14. Die Goewerment aanvaar in geen enkel opsig verantwoordelikheid in verband met die bogenoemde inrigting.

15. Die vissers het die vrye en ongestoorde gebruik van die see in die nabyheid van die grond hierby verhuur.

✱ No. 1397.] [19th August, 1927.

✱ No. 1422.] [19th August, 1927.

It is hereby notified that, under the provisions of section *six*, Act No. 26 of 1891 (Cape of Good Hope), the following pieces of Crown land will be offered for sale by public auction at the dates, times, and places mentioned hereunder and subject to the general terms and conditions contained in the Act No. 15 of 1887 (Cape of Good Hope), so far as applicable, and further to such conditions as may be declared on the day of the sale.

Each lot will be put up at the upset price fixed, and the highest bidder who shall have offered not less than such upset price shall be declared the purchaser, and such purchaser shall have the option of paying either the whole or part of the purchase money on the day of sale, provided—

(i) that if no payment be made on the day of sale, one-tenth of the purchase price shall be paid at six and one-tenth at twelve months from the day of sale;
(ii) that if less than one-tenth of the purchase price be paid on the day of sale, the balance of such one-tenth shall be paid at the expiration of six months and the remaining one-tenth at the expiration of twelve months from the day of sale;
(iii) that if the amount paid on the day of sale be one-tenth or any sum between one-tenth and one-fifth of the purchase price, the balance of one-fifth of the purchase price shall be paid at the expiration of twelve months from the day of sale;
(iv) in cases where the purchase money is less than twenty-five pounds, the whole amount shall be paid in cash or in equal annual instalments extending over a period of three years.

Interest on the instalments above mentioned shall be paid at the rate of 6 per centum per annum; and the payment of the instalments, together with the interest thereon, shall be secured on the day of sale by two good and sufficient sureties to the satisfaction of the Magistrate, which sureties will bind themselves in regard to such payment as sureties *in solidum* and co-principal debtors, renouncing the exceptions of excussion and division.

If the purchaser or his sureties fail or are unable to make the necessary payment of purchase money as above within the stipulated time, it shall be competent for the Government to cancel the sale, and all payments already made in respect of such sale shall be forfeited to the Government.

The expenses of survey, etc., on each lot and of the title-deed (viz., 12s. 3d.) and Deeds Office registration fee (viz., 5s.) shall be paid to the Magistrate or other duly authorized person in that behalf on the day of sale.

The purchaser shall be bound to pass a mortgage bond, bearing interest at the rate of 6 per centum per annum, in favour of the Government for four-fifths of the purchase price, unless he shall have paid on the day of sale more than one-fifth thereof, in which case the amount of the bond shall be for the balance of the purchase price, the purchaser having the right to pay off the bond, or any portion thereof not being less than fifty pounds, at any time.

If the purchaser be desirous of holding the balance of the purchase money on mortgage, as above, he will be required to pass the bond within thirteen (13) calendar months from the day of sale, failing which a fine of one shilling will be imposed for every day allowed to pass beyond it up to eighteen months from the date of sale, after which, should such failure still continue, the balance of the purchase money, with interest thereon, and the amount of fine, if any, so imposed, shall forthwith become due and payable, and shall be recoverable in any competent court of law without further notice, and if not paid within one month after the date of judgment the sale shall become null and void, and payments already made shall be forfeited to the Government.

Each lot will be offered for sale subject to the following special conditions, viz.:—

That all rights to minerals, mineral products, mineral oils, and precious stones, precious or base metals on or under the land hereby sold are expressly reserved to the Crown, together with the right of access to any mines or works undertaken for mining or prospecting purposes by any person duly authorized in that behalf. The land is subject to such further rights as the public or the Government now may or may hereafter have or be entitled to obtain under or by virtue of any law relating to the prospecting, digging, mining, or exploitation of minerals, metals, mineral products, mineral oils, precious stones, precious or base metals, on or under the land hereby sold, which right shall not be impaired or in any way affected by the title-deed.

✱ No. 1422.] [19 Augustus 1927.

Hiermee word bekendgemaak dat, kragtens die bepalinge van artiekel *ses* van Wet No. 26 van 1891 (Kaap die Goeie Hoop) die volgende stukke Kroongrond, by publieke veiling te koop aangebied sal word op die datums, tye en plekke hieronder genoem en behoudens die algemene terme en voorwaardes in Wet No. 15 van 1887 (Kaap die Goeie Hoop) vervat, vir sover die van toepassing mag wees, en sodanige verdere voorwaardes as op die verkoopdag bekendgemaak mag word.

