The following Government Notices are published for general information.

J. SOMMERVILLE,
Secretary for Lands.

Department of Lands, Pretoria.

No. 1010.]

[15th June, 1928.

In terms of section two, Act No. 15 of 1887, and section six, Act No. 26 of 1891, respectively, as amended by sections four, five, and six of Act No. 40 of 1895, and section one of Act No. 6 of 1919, it is hereby notified that the following pieces of Crown land will be offered for sale by public auction at the places, times, and on the dates specified, subject to the conditions and stipulations in the above Acts, and in the general conditions of sale set forth, and further to such conditions as may be declared on the day of sale:—

Each lot will be put up at the upset price fixed, and the highest bidder who shall have offered not less than such upset price shall be declared the purchaser, and such purchaser shall have the option of paying either the whole or part of the purchase money on the day of sale; provided

- (i) that if no payment be made on the day of sale, one-tenth of the purchase price shall be paid at six and one-tenth at twelve months from the day of sale;
- (ii) that if less than one-tenth of the purchase price be paid on the day of sale, the balance of such one-tenth shall be paid at the expiration of six months and the remaining one-tenth at the expiration of twelve months from the day of sale;
- (iii) that if the amount paid on the day of sale be one-tenth or any sum between one-tenth and one-fifth of the purchase price, the balance of one-fifth of the purchase price shall be paid at the expiration of twelve months from the day of sale;
- (iv) in cases where the purchase money is less than twenty-five pounds the whole amount shall be paid in cash or in equal annual instalments extending over a period of three years.

Interest on the instalments above mentioned shall be paid at the rate of 6 per centum per annum; and the payment of the instalments, together with the interest thereon, shall be secured on the day of sale by two good and sufficient sureties to the satisfaction of the Magistrate, which sureties will bind themselves in regard to such payment as sureties *in solidum* and co-principal debtors, renouncing the exceptions of excussion and division.

If the purchaser or his sureties fail or are unable to make the necessary payment of purchase money as above within the stipulated time, it shall be competent for the Government to cancel the sale, and all payments already made in respect of such sale shall be forfeited to the Government.

The expenses of survey, etc., on each lot and of the title-deed (viz., 12s. 3d.) and Deeds Office registration fee (viz., 5s.) shall be paid to the Magistrate or other duly authorized person in that behalf on the day of sale.

The purchaser shall be bound to pass a mortgage bond, bearing interest at the rate of 6 per centum per annum, in favour of the Government for four-fifths of the purchase price, unless he shall have paid on the day of sale more than one-fifth thereof, in which case the amount of the bond shall be for the balance of the purchase price, the purchaser having the right to pay off the bond, or any portion thereof not being less than fifty pounds, at any time.

If the purchaser be desirous of holding the balance of the purchase money on mortgage, as above, he will be required to pass the bond within thirteen (13) calendar months from the day of sale, failing which a fine of one shilling will be imposed for every day allowed to pass beyond it up to eighteen months from the date of sale, after which, should such failure still continue, the balance of the purchase money, with interest thereon, and the amount of fine, if any, so imposed, shall forthwith become due and payable, and shall be recoverable in any competent court of law without further notice, and if not paid within one month after the date of judgment the sale shall become null and void, and payments already made shall be forfeited to the Government.

Each lot will be offered for sale subject to the following special condition, viz.:—

No. 1010.]

[15 Junie 1928.

Ooreenkomstig artikel twee van Wet No. 15 van 1887, en artikel ses van Wet No. 26 van 1891, respektiewelik, soas gewysig deur artikels vier, vyf en ses van Wet No. 40 van 1895, en artikel een van Wet No. 6 van 1919, word hiermee kennis gegee dat die volgende stukke Kroongrond by publieke veiling te koop aangebied sal word op die aangegewe plekke, tye en datums behoudens die voorwaardes en bepalinge in die bogenoemde wette en in die algemene koopvoorwaardes uiteengesit, en verder sulke voorwaardes as wat op die verkoopdag vermeld mag word:—

Elke perseel sal te koop aangebied word teen die vasgestelde insetprys, en die hoogste bieder, wat nie minder dan hierdie insetprys sal gebied het nie sal die koper verklaar word, en sodanige koper sal die koopsom, na verkiesing, geheel of gedeeltelik op die verkoopdag kan betaal, met dien verstande—

