DEPARTMENT OF PUBLIC HEALTH.

The following Government Notice is published for general information.

J. ALEXANDER MITCHELL,
Secretary for Public Health.

Department of Public Health, Pretoria.

✱ No. 1360.] [12th August, 1927.

The Minister of Public Health has been pleased, under the provisions of section *thirty-six* (*n*) of the Public Health Act, No. 36 of 1919, to make the following regulations regarding "carriers" of infectious diseases to be in force throughout the Union, the procedure laid down in section *one hundred and thirty-eight* of the said Act having been duly observed. Government Notice No. 728 of 10th May, 1921, is hereby cancelled.

REGULATIONS *RE* "CARRIERS" OF INFECTIOUS DISEASES MADE UNDER SECTION *THIRTY-SIX* (*n*) OF THE PUBLIC HEALTH ACT, No. 36 OF 1919.

1. In these regulations "carrier" means a person who, though not at the time presenting the clinical symptoms of an infectious disease, has been proved or is believed on reasonable grounds and after laboratory or other investigation to be harbouring the infection of and consequently liable to cause the spread of such disease.

2. Any person believed or suspected on reasonable grounds by the medical officer of health of the local authority or by a health officer or medical officer of the Government to be a "carrier" shall afford to such officer every facility for obtaining specimens of blood, excreta, discharges, or other material required for examination and investigation, and shall take any medicine prescribed by such officer for that purpose.

DEPARTEMENT VAN VOLKSGESONDHEID.

Die volgende Goewermentskennisgewing word vir algemene informasie gepubliseer.

J. ALEXANDER MITCHELL,
Sekretaris van Volksgesondheid.

Departement van Volksgesondheid.

✱ No. 1360.] [12 Augustus 1927.

Die Minister van Volksgesondheid het dit goed gevind om, kragtens die bepalings van artiekel *ses-en-dertig* (*n*) van die Volksgesondheid Wet, No. 36 van 1919, die volgende regulasies betreffende "draers" van besmetlike siektes te maak, wat van krag in die hele Unie sal wees, nadat die prosedure soos in artiekel *honderd ag-en-dertig* van die genoemde wet neergelê behoorlik nagekom is. Goewermentskennisgewing No. 728 van die 10de Mei 1921 word hiermee gekanseleer.

REGULASIES IN VERBAND MET "DRAERS" VAN BESMETLIKE SIEKTES, GEMAAK KRAGTENS ARTIEKEL *SES-EN-DERTIG* (*n*) VAN VOLKSGESONDHEIDSWET, No. 36 VAN 1919.

1. In hierdie regulasies beteken "draer" 'n persoon wat, alhoewel hy nie op die oomblik siekteverskynsels van 'n besmetlike siekte toon nie, tog bewyse gelewer het, of om grondige redes, en na laboratorium of ander ondersoek, verdag word besmet te wees met, en dus sodanige besmetlike siekte kan versprei.

2. Enige persoon wat, om billike redes, deur die mediese gesondheidsbeampte van die plaaslike outoriteit of deur die Regerings gesondheids of mediese beampte verdag of vermoed word 'n "draer" te wees, moet hy sodanige beampte alle moontlike fasiliteite bied vir die neem van bloedmonsters, uitwerpselsontlastings of ander materiaal wat vir ondersoek nodig is, en sal enige medisyne neem deur sodanige beampte vir die bewuste doel voorgeskrywe.

3. Where it is certified by the medical officer of health of the local authority or by a health officer or medical officer of the Government that any person is believed or suspected on reasonable grounds to be a "carrier," and that the necessary examinations and investigations cannot be properly carried out at such person's home or place of residence, the magistrate may make an order requiring such person to proceed or be removed to a hospital or other suitable place for the purpose of examination and investigation and to remain or be detained therein for such reasonable period as may be required for that purpose.

