons- (ens.) gedragstate afgeskryf word en moet in aanmerking geneem word by klassifikasie van die soldaat se karakter.

57. As 'n soldaat op aktiewe diens gaan, moet sy eskadronsgedragstaat met sy ander dokumente na die registeroffisier gestuur word. As die veldtog oor is of as 'n soldaat terugkeer moet die eskadrons- gedragstaat aangevul word uit die aantekeninge deur die eenheid te velde gemaak in die veld-gedragstaat.

Veld-Gedragregister.

58. 'n Veld-gedragstaat moet deur die bevelvoerder van 'n eskadron, ens., in vredestyd gehou word vir elke diensdoende soldaat.

59. Op aktiewe diens moet alle oortredinge en elke geval waar 'n vonnis opgeskort is of 'n opgeskorte vonnis kwytgeskel of uitgevoer is in die veld-gedragregister opgeteken word, met hierdie uitsondering dat in die geval van onderoffisiere van die rang van stafsersant en hoër, net resjiments-aantekinge gemaak moet word. As dit nodig is, moet veld-gedragstate opgemaak word vir offisiere en adjudant-onderoffisiere (kyk paragraaf 41). Elke aantekening in die veld-gedragregister moet deur die offisier wat dit maak met sy voorletters geteken word.

60. Die boek moet 'n naamlys bevat van die manne van die eskadron, ens., met 'n opgaaf, deur die bevelvoerder van die eskadron, ens., van die karakter van elke man by die aanvang van die veldtog, aantal gevalle van dronkenskap, met die datum van die laaste geval, ens.

61. As 'n man, terwyl hy te velde is, na 'n ander eenheid of korps oorgeplaas word, sal dit voldoende wees as 'n memorandum saam met hom gaan wat 'n opgaaf van sy karakter tot op die datum van oorplasing en ook die aantal gevalle van dronkenskap wat teen hom aangeteken is, en van die datum van die laaste aantekening.

62. As die karakter nie bevredigend is nie kan 'n korte verklarende aantekening toegevoeg word, b.v.:—

No..... Manskap....., vroeër gevalle van dronkenskap.....Laaste geval.....
Laaste oortreding.....
Karakter, sleg. Weerspannig.

63. As die veldtog afgeloop is of as 'n soldaat sterf, of terugkeer, moet sy veld-gedragstaat aan die register-offisier gestuur word.

* Die datum wat aangeteken moet word is die datum van die toewysing van straf, of, in die geval van gevangenisstraf of detensie, die datum van terugkeer na diens.

Laasgemelde gaan dan die besonderhede na en herhaal dit aan die A.G. Die telegram moet op dieselfde dag gestuur word as wat die bekendmaking ontvang is.

73. Die B.O. van Hospitale moet dadelik per telegram as dit nodig is aan die A.G. by die basis die rang, name, resjimentsnommers en eenheid rapporteer van al die manne wat in die hospitaal sterf, met vermelding van die oorsaak van die dood.

74. Die B.O. van Hospitale moet daeliks aan die A.G. by die basis 'n opgaaf op D.D. 233 in duplikaat verskaf waarop aangetoon word alle gevalle van opneming in en ontslag uit die hospitaal, en die aard en graad van die siekte of wond. Siektegevalle word as gevaarlik, ernstig, of lig geklassifiseer, en wonde, soos voorgeskryf in paragraaf 71.

75. Die A.G. by die basis moet, op dieselfde dag waarop aan hom gerapporteer word, ooreenkomstig paragrawe 70 en 71, die A.G. per telegram in kennis stel van alle sterfgevalle en van gevaarlik, ernstig of swaar gewondes, na gelang hulle in die respektiewe grade opgeneem of daaruit verwyder word en moet per pos 'n afskrif stuur van gemelde vorm D.D. 233.

76. Sodra as moontlik is na die dood van 'n lid, moet die B.O. van die eenheid of hospitaal aan die A.G. by die basis, vir versending na die A.G., 'n persoonlike brief van deelneming stuur soos vermeld in paragraaf 69.

77. Sodra as moontlik is na die ontvangs van 'n bekendmaking van die dood van 'n soldaat, moet die offisier aan die hoof van die A.G. se kantoor by die basis 'n rapport oor sterfgevalle in tweevoud opstel, een waarvan aan die A.G. gestuur moet word en die ander aan die betaalmeester by die basis.

78. Die persoonlike goedere van sentimentele waarde van 'n oorlede lid moet veilig verpak en saam met 'n lys van die goedere deur die B.O. van die eenheid of hospitaal aan die A.G. gestuur word. Die resjimentsklere en sulke andere goedere as wat volgens oordeel van die B.O. nie aan die famieliebetrekkinge gestuur moet word nie, moet by veiling verkoop word en die opbrengs moet as bate van die boedel gekrediteer word (kyk Hoofstuk IV, paragraaf 36).

79. As 'n lid se boedel, weens omstandighede van aktiewe diens, nie ooreenkomstig paragraaf 35 van Hoofstuk IV beheer kan word nie, moet die B.O. volle besonderhede van alle bate en laste en die originele testament, as dit beskikbaar is, aan die A.G. stuur vir deursending aan die Finansiële Ondersekretaris, wat met die boedel moet handel ooreenkomstig die aangehaalde paragraaf.

80. Die A.G. is alleen verantwoordelik vir alle meedelinge in verband met verliese, ens., aan die naasbestaande en aan die pers

no member may communicate any such particulars except in the case of written personal condolences to the relatives of the member concerned.

82. In cases where absence from duty, as the result of an injury, exceeds fourteen days, a court of inquiry shall be assembled to inquire into the circumstances. The O.C. will record his opinion on the proceedings as to whether the injury was received on or off duty, and such proceedings, in triplicate, together with Form D.D. 101 or Form D.D. 358, shall be submitted to the A.G. for confirmation.

"I, A. B., do solemnly and sincerely declare that I was enlisted on the.....under the name of .....which name I now declare to be incorrect. The name of....., contained in the accompanying certificate of birth, I now declare to be my true name, and I make this solemn declaration conscientiously believing the same to be true.

"Signature of soldier.....

"Declared before me at.....this..... day of.....

"Signature of J.P....."
"or Commissioner of Oaths.

The man should be warned that, if the declaration so made is untrue in any material particulars he is liable to be indicted for perjury.

84. The true name will then be recorded as an *alias* after the assumed name wherever the latter appears on the documents and in all documents subsequently prepared the true name only will be used. The statutory declaration will be preserved with the soldier's original attestation.

en geen lid mag enige van sulke besonderhede meedeel nie, behalwe in die geval van persoonlike briewe van deelneming aan die bloedverwante van die betrokke lid.

VERWONDINGE.

81. Sodra as moontlik is na 'n lid 'n letsel opgedoen het, moet Vorm D.D. 101 of Vorm D.D. 358 deur die offisier-geneeskundige, wat die geval behandel, in drievoud ingevul en aan die betrokke O. in B. gestuur word om klaar te maak en aan die A.G. deur te stuur.

82. In gevalle waar 'n lid, as gevolg van 'n letsel, meer as veertien dae van diens afwesig is moet 'n hof van ondersoek byeengeroep word om die omstandighede na te gaan. Die O. in B. moet op die notule vermeld of volgens sy oordeel die letsel op diens veroorsaak is of nie en hierdie notule moet in drievoud te same met Vorm D.D. 101 of Vorm D.D. 358 deur die offisier-geneeskundige, bekragtiging.

VERANDERING VAN NAAM.

83. Die naam waaronder 'n soldaat geattesteer is, mag nie uit sy attestasie of dokumente geskrap word nie. As 'n soldaat onder 'n ander naam diens geneem het en sy regte naam in sy papiere wil laat aanteken moet hy, op eie koste, 'n deur die wet voorgeskrywe verklaring maak voor 'n Vrederegter of Kommissaris van Ede, soos volg:—

"Ek, A.B., verklaar plegtig en opreg dat ek op die..... .....in diens geneem is onder die naam..... .....en ek verklaar dat die naam verkeerd is. Ek verklaar nou dat die naam.....soos in die newensgaande geboortesertifikaat vervat, my regte naam is en ek maak hierdie plegtige verklaring in die vaste oortuiging dat dit waar is.

"Handtekening van soldaat.....
"Verklaar voor my te.....op die..... dag van.....
"Handtekening van V.R.....
of Kommisaris van Ede."

