PRYSBEHEER.

BEREKENING VAN GEMIDDELDE VAN KOSTE.

1. Ek, EDWARD JAMES CREAN, Pryskontroleur, handelende kragtens regulasie 12 van Oorlogsmaatreel No. 100 van 1942, verleen hierby vir die hele Unie, ondanks enige bepaling vervat in Goewermentskennisgewing No. 1687 van 10 September 1943 (Vasstelling van Kospryse), aan enige invoerder, vervaardiger of handelaar binne die betekenis van voormalde kennisgewing verlof om die gemiddelde van die koste (ooreenkomsdig gemelde kennisgewing vasgestel) van enige goedere deur hom verkry of vervaardig te bereken in vergelyking met die koste (op dieselfde manier vasgestel) van soortgelyke goedere wat hy in voorraad het.

2. Hierdie verlof word toegestaan onderworpe aan die nakoming deur gemelde invoerder, vervaardiger of handelaar van die volgende voorwaarde:

(1) 'n Register van die gemiddelde kospryse, hierna genoem die „register”, wat die besonderhede vermeld in die Bylae hiervan aantoon, moet gehou word;

(2) by opname in die voorraad van enige nuwe goedere in verband waarmee die voorneme bestaan om die gemiddelde van die koste in vergelyking met die koste van soortgelyke goedere in voorraad te bereken, moet besonderhede daarvan in deel A van die register aangeteken word;

(3) besonderhede van soortgelyke goedere in voorraad op die datum van die ontvangs van die goedere genoem in subparagraaf (2) hiervan moet in deel B van die register aangeteken word; by gebreke aan registers waaruit die hoeveelheid voorhande op die onderhawige datum geredelik gevind kan word, moet die hoeveelheid van sodanige voorraad deur 'n werklike voorraadopname vasgestel word;

(4) na die voltooiing van dele A en B van die register moet dele C en D voltooi word;

(5) die gemiddelde koste moet volgens die metode van die beswaarde gemiddelde bereken word, d.w.s., die totale koste van al die eenhede van 'n besondere artikel in die nuwe besending plus dié van al die eenhede van die soortgelyke artikel voorhande moet deur die aggregaat van die onderskeie hoeveelhede verdeel word en genoemde gemiddelde moet 'n lopende gemiddelde wees, d.w.s., dit moet opnuut vasgestel word by die opname in voorraad van elke nuwe besending;

(6) geen goedere mag verkoop word teen 'n prys op 'n gemiddelde koste gebaseer, alvorens die aantekeninge in die register voltooi is nie; en

(7) vervangingswaardes mag nie in aanmerking geneem word by die berekening van die gemiddelde koste wat alleen op die koste van goedere werklik in voorraad en die koste van nuwe besendings soos en wanneer ontvang, gebaseer mag word.

3. Vir doeleindes van hierdie kennisgewing omvat „Unie” die Mandaatgebied Suidwes-Afrika en die hawe en nedersetting Walvisbaai.

OPMERKINGS.—(1) Die volgende voorbeeld word gegee om die wyse van vasstelling van die gemiddelde koste te verduidelik:

'n Handelaar neem bv. op 1 September 100 artikels wat 15s. elk kos, in sy voorraad, op, d.w.s. teen 'n totale koste van £75 en vind dat hy op daardie datum 50 soortgelyke artikels voorhande het waarvan die totale koste £25 is. Sy gemiddelde koste is £75 plus £25, d.w.s. £100, deur 150 gedeel, of 13s. 4d., wat die basis uitmaak vir die vasstelling van sy verkoopprys. Daarna op 7 Oktober ontvang hy nog 'n besending van 60 artikels teen 17s. 6d. elk en het op daardie datum 40 artikels in voorraad. Sy nuwe gemiddelde koste is 60 maal 17s. 6d. plus 40 maal 13s. 4d. deur 100 gedeel.

(2) Kragtens regulasie 16 (q) van bovermelde Oorlogsmaatreel pleeg enige handelaar wat sy gemiddelde koste bereken, maar in gebreke bly om die voorwaardes in paragraaf 2 hierbo uiteengesit na te kom, bv. in gebreke bly om die voorgeskrewe register te hou, 'n misdryf.

(3) Die register waarna in paragraaf 2 (1) hierbo verwys word, moet altyd beskikbaar wees vir ondersoek deur 'n prysbeheerinspekteur. Kragtens Goewermentskennisgewing No. 2580 van 11 Desember 1942 (Uitreiking van Fakteure) moet die fakture van die leveransiers vir 'n tydperk van minstens twee jaar bewaar word.

