Procedure Regarding Voting by Absent Voters.

25. In sulke eksimplare van die kieserslys moet die uitreiking van stembriefies aan afwesige kiesers aangedui word deur in die ruimte teenoor die name van die betrokke kiesers die letters „A.K.” te skryf, en deur onderstreping van die gedrukte volnomsers van sodanige kiesers. Hierdie voorskrifte moet ook uitgevoer word deur voorsittende amptenare wat van die verstrekking van stembriefies aan afwesige kiesers deur die kiesbeampte in kennis gestel is, waar, weens gebrek van tyd, dit nie vir die kiesbeampte doenlik was om in voormelde gesertifiseerde eksimplare die uitreiking van stembriefies aan afwesige kiesers aan te teken nie.

(5) Die kiesbeampte moet 'n verslag van stembriefies aan afwesige kiesers uitgereik (E.F. 43) opstel, wat hy as juis moet verklaar, en saam met die pakkette in paragraaf 59 hiervan opgenoem, volgens voorskrif van genoemde paragraaf moet stuur.

(2) Niemand mag deur die kiesbeampte by 'n stemburo as voorsittende amptenaar of stemopnemer of in enige ander hoedanigheid aangestel word nie, as hy in verband met, of vir die doeleindes van die verkiezing deur enige ander persoon in diens geneem is.

(3) The returning officer shall not draw a line through the number and surname of any voter to whom he issues an absent voter's ballot paper when noting the issue, in terms of Regulation (17) in the said Second Schedule, in the certified copies of the voters' list supplied by him to presiding officers. In such copies of the voters' list, the issue of absent voters' ballot papers shall be indicated by endorsing in the margin against the names of the voters concerned the letters "A.V." and by underlining the printed numbers of such voters. These directions shall be followed by presiding officers who have been advised by returning officers of the issue of absent voters' ballot papers where time has not permitted the noting by the returning officers in the said certified copies of such issue.

Declaration of Secrecy.

39. The returning officer shall deliver or send to every presiding officer and polling officer on appointment, and to every candidate and candidate's agent authorized to attend at the polling station or at the counting of the votes, immediately the name of such agent is communicated to him, the form E.F. 13 which is prescribed for the declaration of secrecy in accordance with section sixty and shall ascertain, as far as is practicable, that every presiding officer, polling officer, candidate or candidate's agent as aforesaid has made the said declaration in the presence of a justice of the peace or a commissioner of oaths or himself, before the poll opens. The declaration of secrecy by the returning officer shall be made before a justice of the peace or a commissioner of oaths. (See also paragraph 45.)

Supervision by Returning Officer.

40. The returning officer shall exercise a general supervision over the taking of the poll and, as far as possible, be easily accessible at all times by telephone or otherwise to presiding officers and other persons connected with or interested in the poll. He shall, in urban areas, as far as possible, inspect each polling station in his electoral division on the day of the poll.

Place where Ballot Boxes will be Received and Votes Counted.

41. The returning officer shall fix and notify to the presiding officers a place where he will receive the ballot boxes and count the votes. The place so fixed may be within or without the electoral division as may appear to the returning officer to be the most convenient for the purpose.

Who shall Deliver Ballot Boxes and other Packets to the Returning Officer.

42. The ballot boxes and other packets specified in paragraph No. 34, Chapter II, shall, after the close of the poll, be delivered to the returning officer by the presiding officer personally or by such other person as may be previously approved of by the returning officer.

43. The returning officer shall ascertain before polling day whether or not presiding officers will personally deliver the ballot boxes and other packets to him after the close of the poll, and in case a presiding officer at any polling station does not propose to deliver the boxes and packets personally, the returning officer shall arrange for one of the polling officers (if any) at such polling station to bring in the ballot boxes and other packets. If no polling officer has been appointed to such polling station, the returning officer shall, as far as possible, arrange with the local officer in charge of the police for the boxes and packets to be brought in by a member of the Police Force. Arrangements shall be made for the most expeditious delivery immediately after the close of the poll of the boxes and packets, so that the counting of the votes may be proceeded with at the earliest moment possible.

Counting Officers.

44. The returning officer may appoint, in writing on the form E.F. 8 suitably amended, so many officers (hereinafter referred to as "counting officers") as may be necessary (not exceeding two counting officers to every candidate, plus a maximum of five additional counting officers) to assist him in expeditiously ascertaining the result of the poll by counting, in manner hereinafter prescribed, the votes given to each candidate; provided that the Chief Electoral Officer (or the Provincial Secretary of the Province concerned, as the case may be), may authorize the appointment of any number of counting officers in excess of the number authorized by this regulation. Counting officers shall, as far as possible, be appointed from among the presiding officers and polling officers.

45. The returning officer shall arrange for counting officers who are not appointed from among the presiding officers and polling officers, to make the declaration of secrecy in the form E.F. 13 before the opening of the poll, as required by section sixty.

Ontvangs van Stembusse en ander Pakkette deur die Kiesbeampte.

46. So spoedig moontlik na sluiting van die stemming moet die kiesbeampte teenwoordig wees op die plek wat hy bepaal en bekendgemaak het ingevolge paragraaf 41 as die plek waar die stembusse en ander pakkette ontvang en die stemme getel sal word. Niemand mag deur die kiesbeampte in sodanige plek toegelaat word nie, behalwe die voorsittende amptenare of stemopnemers of ander beamptes wat die stembusse en ander pakkette aflewer, die tellers, die kandidate en die agente van die kandidate, maar nie meer as een agent van elke kandidaat nie.

47. Die kiesbeampte moet die volgende met hom neem na dié plek waar die telling van die stemme sal plaasvind:—

- (i) 'n eksemplaar van die Wet;
- (ii) 'n eksemplaar van hierdie regulasies;
- (iii) 'n eksemplaar van alle instruksies wat vir sy leiding gegee is;
- (iv) die aansoeke om stembrieffies deur afwesige kiesers (E.F. 33);
- (v) die stembus vir afwesige kiesers, waarin die buitekoerte (E.F. 39), wat deur hom voor die sluiting van die stemming ontvang is, geplaas is;
- (vi) die lys van ontvangte buitekoerte (E.F. 40);
- (vii) vorms E.F. 44 of 44 (a), ooreenkomstig subparagrafe (1) en (2) van paragraaf 57, om na die vasstelling van die uitslag van die stemming ingevul te word;
- (viii) telegramvorm (E.F. 45);
- (ix) 'n eksemplaar van vorm E.F. 32 (rapport betreffende die uitslag van die verifikasie van die stembrieffies-verslag) en van vorm E.F. 46 (bevestiging van telegram wat die uitslag van die stemming aankondig); en
- (x) die koperseël deur hom vir verkiesingsdoeleindes gebruik.

Opening van Stembus vir Afwesige Kiesers.

48. (1) Nadat die kiesbeampte van die voorsittende amptenare die stembusse en ander pakkette in paragraaf 34 van Hoofstuk II vermeld, ontvang het, en nie voor die tyd nie, moet hy in teenwoordigheid van die tellers en van sulke kandidate en kandidaatsagente (nie meer as een agent van elke kandidaat nie) wat teenwoordig mag wees, die stembus vir afwesige kiesers oopmaak, en onmiddellik die koerte wat daarin is in volgorde rangskik, volgens die nommers op die agterkant geskryf, soos bepaal in paragraaf 25 (1). Hy moet dan die buitekoerte (E.F. 39) en die verklarings van identiteit (E.F. 35) wat daarin is, ondersoek op die manier soos beskryf in paragrafe (28) tot en met (31) van die regulasies vervat in die Tweede Bylae tot die Kieswet, 1918, Wysigingswet, 1926, betreffende die stemming per pos deur afwesige kiesers.

(2) Die kiesbeampte moet op die lys van ontvangte buitekoerte (E.F. 39), in die ruimte vir die doel bestem die naam van die afwesige kieser inskryf van wie elke buitekoert (E.F. 40) wat in die stembus vir afwesige kiesers geplaas was, ontvang is, en hy moet die aangename, ongeopende stembrieffkoerte (E.F. 36) in 'n reserve-stembus plaas, waar hulle moet bly totdat hulle behandel word soos in paragraaf 52 bepaal.

Insage van Seëls.

49. Die kiesbeampte moet, in teenwoordigheid van die kandidaatsagente wat aanwesig is, die seëls op die pakkette deur hom van die voorsittende amptenare ontvang en in paragraaf 34 van Hoofstuk II opgenoem, ondersoek, en hy moet die kandidaatsagente toestaan om dieselfde te doen. Waar dit skyn of iemand aan die seëls geknoei het moet die kiesbeampte daarvan aantekening maak.

Opening van Verklaringstembus.

50. (1) Die kiesbeampte moet sorg dat die verklaringstembusse of pakkette vir die stemburo's waar verklaringstemme uitgebring is, bymekaar gemaak word. Die gemerkte eksemplare van die kieserslys wat gebruik is by die stemburo's waar verklaringstemme uitgebring is, moet dan deur die kiesbeampte uit die verseëelde koerte (E.F. 71) wat van die voorsittende amptenare ontvang is geneem word, en in numerieke volgorde van die stemburdistrikte gerangskik word. Die verklaringstembusse of pakkette moet in dieselfde volgorde geplaas word, ten einde maklik bereikbaar te wees.

N.B.—Artikel twee-en-vyftig (1) bepaal dat die voorsittende amptenaar geen van die bogenoemde gemerkte eksemplare van die kieserslys op enige manier mag merk, verander of skend nie, of toelaat dat 'n ander persoon hulle merk, verander of skend, en dat hy verantwoordelik is vir die terugplasing van elke sodanige lys in sy eie pakket in dieselfde toestand as toe dit uit die pakket geneem is.

(2) Die inhoud van elke verklaringstembus of pakket moet dan vergelyk word met die lys van verklaringstemme (E.F. 26) wat in die koert E.F. 53 van elke voorsittende amptenaar ontvang is, en geverifieer word, en die verklaringskoerte moet vergelyk word met die gemerkte eksemplare van die kieserslys wat in die stemburo van die stemburdistrik waarin die verklaringstemme uitgebring is, gebruik is. By die uitvoering hiervan werk drie tellers tesame: een hou die verklaringskoerte en lees die besonderhede daarop, een sien die lys van verklaringstemme (E.F. 26) na, en een verifieer die uitreiking van 'n stembrieffie aan 'n

46. As soon as possible after the poll is closed the returning officer shall attend at the place which he has fixed and notified under paragraph No. 41 for the reception of the ballot boxes and other packets and the counting of votes. No person shall be admitted by the returning officer to such place except the presiding officers or polling officers or other officers delivering the ballot boxes and other packets, the counting officers, the candidates, and the agents of the candidates not exceeding one agent of each candidate.

47. The returning officer shall take with him into the place where the counting is to take place—

- (vi) the list of covering envelopes received (E.F. 40);
- (vii) forms E.F. 44 or 44 (a) in terms of sub-paragraphs (1) and (2) of paragraph No. 57 for completion upon the ascertainment of the result of the poll;
- (viii) telegram form (E.F. 45);
- (ix) a copy of the form E.F. 32 (report of result of verification of ballot paper account) and of the form E.F. 46 (confirmation of telegram announcing the result of poll); and
- (x) the brass seal used by him for the purposes of the election.

Opening of Absent Voters' Ballot Box.

48. (1) When all the ballot boxes and other packets mentioned in paragraph No. 34, Chapter II, have been received from presiding officers, and not before, the absent voters' ballot box shall be opened in the presence of the counting officers and of such candidates and agents of the candidates (not exceeding one agent of each candidate) as may be in attendance. The envelopes therein shall be sorted into numerical order of the numbers endorsed on the back in accordance with the provisions of paragraph 25 (1). The covering envelopes (E.F. 39) and the declarations of identity (E.F. 35) contained therein shall be scrutinized and dealt with in the manner provided by paragraphs (28) to (31), inclusive, of the regulations contained in the Second Schedule to the Electoral Act, 1918, Amendment Act, 1926, in regard to voting by post by absent voters.

(2) The name of the absent voter from whom each covering envelope (E.F. 39) contained in the absent voters' ballot box has been received shall be recorded on the list of covering envelopes received (E.F. 40), in the space provided for the purpose, and the accepted unopened ballot paper envelopes (E.F. 36) shall be placed in a reserve ballot box, where they shall remain until required to be dealt with as provided in paragraph No. 52.