Die man moet gewaarsku word dat as die verklaring in enige saaklike besonderheid onwaar is hy dan weens meineed vervolg kan word.

84. Die regte naam moet dan agter die naam waaronder die soldaat in diens geneem is, ingeskryf word ooral waar laasgemelde naam op dokumente voorkom; en in alle dokumente wat daarna opgestel word, moet net die regte naam gebruik word. Die by die wet voorgeskrywe verklaring moet by die soldaat se originele attestasie bewaar word.

8. The captain will cause copies of the drawings showing the position and lead of all pumps, pipes, cocks, and valves, connected with the fire service and flooding arrangements of the ship, to be hung in some conspicuous position for the use of the officers and men.

WATER-TIGHT DOORS.

9. The captain will take care that the following rules relative to closing water-tight doors and valves are strictly observed:—

(a) The signal for closing water-tight doors is to be given in all ships by continuous short sharp blasts on the fog-horn; in every ship and vessel a fog-horn is to be kept ready for use at a moment's notice, both by day and night, in such a position as will ensure its being heard at all stations.

GESKIEDKUNDIGE REGISTERS.

86. 'n Geskiedkundige register, waarin die volgende besonderhede in verband met die eenheid of korps vervat is, moet deur die A.G. gehou word:—

(i) Die omstandighede waaronder die eenheid of korps oorspronklik opgerig is.
(ii) Enige ongewone manier waarop die lede aangewerf is.
(iii) Die krygsverrigtinge waaraan hy deel geneem het en sy wapenfeite.

(viii) Enige ander aangeleentheid wat van geskiedkundige belang mag beskou word.

VEROUDERDE DOKUMENTE, ENS.

87. 'n Raad moet jaarliks in elke kantoor byeengeroep word vir die doel om die vernietiging aan te beveel van dokumente wat meer as drie jaar oud is. Die raad moet, as dit moontlik is, uit die hoof- en twee ondergeskikte offisiere van die kantoor bestaan, of soos die A. G. mag gelas. Die aanbevelinge van hierdie raad moet aan die A.G. voorgelê word en hy reik dan orders uit waarin aangedui word hoe met die dokumente gehandel moet word.

HOOFSTUK XII.—ALGEMENE PLIGTE AAN BOORD VAN S.M.S.A. SKEPE.

1. By aanstelling tot die bevel van 'n skip moet die kaptein daarvan, met die offisiere. die skip ooral inspekteer om hom te oortuig dat die skip in alle opsigte bevredigend is.

2. Die kaptein moet besondere vlyt aan die dag lê in die klaarmaak van die skip vir die see of vir enige ander diens wat gelas word. Hy moet gedurig inspekteer en, sover as hy kan, al die werk aan boord bevorder. Hy moet, soos gelas, rapporteer omtrent die gemaakte vooruitgang en die toestand van die skip.

3. Die kaptein moet hom bekend stel met die regulasies van die skeepswerf, ens., ten opsigte van alle aangeleenthede nodig vir sy voorligting en moet met ander takke saamwerk tot bevordering van die diens.

4. Die kaptein moet sorg dat sy skip en alles wat daarby behoort altyd gereed is vir enige diens wat hy gelas mag word om uit te voer.

VOORSORG TEEN BRAND.

5. Die kaptein moet die volgende voorbehoedmiddels teen brand in ag neem en deur almal aan boord in ag laat neem:—

(a) Met uitsondering van die gewone handlampe in die masien- en ketelkamers, moet geen blote ligte in enige deel van die skip benededeks gebruik word nie.
(b) In pakkamers en ander vertrekke, wat nie van elektriese ligte voorsien is nie, moet net ligte van 'n goedgekeurde model gebruik word.
(c) Geen lig, behalwe die wat geoorloof is, mag sonder verlof na die aandinspeksie gebruik word nie.
(d) Geen veranderinge in die elektriese aanvoer mag gemaak word nie. Die aansluitings van verplaasbare lampe in pakkamers en ander vertrekke moet, as dit nie gebruik word nie, uit hul houers geneem word en alle verplaasbare ligte afgedraai word as dit nie langer nodig is nie.
(e) Geen mineraalolie, behalwe die wat spesiaal goedgekeur is, moet vir verligting of enige ander doeleindes gebruik word nie.
(f) Net veiligheidsvuurhoutjies moet aan boord toegelaat word en voorsorgmaatreëls moet geneem word wat betref die gebruik en wegbêre daarvan.
(g) Daar moet 'n spesiale pakkamer wees vir ontvlambare vloeistowwe en materiale en in daardie kamer mag hoegenaamd geen ligte of lampe, behalwe 'n veiligheidslamp, geneem word nie en dan net as dit absoluut noodsaaklik is. By die inskeping en wegpak van brandbare materiale moet met die grootste versigtigheid gewerk word.
(h) Olie, vet, poetskatoen of ander vryfstof moet in die vyer tenks, vir daardie doel verskaf, gehou en op geskikte plekke in die skip gesit word. Vryfstof moet onmiddellik na gebruik vernietig word.
(i) Alle ventilators moet op gereëlde tye ondersoek word en as dit nodig is skoongemaak word.

6. Die reëls wat in ag geneem moet word as 'n voorsorg teen brand moet ooral in die skip aangeplak word op plekke waar dit goed gesien kan word.

7. Die kaptein moet behoorlike brandweerposte instel en regulasies vasstel vir die voorligting van die offisiere en manskappe in geval van brand op die skip, of dit plaas vind gedurende "geveg" of by enige ander geleentheid.

8. Die kaptein moet, vir die gebruik van die offisiere en manskappe, op 'n gemaklik sigbare plek in die skip eksemplare laat ophang van die tekeninge waarop aangeduie word die posiesie van alle pompe, pype, krane en kleppe in verband met die brandweerdiens en die inlating van water in die skip.

WATERDIGTE DEURE.

9. Die kaptein moet sorg dat die volgende reëls in verband met die toemaak van waterdigte deure en kleppe stip nagekom word:

(a) Die sienjaal op alle skepe vir die toemaak van waterdigte deure geskied deur aanhoudend kort en skerp op die mishoring te blaas. Op elke skip en vaartuig moet 'n mishoring gereed gehou word vir onmiddellik gebruik in die dag sowel as in die nag en op so 'n plek dat dit op al die poste op die skip kan gehoor word.

(*b*) In every ship and vessel, as soon as the anchor is off the ground, all hatches, doors, and valves, automatic or otherwise, below the armoured deck, are to be closed by hand, and not opened until the anchor is let go again, except in the following cases:—

(i) For purposes of ventilation for half an hour in the day, or for so long as is considered absolutely necessary by the captain;

(ii) in parts of the ship which it is absolutely necessary to keep constantly ventilated, such as where men are employed or sleeping.

Note.—In both the above cases men should be specially stationed to close by hand, when required, all openings which are left open by necessity.

10. In action, at general quarters, or in a fog, when water-tight doors would be closed generally, certain doors such as magazines, ammunition passage doors, etc., will have to be opened, but men who are working in those spaces will be told off to be responsible for closing the doors and hatches in case of collision or damage to the ship. Special means are to be provided for conveying the orders for closing all such doors in the most expeditious manner possible.

Thus, at sea, ships will be under the same conditions in regard to water-tight doors as if going into action, except that the magazines, etc., will be closed.

11. The collision bulkhead will always be kept intact.

12. All empty water-tight compartments will be kept closed. Doors or openings which are required for giving the necessary facilities for removing certain parts of the auxiliary machinery should be kept closed and water-tight until required for use.

13. The collision stations will include the closing of gunports and armoured doors. If necessary, ladders will be rigged for facilitating traffic on these occasions. The means of closing automatic valves by hand will be periodically examined in order to ascertain that they are in working order.

14. Water-tight compartments shall be tested periodically, one compartment at least being flooded annually.

15. Whenever ships are inspected, inspecting officers will satisfy themselves that the condition of the water-tight compartments, fittings, etc., is satisfactory, and that the periodical tests have been properly carried out.

16. The captain shall pay the strictest attention to the necessity of frequently exercising the crews in closing water-tight doors without previous warning, in order that the fullest advantage may be derived, in case of need, from the means provided for the protection of ships from the risks incident to collision or fire, and a record of such practice is to be inserted in the log.

