Regte op Ongeregistreerde Persele te Beëindig onder sekere Omstandighede.

5. (1) Nieteenstaande teenstrydighe bepalings in artikel drie of artikel vier kan die Minister by kennisgewing in die Staatskoerant 'n datum vasstel vanaf en na welke alle regte op 'n ongeregistreerde perseel in 'n lokasie, gespesifieer in so'n kennisgewing, sal beëindig en sulke persele sal tot die gemeentegrond terugval; met die verstande dat die datum also vasgestel minstens vier maande sal wees na die datum van publikasie van so'n kennisgewing in die Staatskoerant.

(2) Die Naturellekommissaris sal daarna alle persone in okkupasie van ongeregistreerde persele in die lokasie oproep om aanvraag te doen, binne 'n tydperk van drie maande, vir die registrasie daarvan kragtens die bepalings van artikel vier en na ondersoek van sulke aanvrae sal hy sulke persele registreer soos hy, met inagneming van die bepalings van artikel drie, in wettige okkupasie van die respektiewe okkupante aantref.

Oordrag van Persele.

6. Die bevoegde amptenaar kan, na beraadslaging met die hoofman, die wettige besitter van 'n behoorlik geregistreerde perseel magtig om so'n perseel aan 'n ander naturel oor te dra. Indien die perseel, wat oorgedra moet word, alreeds geregistreer is, sal oordrag geskied deur aantekening in die grondregister teenoor die aantekening van toewysing aan die oordraer en deur

4. Assistent-Naturellekommissarisse kan aangestel word vir 'n omskrywe deel van 'n distrik en daarin sal hulle regspilgte uitoeft en, onder die leiding van die Addisionele-Naturellekommissaris, sulke administratiewe funksies waarneem soos aan hulle toegewys mag word deur die Addisionele-Naturellekommissaris van die distrik.

5. Die Naturellekommissaris en Assistent-Naturellekommissaris sal sodanige siviele en kriminale regsmag uitoefen soos aan hulle by wet verleen word en by die beslissing van siviele regssake en eise sal hulle naturelle aanmoedig om gebruik te maak van die faciliteite wat by regulasie voorsien is vir die vereenvoudigde vorm van prosedure in Naturellekommissarisshowe.

6. Hulle sal alle wette en regulasies en die instruksies van superieure amptenare uitvoer.

7. As onderskeikoste amptenare van die Hoof-Naturellekommissaris moet hulle lojaal en na hul beste vermoë sy instruksies uitvoer. Hulle sal by hul handeling met naturelle in harmonie optree met die gedragslyn van die Departement en openhartig en voortdurende konsultasie hou met die Hoof-Naturellekommissaris en hom op die hoogte hou met alle sake van belang in verband met administrasie in die algemeen.

8. Hulle sal op alle gerieflike tye geredelik toeganklik wees vir die naturellebevolking gesamentlik en afsonderlik en sal met geduld en simpatie luister na hul representasies.

9. Hulle sal die naturellebevolking aanmoedig om hul grieve en moeilikhede voor hulle te lê en om informasie te verstrek in verband met hul welvaart. Hulle sal met inagneming van Naturellereg en gewoonte en gebruik sulke sake hoor en uitwys.

15. They should recognize that one of the most important and difficult of their duties is the efficient and tactful administration of the laws and regulations relating to land. Officers are therefore required to devote much time and care in giving effect to these with a view specially to preventing illegal occupation of land, over-crowding and over-stocking and to promoting the proper and beneficial cultivation of the arable lands. These regulations in the areas not administered by chiefs are regarded by many natives as irksome and an infringement of their ancient rights and privileges, and the successful application of the law depends in a great degree upon the personal interest and efforts of Native Commissioners.

16. They shall afford natives such assistance and advice as they are able, with due regard to their judicial functions. They shall also and without delay bring to the notice of the Chief Native Commissioner any occurrences or matters in connection with which departmental intervention is considered necessary, and more particularly matters as between natives and other races.