- (i) dat indien geen betaling op die verkoopdag geskied nie, een-tiende van die koopprijs betaal moet word binne ses maande en een-tiende binne twaalf maande vanaf die verkoopdag;
- (ii) dat indien minder dan een-tiende van die koopsom op die verkoopdag betaal word, die owerige van sodanige een-tiende betaal moet word binne ses maande en die ander een-tiende binne twaalf maande vanaf die verkoopdag;
- (iii) dat indien die bedrag betaal op die verkoopdag een-tiende mag wees of enige som tussen een-tiende en een-vyfde deel van die koopsom, die owerige van die een-vyfde van die koopsom betaal moet word binne twaalf maande vanaf die verkoopdag;
- (iv) ingeval die koopsom minder as vyf-en-twintig pond is, moet die hele bedrag kontant of in gelyke paaielemente, wat strek oor 'n tydperk van drie jaar, betaal word.

Rente moet op die hierbo genoemde paaielemente betaal word, bereken teen 6 persent per jaar; en die betaling van die paaielemente met die rente daarop, sal op die verkoopdag deur twee goeie en voldoende borge verseker word, tot die genoeë van die Magistraat, watter borge hulle verbind *in solidum* en as hoofskuldnaars en afstand doen van die eksepsies van inbeslagneming en verdeling.

As die koper of sy borge in gebreke bly of nie in staat is om die nodige betaling van die koopsom soos hierbo gemeld binne die vasgestelde tyd te doen nie sal die Regering die reg hê om die koop te vernietig en alle gelde reeds in verband met die koop betaal sal aan die Regering vervel.

Die koste verbonde aan die opmeting, ens., van elke perseel en aan die grondbrief (n.l. 12s. 3d.) en Registrasiekantoor-fooi vir registrasie (n.l. 5s.) moet op die verkoopdag, aan die Magistraat, of ander persoon wat behoorlik daartoe gemagtig is, betaal word.

Die koper sal verplig wees om ten gunste van die Goewerment vir vier-vyftes van die koopsom 'n verband te passeer, wat rente dra teen 6 persent per jaar tensy hy op die verkoopdag meer dan een-vyfde van die koopsom betaal, in watter geval die bedrag van die verband vir die saldo van die koopsom sal wees; die koper sal die reg hê om die verband of enige gedeelte daarvan, wat nie minder dan vyftig pond bedra nie, op enige tyd af te betaal.

As die koper die saldo van die koopsom op verband wens te hou, soos hierbo vermeld, moet hy die verband binne dertien (13) maande vanaf die verkoopdag passeer, by gebreke waarvan 'n boete van een sieling vir elke dag wat verby gaan tot op agtien maande vanaf die datum van die verkoping sal opgelê word; indien daar daarna nog geen verband gepasseer is nie, sal die saldo van die koopsom, met die rente daarop, en die bedrag van die boete, as enige boete also opgelê is, terstond betaalbaar wees en betaal moet word en in enige bevoegde geregshof sonder verder kennisgewing opgevorderd kan word, en as dit nie binne een maand na die datum van die uitspraak betaal word nie, sal die koop van nul en gener waarde word en betalinge wat alreeds gemaak is sal aan die Regering vervel.

Elke perseel sal te koop aangebied word onderworpe aan die hiernagenoemde spesiale voorwaarde:—

Dat alle regte op minerale, minerale produkte, minerale olies, en edelgesteentes, edele en onedele metale op of onder die grond hierby verkoop, uitdrukkelik gereserveer word vir die Kroon, tesame met die reg van toegang tot alle myne of werke vir myn- of prospekterdoeleindes onderneem deur enig persoon behoorlik daartoe gemagtig. Die grond is onderhewig aan sodanige verdere regte as wat die publiek of die Regering nou of hierna mag besit of geregtig is te verkry onder of kragtens enige wet betreffende die prospekter, grawe en delwe vir, of die ontginning van minerale, minerale produkte, minerale olies, edelgesteentes, edele of onedele metale op of onder die grond hieronder verkoop, welke regte nie beskadig of op enige manier deur die grondbrief aangetas sal word nie.