17. In every ship men will be detailed whose duty it will be, when the fog-horn sounds, to proceed with all speed to close the doors to which they are severally appointed. This will be a peremptory arrangement in all ships, and the captain will take special care that the numbers of men so detailed shall be sufficient to provide for the casualties from sickness and other causes of absence.

18. All water-tight doors will be kept clear for immediate closing. No fitting of any kind is to be allowed which will require to be removed before the doors can be shut.

19. Water-tight doors, which include horizontal trap or flap doors as well as vertical hinged doors between decks, and armoured hatches are in the charge of the engineer officer, who is responsible for their efficiency, and for their being closed when not in use.

20. Cocks, sluice-valves, and water-tight slides in connection with water-tight compartments and ventilation, and water-tight doors, armoured hatches, and their securing arrangements, will be examined and worked at least once a week, under the directions of the engineer officer, to see that they are in proper and efficient working order.

21. In ships with artificial ventilation, the various water-tight cocks and slides which can only be worked below the water-line will be carefully closed immediately after the ventilating fans have ceased to work, so that, in the event of accident, the water shall be prevented from passing from one compartment into another.

22. The distinguishing letters of water-tight bulkheads and doors, as shown in the drawings furnished with the ship, shall be painted on them in prominent positions and in conspicuous characters, and shall be renewed whenever necessary so that the letters may at all times be readily distinguishable.

Smoking.

23. The captain shall appoint the places in the ship where during the prescribed hours (*vide* paragraph 24) the officers and ship's company may smoke.

24. The hours when smoking is permitted, provided it does not interfere with the work in hand at the time, are: During the meal hours of the ship's company, and, as regards the officers, until 8.55 a.m. In the evening, after quarters in harbour, for officers, till 11 p.m.; ship's company, till 9.20 p.m. At sea, for officers, till 9.30 p.m., and for ship's company till 8.20 p.m. The captain may, at his discretion, permit smoking for not more than one hour in each watch during the night watches.

25. Officers and men shall observe any regulation which prohibits smoking on board ship alongside dockyards, wharves, or jetties, or in docks or basins, or under dockyard control, while embarking explosives, or when in dockyards, ordnance stores, magazines, etc.

Cleanliness and Health.

26. The captain will use his best endeavours to ensure that cleanliness and good ventilation prevail throughout the ship; that all compartments are kept dry, and that the drains are frequently flushed and maintained in good order, also that all ventilation pipes and fittings are efficient and ready for use.

He will take every means to ensure a thorough natural circulation of air throughout the ship at all times, subject to the regulations in regard to water-tight compartments, and will frequently examine the ship in company with the medical officer. When any

(*b*) Op elke skip en vaartuig moet, sodra as die anker van die grond af is, al die luike, deure en kleppe (selfwerkende of ander soorte) benede die pantserdek, met die hand toegemaak word en nie oopgemaak word voor die anker weer neergelaat word nie, behalwe in die volgende gevalle:—

(i) Vir die doel van ventilasie vir 'n half uur in die dag of vir so 'n lang tyd as wat die kaptein absoluut noodsaaklik ag.

(ii) In die dele van die skip waar gedurige ventilasie absoluut noodsaaklik is soos plekke waar manne werk of slaap.

Noot.—In albei hierdie gevalle moet daar manne spesiaal gestasioneer word om, as dit nodig is, al die openinge wat noodwendig oopgelaat word met die hand toe te maak.

10. In die geveg, by "iedereen op sy pos" of in mistige weer, wanneer waterdigte deure in die reël toegemaak is, moet sekere deure soos die van magasyne, deure waar ammuniesie deur gegee word, ens., oopgemaak word, maar aan manne wat in hierdie plekke werk moet gesê word dat hulle verantwoordelik is vir die toemaak van die deure en luike ingeval van die aanvaring of beskadiging van die skip. Spesiale middels moet aangewend word om die orders vir die toemaak van al die bedoelde deure op die gouste manier oor te breng.

Op see, dus, sal skepe, wat betref waterdigte deure, onder dieselfde toestande verkeer as wanneer hulle in geveg gaan, behalwe dat die magasyne, ens., toegemaak sal wees.

11. Die beskot moet altyd vry en onbelemmer gehou word.

12. Alle leë waterdigte kompartemente moet toe gehou word. Deure of openinge wat nodig is vir die uitbreng van seker dele van die hulpmasienerie moet toe bly en waterdig gehou word totdat hulle gebruik moet word.

13. Die toemaak van die geskutpoorte en gepantserde deure moet ook deel uitmaak van die werk van die aanvaringsposte. As dit nodig is moet lere ingerig word om die verkeer by hierdie geleentheid makliker te maak. Die middele om selfwerkende kleppe met die hand toe te maak moet op gereëlde tye nagegaan word om te sien of hulle goed werk.

14. Waterdigte kompartemente moet op gereëlde tye getoets word en in minstens een kompartement moet eenmaal elke jaar water ingelaat word.

15. By die inspeksie van skepe moet die inspeksieoffisiere hulle oortuig dat die toestand van die waterdigte kompartemente, toebehoorsels, ens., bevredigend is en dat die toetse behoorlik uitgevoer is.

16. Die noodsaaklikheid om die bemanning dikwels sonder waarskuwing in die toemaak van waterdigte deure te oefen, is iets waaraan die kaptein sy sorgvuldige aandag moet wy, om sodoende, as die behoefte daar is, die grootste voordeel te kan trek uit die middele verskaf vir die beskerming van skepe teen die gevaar van aanvaring of brand. Van hierdie oefening moet besonderhede in die logboek opgeteken word.

17. Op elke skip moet manne aangewys word wie se plig dit sal wees om, as die mishoring geblaas word, die deure wat vir elke een toegewys is, met die grootste spoed toe te maak. Dit moet op alle skepe 'n gebiedende reëling wees en die kaptein moet spesiaal daarvoor sorg dat die aantal manne wat daarvoor aangewys is voldoende sal wees vir die werk in geval party van hulle weens siekte of om ander redes afwesig is.

18. Alle waterdigte deure moet onbelemmer gehou word sodat hulle onmiddellik toegemaak kan word. Niks moet aan die deure gesit word wat eers afgehaal moet word voordat die deure toegemaak kan word nie.

19. Waterdigte deure waaronder begryp is horisontale val- of klapdeure, en ook vertikale skarnierdeure tussendeks en gepantserde luike is onder die sorg van die offisier-masienis wat aanspreeklik is dat hul in goeie orde is en toegemaak is as hulle nie gebruik word nie.

20. Krane, sluiskleppe en waterdigte skuiwe in verband met die waterdigte kompartemente en ventilasie, en waterdigte deure, gepantserde luike en die middele om dit veilig te maak, moet minstens eenmaal elke week geïnspekteer en getoets word onder die toesig van die offisier-masienis om te sien of dit in goeie orde is en goed werk.

21. In skepe wat kunsmatig gelug word moet die verskillende waterdigte krane en skuiwe waarmee net onder die waterlyn gewerk kan word sorgvuldig toegemaak word sodra as die lugwaaiers opgehou het om te werk, sodat die water, in geval van 'n ongeluk, nie van een kompartement na 'n ander kan deurdring nie.

22. Die letters wat waterdigte beskotte en deure onderskeie soos aangetoon op die tekeninge wat by die skip behoort, moet op bedoelde beskotte en deure op sigbare plekke en in duidelike letters geverf word en moet ieder keer as dit nodig is oorgeverf word, sodat die letters altyd maklik leesbaar is.

Rook.

23. Die kaptein moet die plekke op die skip vasstel waar die offisiere en die bemanning van die skip die reg het om te rook gedurende die voorgeskrywe ure (kyk paragraaf 24).

24. Die tyd wanneer daar gerook mag word mits dit nie die werk wat *dan* aan die gang is verstoor nie, is soos volg: Gedurende die etenstyd van die skip se bemanning, en, wat betref die offisiere, tot 8.55 v.m. In die aand na kwartiere in hawe vir offisiere tot 11 n.m.; bemanning tot 9.20 n.m. Op see vir offisiere tot 9.30 n.m. en vir bemanning tot 8.20 n.m. Die kaptein kan na goeddunke toelaat dat daar gerook word vir nie meer nie as een uur op elke wag gedurende die nagwagte.

25. Offisiere en manskappe moet enige regulasie nakom wat rook belet aan boord langs skeepswerwe, kaaie, hawehoofde of in dokke of komme of plekke onder die beheer van skeepswerwe, terwyl springstof ingeskeep word of wanneer hulle in skeepswerwe, krygsbehoefte-, kruitmagasyne, ens., is.

