NOTICE TO SHAREHOLDERS AND DECLARATION OF DIVIDEND ON PREFERENCE SHARES.

At the present time the local demand for foundry and engineering products is well below the supply capacity of South Africa and as a consequence trading conditions remain severely competitive. An economic base-load has not yet been regained to bring the Company on to a profit-earning basis again. In fact, the Company suffered a loss of approximately £40,000 during the six months ended 31st December, 1960, which indicates the deterioration in the position. It is clear that no Ordinary Dividend will be paid during the current year.

Your Company has had some success in its policy of widening its field of manufacture and is taking every step possible to ensure the Company's participation in new projects and has turned its close attention to the development of export markets.

Notice is hereby given that Dividend No. 35 of 2½ per cent (5½ cents per R2 Share) has been declared on the 5½ Per cent Cumulative Preference Shares of the Company for the six months ended 31st December, 1960, payable to Preference Shareholders registered in the books of the Company at the close of business on the 7th April, 1961.

The Dividend is declared in the currency of the Union of South Africa and Dividend Warrants will be posted to Shareholders on or about the 15th April, 1961.

The Preference Transfer Book and Register of Members will be closed from the 8th April to the 14th April, 1961, both days inclusive.

In terms of the Union of South Africa Income Tax Act, 1941, as amended, Non-Resident Shareholders' Tax of 7½ per cent will be deducted by the Company from Dividends payable to Shareholders whose addresses in the Share Register are outside the Union.
