Notice is hereby given that it is the intention of the Honourable the Minister of Agriculture to apply, in terms of Standing Order 172 of the House of Assembly, for permission to introduce a Bill for the purpose of carrying into effect certain resolutions of both Houses of Parliament, pursuant to recommendations of the Select Committee on Irrigation Schemes, relating to certain Irrigation Districts and Boards to whom moneys have been advanced by way of loan by the Government of the Union of South Africa.

The objects of the proposed Bill are:—

- to reduce the Schedule of Irrigable Areas of the Klerksdorp Irrigation Board for the Klerksdorp Irrigation District, in the District of Klerksdorp, in the Province of the Transvaal;
- to provide power to the Minister of Agriculture to take over the functions and powers of the Prins River Irrigation Board, in the Division of Ladismith, in the Province of the Cape of Good Hope, to cause the Irrigation District to be curtailed by the exclusion of the following farms, namely: Het Groote Vischgat, Zorgvliet, Plathuis, Wolfenfontein, Rietfontein and Ganskop and to provide that the exclusion of these farms shall not absolve the owners from the payment of any rates levied thereon prior to such alteration of the boundaries; and to write off such amounts owing by ratepayers as the Minister of Agriculture may deem necessary;
- to provide power to the Minister of Agriculture to take over the functions and powers of the Stoltz River Irrigation Board, in the Division of Beaufort West, in the Province of the Cape of Good Hope, to cause the Irrigation District to be curtailed by the exclusion of the farm Steynskraal therefrom, and to provide that the exclusion of this farm shall not absolve the owners from the payment of any rates levied thereon prior to the alteration of the boundaries and to write off such amounts owing by ratepayers as the Minister of Agriculture may deem necessary;
- to provide power to the Minister of Agriculture to take over the functions and powers of the Bellair Irrigation Board, in the Division of Ladismith, in the Province of the Cape of Good Hope; to cause the Irrigation District to be curtailed by the exclusion of the following farms, namely: Koeigat, Muurvlakte, Middelplaats, Brakfontein, Hondewater, Roodevallei, Thyskraal, Krommekloof, Koedoeskop, Plathuis, en om voorsiening te maak dat die uitsny van hierdie plaas die eienare nie kwytstel van die betaling van enige belasting daarop gehief voor sodanige verandering van die grense en om sulke bedrae deur die belastingbetalers verskuldig, as die Minister van Landbou nodig mag ag, af te skrywe;
- to write off a portion of the debt due by the Smalfontein Irrigation Board, in the Division of Tarkastad, in the Province of the Cape of Good Hope, to apportion the balance of the debt proportionately among the ratepayers according to each owner's irrigable area as ascertainable from the Board's Schedule of Irrigable Areas; to provide that each owner pass a bond in favour of the Union Government for the amount of his share of the debt, mortgaging so much of his property as is at present subject to the hypothecation under the Irrigation Loan, such bonds to bear interest at the rate of 3½ per cent. per annum and to be repayable by equal half-yearly instalments so as to liquidate the debt on the 1st January, 1958, the first instalment to become due and payable on 1st January, 1929; to provide that the bonds be registered free of cost to the owner and rank preferent to all or any bonds passed subsequent to the 7th May, 1928;

TO THE MEMBERS, THE FIRST WORKMEN'S BANK, LIMITED.

I have examined the above Balance-sheet and compared same with the books and accounts and vouchers of The First Workmen's Bank, Limited. I have obtained all the information and explanations I have required. The Bank has kept proper books and records. In my opinion, the above Balance-sheet is properly drawn up so as to exhibit a true and correct view of the state of the Bank's affairs according to the best of my information and the explanations given to me and as shown by the Bank's books. The above Balance-sheet and the state of Profit and Loss for the period under audit, in my opinion, contain all the information required by the Bank's Articles of Association.

No special allowance for possible non-payment of the whole amount, £4,626. 4s. 9d., due by sundry shareholders has been made, as the sum of £1,542. 1s. 9d. provision for underwriting is considerably larger than will be actually payable to those who procured subscribers for the relative shares, and further the Bank has the right of forfeiture in the event of non-payment of calls or instalments with the right to enforce payment with interest of all amounts due at the date of forfeiture, thus affording, in my opinion, ample reserves. All sums received in respect of shares forfeited and interest will augment the Bank's income, and its liabilities in respect of allotted capital will be reduced to the extent of the aggregate amount paid on account of shares forfeited.

No Director has received any remuneration in his capacity as such during the period under audit. Mr. D. P. van Heerden, as the Bank's Manager, has been paid £373. 10s. Mr. Charles Solomon, for services rendered other than as a Director, was paid £78. 1s. 3d. Mr. B. A. T. Eldred, for services rendered other than as a Director, was paid £191. Mr. R. J. Warren, for services rendered as the Bank's representative in Witbank and not as a Director, was paid £110. 11s. 10d. Mr. Christian Zinn, for services rendered other than as a Director, was paid £827. 0s. 10d.; and the firm of Messrs. Andrews & Benjamin, Solicitors (of which Mr. Fred B. Andrews was a partner), was credited with £157. 10s., fees in connection with the Bank's registration, all during the period under audit.

Such portion of the surplus flow as the said Council is not entitled to retain, together with any amount required to be passed down by it out of the normal flow to lower riparian owners, will be so passed down from such storage works by means of the following works:—

A sluice-way and compensation pipe through the dam controlled by valves, discharging into the Hennops River immediately below the dam, together with automatic measuring and recording devices, immediately above, at and below the reservoir.

The proposed purification works will be situate on portion of the farm Rietvlei adjacent to the reservoir.

From certain springs situate on the said farms Rietvlei and remaining extent of Grootfontein above the said reservoir, the water will be conveyed by aqueducts to the vicinity of the said storage and purification works and will deliver into the main aqueduct leading from such works to the Pretoria Municipal Area, which main aqueduct will pass under the Pretoria-Johannesburg railway line at two points and traverse the following farms, viz.:—

Rietvlei No. 221, Doornkloof No. 449, Droogegrond No. 484, and Swartkop No. 476, District Pretoria.

The said aqueduct will enter the Pretoria Municipal Area on the southern boundary of the farm Groenkloof No. 419, District Pretoria.
