(6) As 'n bediener nie die eerste keer in die eksamen slaag nie, word hy toegelaat om weer by tussenpose van ongeveer ses maande, dog altesame nie meer as viermaal nie, 'n eksamen af te lê.

The Secretary for Transport shall notify the Commission the names of all Operators who pass.

(2) An Operator appointed under Regulation No. 220 at a commencing salary of £275 per annum, or more, shall receive no further advancement in salary until he has passed such examination.

(3) An Operator who has attained the salary of £250 per annum may be permitted to enter for the examination and shall be required to do so after he has attained a salary of £275 per annum; provided that no Operator appointed under Regulation No. 220 at a salary of £225 per annum, or more, shall be required to enter for the examination until the expiration of two years reckoned from the date of his appointment as Operator.

(4) An Opertator who has attained a salary of £250 per annum, or more, at the date of promulgation of the regulations in this part, and at the expiration of two years reckoned from that date, has not passed the relative examination, shall receive no further advancement in salary until he has passed such examination. If the examination be passed after the next scale increment would normally have accrued, the date of subsequent salary advancement shall be determined by the Commission.

(5) If an Operator succeeds in passing the prescribed examination before he becomes eligible in the ordinary course for the grant of a scale increment carrying his salary beyond £275 per annum, or, in the case of an Operator appointed at a salary in excess of £275 per annum, beyond such higher salary, he may be granted the scale increment from the date it normally accrues subject to the provisions of Regulation No. 23. If the examination be passed after the next scale increment would normally have accrued, the date of subsequent salary advancement shall be determined by the Commission.

CIRCULAR TO SHAREHOLDERS.

DEAR SIR (OR MADAM),

As stated by the Chairman in his address at the last Annual General Meeting, the payable ore developed by the Company on the farm Holfontein No. 1, district Springs, prior to the suspension of operations in 1939 was estimated to be 154,000 tons of an average value of 3·9 dwt. over an assumed stoping width of 38·5 inches. This reserve was developed in a limited zone of reef enrichment in the southern section of the property and the information available indicates that such mining possibilities as exist at the mine are confined to this particular area.

In view of the increased price obtainable for gold, following the devaluation of South African currency in 1949, the prospects of bringing the mine to production as an independent unit were re-examinded. The value of the available and potential ore reserve had undoubtedly appreciated but a careful review of the position made it apparent that devaluation had not improved to any material extent the prospects of reopening the mine. In the opinion of the Company's technical advisers, the total ore reserves that would become available as a result of further development at the mine would be low in value and relatively very limited in tonnage. In the circumstances, it is clear that the Company would not be justified in attempting to raise the substantial additional funds required to reopen the mine and to pursue a development programme, the results of which would be unlikely to warrant the mine being brought to production as an independent producer.

Exploitation of the southern section of the property might have offered scope of financial benefit to the Company if it had been possible to arrange for the area to be taken over or worked on a tribute basis by one or other of the neighbouring mines, Modderfontein East, Limited or Welgedacht Exploration Company, Limited. During 1950, however, discussions which took place between your Company's technical advisers and those of Modderfontein East, Limited and Welgedacht Exploration Company, Limited established that your Company's property was not of interest to either of these neighbouring mines. Furthermore, it is doubtful whether, in the light of these discussions, your Company would be able to submit a sufficiently good case to the Honourable the Minister of Mines to justify a renewal of the existing prospecting and mining lease when this falls due for renewal in July, 1951.

The position has been very carefully considered by your Directors who are now of the opinion that every reasonable possibility of exploiting your Company's mine to advantage has been exhausted, and that it would be in the best interests of shareholders to place the Company in voluntary liquidation.

Accompanying this Circular is a Notice convening an Extraordinary General Meeting of the Company to be held at 11 a.m. on the 7th February, 1951, for the purpose of considering and, if thought fit, of passing Special Resolutions placing the Company in voluntary liquidation.

Should you be unable to attend the meeting, you are requested to complete the enclosed Form of Proxy as indicated thereon and return it to the Transfer Secretaries, P.O. Box 2058, Johannesburg, to reach them not later than forty-eight hours before the time fixed for the holding of the meeting.

