NOTE.—On several of the holdings hereby advertised are temporary lessees, and they shall be allowed all facilities for the tending and reaping of any crops that may be on these holdings at the date of allotment.

GENERAL CONDITIONS.

The leases to be issued will contain conditions relative to residence, improvements, fencing, minerals, outspans, roads, and such other conditions as are usually inserted in the agricultural leases granted under the Land Settlement Act, No. 12 of 1912, as amended.

The rentals, which are payable yearly in advance, are calculated on the purchase price on the following percentage basis:—

Rentals:—

First and second years: Nil.
Third year: 2 per cent. per annum.
Fourth and fifth years: 3½ per cent. per annum.
In the event of extension of lease after five years: 4 per cent. per annum.

If the option of purchase is exercised, interest calculated at the rate of 4 per cent. is payable yearly in advance.

The whole of the purchase price shall be paid not later than 40 years, reckoned from the date on which the option to purchase is exercised, but the lessee may at any time reduce the purchase price by payments of not less than twenty-five pounds sterling.

Occupation—

The leases to be issued will contain conditions to the effect that the lessees shall personally and beneficially occupy the holdings allotted within a certain period from the date of allotment, and thereafter for a particular period during every calendar year, as follows:—

Holdings Nos. 1 to 5 to be occupied within three months and for at least ten months every calendar year.

Boreholes—

A clause will be inserted in the leases which it is proposed to issue in respect of those holdings on which boreholes have been or may be sunk, giving the Government access to and the right to take water from the boreholes for drilling purposes for a period of five years from the dates of the leases.

It will be a condition of lease that the successful applicant for any of the above holdings on which boreholes exist or may be sunk previous to or after allotment will be held responsible, as from the date of allotment or of completion of the work, for the proper care and maintenance of the borehole or boreholes on his holding, and shall be liable for any damage caused thereto. He must, therefore, on no account raise water without proper pumping machinery.

All boreholes are, as a rule, equipped with hand-pumps, but it may possibly occur that in isolated cases no pump has been erected, in which case inquiries as to the most suitable machinery to be utilized in connection with any borehole should be made to the Director of Irrigation, Pretoria, by the successful applicant before proceeding to erect pumping machinery.

Die proef wat die Besproeiingsdepartement met pompe geneem het in verband met die vermelde boorgate, is so betroubaar moontlik. Die Goewerment aanvaar egter geen verantwoordelikheid vir enige verlies of skade wat 'n huurder mag ly, nie indien dit by 'n nuwe of uitvoerige pompproef blyk dat die water in die boorgat minder is as in hierdie kennisgewing aangegee, of ingeval die ander besonderhede wat aangaande die boorgat gegee word, onjuis blyk.

Opmetings—

As dit te eniger tyd noodsaaklik blyk om 'n hoewe opnuut op te meet of 'n sertifikaat van geamendeerde titel uit te neem weens foute in die bestaande opmeting, moet alle koste van so 'n opmeting of sertifikaat van geamendeerde titel deur die huurder betaal word. Wanneer dit blyk dat die hoewe groter is as in hierdie kennisgewing opgegee, dan het die huurder die voordeel daarvan sonder dat die koopprys van die hoewe verhoog word; wanneer dit daarenteen blyk dat die grond kleiner is as in hierdie kennisgewing vermeld, dan moet die huurder die kleiner stuk grond aanvaar sonder vermindering van die koopprys, en het hy ten aansien van so 'n kleiner stuk grond geen vordering teen die Regering nie.