4. Every "carrier" shall at all times observe and give effect to all reasonably practicable instructions given to him by the medical officer of health of the local authority or by a health officer or other medical officer of the Government in regard to the disposal of his excreta, the cleansing of articles used by him, or other precautions for preventing the spread of infection.

5. Every "carrier" shall inform the local authority of his intention to change his place of residence or work and of his intended new place of residence or work. Such information shall, when possible, be furnished not less than seven days before the change, and if his new place of residence or work is within the district of another local authority, the local authority of the district in which the "carrier" at the time resides shall inform that local authority of the facts of the case and the "carrier's" intention.

6. Where, on the certificate of the medical officer of health of the local authority or of a health officer or medical officer of the Government, it appears to the magistrate that a person is a "carrier," the magistrate, on the application of such officer and after due inquiry, may, having regard to the nature of the infection and any material assistance which the local authority of the Government is prepared to give to mitigate hardship to the individual or his dependants, make, and may from time to time modify, alter, extend, or rescind an order or orders requiring such person—

(*a*) to proceed or be removed to and to remain or be detained for a period to be specified in such order in a hospital or other suitable place for the purpose of medical treatment; or/and

(*b*) to attend regularly for medical treatment or examination at times and places specified in such order; or/and

(*c*) to proceed to and remain in a specified locality or area under medical surveillance for a period specified in such order and (if considered necessary) to attend or report himself at times and places specified in such order; or/and

(*d*) not to handle or otherwise come in contact with food or vessels or articles containing or used to contain, or which come in contact with, food intended for consumption by others, or to engage in any occupation entailing the handling or coming in contact with such food, vessels, or articles; or/and

(*e*) to comply with such other requirements specified in such order as the magistrate, on application of such medical officer of health or medical officer, may deem necessary for safeguarding the public health.

7. The parent or guardian or person in charge of a child who is, or is believed or suspected on reasonable grounds to be, a "carrier," shall assist in every possible manner in the carrying out of these regulations or any order made thereunder in respect of such child.

8. It shall be the duty of all medical officers and magistrates to ensure that these regulations are carried out sympathetically and without more hardship to any person than is necessary and unavoidable in the public interest.

9. Any person found guilty of a contravention of or failure to comply with these regulations or any order made thereunder, or of failure to assist in their enforcement, shall be liable to the penalties provided by law.

The property will be put up for lease at the upset rental fixed, and the highest bidder who shall not have offered less than such upset rental shall be declared the lessee, subject to the provisions of condition sixteen (16) hereunder.

1. The lease shall be for a period of five years reckoned from the 20th September, 1927, with the option of renewal thereafter for a further period of five years, but always subject to six months' notice of termination being given at any time by either party.

2. One year's rent shall be deposited with the magistrate on the day of sale, and the due payment in advance of the rent for subsequent years shall be secured by two sureties approved of by the magistrate.

3. The lessor may terminate the lease should the lessee within twelve months from the date of the commencement of the lease fail to make bona fide use of the land to the satisfaction of the Minister of Lands for the purposes of a crayfish canning factory or fail for three consecutive years to make such use of the land aforesaid, or contravene any of the conditions of the lease, or should it be found desirable to terminate it in the public interest, upon giving reasonable notice.

4. The lessee shall at no time be deemed to have acquired, by virtue of the agreement, any right or legal claim to a grant of the land leased, and he shall have no right at the expiration of the lease, or at any time, to be compensated in respect of any building or improvements he may have erected or effected which, unless removed before the expiration of the lease, shall become the property of the lessor; provided that the lessor reserves the right to take over all or any such erections at, or in anticipation of the expiration of the lease at a price to be assessed by a sworn appraiser to be appointed by the lessor for the purpose.

5. The lessee shall have no right to transfer the lease, or lease or sub-let the land hereby leased or any part thereof, or the structures erected thereon by him, without the consent of the lessor, to be obtained in writing.

6. Any existing right of the public to the land shall not be disturbed, and a right-of-way over the land shall remain free and uninterrupted.

7. The lessor reserves to himself the free use, for Government purposes, of all jetties and landing stages that may be erected by the lessee.

