The estimated and unaudited consolidated profits for the six months ended 31 December 1971, were:

	Six months to 31 December 1971 R	*Six months to 31 December* 1970 R	*Year ended 30 June June* 1971 *(audited)* R
Profit before tax	125 000	115 000	152 851
Taxation	50 000	46 000	69 175
Profit after tax	75 000	69 000	83 676

In considering these results it should be appreciated that the results of the first half year are more profitable than the second half year, as the Christmas trade accounts for a large proportion of annual turnover.

Sales of jewellery and diamonds have been stimulated following devaluation.

Large stocks of imported merchandise with the initial allocation granted will assist to maintain turnover during the ensuing months when it is hoped that import control will be eased.

INTERIM REPORT AND DECLARATION OF INTERIM ORDINARY DIVIDEND 51

The unaudited group profit for the half year ended 31 December 1971, compared with the same period of the previous year is as follows:

	December 1970 R	*December* 1971 R
Profit before taxation	630 000	240 000
Estimated taxation	252 000	96 000
Net profit after taxation	378 000	144 000
Earnings per ordinary share	21,6 cents	7,9 cents

As indicated in the chairman's statement last November, the Company's earnings are well down in the current year and there is little likelihood of an improvement in the pattern for the balance of the period. It is felt that there will be a marked improvement in profitability in the next financial year as a result of changes in the method of trading now being made within the Group. Because of this and because of the substantial accumulation of revenue reserves in the Company over past years R8 515 000 against ordinary share capital of R850 000) the directors have decided to maintain the interim dividend at the same level as last year's, even though this is not covered by taxed earnings. It is the Board's present intention to view the Final Dividend in the same light.

Notice is hereby given that an Interim Ordinary Dividend 51 of 12 cents per share has been declared by the directors in respect of the first half of the current financial year ending 30 June 1972. The dividend will be paid to shareholders registered in the books of the Company at the close of business on 17 March 1972; the ordinary share register will be closed from 18 March 1972 to 26 March 1972, both days inclusive, and dividend warrants will be posted to shareholders on 4 April 1972.

In terms of the Income Tax Act, 1962 as amended, Non-Resident Shareholders' Tax of 15 per cent will be deducted from dividends payable to shareholders whose addresses in the share register are outside the Republic of South Africa.

Dividends are payable in South African currency and dividends payable from the London office will be paid in British currency at the rate of £1 sterling to R1,96 South African currency provided that there is no difference that the Board may regard as material on 17 March 1972. Should there be any such material difference the London office will pay the equivalent in British currency calculated at the telegraphic rate of exchange ruling on 17 March 1972.

AIRCO ENGINEERING LIMITED
INTERIM STATEMENT

The unaudited net profit after taxation of Airco Engineering Limited for the period 1 July 1971, to 31 December 1971, was R116 000 compared with R68 000 for the same period the previous year.

The earnings for the first half of the 1972 financial year (i.e. 1 July 1971 to 31 December 1971), are in line with the budget for the same period which formed part of the estimate for the full 1972 financial year, referred to in the circular to shareholders dated 15 June 1971.

Achievement of earnings estimated for the second half of the 1972 financial year seems to be within reach. Shareholders are, however, advised that all the ramifications of the Government's Import Control Policy of 25 November 1971, have not yet been established and, in addition, a substantial part of Airco's income is derived from the manufacture of components for the Motor Industry which is dependent upon prevailing general conditions in that Industry.

Your Board is, however, confident that your Company's results should not be unduly prejudiced by the application of these restrictions or by the present economic climate.

VOLKSWAGEN VAN SUID-AFRIKA BEPERK
(Geïnkorporeer in die Republiek van Suid-Afrika)

Voorsitter se verklaring aan aandeelhouers

In die Maatskappy se tussentydse verslag wat in Augustus verlede jaar uitgereik is, is daar verwys na die nadelige uitwerking van die stygende koste, die internasionale monetêre situasie en 'n kleiner passasiermotormark.

