AANHANGSEL.

LANDSNOODTOESTANDREGULASIES.

LYKSKOUINGS EN ONDERSOEKE TEN OPSIGTE VAN BURGERLIKE PERSONE IN DIE UNIE WAT OMKOM TEN GEVOLGE VAN VYANDEDELIKE OPTREDE OF VAN OMSTANDIGHEDE WAT UIT DIE OORLOG VOORTSPRUIT.

1. Die bepalings van hierdie regulasies geld voor enige bepalings van die „Wet op Lijkschouwingen” (No. 12 van 1919) en die „Wet op de Registratie van Geboorten, Huweliken en Sterfgevallen” (No. 17 van 1923), wat onvereenbaar of strydig met hierdie regulasies is.

2. (1) Dit is die plig van elkeen—

- (a) wat in die Unie die lyk of gedeeltes van die lyk van 'n burgerlike persoon ontdek wat blykbaar ten gevolge van 'n oorlogshandeling om die lewe gekom het; of
(b) tot wie se kennis dit mag kom dat iemand op sodanige wyse omgekome het; of
(c) aan wie sodanige sterfgeval gerapporteer word;

om so spoedig moontlik sodanige ontdekking te berig of van sodanige informasie of rapport asmede van enige ander feite wat aan hom bekend is, aangifte te doen aan enige polisie-dienaar of aan die kantoor van die naaste burgerwag van die Burgerlike Beskermingsdienste of, as die sterfgeval in die Kaapse Skiereiland voorgekom het, aan die kantoor van die naaste streekskommandant van die Burgerlike Beskermingsdienste.

(2) Enigeen wat in gebreke bly om enige van die bepalings van hierdie regulasie na te kom, pleeg 'n misdryf en is by skuldigbevinding strafbaar met 'n boete van hoogstens vyf-en-twintig pond.

3. (1) Die polisie-dienaar of enige burgerwag of streekskommandant aan wie ingevolge voorgaande regulasie rapport gedoen is of tot wie se kennis enige sodanige sterfgeval op enige ander manier gekom het, moet onverwyld self of deur bemiddeling van iemand deur hom daartoe gemagtig, ondersoek instel na die omstandighede van sodanige sterfgeval en 'n rapport wat behoorlik deur hom gewaarmerk moet word, oor sodanige ondersoek opstel. As die ondersoek deur 'n burgerwag of 'n streekskommandant gedoen word of deur iemand wat deur 'n hulle daartoe gemagtig is, moet genoemde rapport onverwyld by die polisie-dienaar in bevel van die naaste polisie-kantoor of -pos ingedien word. Die polisie-dienaar in bevel van sodanige polisie-kantoor of -pos moet so spoedig moontlik alle rapporte wat ingevolge hierdie regulasie opgestel is, aan die naaste magistraat stuur.

(2) 'n Afsonderlike rapport moet ten opsigte van elke individuele sterfgeval opgestel word, tensy die omstandighede waaronder twee of meer persone omgekome het, identiek is, en in so 'n geval sal dit voldoende wees om een rapport oor al die sterfgevallen op te stel, maar moet die besonderhede voorgeskryf by die regulasies uitgevaardig ingevolge paragraaf (d) van artikel *ag-en-veertig* van die „Wet op de Registratie van Geboorten, Huweliken en Sterfgevallen” sover moontlik ten opsigte van elke oorledene verstrek word.

(3) Enigeen wat in antwoord op 'n versoek van 'n polisie-dienaar of 'n lid van die Burgerlike Beskermingsdienste om inligting wat vir doeleindes van 'n rapport ingevolge hierdie regulasie vereis word, vals inligting verstrek of weier of in gebreke bly om inligting waaroor hy mag beskik, te verstrek, pleeg 'n misdryf en is by skuldigbevinding strafbaar met 'n boete van hoogstens vyf-en-twintig pond.

4. (1) Ondanks die bepalings van enige ander wet moet 'n polisie-dienaar met of bo die rang van sersant en 'n polisie-dienaar in bevel van 'n polisie-kantoor of -pos, as hy daarvan oortuig is dat die identiteit van die oorledene vasgestel is en dat die oorledene 'n burgerlike persoon was wat ten gevolge van 'n oorlogshandeling om die lewe gekom het, ten opsigte van sodanige sterfgeval binne die stedelike gebied waar sodanige polisie-dienaar gestasioneer is, gratis 'n begrafnisorder uitreik wat die teraardbestelling van die lyk van sodanige oorledene magtig.

(2) As sodanige polisie-dienaar nie aldus daarvan oortuig is nie, moet hy die saak verwys na die naaste magistraat wat sodanige polisie-dienaar of 'n lid van die Burgerlike Beskermingsdienste wat 'n rapport ingevolge die bepalings van subregulasie (1) van regulasie 3 opgestel het, mag gelas om sodanige verdere stappe te doen of te laat doen as wat die magistraat nodig mag ag ten einde enige twyfelagtige saak in genoemde rapport op te helder.