Elke perseel sal te koop aangebied word teen die vasgestelde insetprys, en die hoogste bieder, wat nie minder dan hierdie insetprys sal gebied het nie sal die koper verklaar word, en sodanige koper sal die koopsom, na verkiesing, geheel of gedeeltelik op die verkoopdag kan betaal, met dien verstande—

(i) dat indien geen betaling op die verkoopdag geskied nie, een-tiende van die koopprys betaal moet word binne ses maande en een-tiende binne twaalf maande vanaf die verkoopdag;
(ii) dat indien minder dan een-tiende van die koopsom op die verkoopdag betaal word, die owerige van sodanige een-tiende betaal moet word binne ses maande en die ander een-tiende binne twaalf maande vanaf die verkoopdag;
(iii) dat indien die bedrag betaal op die verkoopdag een-tiende mag wees of enige som tussen een-tiende en een-vyfde deel van die koopsom, die owerige van die een-vyfde van die koopsom betaal moet word binne twaalf maande vanaf die verkoopdag;
(iv) ingeval die koopsom minder as vyf-en-twintig pond is, moet die hele bedrag kontant of in gelyke paaiemente, wat strek oor 'n tydperk van drie jaar, betaal word.

Rente moet op die hierbo genoemde paaiemente betaal word, bereken teen 6 persent per jaar; en die betaling van die paaiemente met die rente daarop, sal op die verkoopdag deur twee goeie en voldoende borge verseker word, tot die genoeë van die Magistraat, watter borge hulle verbind *in solidum* en as hoofskuldenaars en afstand doen van die eksepsies van inbeslagneming en verdeling.

As die koper of sy borge in gebreke bly of nie in staat is om die nodige betaling van die koopsom soos hierbo gemeld binne die vasgestelde tyd te doen nie sal die Regering die reg hê om die koop te vernietig en alle gelde reeds in verband met die koop betaal sal aan die Regering verval.

Die koste verbonde aan die opmeting, ens., van elke perseel en van die grondbrief (nl. 12s. 3d.) en Registrasiekantoor-fooi vir registrasie (nl. 5s.) moet op die verkoopdag aan die Magistraat of ander persoon wat behoorlik daartoe gemagtig is, betaal word.

Die koper sal verplig wees om ten gunste van die Goewerment vir vier-vyfdes van die koopsom 'n verband te passeer, wat rente dra teen 6 persent per jaar tensy hy op die verkoopdag meer dan een-vyfde van die koopsom betaal, in watter geval die bedrag van die verband vir die saldo van die koopsom sal wees; die koper sal die reg hê om die verband of enige gedeelte daarvan, wat nie minder van vyftig pond bedra nie, op enige tyd af te betaal.

As die koper die saldo van die koopsom op verband wens te hou, soos hierbo vermeld, moet hy die verband binne dertien (13) maande vanaf die verkoopdag passeer, by gebreke waarvan 'n boete van een sieling vir elke dag wat verby gaan tot op agtien maande vanaf die datum van die verkoping sal opgelê word; indien daar daarna nog geen verband gepasseer is nie, sal die saldo van die koopsom, met die rente daarop, en die bedrag van die boete, as enige boete also opgelê is, terstond betaalbaar wees en betaal moet word en in enige bevoegde geregshof sonder verder kennisgewing opgevorderd kan word, en as dit nie binne een maand na die datum van die uitspraak betaal word nie, sal die koop van nul en gener waarde word en betalinge wat alreeds gemaak is sal aan die Regering verval.

Elke perseel sal te koop aangebied word onderworpe aan die hiernagenoemde spesiale voorwaarde:—

Dat alle regte op minerale, minerale produkte, minerale olies en edelgesteentes, edele en onedele metale op of onder die grond hierby verkoop, uitdrukkelik gereserveer word vir die Kroon, tesame met die reg van toegang tot alle myne of werke vir myn- of prospekteerdoeleindes onderneem deur enig persoon behoorlik daartoe gemagtig. damage that may be sustained by a lessee should on a new or extended pumping test taking place, the water supply in the borehole be found to be less than that stated in this notice, or in the event of the other particulars given in respect of the borehole being found to be inaccurate.