Examination of Seals.

49. The seals of the packets mentioned in paragraph No. 34, Chapter II, received by the returning officer from the presiding officers, shall be examined in the presence of the agents of the candidates who are in attendance, who may also examine the said seals. A record of any seals which appear to have been tampered with shall be made.

Opening of Declaration Ballot Box.

50. (1) The declaration ballot boxes or packets for the polling stations where declaration votes have been recorded shall be collected together. The marked copies of the voters' list used at the polling stations where the declaration votes were recorded shall then be extracted from the sealed envelopes (E.F. 71) received from the presiding officers, and sorted into numerical order of polling districts. The declaration ballot boxes or packets shall be placed in the same order to facilitate easy reference.

NOTE.—Section fifty-two (1) provides that the returning officer shall not mark, alter, or in any way deface, or permit any other person to mark, alter, or deface any marked copy of the voters' list so taken out, and shall be responsible for every such list being replaced in its proper packet in the same condition as it was when taken out.

(2) The contents of each declaration ballot box or packet shall then be compared with the declaration votes list (E.F. 26) received in the envelope E.F. 53 from each presiding officer, and verified, and the declaration envelopes shall be checked against the marked copy of the voters' list used at the polling station for the polling district in which the declaration votes were recorded. For this purpose, three counting officers shall act together, one holding and reading from the declaration envelopes, one checking the declaration votes list (E.F. 26) and one checking the issue of a ballot

persoon wat die verklaring op die koeverte (E.F. 25) afgelê het, deur die gemerkte eksemplaar van die kieserslys wat gebruik is in die stemburo van die stembudstrik waarin die verklaringstem uitgebring is, na te sien.

(3) Wanneer die nasien van die lys van verklaringstemme (E.F. 26) en die gemerkte eksemplaar van die kieserslys wat gebruik is in die stemburo van die stembudstrik waarin die verklaringstem uitgebring is, voltooi is deur die inhoud van die getal verklaringstembusse waarvoor groepe van drie beamptes beskikbaar is, na te gaan, moet 'n verder getal verklaringstembusse of pakkette, ooreenkomstig die beskikbare groepe van drie beamptes, geopen word, tesame met die koeverte (E.F. 53) wat die lys van verklaringstemme bevat, en die koeverte (E.F. 71) wat die gemerkte eksemplare van die kieserslys vir die stemburo's van die stembudstrikte waarin die verklaringstemme uitgebring is, bevat. Die voorskrifte in subparagraaf (2) van hierdie paragraaf moet dan weer uitgevoer word. Hierdie handelwyse word herhaal totdat die inhoud van al die verklaringstembusse en die inskrywings op al die lys van verklaringstemme nagesien is, en die uitreiking van stembrieffe aan persone wat blyk dat hulle by verklaring gestem het, geverifieer is deur die gemerkte eksemplare van die kieserslys wat gebruik is in die stemburo's van stembudstrikte waarin verklaringstemme afgelê is, na te sien. Geen verklaringstembusse of pakkette, of koeverte (E.F. 53) wat die lys van verklaringstemme bevat, of koeverte (E.F. 71) wat die gemerkte eksemplare van die kieserslys betreffende die stemburo's van die stembudstrikte waar gemelde verklaringstembusse gebruik is, bevat, mag geopen word nie voordat 'n groep van drie tellers beskikbaar is om die pligte in hierdie subparagraaf voorgeskryf, uit te voer.

(4) Wanneer al die lys van verklaringstemme en gemerkte eksemplare van kieserslyste wat voltooi of gebruik is in stemburo's vir stembudstrikte waarin verklaringstemme afgelê is, nagesien is volgens die voorskrifte in subparagrafe (2) en (3) van hierdie paragraaf, moet die verklaringskoeverte (E.F. 25) in volgorde, ooreenkomstig die geregistreerde nommer van die kieser soos op elke koeverte vermeld, gerangskik word. Gemelde koeverte moet deur die tellers ondersoek word ten opsigte van die naam en geregistreerde nommer van die kieser en die ander besonderhede soos dit op die verklaringskoeverte ingeskryf staan, en as dit by sodanige ondersoek blyk dat dieselfde persoon 'n stem by verklaring in twee of meer stemburo's uitgebring het, moet die feit meegedeel word aan die kiesbeampte, wat dan dadelik elke stem wat blykbaar uitgebring is by verklaring, afkeur. Hy moet elke verklaringskoeverte van sodanige persoon ongeopen opsy lê, nadat hy so'n koeverte met sy eie seël verseël, en daarop die woorde „Duplikasie—Afgekeur” geskryf het.

(5) Na afloop van die werk in subparagraaf (4) beskryf, moet die oorblywende koeverte gerangskik word in die volgorde van die stembudstrikte waarin die kieser wat deur middel van verklaring gestem het, geregistreer is. Gemelde stembudstrikte word op die verklaringskoeverte (E.F. 25) aangedui. Wanneer hierdie rangskikking afgehandel is, moet die verklaringskoeverte wat ingevul is deur kiesers wat in die eerste stembudstrik van die reeks geregistreer is, en die gemerkte eksemplaar van die kieserslys wat gebruik is in die stemburo van dié stembudstrik, deur twee tellers behandel word; desgeliks handel twee ander tellers met die verklaringskoeverte en die gemerkte eksemplaar van die kieserslys wat gebruik is in die stemburo van die tweede stembudstrik in die reeks, waarin die kiesers wat op die verklaringskoeverte genoem word, geregistreer is, en so verder, volgens die getal tellers wat beskikbaar is. Die oorblywende verklaringskoeverte word nie behandel totdat tellers beskikbaar is om die pligte wat in hierdie subparagraaf voorgeskryf word, uit te voer. Een van die tellers in elke groep moet die naam en nommer van die kieser op die verklaringskoeverte voorlees en die ander teller moet die gemerkte eksemplaar van die kieserslys vir die betrokke stembudstrik sorgvuldig nasien ten einde vas te stel of 'n stembrieffe aan 'n persoon met daardie naam en nommer uitgereik is in die stemburo van die stembudstrik waarin die kieser wat deur middel van verklaring gestem het, geregistreer is. Word dit uit voormelde gemerkte eksemplaar van die kieserslys vasgestel dat 'n streep deur die nommer en familienaam van die betrokke kieser getrek is, soos bepaal in artikel ses-en-veertig (3), wat die uitreiking van 'n stembrieffe aan dié persoon aandui, dan moet die teller die verklaringskoeverte ongeopen aan die kiesbeampte oorhandig, wat dit dan moet verseël en daarop die woorde „Duplikasie—Afgekeur” skryf. Hierdie handelwyse word herhaal totdat al die verklaringskoeverte afgehandel is.

(6) Indien dit by vergelyking, vermeld in subparagraaf (5), blyk dat 'n persoon nie 'n stembrieffe ontvang het nie by die stemburo van die stembudstrik waarin hy geregistreer is, dan word die verklaringskoeverte van sodanige persoon sorgvuldig geopen, sodat die verklaring wat daarop voorkom nie in enige opsig geskend word nie of die stembrieffe in die stembrieffekoeverte wat by die verklaringskoeverte ingesluit is, nie geskend of geskend word nie, en sodanige stembrieffekoeverte word ongeopen in 'n reserwestembus geplaas, waar dit moet bly totdat dit behandel word soos in paragraaf 52 bepaal.

(7) Elke gemerkte eksemplaar van die kieserslys word dan in die betreffende pakket teruggeplaas, en elke sodanige pakket word met die kiesbeampte se eie seël herseël.

(8) Waar dit maklik kan gereël word, kan die werksaamhede in paragrafe 48, 49 en hierdie paragraaf beskryf, tegelykertyd onder die regstreekse toesig van die kiesbeampte verrig word.

paper to the person who completed the declaration envelope (E.F. 25), from the marked copy of the voters' list used at the polling station for the polling district in which the declaration vote was recorded.

(3) When the checking has been completed of the declaration votes list (E.F. 26) and of the marked copy of the voters' list used at the polling station for the polling district in which the declaration vote was recorded, from the contents of the number of declaration ballot boxes for which groups of three officers are available, a further number of declaration ballot boxes or packets, according to the number of groups of three officers available, and of the envelopes (E.F. 53) containing the declaration votes lists, and of the envelopes (E.F. 71) containing the marked copies of the voters' list for the polling stations of the polling districts in which the declaration votes were recorded, shall be opened, and the directions contained in sub-paragraph (2) of this paragraph shall be complied with. This procedure shall be repeated until the contents of all declaration ballot boxes and the entries on all declaration votes lists have been checked and the issue of ballot papers to persons who appear therefrom to have voted by declaration has been verified by checking the marked copies of the voters' list used at the polling stations for polling districts in which declaration votes were recorded. No declaration ballot boxes or packets, or declaration votes list envelopes (E.F. 53), or envelopes (E.F. 71) containing marked copies of the voters' lists relating to the polling stations for the polling districts where those declaration ballot boxes were used, shall be opened until a group of three officers is available to perform the duties prescribed in this sub-paragraph.

(4) When all declaration votes lists and marked copies of voters' lists completed or used at polling stations for polling districts in which declaration votes were recorded, have been checked in accordance with the directions in sub-paragraphs (2) and (3) of this paragraph, the declaration envelopes (E.F. 25) shall be sorted into one numerical series in the order of the registered number of the voter as stated on each envelope. The said envelopes shall be scrutinized by counting officers in respect of the name and registered number of the voter and other particulars as recorded on the declaration envelopes and if, on such scrutiny, it appears that the same person has recorded a vote by declaration at two or more polling stations, the fact shall be reported to the returning officer who shall forthwith reject every vote appearing to have been given by means of declaration ballot papers. He shall set aside, unopened, every declaration envelope of such person, having first sealed the same with his own seal and endorsed thereon the words "Duplication—Rejected."

(5) On conclusion of the operation detailed in sub-paragraph (4), the remaining envelopes shall be sorted into the numerical order of the polling districts in which the voter who voted by declaration is registered, as stated on the declaration envelope (E.F. 25). When this has been completed, the declaration envelopes completed by voters registered in the first polling district of the series and the marked copy of the voters' list used at the polling station for that polling district shall be dealt with by two counting officers, and similarly, the declaration envelopes and the marked copy of the voters' list used at the polling station for the second polling district of the series in which the voters named on the declaration envelopes are registered, by other two counting officers, and so on, according to the numbers of officers available. The remaining declaration envelopes shall not be dealt with until counting officers are available to perform the duties prescribed in this sub-paragraph: One of the counting officers in each group shall read the voters' name and number from the declaration envelope and the other officer shall scrutinize the marked copy of the voters' list for the polling district concerned in order to ascertain whether or not a ballot paper was issued to a person of that name and number at the polling station of the polling district in which the voter who voted by declaration is registered. If in the said marked copy of the voters' list, it be ascertained that a line has been drawn through the number and name of the voter concerned as prescribed in section forty-six (3), indicating the issue of a ballot paper to that person, the counting officer shall hand the declaration envelope unopened to the returning officer who thereupon shall seal and endorse thereon the words "Duplication—Rejected." This operation shall be repeated until all declaration envelopes have been disposed of.

(6) If, on the comparison mentioned in sub-paragraph (5), it appears that a person has not received a ballot paper at the polling station of the polling district in which he is registered, the declaration envelope of such person shall be carefully opened so that the declaration appearing thereon is not defaced in any way or the ballot paper enclosed in the ballot paper envelope contained therein is not torn or mutilated, and such ballot paper envelope, unopened, shall be placed in a reserve ballot box, where it shall remain until dealt with as provided in paragraph 52.

(7) Every marked copy of the voters' list shall then be replaced in its proper packet and the packet resealed with the returning officer's seal.

(8) Where it can conveniently be arranged, the duties prescribed in paragraphs 48, 49 and this paragraph may be performed simultaneously under the direct supervision of the returning officer.

Oopmaak van Stembus en Verifikasie van Stembriefeerslag.

51. (1) Wanneer die vergelyking van die gemerkte eksplanare van die kieserslys voltooi is, en elke sodanige lys in sy betreffende pakket herseël is, soos hierin tevore bepaal, moet die kiesbeampte, behoudens die voorskrifte van subparagraaf (2) hiervan, elke stembus wat van die voorsittende amptenare ontvang is, persoonlik oopmaak, en die totaal aantal stembriefies daarin laat uitneem, tel, aanteken en in die stembus terugplaas.

