Place and date of deposit of the Union's instrument of accession: Berne, 2nd April, 1952.

The undersigned, Plenipotentiaries of the Governments represented at the Diplomatic Conference held at Geneva from April 21 to August 12, 1949, for the purpose of revising the Geneva Convention for the Relief of the Wounded and Sick in Armies in the Field of July 27, 1929, have agreed as follows:—

CHAPTER I.

GENERAL PROVISIONS.

ARTICLE 1.

The High Contracting Parties undertake to respect and to ensure respect for the present Convention in all circumstances.

ARTICLE 2.

In addition to the provisions which shall be implemented in peace time, the present Convention shall apply to all cases of declared war or of any other armed conflict which may arise between two or more of the High Contracting Parties, even if the state of war is not recognised by one of them.

The Convention shall also apply to all cases of partial or total occupation of the territory of a High Contracting Party, even if the said occupation meets with no armed resistance.

Although one of the Powers in conflict may not be a party to the present Convention, the Powers who are parties thereto shall remain bound by it in their mutual relations. They shall, furthermore, be bound by the Convention in relation to the said Power, if the latter accepts and applies the provisions thereof.

ARTIKEL 3.

In geval van 'n gewapende botsing van 'n nie-internasionale aard wat in die grondgebied van een van die hoë kontrakterende partye voorkom, is elke party wat daarby betrokke is verplig om ten minste die volgende bepalings toe te pas:—

(1) Persone wat nie aktief aan die vyandelikhede deelneem nie, insluitende lede van gewapende magte, wat hulle wapens neergelê het, en diegene wat weens siekte, wonde, aanhouding, of enige ander oorsaak, buite geveg gestel is, moet onder alle omstandighede menslik behandel word, sonder nadelige onderskeid weens ras, kleur, godsdiens of geloof, geslag, geboorte of stand, of enige ander soortgelyke maatstaf.

Te dien einde is die volgende handelinge ten opsigte van bovermelde persone altyd en te eniger tyd en op enige plek hoegenaamd verbode:—

(*a*) Geweldpleging teen en aanslag op die lewe van 'n persoon, veral moord van enige aard, verminking, wrede behandeling en marteling.

(*b*) Aanhou van gyselaars.

(*c*) Vergrype en belediginge teen die persoonlike waardigheid; in die besonder vernederende behandeling.

(*d*) Die oplê van strawwe en voltrekking van teregstellings sonder voorafgaande uitspraak en vonnis deur 'n wettig saamgestelde hof, met verlening van alle geregtelike waarborge wat deur beskaafde volke as noodsaaklik en onmisbaar erken word.

(2) Die gewondes en siekes moet bymekaargemaak en versorg word.

'n Onpartydige mensliewende liggaam, soos die Internasionale Komitee van die Rooikruis, mag sy dienste aan die botsende partye aanbied.

Die botsende partye behoort verder 'n poging aan te wend om deur middel van spesiale ooreenkomste al of 'n gedeelte van die bepalings van die huidige konvensie in werking te stel.

Die wettige status van die botsende partye word geensins deur die toepassing van die voorafgaande bepalings geraak nie.

ARTIKEL 4.

Neutrale moondhede moet die bepalings van die huidige konvensie op 'n ooreenkomstige wyse toepas op die gewondes en siekes, en lede van die mediese personeel en veldpredikers van die gewapende magte van die botsende partye, wat in hul grondgebied ontvang of geïnterneer word, asook op dooies wat gevind word.

ARTIKEL 5.

Die huidige konvensie is op die beskermde persone wat in die hande van die vyand geval het tot hulle uiteindelike repatriëring van toepassing.

ARTIKEL 6.

Benewens die ooreenkomste soos uitdruklik in artikels 10, 15, 23, 28, 31, 36 en 37 uiteengesit, kan die hoë kontrakterende partye spesiale ooreenkomste aangaan oor alle sake ten aansien waarvan hulle dit dienstig ag om besondere voorsiening te maak. Ten aansien van gewondes en siekes of lede van die mediese personeel of veldpredikers, soos in die huidige konvensie omskryf, mag geen spesiale ooreenkoms hulle omstandighede benadeel, of die regte wat aan hulle verleen is beperk nie.

Gewondes en siekes, asook mediese personeel en veldpredikers, moet steeds, terwyl die huidige konvensie op hulle van toepassing is, die voordele van sodanige ooreenkomste geniet, behalwe ingeval uitdruklike andersluidende bepalings in die voormelde of latere ooreenkomste vervat is, of gunstiger maatreëls ten aansien van hulle deur een of ander van die botsende partye getref word.

ARTICLE 3.

In the case of armed conflict not of an international character occurring in the territory of one of the High Contracting Parties, each Party to the conflict shall be bound to apply, as a minimum, the following provisions:—

(1) Persons taking no active part in the hostilities, including members of armed forces, who have laid down their arms and those placed *hors de combat* by sickness, wounds, detention, or any other cause, shall in all circumstances be treated humanely, without any adverse distinction founded on race, colour, religion or faith, sex, birth or wealth, or any other similar criteria.

To this end the following acts are and shall remain prohibited at any time and in any place whatsoever with respect to the above-mentioned persons:—

(*a*) Violence to life and person, in particular murder of all kinds, mutilation, cruel treatment and torture.

(*b*) Taking of hostages.

(*c*) Outrages upon personal dignity, in particular humiliating and degrading treatment.

(*d*) The passing of sentences and the carrying out of executions without previous judgment pronounced by a regularly constituted court, affording all the judicial guarantees which are recognised as indispensable by civilised peoples.

(2) The wounded and sick shall be collected and cared for.

An impartial humanitarian body, such as the International Committee of the Red Cross, may offer its services to the Parties to the conflict.

The Parties to the conflict should further endeavour to bring into force, by means of special agreements, all or part of the other provisions of the present Convention.

The application of the preceding provisions shall not affect the legal status of the Parties to the conflict.

ARTICLE 4.

Neutral Powers shall apply by analogy the provisions of the present Convention to the wounded and sick, and to members of the medical personnel and to chaplains of the armed forces of the Parties to the conflict, received or interned in their territory, as well as to dead persons found.

ARTICLE 5.

For the protected persons who have fallen into the hands of the enemy, the present Convention shall apply until their final repatriation.

ARTICLE 6.

In addition to the agreements expressly provided for in Articles 10, 15, 23, 28, 31, 36 and 37 the High Contracting Parties may conclude other special agreements for all matters concerning which they may deem it suitable to make separate provision. No special agreement shall adversely affect the situation of the wounded and sick, or of the members of medical personnel or of chaplains, as defined by the present Convention, nor restrict the rights which it confers upon them.

Wounded and sick, as well as medical personnel and chaplains, shall continue to have the benefit of such agreements as long as the Convention is applicable to them, except where express provisions to the contrary are contained in the aforesaid or in subsequent agreements, or where more favourable measures have been taken with regard to them by one or other of the Parties to the conflict.

ARTIKEL 7.

Gewondes en siekes, asook lede van die mediese personeel en veldpredikers, mag onder geen omstandighede van die regte wat aan hulle ingevolge die huidige konvensie en die spesiale ooreenkomste, in die voorafgaande artikel vermeld, indien daar is, verleen is, geheel of gedeeltelik afstand doen nie.

ARTIKEL 8.

Die huidige konvensie moet in samewerking met en onder die toestig van die beskermende moondhede, wie se plig dit is om die belange van die botsende partye te beskerm, toegepas word. Vir dié doel mag die beskermende moondhede, afgesien van hul diplomatieke of konsulêre personeel, uit hul eie burgers of uit burgers van ander neutrale moondhede, afgevaardigdes benoem. Die genoemde afgevaardigdes is onderworpe aan goedkeuring deur die moondheid by wie hulle hul pligte moet uitvoer.

Die botsende partye moet die taak van die verteenwoordigers of afgevaardigdes van die beskermende moondhede soveel moontlik vergemaklik.