18. They shall keep themselves informed of all political, social, economic and other influences and changes amongst the people, interesting themselves in such social movements as may benefit them and from time to time report to the Chief Native Commissioner matters of interest or importance. They shall assist natives in all matters relating to their social and economic welfare.

19. They shall as far as possible act as the intermediary between all Government Departments and the natives subject to such special instructions as the Minister may from time to time authorize.

20. They shall immediately bring to the notice of the Chief Native Commissioner any official action in the area which might be regarded as contrary to the interest of the Department of Native Affairs or the natives.

21. They shall endeavour to ensure that natives employed by the Government in their area are afforded every opportunity to acquire knowledge of their duties to make themselves efficient.

22. They shall take steps to secure that natives, who frequently travel long distances to attend at their office receive prompt attention. Great hardship is often caused by such persons not being asked their business and taken to the proper officer on arrival at the office.

23. They shall report to the Chief Native Commissioner any attempts to stir up strife, discord, dissatisfaction, enmity, or disloyalty amongst the members of the tribe or between the chief and members of his tribe or between natives and the Government.

24. They shall exercise supervision over the collection of native taxes so as to secure their due payment and maintain an efficient registration of taxpayers.

25. They shall assist in securing employment for natives desirous of proceeding to work and maintaining a good understanding and better relations between masters and servants by improvement of efficiency and of the conditions of labour.

26. They shall keep a diary of their activities in connection with all important events and occurrences in their areas and shall record in a register such occurrences and their treatment.

27. They shall inquire into complaints in connection with the administrative acts of subordinate officers, chiefs, and headmen, and shall bring to the notice of a commissioned officer complaints against policemen or natives.

28. They shall report to the Chief Native Commissioner in the month of January in each year upon the general condition of the natives within their districts with special reference to the agricultural, industrial, and educational progress made by the people.

29. There may be established at the office of each Native Commissioner a native labour bureau for the receipt and registration of applications from persons desirous of obtaining servants from the area and from natives seeking to obtain employment, and for supplying information in regard to employers and servants and generally for facilitating the supply of labour and the obtaining of employment.

Such bureaux shall be administered under such rules as may be framed from time to time.

SCHEDULE.

1. Superintendents shall, in the areas for which they are appointed, assist the Native Commissioners in the discharge of the duties assigned to them, and shall be subordinate to and under the control and supervision of such officer and shall efficiently carry out such orders and instructions as may be issued to them from time to time by the Government or by such officer aforementioned.

2. They shall at all convenient times be accessible to the people and no matter brought to their notice shall be deemed too trivial or unimportant to be heard.

3. They shall subject to such restrictions in regard to travelling as may be imposed by the Chief Native Commissioner move about the locations at frequent intervals in order to meet the people and deal with disputes and various matters on the spot.

15. Hulle moet begryp dat een van die belangrikste en moeilikste pligte van hul werksaamhede is die doelmatige en takvolle administrasie van die wette en regulasies betreffende grond. Daarom word van amptenare geëis om baie tyd en sorg daarvan te wy teneinde aan die sake gevolg te gee met die doel veral om onwettige okkupasie, oorbevolking en oorstokking te voorkom en die voordeelige bewerking van beboubare grond te bevorder. In die streke, wat nie deur kapteins geadministreer word nie, word hierdie regulasies deur baie naturelle as 'n las beskou en geag as 'n inbreuk op hul outydse regte en voorregte, en die welgeslaagde toepassing van die wet hang grootliks af van die persoonlike belangstelling en poginge deur die Naturellekommissaris aan die dag gelê.

16. Hulle sal naturelle sulke hulp en advies, waartoe hulle in staat is, verleen met behoorlike inagneming van hul regsplichte. Hulle sal eweneens sonder versuum voorvalle van sake in verband waarmee departementale tussenkoms nodig geag word, en meer besonder sake tussen naturelle en ander ras, onder die aandag van die Hoof-Naturellekommissaris bring.

