Recently the Register of Companies has been revised with a view to removing the names of companies which, apparently, have not been operating over a long period, and the majority of the companies listed in List B above appear to fall into that category.

Die Register van Maatskappye word hersien met die doel om die name van maatskappye wat blykbaar vir 'n geruime tydperk nie besigheid gedoen het nie, te verwyder. Die meerderheid van die maatskappye wie se name in die voorafgaande lys B voorkom resorteer klaarblyklik in daardie groep.