Die verteenwoordigers of afgevaardigdes van die beskermende moondhede mag in geen geval hul opdrag ingevolge die huidige konvensie oorskry nie. Hulle moet veral rekening hou met die dringende noodsaaklikhede van veiligheid van die staat waarin hulle hul pligte moet uitvoer. Hulle werksaamhede mag slegs as 'n buitengewone en tydelike maatreël beperk word wanneer dringende militêre noodsaaklikhede dit gebiedend maak.

ARTIKEL 9.

Die bepalings van die huidige konvensie verhinder geensins die mensliewende werksaamhede wat die Internasionale Komitee van die Rooikruis of enige ander onpartydige mensliewende organisasie, onderworpe aan die toestemming van die betrokke botsende partye, vir die beskerming van gewondes en siekes, mediese personeel en veldpredikers, of vir hulle verligting mag onderneem nie.

ARTIKEL 10.

Die kontrakterende partye kan te eniger tyd ooreenkom om die pligte wat deur die beskermende moondheid kragtens en ingevolge die huidige konvensie uitgevoer moet word, aan 'n geheel onpartydige en bekwame organisasie op te dra.

Wanneer gewondes en siekes of mediese personeel en veldpredikers geen voordeel trek nie of ophou om voordeel te trek, om watter rede ookal, uit die werksaamhede van 'n beskermende moondheid of 'n organisasie waarvoor daar hierbo in die eerste paragraaf voorsiening gemaak is, moet die aanhoudende moondheid 'n neutrale staat, of so 'n organisasie, versoek om die funksies wat kragtens die huidige konvensie deur die botsende partye aan 'n beskermende moondheid opgedra is, uit te voer.

As beskerming nie dienooreenkomstig gereël kan word nie, moet die aanhoudende moondheid, 'n mensliewende organisasie, soos die Internasionale Komitee van die Rooikruis, versoek of die aanbod van sy dienste aanvaar om, behoudens die mensliewende funksies wat deur die beskermende moondhede ingevolge die huidige konvensie verrig word, te vervul.

'n Neutrale moondheid, of enige organisasie wat deur die betrokke moondheid versoek word of hom vir dié doeleindes aanbied, moet met 'n besef van verantwoordelikheid optree teenoor die botsende party van wie persone wat deur die huidige konvensie beskerm word, afhanklik is, en moet genoegsame waarborge verstrek dat hy in staat is om die aangewese funksies te onderneem en onpartydig uit te voer.

Die voorafgaande bepalings mag nie by spesiale ooreenkomste tussen moondhede waarvan een, weens militêre gebeurtenisse, selfs tydelik, verhinder is om met die ander moondheid of sy bondgenote vrylik te onderhandel, ingekort word nie, veral ingeval die hele of 'n aansienlike gedeelte van die grondgebied van die genoemde moondheid beset word.

Waar daar in die huidige konvensie melding gemaak word van 'n beskermende moondheid, is dit vir die doel vir hierdie artikel op plaasvervangende organisasies van toepassing.

ARTICLE 7.

Wounded and sick, as also members of the medical personnel and chaplains, may in no circumstances renounce in part or in entirety the rights secured to them by the present Convention, and by the special agreements referred to in the foregoing Article, if such there be.

ARTICLE 8.

The present Convention shall be applied with the co-operation and under the scrutiny of the Protecting Powers whose duty it is to safeguard the interests of the Parties to the conflict. To this effect, the Protecting Powers may appoint, apart from their diplomatic or consular staff, delegates from amongst their own nationals or the nationals of other neutral Powers. The said delegates shall be subject to the approval of the Power with which they are to carry out their duties.

The Parties to the conflict shall facilitate to the greatest extent possible the task of the representatives or delegates of the Protecting Powers.

The representatives or delegates of the Protecting Powers shall not in any case exceed their mission under the present Convention. They shall, in particular, take account of the imperative necessities of security of the State wherein they carry out their duties. Their activities shall only be restricted as an exceptional and temporary measure when this is rendered necessary by imperative military necessities.

ARTICLE 9.

The provisions of the present Convention constitute no obstacle to the humanitarian activities which the International Committee of the Red Cross or any other impartial humanitarian organisation may, subject to the consent of the Parties to the conflict concerned, undertake for the protection of wounded and sick, medical personnel and chaplains, and for their relief.

ARTICLE 10.

The Contracting Parties may at any time agree to entrust to an organisation which offers all guarantees of impartiality and efficacy the duties incumbent on the Protecting Powers by virtue of the present Convention.

When wounded and sick or medical personnel and chaplains do not benefit or cease to benefit, no matter for what reason, by the activities of a Protecting Power or of an organisation provided for in the first paragraph above, the Detaining Power shall request a neutral State, or such an organisation, to undertake the functions performed under the present Convention by a Protecting Power designated by the Parties to a conflict.

If protection cannot be arranged accordingly, the Detaining Power shall request or shall accept, subject to the provisions of this Article, the offer of the services of a humanitarian organisation, such as the International Committee of the Red Cross, to assume the humanitarian functions performed by Protecting Powers under the present Convention.

Any neutral Power, or any organisation invited by the Power concerned or offering itself for these purposes, shall be required to act with a sense of responsibility towards the Party to the conflict on which persons protected by the present Convention depend, and shall be required to furnish sufficient assurances that it is in a position to undertake the appropriate functions and to discharge them impartially.

No derogation from the preceding provisions shall be made by special agreements between Powers one of which is restricted, even temporarily, in its freedom to negotiate with the other Power or its allies by reason of military events, more particularly where the whole, or a substantial part, of the territory of the said Power is occupied.

Whenever in the present Convention mention is made of a Protecting Power, such mention applies to substitute organisations in the sense of the present Article.

ARTIKEL 11.

In gevalle waar hulle dit in die belang van beskermde persone raadsaam ag, veral in gevalle van verskil tussen die botsende partye aangaande die toepassing of vertolking van die bepalings van die huidige konvensie, moet die beskermende moondhede welwillend hulle dienste verleen met die oog op 'n oplossing van die verskil.

Te dien einde kan elkeen van die beskermende moondhede, ditsy op uitnodiging van een party of uit eie beweging aan die botsende partye of hulle verteenwoordigers voorstel dat 'n vergadering van hulle verteenwoordigers veral van die owerhede wat vir gewondes en siekes, mediese personeel en veldpredikers verantwoordelik is, so moontlik op neutrale grondgebied wat daarvoor uitgesoek is, gehou word. Die botsende partye is verplig om die voorstelle wat vir hierdie doel aan hulle gedoen word, uit te voer. Die beskermende moondhede kan, indien nodig, 'n persoon van 'n neutrale land of wat deur die Internasionale Komitee van die Rooikruis afgevaardig word, vir goedkeuring aan die botsende partye voorstel, wat dan uitgenooi moet word om aan so 'n vergadering deel te neem.

Pogings om hulle om die lewe te bring, of geweldpleging teen hulle, moet ten sterkste verbied word. Hulle mag veral nie vermoor of uitgedelg, gepynig of aan biologiese proefnemings onderwerp word nie; nie opsetlik sonder mediese hulp en versorging gelaat word nie; ook mag geen toestande geskep word om hulle aan besmetlike of aansteeklike siektes bloot te stel nie.

Hulle moet verder seker maak dat die dooies eervol begrawe word, indien moontlik volgens die gebruik van die kerk waaraan hulle behoor het; dat hulle grafte geëerbiedig word, gegroepeer, indien moontlik, volgens die nasionaliteit van die oorledenes, behoorlik onderhou en van opsikrifte voorsien, sodat die grafte altyd gevind kan word.

Die burgerlike bevolking moet hierdie gewondes en siekes respekteer, en veral sorg dat hulle geen geweld aangedoen word nie.

Niemand mag ooit gemolesteer of veroordeel word omdat hy gewondes of siekes verpleeg het nie.

Die bepalings van hierdie artikel onthef nie die besettingsmoondheid van sy verpligtings om die gewondes en siekes liggaamlik asook geestelik te versorg nie.

Ingeval hulle in die hande van die teenparty val, moet die personeel toegelaat word om met hulle dienste voort te gaan, as die gevangenemende moondheid nie self vir die nodige versorging van gewondes en siekes wat in sulke inrigtings en eenhede gevind word, maatreëls getref het nie.