Onderverdelings—

'n Spesiale bepaling van die huurkontrak is, dat, ingeval 'n hoewe toegeken word aan twee of meer huurders, die Minister, na goeddunke, die huurders kan oproep om die hoewe op hulle eie koste onder te verdeel op 'n wyse soos deur die huurders ooreengekom en deur die Minister goedgekeur word of as hulle in gebreke bly om binne 'n tydperk van hoogstens drie maande so 'n ooreenkoms te tref, dan op 'n wyse wat die Minister vasstel. So 'n ooreenkoms tussen die huurders of vasstelling van die Minister moet vermeld—

(1) die aandeel van die onderverdelingskoste wat elke huurder moet betaal, met inbegrip van die koste van opmeting;
(2) wanneer 'n voorskot verleen word, waarvan die bedrag nie by die koopprys gevoeg is nie, die aandeel wat elke huurder moet ontvang van enige vee, gereedskappe of ander goedere en tot watter bedrag 'n huurder aanspreeklikheid moet aanvaar vir die aandeel wat hy ontvang het;
(3) wat die koopprys is van elke onderverdeling met behoorlike inagneming van alle verbeterings wat deur die Minister aangebring of deur middel van 'n voorskot deur die Minister verleen is, en watter deel van die reeds betaalde paaiemente kapitaal is.

Die huurders moet binne drie maande na so 'n ooreenkoms gesluit of 'n vasstelling deur die Minister gemaak is, onderneem om op hulle eie koste sodanige maatreëls te tref as noodsaaklik mag wees om die belang by die huurkontrak volgens bogenoemde ooreenkoms of vasstelling deur die Minister, behoorlik en wettig af te staan.

ALGEMENE OPMERKINGS.

Uitreiking van Kroongrondbriewe—

Kroongrondbriewe van hoewes kan in spesiale gevalle met toestemming van die Goewerneur-generaal uitgereik word voor afloop van 'n termyn van tien (10) jaar na datum van toekenning. As 'n huurder, nadat hy 'n hoewe vir vyf (5) jaar gehuur het, die Landraad kan oortuig dat die waarde van sy hoewe met permanente verbeterings van 'n deeglike aard een-vierde (maar in geen geval minder as £400 nie) meer bedra as die totale skuld van die huurder aan die Goewerment, is die Minister kragtens artikel *agt* van Wet No. 21 van 1922 bevoeg om 'n Kroongrondbrief uit te reik en vir die totale bedrag van die skuld wat daar oorbly 'n verband aan te neem.

Omheinings—

Ingeval die Goewerment, ooreenkomstig die Omheiningswet, No. 17 van 1912, of enige wysiging daarvan, genoodsaak word om by te dra tot bestryding van die koste van die gehele of gedeeltelike omheining langs die grenslyne van die hoewes in hierdie kennisgewing geadverteer, of om aanspreeklikheid vir die betaling van sodanige bydraes te aanvaar voor die registrasie van die huurkontrak, moet die suksesvolle applikant by die toekenning van 'n hoewe aan hom, die verantwoordelikheid vir die betaling van sodanige bydraes aanvaar. Die bedrag van sodanige bydraes moet deur die persone aan wie die hoewe toegeken word, in kontant aan die Goewerment betaal word, of kan, as die persoon aan wie die hoewe toegeken word, sulks verkies, by die koopprys van die hoewe gevoeg word, in welke geval die bedrag van huurgeld en rente op die koopprys ooreenkomstig verhoog moet word. Die suksesvolle applikante vir enigeen van die hoewes wat langs die grenslyne geheel of gedeeltelik omhein is, moet ooreenkomstig die Omheiningswet van 1912, of wysiging daarvan verantwoordelikheid aanvaar vir enige bedrae was deur die eienaars van aangrensende plase kragtens die wet geëis word.

Diverse—

Ingeval van ongelukke van persone of vee wat plaasvind as 'n gevolg van die bestaan van skagte, tonnels en ander toestande veroorsaak deur prospekteer- en mynwerksaamhede onderneem voor die datum van die aanvang van die huurkontrak, is die huurder nie geregtig tot vergoeding van die kant van die Regering of die prospekteerder of die kleimeienaar nie.

Die Goewerment behou alle regte op minerale, minerale produkte, minerale olies, metale en edelgesteentes.

The pumping test made by the Irrigation Department in connection with the boreholes mentioned was as reliable as possible, but the Government accepts no responsibility for any loss or damage that may be sustained by a lessee should on a new or extended pumping test taking place the water supply in the borehole be found to be less than that stated in this notice, or in the event of the other particulars given in respect of the borehole being found to be inaccurate.