NOTE.—The attention of applicants for the holdings contained in this notice is specially invited to the condition that the first half-year's rental must be paid within twenty-one (21) days of the date of the provisional letter of allotment.

DESCRIPTION OF HOLDINGS.

The farms are situate about 75 to 80 miles north-west of Louis Trichardt Township, and about 40 miles west of Lilliput Railway Station. There is a good borehole with a handpump on each holding.

Occupation—

The holdings must be personally and beneficially occupied within three months from the date of allotment and during eight months every calendar year.

Special Conditions—

The following special conditions will be included in the leases to be issued in respect of all the farms hereby advertised:—

- (a) Prospectors or claimholders shall be at full liberty to peg and prospect, and shall enjoy any other privileges conferred on them by law as if the grazing rights on the holding had not been disposed of by lease.
- (b) In the case of accidents to persons or cattle consequent on the existence of snails, tunnels, and other conditions arising out of prospecting and mining operations undertaken prior to the date of the commencement of the lease, the lessee shall not be entitled to compensation from the Government or the prospector or claimholder.
- (c) The prospector or claimholder shall be entitled to claim compensation from the lessee in case of any damage to or destruction of his beacons and other structures and property which the prospector or claimholder is legally entitled to erect or possess on the farm.

Boreholes—

A clause will be inserted in the leases which it is proposed to issue in respect of those holdings on which boreholes have been or may be sunk, giving the Government access to and the right to take water from the boreholes for drilling purposes for a period of five years from the dates of the leases.

It will be a condition of lease that the successful applicant for any of the above holdings on which boreholes exist or may be sunk previous to or after allotment will be held responsible, as from the date of allotment or of completion of the work, for the proper care and maintenance of the borehole or boreholes on his holding, and shall be liable for any damage caused thereto. He must, therefore, on no account raise water without proper pumping machinery.

All boreholes are, as a rule, equipped with handpumps, but it may possibly occur that in isolated cases no pump has been erected, in which case inquiries as to the most suitable machinery to be utilized in connection with any borehole should be made to the Director of Irrigation, Pretoria, by the successful applicant before proceeding to erect pumping machinery.

The pumping test made by the Irrigation Department in connection with the boreholes mentioned was as reliable as possible, but the Government accepts no responsibility for any loss or damage that may be sustained by a lessee should on a new or extended pumping test taking place, the water supply in the borehole be found to be less than that stated in this notice, or in the event of the other particulars given in respect of the borehole being found to be inaccurate.

Surveys—

Should it at any time be found necessary to resurvey a holding, or take out a certificate of amended title, owing to errors in the existing survey, all costs incidental to such survey or certificate of amended title must be borne by the lessee. Should it be found that the holding is of greater extent than that stated in this notice, the lessee shall benefit thereby, without any increase of purchase price being made; on the other hand, should the area be found to be less than that stated in this notice, the lessee shall accept such lesser area without reduction of the purchase price, and no claim against the Government will exist in respect of any reduced area.

General Conditions—

In the event of its being found by the Minister to be practicable, within the period of the lease, to alter the conditions of tenure of the holding referred to in the lease by disposing of the holding under a lease for a period of years with the option of purchase at any time during the currency of the lease or at its expiration, and in the event of the consent of the lessee to the cancellation of the lease having been first obtained, the land may be advertised in the *Union Gazette* as available for disposal under such new conditions as aforementioned, including a condition to the effect that the successful applicant for the said holding, if not the lessee under the lease, shall pay compensation to such lessee for any substantial improvements which may have been made by the lessee on the land at a valuation to be fixed by the Minister of Lands. The lessee, if not the successful applicant, shall have the right to reap all crops in the ground at the date of allotment.

No rights to minerals, mineral products, mineral oils, precious stones, precious and base metals will be granted, and the lease will be subject to such rights as the public or the Government may now, or hereafter, have or be entitled to obtain under or by virtue of, any law relating to stands outside of townships, or to prospecting, digging, mining for, or exploiting of minerals, mineral products, mineral oils, precious stones, precious and base metals on the land or to water thereon, for which land applications are hereby invited. No compensation shall be claimable or payable for any damage or disturbance whatever caused by the exercise of such mining and other rights.