These articles, together with unidentified articles, shall be sent in sealed packets, accompanied by statements giving all particulars necessary for the identification of the deceased owners, and by a complete list of the contents of the parcel.

ARTICLE 17.

Parties to the conflict shall ensure that burial or cremation of the dead, carried out individually as far as circumstances permit, is preceded by a careful examination and if possible by a medical examination, of the bodies, with a view to confirming death, establishing identity and enabling a report to be made. One-half of the double identity disc, or the identity disc itself if it is a single disc, should remain on the body.

Bodies shall not be cremated except for imperative reasons of hygiene or for motives based on the religion of the deceased. In case of cremation the circumstances and reasons for cremation shall be stated in detail in the death certificate or on the authenticated list of the dead.

They shall further ensure that the dead are honourably interred, if possible according to the rites of the religion to which they belonged, that their graves are respected, grouped if possible according to the nationality of the deceased, properly maintained and marked so that they may always be found. To this effect, they shall organise at the commencement of hostilities an Official Graves Registration Service, to allow subsequent exhumations and to ensure the identification of bodies, whatever the site of the graves, and the possible transportation to the home country. These provisions shall likewise apply to the ashes, which shall be kept by the Graves Registration Service until proper disposal thereof in accordance with the wishes of the home country.

As soon as circumstances permit, and at latest at the end of hostilities, these Services shall exchange, through the Information Bureau mentioned in the second paragraph of Article 16, lists showing the exact location and markings of the graves together with particulars of the dead interred therein.

ARTICLE 18.

The military authorities may appeal to the charity of the inhabitants voluntarily to collect and care for, under their direction, the wounded and sick, granting persons who have responded to this appeal the necessary protection and facilities. Should the adverse party take or retake control of the area, he shall likewise grant these persons the same protection and the same facilities.

The military authorities shall permit the inhabitants and relief societies, even in invaded or occupied areas, spontaneously to collect and care for wounded or sick of whatever nationality. The civilian population shall respect these wounded and sick, and in particular abstain from offering them violence.

No one may ever be molested or convicted for having nursed the wounded or sick.

The provisions of the present Article do not relieve the occupying Power of its obligations to give both physical and moral care to the wounded and sick.

CHAPTER III.

MEDICAL UNITS AND ESTABLISHMENTS.

ARTICLE 19.

Fixed establishments and mobile medical units of the Medical Service may in no circumstances be attacked, but shall at all times be respected and protected by the Parties to the conflict. Should they fall into the hands of the adverse Party, their personnel shall be free to pursue their duties, as long as the capturing Power has not itself ensured the necessary care of the wounded and sick found in such establishments and units.

Die verantwoordelike owerhede moet verseker dat die genoemde mediese inrigtings en eenhede, sover moontlik, só geleë is dat aanvalle teen militêre doelwitte nie hul veiligheid in gevaar stel nie.

ARTIKEL 20.

Hospitaalskepe wat tot die beskerming van die Geneefse Konvensie van 12 Augustus 1949, vir die verligting van die toestand van gewondes, siekes en skipbreukelinge van gewapende magte ter see, geregtig is, mag nie van die land af aangeval word nie.

ARTIKEL 21.

Beskerming mag egter, slegs na behoorlike waarskuwing gestaak word, met vermelding, in alle toepaslike gevalle, van 'n redelike tydsbepaling en nadat op so'n waarskuwing geen ag geslaan is nie.

ARTIKEL 22.

Dit moet beskou word dat die beskerming wat aan 'n mediese eenheid of inrigting by artikel 19 gewaarborg is, onder die volgende omstandighede nie ingetrek is nie, nl. deurdat—

(1) die personeel van die eenheid of inrigting gewapen is, en hulle wapens in selfverdediging gebruik, of vir verdediging van die gewondes en siekes onder hulle sorg;
(2) by afwesigheid van gewapende ordonnanse, die eenheid of inrigting deur 'n brandwag of skildwagte of 'n eskort beskerm word;

(5) die mediese eenhede en inrigtings of hul personeel hul mensliewende dienste aan die versorging van burgerlike gewondes of siekes verleen.

ARTIKEL 23.

Die kontrakterende partye kan in vredestyd en die deelnemende partye na die uitbreek van vyandelikhede in hul eie grondgebied en, indien dit noodsaaklik blyk, in besette gebiede, hospitaalsones en -plekke oprig en so organiseer dat die gewondes en siekes, asook die personeel wat met die organisasie en administrasie van dié sones en -plekke en die versorging van die persone wat daarin byeen is, belas is, teen die uitwerking van oorlog beskerm word.

Die betrokke partye kan by die uitbreek van vyandelikhede en gedurende die voortgang daarvan, ooreenkomste aangaan vir die onderlinge erkenning van die hospitaalsones en -plekke wat deur hulle tot stand gebring word. Vir dié doel kan hulle die bepalings van die aangehegte ontwerpooreenkoms van die huidige konvensie, met die wysigings wat hulle nodig mag ag, aanvul.

Die beskermende moondhede en die Internasionale komitee van die Rooikruis word gevra om hulle dienste goedgunstiglik te verleen ten einde die oprigting en erkenning van hierdie hospitaalsones en -plekke te bevorder.

HOOFSTUK IV.

Upon the outbreak and during the course of hostilities, the Parties concerned may conclude agreements on mutual recognition of the hospital zones and localities they have created. They may for this purpose implement the provisions of the Draft Agreement annexed to the present Convention, with such amendments as they may consider necessary.

The Protecting Powers and the International Committee of the Red Cross are invited to lend their good offices in order to facilitate the institution and recognition of these hospital zones and localities.

Daardie personeel en daardie eenhede moet onder die beheer van dié botsende party gestel word.

Die neutrale regering moet die teenparty van die staat wat sodanige hulp aanvaar van die toestemming in kennis stel. Die botsende party, wat sodanige hulp aanvaar, moet, voordat hy daarvan gebruik maak, die teenparty daarvan in kennis stel.

Te dien einde moet die botsende partye vanaf die uitbreek van vyandelikhede ooreenkom aangaande die ooreenstemmende senioriteit van die range van hul mediese personeel, insluitende dié van die verenigings in artikel 26 genoem. ARTIKEL 32.

Persone in artikel 27 genoem wat in die hande van die teenparty geval het, mag nie aangehou word nie.

By die uitbreek van vyandelikhede moet hulle mekaar in kennis stel van die model wat hulle gebruik. Identiteitskaarte moet, indien moontlik, ten minste in tweevoud uitgereik word, waarvan een afskrif in die vaderland gehou moet word.

Die onderskeidingsteken of identiteitskaarte mag onder geen omstandighede van die genoemde personeel afgeneem word nie, ook mag die reg om die armband te dra nie aan hulle ontsê word nie. In geval van verlies kan duplikaatkaarte aan hulle uitgereik en die onderskeidingstekens vervang word.

ARTICLE 37.

Subject to the provisions of the second paragraph, medical aircraft of Parties to the conflict may fly over the territory of neutral Powers, land on it in case of necessity, or use it as a port of call. They shall give the neutral Powers previous notice of their passage over the said territory and obey all summons to alight, on land or water. They will be immune from attack only when flying on routes, at heights and at times specifically agreed upon between the Parties to the conflict and the neutral Power concerned.

The neutral Powers may, however, place conditions or restrictions on the passage or landing of medical aircraft on their territory. Such possible conditions or restrictions shall be applied equally to all Parties to the conflict.

Unless agreed otherwise between the neutral Power and the Parties to the conflict, the wounded and sick who are disembarked, with the consent of the local authorities, on neutral territory by medical aircraft, shall be detained by the neutral Power in such a manner that they cannot again take part in operations of war where so required by international law. The cost of their accommodation and internment shall be borne by the Power on which they depend.

CHAPTER VII.

THE DISTINCTIVE EMBLEM.

ARTICLE 38.

As a compliment to Switzerland, the heraldic emblem of the red cross on a white ground, formed by reversing the Federal colours, is retained as the emblem and distinctive sign of the Medical Service of armed forces.

Nevertheless, in the case of countries which already use as emblem, in place of the red cross, the red crescent or the red lion and sun on a white ground, those emblems are also recognised by the terms of the present Convention.

