CIRCULAR TO SHAREHOLDERS.

Dear Sir/Madam,

At the Annual General Meeting of Shareholders held on 12th September, 1950, the Chairman stated that consideration would have to be given to the problem of providing additional funds to enable your Company to carry on its operations. The Chairman reviewed generally the future programme of your Company and indicated that further drilling would be carried out in certain areas in the Orange Free State; also that a decision would have to be made regarding the purchase of the mineral rights over certain farms, the rights to which are under option to your Company, particularly those farms in the vicinity of the Merriespruit and Virginia Lease Areas, and in the Vaal River and Zand River Blocks.

During December, 1950, your Company availed itself of the offer made by Freddies North Lease Area, Limited, and Freddies South Lease Area, Limited, to subscribe for 5 Per Cent. Registered Unsecured Convertible Loan Stock 1953/60 in the two companies and a total nominal amount of £208,814 Stock was taken up in this connection. In order to provide funds to finance your Company's operations and to take up the Loan Stock referred to, arrangements were made with the Johannesburg Consolidated Investment Company, Limited, whereby that Company would make advances to your Company on Loan Account; at 28th February, 1951, sums totalling £280,000 had been advanced to your Company.

As the Articles of Association limit the amount which the Directors may borrow, without the sanction of a General Meeting, to one-half of the issued share capital of the Company, i.e., to £302,500, and as this figure has nearly been reached, your Directors recommend that, pending decisions regarding the raising of further capital sums, they be given authority, in terms of your Company's Articles of Association, to borrow sums in excess of the said amount. They also recommend that the nominal capital of the Company be increased from £605,000 to £1,000,000. When a decision is made regarding the issue to shareholders of the shares thus created, a Circular will be issued containing particulars of the number of new shares to be issued and the terms and conditions upon which the shares will be offered to shareholders.

Accordingly, an Extraordinary General Meeting has been called for the 5th April, 1951, at which shareholders will be asked to pass resolutions:—

(1) Increasing the nominal capital of the Company from £605,000 to £1,000,000 by the creation of 1,580,000 new shares of 5s. each.
(2) Giving the Directors powers to offer to shareholders in proportion to their shareholding such number of these shares at such time or times and on such terms and conditions as they in their discretion may determine, and
(3) Authorising the Directors to arrange for the underwriting of the issue or issues, free of commission or for a commission, at the same price and subject to the same conditions as the shares are offered to shareholders.

At the Extraordinary General Meeting referred to above you will also be asked to pass a further resolution authorising the Directors to borrow such further sums as may be necessary for the purposes of the Company provided that the total amount so borrowed at any time shall not exceed the amount of the issued capital of the Company for the time being.

For the purposes of the Extraordinary General Meeting, the Share Transfer Books and Register of Members of the Company will be closed from 28th March to 5th April, 1951, both days inclusive, and holders of shares not registered in their names desiring to be present or represented at the meeting must register their shares on or before 27th March, 1951.

The Notice convening the meeting is enclosed, and if you are unable to attend the Meeting, you are asked to complete the form of proxy accompanying the Notice, and to return it to the Transfer Secretaries, P.O. Box 590, Johannesburg, so as to reach them not later than twenty-four hours before the time fixed for the holding of the Meeting.
