CAPITAL REPAYMENT

In the Chairman's review which accompanied the 1971 annual report circularised to members on 28 September 1971, attention was drawn to the probable available cash resources after realising certain plant and equipment and after providing for certain statutory obligations and normal provisions and commitments.

Your directors have pleasure in advising that from the surplus funds available at present a capital repayment can now be made but as the realisation of the freehold property and certain buildings could take several years to complete another repayment cannot be expected for some time. The position will, however, be reviewed periodically.

It has accordingly been decided that Capital Repayment 13, of 10 cents per share, will be made to members registered in the books of the Company on 11 February 1972. Payment will be made in the currency of the Republic of South Africa and payment from the London office will be made in United Kingdom currency at the rate of exchange ruling on 14 February 1972. Warrants will be posted to members on or about 14 March 1972.

The registers of members in Johannesburg and London will be closed from 12 to 18 February 1972, inclusive.

The payment is subject to conditions which may be inspected at the registered office and the London office of the Company. By Order of the Board.—Anglo-Transvaal Consolidated Investment Company Limited, Secretaries, per L. H. van der Riet. 1. *Notice of an extraordinary general meeting to be held on 23 February 1972.*—In accordance with the requirements of The Johannesburg Stock Exchange and in accordance with the Articles of Association of the Company, notice is hereby given of an extraordinary general meeting of the Company to be held at 2.15 p.m. on 23 February 1972 at the registered office of the Company, 701 Zambesi House, corner of Commissioner and Von Wielligh Streets, Johannesburg, for the purpose of considering and, if thought fit, of passing with or without modification, the following resolution as an ordinary resolution:

"Resolved:

That the aggregate principal amount at any time outstanding in respect of any moneys borrowed or raised by the Company or its subsidiaries shall not, without the previous sanction of a further ordinary resolution of the Company, exceed two times the aggregate of the nominal amount of the issued and paid up share capital of the Company, the amounts standing to the credit of all capital and revenue reserves (other than reserves created by the writing up of any assets of the Company or of any of its subsidiaries after acquisition thereof by the Company, or any provisions for taxation), any share premium account and the profit and loss accounts as set out in the consolidated balance sheet of the Company and its subsidiaries; provided that no such sanction shall be required to the borrowing of any moneys intended to be applied and actually applied within ninety (90) days in the repayment (with or without any premium) of any moneys then already borrowed and outstanding, and notwithstanding that the new borrowing may result in the aforementioned limit being exceeded."

2. *Effect of resolution.*—The effect of the resolution which it is sought to pass under 1 above, is to increase the Company's borrowing powers to two times its issued and paid up capital, plus the aggregate of all amounts standing to the credit of capital and reserve accounts.

In terms of its Articles the Company is presently entitled to borrow only up to the aggregate of its issued and paid up capital, plus all amounts standing to the credit of all capital and reserve accounts.

3. *Reasons for the increase in borrowing powers.*—In accordance with the announced policy of the Company, it has expanded its activities not only by the acquisitions referred to by the Chairman in his review which accompanied the Company's accounts for the year ended 31 December 1970, but also by the establishment of branches in Vereeniging, Benoni and Krugersdorp. It is the intention of the Company to expand its activities further so as to eventually have branches in all the major cities and towns in the Republic.

A cash and carry operation such as conducted by the Company requires a substantial investment in stock, fixtures and fittings in each one of such cities and towns. In order to finance such expansion it will be necessary for the Company to effect further borrowings, and it is for this reason that the Company requires the additional borrowing powers referred to above.

4. *Voting at the extraordinary general meeting.*—At the extraordinary general meeting called in terms of paragraph 1 above, each shareholder shall be entitled on a show of hands to one vote and, on a poll, to one vote for each share of which he is the registered holder. Each shareholder is entitled to appoint a proxy who need not be a member of the Company. Any form appointing a proxy must be lodged at the registered office of the Company at least 48 hours before the time fixed for the holding of the meeting.

5. The transfer books and register of members of the Company will be closed from 21 February 1972 to 23 February 1972, both days inclusive. By Order of the Board.—S. A. Berg, C.A. (S.A.), Secretary, Johannesburg, 28 January 1972.