Surveys—

Should it at any time be found necessary to resurvey a holding, or take out a certificate of amended title, owing to errors in the existing survey, all costs incidental to such survey or certificate of amended title must be borne by the lessee. Should it be found that the holding is of greater extent than that stated in this notice the lessee shall benefit thereby, without any increase of purchase price being made: on the other hand, should the area be found to be less than that stated in this notice, the lessee shall accept such lesser area without reduction of the purchase price, and no claim against the Government will exist in respect of any reduced area.

Sub-divisions—

In the event of any of the holdings being allotted to two or more lessees it shall be a special condition of the lease that the Minister may at his discretion call upon the lessees to have the holding sub-divided at their own expense in a manner agreed upon by the lessees and approved by the Minister, or, failing such agreement within a period of not more than three months, in a manner to be determined by the Minister. Such agreement amongst the lessees or determination by the Minister shall state—

(1) the share to be borne by each lessee in respect of the costs of sub-division, inclusive of the costs of survey;
(2) where any advance has been made, the amount whereof has not been added to the purchase price, the share to be received by each lessee in respect of any stock, implements, or other things and the amount of the liability to be assumed by each lessee in respect of the share received by him;
(3) the purchase price of each sub-division, due regard being had to any improvements effected by the Minister or by means of an advance made by the Minister, and the share of the capital amount of such instalments as may have been paid.

The lessees shall undertake, within three months after such agreement has been reached or determination has been made by the Minister, to take at their own expense such steps as may be necessary to effect proper and legal cession of the interests in the lease in accordance with the aforesaid agreement or determination by the Minister.

GENERAL REMARKS.

Issue of Crown Grants—

Crown grants of holdings may, in special cases, with the approval of the Governor-General, be issued before the expiry of a period of ten (10) years from the date of allotment. When a lessee, after five (5) years' tenancy, can satisfy the Land Board that the value of his holding with permanent and substantial improvements exceeds by one-fourth (but not in any case by less than £400) the total indebtedness of the lessee to the Government, section *eight* of Act No. 21 of 1922 enables the Minister to issue a Crown grant and accept a mortgage bond for the total amount of the then remaining indebtedness.

Fencing—

In the event of the Government being required, in terms of the Fencing Act, No. 17 of 1912, or any amendments thereof, to contribute towards the cost of fencing the boundaries, or any part thereof, of any of the holdings advertised in this notice, or to accept liability for the payment of such contribution prior to the registration of the lease, the successful applicant shall, on allotment being made to him, assume liability for the payment of such contribution. The amount of such contribution shall be paid by the allottee to the Government in cash, or at the option of the allottee it may be added to the valuation of the holding, in which case the rental payments and interest on the purchase price shall be increased accordingly. The successful applicants for any of the holdings on which the boundaries or part thereof are fenced shall accept liability under the Fencing Act, 1912, or any amendment thereof, for any amounts which may be claimed by adjoining owners in terms of the said Act.

Miscellaneous—

In the case of accidents to persons or cattle consequent on the existence of shafts, tunnels, and other conditions arising out of prospecting and mining operations undertaken prior to the date of the commencement of the lease, the lessee shall not be entitled to compensation from the Government or the prospector or claimholder.

All rights to minerals, mineral products, mineral oils, metals, and precious stones are reserved to the Crown.

Die Departement het alle pogings aangewend om die informasie in hierdie kennisgewing vervat, so korrek moontlik op te gee, maar is nie verantwoordelik vir ewentuele onjuisthede nie.

Applikante word aangeraai om die hoewes persoonlik te inspekteer alvorens aansoek daarom te doen. By die oorweging van aansoeke om hoewes, is Landrade nie geneig om aan te beveel dat toekennings gemaak word aan applikante wat versuim het om die hoewes waarom hulle aansoek gedoen het persoonlik te inspekteer of deur iemand anders namens hulle te laat inspekteer. Die Regering staan geen spoorweg- of ander transportkonsessies in verband met die inspeksie van hoewes toe nie.

Okkupasie kan onmiddellik na toekenning toegestaan word tensy in die brief van toekenning anders bepaal word.