8. The Customs officers shall, for Customs purposes, have the right of free access to and control over the structures erected by the lessee.

9. Nothing but colonial produce shall be shipped from or landed at the jetties used in connection with the industry. Machinery and other articles on which duty has been paid and which are required in connection with the industry are, however, excepted from this condition.

10. Should it be found necessary in the interests of the revenue to station a Customs guard in the locality in connection with the said jetties and landing and shipping appliances, the lessee shall be bound to pay into the Public Treasury a sum, in the discretion of the Government, not exceeding £150 per annum.

11. It is an essential condition of this lease that the lessee's business shall be carried on without any nuisance being caused thereby, whether by reason of a noisome smell or by the discharge of any effluvia or of any noxious or offensive matter or by anything likely to endanger the health of the public, and nothing done or occasioned in the course of business shall contravene the regulations for the time being in force, either of the Department of Harbours or of the Department of Public Health. For this purpose it shall be the duty of the lessee to comply in all respects with the regulations of the Department of Harbours and those made by the Public Health Department, and he shall diligently carry out all reasonable requirements given him by the port officers or the health officer for ensuring a compliance with such regulations. All refuse and substance likely to decay shall be promptly removed, burnt, or otherwise destroyed or disposed of in such a manner and at such place as shall be directed by the health officer. DEPARTEMENT VAN LANDE.

Die volgende Goewermentskennisgewings word vir algemene informasie gepubliseer.

J. SOMMERVILLE,
Sekretaris van Lande.

Departement van Lande, Pretoria.

No. 1129.] [8 Julie 1927.

In terme van artiekel *sewe* (*b*) van Wet No. 15 van 1887, en in terme van 'n besluit deur die Volksraad op 20 Junie 1927 aangeneem en deur die Senaat op 22 Junie 1927 bekragtig, word hiermee kennis gegee dat die volgende eiendom geleë op die strand te Elands Baai, Afdeling Piquetberg, as 'n terrein vir 'n kreefinlê fabriek te huur aangebied sal word by publieke veiling voor die magistraatskantoor op Piquetberg, om 10 uur v.m., op die 20ste September 1927 vir 'n tydperk van vyf jaar vanaf die 20ste September 1927, met die opsie van vernuwing na daardie datum vir 'n verdere tydperk van vyf jaar, behoudens die voorwaardes en bepalinge hieronder genoem en sulke verdere voorwaardes as op die dag van die verkoop bekendgemaak mag word.

Die eiendom sal te huur aangebied word teen die bepaalde insithuurprys en die hoogste bieder, wat nie minder dan die insithuurprys gebied het nie, sal verklaar word die huurder te wees, onderworpe aan die bepalinge van voorwaarde sestien (16) hieronder.

1. Die pag sal wees vir 'n termyn van vyf jaar gereken vanaf die 20ste September 1927 met die opsie van vernuwing daarna vir 'n verdere tydperk van vyf jaar, maar altyd behoudens weersydse kennisgewing van opsegging te enige tyd ses maande vooruit.

2. Een jaar huur moet op die verkoopdag by die magistraat deponeer word en die geredelike vooruitbetaling van die huur vir die volgende jare sal deur twee borge, wat deur die magistraat goedgekeur word, gegarandeer moet word.

3. Die verhuurder kan die huurkontrak beëindig binne twaalf maande vanaf die datum van die aanvang daarvan, ingeval die huurder in gebreke bly om bona fide gebruik te maak van die grond tot die bevrediging van die Minister van Lande, vir die doeleinde van 'n kreefinlê fabriek, of in gebreke bly om gedurende drie agtereenvolgende jare sodanige gebruik van die voornoemde grond te maak, of hom skuldig maak aan oortreding van enige van die voorwaardes van die huurkontrak, of ingeval dit raadsaam geag word om die huurkontrak in die belang van die publiek, na redelike kennisgewing, te beëindig.