OPMERKING.—By artikel twee-en-veertig (7) word dit bepaal dat die kiesbeampte, tydens die telling van stembriefies vir die doel van verifikasie van die stembriefeerslag en telling van stemme die stembriefies met die voorkante na bowe moet laat hou, en alle moontlike voorsorgmaatreëls moet neem ten einde te verhoed dat enige persoon die nommers wat op die agterkant van die stembriefies gedruk is, te sien kry.

(2) Wanneer die kiesbeampte ooreenkomstig subparagraaf (1) die stembus wat van 'n voorsittende amptenaar ontvang is, behandel het, en voordat hy ooreenkomstig die bepalings van daardie subparagraaf die stembus wat deur enige ander voorsittende amptenaar verstrekk is, behandel, moet hy die volgende pakkette oopmaak:—

- (i) Pakket (E.F. 56), bevattende die aangebode stembriefeerslag (E.F. 29) en die lys van aangebode stemme (E.F. 30);
- (ii) pakket (E.F. 57), bevattende die stembriefeerslag (E.F. 31);
- (iii) pakket (E.F. 73), bevattende die ongebruikte en bedorwe stembriefies en die ongebruikte en bedorwe aangebode stembriefies.

Hy moet die stembriefeerslag (E.F. 31) wat verskaf is deur sodanige voorsittende amptenaar bevestig deur daarmee die volgende te vergelyk:—

- (i) Die aantal stembriefies in die stembus wat van daardie voorsittende amptenaar ontvang is;
- (ii) die verklaringstemlys (E.F. 26);
- (iii) die lys van aangebode stemme (E.F. 30); en
- (iv) die ongebruikte en bedorwe stembriefies en die ongebruikte en bedorwe aangebode stembriefies, in die pakket (E.F. 73).

(3) Die kiesbeampte moet op die stembriefeerslag by verifikasie daarvan alle foute wat onder sy aandag mag kom, aanteken, en moet op vorm E.F. 32 aan die Hoofverkiezingsbeampte, Pretoria, of al na gelang aan die betrokke Provinsiale Sekretaris die uitslag van sodanige verifikasie rapporteer en die agente van die kandidate wat teenwoordig is toestaan om 'n afskrif daarvan te maak alvorens die verslag weg te stuur.

(4) Die kiesbeampte moet die stembriefeerslag (E.F. 31), die verklaringstemlys (E.F. 26), die ongebruikte en bedorwe stembriefies, die ongebruikte en bedorwe aangebode stembriefies, en die lys van aangebode stemme (E.F. 30) in die pakkette, waarin hulle deur die voorsittende amptenaar verstrekk is, terugplaas, en sodanige pakkette met sy eie seël verseël.

Deurmekaarmenging van al die Stembriefies.

52. (1) Nadat die kiesbeampte die verifikasie van al die stembriefeerslages voltooi het, soos bepaal in paragraaf No. 51, en die pakkette vermeld in subparagraaf (4) van daardie paragraaf herseël het, moet hy, of die stembriefeerslag dan wel of nie juis bevind is nie, al die stembriefies wat in die stembusse bevat is, deurmekaarmeng, sodat dit onmoontlik is om vas te stel van watter stembus enige besondere stembriefe geneem is.

(2) Hy moet dan die aangenome stembriefeerslag, bevattende die verklaringstembriefies wat deur hom in die reservestembus geplaas is, soos bepaal in subparagraaf (6) van paragraaf 50, oopmaak, en moet die stembriefies in sodanige koevert met die stembriefies vermeld in subparagraaf (1) van hierdie paragraaf, deurmekaarmeng.

(3) Vervolgens moet hy die aangenome ongeopende stembriefeerslag (E.F. 36), van afwesige kiesers ontvang, en deur hom in die reservestembus geplaas, soos bepaal in subparagraaf (2) van paragraaf 48, oopmaak, en moet die stembriefies in sodanige koevert met die stembriefies vermeld in subparagraaf (1) van hierdie paragraaf, deurmekaarmeng.

Verdeling en Nasien van Stembriefies.

53. (1) Nadat die stembriefies en die verklaringstembriefies en die stembriefies van afwesige kiesers deurmekaarmeng is, soos bepaal in paragraaf 52, moet die kiesbeampte toesien dat die stembriefies deur die tellers in hope verdeel word volgens die name van die onderskeie kandidate op wie elke besondere stem uitgebring is.

(2) Gedurende die verdeling van die stembriefies in hope, soos voormeld, en die telling van die stemme, soos bepaal in paragraaf 55, moet die kiesbeampte sorgdra dat die stembriefies met die voorkante na bowe gehou word, en alle moontlike voorsorgmaatreëls neem ten einde te verhoed dat enige persoon die nommers sien wat aan die agterkant van die stembriefies gedruk staan, of iets doen wat die geheimhouding van die stemming kan verdel. Die kiesbeampte of die tellers moet die voorkante van die stembriefies vertoon aan enige kandidaat, of die agent van enige kandidaat, indien daarom versoek word.

Opening of Ballot Box and Verification of Ballot Paper Account.

51. (1) When the comparison of the marked copies of the voters' list has been completed and every such list has been re-sealed in its proper packet, as herein before provided, the returning officer shall, subject to the directions contained in sub-paragraph (2) hereof, personally open each ballot box received from each presiding officer and cause to be taken out, counted, recorded, and returned to the box, the total number of ballot papers contained therein.

NOTE.—By section fifty-two (7) it is provided that the returning officer shall, while counting the ballot papers for the purpose of the verification of the ballot paper account and counting the votes, cause the ballot papers to be kept with their faces upwards and shall take all proper precautions for preventing any person from seeing the numbers printed on the back of the ballot papers.

(2) When the returning officer has, in accordance with sub-paragraph (1), dealt with the ballot box received from any presiding officer, and before dealing, as provided in that sub-paragraph, with the ballot box received from any other presiding officer, he shall open—

- (i) the packet (E.F. 56) containing the tendered ballot paper envelopes (E.F. 29) and the tendered votes list (E.F. 30);
- (ii) the packet (E.F. 57) containing the ballot paper account (E.F. 31);
- (iii) the packet (E.F. 73) containing the unused and spoiled ballot papers and the unused and spoiled tendered ballot papers;

and shall verify the ballot paper account (E.F. 31) given by that presiding officer by comparing with it—

- (i) the number of ballot papers in the ballot box received from that presiding officer;
- (ii) the declaration votes list (E.F. 26);
- (iii) the tendered votes list (E.F. 30); and
- (iv) the unused and spoiled ballot papers and the unused and spoiled tendered ballot papers, contained in the packet (E.F. 73).

(3) The returning officer shall record on the ballot paper account any errors which he may find in the verification thereof and shall report on the form E.F. 32 to the Chief Electoral Officer, Pretoria (or to the Provincial Secretary concerned, as the case may be), the result of such verification and shall allow any agents of the candidates present to copy it before the report is dispatched.

(4) The returning officer shall replace the ballot paper account (E.F. 31), the declaration votes list (E.F. 26), the unused and spoiled ballot papers, the unused and spoiled tendered ballot papers, and the tendered votes list (E.F. 30) in the packets in which they were received from the presiding officer, and re-seal such packets with his own seal.

Mixing Together of All Ballot Papers.

52. (1) When the returning officer has completed the verification of all the ballot paper accounts, as provided in paragraph No. 51, and has resealed the packets mentioned in sub-paragraph (4) of that paragraph, and whether or not the ballot paper accounts have been found to be correct, he shall cause to be mixed together the whole of the ballot papers contained in all the ballot boxes so that it is impossible to determine from which ballot box any particular paper was taken.

(2) He shall then open the accepted ballot paper envelopes containing the declaration ballot papers and which have been placed by him in the reserve ballot box, as provided in sub-paragraph (6) of paragraph 50, and shall mix the ballot papers contained in such envelopes with the ballot papers mentioned in sub-paragraph (1) of this paragraph.

(3) Thereafter he shall open the accepted unopened ballot paper envelopes (E.F. 36) received from absent voters and placed by him in the reserve ballot box, as provided in sub-paragraph (2) of paragraph No. 48, and shall mix the ballot papers contained in such envelopes with the ballot papers mentioned in sub-paragraph (1) of this paragraph.

Distribution and Scrutiny of Ballot Papers.

53. (1) When the ballot papers and the declaration ballot papers and the absent voters' ballot papers have been mixed together, as provided in paragraph No. 52, the returning officer shall cause the ballot papers to be distributed by the counting officers into lots according to the names of the respective candidates to whom each particular vote has been given.

(2) In the distribution of the ballot papers into lots, as aforesaid, and while counting the votes as provided in paragraph No. 55, the returning officer shall cause the ballot papers to be kept with their faces upwards, and shall take all proper precautions for preventing any person from seeing the numbers printed on the backs of the ballot papers or from doing anything likely to defeat the secrecy of the ballot. The returning officer or the counting officers shall show the faces of the ballot papers to any candidate or the agent of any candidate, if requested.

(3) By die verdeling van die stembrieffies in hope, soos voormeld, moet die tellers vir die beslissing van die kiesbeampte alle stembrieffies opsy lê, wat blykbaar—

- (a) nie die offisiële merk dra nie;
- (b) stemme gee aan meer as een kandidaat;
- (c) skryf of merk dra waardeur 'n kieser op ander manier as in die Wet bepaal word, geïdentifiseer kan word;
- (d) ongemerk is of ongeldig weens onsekerheid.

54. (1) Die kiesbeampte moet elke stembrieffie wat opsy gelê word vir sy beslissing, soos bepaal in subparagraaf (3) van paragraaf 53 of subparagraaf (2) (ii) van paragraaf 55, ondersoek, en besluit—

- (i) of hy enige sodanige stembrieffie sal afkeur; of
- (ii) wanneer hy sodanige stembrieffie aangeneem het, vir watter kandidaat daarby 'n stem uitbring is.

OPMERKING.—By artikel *drie-en-veertig* word bepaal dat die kiesbeampte elke stembrieffie moet afkeur en nie tel nie, wat—

- (a) nie die offisiële merk vermeld in artikel *ses-en-veertig* dra nie;
- (b) stemme gee aan meer as een kandidaat;
- (c) enige skryf of merk dra waardeur 'n kieser geïdentifiseer kan word op 'n ander manier as in die Wet bepaal;
- (d) ongemerk, of weens onsekerheid ongeldig is (d.w.s. geen merk hoegenaamd daarop dra nie of wat so gemerk is dat hy nie kan vasstel nie vir watter kandidaat dit bedoel was om 'n stem uit te bring).

By subartikel (5) van artikel *ses-en-veertig* word verder bepaal dat, indien die kieser op die stembrieffie sy naam teken, of 'n merk maak, of 'n woord skryf waardeur sy stembrieffie herkenbaar kan word, sodanige stembrieffie, by die telling van die stemme, as ongemerk beskou moet word, en nie in aanmerking geneem word nie.

(2) Die kiesbeampte moet na enige beswaar of argument deur 'n kandidaat of die agent van sodanige kandidaat ingebring voor of teen die aanneming of verwerping van 'n stembrieffie, en na argument aangevoer deur 'n kandidaat of die agent van sodanige kandidaat, aangaande die kandidaat op wie 'n aangenome stembrieffie 'n stem uitbring, luister.

OPMERKING.—Ooreenkomstig artikel *vier-en-veertig* moet die kiesbeampte die woord „Afskeur” op elke stembrieffie aanteken wat hy as ongeldig afkeur, en as daar deur of ten behoeve van 'n kandidaat beswaar gemaak word teen sy beslissing, dan voeg hy die woorde „beswaar gemaak teen afskeuring” daarby.

Ondersoek van Stembrieffies en Telling van Stemme.

55. (1) Nadat al die aangenome stembrieffies in hope verdeel is, soos hierin tevore bepaal, moet die kiesbeampte die stembrieffies, wat stemme uitbring op die kandidaat of kandidate, wat nie die kandidaat is wie se naam die eerste in die alfabetiese orde voorkom nie, in 'n reservestembus of in reservestembusse laat plaas, waar die stembrieffies moet bly totdat dit behandel word soos by subparagraaf (3) van hierdie paragraaf bepaal.