Shareholders who have not yet lodged their shares for registration are advised to do so not later than 31st January, 1951, to enable them to participate in the distribution should it be decided that the Company be wound up in terms of the Special Resolutions detailed in the accompanying Notice.

Yours faithfully,

Secretaries.

CIRCULAR NOTICE TO SHAREHOLDERS.

To the Shareholders,
Seafare Investments, Limited,

Dear Sir/Madam,

This notice, which accompanies a notice of an Extraordinary General Meeting to be held on Tuesday, 30th January, 1951, is to explain the purpose of the Resolutions which will be submitted for consideration at the meeting and which your Directors unanimously recommend for adoption. Shareholders who are unable to attend, but wish to be represented at the Extraordinary General Meeting, should complete the enclosed form of Proxy and return it to the Secretary, P.O. Box 3596, Cape Town, not later than 48 hours before the time fixed for the meeting.

Your Company has been operating very successfully for the past fifteen months, and during that time has undertaken various services on behalf of the companies comprising the Seafare Group, including those of Insurance Brokers and Transfer Secretaries. It is now proposed by your Directors that the scope of operations of your Company should be increased and that your Company should undertake additional services within the Seafare Group. The services envisaged include technical, managerial and secretarial services, group buying, shipping, clearing and forwarding, the extension of insurance facilities and various items conducive to the furtherance of group policy.

In order to enable your Directors to undertake these further services, it has been necessary to propose to shareholders to increase the authorised and issued share capital of your Company. Furthermore as it is intended to apply to the Johannesburg Stock Exchange for a quotation for the shares of your Company which it is proposed to issue, your Board have thought it advisable to make the par value of each share 10s. and not £1 as heretofore. This, however, cannot be done without the consent of shareholders, and the passing of Special Resolutions to alter the par value of the existing shares from £1 each to 10s. each. Special Resolution No. 1 covers this proposal.

In order to comply with the requirements of the Johannesburg Stock Exchange, it has been necessary for your Company to cancel its existing 25,000 Cumulative Preference Shares, none of which have been taken up. This requirement of the Johannesburg Stock Exchange is covered by Special Resolution No. 2.

Special Resolution No. 3 is for the purpose of diminishing this part of your Company's capital.

Special Resolution No. 4 (*a*), (*b*) (i), (ii), (iii), (iv) and (v) is for the purpose of increasing the share capital of your Company from the present £75,000 which is the original £100,000 nominal capital less the 25,000 Cumulative Preference Shares of £1 each diminished by Special Resolution No. 3, to one of £1,000,000 by the creation of 1,650,000 additional shares of 10s. each and the creation of 100,000 Cumulative Preference Shares of £1 each.

The conditions pertaining to the Cumulative Preference Shares are set out in full in the accompanying Resolutions.

Special Resolution No. 5 is for the purpose of bringing the Articles of Association of your Company into line with the requirements of the Johannesburg Stock Exchange.

It is proposed by your Directors:—

(1) To issue up to 100,000 Cumulative Preference Shares of £1 each.
(2) To issue up to 1,440,000 Ordinary Shares for the purpose of acquiring substantial blocks of shares in associated companies at prices favourable to your Company.
(3) To issue up to 360,000 shares to shareholders of your Company, Lamberts Bay Canning Company, Limited and South African Sea Products, Limited for cash at a premium to be determined by your Directors.

The necessary authority to enable your Directors to issue the aforementioned shares will be covered by Ordinary Resolutions Nos. 1, 2 and 3 which will be submitted to shareholders at the Extraordinary General Meeting.

As indicated above, application will be made to the Committee of the Johannesburg Stock Exchange for a quotation for the shares of your Company which it is now proposed to issue.

By Order of the Board.