17. Hulle moet hulle op die hoogte stel van die naturelleregte en gebruik asook die geskiedenis van die stamme in hul streke en in die algemeen op so'n wyse bekend wees met die naturelle daarin dat hulle op die best moontlike manier die pligte, wat aan hulle opgedra is, kan nakom.

Hulle sal naturelle in allerlei sake betreffende hul sosiale en ekonomiese welaart bystaan.

19. Hulle sal so ver moontlik optree as bemiddelaars tussen alle Staatsdepartemente en naturelle met inagneming van sulke spesiale instruksies soos die Minister van tyd tot tyd mag autoriseer.

22. Hulle sal stapte neem om seker te maak dat naturelle, wat dikwels lange afstande kom na hul kantore, onmiddellik aandag geniet. Groot ongemak word dikwels veroorsaak omdat aan sulke persone by hul aankoms by die kantoor nie gevra word wat hul kom doen en na die regte amptenaar geneem word nie.

23. Hulle sal allerlei pogings om onenigheid, tweedrag, onvrede, vyandskap of ontrouheid te verwek onder die lede van die stam of tussen die kaptein en lede van sy stam of tussen naturelle en die Regering aan die Hoof-Naturellekommissaris rappoerter.

24. Hulle sal toesig hou oor die invordering van naturellebelasting teneinde die verskuldigde betaling daarvan te verseker en 'n doeltreffende registrasie van belastingbetalers te handhaaf.

25. Hulle sal help om werk te verkry vir naturelle wat wil gaan werk en om 'n goeie verstandhouding en 'n beter onderlinge betrekking tussen here en diensbodes te handhaaf deur verbetering van geskiktheid en van die arbeidskondisies.

26. Hulle sal 'n dagboek hou van al hul werksaamhede in verband met alle belangrike voorvalle en gebeurtenisse in hul streke en sal in 'n register sulke voorvalle en die behandeling daarvan noteer.

27. Hulle sal ondersoek instel na klages in verband met die administratiewe dade van onderskeikte amptenare, kapteins en hoofmanne en hulle sal klages teen poliesie deur naturelle onder die aandag van 'n bevelvoerende offisier bring.

28. Hulle sal aan die Hoof-Naturellekommissaris in die maand Januarie in elke jaar 'n verslag uitbring omtrent die algemene toestande van naturelle in hul distrikte met spesiale verwysing na die vordering deur die naturelle gemaak op landbou, industriële en opvoedkundige gebied.

29. By die kantoor van elke Naturellekommissaris kan daar 'n Naturellearbeidsburo opgerig word vir die ontvangs en registrasie van aanvrae van persone wat diensbodes wil hê uit die streek en van naturelle wat werk soek asook vir die verstrekking van inligting ten aansien van werkgevers en diensbodes en in die algemeen vir die vergemakliking van die verskaffing van arbeidskragte en die verkryging van werk.

Sulke buro's sal geadministreer word onder sulke reëls soos van tyd tot tyd opgestel mag word.

23. Geen bode mag gedurende sy amptyd as 'n prokureur of wetsagent praktiseer of in diens as sodanig wees nie. Hy mag ook nie die besigheid van 'n arbeidsagent of 'n loper van 'n arbeidsagent waarnem nie.

Verskynning.

24. 'n Party tot 'n regsgeding of applikasie kan persoonlik verskyn om sy saak waar te neem of kan verteenwoordig word deur sy voog of 'n gevoldmagtige familielid.

25. (1) 'n Aksie sal begin deur die uitreiking van 'n dagvaarding hoofsaaklik, volgens die vorm voorgeskryf in die Eerste Bylae hiertoe, onderteken deur die klerk van die hof, waarin kortlik uiteengesit word die aard van die eis en waarin die datum gespesifieer word waarop die verweerdeer en sy getuies voor die Hof moet verskyn om die saak te laat beslis.