(2) Die stembrieffies wat stemme uitbring op die kandidaat wie se naam die eerste in die alfabetiese orde voorkom, moet dan op die volgende manier behandel word, d.w.s.:—

- (i) Die kiesbeampte moet dit in ongeveer gelyke hoeveelhede tussen die tellers verdeel.
- (ii) Elke teller aan wie stembrieffies ooreenkomstig subparagraaf (1) uitgedeel is, moet elke stembrieffie ondersoek wat aan hom uitgedeel is teneinde vas te stel dat dit op daardie kandidaat uitgebring is, en ingeval hy ontdek dat 'n stembrieffie op 'n ander kandidaat uitgebring is, moet hy dadelik daardie stembrieffie aan die kiesbeampte oorhandig, wat dit dan by die stembrieffies van sodanige kandidaat moet plaas. Die teller moet vir die beslissing van die kiesbeampte, ooreenkomstig paragraaf No. 54, elke stembrieffie opsy lê wat blykbaar onder die hoofde (a), (b), (c) en (d) van subparagraaf (3) van paragraaf No. 53 val, en die kiesbeampte moet met betrekking tot sodanige stembrieffie, indien hy besluit dat daardeur 'n stem op 'n ander kandidaat uitgebring is, sodanige stembrieffie by die stembrieffies van die ander kandidaat plaas.
- (iii) Nadat al die stembrieffies ondersoek is, soos in subparagraaf (ii) bepaal, en nie voor die tyd nie, moet elke teller die stembrieffies deur hom ondersoek in hope van vyftig verdeel. Sodra daar vyftig stembrieffies in 'n hoop is, moet die teller die stembrieffies van die hoop aan mekaar heg deur middel van papierbevestigings of -knypers, en 'n nuwe hoop begin.
- (iv) Wanneer al die stembrieffies behandel is soos in subparagraaf (iii) bepaal, moet die kiesbeampte die onvolledige hope van minder as vyftig stembrieffies wat by elke teller oorskiet bymekaar plaas, en een van die tellers opdra om hulle in hope van vyftig te verdeel. Die teller moet met papierbevestigings of -knypers elke aldus opgemaakte hoop en die onvolledige hoop van minder as vyftig stembrieffies wat miskien oorbly, vasmaak.

(3) The counting officers shall, in distributing the ballot papers into lots, as aforesaid, set aside for the decision of the returning officer all ballot papers which apparently—

- (a) do not bear the official mark;
- (b) give votes to more than one candidate;
- (c) bear any writing or mark by which a voter can be identified otherwise than in the Act is provided;
- (d) are unmarked or void for uncertainty.

54. (1) The returning officer shall scrutinize any ballot paper set aside for his decision, as provided in sub-paragraph (3) of paragraph No. 53, or sub-paragraph (2) (ii) of paragraph No. 55, and shall decide—

- (i) whether he will reject any such ballot paper; or
- (ii) having accepted such ballot paper, for which candidate a vote is by it recorded.

NOTE.—By section *fifty-three* it is provided that the returning officer shall reject and not count any ballot paper which—

- (a) does not bear the official mark mentioned in section *forty-six*;
- (b) gives votes to more than one candidate;
- (c) bears any writing or mark by which a voter can be identified otherwise than in the Act is prescribed;
- (d) is unmarked or void for uncertainty (that is to say, has no mark on it at all or is so marked that he cannot determine for which candidate a vote was intended to be recorded).

By sub-section (5) of section *forty-six* it is also provided that if the voter signs his name on the ballot paper or makes any mark or writes any word by which his ballot paper would become recognizable, that ballot paper shall, when the votes are counted, be considered blank and not taken into account.

(2) The returning officer shall listen to any objection or argument put forward by any candidate, or the agent of such candidate, for or against the acceptance or rejection of a ballot paper, and to any argument put forward by any candidate, or the agent of such candidate, as to the candidate for whom an accepted ballot paper records a vote.

NOTE.—In accordance with section *fifty-four* the returning officer is required to endorse the word “rejected” on any ballot paper which he may reject as invalid, and to add to the endorsement the words “rejection objected to” if an objection to his decision is made by or on behalf of any candidate.

Checking of Ballot Papers and Counting of Votes.

55. (1) When all the accepted ballot papers have been distributed into lots, as herein before provided, the returning officer shall cause the ballot papers recording votes for the candidate or candidates, other than the candidate whose name appears first in alphabetical sequence, to be placed in a reserve ballot box or in reserve ballot boxes, where they shall remain until dealt with as provided in sub-paragraph (3) of this paragraph.

(2) The ballot papers by which votes are recorded for the candidate whose name appears first in alphabetical sequence shall then be dealt with in the following manner; that is to say—

- (i) The returning officer shall distribute them amongst the counting officers in approximately equal numbers.
- (ii) Every counting officer to whom ballot papers have been distributed under sub-paragraph (1) shall check every ballot paper distributed to him to ensure that it is in favour of that candidate, and if he discovers that a ballot paper is in favour of another candidate he shall immediately hand that ballot paper to the returning officer, who shall thereupon place it with the ballot papers of that other candidate. The counting officer shall set aside for the decision of the returning officer, in accordance with paragraph No. 54, any ballot paper which appears to fall in any of the classes mentioned in (a), (b), (c) and (d) of sub-paragraph (3) of paragraph No. 53, and if the returning officer, with regard to any such ballot paper, decides that a vote is by it recorded for another candidate, he shall place it with the ballot papers of that other candidate.
- (iii) When all the ballot papers have been checked as provided in sub-paragraph (ii), and not before, each counting officer shall make up into piles of fifty ballot papers in each pile, the ballot papers checked by him. As soon as a pile of ballot papers reaches the number of fifty, the counting officer shall secure, with paper fasteners or clips, the ballot papers in that pile, and commence a new pile.
- (iv) When all the ballot papers have been dealt with as provided in sub-paragraph (iii), the returning officer shall combine the incomplete piles (if any) of less than fifty ballot papers remaining over with each counting officer and shall direct a counting officer to make up into piles of fifty ballot papers in each pile the ballot papers comprised in such incomplete piles when combined. The counting officer shall secure with paper fasteners or clips every pile so made up and any incomplete pile of less than fifty ballot papers remaining over.

(v) Die kiesbeampte moet dan opdrag gee dat elke hoop wat deur 'n teller gemaak is, aan 'n ander teller of aan homself oorhandig word, maar aan geen ander persoon nie, om nagesien te word ten einde vas te stel dat elke sodanige hoop nie meer en nie minder as vyftig stembrieffies bevat nie.

(vi) Wanneer al die houe nagesien is soos in subparagraaf (v) bepaal, moet die kiesbeampte hulle tesame met enige onvolledige hoop van minder as vyftig stembriefies wat miskien oorbly, in 'n reserwestembus laat plaas, waar hulle moet bly totdat hulle behandel word soos in subparagraaf (4) bepaal.

(3) Daarna word die stembrieffies, wat stemme uitbring op die kandidaat wie se naam in alfabetiese orde volg, op dieselfde manier behandel, en so voorts, totdat vir elke kandidaat die stembrieffies, wat stemme op hom uitbring, behandel is.

(4) Die kiesbeampste moet dan die totale getal stemme wat op elke kandidaat uitgebring is, vasstel.

56. Niemand wat by die telling van die stemme teenwoordig is, moet voordat die uitslag van die stemming deur die kiesbeampte bekend gemaak is, soos in paragraaf No. 57 bepaal, aan enige persoon buite die plek waar die stemme getel word, enige inligting betreffende die uitslag van die stemming of die aantal stemme op 'n besondere kandidaat uitgebring, medeel nie. Elke persoon wat in stryd met die bepaling van hierdie paragraaf handel, is skuldig aan 'n oortreding en by veroordeling strafbaar met 'n boete van hoogstens vyftig pond.

Bekendmaking van Uitslag van Stemming.

57. (1) Onmiddellik na die uitslag van die stemming op die manier soos hierbo omskryf vasgestel is, moet die kiesbeambte sodanige uitslag bekendmaak deur die volgende woorde binne en buite die plek waar die telling plaasgevind het uit te sê:—

„Ek,, die kiesbeampte vir die kiesafdeling, maak hierby bekend dat ek die uitslag van die verkiesing vir die voormelde kiesafdeling vasgestel het en dat daar op—

C.D.		stemme;
E.F.		stemme;

(2) In geval twee of meer kandidate vir verkiesing 'n gelyke getal stemme ontvang het, en waar sodanige gelykheid van invloed is op die uitslag van die verkiesing, sal die kiesbeampste sodanige uitslag bekeëndmaak deur die volgende woorde binne en buite die plek waar die telling plaasgevind het, uit te spreek:—

„Ek,, die kiesbeampte vir die kiesafdeling, maak hierby bekend dat ek ooreenkomstig die Wet die uitslag van die verkiesing vir die voormelde kiesafdeling vasgestel het, en dat daar op—

C.D.		stemme;
E.F.		stemme;
G.H.		stemme;

uitgebring is, en dat, aangesien C.D. en E.F. 'n gelyke aantal stemme verkry het, en aangesien sodanige gelykheid van invloed op die uitslag van die verkiesing is, volgens bepaling van die Wet, die verrigtinge in verband met die verkiesing in die genoemde kiesafdeling opnuut 'n aanvang moet neem op presies dieselfde manier asof 'n vakature ontstaan het."

(3) Die kiesbeampte moet, al na gelang, onmiddellik vorm E.F. 44 of 44(a), wat sodanige bekendmaking deur hom ingevolge paragraaf (1) of (2) van hierdie paragraaf gemaak, bevat, voltooi, onderteken en dateer, en sodanige bekendmaking onmiddellik buite die ingang van die plek waar die stemme getel is, aanplak.

(4) Onmiddellik nadat die kiesbeaampte 'n kandidaat verklaar het behoorlik gekies te wees as lid van die Volksraad, of al na gelang van die Provinsiale Raad, vir 'n kiesafdeling, soos voorgeskryf in subparagraaf (1) van hierdie paragraaf, moet hy aan die Hoofverkiegingsbeaampte, Pretoria, of al na gelang aan die betrokke Provinsiale Sekretaris, op vorm E.F. 45 'n telegram van die volgende inhoud afstuur, naamlik:—

kiesafdeling. Daar was gewone en
posstembriefies verwerp. Netto-getal kiesers op lys ”

Bevestiging van sodanige telegram moet sonder versuim per geregistreeerde pos op vorm E.F. 46 aangestuurd word.

Wanneer, in die geval van 'n gelyke getal stemme wat invloed uitoefen op die uitslag van die verkiesing, die kies-beampte 'n verklaring gemaak het soos voorgeskryf in sub-paragraaf (2) van hierdie paragraaf, moet hy sodanige telegram en bevestiging dienoreenkomstig wysig.

(v) The returning officer shall then direct that every pile made up by any counting officer shall be handed to, another counting officer or to himself, but to no other person, to be checked to ensure that every such pile comprises no more and no less than fifty ballot papers.

(vi) When all the piles have been checked as provided in sub-paragraph (v), the returning officer shall cause them, and any incomplete pile of less than fifty ballot papers remaining over, to be placed in a reserve ballot box, where they shall remain until dealt with as provided in sub-paragraph (4).

(3) Thereafter, the ballot papers recording votes for the candidate whose name appears next in alphabetical sequence shall be dealt with in like manner, and so on until the ballot papers recording votes for each candidate have been dealt with.

(4) The returning officer shall then ascertain the total number of votes given to each candidate.

56. No person in attendance at the counting of the votes shall, before the result of the poll is declared by the returning officer, as provided in paragraph No. 57, communicate to any person outside the place where the votes are counted, any information relating to the result of the poll or to the number of votes given to any particular candidate. (3) The returning officer shall forthwith complete, sign and date the form E.F. 44 or 44 (a), as the case may be, containing such declaration made by him under sub-paragraph (1) or (2) of this paragraph, and cause such form of declaration to be forthwith affixed outside the entrance to the place at which the votes have been counted.

