HUUR VAN DIE ONDERMYNREGTE VAN GEDEELTE VAN DIE PLAAS GEDULD No. 4 IN DIE MYNDISTRIK VAN JOHANNESBURG.

The company so to be formed is herein after referred to as "the lease company."

(*b*) The initial capital of the lease company shall be three hundred and fifty thousand pounds (£350,000), divided into three hundred and fifty thousand (350,000) shares of one pound (£1) each.

behoorlike gevolmagtigde verteenwoordiger en agent van die Union Corporation, Limited, 'n maatskappy ingesdryf met beperkte verantwoordelikheid in die Transvaal, die gesegde verteenwoordiger handelende hierin onder en kragtens 'n prokurasie deur die gesegde Union Corporation, Limited, aan hom verleen op die 25ste dag van Januarie 1922 'n gesertifiseerde kopie waarvan in my Protokol opgebêre is (hierna verder genoem "die huurder") aan die ander kant.

En hierdie komparante het verklaar:

Dat nademaal die Goewerment, kragtens die bepalings van artiekel *dertig* (*b*) van die Edele en Onedele Metale Wet, 1908, van die Transvaal (Wet No. 35 van 1908), hierna verder genoemd "die gesegde Wet") besluit het om die magte daarin verleen uit te oefen om die uitsluitlike reg te verhuur om te delf vir edele metale op die oostelike gedeelte van die plaas Geduld No. 4, synde geproklameerde grond in die Myndistrik Johannesburg, Provinsie Transvaal, en meer volledig beskryf in klousule 1 van hierdie huurkontrak, en onder die bepalings van subartiekel (1) van artiekel *drie* van die Transvaal Mynhuurkontrakte en Minerale Wet Wysigingswet, No. 30 van 1918 (hierna verder genoem "die wysigende wet"), tenders gevra het vir die huur van sulke reg, in terme van Goewermentskennisgewing No. 36 van 1925;

En nademaal die huurder getender het vir die gesegde uitsluitlike reg om te delf vir edele metale op die gesegde gedeelte van die plaas Geduld No. 4 en die Goewerment sulke tender aangeneem het;

En nademaal die huurder toegestem het om 'n maatskappy te vorm met beperkte verantwoordelikheid om die terrein mits dese verhuur te bewerk welke maatskappy genoem sal word "East Geduld Mines, Limited";

En nademaal die Goewerment, daar dit ooreengekom het met die voorstelle van die huurder, toegestem het om die reg te verhuur om vir edele metale te delf op die huurterrein wat na verwys is in klousule 1 hiervan onderhewig aan sekere terme en voorwaardes.

So is dit dat hierdie akte getuig:

Dat die gesegde komparante as volg ooreengekom het, naamlik:

1. Onderhewig aan die bepalings van die gesegde Wet en die wysigende Wet, die Goewerment mits dese verhuur en die huurder mits dese onder huur aanneem, die uitsluitlike reg om te delf vir edele metale onderliggende die oostelike gedeelte van die plaas Geduld No. 4 in die Myndistrik Johannesburg, Provinsie Transvaal, verdeel in twee (2) kleim terreine groot 79 morge 318 vierkante roede en 1,754 morge 61 vierkante roede, en bevattende respektiewelik—

(*a*) 114.5237 kleims, Nos. 3572-3686, volgens Kaart R.M.T. No. 6356, opgetrek deur Landmeter Ewan Currey en goedgekeur deur die Landmeter-generaal onder S.G. No. B.42/23;

(*b*) 2,526 kleims, Nos. 987-3512, volgens Kaart R.M.T. No. 6354, opgetrek deur Landmeter J. B. Tucker en goedgekeur deur die Landmeter-generaal onder S.G. No. B.28/17,

die gemelde terreine word hierna verder naar verwys as die "huur terrein."

2. Die terme "Minister," "Mynkommissaris," "edele metale" en "arbitrasie" waar dit in hierdie akte gebruik word sal respektiewelike die betekenisse hê wat toegeken word aan die gesegde terme respektiewelik deur artiekel *drie* van die gesegde Wet.

3. (*a*) Die huurder sal, binne twee maande na die datum hiervan of binne sulke verdere tydperk as wat die Minister mag toelaat, 'n maatskappy stig en registreer onder Maatskappye Wet, 1909, van die Transvaal, of enige Wet gepasseer in vervangen daarvan, met hoofkantoor in die Transvaal, en die hoofdoel van sulke maatskappy sal wees om hierdie huurkontrak oor te neem en al die nodige kapitaal daaronder benodig te verskaf en om die edele metale onderliggende die huur terrein te bewerk in ooreenstemming met die bepalings van hierdie ooreenkoms. Die maatskappy wat aldus gestig sal word, sal hierna verder genoem word "die huurmaatskappy."