Alle aansoeke moet gedoen word op die voorgeskrewe vorm wat verkrybaar is by die Magistrate van die distrikte waarin die hoewes geleë is; die Sekretaris van Lande, Pretoria; die Verteenwoordiger, Departement van Lande, Posbus 747, Kaapstad; die Verteenwoordiger, Departement van Lande, Posbus 396, Pietermaritzburg; of die Verteenwoordiger, Departement van Lande, Posbus 316, Bloemfontein.

'n Arbeider, wat aan enige twee sodanige werksaamhede te werk gestel word, moet vir elke uur, of deel van 'n uur, wat hy aan elke werksaamheid bestee, teen die uurloon van toepassing op elke sodanige werksaamheid betaal word.

If not so informed, employees attending at the establishment at the ordinary starting time shall be entitled to be employed for at least one half day or to receive a half day's pay in lieu thereof.

Employees attending at the establishment in the afternoon shall be entitled to work two hours or to receive two hour's pay in lieu thereof, unless notice of intention not to work shall have been given by the employer during the morning.

(2) This section shall not apply when employees attend for the sole purpose of receiving pay, or when there is a serious breakdown of machinery in the establishment. Any delay up to one hour shall not be regarded as a "serious breakdown", and for the period of such delay, employees shall be entitled to pay.

4. Supplementary Wage System.

(1) A supplementary wage system may be applied in any establishment by mutual consent of the employer and employee concerned. Before this is done, the District Committee concerned shall determine the volume of output (hereinafter described as the quantum) required from an employee in return for the wages laid down in this Agreement. The District Committee shall also determine the minimum additional payment for output in excess of the quantum.

The quantum and rate of payment determined by the District Committee shall not become operative until approved of by the Executive.

The supplementary wage rates shall be determined on such a basis that an employee shall be able to earn not less than the amount to which he would be entitled if employed on a time basis, provided, however, that he shall, subject to the terms of Section 5 of Part I of this Agreement be paid not less than the minimum wage for his class, even if he has not earned so much.

(2) A schedule in both official languages setting out the quantum and rates of payment fixed in accordance with subsection (1) of this Section shall be exhibited in a place accessible to all employees concerned in every establishment in which it is applicable.

5. Piece-Work System.

An employee employed on piece-work shall be paid the piece-work rates approved of by the District Committee concerned and confirmed by the Executive. The piece-work rates shall be fixed on such a basis that an employee shall receive not less than the amount to which he would be entitled if employed on a time basis plus ten per cent., and he shall, subject to the terms of Section 5 of Part I of this Agreement, be paid not less than the minimum wage for his class plus ten per cent., even if he has not earned so much.

These provisions shall not apply in respect of operations for which a quantum is prescribed.

6. Differential Rates.

(1) An employee may not be required or allowed to perform more than two of the operations specified in B, C, D, E, F and G (i), (ii), (iii), (iv), (v), (vi) and (vii), of the Annexure to this part. An employee who is employed on any two such operations shall be paid for each hour, or part of an hour worked on each operation at not less than the hourly wage applicable to each such operation.

(2) An employee who is employed on any one of the operations mentioned in sub-section (1) of this Section, and also on one or more of the operations specified in G (viii) and (ix), shall be paid at the wage applicable to the higher or highest paid operation for the whole of the time worked.

(3) An employee who is employed on two or more of the operations specified in G (viii) and (ix) shall be paid the higher rate, namely £2 per week, for the whole of the time worked.

(4) The employer shall provide the employee with a record book or card, in a form approved of by the Executive, in which the employer shall enter daily the nature of each operation performed and the actual time worked thereon. The entries shall be certified by the signature of the employee concerned.