A.—AS SPECIAL RESOLUTIONS.—

1. That each of the 75,000 £1 Ordinary Shares of this Company be subdivided into two shares of 10s. each so that two fully paid up 10s. Ordinary Shares shall be issued in replacement of each fully paid up £1 share issued by the Company.
2. In pursuance of the provisions of Section 39 (*e*) of the Companies Act, 1926, and the Company's Article of Association No. 48, to cancel the Company's 25,000 Cumulative Preference Shares of the value of £1 each, no one of which has been taken or agreed to be taken by any person.
3. To diminish the amount of the Company's share capital by the sum of Twenty Five Thousand Pounds (£25,000), being the amount of the shares so cancelled.
4. That the nominal capital of the Company shall be increased from the sum of Seventy Five Thousand Pounds (£75,000), being £100,000 the original nominal capital less the sum of £25,000 by which it was diminished by Special Resolution passed on this day) to One Million Pounds (£1,000,000) by the creation of:—
   (*a*) One Million Six Hundred and Fifty Thousand (1,650,000) Ordinary Shares of 10s. each, which shall be issued subject to the same conditions as those applicable to the existing Ordinary Shares of the Company, originally of the face value of £1 each and now subdivided into shares of 10s. each, and shall rank *pari passu* therewith; and

(1) Each share shall bear a cumulative preferent dividend of Six Per Centum (6%) up to and including the day on which the capital is repaid. The dividends shall be paid half-yearly, namely, on the 30th day of June and 31st day of December in each year.

(2) The capital on the liquidation of the Company shall be repaid at par and preferentially to the capital of Ordinary Shares of the Company.

(3) The rights devolving on each holder of the shares shall be restricted to requiring the Company or the Liquidator thereof to pay to him the par value of the shares held by him, together with a cumulative preferent dividend up to and including the day on which the capital is repaid.

(4) The shares shall not carry any voting rights unless the preferent dividend is in arrear and unpaid for more than twelve months: or except upon a resolution for the alteration of the Articles of Association affecting the rights and privileges attaching to the Preference Shares; or upon a resolution for the winding up of the Company; or upon a resolution for reducing the capital of the Company; or upon a resolution directly or adversely affecting any of the special rights or privileges attached to the Preference Shares; or during the time when the Company is being wound up. In any of these events the Preference Shares would carry the same voting rights as Ordinary Shares save that when the holders of the Preference Shares are entitled to vote they shall be entitled on a poll in respect of their holding of Preference Shares to two votes for each share held.

(5) The Company shall not have the right to issue any further Preference Shares ranking *pari passu* or prior to the issue unless either—

(i) the holders of at least three-fourths of the issued Cumulative Preference Shares in writing, approve thereof, or

(ii) the holders of the issued Cumulative Preference Shares approve thereof by a resolution passed at a separate Extraordinary Meeting of such shareholders.

5. That Article 60 of the Company's Articles of Association be amended by the insertion of the words " and entitled to vote " between the words " present " and " shall " in the first line thereof.

B.—As Ordinary Resolution.—

1. That the Directors be and they are hereby authorised to allot and issue up to 100,000 Cumulative Preference Shares of £1 each.

THE ALIENS ACT, 1937.

NOTICE OF INTENTION TO CHANGE NAME.

I, EDWARD CAMACHO, residing at Edmurton, Hamilton Road, Claremont, Cape, and carrying on business as a builder, intend to apply to the Governor-General for authority, under Section 9 of the Aliens Act, 1937, to assume the surname of CAMARSH for the reason that the surname CAMACHO is actually pronounced CAMARSH and through various mispronunciations thereof from time to time it is apt to create confusion and tends to disassociate my identity.

I previously bore the name EDWARD CAMACHO.

Any person who objects to our assumption of the said name of CAMARSH should as soon as may be lodge his objection, in writing, with a statement of his reasons therefor, with the Magistrate of Wynberg, Cape Province.—E. Camacho. 15th December, 1950. 14353—15-22-29-5

3. Bokhaar vir verkoop bestem, is onderhewig aan inspeksie deur 'n inspekteur deur die Minister aangewys en so'n inspekteur kan op alle redelike tye enige perseel binnegaan waarin of waarop daar bokhaar vir doeleindes van verkoop gehou of na vermoede gehou word en kan sodanige bokhaar ondersoek.