Sindelikheid en Gesondheid.

26. Die kaptein moet alles in sy vermoë doen om te sorg dat daar ooral op die skip sindelikheid en goeie ventilasie is; dat al die kompartemente droog gehou word en dat die afvoerpype dikwels uitgespoel en in goeie orde onderhou word; ook dat alle lugpype en toebehoorsels goed werk en gereed is vir gebruik.

Die kaptein moet, met inagneming van die regulasies in verband met waterdigte kompartemente, alle middele aanwend om altyd 'n deeglike natuurlike sirkulasie van vars lug ooral op die skip te verkry. Hy moet, vergesel van die offisier-geneeskundige,

part is found to be not perfectly clean or free from obnoxious smells, he will cause a thorough examination to be made, so as to detect the cause and remove whatever may tend to engender disease.

27. The captain will cause an officer to inspect all parts of the ship below every morning, and to report to him whether they are in a clean and well-ventilated state or otherwise.

28. The captain will take care that such parts of the ship below as are usually distempered are recoated every six months, or as often as may be necessary.

29. If the weather should prevent the ports from being opened for a considerable time, fires will be lighted in the stoves, and windsails freely used, so that the mess decks and flats may be kept as dry and airy as possible.

30. No poison or poisonous acid may be used to clean mess traps; nor may virus or poison be used for the extermination of rats without the prior concurrence of the medical officer.

31. The captain will take care to obtain a bill of health from the proper officer of customs before the ship sails for a foreign port.

Logs, Register and Signal Books, Etc.

32. The captain will examine the ship's log-book every day after noon, in order to see that it has been properly kept, and at the end of every twelve months he will receive the log-book from the navigating officer in a complete state, and give that officer a receipt for it.

33. The captain will frequently examine the deck log-book to ascertain that the officers in their respective watches have entered with accuracy and according to the instructions all the particulars required to be recorded.

34. When the ship is at sea and at such other times as he may think necessary, the captain will leave his orders for the night in the book supplied for the purpose.

35. The captain will inspect the engine-room register every day soon after noon, taking care to satisfy himself that all the information required is fully and properly noted, so that a complete record of work done and changes made may be preserved.

36. In the case of seagoing ships, the signal log is to contain an accurate record of all visual, sound, and wireless telegraph signals addressed to or made by the ship. The wireless telegraph entries, however, should be merely a chronological record of the messages sent and received with notes as to the method of transmission. A separate wireless telegraph signal-log is also to be kept.

37. The signal-log and wireless telegraph signal-log are to be written in pencil. They will be kept in original only.

38. The column headed "Ships in Company and Remarks" is to contain a record of—

(*a*) the men-of-war in company at 8 a.m. daily;
(*b*) all arrivals and departures of men-of-war;
(*c*) all men-of-war and large merchant vessels passed or met with at sea;
(*d*) salutes fired;
(*e*) any other observations of interest made by the signalmen which are considered worthy of record.

39. The officer or rating in charge of the Signal Department is responsible that the signal-logs are properly written up.

40. The signal-log will be inspected and initialed by the captain once a week. It will also be examined by officers inspecting the ship. Signal-logs will be preserved for three years. Signal-logs kept by ships on active service during time of war will be permanently preserved in so far as they are of historical importance.

41. The captain is responsible for the safe keeping of the signal-books, and will appoint a convenient place for the box in which they should be kept when not in use. Every care is to be taken in the treatment of the signal-books, and they are not to be exposed to the weather.

General Instructions.

42. The captain will pay the most careful attention to all matters connected with the preservation of the machinery and boilers, and he will at all times, except in cases of extreme urgency, take care that the fires are lighted sufficiently early to prevent injury to the engines and boilers from getting up steam too quickly.

43. The captain will take steps to ensure that the machinery is carefully looked after by the staffs on board, and that frequent opportunities are taken to examine and overhaul it with a view to reducing the possibility of mishaps as well as the number of defects requiring to be taken in hand by the dockyard.

44. The captain will visit the engine-room at least once in every twenty-four hours.

45. The captain will keep the ship as free from defects and as ready for service as the means on board will permit.

46. The captain will cause the artificers and artisans of the ship to repair all such defects, including those of guns, mountings, torpedoes and their discharges, and other naval ordnance stores as may be within their means, in order that on arriving in port as little assistance as possible may be required from the dockyard or other establishments.

47. The captain will see that proper attention is paid to the casings of water-tube boilers, and that defects in them, and also generally all other defects within the capabilities of the ship's staff, are duly made good.

48. On being relieved, the captain shall furnish his relief with a report, prepared by the head of each department and approved by himself, detailing all existing defects. Should the relieving officer be dissatisfied with the general state of the ship or any part of her, he will report the matter to higher authority.

49. The captain will take care that all the boats of the ship are kept efficient and ready for any service at the shortest notice, and that the men are properly stationed for getting them out or in and exercised in manning and arming them.

die skip ondersoek en as dit blyk dat enige deel daarvan nie heeltemal skoon is nie of 'n slegte ruik het dan moet hy 'n grondige ondersoek laat instel om uit te vind wat die oorsaak is en moet enig iets wat siekte kan aanbreng uit die weg laat ruim.

27. Die kaptein moet elke oggend die dele van die skip benede laat ondersoek deur 'n offisier wat aan hom moet rapporteer of die skip skoon en goed gelug is of nie.

28. Die kaptein moet sorg dat die dele van de skip benede, wat in die reël gekleur is, elke ses maande of so dikwels as wat nodig is opnuut gekleur word.

29. As die patryspoorte weens die weersgesteldheid nie vir 'n aansienlike tyd kan oopgemaak word nie, moet daar vuur gemaak word in die kaggels en ook ruimskoots van windseile gebruik gemaak word, sodat die eetdekke en verdiepings so droog en lugtig moontlik gehou kan word.

30. Geen gif of giftige suurstof moet gebruik word om tafelgereedskap skoon te maak nie; ook moet geen smetstof of gif gebruik word om rotte uit te roei sonder dat die toestemming van die offisier-geneeskundige eers verkry is nie.

31. Die kaptein moet sorg dat hy van die aangewese doeanebeampte 'n gesondheidspas verkry voordat die skip na 'n vreemde hawe vertrek.

Logboeke, Registers en Seinboeke, ens.

32. Die kaptein moet die logboek van die skip elke dag na die middag ondersoek om te sien of dit behoorlik gehou is en by die end van elke 12 maande moet hy dit in alle opsigte kompleet van die offisier-stuurman ontvang en hom 'n ontvangsbewys daarvoor gee.

33. Die kaptein moet dikwels die dekdagboek ondersoek om te sien of die offisiere op hul respektiewe wagte al die besonderhede, wat aangeteken behoort te word, sorgvuldig en ooreenkomstig die regulasies geboek het.

34. As die skip te see is of op sulke ander tye as die kaptein dit nodig ag, moet hy die orders vir die nag in die boek laat wat daarvoor bestem is.

35. Die kaptein moet elke dag kort na die middag die masienkamer-register nasien en moet hom oortuig dat al die vereiste informasie volledig en behoorlik aangeteken is sodat daar 'n komplete opgaaf van die werk wat gedoen, en die veranderinge wat gemaak is, bewaar kan word.

36. In die geval van 'n seevarende skip moet die seindagboek 'n juiste opgaaf bevat van alle sigbare, geluid- en draadloostelegrafie-seine wat aan hom gerig is of deur hom gegee is. Die aantekeninge in verband met draadloos moet egter net 'n opgaaf in tydsorde wees van die berigte wat gestuur en ontvang is, met vermelding van die manier van versending. Ook moet daar 'n aparte draadloostelegrafie-dagboek gehou word.

37. Die aantekeninge in die sein- en draadloosdagboek moet met potlood geskryf word. Hulle moet net in origineel gehou word.

38. Die kolom onder die hoof "Skepe van die Geselskap en Aanmerkinge" moet besonderhede bevat van—

(*a*) die oorlogskepe van die geselskap om 8 uur v.m. daeliks;
(*b*) die aankoms en vertrek van alle oorlogskepe;
(*c*) alle oorlogskepe en groot handelskepe wat op see verbygegaan of ontmoet is;
(*d*) salute wat gevuur is;
(*e*) enige andere waarneminge van die seiners wat van genoeg belang is om aangeteken te word.