Surveys—

Should it at any time be found necessary to resurvey a holding, or take out a certificate of amended title, owing to errors in the existing survey, all costs incidental to such survey or certificate of amended title must be borne by the lessee. Should it be found that the holding is of greater extent than that stated in this notice the lessee shall benefit thereby, without any increase of purchase price being made; on the other hand, should the area be found to be less than that stated in this notice, the lessee shall accept such lesser area without reduction of the purchase price, and no claim against the Government will exist in respect of any reduced area.

Sub-divisions—

In the event of any of the holdings being allotted to two or more lessees it shall be a special condition of the lease that the Minister may at his discretion call upon the lessees to have the holding sub-divided at their own expense in a manner agreed upon by the lessees and approved by the Minister, or, failing such agreement within a period of not more than three months, in a manner to be determined by the Minister. Such agreement amongst the lessees or determination by the Minister shall state:—

(1) The share to be borne by each lessee in respect of the costs of sub-division, inclusive of the costs of survey.
(2) Where any advance has been made, the amount whereof has not been added to the purchase price, the share to be received by each lessee in respect of any stock, implements, or other things and the amount of the liability to be assumed by each lessee in respect of the share received by him.
(3) The purchase price of each sub-division, due regard being had to any improvements effected by the Minister or by means of an advance made by the Minister, and the share of the capital amount of such instalments as may have been paid.

The lessees shall undertake, within three months after such agreement has been reached or determination has been made by the Minister, to take at their own expense such steps as may be necessary to effect proper and legal cession of the interests in the lease in accordance with the aforesaid agreement or determination by the Minister.

GENERAL REMARKS.

Issue of Crown Grants—

Crown grants of holdings may in special cases, with the approval of the Governor-General, be issued before the expiry of a period of ten (10) years from the date of allotment. When a lessee after five (5) years' tenancy can satisfy the Land Board that the value of his holding with permanent and substantial improvements exceeds by one-fourth (but not in any case by less than £400) the total indebtedness of the lessee to the Government, section *eight* of Act No. 21 of 1922 enables the Minister to issue a Crown grant and accept a mortgage bond for the total amount of the then remaining indebtedness.

Fencing—

In the event of the Government being required, in terms of the Fencing Act, No. 17 of 1912, or any amendment thereof, to contribute towards the cost of fencing the boundaries, or any part thereof, of any of the holdings advertised in this notice, or to accept liability for the payment of such contribution prior to the registration of the lease, the successful applicant shall, on allotment being made to him, assume liability for the payment of such contribution. The amount of such contribution shall be paid by the allottee to the Government in cash, or at the option of the allottee it may be added to the valuation of the holding, in which case the rental payments and instalments of purchase price shall be increased accordingly. The successful applicants for any of the holdings on which the boundaries or part thereof are fenced shall accept liability under the Fencing Act, 1912, or any amendment thereof, for any amounts which may be claimed by adjoining owners in terms of the said Act.

Miscellaneous—

In the case of accidents to persons or cattle consequent on the existence of shafts, tunnels, and other conditions arising out of prospecting and mining operations undertaken prior to the date of the commencement of the lease, the lessee shall not be entitled to compensation from the Government or the prospector or claimholder.

All rights to minerals, mineral products, mineral oils, metals, and precious stones are reserved to the Crown.

The Department has made every effort to render as accurate as possible the information given in this notice, but does not hold itself responsible for any inaccuracies which may be contained in this notice.

The rent paid during the lease period of five years is not deducted from the purchase price in the event of the option to purchase being exercised.

Applicants are recommended personally to inspect the holdings before formally applying therefor. In considering applications for holdings, Land Boards decline, as a rule, to recommend allotments to applicants who have failed to inspect personally or to have had inspected on their behalf the holding applied for. No railway or transport concessions are given by the Government in connexion with the inspection of holdings.

Occupation can be granted immediately upon allotment, unless other provision be made in the letter of allotment.

verantwoordelikheid nie vir enige verlies of skade wat deur 'n huurder gely mag word indien by 'n nuwe of uitgebreide pompproef dit gevind mag word dat die water in die boorgat minder bedra as in hierdie kennisgewing aangegee, of ingeval daar ander besonderhede aangaande die boorgat gegee onjuis mag blyk te wees.