Hierdie hoër koste het hulle veral laat geld gedurende die laaste gedeelte van 1971 en dit saam met die teleurstellende mark vir passasiersvoertuie en die gevolglike voertuigverkopings, het bygedra tot die daling in winste gedurende die tydperk.

Gevolglik het die gewone netto winste vir 1971 tot ietwat onderkant die voorspelde syfer van effens minder as R2 miljoen gedaal.

Resultate

Die geouditeerde syfers vir die jaar geëindig op 31 Desember 1971, vergeleke met die syfers vir die vorige jaar, is as volg:

	1971	1970
Gewone winste voor belasting	2 786 000	4 284 000
Min Suid-Afrikaanse gewone belasting	972 000	1 713 000
Gewone netto winste	1 814 000	2 571 000
Min buitengewone verlies	175 000	—
Totale netto winste	1 639 000	2 571 000
Gelyk aan gewone netto winste per aandeel	81,5	160,7
Getal uitgereikte aandele	2 224 518	1 600 000

Die buitengewone verlies is 'n wisselkoersverlies wat op 'n buitelandse lening gely is na die herskikking van die Rand en die Deutsche Mark.

Die daling in winste per aandeel is verder vererger deur die toename in die uitgereikte aandelekapitaal gedurende die jaar.

Dividend

Nieteenstaande die groot kapitaalverpligtings waarvoor die Maatskappy staan en die laer winspeil van 1971, meen die direksie dat die dividend op 25 sent per aandeel gehandhaaf moet word. Met die oog op die styging in die uitgereikte aandelekapitaal sal van 'n drag van R556 000 vir die doel nodig wees in vergelyking met die R400 000 wat vir die 1970-dividend nodig was.

Vooruitsigte

Die devaluering van die Rand het reeds gelei tot verdere stygings in die pryse van ingevoerde materiaal en toerusting, terwyl verskillende plaaslike koste ook steeds hoër gaan. Weens die mededingende situasie op die mark, kan al die verwagte kostetoenames nie op die verbruiker afgeskuif word nie.

Nietemin word 'n hoër inkomste uit die verkoop van onderdele en toebehore sowel as uit kontraktuele vervaardigingswerk verwag, wat 'n groter bydrae tot die Maatskappy se winsgewendheid sal lewer.

Onder heersende omstandighede, en voor die begrotingsvoorstelle teen die einde van Maart, is dit uiters moeilik om verkopingsvoorstellings te maak. Tensy ekonomiese toestande verbeter, sal die swaar belaste mark vir passasiersvoertuie na verwagting weinig groei gedurende 1972 toon, en die groeikoers in die mark vir ligte karweiers daal.

In hierdie stadium word daar dus nie verwag dat die winsposisie van die Maatskappy in 1972 sal verbeter nie.

Uitenhage, E. G. BLOHM, Voorsitter.

VOLKSWAGEN OF SOUTH AFRICA LIMITED
(Incorporated in the Republic of South Africa)

Chairman's statement to shareholders

In the Company's interim report issued during August last year, reference was made to the adverse effects of rising costs, the international monetary situation, and a reduced passenger car market.

The impact of these higher costs was particularly severe during the latter part of 1971 and, together with the disappointing passenger vehicle market and the resultant vehicle sales, contributed to the reduced earnings of this period.

As a result, normal net earnings for 1971 fell somewhat below the predicted figure of slightly less than R2 million.

Results

The audited figures for the year ending 31 December 1971, compared with the figures for the previous year, are as follows:

	1971	1970
Normal earnings before tax	2 786 000	4 284 000
Less South African normal tax	972 000	1 713 000
Normal net earnings	1 814 000	2 571 000
Less exceptional loss	175 000	—
Total net earnings	1 639 000	2 571 000
Equivalent to normal net earnings per share	81,5	160,7
Number of issued shares	2 224 518	1 600 000

The exceptional loss is an exchange loss on a foreign loan incurred following the realignment of the Rand and Deutsche Mark.