39. Die offisier of mindere aan die hoof van die seinafdeling moet sorg dat die aantekeninge behoorlik in die seindagboeke gemaak word.

40. Die kaptein moet die seindagboek eenmaal elke week nagaan en met sy voorletters teken. Hierdie boek moet ook nagegaan word deur die offisiere wat die skip inspekteer. Seindagboeke moet vir drie jaar bewaar word. Seindagboeke, wat deur skepe op aktiewe diens in tyd van oorlog gehou word, moet permanent bewaar word vir sover as hulle van geskiedkundige belang is.

41. Die kaptein is verantwoordelik vir die veilige bewaring van die seinboeke en moet 'n gerieflike plek aanwys vir die kis waarin hulle gehou moet word as hulle nie gebruik word nie. Die seinboeke moet met alle versigtigheid behandel word en moet nie aan die weer blootgestel word nie.

Algemene Instruksies.

42. Die kaptein moet sy sorgvuldige aandag wy aan alles wat die instandhouding van die masienerie en ketels betref en moet altyd, behalwe in uiters dringende gevalle, daarvoor sorg dat daar betyds vuur gemaak word aangesien die masienerie en ketels kan beskadig as daar te vinnig stoom gemaak word.

43. Die kaptein moet sorg dat die masienerie deur die personeel aan boord goed opgepas word en dat daar dikwels gebruik gemaak word van die geleentheid om dit te ondersoek en na te gaan om sodoende nie alleen ongelukke nie, maar ook reparasies wat deur die skeepswerf uitgevoer moet word, te verminder.

44. Die kaptein moet minstens eenmaal elke 24 uur die masienkamer besoek.

45. Die kaptein moet sorg dat die skip so min gebreke het en so gereed is vir diens as wat die middele aan boord dit toelaat.

46. Die kaptein moet die ambags- en vakmanne van die skip, vir so ver as hul kan, alle gebreke laat repareer met inbegrip van die van kanonne, montering, torpedos en lanseerbuise en andere mariene krygsbehoeftevoorrade, sodat die skip by aakoms in die hawe so min hulp moontlik sal vereis van die skeepswerf of ander inrigtings.

47. Die kaptein moet sorg dat behoorlike aandag gewy word aan die bekleding van waterbuisketels en dat gebreke daaraan en ook alle ander gebreke in die algemeen, wat deur die personeel van die skip kan verhelp word, behoorlik herstel word.

48. As die kaptein afgelos word moet hy aan die offisier wat hom aflos 'n rapport verskaf, met opgaaf van al die bestaande gebreke. Hierdie rapport moet deur die hoof van elke afdeling opgestel en deur die kaptein self goedgekeur word. As die aflossende offisier nie met die algemene toestand van die skip of enige deel daarvan tevrede is nie moet hy dit aan hoër gesag rapporteer.

49. Die kaptein moet sorg dat al die bote van die skip in goeie orde gehou word en in 'n oomblik gereed is vir enige diens, dat die manne hul plekke behoorlik inneem vir die uit- en inhaal van die bote en dat hulle in die beman en die bewapen daarvan geoefen word.

50. The captain will take care that the instructions in regard to boats contained in the signal manual, boarding-book, and boats' signal-book, as well as any other instructions that he may have received or issued on the subject, shall be known and observed by the officers and men.

51. The safety of men in a boat depends so largely upon their behaviour and upon the skill with which the boat is managed, that it is not practicable to state with certainty the number of persons that may be safely carried, but the numbers carried should never exceed those given in the statement of the carrying capacities of the various classes of boats in smooth water. As soon as the weather begins to change from "smooth water" conditions, the numbers must be reduced according to the judgment of the responsible officer present, with due regard to the character of the service to be undertaken, the experience of the person in charge of the boat, and the weather likely to prevail while the boat is away.

52. The captain will report in detail and by the earliest opportunity whenever any gun, boat, anchor, or any other valuable or important stores are lost, or any mast, yard, or spar is materially injured, or whenever any accident of a serious nature occurs to the ship's hull, machinery, or boilers.

53. When any accident happens which causes entire or partial disablement of the ship for service, or when any serious defect is discovered in the hull, machinery, or boilers, the cause of which is not clear, the senior officer present shall direct an inquiry to be held at once as to the cause of the accident or defect, and a full special report with evidence, finding, and sketches shall be submitted. Pending the inquiry, the defective parts are, if it can be done without inconvenience to the service, to be left as nearly as possible in the condition in which they were found immediately after the accident occurred or the defect was discovered.

54. The captain will by occasional and proper opportunities send particular accounts of his proceedings to the officer under whose orders he may be placed. He will report all circumstances that have occurred, and all intelligence he may have obtained worthy of notice.

55. The captain will not entrust the charge of the ship when under way to any officer, whether confirmed or acting, unless he has satisfied himself that such officer is acquainted with the regulations for preventing collisions at sea.

56. Should any ship fall in with any water-logged vessel abandoned at sea, which constitutes a danger to navigation, the derelict is to be examined, and unless the cargo is composed of such large baulks of timber as would themselves become a danger if released, or the position of the wreck is such as to make it probable that she may soon be towed into port, every effort is to be made to sink or otherwise destroy her.

57. Officers in command will report by wireless telegraphy the position and description of any derelict vessel or dangerous floating obstruction whenever sighted. Mercantile shipping in the vicinity should be warned by visual signal or (subject to the rules which govern such communication) by wireless telegraphy. If out of touch by wireless telegraph, they will report by telegraph from the first port of call, the date, position, and description of any derelict vessel or dangerous floating obstruction which may have been sighted during the voyage.

Collision with Merchant Ship.

58. The captain in every case of collision between his ship and a merchant vessel, in addition to his special report—which should be by telegraph, and should include a statement as to where the merchant vessel is to be found, and up to what date, and the owner's name and address—will transmit to headquarters, without delay, statements in detail from such of the officers and crew as he may consider desirable as to the circumstances of the occurrence, and especially as to the following points, so far as they may be applicable to the case:—

(*a*) The time and place of collision;

(*b*) the name and owner of the merchant ship;

(*c*) the force and direction of the wind;

(*d*) the state of the weather;

(*e*) the state and force of the tide;

(*f*) (i) whether his ship was at anchor or under way;
(ii) if under way, the course and speed when the other vessel was first seen, also any subsequent alteration in course and speed;

(*g*) whether the merchant ship was at anchor or under way; if under way, her course and speed to be stated, if possible;

(*h*) the lights, if any, carried by his ship;

(*i*) the time when the other vessel was first seen;

(*j*) the distance and bearing of the other vessel when first seen;

(*k*) the lights, if any, of the other vessel which were first seen;

(*l*) whether any lights of the other vessel, other than those first seen, came into view before the collision;

(*m*) what sound signals (if any) where sounded by his ship and by the merchant ship, and when;

(*n*) what measures were taken on board his ship, and when, to avoid the collision;

(*o*) the parts of each vessel which first came into contact;

(*p*) whether either ship was in tow or in charge of a pilot;

(*q*) (1) what acts of negligence (if any) are alleged to have been been committed by the merchant ship;
(2) whether blame is attributable to those on board his ship, and, if so, to whom, and to what extent;

(*r*) an approximate estimate of the cost of making good the damage done to either or both ships; if, in consequence of damage to his ship, it is necessary to prepare or hire another vessel to take her place temporarily, the cost involved should also be reported;

50. Die kaptein moet sorg dat die instruksies in verband met bote, soos vervat in die seinhandboek, enteringsboek en die bootseinboek en ook enige ander instruksies wat hy in verband met die saak ontvang of uitgereik het, bekend sal wees aan en uitgevoer sal word deur die offisiere en manskappe.

51. Die veiligheid van manne in 'n boot hang so veel af van hul gedrag en die bekwaamheid waarmee die boot bestuur word dat dit nie met sekerheid kan gesê word hoeveel persone 'n boot veilig sal kan dra nie, maar die aantal persone moet nooit meer wees nie as die wat voorkom in die opgaaf van die draagvermoë van die verskillende soorte bote in stil water. Sodra as die weer van "stil water" na 'n ander toestand begin oor te gaan moet die aantal, na gelang van die opinie van die aanwesige verantwoordelike offisier, verminder word, met behoorlike inagneming van die aard van die diens wat uitgevoer moet word, die ervaring van die persone wat toesig het oor die boot en die soort weer wat waarskynlik aangetref sal word so lank as die boot weg is.