ARTICLE 39.

Under the direction of the competent military authority, the emblem shall be displayed on the flags, armlets and on all equipment employed in the Medical Service.

ARTICLE 40.

The personnel designated in Article 24 and in Articles 26 and 27 shall wear, affixed to the left arm, a water-resistant armlet bearing the distinctive emblem, issued and stamped by the military authority.

Such personnel, in addition to the identity disc mentioned in Article 16, shall also carry a special identity card bearing the distinctive emblem. This card shall be water-resistant and of such size that it can be carried in the pocket. It shall be worded in the national language, shall mention at least the full name, the date of birth, the rank and the service number of the bearer, and shall state in what capacity he is entitled to the protection of the present Convention. The card shall bear the photograph of the owner and also either his signature or his finger-prints or both. It shall be embossed with the stamp of the military authority.

The identity card shall be uniform throughout the same armed forces and, as far as possible, of a similar type in the armed forces of the Contracting Parties. The Parties to the conflict may be guided by the model which is annexed, by way of example, to the present Convention. They shall inform each other, at the outbreak of hostilities, of the model they are using. Identity cards should be made out, if possible, at least in duplicate, one copy being kept by the home country.

In no circumstances may the said personnel be deprived of their insignia or identity cards nor of the right to wear the armlet. In case of loss, they shall be entitled to receive duplicates of the cards and to have the insignia replaced.

ARTIKEL 41.

Die personeel in artikel 25 genoem, mag slegs as hulle mediese pligte verrig, 'n wit armband dra, met die onderskeidingsteken in die middel in klein formaat daarop afgedruk; die armband moet deur die militêre owerheid uitgereik en gestempel word.

In die militêre identiteitsdokumente wat deur hierdie klas personeel gedra moet word, moet besonderhede vermeld word van die spesiale opleiding wat hulle ontvang het, die tydelike aard van die dienste wat hulle verrig, en die magtiging wat aan hulle verleen is om die armband te dra.

ARTIKEL 42.

Die onderskeidingsvlag van die konvensie mag slegs oor sulke mediese eenhede en inrigtings gehys word wat ingevolge die konvensie gerespekteer moet word, en slegs met toestemming van die militêre owerheid.

By mobiele eenhede asook by vaste inrigtings mag die nasionale vlag van die botsende partye waaraan die eenheid of inrigting behoort, saam met daardie vlag wapper.

Nietemin mag mediese eenhede wat in die hande van die vyand geval het geen vlag, behalwe dié van die konvensie hys nie.

Ten einde die moontlikheid van vyandelike aanvalle te voorkom, moet botsende partye die nodige stappe doen om sover militêre omstandighede dit toelaat, die onderskeidingsembleme wat mediese eenhede en inrigtings aandui, vir die land-, lug- en seemagte van die vyand, duidelik sigbaar te maak.

ARTIKEL 43.

Die mediese eenhede wat tot neutrale lande behoort en magtiging ontvang het om hulle dienste ingevolge die voorwaardes by artikel 27 bepaal, aan 'n oorlogvoerende te verleen, moet saam met die vlag van die konvensie ook die nasionale vlag van daardie oorlogvoerende, oral waar laasgenoemde gebruik maak van die vergunning aan hom by artikel 42 verleen, laat wapper.

Behoudens andersluidende bevele van die verantwoordelike militêre gesag kan hulle by alle geleenthede hulle nasionale vlag laat wapper, selfs al val hulle in die hande van die teenparty.

ARTIKEL 44.

Met uitsondering van die gevalle in die volgende paragrawe van hierdie artikel vermeld, mag die embleem van die rooi kruis op 'n wit veld en die woorde „Rooikruis", of „Geneefse Kruis", ditsy in vredes- of oorlogstyd, nie gebruik word nie behalwe om die mediese eenhede en inrigtings, die personeel en materiaal wat by die huidige konvensie en ander konvensies aangaande soortgelyke soortgelyke aangeleenthede beskerm word, aan te dui of te beskerm. Dieselfde is van toepassing op die embleme in die tweede paragraaf van artikel 28 genoem, ten opsigte van die lande wat hulle gebruik. Die nasionale Rooikruisverenigings en ander verenigings in artikel 26 genoem, het die reg om die onderskeidingsembleem, waarby die beskerming van die konvensie verleen word, slegs binne die raamwerk van die huidige paragraaf te gebruik.

Daarbenewens kan nasionale Rooikruisverenigings (Rooi Halfmaan, Rooi Leeu en Son) in vredestyd, ooreenkomstig hulle nasionale wetgewing, gebruik maak van die naam en embleem van die Rooikruis vir hulle ander werksaamhede wat in ooreenstemming is met die beginsels soos deur die Internasionale Rooikruiskonferensies bepaal. Wanneer daardie werksaamhede in oorlogstyd uitgevoer word, moet die voorwaardes vir die gebruik van die emblem sodanig wees dat dit nie beskou kan word dat daaraan die beskerming van die konvensie verleen word nie; die embleem moet betreklik klein wees en mag nie op armbande of op dakke van geboue aangebring word nie.

Die Internasionale Rooikruisorganisasies en hulle behoorlik gemagtigde personeel moet te alle tye toegelaat word om die embleem van die Rooikruis op 'n witveld te gebruik.

ARTICLE 41.

The personnel designated in Article 25 shall wear, but only while carrying out medical duties, a white armlet bearing in its centre the distinctive sign in miniature; the armlet shall be issued and stamped by the military authority.

Military identity documents to be carried by this type of personnel shall specify what special training they have received, the temporary character of the duties they are engaged upon, and their authority for wearing the armlet.

ARTICLE 42.

The distinctive flag of the Convention shall be hoisted only over such medical units and establishments as are entitled to be respected under the Convention, and only with the consent of the military authorities.

In mobile units, as in fixed establishments, it may be accompanied by the national flag of the Party to the conflict to which the unit or establishment belongs.

Nevertheless, medical units which have fallen into the hands of the enemy shall not fly any flag other than that of the Convention.

Parties to the conflict shall take the necessary steps, in so far as military considerations permit, to make the distinctive emblems indicating medical units and establishments clearly visible to the enemy land, air or naval forces, in order to obviate the possibility of any hostile action.

ARTICLE 43.

The medical units belonging to neutral countries, which may have been authorised to lend their services to a belligerent under the conditions laid down in Article 27, shall fly along with the flag of the Convention, the national flag of that belligerent, wherever the latter makes use of the faculty conferred on him by Article 42.

Subject to orders to the contrary by the responsible military authorities, they may, on all occasions, fly their national flag, even if they fall into the hands of the adverse Party.

ARTICLE 44.

With the exception of the cases mentioned in the following paragraphs of the present Article, the emblem of the Red Cross on a white ground and the words "Red Cross", or "Geneva Cross" may not be employed, either in time of peace or in time of war, except to indicate or to protect the medical units and establishments, the personnel and material protected by the present Convention and other Conventions dealing with similar matters. The same shall apply to the emblems mentioned in Article 38, second paragraph, in respect of the countries which use them. The National Red Cross Societies and other Societies designated in Article 26 shall have the right to use the distinctive emblem conferring the protection of the Convention only within the framework of the present paragraph.

Furthermore, National Red Cross (Red Crescent, Red Lion and Sun) Societies may, in time of peace, in accordance with their national legislation, make use of the name and emblem of the Red Cross for their other activities which are in conformity with the principles laid down by the International Red Cross Conferences. When those activities are carried out in time of war, the conditions for the use of the emblem shall be such that it cannot be considered as conferring the protection of the Convention; the emblem shall be comparatively small in size and may not be placed on armlets or on the roofs of buildings.

The international Red Cross organizations and their duly authorised personnel shall be permitted to make use, at all times, of the emblem of the Red Cross on a white ground.

As 'n buitengewone maatreël, in ooreenstemming met nasionale wetgewing en met die uitdruklike toestemming van een van die nasionale Rooikruisverenigings (Rooi Halfmaan, Rooi Leeu en Son) kan die embleem van die konvensie in vredestyd gebruik word om voertuie wat as ambulanse gebruik word te identifiseer en om die ligging van hulpstasies, wat uitsluitlik gebruik word om gewondes en siekes kosteloos te behandel, aan te dui.