(*b*) Die begin kapitaal van die huurmaatskappy sal wees drie honderd en vyftig duisend pond (£350,000) gedeel in drie honderd en vyftig duisend (350,000) aandele van een pond (£1) elk.

Hiervan moet vyftig duisend (50,000) opgeneem word teen pari en ten volle opbetaal word binne dertig (30) dae vanaf die registrasie van die huurmaatskappy.

Drie honderd duisend (300,000) moet opgeneem word teen pari binne dertig (30) dae vanaf die registrasie van die huur maatskappy, en die voldgende voorwaardes sal op sulke aandele van toepassing wees:—

(i) Die bedrag van twee shillings (2s.) per aandeel moet by inskrywing opbetaal word, en die balans van agtien shillings (18s.) per aandeel moet betaalbaar wees in een of meer paaiemente op sulke tye as wat die direkteure van tyd tot tyd sal vasstel, maar in ieder geval as en wanneer die geld vir die maatskappy sal nodig wees om sy verpligtings onder hierdie kontrak na te kom.

(ii) Die houer van sulke gedeeltelik opbetaalde aandele mag van tyd tot tyd na die registrasie van die huurmaatskappy voldoen aan die vereistes van die huurmaatskappy deur die vooruitbetaling van die balans verskuldig op die gesegde aandele deur die geheel getal of aandele of enige gedeelte daarvan op te neem en die balans verskuldig op die aandele aldus opgeneem te betaal, en as die gehele bedrag op enige sulke aandeel betaald is sal die huurmaatskappy sulke aandeel uitgee as ten volle opbetaald.

(*c*) Die intekening ten volle van driehonderd en vyftig duisend (350,000) aandele teen pari word hierby deur die huurder gewaarborg onderhewig aan 'n kommissie van vyf persent (5 %) op die bedrae wat van tyd tot tyd werklik opbetaal word ten opsigte van sulke kapitaal, en die statute van die huurmaatskappy sal die direkteure die reg gée om verdere fondse te verkry as en wanneer dit nodig gevind word, hetsy deur die uitgee van aandele, skuldbewyse, of andersins.

(*d*) Die begin kapitaal van die huurmaatskappy en sulke verdere kapitaal as wat van tyd tot tyd voorsien mag word, sal alleen gebruik word vir die doel gemeld in hierdie akte, maar sulke gedeelte van die kapitaal wat nie onmiddellik nodig is vir die doel van die huurmaatskappy nie, mag op rente uitgesit word of beleg word op 'n wyse wat deur die Minister skriftelik goedgekeur word.

(*e*) Upon the registration of the lease company, the lessee shall assign and transfer to the lease company, free of all consideration, all its rights, title, and interest in and to this lease, and the lease company, on duly accepting cession, shall be accepted by the Government as the lessee in the place and stead of the said lessee under these presents, and shall be liable for the due discharge of all the duties and obligations imposed upon the lessee hereunder.

(*f*) Neither the lessee nor the lease company shall create or issue any vendors', founders', or promotors' shares in respect of this lease, nor shall any underwriting or other commission exceeding five per cent. (5 %) be paid on any capital funds of the lease company except with the consent of the Minister.

No shares of the lease company shall be issued at a price below par, and all shares representing the said initial capital of the lease company shall be issued at the same price.

4. The lease company shall, whenever required so to do by the Minister, find and provide such additional funds as may be reasonably required for the satisfactory working and equipment of the lease area or the restricted lease area hereafter referred to. Such additional funds may be provided by the lease company either by the creation and issue of additional shares or by the issue of debentures or by such other means as it may consider expedient, but so, however, that the providing of such additional funds shall in no way reduce or lessen the share of profits payable to the Government under clause 10 of this agreement.

5. (*a*) The lease company shall commence preliminary operations on the lease area not later than three months after the date of the registration of the lease company, unless prevented by circumstances beyond the control of the lease company, or unless the Minister consents to a postponement for any other reason, and the lease company shall, for a period of five years, or until such time as its initial capital shall have become exhausted, should such occur earlier, carry on such preliminary operations in accordance with a general scheme and programme approved by the Minister on a scale and in a manner satisfactory to the Minister, unless prevented by the influx or scarcity of water, serious accident, damage to the mine or machinery, or disputes with the workmen, or by any other cause beyond the control of the lease company or deemed adequate by the Minister. Provided, however, that such preliminary operations may be abandoned at any time by mutual consent. In the event of the lease company being prevented by any of the aforesaid causes from carrying on its preliminary operations, then the said period of five years shall be extended by such time as the Company is so prevented.

(*b*) The preliminary operations referred to in paragraph (*a*) of this clause shall not include stoping, and will, by arrangement with the Geduld Proprietary Mines, Limited, be carried out from the workings of that company in terms of an agreement to be entered into between the lessee and the Geduld Proprietary Mines, Limited, on the lines of the attached draft agreement marked "A."