4. Die huurder sal nooit weens die huurkontrak enige reg hê op 'n grondbrief van die verhuurde grond of enige reg om sulks te eis nie, en hy sal ook by verloop van die huurkontrak, of te eniger tyd, geen reg hê op skadevergoeding vir enige geboue of verbeteringe wat deur hom op die grond aangebring is nie, en sodanige geboue of verbeteringe sal die eiendom van die verhuurder word, tensy hulle voor die verloop van die huurkontrak verwyder is met die verstande dat die verhuurder die reg voorbehou om alle sodanige geboue of verbeteringe by verloop van die huurkontrak, of in afwagting daarvan, oor te neem teen 'n bedrag vasgestel deur 'n beëdigde waardeerder vir daardie doeleinde deur die verhuurder benoem.

5. Die huurder sal geen reg hê om die huurkontrak oor te maak nie of om die verhuurde grond of enige gedeelte daarvan, of die geboue wat deur hom daarop aangebring is, onder te verhuur nie, of om die geboue of werke wat deur hom daarop aangebring is, sonder die skriftelike toestemming van die verhuurder, te verwyder nie.

6. Alle bestaande regte van die publiek op die verhuurde grond sal onversteurd bly, en daar sal 'n vry en onversteurde reg van toegang oor die verhuurde grond wees.

7. Die verhuurder behou die vry gebruik vir Goewermentsdoeleindes van alle hawehoofdes en landingstoestellinge wat deur die huurder mag aangebring word.

8. Doeane-amptenare sal vir doeanedoeleindes vry toegang tot en kontrole oor alle werke deur die huurder aangebring hê.

9. Alleen koloniale produkte mag aan die hawehoofdes wat in verband met die fabriek gebruik word, verskeep of aldaar geland word. Masjienerie en ander artiekels waarop invoerregte reeds betaal is en wat vir die fabriek benodig is, word uitgesonder.

10. Ingeval dit nodig mag wees om in belang van die Staatsinkomste 'n Doeane-wagter op die terrein te stationeer, in verband met die genoemde hawehoofdes, landingstoestellinge en skeepsaangeleenthede, verbind die huurder sig om, volgens die diskresie van die Regering, 'n bedrag van nie meer as £150 per jaar nie, in die Publieke Skatkis te betaal.

11. Dit is 'n essensiële huurvoorwaarde dat die besigheid van die huurder voorgesit moet word sonder enige oorlas te veroorsaak hetsy weens 'n hinderlike stank of deur ontlasting van uitwaseming of van skadelike of stuitige stowwe, of deur iets wat waarskynlik gevaar oplewer vir die gesondheid van die publiek, en niks wat in die loop van sake gedoen word of plaasvind mag in teenspraak wees nie met die regulasies solank van krag van die Departement van Hawens of van die Departement van Openbare Gesondheid. Vir hierdie doeleindes sal dit die huurder se plig wees om die regulasies van die Departement van Hawens en die wat deur die Departement van Openbare Gesondheid gemaak is in alle opsigte na te kom, en hy moet aan alle redelike eise, hom deur die Hawebeamptes of deur die Gesondheidsbeampte gestel om te verkry dat sulke regulasies nagekom word, fluks voldoen. Alle afval en stowwe aan bederf onderhewig moet stip verwyder, verbrand of andersins vernietig of oor beskik word op sodanige wyse en op so'n plek as die Gesondheidsbeampte sal gelas. Die perseel moet sover as dit moontlik is in 'n sindelike en gesonde toestand gehou word tot tevredenheid van die Gesondheidsbeampte. Alle geboue vir die besigheid gebruik of deur die werksmanne bewoon moet voldoende en geskik wees vir die respektiewe doeleindes waarvoor hulle gebruik word en hulle moet behoorlik onderhou word.

12. The resident magistrate of the district shall at all times have free access to the buildings erected by the lessee for the purposes of inspection.