52. As daar 'n kanon, boot, anker of enige ander kosbare of belangrike goedere verloor raak of 'n mas, ra of spar erg beskadig word, of as daar 'n ernstige ongeluk voorval in verband met die romp, masienerie of ketels van die skip, dan moet die kaptein die besonderhede daarvan by die eerste geleentheid rapporteer.

53. As daar 'n ongeluk gebeur wat die gehele of gedeeltelike ontreddering van die skip veroorsaak of wanneer 'n ernstige gebrek in die romp, masienerie of ketels ontdek word, waarvan die oorsaak nie duidelik is nie, moet die aanwesige senior offisier dadelik 'n ondersoek laat instel omtrent die oorsaak van die ongeluk of gebrek; en 'n volledige rapport met getuienis, uitspraak en tekeninge moet dan ingedien word. Solank as die ondersoek duur moet die gebrekkige dele, vir so ver as moontlik is, in die toestand gelaat word soos dit was net na die ongeluk gebeur het of die gebrek ontdek is.

54. Die kaptein moet af en toe by geskikte geleenthede besondere verslae van sy verrigtinge stuur aan die offisier wat oor hom geplaas is. Hy moet alles wat gebeur het en alle informasie van belang wat hy ingewin het, rapporteer.

55. Die kaptein moet nie die skip as dit aan 't vaar is aan die sorg van 'n offisier toevertrou nie, of dit 'n vasaangestelde of waarnemende offisier is, tensy hy oortuig is dat die bedoelde offisier bekend is met die regulasies wat vasgestel is om aanvaring op see te voorkom.

56. As 'n skip 'n ander skip op see teenkom wat gedeeltelik gesink het en verlaat is en wat gevaarlik is vir die skeepvaart, moet die verlate skip ondersoek word en as die vrag nie uit sulke groot blokke hout bestaan dat hulle self 'n gevaar sou wees as hulle van die wrak verwyder word, of as die posiesie van die wrak sodanig is dat dit waarskynlik nie gou na 'n hawe sal kan gesleep word nie, dan moet al wat moontlik is gedoen word om die wrak te laat sink of dit op 'n ander manier te vernietig.

57. Offisiere in bevel moet altyd wanneer daar 'n verlate skip of gevaarlike drywende hindernis gesien word, die posiesie en soort daarvan deur draadloostelegrafie rapporteer. Handelskepe in die nabyheid moet deur sigbare seine of (onderworpe aan die reëls vir hierdie soort kommunikasie) per draadloos gewaarsku word. As daar nie draadloostelegrafie verbinding is nie moet offisiere in bevel die datum waarop enige verlate vaartuig of gevaarlike drywende hindernis gedurende die reis gesien is, met besonderhede wat betref die posiesie en geaardheid daarvan, uit die eerste hawe van aankoms per telegram rapporteer.

Aanvaring met Handelskip.

58. Die kaptein moet, ingeval sy skip in aanvaring kom met 'n handelskip, benewens sy spesiale rapport (wat getelegrafeer moet word en besonderhede moet bevat van die plek waar en die datum wanneer die handelskip te vind is en ook die naam en adres van die eienaar) sonder versuim uitvoerige verklarings van sulke offisiere en manskappe as wat hy wenslik mag ag, aan die hoofkwartier stuur in verband met die omstandighede van die voorval en veral in verband met die volgende punte vir sover hulle op die geval van toepassing is:—

(*a*) Die tyd wanneer en die plek waar die aanvaring plaas gevind het.

(*b*) Die naam en die eienaar van die handelskip.

(*c*) Die krag en die rigting van die wind.

(*d*) Die weersgesteldheid.

(*e*) Die toestand en krag van die gety.

(*f*) (i) Of sy skip geanker of aan 't vaar was;
(ii) As dit aan vaar was, die koers en snelheid toe die ander skip vir die eerste maal gesien is; ook enige later verandering in die koers en snelheid.

(*g*) Of die handelskip geanker of aan 't vaar was; as dit aan 't vaar was moet, as dit moontlik is, sy koers en snelheid vermeld word.

(*h*) Watter ligte op sy skip was.

(*i*) Die tyd toe die ander skip die eerste keer gesien is.

(*j*) Die afstand en rigting van die ander skip toe dit die eerste keer gesien is.

(*k*) Watter ligte van die ander skip die eerste gesien is.

(*l*) Of enige ligte van die ander skip, behalwe die wat die eerste gesien is, voor die aanvaring gesien is.

(*m*) Watter geluidseine deur sy skip en deur die handelskip gegee is en wanneer.

(*n*) Watter maatreëls op sy skip geneem is, en wanneer, om aanvaring te voorkom.

(*o*) Albei die skepe se dele wat die eerste in botsing gekom het.

(*p*) Of een van die twee skepe op sleeptou of onder die sorg van 'n loods was.

(*q*) (1) Watter dade van nalatigheid deur die handelskip, na beweer word, gepleeg is;
(2) Of die bemanning van sy skip skuld het daaraan, en as dit die geval is, wie skuld het daaraan en wat die mate van die skuld is.

(*r*) Die koste, by benadering, in verband met die reparasie van die skade aangerig aan een van of albei die skepe. As dit nodig is om, weens die beskadiging van sy skip, 'n ander skip gereed te maak of te huur om sy skip tydelik te vervang, dan moet die koste in verband daarmee ook gerapporteer word.

(*s*) in all cases of collision between sunset and sunrise the report is to indicate whether the position, brilliancy, etc., of the lights carried complied with the collision regulations, and whether any of them were obscured by rigging or other obstruction in the direction from which the ship under way approached; the positions of the lights of each vessel should be indicated as far as possible;

(*t*) in cases involving sound signals, whether in fog or otherwise, information is also to be given as to the efficiency of the apparatus for the making of the proper signals;

(*u*) the report is to be accompanied, whenever possible, by a plan or tracing from the chart to illustrate the movements of the two vessels and any other information likely to be of value in enabling a decision as to liability to be reached;

(*v*) if all the particulars required above cannot be furnished promptly, the report should not be delayed, any information that has been omitted being sent in as soon as possible afterwards.

59. A careful note should be made of the foregoing details whenever one of His Majesty's S.A. ships comes into such close proximity to another vessel that there is the possibility of damage having been done, as not infrequently claims have been received for damages in cases where the commanding officer has reported on inquiry being made that no apparent damage was done to the other ship.

60. When collisions occur or are alleged to have occurred, it is of great importance that the damage caused or alleged to have been caused to both ships shall be surveyed *without prejudice* at the earliest possible moment by some competent person who can describe the damage and give some indication of the cost of repairing the same. Diagrams are to accompany the reports of survey, showing in detail the courses taken by the ships, their speed, and their positions at the time of the collision or alleged collision. This survey should be made even when it is believed that the blame for the accident rests entirely upon the other ship. It is important that, in all communications with the owners or representatives of the other ship in regard to the survey or otherwise in relation to the collision, it should be made clear that the action in question is being taken "without prejudice," in order to avoid the suggestion of an admission of liability or the waiver of any legal right. If the collision occurs in or near a dockyard, the superintendent should be at once informed so that he may arrange for the survey. Sketches showing details of the injury to both ships, together with photographs (when practicable), should also be sent. When no dockyard officials are available, sketches and particulars are to be furnished with a view of enabling the angle of impact and the direction and force of the blow to be determined. The direction of advance of each ship is also to be indicated. The representatives of the owner of the private ship are to be afforded all reasonable opportunities for surveying the damage done to His Majesty's S.A. ship in order that they may assess the cost of repairs.

61. Whenever a collision occurs and no blame rests on His Majesty's S.A. ship, complete lists of all naval, ordnance, victualling, and medical stores lost or damaged as a consequence of the collision, or while effecting repairs, are to be prepared at the earliest possible moment and sent to the dockyard at which the ship is being repaired. These lists need not be valued, but should be accompanied by a statement giving the proportion of the original value at the time of loss. A valued list of private effects lost or damaged should also be forwarded. A detailed statement of the cost of any repairs effected to either ship by the ship's staff should accompany these lists.

62. In no case should there be any acceptance of liability, and, except in extreme cases, to save life or to avert further serious damage to ship or cargo, no steps should be taken to effect repairs, nor anything done that may be construed into an admission of liability, until orders have been received.

63. Whenever a collision or narrow escape from a collision occurs, care should be taken to preserve the deck-log, rough engine-room registers, and the chart by which the ship was being navigated at the time.