Opmetings—

Wanneer dit ooit noodsaaklik blyk te wees 'n hoewe opnuut op te meet of 'n sertifikaat van geamendeerde tietel uit te neem weens foute in die bestaande opmeting, sal alle koste van so 'n opmeting of sertifikaat van geamendeerde tietel deur die huurder gedra moet word. Wanneer die hoewe dan groter blyk te wees as in hierdie kennisgewing opgegee, dan sal die huurder die voordeel daarvan hê sonder dat die koopprys van die hoewe met iets verhoog word; wanneer daarenteen die grond minder groot blyk te wees as in hierdie kennisgewing vermeld, dan moet die huurder die mindere grootte aanvaar sonder vermindering van die koopprys en sal daar in verband met 'n grootte wat minder blyk te wees geen vordering teen die Regering bestaan nie.

Onderverdelings—

Ingeval 'n hoewe toegeken word aan twee of meer huurders dan is 'n spesiale voorwaarde van die huurkontrak dat die Minister volgens eie diskresie die huurders kan oproep om die hoewe op hulle eie koste onder te verdeel op 'n wys soos deur die huurders ooreengekom en deur die Minister goedgekeur, of as hulle in gebreke bly om binne 'n tydperk van hoogstens drie maande so'n ooreenkoms te tref, dan op 'n wyse deur die Minister vasgestel te word. So'n ooreenkoms onder die huurders of beslissing van die Minister moet vermeld—

(1) die aandeel wat ieder huurder moet betaal van die onderverdelingskoste, ingeslote die koste van opmeting;
(2) wanneer daar 'n voorskot verleen is waarvan die bedrag nie by die koopprys gevoeg is nie, watter aandeel ieder huurder sal ontvang, van enige vee, gereedskappe of ander sake en tot watter bedrag ieder huurder verantwoordelikheid moet aanvaar vir die aandeel wat hy ontvang het;
(3) wat die koopprys is van elke onderverdeling nadat behoorlik rekening gehou is met alle verbeterings wat deur die Minister of deur middel van 'n voorskot deur die Minister verleen, aangebring is, en watter deel van die paaiemente wat al betaal mag wees, kapitaal is.

Die huurders moet, binne drie maande nadat so'n ooreenkoms bereik of 'n beslissing deur die Minister geneem is, op hulle neem om op hulle eie koste sulke maatreëls te tref as noodsaaklik mag wees om die belange in die huurkontrak volgens die bogenoemde ooreenkoms of beslissing deur die Minister behoorlik en wettig te sedeer.

ALGEMENE OPMERKINGS.

Uitreiking van Kroongrondbriewe—

Kroongrondbriewe van hoewes kan in spesiale gevalle met die toestemming van die Goewerneur-Generaal uitgereik word voor die afloop van 'n periode van tien (10) jaar na die datum van toekenning. As 'n huurder, nadat hy 'n plaas vir vyf (5) jaar gehuur het, die Landraad kan oortuig dat die waarde van sy hoewe met permanente verbeterings van 'n degelike aard een-vierde (maar in geen geval minder dan £400) meer bedra as die totale skuld van die huurder aan die Goewerment, stel seksie *ag* van Wet No. 21 van 1922 die Minister in staat om 'n Kroongrondbrief uit te reik en vir die totaal bedrag van die skuld wat daar oorbly 'n verband aan te neem.

Omheinings—

Ingeval die Goewerment, ooreenkomstig die Omheiningswet, No. 17 van 1912, of enige wysiging daarvan, genoodsaak is om by te dra tot die koste van omheining van die grenslyne of enige gedeelte daarvan, van die hoewes in hierdie kennisgewing geadverteer, of om verantwoordelikheid vir die betaling van sodanige bydrae te aanvaar voor die registrasie van die huurkontrak, dan sal die suksesvolle applikant by die toekenning van 'n hoewe aan hom die verantwoordelikheid vir die betaling van sodanige bydrae op hom moet neem. Die bedrag van sodanige bydrae moet deur die persoon aan wie die plaas toegeken word in kontant aan die Goewerment betaal word, of kan as die persoon aan wie die hoewe toegeken word sulks verkies, by die koopprys van die hoewe gevoeg word, in watter geval die bedrae van huurgeld en paaiemente van die koopprys dienooreenkomstig verhoog sal word. Geslaagde applikante vir enige van die hoewes waarvan die grenslyne of gedeeltes daarvan omhein is sal verantwoordelikheid moet aanvaar, ooreenkomstig die Omheiningswet van 1912, of enige wysiging daarvan, vir enige bedrae wat deur die eienaars van aangrensende plase kragtens die wet geëis word.