13. The Government reserves the right either to order the removal of any jetties, landing stages, or other works erected by the lessee on the land hereby leased should such removal be necessary in connection with the construction of Government works, without payment of compensation, or to take over any such jetties, landing stages, or other marine works on payment of compensation to be mutually agreed upon, but such compensation shall in no case exceed the actual cost of such works less depreciation.

14. That the Government accepts no responsibility in any way in connection with the aforementioned erections.

15. That fishermen shall have free and uninterrupted use of the sea in the neighbourhood of the land hereby leased.

16. The lease of the land shall not be confirmed by the Minister of Lands unless and until the highest bidder submits a guarantee to the Minister's satisfaction of his financial ability to erect and work the factory.

General Conditions.

The lease to be issued will contain conditions relative to residence, improvements, fencing, minerals, outspans, roads, and such other conditions as are usually inserted in the agricultural leases granted under the Land Settlement Act, No. 12 of 1912, as amended.

Occupation—

The leases to be issued will contain conditions to the effect that the lessees shall personally and beneficially occupy the holdings allotted within a certain period from the date of allotment, and, thereafter, for a particular period during every calendar-year, as follows:—

Holdings Nos. 1 to 4 to be occupied within three months and for at least ten months every calendar year.

Holdings Nos. 5 to 7 to be occupied within four months and for at least eight months every calendar year.

Holding No. 8 to be occupied within six months and for at least ten months every calendar year.

Boreholes—

A clause will be inserted in the leases which it is proposed to issue in respect of those holdings on which boreholes have been or may be sunk, giving the Government access to and the right to take water from the boreholes for drilling purposes for a period of five years from the dates of the leases.

It will be a condition of lease that the successful applicant for any of the above holdings on which boreholes exist or may be sunk previous to or after allotment will be held responsible, as from the date of allotment or of completion of the work, for the proper care and maintenance of the borehole or boreholes on his holding, and shall be liable for any damage caused thereto. He must, therefore, on no account raise water without proper pumping machinery. Inquiries as to the most suitable machinery to be utilized in connexion with any borehole should be made to the Director of Irrigation, Pretoria, by the successful applicant before proceeding to erect pumping machinery.

The pumping test made by the Irrigation Department in connexion with the boreholes mentioned was as reliable as possible, but the Government accepts no responsibility for any loss or damage that may be sustained by a lessee should, on a new or extended pumping test taking place, the water supply in the borehole be found to be less than that stated in this notice, or in the event of the other particulars given in respect of the borehole being found to be inaccurate.

Surveys—

Should it at any time be found necessary to resurvey a holding, or take out a certificate of amended title, owing to errors in the existing survey, all costs incidental to such survey or certificate of amended title must be borne by the lessee. Should it be found that the holding is of greater extent than that stated in this notice the lessee shall benefit thereby, without any increase of purchase price being made; on the other hand, should the area be found to be less than that stated in this notice, the lessee shall accept such lesser area without reduction of the purchase price, and no claim against the Government will exist in respect of any reduced area.

Sub-division—

In the event of any of the holdings being allotted to two or more lessees it shall be a special condition of the lease that the Minister may at his discretion, call upon the lessees to have the holding sub-divided at their own expense in a manner agreed upon by the lessees and approved by the Minister, or, failing such agreement within a period of not more than three months, in a manner to be determined by the Minister. Such agreement amongst the lessees or determination by the Minister shall state:—

(1) The share to be borne by each lessee in respect of the costs of sub-division, inclusive of the costs of survey.

(2) Where any advance has been made, the amount whereof has not been added to the purchase price, the share to be received by each lessee in respect of any stock, implements, or other things and the amount of the liability to be assumed by each lessee in respect of the share received by him.

(3) The purchase price of each sub-division, due regard being had to any improvements effected by the Minister or by means of an advance made by the Minister, and the share of the capital amount of such instalments as may have been paid.

The lessees shall undertake, within three months after such agreement has been reached or determination has been made by the Minister, to take at their own expense such steps as may be necessary to effect proper and legal cession of the interests in the lease in accordance with the aforesaid agreement or determination by the Minister.