- (a) A notice [on the form E.F. 17 or E.F. 17 (a), according as the election is for the House of Assembly or Provincial Council] stating that the station is the polling station of the polling district, the number of which shall be stated in the notice, and, in the event of an additional polling station having been established in terms of the proviso to sub-section (2) of section forty-one, whether the polling station is reserved for male voters or for female voters.
- (b) A notice (on the form E.F. 18) stating the name of the electoral division. This notice shall be posted immediately below the notice mentioned in sub-paragraph (a) of this paragraph.
- (c) A copy of the large notice (E.F. 20) containing directions to the voter in voting.

13. (1) Each voting compartment shall be so arranged that no person can enter or leave it without being seen by the presiding officer, and in no case shall more than one person be allowed to be in one compartment at the same time.

(2) The presiding officer shall see that one or more properly pointed indelible pencils are placed inside each voting compartment for the use of the voters. Such pencils shall be attached by string to the desk in the voting compartment, and the presiding officer shall, throughout the hours of the polling, from time to time, see that each desk has a properly pointed pencil attached to it, and that the small notice (E.F. 21) containing directions for the guidance of the voter in voting has not been tampered with and that no other notice or paper is contained in the voting compartments.

14. (1) At every polling station there shall be a ballot box in which shall be placed the ballot papers (other than tendered ballot papers) marked by voters who have recorded their votes at the polling station of the polling district in which they are enrolled.

(2) At every polling station in any division (other than a division which is wholly situate within one or more municipalities) which is sub-divided into polling districts as in section forty-one is provided, one or more of which is wholly or partly within a municipality and one or more of which is wholly outside of a municipality, there shall be a separate ballot box (in these regulations referred to as a "declaration ballot box"). The presiding officer shall affix the label E.F. 80 to the said ballot box and shall place therein the declaration envelopes (E.F. 25) containing the ballot paper envelopes (E.F. 24) in which are enclosed the declaration ballot papers marked by voters—

- (b) registered in polling districts situate wholly or partly within a municipality who vote by declaration at a polling station in a polling district situate wholly outside of such municipality;

who, upon signing the declaration mentioned in sub-section (3) of section forty-four, have been permitted to vote elsewhere than at the polling station of the polling district in which they are registered. (See paragraph 21.)

(3) Voordat die stemburo vir die stemming oopgestel word, moet die voorsittende amptenaar aan sodanige persone wat geregtig is om in die stemburo te wees, laat sien dat die stembus en, in voorkomende geval, die verklaringstembus leeg is. Dan moet hy elke stembus sluit, 'n kaartjie (E.F. 23) in die ruimte voor die sleutelgat steek en sodanige kaartjie met die offisiële seël verseël op so 'n manier dat die bus nie oopgemaak kan word nie sonder dat die seël verbreek word. Die sleutel van die stembus moet dan in kovert (E.F. 50) geplaas word, wat met die offisiële seël verseël en daarna met band of lyn aan een van die handvatsels van die stembus vasgemaak moet word. Die voorsittende amptenaar moet die bus verder verseker deur bande deur die ringe aan die bus te trek en die te verseël. Nadat die stembus gesluit en verseker is soos bo vermeld, moet dit nie weer deur die voorsittende amptenaar oopgemaak word nie. Hy moet dit naby hom op sy tafel plaas, waar hy dit in die oog kan hou gedurende die hele duur van die stemming. As daar 'n verklaringstembus is, word dit deur die voorsittende amptenaar so geplaas dat dit gedurende die hele duur van die stemming nie uit sy oog is nie en dat geen kieser in staat sal wees om 'n stembriefie daarin te steek nie. Die voorsittende amptenaar moet sorgdra dat geen verklaringstembriefie in die gewone stembus gestee word nie. [Sien paragraaf 22 (2)]. Die gewone stembus of, in voorkomende geval, die verklaringstembus, mag onder geen enkel voorwendsel gedurende die stemming uit die stemburo verwyder word nie.

Leiding van Stemming.

15. Die voorsittende amptenaar mag niemand anders as 'n kieser, wat wens om te stem, toelaat om gedurende die stemming die stemkompartement binne te gaan of in die nabyheid daarvan te kom en hy mag niemand toelaat om met 'n kieser te praat wat sy of haar stembriefie merk.

OPMERKING.—(a) Niemand, behalwe soos in die Wet bepaal, mag hom bemoei, of probeer te bemoei met 'n kieser wat besig is om sy of haar stem uit te bring, of op 'n ander manier in die stemburo probeer uit te vind op watter kandidaat 'n kieser in die buro sy of haar stem gaan uitbring of uitgebring het, of te eniger tyd aan enige persoon informasie gee, wat in 'n stemburo verkry is, betreffende die kandidaat waarop 'n kieser in sodanige buro gaan stem of gestem het, of betreffende die nommer op die agterkant van 'n stembriefie wat aan 'n kieser in sodanige stemburo gegee is [artikel vier-en-sestig (2)].

(b) Niemand mag direk of indirek 'n kieser oorhaal om, nadat hy of sy dit gemerk het, sy of haar stembriefie te laat sien op so 'n manier dat daardeur aan iemand die naam van die kandidaat waarop die kieser aldus gestem het bekend word [artikel vier-en-sestig (3)].

(c) Iedereen wat in stryd met een van die voorafgaande bepalings handel is skuldig aan 'n oortreding en kan by veroordeling gestraf word met 'n boete van nie meer as honderd pond of na goeddunke van die Hof waarvoor die oortreding gehoor word, met gevangenisstraf vir 'n tydperk van nie meer as twaalf maande sonder keuse van 'n boete [artikel vier-en-sestig (9)].

Stemburo.

16. Die voorsittende amptenaar moet toesien dat die stemming presies om sewe uur in die more begin, en presies om agt uur in die aand eindig op die dag wat as stemburg vasgestel is, maar hy moet ooreenkomstig artikel twee-en-veertig (4) aan elke kieser, wat op laasgenoemde uur nog in die kamer is waarin die stembus gehou word, toestaan om sy of haar stem uit te bring voordat die stemming beëindig word.

Reëling van die Getal Kiesers wat in die Stemburo toegelaat word.

17. Die voorsittende amptenaar moet homself grondig op die hoogte stel van die bepalings van artikel drie-en-veertig, betreffende die handhawing van orde by die stemburo, die reëling van die getal kiesers wat daarin toegelaat moet word, die uitsluiting daaruit van alle persone met uitsondering van die beamptes, en die bevoegdheid om die inhegtenisneming te gelas van persone wat in gebreke bly om te gehoorzaam aan sy versoek om die stemburo te verlaat. Hy moet die diensdoende polisiebeamptes en konstabels onderrig aangaande die getal kiesers wat tegelyk in die stemburo toegelaat kan word, en hy moet in die algemeen die pligte uitvoer wat in voormelde artikel opgenoem word.

OPMERKING.—Hierdie bevoegdhede mag nie uitgeoefen word nie op 'n wyse wat 'n kieser, wat origins geregtig is om in 'n stemburo te stem, sou verhinder om in die stemburo sy stem uit te bring [artikel drie-en-veertig (3)].

Wie almal mag Stem.

18. (1) Die voorsittende amptenaar mag geen persoon toelaat om te stem nie tensy hy of sy ingeskryf is op die kieserslys vir die kiesafdeling wat aan die voorsittende amptenaar verstrekk is. Sodanige kieserslys sal voldoende bewys wees van die reg van elke persoon, wat daarop ingeskryf is, om in die kiesafdeling te stem, selfs as dit aan die voorsittende amptenaar bekend mag wees dat die naam van sodanige persoon deur 'n fout op die kieserslys geplaas is. 'n Kieser kan alleen persoonlik by die stemburo stem.

(2) Die voorsittende amptenaar mag geen persoon toelaat om sy of haar stem uit te bring nie, hoewel hy of sy as kieser ingeskryf is, as sodanige persoon se naam voorkom op

(3) Before the polling station is opened for voting the presiding officer shall show every ballot box and every declaration ballot box, if there is one, empty to such persons as are authorized to be in the polling station. He shall then lock each ballot box, slip a card (E.F. 23) into the space over the keyhole, and seal such card with the official seal in such manner as will prevent the box being opened without the seal being first broken. The key of the box shall be placed in the envelope (E.F. 50), which shall be sealed with the official seal and thereafter tied by string or tape to one of the handles of the box. The presiding officer shall further secure the box by passing pieces of tape through the rings on the box and sealing the same. After being sealed and secured as aforesaid the box shall not be opened again by the presiding officer. The ballot box shall be placed by the presiding officer near him on his table, where it shall remain within his view at all times during the continuance of the poll. The declaration ballot box, if there is one, shall be placed by the presiding officer in a position where it will be within his view at all times during the continuance of the poll and where it will not be possible for any voter to drop a ballot paper into it. The presiding officer shall exercise care to prevent a declaration vote ballot paper from being placed in the ordinary ballot box [see paragraph 22 (2)]. The ordinary ballot box or the declaration ballot box, if there is one, shall not be taken out of the polling station on any pretext whatever during the continuance of the poll.

Conduct of the Poll.

15. The presiding officer shall not permit any person other than a voter desirous of voting, to enter any voting compartment during the hours of polling, nor permit any person to approach or speak to any voter when marking his or her ballot paper.

NOTE.—(a) No person, except as in the Act provided, shall interfere with or attempt to interfere with a voter when marking his or her vote or shall otherwise attempt to obtain in the polling station information as to the candidate for whom any voter in that station is about to vote or has voted, or shall communicate at any time to any person any information obtained in a polling station as to the candidate for whom any voter in such station is about to vote or has voted, or as to the number on the back of the ballot paper given to any voter at such station [section sixty-four (2)].

(b) No person shall directly or indirectly induce any voter to display his or her ballot paper after he or she has marked the same, in such manner as to make known to any person the name of the candidate for whom the voter has so marked his or her vote [section sixty-four (3)].

(c) Every person who acts in contravention of any of the foregoing provisions is guilty of an offence and liable on conviction to a fine not exceeding one hundred pounds or, in the discretion of the Court before which the offence is tried, to imprisonment for a period not exceeding twelve months without the option of a fine [section sixty-four (9)].

Hours of Poll.

16. The presiding officer shall ensure that the poll commences exactly at seven o'clock in the morning and closes at exactly eight o'clock in the evening of the day fixed as polling day, but he shall, in accordance with section forty-two (4), permit every voter who is at the last-mentioned hour inside the room in which the ballot box is, to record his or her vote before closing the poll.

Regulation of Number of Voters to be admitted to Polling Station.

17. The presiding officer shall acquaint himself thoroughly with the provisions of section forty-three in regard to the maintenance of order at the polling station, the regulation of the number of voters to be admitted therein, the exclusion of persons excepting officials therefrom, and power to order arrest of persons failing to obey his order to leave the polling station. He shall instruct the police officers or constables on duty as to the number of voters to be admitted into the polling station at a time and, generally, shall perform the duties referred to in the said section.

NOTE.—These powers are not to be exercised so as to prevent any voter who is otherwise entitled to vote at any polling station from having an opportunity of voting at the polling station [section forty-three (3)].

Who are Allowed to Vote.

18. (1) The presiding officer shall not permit any person to vote whose name is not enrolled on the voters' list for the electoral division supplied to the presiding officer. Such voters' list shall be conclusive proof of the right of every person who is enrolled therein to vote in that electoral division, even although the presiding officer may be aware that the name of such person has been wrongly included in such voters' list. A voter may only vote at the polling station in person.

(2) The presiding officer shall not allow any person whose name is included in the list of persons retained, hired or employed for reward by or on behalf of a candidate for election

lys (E.F. 14), aan die voorsittende amptenaar deur die kiesbeaampte verstrek, van persone wie se dienste deur of ten behoeve van 'n kandidaat by 'n verkiesing vir verkiesingsdeleindes teen beloning bespreek, gehuur of gebruik is.

(3) Hy moet daarop nadruk lê hoe belangrik dit is dat die stemopnemers 'n lyn trek in potlood of ink deur die nommer en familienaam van 'n kieser aan wie 'n stembrieffie uitgereik is, ten einde seker te maak dat geen ander stembrieffie uitgereik word ten opsigte van die aldus aangeduide kieser nie, daar 'n kieser, kragtens artikel vyf-en-veertig, net tot een stem geregtig is.

(4) Die voorsittende amptenaar mag aan niemand 'n stembrieffie weier weens 'n onjuisheid in die naam of beskrywing van sodanige persoon in die kieserslys nie, tensy hy daarvan oortuig is dat die persoon, wat om 'n stembrieffie vra, nie die persoon is nie wat in sodanige kieserslys bedoel word.