(2) So'n dagvaarding kan gedien word deur die eiser self in teenwoordigheid van 'n getuie aan die verweerdeer persoonlik afgeliever sonder koste vir die diens daarvan of anders, as die eiser daarom versoek, sal dit gedien word op die gewone manier deur die bode by betaling aan die klerk van die hof van die fooie voorgeskryf in Tabel B van die Tweede Bylae hiertoe.

(3) Die datum waarop die verweerdeer moet verskyn sal nie minder as sewe dae wees nie nadat die dagvaarding gedien is as die afstand van die Hof nie meer as vyftien myl is en nie minder as tien dae nie as die afstand verder is.

26. Op die datum vasgestel vir die verskynning van die party, sal hulle opgeroep word en—

- (a) as hulle albei verskyn sal die hof, alvorens hy getuienis neem, die dagvaarding aan die verweerdeer duidelik maak en hom oproep om op die eis daarin te antwoord en om desverlangd 'n kontra-eis in te stel ten aansien waarvan die eiser opgeroep sal word om dit te erken of te ontken. Daarop sal die hof voortgaan met die verhoor van die saak dadelik en sonder verdere pleidoorie;

- (b) as die eiser of applikant of sy verteenwoordiger verskyn en die aangeklaagde of verweerdeer in gebreke bly dan kan die hof, as hy oortuig is volgens getuienis onder eed dat die dagvaarding behoorlik gedien is op die verweerdeer of aangeklaagde persoonlik, vonnis gee of 'n order maak ten gunste van die eiser ooreenkomsdig so 'n getuienis soos aangevoer is tesame met 'n order vir koste; of die hof kan na goeddinge die verhoor verdaag;

- (c) as die verweerdeer, aangeklaagde of sy verteenwoordiger verskyn en die eiser of applikant in gebreke bly dan kan die hof die verhoor uitstel of die dagvaarding afwyse en kan die koste ooreenkomsdig die tarief vermeld in die Tweede Bylae hiertoe toeken aan die verweerdeer of aangeklaagde.

27. Die hof kan by elke stadium van die verrigtinge die verhoor uitstel, of 'n eis, applikasie, teeneis of antwoord wysig wat vaag, verwarrend of nie-ooreenkomsdig is met die getuienis aangevoer of om 'n ander rede wat die hof as voldoende beskou met die verstande dat daardeur geen afbreuk gedaan word aan enige regselange nie.

28. Die hof kan in enige saak—

- (a) uitspraak doen vir die eiser; of
- (b) uitspraak doen vir die verweerdeer; of
- (c) absoluusie van die instansie gee indien dit die hof voorkom dat die getuienis die hof nie regverdig om vir die een of ander party uitspraak te gee nie; en
- (d) so 'n order wat betrek die koste maak soos hy billik ag.

29. 'n Verweerdeer of applikant ditsy in konvensie of rekonvensie kan by enige stadium van die verrigtinge sy eis of applikasie terugtrek maar die party, wat aldus terugtrek, sal gelas word om sulke koste te betaal soos die Hof mag voorskrywe, met die verstande egter dat so 'n terugtrekking geen verdediging vir 'n latere aksie sal wees nie wanneer die koste van die vorige aksie betaald is.

30. (1) Die hof kan 'n vonnis, deur homself by afwesigheid van die veroordeelde party gegee, tenietdoen of wysig.

(2) Die hof kan 'n vonnis deur homself gegee tenietdoen of wysig, indien daardie vonnis van die aanvrag aan nietig was of verky is deur bedrog of ten gevolge van een aan albei partie gemene dwaling.

(4) The court may rescind or vary any judgment in respect of which no appeal lies.

(5) Any judgment of the court may, on the application of any person affected thereby who was not a party to the action or matter, made within seven days after he has obtained knowledge of such judgment, be rescinded or varied by the court.