Should fencing or dipping-tanks or other structures be erected, or boreholes sunk, by the Government on any holding after being

N.B.—Die besondere aadag van applikante vir die hoewes in hierdie kennisgewing vermeld, word hiermee gevestig op die bepaling dat die huur van die eerste halfjaar binne een-en-twintig (21) dae na die datum van die voorlopige toekenningsbrief betaal moet word.

BESKRYWING VAN HOEWES.

Die plase is geleë omtrent 75 tot 80 myl noordwes van Louis Trichardt Dorp en omtrent 40 myl wes van Lilliput Spoorweg Stasie. Daar is 'n goeie boorgat en handpomp op elke hoeewe.

Okkupasie—

Die hoewes moet persoonlik en nuttig bewoon word binne drie maande na datum van toekenning en gedurende ag maande in elk kalenderjaar.

Spesiale Voorwaardes—

Die huurkontrakte wat sal uitgegee word ten aansien van die hierby geadverteerde plase sal die volgende spesiale voorwaardes bevat:—

- (a) Dit sal prospektors of houters van kleins geheel en al vrystaan om ar te pen en te prospekter en hulle sal alle andere voorregte geniet wat hulle volgens wet toe geregtig is asof die weiregte op die hoeewe nie verpag was nie.
- (b) Ingeval van ongelukke aan persone of vee tengevolge van skagte, tunnels en andere omstandighede wat ontstaan het uit prospekter- en mynwerksaamhede onderneem voor die datum van aanvang van die huurkontrak, sal die huurder nie geregtig wees tot vergoeding van die Goewerment of die prospektor of kleimhouer nie.
- (c) Die prospektor of kleimhouer sal die reg hê om van die huurder vergoeding te eis ingeval van enige skade aan of vernietiging van sy bakens of andere geboue en eiendomme wat die prospektor of kleimhouer volgens wet geregtig is op die plaas op te rig of te besit.

Boorgate—

In die huurkontrakte wat dit die plan is om uit te gee ten aansien van die hoewes waarop boorgate reeds gemaak is of later gesink mag word sal 'n klousule ingesluit word wat die Goewerment die reg van toegang verleen en die reg om water te neem uit die boorgate vir boordoelindes, gedurende 'n termyn van vyf jaar vanaf die datum van die huurkontrakte.

'n Voorwaarde van die huurkontrak sal wees, dat die suksesvolle applikant vir enige van die bogenoemde hoewes waarop boorgate bestaan of voor of na toekenning gesink mag word, met ingang van die datum van toekenning of van voltooiing van die werk verantwoordelik gehou sal word vir die behoorlike oppas en die onderhou van die boorgat of boorgate op sy hoeewe en aanspraaklik sal wees vir enige skade daaraan veroorsaak. Hy moet derhalwe in geen geval sonder behoorlike pompmasjiene water daaruit neem nie.

Alle boorgate is in die reël uitgerus met handpomp maar dit is moontlik dat daar in enkele gevalle geen pomp opgerig is nie, in water gevalle, navraag betreffende die masjienerie wat die meeste geskik is om gebruik te word in verband met enige van die boorgate, behoort deur die suksesvolle applikant by die Direkteur van Besproeiing in Pretoria gedoen te word alvorens met die oprigting van enige pompmasjienerie te begin.

Die proef deur die Besproeiingsdepartement met pompe geneem in verband met die boorgate in hierdie kennisgewing genoem was so vertroubaar moontlik. Die Goewerment aanvaar egter geen verantwoordelijkheid nie vir enige verlies of skade wat deur 'n huurder gely mag word indien by 'n nuwe of uitgebreide pomp-proef dit gevind mag word dat die water in die boorgat minder bedra as in hierdie kennisgewing aangegee, of ingeval daar ander besonderhede aangaande die boorgat gegee onjuis mag blyk te wees.