(5) Waar 'n lys van persone aan wie die kiesbeaampte stembrieffies vir afwesige kiesers uitgereik het, aan voorsittende amptenare deur die kiesbeaampte verstrek is, sonder 'n eksemplaar van die kieserslys waarop sodanige uitreiking van stembrieffies aangeteken is, moet die voorsittende amptenaar die eksemplaar van die kieserslys, al na gelang van sake deur elke stemopnemer of deur homself gebruik, merk deur die letters „A.K.” te skryf in die ruimte teenoor die name van die kiesers aan wie stembrieffies vir afwesige kiesers uitgereik is, en deur die volgnommers van sodanige kiesers te onderstreep.

(6) Die voorsittende amptenaar moet weier om 'n stembrieffie te verstrek aan 'n persoon aan wie 'n stembrieffie vir 'n afwesige kieser deur die kiesbeaampte uitgereik is, tensy laasgenoemde stembrieffie aan hom oorhandig word ooreenkomstig Regulasie (18) in die Tweede Bylae van die Kieswet, 1918, Wysigingswet, 1926. Hy moet op die aldus oorhandigde stembrieffie die woorde „Oorhandig ooreenkomstig Reg. (18), Tweede Bylae, Wet No. 11, 1926” skrywe, en die stembrieffie in kovert E.F. 69 sluit.

Uitreiking van Stembrieffie aan Persoon wat beweer word Dood, Afwesig of Siek te wees.

19. As die voorsittende amptenaar besluit om 'n brieffie uit te reik aan 'n persoon, wat, ooreenkomstig die bepalings van artikel vyftig, 'n beëdigde verklaring voor hom aflê dat hy of sy die geregistreerde kieser is wat deur 'n kandidaat, kandidaatsagent of 'n kieser verklaar is dood te wees, of deur afwesigheid, siekte of ander oorsaak verhinder sou wees om moontlikerwys by die stemburo te kan kom om sy of haar stem uit te bring, en dat die verklaring aangaande hom of haar vals is, moet die voorsittende amptenaar 'n gewone stembrieffie aan die verklaarder uitreik, mits 'n stembrieffie nie alreeds aan enige persoon in die naam van die verklaarder uitgereik is nie. Indien 'n stembrieffie alreeds uitgereik is, moet die voorsittende amptenaar te werk gaan soos in paragraaf 30 voorgeskryf.

Waar om te Stem.

20. Behoudens die bepalings van paragraaf 21, kan niemand op 'n ander plek stem nie as in die stemburo aangewys vir die uitbring van sy of haar stem in die kiesafdeling waarin hy of sy geregistreer is, of waar 'n kiesafdeling in stemburdistrikte onderverdeel is, op 'n ander plek as in die stemburo aangewys vir die uitbring van sy of haar stem in die stemburdistrik waarin hy of sy ingeskrif is [sien artikel vier-en-veertig (2)].

21. 'n Persoon wat kragtens subartikel (3) van artikel vier-en-veertig en paragraaf 14 (2) toegelaat word om by verklaring te stem moet op die voorgeskrewe vorm 'n verklaring aflê waarin vermeld word dat hy of sy nie alreeds vir die verkiesing in sodanige afdeling, of in 'n ander afdeling per pos of andersins gestem het nie, en dat hy of sy die persoon is wat voorkom op die kieserslys vir 'n ander stemburdistrik in dieselfde kiesafdeling: met dien verstande dat alle sodanige verklarings (behalwe dié wat deur 'n voorsittende amptenaar afgelê word) afgelê voor en geteken moet word deur die voorsittende amptenaar van die stemburo waar sodanige persoon wens om te stem, en dat, wanneer die verklaring deur 'n voorsittende amptenaar afgelê word dit gemaak kan word voor en geteken word deur die kiesbeaampte of 'n vrede-regter of 'n kommissaris van ede op of voor die stemdag [artikel vier-en-veertig (3)].

22. (1) Die voornoemde verklaring moet geteken word deur die kieser en deur die beaampte voor wie die verklaring afgelê word, op die voorkant van die verklaringskovert (E.F. 25) waarin die stembrieffiekovert (E.F. 24) wat die gomerkte verklaring stembrieffie bevat, soos bepaal in subparagraaf (2) van hierdie paragraaf, geplaas word [artikel vier-en-veertig (4)].

(2) Die stembrieffie wat gerner is deur 'n kieser wat die verklaring in voornoemde paragraaf 21 geteken het, moet nie in die stembus geplaas word nie, waarin die stembrieffies geplaas word wat gerner is deur kiesers wat gestem het by die stemburo van die stemburdistrik waarin hulle geregistreer is [sien paragraaf 14 (1)], maar moet, in teenwoordigheid van die voorsittende amptenaar en sonder om ontvou te word, deur die kieser in die stembrieffiekovert (E.F. 24) gesteeek word, wat hy of sy dan moet toelap en aan die voorsittende amptenaar oorhandig, wat dit in die verklaringskovert (E.F. 25) moet sluit, en laasgenoemde kovert dan in die verklaringstembus plaas [sien paragraaf 14 (2)]. Die voorsittende amptenaar moet die naam van die kieser en sy of haar nommer op die kieserslys, en die nommer van die stemburdistrik waarin hy of sy geregistreer is, aanteken in die lys van verklaringstemme (E.F. 26), wat gedurende die stemming deur die kandidaat en sy agent nagesien kan word sonder

purposes (E.F. 14), supplied to him by the returning officer, to record his or her vote, notwithstanding that he or she is enrolled as a voter.

(3) The presiding officer shall impress upon polling officers the importance of drawing a line in pencil or ink through the number and surname of a voter to whom a ballot paper has been issued, to ensure that no other ballot paper is issued in respect of the voter so indicated who, in terms of section forty-five, is entitled to one vote only.

(4) The presiding officer shall not refuse a ballot paper to any person on account of any inaccuracy in the name or description of such person in the voters' list unless he is satisfied that the person applying for the ballot paper is not the person referred to in such voters' list.

(5) Where the presiding officer has been supplied with a list of persons to whom the returning officer has issued absent voters' ballot papers, but has not been supplied by that officer with a copy of the voters' list marked in respect of such issues, the presiding officer shall mark the copy of the voters' list used by each polling officer or by himself, as the case may be, by writing the letters „A.V.” in the margin against the names of the persons to whom absent voters' ballot papers have been issued, and by underlining the printed numbers of such voters. On the conclusion of the poll, he shall return the list of absent voters' names or the marked copy of the absent voters' list supplied to him by the returning officer to that officer together with the other documents detailed in paragraph 34.

(6) The presiding officer shall refuse to issue a ballot paper to any person to whom an absent voters' ballot paper has been issued by the returning officer, unless the absent voters' ballot paper is delivered to him in terms of Regulation (18) in the Second Schedule to the Electoral Act, 1918, Amendment Act, 1926. He shall endorse the ballot paper so delivered "surrendered in terms of Reg. (18), Second Schedule, Act No. 11, 1926" and shall place the ballot paper in an envelope (E.F. 69).

Issue of Ballot Paper to Person alleged to be Dead, Absent or Sick.

19. If the presiding officer decides to issue a ballot paper to any person who in accordance with the provisions of section fifty, makes a sworn declaration before him that he or she is the registered voter who has been declared by a candidate, candidate's agent or any voter to be dead or so incapacitated by absence, sickness or other cause that he or she cannot possibly attend at the polling station to record his or her vote at the election then being held, and that the declaration made in regard to him or her is false, the presiding officer shall issue an ordinary ballot paper to the declarant if a ballot paper has not already been issued to any person in the name of the declarant. If a ballot paper has already been issued, the presiding officer shall proceed as directed in paragraph 30.

Where Vote to be Recorded.

20. Except as provided in paragraph 21, no person may vote elsewhere than at the polling station appointed for the recording of his or her vote in the electoral division in which he or she is registered or, when an electoral division is divided into polling districts, elsewhere than at the polling station appointed for the recording of his or her vote in the polling district in which he or she is enrolled [see section forty-four (2)].

21. A person who, in terms of sub-section (3) of section forty-four and of paragraph 14 (2), is permitted to vote by declaration, shall sign a declaration in the prescribed form to the effect that he or she has not already voted at the election in the division, or in any other division by post or otherwise, and that he or she is the person appearing on the voters' list for another polling district of the same division: Provided that all such declarations (other than those made by a presiding officer) shall be made before and signed by the presiding officer of the polling station at which such person desires to vote, and if made by a presiding officer, may be made before and signed by the returning officer or a justice of the peace or a commissioner of oaths on or before the polling day [section forty-four (3)].

22. (1) The declaration aforesaid shall be signed by the voter and by the officer before whom the declaration is made on the front of the declaration envelope (E.F. 25), in which must be placed the ballot paper envelope (E.F. 24) containing the marked declaration ballot paper as provided in sub-paragraph (2) of this paragraph [section forty-four (4)].

(2) The ballot paper marked by a voter who has signed the declaration mentioned in paragraph 21 shall not be placed in the ballot box in which are placed the ballot papers marked by voters who have voted at the polling station of the polling district in which they are registered [vide paragraph No. 14 (1)], but shall, in the presence of the presiding officer and without being unfolded, be enclosed by the voter in the ballot paper envelope (E.F. 24), which he or she shall fasten up and hand to the presiding officer, who shall enclose it in the declaration envelope (E.F. 25), which he shall place in the declaration ballot box [vide paragraph No. 14 (2)]. The presiding officer shall enter the name of the voter and his or her number in the voters' list and the number of the polling district in which he or she is registered, in the declaration votes list (E.F. 26), which during the hours of the poll may be inspected by the candidate and his agent

Vrae wat deur die Voorsittende Amptenaar gestel kan word aan 'n persoon wat aanspraak op 'n stem maak.

23. (1) Behoudens die bepaling in artikel vyftig mag daar, ooreenkomstig artikel vyf-en-veertig, geen ondersoek gedoen word na die reg van enige persoon om te stem, maar die voorsittende amptenaar mag self, of op versoek van 'n kandidaat of die stemagent van die kandidaat, aan die kieser, voordat hy hom of haar toestaan om te stem, een van of albei die volgende vrae stel, maar nie meer nie, naamlik:—

- (a) Is u die persoon van wie die naam voorkom as A.B. op die kieserslys van hierdie afdeling?
- (b) Het u reeds in hierdie of in 'n ander afdeling vir hierdie verkiesing gestem?

Die persoon wat die eerste vraag nie duidelik en absoluut bevestigend en die tweede vraag nie duidelik en absoluut ontkennend beantwoord nie moet nie toegelaat word om te stem nie.

(2) Die voorsittende amptenaar mag navraag doen by enige ander voorsittende amptenaar van 'n stemburo in dieselfde of in enige ander kiesafdeling vir verkryging van bevestiging van 'n antwoord wat gegee is op een of albei van die twee vrae in subparagraaf (1) vermeld, en kan verder, sonder lasbrief, die arrestasie gelas van enige persoon wat deur hom op redelike gronde verdink word van 'n vals antwoord te gee op een of albei van sodanige vrae, of van die oortreding van hom vir 'n ander uit te gee, soos bepaal in artikel vier-en-tagtig. Elkeen wat kragtens die wet bevoeg is om iemand te arresteer, moet so 'n bevel van die voorsittende amptenaar uitvoer (artikel vyf-en-veertig).

(3) Waar die voorsittende amptenaar, ooreenkomstig die bepaling van gemelde artikel vyf-en-veertig, die arrestasie gelas van 'n persoon wat op redelike grond deur hom verdink word van valse antwoorde te gee op een of albei van die vrae aan hom of haar gestel, soos voorgeskryf, of wat verdink word van die misdaad van hom vir 'n ander persoon uit te gee, moet die voorsittende amptenaar 'n skriftelike verslag opstel waarin hy die naam van die gearresteerde persoon vermeld, benewens die oortreding waarvan hy of sy aangeklaag word, die naam en status van die beamppte deur wie hy of sy aangeklaag word, die feite en grond waarop die aanklag berus, en enige opmerking, omstandigheid en feit wat die voorsittende amptenaar nodig of wenslik beskou om aan te teken. Die voorsittende amptenaar moet die bogenoemde verslag onderteken en verseël, en dit aan die kiesbeamppte van die kiesafdeling stuur.