General Remarks.

Issue of Crown Grants—

Crown grants of holdings may, in special cases, with the approval of the Governor-General, be issued before the expiry of a period of ten (10) years from the date of allotment. When a lessee after five (5) years' tenancy can satisfy the Land Board that the value of his holding with permanent and substantial improvements exceeds by one-fourth (but not in any case by less than £400) the total indebtedness of the lessee to the Government, section *eight* of Act No. 21 of 1922 enables the Minister to issue a Crown grant and accept a mortgage bond for the total amount of the then remaining indebtedness.

Algemene Voorwaardes.

Die huurkontrakte wat moet uitgegee word sal voorwaardes bevat in verband met okkupasie, verbeterings, omheining, minerale, uitspannings, paaie en sulke andere voorwaardes as wat gewoonlik gestel word in landbou-huurkontrakte, uitgereik onder die Kroongrond Neersettingswet, No. 12 van 1912, en Wysigingswette.

Okkupasie—

Die huurkontrakte wat moet uitgegee word sal voorwaardes bevat tot dien effekte dat die huurders die plase wat aan hulle toegeken word persoonlik en op nuttige wyse moet bewoon binne 'n sekere tydperk vanaf die datum van toekenning en daarna vir 'n bepaalde tydperk elke jaar soos hieronder aangegee:—

Hoewes Nos. 1 tot 4 moet binne drie maande geokkupeer word en vir minstens tien maande elke kalenderjaar.

Hoewes Nos. 5 tot 7 moet binne vier maande geokkupeer word en vir minstens ag maande elke kalenderjaar.

Hoewe No. 8 moet binne ses maande geokkupeer word en vir minstens tien maande elke kalenderjaar.

Boorgate—

In die huurkontrakte wat dit die plan is om uit te gee ten aansien van die hoewes waarop boorgate reeds gesink is of later gesink mag word sal 'n klousule ingesluit word wat die Goewerment die reg van toegang verleen en die reg om water te neem uit die boorgate vir boordoeleindes, gedurende 'n termyn van vyf jaar vanaf die datums van die huurkontrakte.

'n Voorwaarde van die huurkontrak sal wees, dat die suksesvolle applikant vir enige van die bogenoemde hoewes waarop boorgate bestaan of voor of na toekenning gesink mag word, met ingang van die datum van toekenning of van voltooiing van die werk verantwoordelik gehou sal word vir die behoorlike oppas en die onderhou van die boorgat of die boorgate op sy hoewe en aanspraaklik sal wees vir enige skade daaraan veroorsaak. Hy moet derhalwe in geen geval sonder behoorlike pompmasjiene water daaruit neem nie. Navraag, betreffende die masjienerie wat die meeste geskik is om gebruik te word in verband met enige van die boorgate, behoort deur die suksesvolle applikant by die Direkteur van Besproeiing in Pretoria gedoen te word alvorens met die oprigting van enige pompmasjienerie te begin.

Die proef deur die Besproeiingsdepartement met pompe geneem in verband met die boorgate in hierdie kennisgewing genoem was so vertroubaar moontlik. Die Goewerment aanvaar egter geen verantwoordelikheid nie vir enige verlies of skade wat deur 'n huurder gely mag word indien by 'n nuwe of uitgebreide pompproef dit gevind mag word dat die water in die boorgat minder bedra as in hierdie kennisgewing aangegee, of ingeval daar ander besonderhede aangaande die boorgat gegee onjuis mag blyk te wees.

Opmetings—

Wanneer dit ooit noodsaaklik blyk te wees 'n hoewe opnuut op te meet of 'n sertifikaat van geamendeerde tietel uit te neem weens foute in die bestaande opmeting, sal alle koste van so 'n opmeting of sertifikaat van geamendeerde tietel deur die huurder gedra moet word. Wanneer die hoewe dan groter blyk te wees as in hierdie kennisgewing opgegee, dan sal die huurder die voordeel daarvan hê sonder dat die koopprys van die hoewe met iets verhoog word: wanneer daarenteen die grond minder groot blyk te wees as in hierdie kennisgewing vermeld, dan moet die huurder die mindere grootte aanvaar sonder vermindering van die koopprys en sal daar in verband met 'n grootte wat minder blyk te wees geen vordering teen die Regering bestaan nie.