Opmetings—

Wanneer dit ooit noodsaaklik blyk te wees 'n hoeewe opnuut op te meet of 'n sertifikaat van geamendeerde tiel uit te neem weens foute in die bestaande opmeting, sal alle koste van so 'n opmeting of sertifikaat van geamendeerde tiel deur die huurder gedra moet word. Wanneer die hoeewe dan groter blyk te wees as in hierdie kennisgewing opgegee, dan sal die huurder die voordeel daarvan hê sonder dat die koopprys van die hoeewe met iets verhoog word; wanneer daarenteen die grond minder groot blyk te wees as in hierdie kennisgewing vermeld, dan moet die huurder die mindere grootte aanvaar sonder vermindering van die koopprys en sal daar in verband met 'n grootte wat minder blyk te wees geen vordering teen die Regering bestaan nie.

Algemene Voorwaardes—

Ingeval die Minister dit moontlik mag ag om binne te termyn van die huurkontrak die bepalings daarvan te verander deur die eiendom uit te gee onder huurkontrak vir 'n seker aantal jare met die opsie van aankoop te enige tyd gedurende die loop van die huurkontrak of by aankoop daarvan, en ingeval voor die vernietiging van die huurkontrak eers die toestemming van die huurder is verkry kan die grond in die *Unie Staatskoerant* geadverteer word as beskikbaar om uitgegee te word onder sodanige nuwe bepalings as vermeld met inbegrip van 'n bepaling dat die suksesvolle applikant vir die genoemde eiendom, as hy nie die huurder onder die huurkontrak is, aan die huurder vergoeding moet betaal vir alle werkelike verbeterings wat deur die huurder op die grond mag aangebring wees teen 'n waardering wat deur die Minister van Lande vasgestel sal word.

As hy nie die suksesvolle applikant is nie sal die huurder die reg hê om al die gesaaides te oes wat ten tyde van die toekenning op die grond is.

G'n regte op minerale, minerale produkte, minerale olieë, edelgesteentes, edele en onedele metale sal toegeken word en die huurkontrak sal onderworpe wees aan sulke regte wat die publiek of die Goewerment nou of later mag hê of geregtig sal wees te verkry, onder en uit krag van enige wet met betrekking tot standplase buitekant dorpe of die prospekter, delf, myn na, of die eksploteer van minerale, minerale produkte, minerale olieë, edelgesteentes, edele en onedele metale, op die grond of tot die water daarop. G'n kompensasie sal geëis kan word of betaalbaar wees vir enige skade of storing van welke aard ook, veroorsaak deur die uitoefening van sulke myn- en andere regte.

Ingeval daar op enige hoeewe deur die Regering omheinings of dipbakke of andere geboue opgerig of boorgate gesink mag word,

advertised or allotted, additional rent will be charged on the cost of such improvements. The Government reserves the right to enter upon any holding to bring about such improvements, and to take material therefrom for that purpose. All such improvements shall be kept in good order by the lessees during the currency of their leases.

General Remarks—

The lease to be issued will contain conditions relative to residence, improvements, fencing, minerals, outspans, roads, and such other conditions as are usually inserted in the agricultural leases granted under the Crown Land Disposal Ordinance, 1903 (Transvaal).

The Department has made every effort to render as accurate as possible the information given in this notice, but will not be responsible for any inaccuracies should such exist.

Applicants are recommended personally to inspect farms before formally applying therefor.

In considering applications for holdings, Land Boards decline, as a rule, to recommend allotments to applicants who have failed to inspect personally, or to have had inspected on their behalf, the holdings applied for. No railway or transport concessions are given by the Government in connection with the inspection of holdings.

Occupation can be granted immediately on allotment, unless other provisions be made in the letter of allotment.

In the event of there being a caretaker on any of the above holdings, it will be a condition of allotment that the caretaker shall be given the necessary facilities to tend and reap at maturity any crops belonging to him on the holding at the date of allotment.

All applications must be submitted on the prescribed form, which can be obtained from the Magistrate of the district in which the farms are situated; the Secretary for Lands, Pretoria; the Secretary to the Land Board, New Law Court Buildings, Capetown; the Secretary to the Land Board, P.O. Box 396, Pietermaritzburg; and the Secretary to the Land Board, Bloemfontein.

The Department has a staff dealing specially with applications and inquiries for land, and prospective settlers desirous of obtaining information with regard to land settlement are advised to apply for such information direct to the Department of Lands, Union Buildings, Pretoria.