Allerlei—

In die geval van ongelukke aan persone of vee wat mag plaasvind as 'n gevolg van die bestaan van skagte, tonnels en ander toestande veroorsaak deur prospekteer- en mynwerksaamhede onderneem voor die datum van die aanvang van die huurkontrak sal die huurder nie geregtig wees nie op vergoeding van die Goewerment of die prospekteerder of die kleimeienaar.

Alle regte op minerale, minerale produkte, minerale olieë, metale en edelgesteente word deur die Goewerment behou.

Die Departement het alle pogings aangewend om die informasie wat in hierdie kennisgewing vervat word so korrek moontlik te maak, maar sal nie verantwoordelik wees vir onjuisthede wat mag voorkom nie.

Die huurgeld gedurende die huurtermyn betaal word nie van die koopprys afgetrek nie ingeval die opsie van aankoop uitgeoefen word.

Applikante word aangeraai om die hoewes persoonlik te inspekteer alvorens applikasie daarvoor te maak. By die oorweging van applikasies vir hoewes is Landrade nie geneig nie om toekennings aan te beveel aan applikante wat versuim het om die hoewes waarvoor hulle applikasie gemaak het persoonlik te inspekteer of deur iemand anders in hulle belang te laat inspekteer. Geen spoorweg- of ander transportkonsessies word deur die Regering in verband met die inspeksie van hoewes toegestaan nie.

Okkupasie kan onmiddellik na toekenning toegestaan word, tensy in die toekenningsbrief anders bepaal word.

All applications must be submitted on the prescribed form, which can be obtained from the magistrates of the districts in which the farms are situate; the Secretary for Lands, Pretoria; the Secretary to the Land Board, New Law Court Buildings, Queen Victoria Street, Capetown; the Secretary to the Land Board, P.O. Box 396, Pietermaritzburg; and the Secretary to the Land Board, Bloemfontein.

The Department has a staff dealing specially with applications and inquiries for land, and prospective settlers desirous of obtaining information with regard to land settlement are advised to apply for such information direct to the Department of Lands, Union Buildings, Pretoria.

Should no operations have been commenced at the date of allotment, the allottee must notify the Senior Officer, Lands Branch, whether he desires boring operations to be undertaken or not.

In view of the large number of applications which may be received for some of the farms in this notice, applicants are advised, in their own interests, to submit alternative applications, giving the order of preference.

Should their first selections not be allotted to them, consideration will then be given to the alternative applications in order of preference.

The ownership of land in South-West Africa does not include the ownership in minerals and precious stones in, on, or under such land. All the above farms are open to prospecting and pegging by any person duly authorized thereto in accordance with the provisions of the Imperial Mining Ordinance, 1906, as amended by Proclamation No. 24 of 1919. The holder of a prospecting licence over any of the above farms is entitled to grazing and water for stock required in connexion with his prospecting operations, as also wood, in so far as it is available without materially interfering with the working of the farm (section *twelve* of above Ordinance) and subject to payment of compensation as provided in the Mining Law.

General Conditions.

In the event of the Administration being required, in terms of any law relating to fencing in South-West Africa, to contribute towards the cost of fencing the boundaries, or any part thereof, of any of the holdings advertised in this notice, or to accept liability for the payment of such contribution prior to the registration of the lease, the successful applicant shall, on allotment being made to him, assume liability for the payment of such contribution. The amount of such contribution shall be paid by the allottee to the Government in cash, or at the option of the allottee it may be added to the valuation of the holding, in which case the rentals, payments, and instalments of purchase price shall be increased accordingly. The successful applicants for any of the holdings on which the boundaries or part thereof are fenced shall accept liability under any law relating to fencing in South-West Africa for any amounts which may be claimed by adjoining owners in terms of the said law.

In the event of boreholes being completed and windmills erected on any of the holdings before the date of allotment thereof, the cost of the boring operations and windmills will be added to the valuations of the holdings and the rentals and instalments of purchase price will be increased accordingly.

In the event of an allottee making application for a borehole to be sunk on his holding and a windmill to be erected thereon, and of such application being approved by the Administrator, the cost of such borehole (exclusive of transport, fuel, and water, which must be borne by the allottee) and of such windmill will be added to the valuation of the holding, and the half-yearly rental and instalments of purchase price will be increased accordingly as from the date of the completion of the work.