(3) Ondanks die bepalings van hierdie regulasie is die magistraat se lasgewings betreffende die uitreiking van enige begrafnisorder bindend vir alle polisie-dienaars.

5. (1) By ontvangs van 'n rapport aan hom gestuur ingevolge regulasie 3, moet die magistraat geen lykskouing ingevolge die bepalings van die „Wet op Lijkschouwingen”, 1919, hou of laat hou nie, as hy van oordeel is dat die sterfgeval waarop die rapport betrekking het, deur 'n oorlogshandeling veroorsaak is, maar niks in hierdie regulasie vervat, belet 'n magistraat om 'n lykskouing of ondersoek ingevolge die bepalings van genoemde Wet te hou of te laat hou nie, as hy van oordeel is dat genoemde sterfgeval nie aldus veroorsaak is nie of as hy om enige ander rede sodanige lykskouing of ondersoek nodig ag.

(2) As geen lykskouing gehou word nie, moet die magistraat ooreenkomstig die bepalings van subregulasie (3) van hierdie regulasie die besonderhede vereis by artikel *twintig* van Wet No. 17 van 1923, ten opsigte van sodanige sterfgeval

ANNEXURE.

NATIONAL EMERGENCY REGULATIONS.

1. The provisions of these regulations shall prevail over any provisions of the Inquests Act (No. 12 of 1919) and the Births, Marriages and Deaths Registration Act (No. 17 of 1923) which are inconsistent or in conflict with these regulations.

2. (1) It shall be the duty of every person—

- (a) who finds in the Union the dead body or parts of a dead body of a civilian, and who appears to have come by his death as a result of belligerent action, or

(c) to whom any such death is reported,

to notify as soon as possible such finding, or to communicate such knowledge or report together with any other facts which are known to him, to any policeman, or to the office of the nearest warden of the Civilian Protective Services or, if the death occurred in the Cape Peninsula, to the office of the nearest Area Commandant of the Civilian Protective Services.

(2) Any person who fails to comply with any of the provisions of this regulation shall be guilty of an offence and liable on conviction to a fine not exceeding twenty-five pounds.

3. (1) The policeman, or any warden or Area Commandant to whom a report has been made under the preceding regulation or to whose notice the fact of any such death has come in any other manner, shall forthwith either himself or through his deputy proceed to enquire into the circumstances of such death, and shall compile a report duly certified by him of such investigation. If the investigation is made by a warden or an Area Commandant or a deputy of either of them, the said report shall forthwith be lodged with the policeman in charge of the nearest police station or post. The policeman in charge of such police station or post shall as soon as possible transmit all reports compiled in terms of this regulation to the nearest Magistrate.

(2) A separate report shall be compiled in respect of each individual death unless the circumstances under which two or more persons met their death are identical, in which case it shall be sufficient to compile one report dealing with all the deaths, but, in so far as possible, the particulars prescribed under the regulations issued in terms of paragraph (d) of section *forty-eight* of the Births, Marriages and Deaths Act (No. 17 of 1923), shall be furnished in respect of each deceased person.

(3) Any person who, in response to a request by a policeman or a member of the Civilian Protective Services for information required for the purposes of a report in terms of this regulation, furnishes false information or refuses or fails to furnish any such information which he may be able to furnish, shall be guilty of an offence and liable on conviction to a fine not exceeding twenty-five pounds.

4. (1) Notwithstanding the provisions of any other law, any policeman of or above the rank of sergeant and any policeman in charge of a police station or post, if he is satisfied that the identity of the deceased has been established and that the deceased was a civilian who had come by his death as a result of belligerent action shall, in respect of such a death within the urban area in which such policeman is stationed, issue a burial order free of charge authorising the burial of the body of such deceased person.

(2) If such policeman is not so satisfied he shall refer the matter to the nearest Magistrate who may instruct such policeman or a member of the Civilian Protective Services who compiled a report under the provisions of sub-regulation (1) of regulation 3, to take or cause to be taken such further steps as the Magistrate may deem necessary to elucidate any matter left in doubt by the said report.

(3) Notwithstanding the provisions of this regulation, the Magistrate's instructions relating to the issue of any burial order shall be binding on all policemen.

5. (1) The Magistrate, on receipt of a report transmitted in terms of regulation 3, shall not hold or order an inquest to be held under the provisions of the Inquest Act 1919, if in his opinion the death to which the report relates was caused by belligerent action, but nothing in this regulation shall debar a Magistrate from holding or ordering an inquest or enquiry to be held under the provisions of the said Act if in his opinion the said death was not so caused or if for any other reason he deems such inquest or enquiry necessary.

(2) If no inquest is held, the Magistrate shall, subject to the provisions of sub-regulation (3) of this regulation, forward immediately the particulars required by section *twelve* of Act 17 of 1923 in respect of such death to the

8. (1) Niemand mag 'n lyk ten aansien waarvan kragtens regulasie 4 'n begrafnisorder uitgereik is, begrawe nie, alvorens sodanige begrafnisorder aan hom vertoon is.