(*c*) Should, in the opinion of the lease company, the preliminary operations referred to in paragraph (*a*) of this clause warrant the sinking of a shaft or shafts, the programme of the operations contemplated will consist of the sinking of one vertical shaft and the erection of a reduction plant in keeping with the scale of operations which then appears justified, and which it is anticipated will have a capacity of about 600,000 (six hundred thousand) tons per annum. In the event of satisfactory conditions continuing so as to justify a second shaft being sunk later, the capacity of the reduction plant would be increased to about 840,000 (eight hundred and forty thousand) tons.

Such operations shall be carried on on a scale and in a manner satisfactory to the Minister unless prevented by the influx or scarcity of water, serious accident, damage to the mine or machinery, or disputes with the workmen, or by any other cause beyond the control of the lease company or deemed adequate by the Minister. Unless otherwise agreed to by the Minister, the grade of ore mined shall at all times be in reasonable accordance with the grade shown by the ore reserve. The lease company shall also from time to time, and whenever required to do so by the Minister, indicate in writing the policy and programme of development and exploitation, including the milling programme to be followed, together with such other details and such information as the Minister may require.

(*d*) Should the preliminary operations referred to in paragraphs (*a*) and (*b*) of this clause give the lease company reasonable ground for believing that conditions will not justify it in proceeding with a further programme of operations as contemplated in paragraph (*c*) of this clause, the lease company shall give written notice to the Minister to that effect prior to the expiration of the period—or extended period—referred to in clause 5 (*a*) hereof, and should the Governor-General in that event be not prepared to agree with the lease company on a modification of this lease (not altering the share of the profits payable to the Government) so as to carry out some other restricted programme than that indicated in this paragraph, then the lease company shall be entitled without the necessity for vertical shaft sinking, to extract and treat through the workings of the Geduld Proprietary Mines, Limited, the payable ore, within an area (herein after referred to as the "restricted lease area") adjoining that company's boundary to be surveyed and beaconed off by the lease company, and which shall be bounded on the east by a line parallel with that boundary and 3,800 (three thousand eight hundred) feet therefrom. If the lease company gives the said notice, then on the expiration of the period of five (5) years or extended period, the lease company's right, title, and interest under this lease in respect of the remainder of the area referred to in clause 1 hereof shall, subject to any modification of this lease to which the Governor-General may agree as aforesaid, cease and determine, and the Government shall be entitlel to deal with such remaining area in any manner provided by law.

(*e*) Met die registrasie van die huurmaatskappy, sal die huurder aan die huurmaatskappy oormaak en transporteer, vry van alle konsiderasie, al sy regte, tietel en belange in en op hierdie huurkontrak, en die huurmaatskappy, wanneer dit die oormaking behoorlik aanvaar, sal deur die Goewerment erken word as die huurder in die plek en in stede van die gesegde huurder onder hierdie akte, en sal verantwoordelik wees vir die behoorlike nakoming van al die pligte en verantwoordelikhede wat op die huurder onder hierdie ooreenkoms rus.

(*f*) Nog die huurder nog die huurmaatskappy sal enige verkopers-, stigters-, of oprigters-aandele skep of uitgee in verband met hierdie huurkontrak; ook sal daar geen oprigters- of ander kommissie van meer dan vyf persent (5 %) betaal word op enige kapitale fondse van die huurmaatskappy behalwe met die toestemming van die Minister.

Geen aandele van die huurmaatskappy sal uitgegee word teen 'n prys onder pari, en alle aandele verteenwoordigende die gesegde begin kapitaal van die huurmaatskappy sal teen dieselfde prys uitgegee word.

4. Die huurmaatskappy sal telkens wanneer dit deur die Minister vereis word om sulks te doen sulke verdere fondse verkry en verskaf as wat redelik nodig mag wees vir die bevredigende werking en uitrusting van die huurterrein of die beperkte huurterrein wat hierin later na gerefereer word. Sulke addisionele fondse mag verskaf word deur die huurmaatskappy deur die uitgifte van addisionele aandele of deur die uitgifte van skuldbriewe of op sulke ander wyse as wat dit wenslik mag ag, maar op so'n manier egter dat die verskaffing van addisionele fondse die aandeel van die winste wat aan die Goewerment onder klousule 10 van hierdie akte betaalbaar is geensins sal verminder nie.