31. No appeal shall lie from the decision of a court in civil proceedings if, before the hearing thereof is commenced, the parties notify such court that an agreement has been come to between them that the decision of the said court shall be final. Such agreement shall be noted by the court and shall in all respects be binding upon the parties.

Witnesses.

32. Should any witness refuse or neglect to appear when required by any party, the court shall at the request of the party concerned and upon prepayment by him of the necessary witness allowance, order the issue of a subpoena substantially in the form prescribed in the First Annexure hereto, calling upon such witness to appear before the court at a fixed time and date and such subpoena shall be served by the messenger who shall, at the time of such service, tender witness allowances in accordance with the tariff obtaining in magistrates' courts.

33. (a) If any person, being duly subpoenaed to give evidence or to produce any books, papers or thing in his possession or under his control, which the party requiring his attendance desires to show in evidence, fails, without lawful excuse, to attend or, unless duly excused, fails to remain in attendance throughout the trial, the court may, upon being satisfied upon oath or by the return of the messenger that such person has been duly subpoenaed, and that his reasonable expenses have been paid or offered to him, impose upon the said person a fine, not exceeding twenty-five pounds, for his default, and in default of payment to imprisonment for a period not exceeding one month, whether or not such person is otherwise subject to the jurisdiction of the Court.

(b) If any person so subpoenaed shall fail to appear or, unless duly excused, to remain in attendance throughout the trial, the court may also, upon being satisfied as aforesaid and in case no lawful excuse for such failure shall seem to the court to exist, issue a warrant for his apprehension in order that he may be brought up to give his evidence and to be otherwise dealt with according to law, whether or not such person is otherwise subject to the jurisdiction of the court.

(c) The court may, on cause shown, remit the whole or any part of any fine or imprisonment which it may have imposed under this sub-section.

(d) The court may order the costs of any postponement or adjournment occasioned by the default of a witness or any portion of such costs to be paid out of any fine imposed upon such witness.

34. (1) Whenever any person appearing either in obedience to a summons or subpoena as herein before provided or by virtue of a warrant, or being present and being verbally required by the court to give evidence, refuses to be sworn or, having been sworn, refuses to answer such questions as are put to him, or refuses or fails to produce any document or thing which he is required to produce, without offering any just or lawful excuse for such refusal or failure, the court may adjourn the proceedings for any period not exceeding eight days and may, in the meantime, by warrant commit the person so refusing or failing, to a gaol, unless he sooner consents to do what is required of him. If such person upon being brought up at the adjourned hearing again refuses to do what is required of him, the court if it sees fit, may again adjourn the proceedings and commit him for a like period and so on again until such person consents to do what is required of him.

(2) Notwithstanding the committal of any person under subsection (1), the court may conclude or otherwise dispose of any case or matter wherein such person was required as a witness, but such court shall thereupon order the release of such person.

Execution.

35. At any time after judgment has been given the judgment creditor may demand from the judgment debtor satisfaction of the judgment and if the judgment debtor shall fail to comply forthwith with the demand, the judgment creditor may apply to the clerk of the court for the issue of process in execution. Thereupon the court shall issue such process and the provisions of Chapter VIII of the Magistrates' Courts Act, 1917 (Act No. 32 of 1917) and the relative orders together with the prescribed forms [with the exception of section fifty-eight and the orders relating thereto, and subject to the substitution of the word "ten" for the word "three" in sub-section (1) of section fifty-two and the substitution of the word "three" for the word "one" in paragraph (c) of section fifty-six] shall apply mutatis mutandis in connection with such process.