A clause will be inserted in the leases which it is proposed to issue in respect of holdings on which boreholes may be sunk before or after allotment thereof, giving the Government access to and the right to take water from the boreholes for drilling purposes for a period of five years from the dates of the leases.

It will be a condition of lease that the successful applicant for any of the above holdings on which boreholes exist or may be sunk previous to allotment will be held responsible as from the date of allotment or of completion of the work for the proper care and maintenance of the borehole or boreholes on his holding, and shall be liable for any damage caused thereto. He must, therefore, on no account raise water without proper pumping machinery. Inquiries as to the most suitable machinery to be utilized in connexion with any borehole should be made to the Boring Engineer, Windhoek, by the successful applicant before proceeding to erect pumping machinery.

Issue of Government Grant—

Administration Grants of holdings may, in special cases, with the approval of the Administrator, be issued before the expiry of a period of ten (10) years from the date of allotment. When a lessee after five years tenancy can satisfy the Land Board that the value of his holding with permanent and substantial improvements exceeds by one-fourth (but not in any case by less than £400) the total indebtedness of the lessee to the Administration, section *four* of Proclamation No. 26 of 1923 enables the Administrator to issue a Government Grant and accept a mortgage bond for the total amount of the then remaining indebtedness.

General Remarks—

The lease to be issued will contain conditions relative to residence, improvements, fencing, outspans, roads, and such other conditions as are usually inserted in agricultural leases granted under the Land Settlement Act, No. 12 of 1912, as amended by the Land Settlement Act Amendment Act, No. 23 of 1917, and any further amendments thereof.

The following special clauses will be inserted in the leases which it is proposed to issue and in the Crown grant to be issued later:—

(*a*) Giving the Administration the right to resume the whole or a portion of any holding required for public purposes or outspan purposes, on payment of compensation therefor;

(*b*) stipulating that roads and thoroughfares, whether they are described in the diagram or not, existing on the land shall remain free and uninterrupted, and requiring the lessee of any holding to grant to any adjacent or neighbouring proprietor a way or road of necessity to or from the land of such adjacent or neighbouring proprietor.

28. Geleë omtrent 60 myl suidoos van Windhoek en geskik vir alle soorte vee. Daar is twee boorgate met 'n klein watervoorraad, die koste daarvan sal later by die koopprys gevoeg word.

N.B.—Instruksies is in sommige gevalle gegee om boorgate op hoewes te sink, en indien op die datum van toekenning boorwerksaamhede alreeds in aanvang geneem is, sal die koste daarvan by die koopprys gevoeg word, en die halfjaarlikse huurgelde en paaiemente sal vanaf die datum van voltooiing van die werk gevolgelik verhoog word.

Indien boorwerksaamhede nog nie begin het op die datum van toekenning nie, moet die huurder die Hoofamptenaar, Afdeling van Lande, laat weet of hy 'n boorgat wil laat sink of nie.

Aangesien daar moontlik 'n groot aantal applikasies ontvang mag word vir sommige van die plase in hierdie kennisgewing, word applikante aangeraai, in hulle eie belang, om vir meer as een plaas applikasie te maak, en die orde van voorkeur aan te gee.

Indien hulle eerste keuse nie aan hulle toegeken word nie, sal hulle applikasies vir die ander keuse in orde van voorkeur dan in oorweging geneem word.

Die besitreg van grond in Suidwes-Afrika sluit nie die besitreg van minerale en edelgesteentes, op of onder sulke grond in nie. Al die bogenoemde plase is oop vir prospektering en afpenning deur enige persoon behoorlik daartoe gemagtig ooreenkomstig die bepalings van die Imperiale Myn Ordonnansie, 1906, soos gewysig deur Proklamasie No. 24 van 1919.

Persone wat liksensie vir prospektering het oor enige van die bogenoemde plase, het ook aanspraak op weiding en water vir die vee nodig in verband met die prospektering as ook hout, in sover dit beskikbaar is sonder die werk op die plaas groteliks te verstoor (sien artiekel 12 van bogenoemde Ordonnansie), en onderhewig aan betaling van skadevergoeding soos bepaal in die Myn Wet.