5. (*a*) Die huurmaatskappy moet 'n begin met werksaamhede maak op die huurterrein binne drie maande na die registrasie van die huurmaatskappy, tensy verhinder deur omstandighede buite die beheer van die huurmaatskappy of tensy die Minister om enig ander rede in 'n uitstel toestem en die huurmaatskappy sal vir 'n tydperk van vyf jaar of tot sulke tyd as sy begin kapitaal uitgeput sal wees, as dit eerder mag gebeur, sulke voorlopige werksaamhede voortset in ooreenstemming met die algemene skema en programma deur die Minister goedgekeur op 'n skaal en 'n manier wat bevredigend vir die Minister is, tensy verhinder deur die instroming van skaarste van water, ernstige ongeluk, skade aan die myn of masjienerie, of verskil met die werksmense of deur enige ander oorsaak buite die beheer van die huurmaatskappy, of wat as bevredigend aangeneem word deur die Minister. Met die verstande, egter, dat sulke voorlopige werksaamhede te enige tyd gestaak mag word by onderlinge toestemming ingeval dat die huurmaatskappy verhinder mag word deur enig een van die voorgenoemde redes om sy voorlopige werksaamhede uit te voer, dan sal die gesegde tydperk van vyf jaar verleng word met soveel tyd as wat die maatskappy mee verhinder was.

(*b*) Die voorlopige werksaamhede na verwys in paragraaf (*a*) van hierdie klousule sal delflae nie insluit nie, en sal, deur reëlings met die Geduld Proprietary Mines, Limited, uitgevoer word van of die werkings van daardie maatskappy in terme van 'n ooreenkoms wat aangegaan sal word tussen die huurder en die Geduld Proprietary Mines, Limited, op die lyne van die aangehegte konsep ooreenkoms gemerk "A."

(*c*) As, in die opienie van die huurmaatskappy, die voorlopige werksaamhede waarna verwys is in paragraaf (*a*) van hierdie klousule die sink van 'n skag of skagte regverdig, moet die programma van werksaamhede bestaan uit die sink van een vertikale skag, en die oprigting van reduksie masjienerie in verhouding met die skaal van werksaamhede, soos dit dan voorkom, en wat verwag word dat dit 'n kapasiteit van omtrent 600,000 (seshonderd duisend) ton per jaar sal hê. Ingeval dat bevredigende toestande voortduur sodat die sink van 'n twede skag later geregverdig word, moet die kapasiteit van die reduksie masjienerie verhoog word tot omtrent 840,000 (aghonderd en veertig duisend) ton.

Sulke werksaamhede moet uitgevoer word op 'n skaal en op 'n manier wat bevredigend is vir die Minister, tensy verhinder deur instroming of skaarste van water, ernstige ongeluk, skade aan die myn of masjienerie, of verskille met die werksmense, of deur enige ander rede wat buite die beheer van die huurmaatskappy is of wat as voldoende beskou word deur die Minister. Tensy anders goedgekeur deur die Minister sal die graad van die erts wat gemyn word altyd in redelike ooreenstemming wees met die graad aangetoon deur die ertsreserwe. Die huurmaatskappy moet ook van tyd tot tyd, en telkens wanneer dit deur die Minister vereis word, skriftelik die gedragslyn en programma van ontwikkeling en eksploitasie aandui, insluitende die maal programma wat gevolg word tesame met sulke ander besonderhede en sulke inligting as wat die Minister mag nodig hê.

(*d*) As die voorlopige werksaamhede waarna verwys is in paragrawe (*a*) en (*b*) van hierdie klousule aan die huurmaatskappy redelike gronde gee om te dink dat die toestande hulle nie sal regverdig om met 'n verdere programma van bedrywighede soos voorgestel in paragraaf (*c*) van hierdie klousule aan te gaan nie, sal die huurmaatskappy skriftelik kennis daarvan aan die Minister gee voor die verloop van die tydperk of verlengde tydperk—waarna verwys is in klousule 5 (*a*) hiervan, en as die Goewerneur-Generaal in daardie geval nie bereid is om en met die maatskappy ooreen te kom oor 'n verandering van hierdie huurkontrak nie (sonder verandering van die deel van winste betaalbaar aan die Goewerment) teneinde 'n ander beperkte programma uit te voer as wat aangedui is in hierdie paragraaf, dan sal die huurmaatskappy geregtig wees om sonder die nodigheid om vertikale skagte te sink, deur die werke van die Geduld Proprietary Mines, Limited, die betaalbare erts uit te haal en te behandel binne 'n terrein (hierin namaals na verwys as die "beperkte huurterrein") grensende aan die lyn van daardie maatskappy, wat gemeet en afgebaken sal word deur die huurmaatskappy en wat aan die ooste begrens sal wees deur 'n lyn parallel met daardie grens, en 3,800 (drieduisend aghonderd) voet daarvandaan. As die huurmaatskappy die gesegde kennis geen, dan na verloop van die tydperk van vyf (5) jaar of van die verlengde tydperk, sal die huurmaatskappy se reg, tietel en belange onder hierdie huurkontrak, ten opsigte van die restant van die terrein waarna verwys is in klousule 1 hiervan, onderhewig aan enige wysiging van hierdie huurkontrak waarmee die Goewerneur-Generaal mag instem soos voornoemd, ophou en verval, en die Goewerment sal dan geregtig wees om te handel met sulke oorblywende terrein op enige wyse bepaal deur die wet.