7. Unqualified Male Adult Employees.

(1) An unqualified male adult employee who has been employed in the industry for a period of not less than twelve months, may, with the prior approval of the District Committee concerned, be employed on any operation for which a minimum wage is prescribed at less than such wage, provided that such lower wage shall not be less than—

for the first six months: One-third of the prescribed wage but not less than 30s. per week;
for the second six months: One-half of the prescribed wage but not less than 40s. per week;
for the next year: Three-fourths of the prescribed wage, but not less than 40s. per week;

Behoudens die bepaling dat 'n ongekwalifiseerde volwasse manlike arbeider, wat in diens is by 'n soort werk waarvoor 'n laer loon as 40s. per week voorgeskryf is, solank as hy by daardie soort werk in diens is, nie geregtig sal wees om meer as sodanige voorgeskrewe loon te eis nie.

(2) *Verhouding van Arbeiders.*

(*a*) Die aantal ongekwalifiseerde volwasse manlike arbeiders in 'n inrigting mag te eniger tyd nie meer wees as een sodanige arbeider vir elke twintig, of deel van twintig, arbeiders (behalwe leerlinge, vakleerlinge, ongekwalifiseerde volwasse manlike arbeiders en arbeiders in diens by algemene werksaamhede) wat in sodanige inrigting die voorgeskrewe minimumloon ontvang.

(*b*) Volwasse manlike arbeiders met minder as twee jaar ervaring, wat by algemene werksaamhede in diens is, word vir die doeleindes van onderatikel (2) (*a*) van hierdie artikel as ongekwalifiseerde volwasse manlike arbeiders beskou.

(*c*) op Sondag teen dubbel sy uurloon;

betaal word.

(2) Die stukwerkloonskaal van 'n arbeider wat stukwerk verrig, moet, wanneer hy oortyd werk, met 25 persent verhoog word.

Die Knaagdierbeampte van die Departement van die uitbreking ondersoek het, meen dat die besmetting by sommige verlate hole van springhaasrotte in die omgewing opgedoen is en waar die kind gespeel het, aangesien by die hole speelgoed gevind is. Die suiwering van wonings van hulle ongedierte word verrig en alle voorsorgsmaatreëls geneem.

Distrik Reddersburg.—Daar was 'n noodlottige geval van builepes by 'n blanke padopsigter op 'n plaas ongeveer 20 myl van Bloemfontein. Waarskynlik is die besmetting opgedoen van knaagdiere in die voervoorrade. 'n Assistent-Gesondheidsbeampte van die Departement het die uitbreking ondersoek. Die plaas is onder kwarantyn geplaas, alle kontakte ingespuit en maatreëls teen knaagdiere geneem deur die Departement se Knaagdierbeamptes.

DEPARTMENT OF PUBLIC HEALTH.

BULLETIN No. 5, 1933, FOR WEEK ENDED 28TH JANUARY, 1933.

PLAGUE.

Orange Free State, Hoopstad District.—A case in a European child on the farm Damaraland has been reported. Contacts have been quarantined and inoculated. The Rodent Officer of the Department who investigated the outbreak is of opinion that infection was picked up at some deserted gerbille burrows in the vicinity where the child had been playing, as toys were found at the burrows. Deverminisation of dwellings is being carried out and all precautionary measures taken.

Reddersburg District.—A fatal case of bubonic plague occurred in a European road overseer on a farm approximately 20 miles from Bloemfontein. Infection was probably contracted from rodents in the forage supply. The outbreak was investigated by an Assistant Health Officer of the Department. The farm was quarantined, all contacts inoculated and anti-rodent measures taken by the Department's Rodent Officer.

SMALLPOX.

Nil.

TYPHUS FEVER.

Fresh Outbreaks.—Mscuncuzo Location, St. Marks District; Nqabarana Location, Willowvale District (Cape).

Outbreaks are being dealt with in the Districts of Albany, Butterworth, Glen Grey, Idutywa, Kimberley, Libode, Queenstown, Qumbu, Sterkstroom, St. Marks, Willowvale, Xalanga (Cape); Bothaville, Fauresmith, Harrismith, Koffiefontein, Ladybrand (O.F.S.); Potchefstroom (Transvaal); Newcastle, Underberg (Natal).

MALARIA.

Natal and Zululand.—The weather has been showery throughout the past week and breeding of Anopheles is occurring generally over the whole area. New cases of malaria have begun to appear over the coastal belt and in certain inland valleys. Anti-larval measures are gradually being consolidated in local authority areas.