Onderverdelings—

Ingeval 'n hoewe toegeken word aan twee of meer huurders dan is 'n spesiale voorwaarde van die huurkontrak dat die Minister volgens eie diskresie die huurders kan oproep om die hoewe op hulle eie koste onder te verdeel op 'n wyse soas deur die huurders ooreengekom en deur die Minister goedgekeur, of as hulle in gebreke bly om binne 'n tydperk van hoogstens drie maande so'n ooreenkoms te tref, dan op 'n wyse deur die Minister vasgestel te word. So'n ooreenkoms onder die huurders of beslissing van die Minister moet vermeld—

(1) die aandeel wat ieder huurder moet betaal van die onderverdelingskoste, ingeslote die koste van opmeting;

(2) wanneer daar 'n voorskot verleen is waarvan die bedrag nie by die koopprys gevoeg is nie, watter aandeel ieder huurder sal ontvang, van enige vee, gereedskappe of ander sake en tot watter bedrag ieder huurder verantwoordelikheid moet aanvaar vir die aandeel wat hy ontvang het;

(3) wat die koopprys is van elke onderverdeling nadat behoorlik rekening gehou is met alle verbeterings wat deur die Minister of deur middel van 'n voorskot deur die Minister verleen, aangebring is, en watter deel van die paaiemente wat al betaal mag wees, kapitaal is.

Die huurders moet, binne drie maande nadat so'n ooreenkoms bereik of 'n beslissing deur die Minister geneem is, op hulle neem om op hulle eie koste sulke maatreëls te tref as noodsaaklik mag wees om die belange in die huurkontrak volgens die bogenoemde ooreenkoms of beslissing deur die Minister behoorlik en wettig te sedeer.

Algemene Opmerkings.

Uitreiking van Kroongrondbriewe—

Kroongrondbriewe van hoewes kan in spesiale gevalle met die toestemming van die Goewerneur-Generaal uitgereik word voor die afloop van 'n periode van tien (10) jaar na die datum van toekenning. As 'n huurder, nadat hy 'n plaas vir vyf (5) jaar gehuur het, die Landraad kan oortuig dat die waarde van sy hoewe met permanente verbeterings van 'n degelike aard een-vierde (maar in geen geval minder dan £400) meer bedra as die totale skuld van die huurder aan die Goewerment, stel seksie *ag* van Wet No. 21 van 1922 die Minister in staat om 'n Kroongrondbrief uit te reik en vir die totaal bedrag van die skuld wat daar oorbly 'n verband aan te neem.

Fencing—

In the event of the Government being required, in terms of the Fencing Act, No. 17 of 1912, or any amendment thereof, to contribute towards the cost of fencing the boundaries, or any part thereof, of any of the holdings advertised in this notice, or to accept liability for the payment of such contribution prior to the registration of the lease, the successful applicant shall, on allotment being made to him, assume liability for the payment of such contribution. The amount of such contribution shall be paid by the allottee to the Government in cash, or at the option of the allottee it may be added to the valuation of the holding, in which case the rental payments and instalments of purchase price shall be increased accordingly. The successful applicants for any of the holdings on which the boundaries or part thereof are fenced shall accept liability under the Fencing Act, 1912, or any amendment thereof, for any amounts which may be claimed by adjoining owners in terms of the said Act.

Miscellaneous—

In the case of accidents to persons or cattle consequent on the existence of shafts, tunnels, and other conditions arising out of prospecting and mining operations undertaken prior to the date of the commencement of the lease, the lessee shall not be entitled to compensation from the Government or the prospector or claimholder.