6. All annual reports issued by the lease company to its shareholders shall contain full and ample information of its operations for the period under review.

7. The lease company shall be bound and obliged during the term of this lease to keep all such books, plans, and records as may be required for carrying on its operations sufficiently and/or as may appear to the Minister to be necessary in connexion with the lease area, and all such books, plans, and records shall at all reasonable times be open to the inspection of the Minister or any person authorized by him. All returns and reports required by the Minister shall be promptly furnished by the lease company. The Minister, or any person authorized by him, shall have the right to make or cause to be made any examination of the lease area that he may think fit. If any requirement of the Minister under this clause, or clauses 4 and 5 hereof, shall be deemed by the lease company to be unreasonable, the lease company shall be entitled within one month of the notification of such requirement to refer the matter to arbitration under the provisions of clause 20 hereof. The Minister may appoint suitable Government officials to inspect from time to time the underground and surface works and the books, accounts, and documents of the lease company, and to report to him whether the working of the property is in satisfactory accord with the provisions of this lease.

8. The lease company shall, during the term of this lease, maintain the beacons of the lease area or the restricted lease area in accordance with the provisions of the said Act.

9. Neither the lessee nor the lease company shall, without the consent of the Minister, enter into any agreement or obligation by which it grants to any particular manufacturer or group of manufacturers a monopoly or preferent right to supply the plant or machinery necessary for the development and future working of the lease area, or by which it binds itself to purchase such machinery from any particular country.

10. In the event of the lease company deciding to proceed beyond the initial programme outlined in clause 5 (*a*) and to commence and proceed with mining and reduction operations, it shall pay to the Government in consideration of the rights hereby leased a share of the annual profits derived by the lease company from the working of the lease area or the restricted lease area, as the case may be, calculated according to the following formula:

$$Y = 50 - \frac{1200}{X}$$ with a minimum for Y of 10 per cent.

where X is the ratio of profits (as defined in the Second Schedule to the amending Act) to recovery expressed as a percentage, and Y is the percentage of profits payable to the Government.

The consideration set out in this clause shall be in addition to any taxation which is now imposed by statute on the profits of mining; provided, however, that in the event of any increase in the existing scale of taxation of companies carrying on mining operations, whether by amendments of existing Union Acts and/or Provincial Ordinances and amendments thereof to date or by new Union and/or Provincial legislation, the amount payable as the Government's share of the said profits shall be reduced by the amount payable on account of such increase in taxation.

The working of the above formula is illustrated in the following table:—

Y, *being percentage of profit payable to Government.*	X, *being ratio of profit t recovery expressed as a percentage.*

11. The lessee or lease company shall furthermore pay to the Government—

(*a*) as from the date hereof—

at the office of the Mining Commissioner, a rent in respect of the lease area or the restricted lease area, as the case may be, of so much and in the same manner as would have been payable under sub-sections (1) and (3) of section *forty* of the said Act or any amendment thereof, if the lease area had been held by the lessee or lease company under claim licence in accordance with the provisions of Chapter V of the said Act, provided that should the lease company elect to act in accordance with clause 5 (*d*) hereof, the rent due unler this clause shall, as from the giving of the notice referred to in clause 5 (*d*) hereof, only be payable in respect of the area referred to therein;

(*b*) an amount equal to one and one-quarter per cent. (1¼ %) of the moneys payable to the Crown under this lease after deducting from those moneys the amount derived as rent under this lease and the amount derived as taxation imposed by statute on the profits of mining.

12. In the event of the lease company desiring to alienate the whole or any portion of the lease area or restricted lease area, or to purchase, hire, or otherwise acquire any further mining property, the lease company shall give three months' notice in writing of such desire to the Government, and no such alienation or acquisition of property shall be effected except on terms and conditions mutually agreed upon between the Government and the lease company.

13. Subject to the provisions of clauses 12 and 5 (*d*) hereof, this lease shall continue and endure until such time as, in the opinion of the Minister, the precious metals in the said lease area which can be profitably mined by the lease company shall have become exhausted and the Minister shall have given to the lease company

6. Alle jaarlikse rapporte uitgegee deur die huurmaatskappy van sy aandeelhouers moet voldoende en volledige inligtings bevat van sy werksaamhede vir die tydperk onder behandeling.