64. When the Government attorney considers it necessary for the purpose of civil legal proceedings, he will make arrangements with the captain for a representative to visit the ship to obtain information and evidence whilst the events are still fresh in the minds of witnesses. As it would be of advantage to produce in any civil legal proceedings the evidence of surveyors accustomed to dealing with collision litigation, the Government attorney will instruct such a surveyor when he considers it necessary to report to him after surveying both ships.

Anchors and Cables.

65. The captain will attend most carefully to the state and preservation of the chain cables to ensure every precaution being taken to keep them from undue wear or corrosion, and he will see that the navigating officer and the boatswain pay the same attention to this very important subject.

66. The captain will never cut or slip a cable while there is a possibility of weighing the anchor, except in a case of emergency, such as chasing an enemy or for the safety of the ship, but if necessary to do so, or if the cable is parted, he will use his utmost endeavours to recover it and the anchor immediately the weather and other circumstances admit of the attempt being made. If the ship should be sent to sea, the senior officer left at the anchorage is to recover them if possible.

67. If an anchor or cable should be lost in any harbour or roadstead, or if an attempt made to recover it should prove unsuccessful, the captain will report it, detailing the circumstances in which the loss occurred, and transmitting a plan of the harbour or roadstead on which is marked, as near as possible, the spot where the anchor is supposed to lie, giving also any cross marks or the bearings and distances of the nearest points of land that may have been taken from the spot.

(*s*) In alle gevalle van aanvaring tussen son-onder en son-op moet uit die rapport blyk of die posiesie, helderheid, ens., van die ligte aan boord in ooreenstemming met die Aanvarings-regulasies was en of party van die ligte nie deur takelwerk of ander belemmering aan die kant waarvan die varende skip nader gekom het verduister was nie. Die posiesies van die ligte van elke skip moet, sover moontlik is, aangeduie word.

(*t*) In gevalle waar die gebruik van geluidseine nodig is, in mistige weer sowel as by 'n ander geleentheid, moet ook informasie gegee word wat betref die doelmatigheid van die toestel wat gebruik is om die regte seine te gee.

(*u*) Om die bewegings van die twee skepe te verduidelik moet, as dit moontlik is, aan die rapport 'n skets of 'n afskrif van die seekaart geheg word en daarby enige ander informasie gegee word wat bereken is om die verantwoordelikheid vir die aanvaring tuis te bring.

(*v*) In geval die bogemelde besonderhede nie dadelik verstrek kan word nie moet die rapport nie teruggehou word nie en moet enige besonderhede wat uitgelaat is later so gou as moontlik ingestuur word.

59. Van die bostaande besonderhede moet noukeurig aantekening gehou word elke maal wanneer een van S.M.S.A. skepe so naby 'n ander skip kom dat daar moontlik skade kan veroorsaak word, want dit het al gebeur dat eise vir skadevergoeding ontvang is in gevalle waar die bevelvoerende offisier, by navraag gerapporteer het dat geen blykbare skade aan die ander skip veroorsaak is nie.

60. As daar 'n aanvaring plaas vind, of as dit beweer word dat 'n aanvaring plaas gevind het, is dit van groot belang om die skade wat aan albei skepe veroorsaak is of wat beweer word veroorsaak te wees so gou as moontlik *sonder prejudiesie* te laat opneem door een bevoegde persoon wat die beskadiging kan beskryf en naasteby kan sê wat die reparasiekoste sal wees. By die opnemingsrapporte moet sketse gevoeg word waarop in besonderhede aangetoon word die koerse van die skepe, hul snelheid en hul posiesies toe die aanvaring of die beweerde aanvaring plaas gevind het. Hierdie opneming moet geskied selfs al is dit die opienie dat die ongeluk heeltemal aan die ander skip te wyte is. In alle kommunikasies met die eienaars of verteenwoordigers van die ander skip in verband met die opneming of ander aangeleenthede wat op die aanvaring betrekking het, is dit 'n vername punt om duidelik te verklaar dat die stappe "sonder prejudiese" geneem word, sodat dit nie as 'n erkenning van verantwoordelikheid of die afstand van 'n wettige reg opgevat kan word nie. As die aanvaring in of naby 'n skeepswerf plaasvind moet die superintendent dadelik daarvan in kennis gestel word om reëlings te kan tref vir die opneming. Sketse waarop besonderhede van die beskadiging van albei skepe aangetoon word, moet ook tesame met foto's (as dit moontlik is) voorgelê word. As daar geen skeepswerfbeamptes beskikbaar is nie moet sketse en besonderhede verstrek word om aan die aanvaringshoek en die rigting en krag van die skok te kan bepaal. Ook moet die rigting van elke skip aangedui word. Aan die verteenwoordigers van die private skip se eienaars moet alle redelike geleentheid vrskaf word om die skade wat aan S.M.S.A. skip veroorsaak is op te neem om die reparasiekoste te kan vasstel.

61. As 'n aanvaring plaasvind en S.M.S.A. skip nie skuld het daaraan nie, moet volledige lyste van alle mariene-, krygsbehoefte-, prowiand- en geneeskundige voorrade, wat as gevolg van die aanvaring of in die loop van die reparasies verloor of beskadig is so gou moontlik opgemaak en gestuur word na die skeepswerf waar die skip gerepareer word. Hierdie lyste hoef nie gewaardeer te word nie maar 'n opgaaf moet daarby gevoeg word om aan te toon wat die oorspronkelike waarde was tydens die verlies. Ook moet 'n gewaardeerde lys van private goedere wat verloor of beskadig is daarby gestuur word. 'n Gespesifiseerde rekening van die koste van enige reparasies, wat aan een of albei skepe deur die personeel gemaak is, moet aan hierdie lyste geheg word.

62. In geen geval moet verantwoordelikheid aanvaar word nie en behalwe in uiters dringende gevalle waar dit nodig is om lewens te red of om verder ernstige skade aan die skip of die lading te voorkom moet daar, so lank as daar geen orders ontvang is nie, geen maatreëls geneem word om reparasies te maak of iets te doen wat as 'n erkenning van verantwoordelikheid opgevat kan word nie.

63. As daar 'n aanvaring plaasgevind het of 'n aanvaring nouliks vermy is, moet alles gedoen word om die dekdagboek, die masienkamerregisters en die skip se seekaart te bewaar.

64. As die Goewermentsprokureur dit vir die doel van geregtelike stappe nodig ag, moet hy met die kaptein reëlings tref om die skip deur 'n verteenwoordiger te laat besoek om informasie en getuienis te verkry terwyl die gebeurtenisse nog vars in die geheue van die getuies is. Aangesien dit tot voordeel sal wees om in enige siviele aksie die getuienis te lewer van opnemers wat gewoon is om met hierdie soort hofsake te handel, moet die Goewermentsprokureur, as hy dit nodig ag, so 'n opnemer gelas om aan hom te rapporteer nadat hy albei skepe ondersoek het.

Ankers en Kabels.

65. Die kaptein moet sy sorgvuldige aandag wy aan die toestand en instandhouding van die kabelkettings en sorg dat alle maatreëls aangewend word om die onnodige slytasie en verroesting daarvan te voorkom, en dat ook die offisierstuurman en die bootsman aan hierdie belangrike onderwerp hul sorgvuldige aandag wy.

66. Die kaptein moet nooit die kabel kap of los so lank as dit moontlik is om die anker te lig nie, behalwe in 'n dringende geval soos die agtervolging van die vyand of vir die veiligheid van die skip; maar ingeval tot so 'n stap moet oorgegaan word of as die kabel los geraak het moet hy alles in sy vermoë doen om die kabel en die anker terug te kry sodra as die weer en ander omstandighede 'n poging in hierdie rigting toelaat. As die skip moet vertrek moet die senior offisier wat by die ankerplek agterbly die kabel en die anker probeer terugkry.

67. As die skip 'n anker of kabel in enige hawe of ankerplek verloor of as 'n poging om dit terug te kry misluk, moet die kaptein al die omstandighede in verband met die voorval rapporteer. Hy moet ook 'n skets stuur van die hawe of ankerplek, waarop so noukeurig moontlik gemerk is die plek waar die anker vermoedelik lê en daarby ook aantoon kruispeilings of die kompaspeilings en afstande van die naaste punte op die land soos van bedoelde plek af gepeil.