36. If any property taken in execution is claimed by any person other than the execution debtor, such claimant shall lodge with the messenger of the court a statement of the grounds upon which it is claimed that such property is not executable in the suit in question. Thereupon the messenger shall forthwith inform the execution creditor of such claim, and transmit to him such statement or a copy thereof. 31. Die uitspraak van 'n hof in 'n siviele saak kan nie in appèl kom nie indien die partye, voor die behandeling daarvan so 'n hof in kennis stel dat 'n ooreenkoms tussen hulle aangegaan is dat die uitspraak van die hof finaal sal wees. So 'n ooreenkoms sal deur die hof aangeteken word en sal in alle opsigte op die partye bindend wees.

Getuies.

32. Indien 'n getuie weier of in gebreke bly om te verskyn wanneer sulks vereis word deur 'n party dan sal die hof op versoek van die betrokke party en by vooruitbetaling deur hom van die nodige getuietoeleie die uitreiking gelas van 'n dagvaarding hoofsaaklik volgens die vorm voorgeskryf in die Eerste Bylae hier toe waarin so 'n getuie opgeroep word om op 'n vasgestelde tyd en datum voor die hof te verskyn en so 'n dagvaarding sal gedien word deur die bode wat tydens so 'n diens getuietoeleie, ooreenkostig die tarief verkry in die Magistraatshewe, sal aanbied.

33. (c) Die hof kan, wanneer, gegrondte redes aangevoer word, 'n boete of gevangenisstraf, kragtens hierdie onder-artikel opgelê, geheel of gedeeltelik vryskeld.

(d) Die hof kan beveel dat die koste van 'n uitstel of verdagting, wat die gevolg is van die versuim van 'n getuie, geheel of gedeeltelik betaal sal word uit die boete wat aan getuie opgelê mag word.

Weier of versuim so 'n persoon, wanneer hy by die verdaagde verhoor opgeroep word, weer te doen wat van hom verlang word, dan kan die hof na goedinde, weer die verrigtinge verdaag en hom vir 'n dergelike tydperk verwys en so weer totdat so 'n persoon toestem om te doen wat van hom verlang word.

(2) Nieteenstaande die inhegtenisneming van 'n persoon kragtens onder-artikel (1) kan die hof enige saak of aksie, waarin so 'n persoon vereis was as 'n getuie, sluit of afhandel, maar die hof sal daarop die vrylating van so 'n persoon gelas.

Daarop sal so 'n lasbrief en die bepalinge van Hoofstuk VIII van die Magistraatshewe Wet, 1917 (Wet No. 32 van 1917) en die dienooreenkomslike orders tesame met die voorgeskrewe vorms (met uitsondering van artikel ag-en-vyftig en sy ooreenkomslike orders en behoudens die substitusie van die word "tien" vir die word "drie" in onderartikel (1) van artikel tweee-en-vyftig en die substitusie van die word "drie" vir die word "een" in paragraaf (c) van artikel ses-en-vyftig) mutatis mutandis van toepassing wees in verband met so 'n lasbrief.

36. Word goedere, wat in eksekusie geneem is, deur 'n ander persoon as die eksekusie-skuldenaar geëis, dan moet so 'n eiser by die bode van die hof 'n opgawe indien van die gronde waarop geëis word dat sulke goedere nie in die genoemde saak tenuitvoerlig kan word nie. Daarop sal die bode dadelik die eksekusie-skuldeiser in kennis stel van so 'n eis en aan hom so 'n opgawe of afskrif daarvan stuur. As die eksekusie-skuldeiser nie binne sewe dae vanaf die ontvango van sulke informasie en opgawe so 'n eis erken nie dan kan so 'n eiser binne tien dae vanaf die laaste dag, wat toegelaat is vir so 'n erkenning 'n tussenpleit dagvaarding hoofsaaklik volgens die vorm voorgeskryf in die Eerste Bylae hier toe uitneem van die hof van die distrik waarin die goedere in beslag geneem is, waarby so 'n skuldeiser opgeroep word om bewys te lewer waarom sulke goedere nie verklaar mag word dat dit vir die genoemde vonnis nie inbeslaggeneem kan word nie.