Transvaal.—As gevolg van onlangse swaar reëns, rapporteer malariainspekteurs dat uitbroeiing van *A. gambiae* oor die gehele distrikte Nylstroom, Potgietersrust en Zoutpansberg 'n aanvang geneem het. Weinig nuwe koorsgevalle is totnogtoe gerapporteer maar meer is binne 3 tot 4 weke te verwag. As verdere reëns mekaar meer gereeld afwissel, sal daar meer malaria hierdie somer wees as verwag word met die oog op die feit dat die vorige epidemie in 1928 plaasgevind het. Al die malariainspekteurs is baie werksaam met raadgewings en waarskuwings aan die publiek in hierdie distrikte.

INFLUENSA.

Die jongste weeklikse rapport oor getalle van sterfgevalle as gevolg van Influensa soos in 118 groot stede in Engeland en Wallis opgegee toon 'n verdere toename van 1,041 tot 1,589. Dit is ook die geval met aangiftes vir longontsteking in Engeland en Wallis, wat gedurende die afgelope week van 3,458 tot 3,781 gestyg het.

Geneeskundigebeamptes rapporteer dat die heersende vorm van Influensa van 3 tot 4 dae duur en gaan gepaard met koors en pyn in die rug en ledemate. Daar kan ook bronchiale kentekens voorkom maar maag-kentekens kom minder voor. Nietteenstaande die aangegewe vermeerdering van sterfgevalle is die algemene aard van die siekte nie besonder straf nie en sterfgevalle kom ook nie op buitengewone ouderdomstydperke voor nie.

Uit die beskikbare informasie word algemeen afgelei dat die epidemie dieselfde afmetings bereik van die van 1928-29 en het nog nie sy hoogtepunt bereik nie.

EPIDEMIESE SIEKTES IN ANDER LANDE.

Volgens die laas-beskikbare berigte is daar:—

Cholera in Bombay, Calcutta.

Pes in die Kenya-kolonie en protektoraat; Madagascar; Colombo; Pnom-Penh.

Pokkies in die distrik Inyanga (Suid-Rhodesië); Quelimane (Mosambiek); Belgiese Congo; Alexandrië, Cairo, Port Said, Suez, Wadi Halfa; Beirut, Bagdad, Basra; Bombay, Calcutta, Karachi, Madras, Negapatam, Colombo; Hong-Kong, Canton, Shanghai.

Tifuskoors in Maseru en Mafeteng (Basoetoeland).

E. N. THORNTON,
Sekretaris van Volksgesondheid.

Transvaal.—In view of recent heavy rains, malaria inspectors report that breeding of *A. gambiae* has commenced throughout the Districts of Nylstroom, Potgietersrust and Zoutpansberg. Few new cases of fever have been reported as yet but this may be expected in three to four weeks' time. If further rains are reasonably spaced more malaria than usual is expected this summer in view of the fact that the last epidemic occurred in 1928. All the malaria inspectors are very active in advising and warning the public in these Districts.

INFLUENZA.

Latest weekly report on number of deaths attributable to Influenza notified in 118 great towns in England and Wales shows further rise from 1,041 to 1,589. Similarly notifications for Pneumonia in England and Wales have increased from 3,458 to 3,781 during past week.

Medical Officers report that the prevailing form of Influenza lasts for 3 to 4 days and is accompanied by fever with pains in back and limbs. Bronchial symptoms may be associated but gastric symptoms are less common. Notwithstanding the increase of deaths notified the general type of disease is not unusually severe, nor are deaths occurring at unusual age periods.

From the information available it is generally inferred that the epidemic is approaching the dimensions which were reached in 1928-1929 and has not yet reached its maximum.

EPIDEMIC DISEASES IN OTHER COUNTRIES.

At date of latest available information there existed:—

Cholera in Bombay, Calcutta.

Plague in Kenya Colony and Protectorate; Madagascar; Colombo; Pnom-Penh.