68. On every occasion of the parting of a cable or the loss or breakage of an anchor, a report will be made at once, giving full information as to the cause of the parting or breakage and the circumstances in which it occurred.

69. When lying at moorings the captain will take care to observe every precaution with regard to them which the captain of the dockyard may think necessary.

In Case of Wreck.

70. If a ship is wrecked or otherwise lost or destroyed, the captain will use every exertion to preserve the lives of the crew; and when as many of them as possible have been saved, he will use his utmost endeavours to save the stores, provisions, and furniture of the ship. He will give his particular attention to the saving of all books and papers relating to the ship's accounts, that he may be enabled to cause the necessary books to be made out for transmission to headquarters immediately after the court martial to inquire into the loss of the ship has taken place. Should he find himself unable to comply with these directions, he will report immediately the cause in order that, if judged proper, directions may be given for the books to be made out from the last accounts received in office. He will himself take especial care to preserve all secret orders, signals, and instructions, or, if necessary, to destroy them, to prevent their falling into improper hands.

71. The captain will dispose of the crew in the manner most conducive to their comfort and to economy that the circumstances admit of. He will place sufficient guards over the stores and provisions saved to prevent their being stolen, and will be careful that the wine and spirits are so disposed of that they cannot be tampered with. He will keep the crew together, and is to be very particular in preserving regular and perfect discipline among them, and in preventing the committal of any irregularities or the giving offence to the inhabitants of the country they are in. Should a sufficient quantity of provisions not be saved, he will authorize the accountant officer to purchase whatever may be required; and should the men be in want of clothes, he will cause whatever may be absolutely requisite for their comfort to be purchased. Should the ship be wrecked on the coast of a foreign power in amity with His Majesty, he will apply to the Governor or chief officer of the place for such assistance as he may stand in need of, and be particularly attentive in observing and conforming to all the laws and regulations of the country so long as he may continue in it.

72. In case of emergency, when there is not time to obtain previous authority, the senior naval officer present, before accepting an offer of assistance in raising the ship, saving stores, or for any other service, will arrange the form or manner in which payment is to be made, and he will satisfy himself, by independent evidence if possible, that the offer made is fair and reasonable. Should he be unable to arrange such terms to his own satisfaction, he will make the necessary provision for the matter to be referred to arbitration.

Admission to Ships.

73. The admission of any person on board a ship shall be in the discretion of and in terms of any instructions issued by the captain.

74. In order to maintain their secret nature, the captain will take care that with the exception of—

(*a*) officers and men of the Royal Navy, Dominion Navies, and S.A.N.S.,
(*b*) marine officers attached to marine barracks,
(*c*) dockyard officers and workmen acting under orders,

no one be allowed inside the submerged torpedo rooms or transmitting stations, or on the fire-control platforms of the ship without written sanction.

75. No person except—

(*a*) an officer or man of the Royal Navy or Royal Marines, of a Dominion Navy or Marines, or of the S.A.N.S.,
(*b*) a member of the S.A.P.F.,
(*c*) member of the Public Service of the Union specially authorized, whose duties are directly connected with wireless telegraphy or with the execution of duly authorized repairs,

may on any account be allowed inside the wireles telegraphy office, which is to be securely locked when unoccupied.

76. All details of submerged torpedo tubes, wireless telegraphy, and fire-control fittings and arrangements, and the methods of using them, including range-finders, are to be considered as of a strictly confidential nature, and information on these subjects may not be communicated, directly or indirectly, to any persons outside the service.

Observance of Rules and Instructions.

77. The captain will observe and take care that the officers and ship's company observe all orders, rules, regulations, and instructions laid down for the administration of the S.A.N.S. for the command, navigation, and care of H.M.S.A. ships, for the guidance and instruction of the personnel, and for the control and care of stores, equipment, machinery, armament, etc.

CHAPTER XIV.—TRAINING, MANOEUVRES, AMMUNITION EQUIPMENT, ETC.

Training.

1. Information regarding the annual course and general instructions as to the training will be found in the training manuals of each arm; the principles of training therein laid down are not to be departed from.

2. The training year shall be reckoned from the 1st of July in one year to the 30th June in the following year.

3. Commanding officers will submit, through the usual channels, to the C.G.S. not later than the 1st May in each year a programme of the training proposed to be carried out during the ensuing year. Programmes will show the periods allotted for individual, troop (section, platoon), flight, squadron (battery, company), and regimental (wing) training.

The training of specialists will extend throughout the year.

68. As 'n kabel losraak of 'n anker verloor of breek moet daaromtrent dadelik 'n rapport gemaak word waarin die oorsake en die omstandighede van die voorval uitvoerig moet vermeld word.

69. As 'n skip gemeer is moet die kaptein sorg dat hy hom hou aan alle voorsorgsmaatreëls in verband met die meerplek soos die dokmeester nodig mag ag.

In geval van Skipbreuk.

70. As 'n skip strand of op 'n ander manier vergaan, moet die kaptein al sy kragte inspan om die lewens van die bemanning te red en as so veel van hulle as moontlik is gered is, moet hy alles in sy vermoë doen om die voorrade, prowiand en meubels van die skip te red. Hy moet veral sy bes doen om alle boeke en papiere in verband met die skip se rekeninge te red sodat hy die nodige boeke kan laat opmaak vir versending aan die hoofkwartier onmiddellik na die afloop van die sitting van die krygsraad belas met die ondersoek in verband met die verlies van die skip. As hy nie in staat is om hierdie instruksies na te kom nie moet hy dadelik die redes daarvoor rapporteer sodat daar, as dit nodig geag word, instruksies kan gegee word om die boeke op te maak uit die laaste rekeninge wat in die kantoor ontvang is. Hy self moet doen wat hy kan om alle geheime orders, seine en instruksies te bewaar of, as dit nodig is, te vernietig sodat hulle nie in verkeerde hande kan val nie.

71. Die kaptein moet die nodige reëlings tref vir die versorging van die bemanning om aan hulle, onder die omstandighede, die grootste gerief op die goedkoopste manier te besorg. Hy moet genoeg wagte oor die geredde goedere en prowiand aanstel om te belet dat daarvan gesteel word en moet sorg dat die wyn en sterk drank op so 'n manier bewaar word dat niemand onwettig daaraan kan kom nie. Hy moet die bemanning bymekaar hou en baie presies wees om gereëlde en volkome disipliene onder hulle te handhaaf en om enige onreëlmatighede, of aanstoot aan die inwoners van die land waar hul geland het, te belet. As daar nie genoeg prowiand gered is nie moet hy die offisierboekhouer magtig om alles wat nodig is aan te koop en as die manne behoefte het aan klere moet hy alles laat aankoop wat absoluut nodig is vir hul gerief. As die skip op die kus van 'n bevriende vreemde moëndheid gestrand is, moet hy by die goewerneur of hoofamptenaar van die plek aansoek doen vir sulke bystand as wat hy vereis. Hy moet ook sorg veral dat hy al die wette en regulasies van die land in ag neem en uitvoer so lank as hy daarin verkeer.

72. In 'n dringende geval, as daar geen tyd is om van te vore magtiging te verkry nie, moet die aanwesige senior seeoffisier voordat hy die aanbod van hulp in verband met die ophaal van die skip, die redding van goedere of enige ander diens aanneem, reëlings tref vir die manier waarop betaling moet geskied en hy moet hom oortuig, deur onpartydige getuienis as dit moontlik is, dat die aanbod redelik en bilik is. As hy nie bevredigende reëlings kan tref nie moet hy doen wat nodig is om die saak na skeidsregters te verwys.

Toegang tot Skepe.

73. Die toelating van 'n persoon aan boord van 'n skip hang van die kaptein af en geskied oorenkomstig die instruksies wat deur hom gegee word.

(*c*) 'n lid van die Staatsdiens van die Unie; wat spesiaal gemagtig is; wie se pligte regstreeks in verband staan met draadloostelegrafie of met de uitvoering van behoorlik gemagtigde reparasies;

mag onder enige omstandighede toegelaat word nie in die draadloostelegrafiekantoor wat goed gesluit moet wees as dit nie gebruik word nie.

76. Alle besonderhede van onderwater torpedobuise, draadloostelegrafie- en vuurkontrole toestelle en toebehore en die manier van gebruik daarvan, met inbegrip van afstandmeters, moet as strik konfidensieel beskou word en informasie in verband daarmee moet nie direk of indirek aan enige persoon buite die diens meegedeel word nie.