General Conditions—

All rights to minerals, mineral products, mineral oils, metals, and precious stones are reserved to the Crown except where otherwise stated.

The Department has made every effort to render as accurate as possible the information given in this notice, but does not hold itself responsible for any inaccuracies which may be contained in this notice.

The rent paid during the lease period of five years is not deducted from the purchase price in the event of the option to purchase being exercised.

Applicants are recommended personally to inspect the holdings before formally applying therefor. In considering applications for holdings, Land Boards decline, as a rule, to recommend allotments to applicants who have failed to inspect personally or to have had inspected on their behalf the holding applied for. No railway or transport concessions are given by the Government in connexion with the inspection of holdings.

Occupation can be granted immediately upon allotment, unless other provision be made in the letter of allotment.

All applications must be submitted on the prescribed form, which can be obtained from the Magistrates of the districts in which the farms are situate; the Secretary for Lands, Pretoria; the Secretary to the Land Board, New Law Court Buildings, Queen Victoria Street, Capetown; the Secretary to the Land Board, P.O. Box 396, Pietermaritzburg; and the Secretary to the Land Board, Bloemfontein.

The Department has a staff dealing specially with applications and inquiries for land, and prospective settlers desirous of obtaining information with regard to land settlement are advised to apply for such information direct to the Department of Lands, Union Buildings, Pretoria.

Omheinings—

Ingeval die Goewerment, ooreenkomstig die Omheiningswet, No. 17 van 1912, of enige wysiging daarvan, genoodsaak is om by te dra tot die koste van omheining van die grenslyne of enige gedeelte daarvan, van die hoewes in hierdie kennisgewing geadverteer, of om verantwoordelikheid vir die betaling van sodanige bydrae te aanvaar voor die registrasie van die huurkontrak, dan sal die suksesvolle applikant by die toekenning van 'n hoewe aan hom die verantwoordelikheid vir die betaling van sodanige bydrae op hom moet neem. Die bedrag van sodanige bydrae moet deur die persoon aan wie die plaas toegeken word in kontant aan die Goewerment betaal word, of kan as die persoon aan wie die hoewe toegeken word sulks verkies, by die koopprys van die hoewe gevoeg word, in watter geval die bedrae van huurgeld en paaiemente van die koopprys dienooreenkomstig verhoog sal word. Geslaagde applikante vir enige van die hoewes waarvan die grenslyne of gedeeltes daarvan omhein is sal verantwoordelikheid moet aanvaar, ooreenkomstig die Omheiningswet van 1912, of enige wysiging daarvan, vir enige bedrae wat deur die eienaars van aangrensende plase kragtens die wet geëis word.

Allerlei—

In die geval van ongelukke aan persone of vee wat mag plaasvind as 'n gevolg van die bestaan van skagte, tonnels en ander toestande veroorsaak deur prospekteer- en mynwerksaamhede onderneem voor die datum van die aanvang van die huurkontrak sal die huurder nie geregtig wees nie op vergoeding van die Goewerment of die prospekteerder of die kleimeienaar.

Applikante word aangeraai om die hoewes persoonlik te inspekteer alvorens applikasie daarvoor te maak. By die oorweging van applikasies vir hoewes is Landrade nie geneig nie om toekennings aan te beveel aan applikante wat versuim het om die hoewes waarvoor hulle applikasie gemaak het persoonlik te inspekteer of deur iemand anders in hulle belang te laat inspekteer. Geen spoorweg- of ander transportkonsessies word deur die Regering in verband met die inspeksie van hoewes toegestaan nie.

Okkupasie kan onmiddellik na toekenning toegestaan word, tensy in die toekenningsbrief anders bepaal word.

Die Departement het 'n staf wat spesiaal applikasies en navrae in verband met grond behandel en aanstaande settelaars wat met betrekking tot landneersetting informasie verlang word aangeraai om vir sulke informasie regstreeks aansoek te doen by die Departement van Lande, Unie-gebou, Pretoria.
