(iii) that all actions and the executions of all writs, summonses and other processes against the company be stayed and be not proceeded with without the leave of this Court first being obtained by the Creditors concerned;

(iv) that without the authority of the Shareholder, but subject to the authority of Creditors, the said judicial managers be empowered to borrow money with or without security on behalf of the said Company, for the purpose of meeting essential commitments, such as for salaries and wages and other necessary expenses in and about the business of the said Company and in particular with power to pledge the credit of the said Company for any goods or services required under a condition whereby such Creditors so accrued after the granting of the judicial management Order by this Court, rank preferent to existing unsecured Creditors, and be paid in full out out of the first moneys received by the said Company from time to time;

(v) that the remuneration of the provisional judicial manager or managers and the judicial manager or managers be deferred until the Master of the Supreme Court has reported thereon;
