(2) Wanneer 'n straf wat kragtens subartikel (1) opgelê is, uit 'n boete bestaan of 'n boete insluit, kan die bedrag daarvan deur die raad op die betrokke persoon verhaal word, en moet 'n bedrag aldus verhaal in die fondse van die raad gestort word.

- (a) enige persoon wat na sy oordeel in staat is om inligting van wesenlike belang te verstrek omtrent die onderwerp wat ondersoek word, of wat vermoed word 'n boek, dokument of saak wat betrekking het op die onderwerp wat ondersoek word in sy besit of bewaring of onder sy beheer te hê, dagvaar om op 'n tyd en plek in die dagvaarding vermeld voor die raad te verskyn om ondervra te word of om daardie boek, dokument of saak oor te lê, en 'n boek, dokument of saak wat aldus oorgelê is vir ondersoek behou;

(b) call and by its president administer an oath to, or accept an affirmation from, any person present at the enquiry who was or could have been summoned under paragraph (a) and interrogate him and require him to produce any book, document or thing in his possession or custody or under his control;

(c) appoint any person to advise the council at such enquiry on matters pertaining to law, procedure or evidence.

(2) A summons for the attendance before the council of any person or for the production of any book, document or thing shall be in the form prescribed by the council, shall be signed by the president of the council or a person authorized thereto by it, and shall be served in the same manner as a subpoena in a criminal case issued by a magistrate's court.

(3) If any person who has been duly summoned under this section fails, without sufficient cause, to attend at the time and place specified in the summons, or to remain in attendance until excused from further attendance by the president of the council, or if any person called under subsection (1) (b) refuses to be sworn or to affirm as a witness or fails without sufficient cause to answer fully and satisfactorily to the best of his knowledge and belief all questions lawfully put to him concerning the subject of the enquiry or to produce any book, document or thing in his possession or custody or under his control which he has been required to produce, he shall be guilty of an offence: Provided that in connection with the interrogation of any such person or the production of any such book, document or thing, the law relating to privilege, as applicable to a witness subpoenaed to give evidence or to produce any book, document or thing before a court of law, shall apply.

(4) Any witness who, having been duly sworn or having made an affirmation, gives a false answer to any question lawfully put to him or makes a false statement on any matter, knowing such answer or statement to be false, shall be guilty of an offence.

(5) Any person who wilfully hinders the president or any member or official of the council in the exercise of any power conferred upon him by or under this section, shall be guilty of an offence.

(7) Any person convicted of an offence under this section shall be liable to a fine not exceeding one hundred rand.

**Suspension from
practising of
architects who
have become of
unsound mind.**

25. (1) Whenever it appears to the council from information on oath that an architect has become of unsound mind to such an extent that it would be contrary to the public welfare to allow him to continue in practice, the council may, if it deems fit, hold an enquiry *mutatis mutandis* in accordance with the provisions of section 24 in respect of such architect.

(2) If the council finds that such architect has so become of unsound mind, it may order his suspension for a specified period from practising as an architect.

22. (1) 'n Bourekenaar is skuldig aan onbehoorlike gedrag **Onbehoorlike gedrag.** as hy—

- (a) behalwe met die toestemming van die raad, of ingevolge enige vrystelling verleen kragtens hierdie Wet of die regulasies, wetens werk van 'n soort wat vir 'n bourekenaar gereserveer is kragtens artikel 7 (3) (c), aan iemand anders as 'n bourekenaar opdra; of
- (b) werk van 'n soort wat vir bourekenaars gereserveer is kragtens artikel 7 (3) (c), verrig in verband met 'n aangeleentheid wat die onderwerp van 'n geskil of regsgeding uitmaak, op voorwaarde dat betaling vir sodanige werk sal geskied slegs indien sodanige geskil of geding gunstig verloop vir die persoon vir wie die werk gedoen word; of