HOOFSTUK VIII.

UITVOERING VAN DIE KONVENSIE.

ARTIKEL 45.

Elke botsende party moet, handelende deur sy opperbevelhebbers, daarvoor sorg dat die bepalings van die voorgaande artikels volledig uitgevoer word en ooreenkomstig die algemene beginsels van die huidige konvensie vir onvoorsiene gevalle voorsiening maak.

ARTIKEL 46.

Weerwraak teen die gewondes, siekes, personeel, geboue of uitrusting wat deur die konvensie beskerm word, is verbode.

ARTIKEL 47.

Die hoë kontrakterende partye onderneem om in vredes- en ook in oorlogstyd die teks van die huidige konvensie so wyd moontlik in hul onderskeie lande te versprei en in die besonder die bestudering daarvan in hul programme van militêre, en indien moontlik, burgerlike onderrig in te sluit, sodat die hele bevolking met die beginsels daarvan bekend kan raak, in die besonder die gewapende vegtende magte, die mediese personeel en die veldpredikers.

ARTIKEL 48.

Die hoë kontrakterende partye moet deur bemiddeling van die Switserse Federale Raad, en tydens vyandelikhede deur tussenkoms van die beskermende moondhede, amptelike vertalings van die huidige konvensie aan mekaar stuur, asook van die wette en regulasies wat hulle uitvaardig om die toepassing daarvan te verseker.

HOOFSTUK IX.

ONDERDRUKKING VAN SKENDINGS EN OORTREDINGS.

ARTIKEL 49.

Die hoë kontrakterende partye onderneem om die nodige wetgewing aan te neem waarin daar voorsiening gemaak word vir doeltreffende strafmaatreëls teen persone wat enige van die ernstige oortredings, soos in die volgende artikel van die huidige konvensie omskryf, begaan, of beveel dat dit begaan word.

Elke hoë kontrakterende party is verplig om persone van wie beweer word dat hulle sulke ernstige oortredings begaan het, of beveel het dat dit begaan word, op te spoor, en ongeag hulle nasionaliteit, in sy eie howe aan te kla. Hy kan ook, na verkiesing, in ooreenstemming met die bepalings van sy eie wetgewing, sulke persone vir verhoor aan 'n ander betrokke hoë kontrakterende party uitlewer, mits sodanige hoë kontrakterende party 'n *prima facie* saak uitgemaak het.

Elke hoë kontrakterende party moet die nodige maatreëls tref om, behalwe die ernstige oortredings soos in die volgende artikel omskryf, alle handelinge wat strydig is met die bepalings van die huidige konvensie, te onderdruk.

Die aangeklaagde persone moet onder alle omstandighede die versekering geniet van 'n behoorlike verhoor en verdediging, wat nie ongunstiger mag wees nie as dié soos bepaal by artikel 105 en volgende van die Geneefse konvensie van 12 Augustus 1942 aangaande die behandeling van krygsgevangenes.

As an exceptional measure, in conformity with national legislation and with the express permission of one of the National Red Cross (Red Crescent, Red Lion and Sun) Societies, the emblem of the Convention may be employed in time of peace to identify vehicles used as ambulances and to mark the position of aid stations exclusively assigned to the purpose of giving free treatment to the wounded or sick.

CHAPTER VIII.

EXECUTION OF THE CONVENTION.

ARTICLE 45.

Each Party to the conflict, acting through its commanders-in-chief, shall ensure the detailed execution of the preceding Articles, and provide for unforeseen cases, in conformity with the general principles of the present Convention.

ARTICLE 46.

Reprisals against the wounded, sick, personnel, buildings or equipment protected by the Convention are prohibited.

ARTICLE 47.

The High Contracting Parties undertake, in time of peace as in time of war, to disseminate the text of the present Convention as widely as possible in their respective countries, and, in particular, to include the study thereof in their programmes of military and, if possible, civil instructions, so that the principles thereof may become known to the entire population, in particular to the armed fighting forces, the medical personnel and the chaplains.

ARTICLE 48.

The High Contracting Parties shall communicate to one another through the Swiss Federal Council and, during hostilities through the Protecting Powers, the official translations of the present Convention, as well as the laws and regulations which they may adopt to ensure the application thereof.

CHAPTER IX.

REPRESSION OF ABUSES AND INFRACTIONS.

ARTICLE 49.

The High Contracting Parties undertake to enact any legislation necessary to provide effective penal sanctions for persons committing, or ordering to be committed, any of the grave breaches of the present Convention defined in the following Article.

Each High Contracting Party shall be under the obligation to search for persons alleged to have committed, or to have ordered to be committed, such grave breaches, and shall bring such persons, regardless of their nationality, before its own courts. It may also, if it prefers, and in accordance with the provisions of its own legislation, hand such persons over for trial to another High Contracting Party concerned; provided such High Contracting Party has made out a *prima facie* case.

Each High Contracting Party shall take measures necessary for the suppression of all acts contrary to the provisions of the present Convention other than the grave breaches defined in the following Article.

In all circumstances, the accused persons shall benefit by safeguards of proper trial and defence, which shall not be less favourable than those provided by Article 105 and those following of the Geneva Convention of August 12, 1949, relative to the Treatment of Prisoners of War.

ARTIKEL 50.

Ernstige oortredings waarvan in die vorige artikel melding gemaak is, omvat enige van die volgende handelinge wat begaan word teen persone of eiendom wat deur die konvensie beskerm word: Opsetlike moord, marteling of onmenslike behandeling, insluitende biologiese proefnemings, moedswillige veroorsaking van swaar lyding of ernstige liggaamlike besering of benadeling van die gesondheid en grootskaalse vernietiging en ruïnering van eiendom wat nie deur militêre noodsaak geregverdig is nie en onwettig en onverantwoordelik uitgevoer word.

ARTIKEL 51.

Geen hoë kontrakterende party mag homself of enige ander hoë kontrakterende party van enige aanspraaklikheid deur homself of deur 'n ander kontrakterende party aangegaan ten opsigte van oortredings in die voorafgaande paragraaf vermeld, onthef nie.

ARTIKEL 52.

Op versoek van 'n botsende party moet 'n ondersoek ingestel word, op 'n wyse soos deur die betrokke partye ooreengekom, aangaande enige beweerde skending van die konvensie.

As geen ooreenkoms aangaande die prosedure van die ondersoek getref word nie, moet die partye ooreenkom oor die keuse van 'n skeidsregter wat aangaande die prosedure wat gevolg moet word, uitspraak moet doen.

Wanneer 'n skending bewys word, moet die botsende partye daar 'n end aan maak en dit sonder versuim onderdruk.

ARTIKEL 53.

Die gebruik deur individuele, vereniginge, firmas of openbare of private maatskappye, behalwe dié wat ingevolge die huidige konvensie daartoe geregtig is, van die embleem of die naam „ Rooikruis " of „ Geneefse Kruis " of enige teken of naam wat 'n nabootsing daarvan is, wat ookal die bedoeling van sodanige gebruik mag wees, en afgesien van die datum van aanneming daarvan, is te alle tye verbode.

Weens die eer wat Switserland aangedoen is deur die aanname van die Federale kleure, met verwisseling van die rooi en die wit, en die verwarring wat daar mag ontstaan tussen die wapenskild van Switzerland en die onderskeidingsembleem van die konvensie, word die gebruik deur private persone, vereniginge of firmas van die wapenskild van die Switserse konfederasie, of van tekens wat daarvan 'n nabootsing is, ditsy as handelsmerke of as gedeeltes daarvan, of vir doeleindes wat strydig is met handelseerlikheid, of ander omstandighede wat vir die Switserse nasionale gevoel kwetsend mag wees, te alle tye verbied.

Nietemin kan daardie hoë kontrakterende partye wat nie by die Geneefse Konvensie van 27 Julie 1929 partye was nie, aan vorige gebruikers van die embleme, name, tekens of opskrifte 'n tydperk van hoogstens drie jaar, gereken vanaf die inwerkingtreding van die huidige konvensie, toestaan om sodanige gebruik te staak, mits die genoemde gebruik nie sodanig mag wees dat dit in oorlogstyd die skyn sou gee dat daaraan die beskerming van die konvensie verleen word nie.