7. Die huurmaatskappy sal verplig wees om gedurende die loop van hierdie huurkontrak alle nodige boeke, tekenings en rekords te hou as wat vereis mag word om sy bedrywighede doeltreffend uit te voer, en/of soos dit vir die Minister wenslik mag blyk in verband met die huurterrein, en alle sulke boeke, tekenings en rekords sal op alle redelike tye beskikbaar wees vir die inspeksie van die Minister of enige persoon deur hom daartoe gemagtig. Alle opgawes en rapporte deur die Minister gevra moet onmiddellik verskaf word deur die huurmaatskappy. Die Minister of enige persoon deur hom gemagtig sal die reg hê om 'n ondersoek te doen of te laat doen van die huurterrein soos hy mag goeddunk. As enige vereiste van die Minister onder hierdie klousule of klousules 4 en 5 hiervan deur die huurmaatskappy as onredelik geag word, sal die huurmaatskappy geregtig wees om binne een maand na die kennisgewing van sulke vereiste die saak naar arbitrasie te verwys onder die bepalings van klousule 20 hiervan. Die Minister mag geskikte Goewermentsbeamptes aanstel om van tyd tot tyd die ondergrondse en oppervlakte werke en die boeke, rekenings en dokumente van die huurmaatskappy te inspekteer, en om aan hom te rapporteer of die werksaamhede van die eiendom in bevredigende ooreenstemming is met die bepalings van hierdie huurkontrak.

8. Die huurmaatskappy moet gedurende die loop van hierdie kontrak die bakens van die huurterrein of van die beperkte huurterrein, in orde hou, in ooreenstemming met die bepalings van die gesegde wet.

9. Nog die huurder nog die huurmaatskappy mag sonder die toestemming van die Minister enige ooreenkoms of verpligting aangaan waardeur aan enige besondere fabrikant of groep van fabrikante 'n monopolie of voorkeur gegee word om die masjienerie nodig vir die ontwikkeling en toekomstige bewerking van die huurterrein te verskaf, of waarby hulle hulle verbind om sulke masjienerie van enige besondere land te koop.

10. Ingeval dat die huurmaatskappy besluit om verder te gaan as die begin programma soos geskets in klousule 5 (*a*) en om te begin en voort te gaan met myn- en reduksie werksaamhede sal dit aan die Goewerment betaal, in konsiderasie van die regte hierby verhuur, 'n deel van die jaarlikse winste gemaak deur die huurmaatskappy van die bewerking van die huurterrein of van die beperkte huurterrein, wat die geval ook mag wees, berekend volgens die volgende formula:—

$$Y = 50 - \frac{1200}{X}$$ met 'n mienimum vir Y van 10 persent.

Waar X die verhouding van winste is (soos uiteengeset in die Twede Bylae tot die wysigende Wet) tot opbrings uitgedruk as 'n persentasie, en Y die persentasie is van winste betaalbaar aan die Goewerment.

Die konsiderasie uiteengeset in hierdie klousule sal wees buite en behalwe enige belasting wat nou deur die Wet gehef word op die winste van myne, met dien verstande, egter, dat in die geval van enige vermeerdering in die bestaande skaal van belasting van maatskappye wat mynwerk doen, hetsy deur wysigings van bestaande Unie wette en/of Prowinsiale wetgewing, en wysiging daarvan op datum of deur nuwe Unie en/of Prowinsiale wetgewing, sal die bedrag betaalbaar as die Goewerment se deel van die gesegde winste verminder word met die bedrag betaalbaar as gevolg van sulke vermeerdering in belasting.

Die uitwerking van die bogenoemde formula word verduidelik in die volgende tabel:—

Y, *synde persentasie van winste betaalbaar aan Goewerment.*	X, *synde verhouding van winste tot opbrengs uitgedruk as 'n persentasie.*

11. Die huurder of huurmaatskappy sal verder aan die Goewerment betaal—

(*a*) vanaf datum hiervan—

by die kantoor van die Mynkommissaris, 'n huur ten opsigte van die huurterrein of die beperkte huurterrein, wat die geval mag wees, van soveel en op dieselfde wyse as betaalbaar sou gewees het onder subartiekels (1) en (3) van artiekel *veertig* van die gesegde Wet of enige wysiging daarvan, as die huurterrein gehou was deur die huurder of huurmaatskappy onder kleimlisensie ooreenkomstig met die bepalings van Hoofstuk V van die gesegde Wet, met dien verstande dat as die huurmaatskappy verkies om te handel in ooreenstemming met klousule 5 (*d*) hiervan, die huur betaalbaar onder hierdie klousule sal vanaf die gee van die kennis gemeld in klousule 5 (*d*) hiervan, alleen betaalbaar sal wees ten opsigte van die terrein wat daarin gemeld is.

(*b*) 'n bedrag gelykstaande aan een en een-kwart persent (1¼ %) van die gelde betaalbaar aan die Kroon onder hierdie huurkontrak na aftrek van daardie gelde van die bedrag verkry as huur onder hierdie ooreenkoms en van die bedrag gehef as belasting volgens Wet op die winste van mynwerk.