Hoe om te Stem.

24. Nadat die voorsittende amptenaar van die stemburo hom vergewis het, deur die kieserslys vir die kiesafdeling te raadpleeg en deur die antwoorde op vrae gegee deur die persoon wat aanspraak op 'n stem maak, dat sodanige persoon op die lys ingeskryf is, en, tensy so iemand die verklaring afgelê het wat genoem word in artikel vier-en-veertig (3), dat hy of sy ook ingeskryf is op die kieserslys vir die stemburo waarvoor sodanige stemburo aangewys is, en ook dat niemand reeds gestem het onder die naam waaronder hy of sy aanspraak op 'n stem maak of, waar daar meer as een persoon met dieselfde naam op die lys is, dat nie reeds ten opsigte van al die name gestem is nie, moet hy—

- (a) die nommer, naam, woonplek en beroep van die persoon wat aanspraak op 'n stem maak, uitroep soos hulle op die lys voorkom;
- (b) die nommer inskryf op die teenblad van die stembriefboek in die ruimte wat daarvoor bestem is;
- (c) die stembrief, wat met sodanige teenblad ooreenstem, uitskeur en dit aan die agterkant, in die ruimte daarvoor bestem, merk met die offisiële merk, en moet daarby besonder sorgdra dat die stembrief duidelik gestempel en dat die merk sigbaar is;
- (d) die stembrief in vier vou, in die lengte en in die breedte, dit dan weer ontvou en aan die persoon wat wil stem oorhandig;
- (e) op die kieserslys met potlood of in ink 'n strepie trek deur die nommer en familienaam van die kieser om aan te dui dat die kieser 'n stembrief ontvang het, maar sonder om te wys welke besonder stembrief hy of sy ontvang het.

25. Die voorsittende amptenaar moet die stembriefies in die stembriefboek in volgorde gebruik en daarvoor sorgdra dat net een stembrief tegelykertyd uitgeskeur word en dat net een stembrief gegee word aan die persoon wat om 'n stem vra. Die voorsittende amptenaar moet geen enkele merk op die stembrief maak behalwe die offisiële merk en moet geen merk van welke aard ook op die teenblad van sodanige stembrief maak, behalwe die nommer van die persoon wat op 'n stem aanspraak maak, soos dit op die kieserslys voorkom.

26. (1) Die persoon aan wie 'n stembrief uitgereik word, is verplig, kragtens die bepaling van artikel ses-en-veertig (4), om die stembrief na een van die daarvoor bestemde kompartemente te neem en daar op die stembrief die kandidaat aan te dui op wie hy of sy wens om te stem, deur 'n kruis te maak, sonder dat iemand dit sien, teenoor die naam van die kandidaat. Nadat hy die stembrief aldus gemerk het, moet hy dit so opvou dat die offisiële merk sigbaar is, en die name van die kandidaat en die kruis deur hom of haar getrek onsigbaar is. Hy keer dan na die voorsittende amptenaar terug, en nadat hy die stembrief so opgehou het dat die voorsittende amptenaar die offisiële merk kan herken moet

without payment of any fee. No stamp duty shall be chargeable on any declaration mentioned in paragraph 21 [section forty-four (6)].

Questions which may be put by Presiding Officer to Person Claiming to Vote.

23. (1) Section forty-five prescribes that save as is provided in section fifty, no inquiry may be made as to the right of any person to vote, except that the presiding officer may himself, and if so required by any candidate or the polling agent of any candidate shall, before allowing any person to vote, put to him or her either or both of the following questions, but no other, viz.:—

- (a) Are you the person whose name appears as A.B. on the list of voters in this division?
- (b) Have you already voted at this election in this or in any other division?

A person who does not answer the first question distinctly and absolutely in the affirmative, and the second question distinctly and absolutely in the negative, shall not be permitted to vote.

(2) The presiding officer may make inquiry of any other presiding officer at a polling station in the same or any other electoral division for the purpose of verifying an answer to either of the two questions referred to in sub-paragraph (1) and may further order the arrest without warrant of any person who is suspected by him on reasonable grounds of making a false answer to either of such questions or of the offence of personation as defined in section eighty-four. Every person empowered by law to make arrests shall carry out such an order of the presiding officer (section forty-five).

(3) If, in accordance with the provisions of the said section forty-five, the presiding officer orders the arrest of any person suspected by him upon reasonable grounds of making false answers to either of the questions put to him or her as directed therein or of the offence of personation, the presiding officer shall sign, seal and forward to the returning officer for the division a written report stating the name of the person arrested, the offence with which he or she is charged, the name and status of the official by whom charged, the facts and grounds upon which the charge is based and any remarks, facts and circumstances which the presiding officer deems it useful or desirable to state.

Manner of Voting.

24. The presiding officer at the polling station, having satisfied himself by reference to the voters' list for the electoral division and by replies to questions given by the person claiming to vote, that such person is enrolled upon that list and, unless such person has made the declaration mentioned in section forty-four (3), is also enrolled on the voters' list for the polling district for which such polling station has been appointed, and also that no person has already voted under the name in which he or she claims to vote, or, if there be more than one person of the same name on the list, that persons have not voted in respect of all those names, shall—

- (a) call out the number, name, residence, and occupation of the person claiming to vote as stated in the list;
- (b) enter that number upon the counterfoil of the ballot paper book in the space provided for the purpose;
- (c) tear out the ballot paper corresponding to such counterfoil and mark it on the back with the official mark in the space provided for the purpose, taking special care that the ballot paper is stamped distinctly and that the mark is visible;
- (d) fold the ballot paper in fourfold, lengthwise and crosswise, unfold it and hand it to the person claiming to vote;
- (e) draw a line in pencil or ink through the number and surname of the voter on the voters' list as evidence that the voter has received a ballot paper, but without showing the particular ballot paper which he or she has received.

25. The presiding officer shall use the ballot papers in the ballot paper book consecutively, and shall take care that one ballot paper only is detached at a time and that one ballot paper only is given to the person claiming to vote. The presiding officer shall not place a mark of any kind upon the ballot paper except the official mark, and shall not place a mark of any kind upon the counterfoil corresponding to such ballot paper, except the number of the person claiming to vote, as stated in the voters' list.

26. (1) The person to whom a ballot paper is issued is required, under the provisions of section forty-six (4), to take the ballot paper to one of the compartments provided for the purpose and there to signify the candidate for whom he or she desires to vote by secretly placing a cross opposite the name of that candidate. Having so marked the ballot paper, he or she then shall fold it so that the official mark is visible and the names of the candidates and the cross made by him or her are not visible, shall return to the presiding officer and having held up the ballot paper so that the presiding officer can recognise the official mark, shall drop

hy die stembrieffe in die stembus, wat voor die voorsittende amptenaar staan, laat val.

(2) Waar die voorsittende amptenaar, om welke rede ook al, twyfel of die stembrieffe in die besit van 'n kieser werklik die stembrieffe is wat aan hom of haar uitgereik is in die stemburo waar die voorsittende amptenaar sy pligte uitoefen, kan hy, met die doel om die nommer op die teenblad gedruk te vergelyk, 'n kieser versoek, voordat hy of sy die stembrieffe in die stembus laat val, om hom die nommer wat op die agterkant van die stembrieffe gedruk is, te wys, maar op so 'n manier dat die kruisie deur die kieser gemaak nie sigbaar is nie [artikel ses-en-veertig (6)].

27. Die kieser moet stem sonder om tyd te verloor, en die stemburo verlaat sodra hy of sy die stembrieffe in die stembus laat val het.

28. Die voorsittende amptenaar moet sorgdra dat geen stembrieffe, deur hom uitgereik, om welke rede ook al buite die stemburo geneem word. Niemand aan wie 'n stembrieffe uitgereik is, mag toegelaat word om die stemburo te verlaat, voordat hy of sy die stembrieffe in die stembus laat val het of dit aan die voorsittende amptenaar teruggee het.

Kiesers wat nie kan lees nie of deur Blindheid of deur ander Liggaamsgebrek Verhinder.

29. (1) Indien 'n persoon wat nie kan lees nie die voorsittende amptenaar persoonlik versoek om sy of haar stem vir hom of haar te merk, moet hy of sy 'n vorm van verklaring (E.F. 27), wat sodanige versoek behels, met sy of haar merk teken, nadat dit namens hom of haar voltooi en aan hom of haar voorgelees is deur die voorsittende amptenaar. Laasgenoemde moet daarna, in teenwoordigheid van sulke agente van die kandidaat as aanwesig mag wees, die stem van sodanige kieser op die stembrieffe merk, soos deur die kieser verlang. Die voorsittende amptenaar steek dan die stembrieffe in die stembus, en teken op lys E.F. 28 die naam en nommer, soos in die kieserslys aangegee, van die persoon wie se stembrieffe aldus gemerk is, aan, benewens die rede waarom die stembrieffe aldus gemerk is.

(2) Indien 'n persoon wat blind of deur 'n ander liggaamsgebrek verhinder is om te stem op die manier by Wet voorgeskryf, die voorsittende amptenaar persoonlik versoek om sy of haar stem vir hom of haar te merk, moet die voorsittende amptenaar, in teenwoordigheid van sulke agente van die kandidaat as aanwesig mag wees, die stem van sodanige kieser op die stembrieffe merk, soos deur die kieser verlang. Hy handel dan verder soos voorgeskryf in die laaste klousule van subparagraaf (1).

(3) Die voorsittende amptenaar mag niemand toelaat, met uitsondering van die stemopnemers en die agente van die kandidaat, om teenwoordig te wees wanneer 'n kieser vir wie hy 'n stembrieffe op voormelde manier merk, sy stem uitbring.

Aangebode Stembrieffes.

30. Waar 'n persoon hom of haar aanmeld as 'n sekere kieser en om 'n stembrieffe vra nadat iemand anders in sy of haar naam gestem het, moet die voorsittende amptenaar aan die kieser die vrae stel wat veroorloof is kragtens artikel vyf-en-veertig, vermeld in paragraaf 23 (1). As die vrae bevredigend beantwoord word, moet hy aan sodanige persoon op dieselfde manier as 'n gewone stembrieffe aan enige ander kieser uitgereik word, 'n aangebode stembrieffe uitreik, maar die aangebode stembrieffe moet nie in die stembus geplaas word nie, maar aan die voorsittende amptenaar gegee word en deur hom geëndosseer word met die naam van die kieser en sy of haar nommer op die kieserslys en ter syde gelê word in 'n afsonderlike pakket (E.F. 29). Die naam van die kieser en sy of haar nommer op die kieserslys moet op die lys van aangebode stemme (E.F. 30) ingeskryf word (artikel neë-en-veertig).

Die stappe wat die voorsittende amptenaar moet doen vir uitreiking van 'n aangebode stembrieffe en die merk daarvan deur die kieser is origns heeltemal dieselfde as die prosedure in verband met die uitreiking van 'n gewone stembrieffe. Die enigste verskil ontstaan in die verdere behandeling van die aangebode stembrieffe, soos bo bepaal.

Aangebode stembrieffes moet nie aan kiesers uitgereik word nie behalwe onder bogenoemde omstandighede.

Bedorwe Stembrieffes.

31. Waar 'n kieser 'n stembrieffe deur 'n fout bederf, moet die voorsittende amptenaar, as hy oortuig is van die fout, kragtens artikel sewe-en-veertig aan hom of haar 'n ander brieffe gee en die bedorwe brieffe bewaar. Die bedorwe brieffe moet dadelik deur die voorsittende amptenaar gekanseleer word, en hy moet op die ooreenkomstige teenblad aantekening van die kanselasie maak. By uitreiking van 'n stembrieffe om dié te vervang wat deur 'n fout deur die kieser bederf is, moet die voorsittende amptenaar op die teenblad van die nuwe stembrieffe die nommer van die kieser op die kieserslys invul op dieselfde manier asof die kieser vir die eerste maal 'n stembrieffe ontvang. Die bedorwe stembrieffe moet nie in die stembus geplaas word nie maar moet in koevert E.F. 73 geplaas word wat na afloop van die stemming deur die voorsittende amptenaar behandel moet word soos in paragraaf 34 (3) voorgeskryf.

'n Kieser mag by Invulling van sy Stembrieffe nie Gehelp word nie.