Sonder dat dit regte raak wat deur vorige gebruik verkry is, is die verbod soos in die eerste paragraaf van hierdie artikel bepaal, ook van toepassing op die embleme en opskrifte wat in die tweede paragraaf van artikel 38 genoem word.

ARTIKEL 54.

Die hoë kontrakterende partye moet, as hulle wetgewing nie reeds toereikend is nie, dadelik die nodige maatreëls tref om te alle tye die skendings wat in artikel 53 genoem word, te voorkom en te onderdruk.

SLOTBEPALINGS.

ARTIKEL 55.

Die huidige konvensie is in Engels en Frans opgestel. Albei tekste is ewe regsgeldig. Die Switserse Federale Raad sal reëlings tref vir amptelike vertalings van die konvensie in die Russiese en die Spaanse tale.

ARTICLE 50.

Grave breaches to which the preceding Article relates shall be those involving any of the following acts, if committed against persons or property protected by the Convention: wilful killing, torture or inhuman treatment, including biological experiments, wilfully causing great suffering or serious injury to body or health, and extensive destruction and appropriation of property, not justified by military necessity and carried out unlawfully and wantonly.

ARTICLE 51.

No High Contracting Party shall be allowed to absolve itself or any other High Contracting Party of any liability incurred by itself or by another High Contracting Party in respect of breaches referred to in the preceding Article.

ARTICLE 52.

At the request of a Party to the conflict, an enquiry shall be instituted, in a manner to be decided between the interested Parties, concerning any alleged violation of the Convention.

If agreement has not been reached concerning the procedure for the enquiry, the Parties should agree on the choice of an umpire who will decide upon the procedure to be followed.

Once the violation has been established, the Parties to the conflict shall put an end to it and shall repress it within the briefest possible delay.

ARTICLE 53.

The use by individuals, societies, firms or companies either public or private, other than those entitled thereto under the present Convention, of the emblem or the designation " Red Cross " or " Geneva Cross ", or any sign or designation constituting an imitation thereof, whatever the object of such use, and irrespective of the date of its adoption, shall be prohibited at all times.

By reason of the tribute paid to Switzerland by the adoption of the reversed Federal colours, and of the confusion which may arise between the arms of Switzerland and the distinctive emblem of the Convention, the use by private individuals, societies or firms, of the arms of the Swiss Confederation, or of marks constituting an imitation, whether as trade-marks or commercial marks, or as parts of such marks, or for a purpose contrary to commercial honesty, or in circumstances capable of wounding Swiss national sentiment, shall be prohibited at all times.

Nevertheless, such High Contracting Parties as were not party to the Geneva Convention of July 27, 1929, may grant to prior users of the emblems, designations, signs or marks designated in the first paragraph, a time limit not to exceed three years from the coming into force of the present Convention to discontinue such use; provided that the said use shall not be such as would appear, in time of war, to confer the protection of the Convention.

The prohibition laid down in the first paragraph of the present Article shall also apply, without effect on any rights acquired through prior use, to the emblems and marks mentioned in the second paragraph of Article 38.

ARTICLE 54.

The High Contracting Parties shall, if their legislation is not already adequate, take measures necessary for the prevention and repression, at all times, of the abuses referred to under Article 53.

FINAL PROVISIONS.

ARTICLE 55.

The present Convention is established in English and in French. Both texts are equally authentic.

The Swiss Federal Council shall arrange for official translations of the Convention to be made in the Russian and Spanish languages.

ARTIKEL 56.

Die huidige konvensie, wat die datum van hierdie dag dra, staan oop vir ondertekening tot 12 Februarie 1950 namens die moondhede wat verteenwoordig was op die konferensie wat op 21 April 1949 te Genève geopen is; daarbenewens deur moondhede wat nie op daardie konferensie verteenwoordig was nie, maar wat partye is by die Geneefse konvensie van 1864, 1906 of 1929 vir die verligting van gewondes en siekes van leërs te velde.

ARTIKEL 57.

Die huidige konvensie moet sodra moontlik bekragtig word, en die bekragtigings moet te Berne gedeponeer word.

'n Register van die deponering van elke akte van bekragtiging moet opgemaak word, en gewaarmerkte afskrifte van hierdie register moet deur die Switserse Federale Raad aan al die moondhede namens wie die konvensie onderteken is, of wie se toetreding bekendgemaak is, gestuur word.

ARTIKEL 58.

Die huidige konvensie tree in werking ses maande nadat minstens twee aktes van bekragtiging gedeponeer is.

Daarna tree dit ses maande na die deponering van die akte van bekragtiging vir elke hoë kontrakterende party in werking.

ARTIKEL 59.

Betreffende die betrekkings tussen die hoë kontrakterende partye word die konvensies van 22 Augustus 1864, 6 Julie 1906 en 27 Julie 1929 deur die huidige konvensie vervang.

ARTIKEL 61.

Die Switserse Federale Raad moet skriftelik van toetredings in kennis gestel word, wat ses maande na die datum waarop hulle ontvang is, van krag word.

Die Switserse Federale Raad moet al die moondhede namens wie die konvensie onderteken is, of wie se toetreding bekendgemaak is, van die toetredings in kennis stel.

ARTIKEL 62.

Die omstandighede waarvoor daar in artikels 2 en 3 voorsiening gemaak is, stel die gedeponeerde bekragtigings en toetredings waarvan die botsende partye, voor of na die aanvang van vyandelikhede of besetting kennis gegee het, onmiddellik in werking. Die Switserse Federale Raad moet op die snelsmoontlike wyse alle bekragtigings of toetredings wat van botsende partye ontvang word, bekendmaak.

ARTIKEL 63.

Elke hoë kontrakterende party het die reg om die huidige konvensie op te sê.

Die Switserse Federale Raad moet skriftelik van die opsegging in kennis gestel word, en dit aan die regerings van al die hoë kontrakterende partye stuur.

Die opsegging tree in werking een jaar nadat die Switserse Federale Raad daarvan in kennis gestel is; maar 'n opsegging waarvan kennis gegee word terwyl die opseggende party in 'n botsing gewikkel is, tree egter slegs in werking nadat vrede gesluit is en nadat die verrigtings in verband met die loslating en repatriëring van die persone wat deur die huidige konvensie beskerm word, afgehandel is.

Die opsegging is slegs van krag ten opsigte van die opseggende moondheid. Dit verminder egter geensins die verpligtings wat die botsende partye ingevolge die beginsels van die volkereg, soos dit uit die vasstaande gebruike tussen beskaafde volke, die mensereg en die inspraak van die openbare gewete voortvloei, moet nakom nie.

ARTICLE 56.

However, a denunciation of which notification has been made at a time when the denouncing Power is involved in a conflict shall not take effect until peace has been concluded, and until after operations connected with release and repatriation of the persons protected by the present Convention have been terminated.

The denunciation shall have effect only in respect of the denouncing Power. It shall in no way impair the obligations which the Parties to the conflict shall remain bound to fulfil by virtue of the principles of the law of nations, as they result from the usages established among civilised peoples, from the laws of humanity and the dictates of the public conscience.

ARTICLE 64.

The Swiss Federal Council shall register the present Convention with the Secretariat of the United Nations. The Swiss Federal Council shall also inform the Secretariat of the United Nations of all ratifications, accessions and denunciations received by it with respect to the present Convention.

In witness whereof the undersigned, having deposited their respective full powers, have signed the present Convention.

Done at Geneva this day of August 12, 1949, in the English and French languages. The original shall be deposited in the archives of the Swiss Confederation. The Swiss Federal Council shall transmit certified copies thereof to each of the signatory and acceding States.
(Here follow the signatures, some with reservations.)

ANNEX I.

DRAFT AGREEMENT RELATING TO HOSPITAL ZONES AND LOCALITIES.

ARTICLE 1.

Hospital zones shall be strictly reserved for the persons named in Article 23 of the Geneva Convention for the Amelioration of Condition of the Wounded and Sick in the Armed Forces in the Field of August 12, 1949, and for the personnel entrusted with the organisation and administration of these zones and localities, and with the care of the persons therein assembled.