The reduction in earnings per share is further aggravated by the increase in the issued share capital during the year.

Dividend

Despite the heavy capital commitments facing the Company and the lower level of profit attained during 1971, the directors considered that the dividend should be maintained at 25 cents per share. In view of the increase in the issued share capital, an amount of R556 000 will be required for this purpose compared to the R400 000 required for the 1970 dividend.

Outlook

The devaluation of the Rand has already led to further price increases of imported materials and equipment, whilst various local costs continue to rise. Because of the competitive situation in the market, not all anticipated cost increases can be passed on to the consumer.

However, increased revenue is expected from parts and accessory sales as well as contractual manufacturing work, which will make a higher contribution to the Company's profitability.

Under prevailing conditions, and prior to the budget proposals at the end of March, sales forecasting is extremely difficult. Unless economic conditions improve it is expected that the heavily taxed passenger vehicle market will show little growth during 1972, and that the rate of growth in the light commercial market will be reduced.

At this stage, therefore, it is not expected that the profit position of the Company will improve in 1972.

Uitenhage, E. G. BLOHM, Chairman.

PROPOSED CAPITALISATION ISSUE

The directors consider that the Company's existing share capital should be related more appropriately to the capital employed in the Huletts Group of Companies.

Accordingly they have today decided to recommend to ordinary shareholders an issue of capitalisation shares.

Subject to the passing of the necessary resolutions by the Company in general meeting, it is proposed to capitalise the Company's capital reserves to an extent which will permit the free issue of 1 (one) ordinary share of R1 for every 2 (two) ordinary shares held in the existing capital.

The new capitalisation shares will rank *pari passu* in all respects with the existing shares of the Company. The effect of the capitalisation issue will be to increase the present ordinary share capital of the Company from 20 400 000 shares of R1 each fully paid to 30 600 000 shares of R1 each fully paid.

The Group's profits for the current financial year continue to show an upward trend and the directors consider that, in the absence of unforeseen circumstances, the Final Dividend on the increased ordinary capital will not be less than last year's final dividend of 10 cents per share.

The usual interim statements to shareholders will be issued early in May 1972.

Detailed notices and circulars to shareholders setting out particulars of the directors' proposed capitalisation issue will be dispatched during March 1972. By Order of the Board.—B. K. Digby, Group Secretary, Registered Office: Huletts Buildings, 213 West Street, Durban, 29 February 1972.

Nuttige wenke–

1. Adresseer alle posstukke volledig, duidelik en sonder misleidende afkortings.
2. Plaas u eie adres agterop die koevert of omslag.
3. Moenie muntstukke of ander harde artikels in briewe insluit nie.
4. Gebruik posorders of poswissels wanneer geld deur die pos gestuur word.
5. Verpak pakkette behoorlik. Gebruik sterk houers en dik papier en bind dit stewig vas.
6. Maak seker dat die posgeld ten volle vooruitbetaal is.
7. Plak die posseëls in die boonste regterhoek van die koevert of omslag.
8. Verseker u pakkette en registreer waardevolle briewe. Dokumente wat slegs teen hoë koste vervang kan word, moet verkieslik verseker word.
9. Pos vroegtydig en dikwels gedurende die dag. Posstukke wat tot op die laaste oomblik teruggehou word kan vertraging veroorsaak.
10. Verstrek u volledige posadres aan u korrespondente asook u posbusnommer waar van toepassing.

Useful Hints–

1. Address all mail fully, clearly and without misleading abbreviations.
2. Place your own address on the back of the envelope or wrapper.

4. Send remittances by Postal Order or Money Order.
5. Pack parcels properly, using strong containers and heavy paper. Tie securely.
6. Prepay postage fully.
7. Place postage stamps in the upper right hand corner of the envelope or wrapper.
8. Insure your parcels and register valuable letters. Documents which can only be replaced at considerable cost should preferably be insured.
9. Post early and often during the day. Mail held until the last moment may cause delay.
10. Give your correspondents your correct post office address including your box number where applicable.