Algemene Voorwaardes—

Ingeval die Administrasie ooreenkomstig enige Omheiningswet in Suidwes-Afrika, tot die koste van die omheining van die grenslyn, of enige deel daarvan, van die hoewes in hierdie kennisgewing geadverteer, sou moet bydra of vir die betaling van sodanige bydrae die verantwoordelikheid sou moet neem vóór die registrasie van die huurkontrak, dan sal die suksesvolle applikant by die toekenning van 'n hoewe die verantwoordelikheid vir die betaling van sodanige bydrae op hom moet neem. Die bedrag van sodanige bydrae moet deur die persoon, aan wie die plaas toegeken word, in kontant aan die Administrasie betaal word, of kan na verkiesing van die persoon aan wie die eiendom toegeken is, by die waardering van die hoewe gevoeg word, in watter geval die bydrae van die huur en paaiemente van die koopprys ooreenkomstig verhoog sal word. Geslaagde applikante vir enige van die hoewes, waarvan die grenslyne of gedeelte daarvan omhein is, sal verantwoordelik wees ooreenkomstig enige Omheiningswet in Suidwes-Afrika, vir enige bedrae wat deur die eienaars van aangrensende eiendomme, kragtens die wet, geëis mag word.

Ingeval daar op enige van die hoewes boorgate mag voltooi wees en windmeule opgerig is, vóór die datum van toekenning daarvan, sal die koste van die boorgate en van die windmeule by die koopprys van die hoewe gevoeg word, en die huurgeld en paaiemente op die koopprys gevolglik verhoog word.

Ingeval die persoon aan wie die hoewe toegeken is, versoek dat op sy hoewe 'n boorgat mag gesink word en 'n windmeul daarop mag opgerig word, en sodanige applikasie deur die Administrateur goedgekeur word, sal die koste van sodanige boorgat (behalwe van transport, brandstof en water wat deur die persoon moet betaal word) en van sodanige windmeul by die koopprys van die hoewe gevoeg word, en die halfjaarlikse huurgeld en paaiemente op die koopprys, sal gevolglik verhoog word vanaf die datum van die voltooiing van die werk.

In die huurkontrak wat uitgegee sal word ten aansien van die hoewe waarop boorgate, vóór of ná toekenning daarvan, gesink mag word sal 'n klousule gevoeg word wat die Administrasie toegang verleen tot, en die reg gee om water uit die boorgate vir boordoeleindes te neem gedurende 'n tydperk van vyf jare vanaf die datums van die huurkontrakte.

Een voorwaarde van die huurkontrak sal wees dat die suksesvolle applikant vir enige van die bogenoemde hoewe, waarop boorgate bestaan of wat vóór of ná toekenning mag gesink wees, vanaf die datum van toekenning of van voltooiing van die werk, verantwoordelik sal gehou word vir die behoorlike oppas en onderhou van die boorgat, of boorgate, op sy hoewe en aanspreeklik sal wees vir enige skade daaraan veroorsaak. Hy moet derhalwe in geen geval sonder behoorlike pompmasjienerie daaruit water neem nie. Navraag betreffende masjienerie wat mees geskik is om gebruik te word in verband met enige van die boorgate, behoort deur die suksesvolle applikant by die Booringenieur, Windhoek, gedoen te word vóórdat enige pompmasjienerie opgerig word.

Uitreiking van Goewerments-grondbriewe—

Goewerments-grondbriewe van hoewes kan in spesiale gevalle, met toestemming van die Administrateur, uitgegee word voor afloop van 'n termyn van 10 jaar na die datum van toekenning. Ná 'n huurder 'n hoewe vir 5 jaar gehuur het en die Landraad kan oortuig dat die waarde van sy hoewe en blywende verbeterings van deeglike aard meer as een-vierde van die totale skuld van die huurder aan die Administrasie bedra (maar in geen geval minder as £400), stel artiekel *vier* van Proklamasie 26 van 1923 die Administrateur in staat om 'n Goewerments-grondbrief uit te reik, en 'n verband te neem vir die totale bedrag van die skuld wat nog oorbly.

Algemene Opmerkinge—

Die huurkontrak wat uitgegee word sal voorwaardes bevat met betrekking tot die okkupasie, verbeterings, omheining, uitspannings, weë en sulke ander voorwaardes wat gewoonlik gestel word in landbou-huurkontrakte uitgereik onder die Kroongrond Nedersettingswet, No. 12 van 1912, soos gewysig deur die Nedersettingswet Wysigingswet, No. 23 van 1917, en enige verder wysigings daarvan.