Nevertheless, persons whose permanent residence is within such zones shall have the right to stay there.

ARTICLE 2.

No persons residing, in whatever capacity, in a hospital zone shall perform any work, either within or without the zone, directly connected with military operations or the production of war material.

ARTICLE 3.

The Power establishing a hospital zone shall take all necessary measures to prohibit access to all persons who have no right of residence or entry therein.

ARTICLE 4.

Hospital zones shall fulfil the following conditions:—

(*a*) They shall comprise only a small part of the territory governed by the Power which has established them.

(*b*) They shall be thinly populated in relation to the possibilities of accommodation.

(*c*) They shall be far removed and free from all military objectives, or large industrial or administrative establishments.

(*d*) They shall not be situated in areas which, according to every probability, may become important for the conduct of the war.

ARTICLE 5.

They shall be subject to the following obligations:—

(*a*) The lines of communication and means of transport which hospital zones possess shall not be used for the transport of military personnel or material, even in transit.

(*b*) They shall in no case be defended by military means.

ARTIKEL 6.

Hospitaalsones moet aangedui word deur middel van rooi kruise (Rooi Halfmane, Rooi Leeus en Sonne) op 'n wit veld, wat in die omgewing van en op geboue geplaas moet word.

Hulle kan op soortgelyke wyse gedurende die nag deur middel van geskikte verligting aangedui word.

ARTIKEL 7.

Die moondhede moet in vredestyd of by die uitbreek van vyandelikhede aan al die kontrakterende partye 'n lys stuur van die hospitaalsones in die grondgebied onder hul bestuur. Hulle moet ook kennis gee van nuwe sones wat gedurende vyandelikhede opgerig word.

Sodra die teenparty die bovermelde kennisgewing ontvang het, is die sone reëlmatig opgerig.

As die teenparty egter van mening is dat daar nie aan die voorwaardes van die huidige ooreenkoms voldoen is nie, kan hy, deur die party wat vir die genoemde sone verantwoordelik is onmiddellik daarvan in kennis te stel, weier om die sone te erken; of hy kan sodanige sone erken op voorwaarde dat die opsig waarvoor daar in artikel 8 voorsiening gemaak word, ingestel word.

ARTIKEL 8.

Nadat 'n moondheid een of meer hospitaalsones wat deur die teenparty opgerig is, erken het, kan hy eis dat daar deur een of meer spesiale komitees opsig uitgeoefen word ten einde vas te stel of die voorwaardes en verpligtings soos in die huidige ooreenkoms bepaal, in die sones nagekom word.

Te dien einde het die lede van die spesiale komitees te alle tye vrye toegang tot die onderskeie sones en hulle kan selfs permanent daar woonagtig wees. In verband met hul inspeksiedienste moet alle fasiliteite aan hulle verleen word.

ARTIKEL 9.

As die spesiale komitees sake opmerk wat na hul mening strydig is met die bepalings van die huidige ooreenkoms, moet hulle dadelik die aandag van die moontheid wat die sone beheer op daardie sake vestig, en 'n tydperk van vyf dae bepaal waarin die saak reggemaak moet word. Hulle moet die moondheid wat die sone erken het daarvan verwittig.

As die moondheid wat die sone beheer nie binne die bepaalde tydperk aan die waarskuwing voldoen het nie, kan die teenparty verklaar dat hy hom nie langer deur die huidige ooreenkoms ten opsigte van die genoemde sone gebonde ag nie.

ARTIKEL 10.

Nadat 'n moondheid een of verskeie hospitaalsones en -plekke opgerig het en die teenparty daarvan verwittig het, moet laasgenoemde die persone wat as lede van die spesiale komitees in artikels 8 en 9 genoem, moet ageer, benoem, of deur neutrale moondhede laat benoem.

ARTIKEL 11.

Hospitaalsones mag onder geen omstandighede die doelwit van 'n aanval wees nie. Hulle moet te alle tye deur die botsende partye beskerm en geëerbiedig word.

ARTIKEL 12.

In geval van besetting van 'n grondgebied moet die hospitaalsones in daardie gebied geëerbiedig en as sodanig gebruik word.

Hulle doel kan egter deur die besettende moondhede gewysig word, op voorwaarde dat alle maatreëls geterf word om die veiligheid van die persone wat daarin gehuisves is, te verseker.

ARTIKEL 13.

Die huidige ooreenkoms is ook van toepassing op plekke wat deur die moondhede vir dieselfde doel as hospitaalsones gebruik word.

ARTICLE 6.

Hospital zones shall be marked by means of red crosses (red crescents, red lions and suns) on a white background placed on the outer precincts and on the buildings. They may be similarly marked at night by means of appropriate illumination.

ARTICLE 7.

The Powers shall communicate to all the Contracting Parties in peacetime or on the outbreak of hostilities, a list of the hospital zones in the territories governed by them. They shall also give notice of any new zones set up during hostilities.

As soon as the adverse Party has received the abovementioned notification, the zone shall be regularly constituted.

If, however, the adverse Party considers that the conditions of the present agreement have not been fulfilled, it may refuse to recognise the zone by giving immediate notice thereof to the Party responsible for the said zone; or may make its recognition of such zone dependent upon the institution of the control provided for in Article 8.

ARTICLE 8.

Any Power having recognised one or several hospital zones instituted by the adversary shall be entitled to demand control by one or more Special Committees, for the purpose of ascertaining if the zones fulfil the conditions and obligations stipulated in the present agreement.

To this effect the members of the Special Committees shall at all times have free access to the various zones and may even reside there permanently. They shall be given all facilities for their duties of inspection.

ARTICLE 9.

Should the Special Committees note any facts which they consider contrary to the stipulations of the present agreement, they shall at once draw the attention of the Power governing the said zone to these facts, and shall fix a time limit of five days within which the matter should be rectified. They shall duly notify the Power who has recognised the zone.

If, when the time limit has expired, the Power governing the zone has not complied with the warning, the adverse Party may declare that it is no longer bound by the present agreement in respect of the said zone.

ARTICLE 10.

Any Power setting up one or more hospital zones and localities, and the adverse Parties to whom their existence has been notified, shall nominate or have nominated by neutral Powers, the persons who shall be members of the Special Committees mentioned in Articles 8 and 9.

ARTICLE 11.

In no circumstances may hospital zones be the object of attack. They shall be protected and respected at all times by the Parties to the conflict.

ARTICLE 12.

In the case of occupation of a territory, the hospital zones therein shall continue to be respected and utilised as such.

Their purpose may, however, be modified by the Occupying Power, on condition that all measures are taken to ensure the safety of the persons accommodated.

ARTICLE 13.

The present agreement shall also apply to localities which the Powers may utilise for the same purposes as hospital zones.

2. Technical Class Attendance.

(*a*) Except in cases where exemption is granted by the Minister, an apprentice not already in possession of such certificate or an equivalent technical certificate related to the trade to which he is indentured shall attend technical classes relevant to such trade conducted by the nearest Technical College or Technical Institute maintained wholly or partly from public funds in accordance with the syllabuses prescribed by the Department of Education, Arts and Science for the Elementary Technical and National Technical Certificates, Parts I and II; provided that where facilities for class attendance in any course or part thereof do not exist within 12 miles of the apprentice's residence or where attendance is required of him during ordinary working hours then within 12 miles of his working place in such case, he may take a correspondence course conducted by the Witwatersrand Technical College for the said course or part thereof in lieu of attendance.

(*b*) Behalwe in gevalle waar die Minister vrystelling verleen, moet 'n vakleerling tegniese klasse bywoon of korrespondensiekursusse volg, totdat hy die Nasionale Tegniese Sertifikaat, Deel II, behaal het; met dien verstande dat 'n vakleerling wat nie in die eksamen vir genoemde sertifikaat slaag nie, geen verdere klasse hoef by te woon of (na gelang van die geval) geen verdere korrespondensiekursusse hoef te volg nie indien hy in twee vakke slaag, waarvan een die bedryfsteorie, wat van toepassing is op die bedryf waarin hy vakleerling is, moet wees.

