(2) The Mining Commissioner shall notify the prospector of the decision of the Minister under subsection (1) and the prospector shall, within three months of such notification or such longer period as the Mining Commissioner may allow, furnish a 15 diagram or a sketch plan approved by the Mining Commissioner, of the area to be leased as agreed upon, and as soon as possible thereafter, a mining lease shall be executed between the prospector and the Minister, on such conditions as the Minister may 20 determine. Every such lease shall inter alia provide for the adequate working of the leased area by the lessee to the satisfaction of the Minister, and for the payment by the registered holder of the lease to the Mining Commissioner of a rent of two shillings and 25 sixpence per morgen per month for every morgen or fraction thereof included in the leased area and if an additional area has been granted to the prospector in accordance with sub-section (1), the lease may further provide for the payment of such share 30 of the profits to the Government in respect of the whole area leased as the Mining Leases Board may recommend.

(3) The share of any profits payable to the State under any such lease shall be on a sliding scale fixed 35 in each case by the Minister on the recommendation of the Mining Leases Board: Provided that the State shall not participate in any profits until the lessee shall first have been allowed in the determination of such profits a capital allowance, equal 40 to seven and one-half per cent. per annum on the amount of unredeemed capital expenditure incurred by the lessee up to the date of the commencement of the production of precious metals, calculated from the last day of the month in which such capital was 45 expended.

(4) The method of calculating the capital allowance referred to in sub-section (3) for the purpose of determining the State's share of the profits shall be in accordance with the illustration set forth in the 50 Fourth Schedule to this Act.

(5) In this section and in the said Schedule capital expenditure shall have the meaning defined in section twenty-three of the Income Tax Act, 1925 (Act No. 40 of 1925).

(6) The said capital allowance shall not accrue to the lessee for any period during which he has not carried on mining operations in accordance with the terms of his lease, and shall not apply to any capital expenditure incurred subsequent to the com- 60 mencement of the production of precious metal.

(7) The capital allowance shall not be taken into account in determining the ratio of profits expressed

as a percentage of revenue.

(8) In fixing the aforesaid sliding scale regard 65 shall be paid to all the circumstances under which the precious metals to which the lease relates, were discovered or opened up and the expenditure and risk involved in any such preliminary operation and also to the title under which the mineral rights 70 are held

(9) The profits of which a share is payable to the State in terms of any mining lease granted under this section, shall be determined in like manner as the taxable income derived from mining operations 75 is determined for the purpose of the law relating to income tax and the share of the profits payable to the State shall be recovered in like manner as the tax on income derived from mining operations is recovered under the said law and all the provisions 80

(1) Whenever a discovery of precious metals on private land has been notified in accordance with 50 section seventeen and such discovery has been sufficiently developed to satisfy the Minister that it is, or having regard to all the circumstances, may be regarded as a genuine discovery, and that there are reasonable grounds for believing that precious 55 metals exist in payable quantities at the place of discovery, the holder of the mineral rights or his nominee or, if the prospecting rights have been leased under sub-section (2) of section twelve bis, then the lessee operating under such lease shall be 60 entitled on his application to lease one or more mining areas, of a shape, size and location to be determined by the Minister on the recommendation of the Mining Leases Board, which shall not be less in the aggregate than one-half of the extent of the 65 land which, in the opinion of the Government Mining Engineer, contains minerals in payable quantities.

(2) When the Minister has decided upon any applications for a lease under sub-section (1) the 70 provisions of section nineteen, other than those of sub-sections (1) and (12) of that section shall apply: Provided that the rent payable under any such lease shall be five shillings per morgen per month for the first three years, ten shillings per morgen per month 75 for the second three years and fifteen shillings per morgen per month thereafter, one-half of which

shall be paid to the owner of the land.

(3) Whenever a mining lease is granted under this section to a lessee of the prospecting rights 80 under section twelve bis, such lessee shall pay to the

of that law relating to the determination and recovery of Income Tax shall apply mutatis mutandis to the determination and recovery of the share of the profits payable to the State under any lease under this section.

(10) No transfer duty and no stamp duty shall be payable in respect of any lease under this section and in respect of any cession of any such lease: Provided that the lessee shall pay to the Government in addition to the State's share of the profits aforesaid a sum equal to one and one-quarter per cent. of such share, which additional sum shall be paid over to the Provincial Revenue Fund of the Transvaal.

(11) Any mining lease granted under this section shall be a mining title for all the purposes of this Act or any other law, and shall be registered as such in the office of the Registrar of Mining Titles.

(12) If any area leased under this section is not being worked to the satisfaction of the Minister, he may, notwithstanding anything contained in section seven of the Transvaal Precious and Base Metals Act, 1908, Amendment Act, 1926 (Act No. 52 of 1926), serve a notice on the lessee calling upon him within a period of six months, adequately to work the leased area, and in the event of non-compliance with such notice, he may increase the rent payable under the lease to a sum not exceeding five hundred pounds per annum payable in advance on the next due date for the payment of the rent, and in the event of non-payment of the increased rent due under the lease, within three months of the due date, the Minister may cancel the lease and evict the lessee.

A copy of any notice served under this section shall be sent to the mortgagee, if any, of the leased area

(13) In the event of the cancellation of any lease granted under this section or in the event of the abandonment of such lease by the lessee, such cancellation or abandonment shall be notified in the Gazette, and the Minister may, on the recommendation of the Mining Leases Board, lease the area in question to any person applying therefor, or he may call for tenders for the right to lease such area, on conditions to be agreed upon between the Minister and the lessee."

Amendment of section 40 of Act 35 of 1908.

17. Section forty of the principal Act is hereby amended-(a) by the deletion of sub-section (3) and the substitution

therefor of the following sub-section :-

(3) (a) When ore containing precious metal is being extracted from any claim (not being a claim on 5 an alluvial deposit), the holder of a prospecting licence for such claim shall apply to the Mining Commissioner for the conversion of that licence into a licence to be called a 'digger's licence', in respect of which there shall be paid the sum of twenty shillings per month, 10 as from the first day of the month in which such extraction first took place, whether the claim be situate on Crown or private land.

(b) The holder of a prospecting licence shall forward to the Mining Commissioner, not later than thirty 15 days after the end of each calendar quarter, a state-ment showing every claim from which he extracted during that quarter either for the first time or for the first time after the re-conversion of such claim to a prospecting claim, ore containing precious metal, 20

and the month during that quarter in which such extraction commenced in any such claim.

(c) If at any time the Mining Commissioner should ascertain that the prospecting licence in respect of any claim from which ore has been extracted has not 25 been converted into a digger's licence, he shall call upon the licence holder to convert his licence as from the first day of the month in which the ore was first extracted therefrom, and shall not renew any claim licence held by such licence holder until such con-30 version has been effected.

(d) This sub-section shall not apply to ore which, in the opinion of the Mining Commissioner, has been extracted in the course of the bona fide development of any claim "; and

BILL

To amend the law relating to unlawful games and gambling.

(Introduced by the Acting Minister of Justice.)

BE IT ENACTED by the King's Most Excellent Majesty, the Senate and the House of Assembly of the Union of South Africa, as follows:—

Gambling in clubs.

1. Whenever any person is charged with an offence under any law relating to unlawful games or gambling, and the facts 5 proved would establish the commission of such offence by such person, were it not that certain acts were performed in the premises of a club or a similar association of persons or in premises of which such person was a co-owner or co-lessee, such person shall be deemed to be guilty of such offence, and 10 shall be liable on conviction to the penalties prescribed by any law for that offence.

Short title.

2. This Act shall be known as the Gambling Amendment Act, 1933.