12. Ingeval dat die huurmaatskappy wens om die geheel of gedeelte van die huurterrein of beperkte huurterrein van die hand te sit, of om enige verdere myn eiendom te huur of anders in hande te kry, moet die huurmaatskappy drie maande tevore skriftelik kennis gee aan die Goewerment van sulke wens, en geen van die hand setting of verkryging van eiendom sal ten uitvoer gebring word nie tensy op terme en voorwaardes onderling ooreengekom tussen die Goewerment en die huurmaatskappy.

13. Onderhewig aan die bepalings van klousules 12 en 5 (*d*) hiervan sal hierdie huurkontrak voortduur en bestaan dat volgens mening van die Minister, die edele metale in die gesegde huurterrein wat met voordeel deur die huurmaatskappy bewerk kan word uitput is, en nadat die Minister ses (6) maande skriftelike

six (6) months' notice in writing of the determination of the lease by reason of such exhaustion, unless this lease shall have been previously determined in accordance with the next succeeding clause or the said Act or the amending Act, provided that if the lease company shall not admit the exhaustion of the precious metals, the provisions of clause 20 shall apply.

14. The Government may determine this lease and take proceedings for the ejectment of the lease company—

(*a*) if the lease company fails to comply with the provisions of clause 4 hereof;

(*b*) in the event of non-payment as and when due and payable of the share of annual profits as provided in clause 10 hereof, or of the rent provided under clause 11 hereof, if such rent remains unpaid for the period after which claims would have lapsed under the provisions of section *one hundred and two* of the said Act;

(*c*) if the lessee or the lease company fails to comply with any award of arbitration made under the provisions of this lease;

(*d*) if the lease company fails to observe and carry out any of the provisions of clause 5 of this lease, provided that the Minister shall first call upon it by notice in writing within three (3) months from the date of such notice to carry out the provisions of the said clause or to give satisfactory reasons for such non-observance, and if default shall have been made by the lease company in carrying out such provisions or the reasons given by it shall not be deemed satisfactory by the Minister.

15. Nothing herein contained shall be taken or construed to divest the Crown of its dominium in the said lease area.

16. On the termination of this lease, the Government shall be entitled, in addition to any amounts that may accrue to it under any law then in force imposing taxation on the profits of mining, to such proportionate share of the net proceeds derived from the disposal of or the value of the residual plant, buildings, and equipment of the lease company as is equal to the proportion between the sum total of the payments made to the Government under clause 10 hereof and the sum total of the profits referred to in that clause.

17. Within six (6) months after the determination of the lease, the lease company or any other person entitled to the plant, machinery, or equipment on the lease area shall remove the same, but shall not remove or destroy any material used for supporting underground workings or plant or material required to prevent damage to the mine or workings, and no compensation shall be payable therefor, provided that if such plant, machinery, or equipment not required for maintenance of the mine or workings be not removed within such period the Minister may, unless he allows an extension of the time for removal, cause the same to be sold after public tender or by public auction, due notice of the same having been given in the *Gazette* and a newspaper circulating in the mining district and to the registered mortgagee (if any) of the lease. The proceeds of the sale shall, after deducting the costs thereof and any moneys which remain due to the Crown under this lease, be paid to the lease company. As an alternative to such sale, the Minister shall have the right or option by notice to the lease company in writing to take over all or any part of the buildings, machinery, plant, stock, or other effects or appurtenances of the mine upon the lease area as he may determine upon such terms and conditions as shall be agreed upon between the parties, and failing agreement, as may be determined by arbitration as provided in clause 20 hereof.

18. The Government shall not at any time be responsible or liable to make any compensation whatsoever for any improvements made by the lease company upon the lease area.

19. The lease company, its successors, administrators, and assigns shall, during their respective tenure of the lease, take all such necessary steps and do all such acts, matters, and things, and carry out its prospecting or mining operations in such manner as will fully and adequately safeguard and protect the rights, property, and person of any person or persons lawfully using or entitled to use the surface of the lease area of and from any damage caused by or through or in consequence of the exercise by the lease company and its aforesaids of the rights hereby leased whether arising from subsidence of the soil or otherwise howsoever, and shall, in the event of any such damage being caused to any such person or persons, compensate such person or persons in such amount as may be mutually agreed upon, or, failing agreement, then in such amount as may be determined by arbitration, as provided for under sub-section (3) of section *fifty-two* of the said Act.

20. Except as to differences arising in respect of payments to be made to the Government under this lease in respect of rent, profits, or taxation, any difference arising between the Government and the lessee or the lease company as to the terms and conditions of the lease shall be determined by arbitration.