(4) „Gemiddelde koste” soos vasgestel ooreenkomsdig hierdie kennisgewing sal vir doeleindes van Oorlogsmaatreel No. 100 van 1942 as „koste” beskou word.

PRICE CONTROL.

AVERAGING OF COSTS.

1. Notwithstanding anything contained in Government Notice No. 1687 of 10th September, 1943 (Determination of Costs), I, EDWARD JAMES CREAN, Price Controller, do hereby, throughout the Union, grant permission, in terms of regulation 12 of War Measure No. 100 of 1942, to any importer, manufacturer or dealer within the meaning of the aforesaid notice to average the cost (determined in accordance with the said notice) of any goods acquired or manufactured by him with the cost (similarly determined) of like goods held in stock by him.

2. This permission is granted subject to compliance by the said importer, manufacturer or dealer with the following conditions:

(1) A record of averaged costs, hereafter referred to as the “record”, showing the particulars specified in the Schedule hereto shall be maintained;

(2) upon the receipt into stock of any new goods, the cost of which it is intended to average with the cost of like goods in stock, particulars thereof shall be entered in part A of the record;

(3) particulars of like goods in stock on the date of the receipt of the goods referred to in sub-paragraph (2) hereof shall be entered in part B of the record; in the absence of records from which the quantity on hand on the date in question can readily be ascertained, the quantity of such stock to be determined by an actual stock-taking;

(4) upon the completion of parts A and B of the record parts C and D shall be completed;

(5) the average cost shall be calculated according to the method of the weighted average, i.e., the total cost of all the units of a particular article in the new consignment plus that of all the units of the like article in stock shall be divided by the aggregate of the respective quantities, and the said average shall be a running average, i.e., it shall be determined afresh upon the receipt into stock of each new consignment;

(6) no goods shall be sold at a price based on an average cost until the entries in the record have been completed; and

(7) replacement values may not be taken into consideration in arriving at average costs, which may be based only on the costs of goods actually in stock and the costs of new consignments as and when received.

3. For the purposes of this notice “Union” includes the Mandated Territory of South West Africa and the port and settlement of Walvis Bay.

NOTES.—(1) The following example is given to illustrate the method of determining average costs:

A dealer receives into stock on, say, 1st September, 100 articles costing 15s. each, i.e., a total cost of £75 and finds that on that date his stock of like articles is 50, the total cost of which is say £25. His average cost is £75 plus £25, i.e., £100 divided by 150 or 13s. 4d. which forms the basis for the determination of his selling price. Subsequently on, say, 7th October he receives another consignment of, say, 60 articles at 17s. 6d. each and has on that date 40 articles in stock. His new average cost is 60 times 17s. 6d. plus 40 times 13s. 4d. divided by 100.

(2) In terms of regulation 16 (q) of the abovequoted War Measure any dealer who averages costs but fails to comply with the conditions set forth in paragraph 2 above e.g., fails to keep the prescribed record, is guilty of an offence.

(3) The record referred to in paragraph 2 (1) above must be kept always available for inspection by a price control inspector. In terms of Government Notice No. 2580 of 11th December, 1942 (Issue of Invoices), the suppliers' invoices must be preserved for a period of at least two years.

(4) “Average cost” as determined in accordance with this notice will be regarded as “cost” for the purposes of War Measure No. 100 of 1942.

DIVERSE.

* KENNISGEWING No. 698 VAN 1943.

UITREIKING VAN PETROLRANTSOENKOEPOONS.

1. Die aandag word gevëdig op Goewermentskennisgewing No. 1685 van 10 September 1943 waarby bepaal word dat vanaf 6 November 1943 petrolrantsoenkoopons by poskantore uitgereik sal word alleen by voorlegging van motorvoertuiglisensies wat vir hul geldigheid vir die uitreiking van sulke koopons geëndosseer is.

2. Daar word vroegtydig van hierdie veranderde prosedure kennis gegee sodat die publiek genoeg tyd kan hê om hul motorvoertuiglisensies te laat endosseer.

3. Die endossering van motorvoertuiglisensies sal deur distrikskontroleurs van petrol in die verskeie distrikte ondernem word en sal alleen op lisensies vir motorkarre en motorfiets van toepassing wees. Die endossering van motorvoertuiglisensies geld nie vir lisensies vir vrugmotors, motorbusse, ens., waarvoor petrolrantsoenkoopons nie by poskantore verkry word nie. *Dit moet duidelik verstaan word dat lisensies nie by poskantore vir endossering aangebied moet word nie.*

4. Motorkar- en motorfietslisensies moet vir endossering aan die distrikskontroleur in wie se regsgebied die motorkar of motorfiets geregistreer is, voorgelê word. Op hierdie vereiste moet goed gelet word, aangesien geen distrikskontroleur bevoeg sal wees om die lisensie van 'n motorvoertuig wat nie in sy regsgebied geregistreer is nie, te endosseer nie.

