MALARIA.

Malaria control organisations and residents in malarial areas are urged to maintain the systematic application of malaria control measures.

Natal and Zululand.

The prevailing wet and humid weather is favourable for the breeding of malaria vectors and the spread of malaria infection.

Relaxation of control on account of intermittent heavy rains will result in widespread breeding of *A. gambiae* particularly in waterlogged coastal sections.

Isolated relapse cases of malaria have been reported from the coastal area of Northern Zululand.

Transvaal.

Although fairly heavy rainfall has been registered in most of the malarial areas, the weather is still very hot and favourable conditions for the breeding of malaria vectors will be created.

A few primary infections of malaria have been reported in endemic areas.

EPIDEMIC DISEASES IN OTHER COUNTRIES.

At date of latest available information there existed:—

Plague in Port Said, Nairobi.
Smallpox in Edinburgh.

MALARIA.

By maliariabestrydingsorganisasies en inwoners van malariastreke word daarop aangedring om vol te hou met die stelselmatige toepassing van voorbehoedmaatreëls teen malaria.

Natal en Zoeloeland.

Die hersende nat en klam weer is gunstig vir die uitbroeiing van malariadraers en die verspreiding van malaria.

Verslapping in die bestrydingsmaatreëls as gevolg van afwisselende swaar reëns sal uitgebreide uitbroeiing van *A. gambiae*, hoofsaaklik in moerasagtige kusstreke, tot gevolg hê.

Afgesonderde her-invalle van malaria is uit die kusgebied van Noord-Zoeloeland gerapporteer.

Transvaal.

Hoewel betreklik swaar reënval in meeste malariagebiede aangeteken is, bly die weer warm, en gunstige toestande vir die uitbroeiing van malariadraers sal ontstaan.

'n Paar nuwe gevalle van malaria is in endemiese gebiede aangegee.

DECLARATION OF DIVIDEND.

Notice is hereby given that Dividend No. 65 of 30 per cent., equal to 1s. 6d. per Share, has been declared for the year ended the 30th September, 1942, payable to Shareholders registered in the books of the Corporation at the close of bsuiness on the 17th December, 1942.

The Dividend is declared in the currency of the Union of South Africa and becomes due on the 18th December, 1942, but unless prevented by irregularity of the mail service or other cause, Warrants in payment will be posted both from the Head Office and London Office on or about the 27th January, 1943, this interval being necessary for the balancing of the books and preparation of the Warrants. Dividends payable from the London Office will be paid in British currency at par, provided there is no material difference between South African and British currencies on the 18th December, 1942. Should there be any material difference between the two currencies, the London Office will pay on the basis of the equivalent British currency calculated at the rate of exchange ruling on that date.

Warrants despatched from the London Office to persons resident in Great Britain or Northern Ireland will be subject to a deduction of United Kingdom Income Tax at rates to be arrived at after allowing for relief (if any) in respect of Dominion Taxes.

Shareholders with registered addresses outside the Union of South Africa who desire to have their Dividends paid to an address therein, or vice versa, must give notice to the Corporation to that effect on or before the 17th December, 1942.

The Transfer Books and Register of Members will be closed from the 18th December, 1942, to the 24th December, 1942, both day inclusive.

Holders of Share Warrants to Bearer are notified that the Dividend is payable on or about the 28th January, 1943, the respective Coupon being No. 66. Payment of Coupons in respect of Share Warrants to Bearer is subject to legislation passed in England and the Union of South Africa, and in any case such payment will only be made in London, in accordance with a notice to be published by the London Office of the Corporation, unless the Board otherwise determines.

In terms of the Union of South Africa Income Tax Act, 1941, a Non-Resident Shareholders' Tax of 5 per cent. has been imposed on that portion of Dividends declared which is deemed to have been received from Union sources. This Tax is payable by the Corporation in respect of Dividends payable to any person whose address appearing in the Share Register is outside the Union of South Africa and in respect of all Bearer Shares irrespective of the place of residence of the Holder. The Corporation will deduct from the Dividend due to such Shareholders, the Tax payable at the effective rate, which for this Dividend is 2.1 per cent.