In die voorgestelde huurkontrak en die daarop volgende Kroongrondbrief sal spesiale voorsienings gemaak word waardeur:

(*a*) Die Administrasie die reg sal hê om, teen betaling van skadevergoeding, enige hoewe, of enige gedeelte daarvan vir publieke doeleindes of 'n uitspanning terug te neem;

(*b*) bestaande paaie en deurgange, op die kaart aangegee of nie, vry en onbelemmerd sal bly, en die huurder van enige hoewe noodsaaklike paaie ná en van die grond van aangrensende of naburige eienaars sal toelaat.

The rent paid during the lease period of five years is not deducted from the purchase price in the event of the option to purchase being exercised.

The Lands Branch has made every effort to render as accurate as possible the information given in this notice, but will not be responsible for any inaccuracies should such exist.

Applicants are recommended in their own interests, personally to inspect farms before formally applying therefor. No railway or transport concessions are given by the Government in connexion with the inspection of holdings.

After the expiry date of this notice intending applicants should ascertain from the Lands Branch which holdings are still available before proceeding to inspect any of them.

Occupation can be granted immediately on allotment unless other provision be made in the letter of allotment.

All applications must be submitted on the prescribed form which can be obtained from the magistrates of the districts in which the farms are situate or from the Senior Officer, Lands Branch, Windhoek.

(5) In 1929 and in each year thereafter a member of each circle committee shall retire concurrently with the retirement of the members of the Council then retiring, and a new member shall be elected in manner aforesaid in his stead by the practitioners of that circle. A retiring member shall be eligible for re-election, and the secretary in calling for nominations to fill annual vacancies in the Council shall also call upon the practitioners in each of the said circles to nominate a candidate to fill the place of the retiring member of committee.

(6) Any casual vacancy occurring in any circle committee between the annual general meetings of the Society may be filled up by the remaining members of the circle committee concerned, but their nominee shall hold office only for so long as his predecessor would have held office had his position not become vacant through death, resignation, or other cause. It shall further keep in a minute book to be supplied by the Council a proper record of all its proceedings, which minute book shall be open to the inspection of the Council at all times and shall be its property. Each member of each circle committee, and each alternate appointed in terms hereof, shall before entering upon duty make and forthwith file with the Secretary of the Council an affidavit of secrecy in such form as the Council shall approve.

(9) All communications addressed by the Secretary of the Council to each circle committee shall be duly and promptly acknowledged by its secretary, and all papers or documents transmitted to any circle committee for its perusal and consideration shall be deemed to be absolutely confidential and shall be duly returned to the Secretary of the Council as required by that official.

(10) Each circle committee shall immediately after the first election of its members and immediately after the annual election thereafter intimate in writing to the Council the names and addresses of its chairman and secretary.

(11) The Council may annual contribute to each circle committee the sum of £25 (twenty-five pounds) towards the expenses incurred by it and shall be entitled under special circumstances to increase this contribution in such cases as it may deem necessary, but such contribution shall not exceed £50 (fifty pounds) in any one year.

(12) The first meeting of the respective circle committees shall be held at the prescribed headquarters, but each circle committee shall thereafter have the power to change its headquarters.

(13) Anything herein stated notwithstanding, the Council shall have power from time to time to increase, reduce, add to, deduct from, or in any other way it may deem fit, alter the area of the several circles by passing a resolution to that effect.

(ii) to consider and, if thought fit, to pass with or without modification or amendment, the following amendment to Regulation 37, viz.: To delete the words "one month prior to the annual general meeting, when the statement and balance-sheet then to be submitted shall be made out," and insert in place thereof the words: "on the 30th June in each and every year, up to which date the statement and balance-sheet to be submitted to the next annual general meeting shall be made out."

(iii) The consideration and transaction of any other business which the Council may deem necessary to submit to the meeting.

(*f*) The consideration and transaction of any special business of which due notice shall, in terms of By-law 6, have been given by any member of the Society.

In terms of Regulation No. 5 (1), nominations for the office of councillor are hereby called for. Any two members of the Society may, in terms of Regulation No. 5 (2), nominate in writing any member or members as a member or members of the Council for the ensuing three years. Such nominations must bear the acceptance of the nominee or nominees, and must be in the hands of the Secretary at least twenty-eight clear days before the date fixed for the holding of the annual general meeting. All nominees must, as stipulated in Section 8 of the Society's Act, be attorneys.