5. Nog 'n verandering in verband met die uitreiking van petrolrantsoenkoopons is dat motorkar- en motorfietsseinaars vanaf 6 November 1943 die poskantoor sal moet kies waar hulle hul basiese petrolrantsoenkoopons vir Desember en daarna wil kry. Spesiale kaarte is gedruk en aan poskantore gestuur en uitreikings van basiese petrolrantsoenkoopons aan afsonderlike eienaars van motorkarre en motorfiets sal daarop aangeteken word. Hierdie kaarte sal 'n permanente register uitmaak. Vanaf 6 November 1943 moet lede van die publiek dus hul basiese petrolrantsoenkoopons kry by die poskantore waar hulle van plan is om sulke koopons steeds in die toekoms te kry. Waar iemand permanent van verblifplek verander en gevölglik sy basiese petrolrantsoenkoopons by 'n ander poskantoor wil kry, kan hy by die kantoor wat hy in die eerste plek uitgekeis het aansoek doen om die oorplasing van sy kaart na die poskantoor wat die naaste aan sy nuwe verblifplek is. In hierdie verband moet dit egter beklemtoon word dat geen oorplasing van kaarte vir 'n korter tydperk as drie maande toegelaat sal word nie.

6. Lede van die publiek wat deur bogenoemde veranderingen geraak word, word ernstig versoek om met die petrolbeheerorganisasie saam te werk deur hul lisensies vroegtydig te laat endosseer. Terwyl besef word dat hierdie veranderinge ongerief sal meebring, kan daar haas nie 'n geval wees waar dit vir die publiek onmoontlik is om by die vermelde datum aan die nuwe vereiste te voldoen. Ongerief sal nie as voldoende grond vir nie-nakoming van hierdie vereistes aangeneem word nie.

Petrolkontroleur.

GENERAL NOTICE.

MISCELLANEOUS.

* NOTICE No. 698 OF 1943.

ISSUE OF PETROL RATION COUPONS.

1. Attention is invited to Government Notice No. 1685 of 10th September, 1943, which provides that as from the 6th November, 1943, petrol ration coupons will be issued at Post Offices only against the production of motor vehicle licences which bear an endorsement to the effect that they are valid for the issue of such coupons.

2. Timely notice is being given of this change in procedure in order to afford the public an adequate space of time in which to have their motor vehicle licences endorsed.

3. The endorsement of motor vehicle licences will be undertaken by District Controllers of Petrol in the various districts and will apply only to licences in respect of motor cars and motor cycles. The endorsement of motor vehicle licences does not apply to licences in respect of lorries, buses, etc., for which petrol ration coupons are not drawn at Post Offices. *It should be clearly understood that licences are not to be presented at Post Offices for endorsement.*

4. Motor car and motor cycle licences must be submitted for endorsement to the District Controller in whose area of jurisdiction the motor car or motor cycle is registered. This requirement must be clearly borne in mind as no District Controller will have authority to endorse the licence of a motor vehicle which is not registered in his area of jurisdiction.

5. A further change in connection with the issue of petrol ration coupons is that the owners of motor cars and motor cycles will, as from the 6th November, 1943, be required to select the Post Office at which they desire to draw their basic petrol ration coupons for December and for the future. Special cards have been printed and distributed to Post Offices and issues of basic petrol ration coupons to individual owners of motor cars and motor cycles will be entered thereon. These cards will constitute a permanent record. Members of the public should, therefore, as from the 6th November, 1943, draw their basic petrol ration coupons at the Post Offices at which they intend to continue drawing such coupons in the future. Where an individual changes his place of residence permanently and desires for that reason to draw his basic petrol coupons at another Office, he can apply to the Office which he selected in the first instance to have his card transferred to the Post Office nearest his new place of residence. It should be emphasised in this connection, however, that no transfer of cards for a period of less than three months will be permitted.

6. Members of the public who are affected by the changes detailed above are enjoined to co-operate with the Petrol Control Organisation by making timely arrangements for the endorsement of licences. While it is realised that these changes will entail inconvenience, there can hardly be any instance where it is impossible for the public to comply with the new requirements by the date indicated. Inconvenience will not be accepted as adequate grounds for non-compliance with these requirements.

E. P. SMITH,
Controller of Petrol.