21. The lease area shall be subject to all the provisions of the said Act relating to the holding of ground under claim licence in so far as those provisions are applicable and not inconsistent with this lease or the amending Act, and this lease shall be a mining title.

22. The lessee shall bear all costs in connexion with the preparation and registration of this lease.

Thus done and executed at Johannesburg, Transvaal Province, on the day, month, and year first aforewritten, in the presence of the witnesses George Boalch and Henry King Hull, who, together with the appearers and me, the notary, have subscribed to the original hereof, now remaining filed in my protocol. And I hereby certify that the original hereof has been duly stamped with stamps to the value of two shillings in payment of duty in terms of the Stamp Duties and Fees Act, 1911.

14. Die Goewerment mag hierdie huurkontrak beëindig, en stappe neem vir die uitsetting van die huurmaatskappy—

20. Met uitsondering van verskille wat mag op kom in verband met betalings wat gemaak moet word aan die Goewerment onder hierdie huurkontrak ten opsigte van huur, winste of belasting, moet enige verskil wat ontstaan tussen die Goewerment en die huurder of die huurmaatskappy betreffende die terme on voorwaardes van die huurkontrak, deur arbitrasie beslis word.

DEPARTMENT OF LANDS.

The following Government Notices are published for general information.

J. SOMMERVILLE,
Secretary for Lands.

Department of Lands, Pretoria.

No. 2146.] [26th November, 1926.

In terms of section *two*, Act No. 15 of 1887, as amended by sections *four*, *five*, and *six* of Act No. 40 of 1895, it is hereby notified that the following lots of Crown land will be offered for sale by public auction at the Magistrate's Office, Kingwilliamstown, at 11 a.m. on Wednesday, 26th January, 1927, subject to the conditions and stipulations set forth in the above Act and in the general conditions of sale, and, further, to such conditions as may be declared on the day of sale:—

Each lot will be put up at the upset price fixed, and the highest bidder, who shall have offered not less than such upset price, shall be declared the purchaser, and such purchaser shall have the option of paying either the whole or part of the purchase money on the day of sale; provided

(i) that if no payment be made on the day of sale, one-tenth of the purchase price shall be paid at six and one-tenth at twelve months from the day of sale;
(ii) that if less than one-tenth of the purchase price be paid on the day of sale, the balance of such one-tenth shall be paid at the expiration of six months, and the remaining one-tenth at the expiration of twelve months from the day of sale;
(iii) that if the amount paid on the day of sale be one-tenth or any sum between one-tenth and one-fifth of the purchase price, the balance of one-fifth of the purchase price shall be paid at the expiration of twelve months from the day of sale.

Interest on the instalments above mentioned shall be paid at the rate of 6 per centum per annum; and the payment of the instalments, together with the interest thereon, shall be secured on the day of sale by two good and sufficient sureties to the satisfaction of the magistrate, which sureties will bind themselves in regard to such payment as sureties *in solidum* and co-principal debtors, renouncing the exceptions of excussion and division.

If the purchaser or his sureties fail or are unable to make the necessary payment of purchase money as above within the stipulated time, it shall be competent for the Government to cancel the sale, and all payments already made in respect of such sale shall be forfeited to the Government.

The expenses of survey, etc., on each lot and of the title-deed (viz., 12s. 3d.) and the Deeds Office registration fee (viz., 5s.) shall be paid to the Magistrate or other duly authorized person in that behalf on the day of sale.

The purchaser shall be bound to pass a mortgage bond, bearing interest at the rate of 6 per centum per annum, in favour of the Government for four-fifths of the purchase price, unless he shall have paid on the day of sale more than one-fifth thereof, in which case the amount of the bond shall be for the balance of the purchase price, the purchaser having the right to pay off the bond, or any portion thereof, not being less than fifty pounds, at any time.

The land is subject to such further rights as the public or the Government now may or may hereafter have or be entitled to obtain under or by virtue of any law relating to the prospecting, digging, mining, or exploitation of minerals, mineral products, mineral oils, precious stones, precious or base metals, on or under the land hereby sold, which right shall not be impaired or in any way affected by the title-deed.

The lots, on which improvements have been effected, will be sold subject to the special condition that the purchasers, not being the improvers, shall pay in cash on the day of sale the values of the improvements detailed in the schedule hereunder.

Each lot, with the exception of Nos. 21, 22, 25, 29, 32, 42, 47, 48, 52, 54, 79, 80, and 91, will be sold subject to the following special condition:—

The Government shall have the right to resume the land hereby granted in the event of this condition not being complied with, in which event such moneys as have been paid to the Government in respect of purchase price shall be forfeited, together with any improvements which may have been erected on the land. No compensation shall in that event be payable by the Government in respect of the said improvements. In the event of resumption as aforesaid, all costs that may be incurred by the Government in effecting resumption shall be payable by the grantee.