Smallpox in Inyanga District (Southern Rhodesia); Quelimane (Mozambique); Belgian Congo; Alexandria, Cairo, Port Said, Suez, Wadi Halfa; Beirut, Bagdad, Basrah; Bombay, Calcutta, Karachi, Madras, Negapatam, Colombo; Hong-Kong, Canton, Shanghai.

Typhus Fever in Maseru and Mafeteng (Basutoland).

(*d*) To enable bookkeepers to enjoy similar privileges to other professions.

(*e*) To procure the Society to be registered and incorporated and recognized throughout the world.

(*f*) To form or sanction the formation of divisional or district Societies, institutes, associations or centres, to regulate, govern and control the same, and to discontinue them if necessary.

(*g*) To provide opportunities for intercourse amongst members, and to give facilities for delivery of lectures, and for the acquisition and dissemination by other means of useful information connected with the occupation of bookkeepers and to encourage improved methods of bookkeeping.

(*h*) To appoint or become members of any Association, Company or Society formed or to be formed for the protection or advancement in the interests of employers, employees, capitalists or others, and to subscribe to any such Association, Company or Society.

(*i*) To provide an organization for bookkeepers, of public or private companies, corporations, associations, public bodies, Government departments, general dealers, bookkeepers or public traders, or those practising as public bookkeepers, in order to procure for them a more definite professional status, to devise and arrange means for testing the qualifications of candidates for admission to membership of the Society by examination or other means, and to grant certificates and diplomas of qualification to the successful candidates, as also to institute and establish scholarships, grants, rewards and other benefactions.

(*j*) To sell, purchase, exchange, let, dispose of and otherwise deal with movable and immovable property for and on behalf of the Society and to construct, alter and maintain any buildings required for the purposes of the Society.

ADVERTISEMENTS.

(*l*) To borrow and raise money for the purpose of the Society's business, and to secure the repayment thereof by bonds, debentures, mortgages, or other securities, or in such other manner as may be determined, and for this purpose to mortgage or charge all or any of the property of the Society.

(*m*) To adopt such means of making known the work of the Society as may seem expedient and in particular by advertising in the press, by circulars, by publication of books or periodicals and by granting prizes, rewards and donations.

(*n*) To appoint, engage, employ, suspend, remove, dismiss, and again appoint solicitors, managers, secretaries, attorneys under power, accountants, assistants, officers, clerks and other servants of the Society as shall be required, either for permanent, temporary or special purposes as from time to time may be deemed necessary for the proper working of the Society.

(*o*) To promote, subsidise, form, incorporate or establish or concur in promoting, subsidising, forming or establishing any other Institute, Society or Company whose objects shall include the acquisition and taking over of the whole or any part of the property, assets or liabilities of this Society or shall be in any manner calculated to advance directly or indirectly the interests of the Society and to purchase, take in exchange, subscribe for, or otherwise acquire and hold shares, stocks and securities of any such concern or guarantee payment of any securities or other obligations of any such concern.

(*p*) To do all such things as the Society may think advantageous, incidental or conducive to the attainment of the above objects or any of them.

(*q*) To do all or any of the above things in any part of the world as principals, trustees, or otherwise, and either alone or in conjunction with any other persons, firms, associations, companies, institutions or bodies.

(*r*) To establish and support or aid in the establishment and support of companies, associations and institutions, funds, trusts and conveniences calculated to benefit members of the Society or the dependents or connections of such persons and to make payments for all or any of such purposes or objects as the Society may think advisable or expedient, and to make payment toward insurance or superannuation and to subscribe or guarantee money for charitable or benevolent objects.

(*u*) To pay the costs, charges and expenses preliminary and incidental to the formation, establishment and registration of the Society.

(*v*) To do all such other lawful things as are incidental or conducive to the attainment of the above objects, or any of them, and the interests of the Society, provided that it shall not be lawful for the Society to impose on its members, or to support with its funds or otherwise, or to attempt to procure the observance by its members or others of any regulation or restriction which, if an object of the Society, would make it a trade union.

Notice is hereby further given that any person objecting to this application may bring such objection before the Minister of Justice, within one month from the date of the first publication hereof, by letter addressed to the Registrar of Companies, Pretoria.