32. Behalwe in die geval van dié kiesers in paragraaf No. 29 vermeld, wat nie in staat is om te lees nie of deur blindheid of weens ander liggaamlike gebreke onbekwaam is, moet die voorsittende amptenaar hom ten strengste daarvan onthou om aan die kieser enige hulp of voorligting te gee anders as (1) hom of haar te wys waar die stemkompartement of die

(2) If, for any reason whatsoever the presiding officer has any doubt as to the ballot paper held by a voter being the ballot paper issued to him or her at the polling station at which the presiding officer exercises the functions of his office, he may, for the purpose of comparison with the number printed on the counterfoil require any voter, before dropping the ballot paper into the ballot box, to show him the number printed on the back of the ballot paper, but in such manner that the cross made by the voter is not visible [section forty-six (6)].

27. The voter shall vote without delay and shall quit the polling station as soon as he or she has dropped the ballot paper into the ballot box.

28. The presiding officer shall exercise care to prevent any ballot paper issued by him being taken out of the polling station on any account whatsoever, and no person to whom a ballot paper has been issued shall be allowed to leave the polling station until he or she has dropped the ballot paper in the ballot box or returned it to the presiding officer.

Voters unable to Read or Incapacitated by Blindness or other Physical Cause.

29. (1) If any person who is unable to read personally applies to the presiding officer to mark his or her vote for him or her, he or she shall sign with his or her mark a form of declaration to that effect (E.F. 27) completed on his or her behalf and read to him or her by the presiding officer, who, thereupon, before such agents of the candidates as may be present, shall mark the vote of such voter on the ballot paper as directed by the voter. The presiding officer shall then place the ballot paper in the ballot box and shall enter the name and number recorded on the voters' list of the person whose ballot paper has been so marked on the list E.F. 28, and the reason for so marking it.

(2) If any person who is blind or incapacitated by other physical cause from voting in the manner prescribed in the Act, personally applies to the presiding officer to mark his or her vote for him or her, the presiding officer shall, before such agents of the candidates as may be present, mark the vote of such voter on the ballot paper as directed by the voter. He then shall proceed as directed in the last clause of sub-paragraph (1).

(3) The presiding officer shall not allow any person except the polling officers and the agents of the candidates to be present at the voting by any voter for whom he marks a ballot paper as aforesaid.

Tendered Ballot Papers.

30. Where a person representing himself or herself to be a particular voter applies for a ballot paper after another person has voted in his or her name, the presiding officer shall ask the voter the questions permitted by section forty-five, referred to in paragraph 23 (1), and upon these questions being answered, he shall issue to such person a tendered ballot paper in the same manner as an ordinary ballot paper is issued to any other voter, but the tendered ballot paper shall not be put into the ballot box, but shall be given to the presiding officer and endorsed by him with the name of the voter and his or her number on the voters' list and set aside in a separate packet (E.F. 29). The name of the voter and his or her number on the voters' list shall be entered in the tendered votes list (E.F. 30) (section forty-nine).

The steps to be taken in regard to the issue by the presiding officer and the marking by the voter of a tendered ballot paper are the same as for an ordinary ballot paper. The only difference is in the disposal of the tendered ballot paper as directed above.

Tendered ballot papers shall not be issued to voters except in the above-mentioned circumstances.

Spoiled Ballot Papers.

31. Where a voter has inadvertently spoiled a ballot paper, the presiding officer is required in terms of section forty-seven, if satisfied of the inadvertence, to give him or her another paper and retain the spoiled paper. The spoiled paper must immediately be cancelled by the presiding officer, who shall note the fact of the cancellation upon the corresponding counterfoil. In issuing a ballot paper to replace one which has been inadvertently spoiled by the voter, the presiding officer shall mark on the counterfoil of the new ballot paper the voter's number in the voters' list in the same manner as if the voter were getting a ballot paper for the first time. The spoiled ballot paper shall not be dropped in the ballot box, but shall be placed in the envelope E.F. 73, which at the close of the poll shall be dealt with by the presiding officer as directed in paragraph No. 34 (3).

No Assistance to be given to Voter in Voting.

32. Except in the case of voters referred to in paragraph No. 29 who are unable to read or incapacitated by blindness or other physical cause, the presiding officer shall exercise strict care not to give the voter any assistance or explanation beyond (1) directing him or her to the voting compartment or place where he or she must mark his or her vote

ELECTION FOR THE HOUSE OF ASSEMBLY OR
PROVINCIAL COUNCIL.*

One Candidate to be elected.

DIRECTIONS FOR THE GUIDANCE OF THE VOTER IN
VOTING.

The voter may vote for ONE candidate only.

When the person claiming to vote has received the ballot
paper, he shall take it to the compartment provided for the
purpose and shall signify the candidate for whom he desires
to vote by secretly placing a cross opposite the name of that
candidate, thus—

KLINTON (John Clinton, of 53, Dorps St., Cradock, Merchant).	
WELTEVREDEN (Hendrik Willem Weltevreden, of Rietfontein No. 22, Pretoria, Farmer).	X

He must not sign his name nor make any mark or writing
of any kind on the ballot paper other than the ONE X.

Daarna vou die kieser die stembrieffe so op dat die offisiële merk sigbaar is en die name van die kandidate en die kruisie wat deur hom gemaak is nie sigbaar is nie, en, nadat hy die stembrieffe so voorgehou het dat die voorsittende amptenaar die offisiële merk kan herken, gooi hy die stembrieffe in die stembus wat voor die voorsittende amptenaar staan.

As die kieser op die stembrieffe sy naam teken, of 'n merk maak, of 'n woord skryf, waardeur sy stembrieffe herkenbaar kan word, word daardie stembrieffe by die tel van die stemme as nie ingevul beskou en nie in aanmerking geneem nie.

Wanneer 'n kieser nie opsetlik 'n stembrieffe bederf nie, kan hy dit teruggee aan die voorsittende amptenaar, wat, as dit hom voorkom dat dit nie opsetlik gebeur het nie, aan hom 'n ander brieffe uitreik.

OORTREDINGS.

Enige persoon wat—

- 'n stembrieffe of die offisiële merk daarop vervals, of namaak, of met bedrieglike oogmerk vernietig; of
- sonder behoorlike magtiging 'n ander persoon van 'n stembrieffe voorsien; of
- met bedrieglike oogmerk 'n ander papier as die stembrieffe wat hy wettiglik in die stembus mag doen, in 'n stembus gooi; of
- met bedrieglike oogmerk 'n stembrieffe uit die stemburo wegneem; of
- sonder behoorlike magtiging enige stembus of pakket stembrieffes wat in gebruik is vir die doel van 'n verkiesing, vernietig, neem, oopmaak of hom andersins daarmee bemoei;

word by veroordeling gestraf, as hy 'n kiesbeampte is of 'n beampte wat op 'n stemburo werksaam is, met gevangenisstraf vir 'n tydperk van ten hoogste twee jaar, en as hy enige ander persoon is, met gevangenisstraf vir 'n tydperk van ten hoogste neë maande.

Wanneer die persoon wat verlang om te stem die stembrieffe ontvang het, neem hy dit na die kompartement bestem vir die doel, en wys die kandidaat, vir wie hy wens om te stem, aan, deur in die geheim 'n kruisie te maak teenoor die naam van die kandidaat, aldus—

The voter shall then fold the ballot paper so that the official mark is visible and the names of the candidates and the cross made by him are not visible, and having held up the ballot paper so that the presiding officer can recognize the official mark, shall drop the ballot paper in the ballot box placed in front of the presiding officer.

If the voter signs his name on the ballot paper, or makes any mark, or writes any word, by which his ballot paper would become recognizable, that ballot paper will, when the votes are counted, be considered blank and not taken into account.

If a voter inadvertently spoils a ballot paper, he may return it to the presiding officer, who will, if satisfied of the inadvertence, give him another paper.

OFFENCES.

Any person who—

- forges or counterfeits or fraudulently destroys any ballot paper or the official mark on any ballot paper; or

DIRECTIONS FOR VOTING BY POST.

1. (a) Before marking the ballot paper the absent voter shall produce before a magistrate, returning officer, electoral officer, registering officer, special justice of the peace, justice of the peace, police officer of a rank not below that of second-class sergeant, or a police officer of any rank in charge of a police post, at a place within the Union or the port and settlement of Walvis Bay or the Mandated Territory of South-West Africa in an area in which such official holds office as such (which official is hereinafter referred to as "the presiding officer for absent votes") and before two other adult witnesses, who shall be known to the presiding officer for absent votes—

- (i) the ballot paper;
- (ii) the declaration of identity; and
- (iii) the envelope in which he received the ballot paper.

(b) Die afwesige kieser moet die verklaring van identiteit onderteken in teenwoordigheid van die voorsittende amptenaar vir afwesige stemme en die vereiste getuies wat saam die verklaring van identiteit teken. Die voorsittende amptenaar vir afwesige stemme sal alle moontlike hulp, wat nie in stryd met die Wet is nie, aan die afwesige kieser verleen, en sal na hy die verklaring van identiteit onderteken het, sy ampseël daarop afdruk, of indien hy nie 'n ampseël het nie, 'n verklaring van sy bevoegdheid as voorsittende amptenaar vir afwesige stemme.

(c) Die afwesige kieser stem deur die stembrieffie met 'n kruisie aan die regterkant te merk teenoor die naam van die kandidaat vir wie hy stem. Hy moet niemand laat sien hoe hy gestem het nie, en hy moet nie sy naam teken, of een of ander merk sit op die stembrieffie of iets anders behalwe die enkele kruisie skryf nie.

(d) Onmiddellik na hy gestem het sit die afwesige kieser in teenwoordigheid van die voorsittende amptenaar vir afwesige stemme en die vereiste getuies, maar sonder om te wys hoe hy gestem het, die gemerkte stembrieffie in die klein koevert waarop die woorde „stembrieffie-koevert—ballot-paper envelope” gedruk is, maak dit toe en sit dan die stembrieffie-koevert saam met die verklaring van identiteit in die groter koevert wat aan die kiesbeampte geadresseer is en oorhandig dit aan die voorsittende amptenaar vir afwesige stemme, wat dit sonder versuim as 'n geregistreerde brief per pos wegstuur.

2. Die Tweede Bylae van die Kieswet, 1918, Wysigingswet, 1926, maak die volgende voorsiening:—

Paragraaf (20).—Die voorsittende amptenaar vir afwesige stemme mag nie kyk, of homself bekendmaak met die stem wat deur die afwesige kieser uitgebring is nie, en mag nie toelaat nie dat iemand (behalwe die afwesige kieser) die stem van die afwesige kieser sien of daarmee bekend word nie, of dat iemand die afwesige kieser bystaan in die stemming of hom op enige manier met die afwesige kieser bemoei nie. Die voorsittende amptenaar vir afwesige stemme of ander beampte of persoon wat die bepalings van hierdie paragraaf oortree, maak hom skuldig aan 'n oortreding, en word by skuldigbevinding gestraf met 'n boete van hoogstens vyftig pond.

Paragraaf (21).—Alle persone teenwoordig wanneer 'n afwesige kieser voor 'n voorsittende amptenaar vir afwesige stemme verskyn vir die doel om per pos te stem, moet—

- aan alle instruksies van die voorsittende amptenaar vir afwesige stemme gehoorsaam;
- hulle daarvan onthou om aan die afwesige kieser enige mededeling te doen in verband met sy stem;
- hulle daarvan onthou om die afwesige kieser by te staan of op enige manier hom te beïnvloed in verband met sy stem; en
- hulle daarvan onthou om na die stem van die afwesige kieser te kyk of om iets te doen waardeur hulle bekend sou word met die stem van die afwesige kieser.

'n Persoon wat die bepalings van hierdie paragraaf oortree maak hom skuldig aan 'n oortreding en word by skuldigbevinding gestraf met 'n boete van hoogstens vyftig pond.

Paragraaf (22).—'n Persoon aan wie 'n koevert, wat 'n stembrieffie bevat of wat voorgegee word een te bevat, deur 'n afwesige kieser toevertrou is vir die doel om met die pos aan die kiesbeampte gestuur te word, en wat versuim om die koevert dadelik te pos, maak hom skuldig aan 'n oortreding en word by skuldigbevinding gestraf met 'n boete van hoogstens vyftig pond.