(*c*) Behalwe in gevalle waar die Minister vrystelling verleen, moet vakleerlinge, waar fasiliteite bestaan, gedurende die eerste twee jaar van die normale leertyd, so na as moontlik aan agt uur per week op een dag van die week en binne die gewone werkure, tegniese klasse bywaan, maar nie later as 7.15 nm. nie. Waar daar op een dag van die week geen fasiliteite vir die bywoning van klasse beskikbaar is nie, moet die vakleerling gedurende die eerste twee jaar van die normale leertyd, vir agt uur per week tegniese klasse bywoon wat, indien enigsins moontlik, gedurende die gewone werkure op elk van twee dae van die week moet geskied. Waar 'n vakleerling nie ingevolge subklousule (*b*) hierbo van die verdere bywoning van klasse of die volg van korrespondensiekursusse binne die eerste twee jaar van die normale leertyd vrygestel word nie, moet hy na die verstryking van die eerste twee jaar van die normale leertyd voortgaan om buite werkure klasse by te woon.

(*d*) 'n Vakleerling wat 'n korrespondensiekursus, voorgeskryf kragtens subklousules (*a*) en (*b*) hierbo, moet volg, moet, behalwe as die Minister vrystelilng aan hom verleen het, vir agt uur per week op een dag van die week of vir vier uur op elkeen van twee dae van die week binne die gewone werkure deurbring by 'n plek wat die Registrateur van Vakleerlinge vasstel vir die doel om in sodanige korrespondensiekursus te studeer.

(*e*) 'n Vakleerling wat nie die klasse, gemeld in subklousules (*a*) en (*b*) hierbo, hoef by te woon nie, mag uit eie beweging buite die gewone werkure, tegniese klasse bywoon wat betrekking het op die bedryf waarby hy ingeboek is en aangebied word deur 'n tegniese instituut wat in sy geheel of gedeeltelik uit openbare fondse in stand gehou word, en in ooreenstemming met die leerplanne wat deur die Departement van Onderwys, Kuns en Wetenskap voorgeskryf word en lei tot die Nasionale Tegniese en ander hoër sertifikate. Waar so 'n vakleerling wel sodanige klasse bywoon, is hy kragtens artikel *sestien* (11) van die Wet op Vakleerlinge, 1944, soos gewysig, geregtig op 'n terugbetaling van klas- en eksamengelde deur die werkgewer onder dieselfde voorwaardes as wat van toepassing sou wees as hy, ingevolge subklousules (*a*) en (*b*) hierbo, verplig was om die klasse by te woon.

(*f*) Vakleerlinge moet hulle met behoorlike ywer toewy aan die studiekursusse wat nodig is om die sertifikate, hierin genoem, te verwerf.

3. Betaling van klas- of kursusgelde en eksamengelde.

(*a*) In die geval van klas- of kursusgelde moet die werkgewer die gelde aan die begin van elke halfjaarlikse sessie van die betrokke inrigting voorskiet, en trek hy dié bedrae af van die vakleerling se loon in paaiemente van hoogstens 4s. per week; met dien verstande dat die werkgewer die geldsom wat aldus afgetrek is, aan die vakleerling moet uitbetaal as die vakleerling 'n sertifikaat van die betrokke inrigting voorlê dat hy gedurende daardie kalenderjaar 'n bevredigende puntetal vir vlytigheid behaal het en sowel in sy vrye tyd as gedurende die gewone werkure minstens 75 persent van die getal klasse bygewoon het of, in die geval van 'n korrespondensiekursus, minstens 75 persent van al die vraestelle bevredigend beantwoord het.

(*b*) Die werkgewer moet nie later nie as onderskeidelik 6 Maart en 1 Julie ten opsigte van die eksamens wat elke jaar in Junie en November afgeneem word, die gelde vir bedoelde eksamen voorskiet vir inskrywings vir die eksamens wat die vakleerling moet doen, en hy verhaal die bedrag van gelde voorgeskiet ten opsigte van enige vak in bedoelde eksamen waarin die vakleerling nie geslaag het nie, deur dit van die vakleerling se loon af te trek, maar die balans kan nie deur die werkgewer verhaal word nie en word geag asof dit ten behoewe van die vakleerling betaal is om sy verpligting tot betaling van bedoelde gelde op te hef.

4. Kursusse vir opleiding.

Die werkgewer moet die praktiese opleiding, wat aangedui word in kolom B van die opleidingskursusse hierna voorgeskryf, en die gespesialiseerde opleiding, wat in kolom C hiervan aangedui word, vir sover daar fasiliteite in die werkgewer se dienstak is, aan die vakleerling verskaf in die bedryf waarin hy vakleerling is.

(*b*) Except in cases where exemption is granted by the Minister, an apprentice shall attend technical classes or take correspondence courses until he passes the National Technical Certificate, Part II; provided that an apprentice who fails in the examination for the said certificate but obtains a pass in two subjects, one of which is trade theory relevant to the trade to which he is indentured, shall not be required to attend further classes or take further correspondence courses, as the case may be.

(*c*) Except in cases where exemption is granted by the Minister, attendance at technical classes shall, where facilities exist, during the first two years of the normal period of apprenticeship be as nearly as practicable for eight hours per week on one day of the week and within the ordinary working hours, but not so as to extend beyond 7.15 p.m. Where facilities for class attendance on one day per week are not available, an apprentice shall, during the first two years of the normal period of apprenticeship, attend technical classes for eight hours per week, which shall as nearly as practicable be during ordinary working hours on each of two days in the week. Where an apprentice is not released from further attendance at classes of the taking of correspondence courses under sub-clause (*b*) above, within the first two years of the normal period of apprenticeship, he shall continue attending classes after the expiry of the first two years of the normal period of apprenticeship, outside working hours.

(*d*) An apprentice who is required to take a correspondence course prescribed in terms of sub-clauses (*a*) and (*b*) above, shall, except where exemption is granted by the Minister, attend at a place determined by the Registrar of Apprenticeship for the purpose of studying such correspondence course for eight hours per week on one day of the week or for four hours on each of two days of the week within the ordinary working hours.

(*e*) An apprentice who is not required to attend any classes referred to in sub-clauses (*a*) and (*b*) above, may of his own volition attend, outside ordinary working hours, technical classes related to the trade to which he is indentured, conducted by a technical institute maintained wholly or partly from public funds and in accordance with the syllabuses prescribed by the Department of Education, Arts and Science, leading to the National Technical and higher certificates. Where any such apprentice does so attend such classes he shall, in terms of section *sixteen* (11) of the Apprenticeship Act, 1944, as amended, be entitled to a refund of class and examination fees by his employer under the same conditions as would be applicable if his attendance were compulsory in terms of sub-clauses (*a*) and (*b*) above.

(*f*) Apprentices shall apply themselves with proper diligence to the courses of study necessary to obtain the certificates referred to herein.

3. Payment of Class or Course and Examination Fees.

(*a*) In the case of class or course fees the employer shall advance such fees at the commencement of each half-yearly session of the institution concerned and shall deduct such amounts from the wages of the apprentice in instalments not exceeding 4s. per week; provided that if the apprentice produce a certificate from the institution concerned that he obtained a satisfactory mark in diligence and attended both in his own time and during ordinary working hours, at least 75 per cent, of the number of classes; or in the case of a correspondence course, satisfactorily completed at least 75 per cent of the full number of papers during that calendar year the sum so deducted shall be paid to the apprentice by the employer.

(*b*) The employer shall advance the fees for the said examination not later than 6th March and the 1st July in respect of the examinations conducted in June and November respectively each year, for entries for the examinations which the apprentice is required to undergo and shall recover the amount of fees advanced in respect of any subject in the said examination in which the apprentice failed to pass, by means of deduction from the wages of the apprentice, the balance being not recoverable by the employer and being regarded as payment on behalf of the apprentice to discharge his liability to pay the said fees.

4. Courses of Training.

The employer shall give an apprentice such practical training as is indicated in column B of the courses of training prescribed hereunder, and such specialised training as is indicated in column C hereof to the extent to which facilities exist in the employer's establishment, in respect of the trade to which he is indentured.
