NOTES

(1) The profits attributable to ordinary shareholders on a comparative basis (incorporating pre-acquisition profits of Sedgwick Tayler Limited for the five months prior to the merger on 1 September 1970) for the year ended 31 March 1971 were R6 442 000 which is equivalent to 31,4 cents per share.

(2) On 1 September 1970, 3 520 000 ordinary shares were issued in partial consideration for the acquisition of the entire issued share capital of Sedgwick Tayler Limited. These shares did not participate in the interim dividend of 6 cents per share paid in respect of the profits for the year ended 31 March 1971.

RESERVES

During the period under review revenue reserve was decreased by a net amount of R1 144 000 representing mainly deficits on the disposals of land and buildings (R1 299 000) and a surplus on the disposal of a trade investment (R155 000).

COMMENT

Profits during the year under review were below the expectations expressed in the statement by the Chairman which accompanied the accounts for the year ended 31 March 1971, and the Interim Profit Announcement published in October 1971.

Sales volumes increased over those of the previous year, resulting in additional gross profits. However, during the year the company experienced more intensive competition, and in order to retain market share expenditure throughout the business was increased as a result of policy decisions. This, together with the higher incidence of bad debts and overall inflation, entirely offset the increase in gross profits.

These factors were more evident in the second six months of the year with the result that the profits for that period were lower than those for the comparable period of the previous financial year.

In accordance with the forecasts previously made, your directors have declared a final dividend of 14 cents per ordinary share, making a total for the year of 20 cents (1971, 18 cents).

We anticipate an increased turnover in the coming year which, together with a stringent control of costs, should result in improved earnings.

DECLARATION OF DIVIDENDS

Notice is hereby given that the following dividends have been declared payable on or about 22 May 1972 to shareholders registered in the books of the company at close of business on 21 April 1972:

1. Ordinary shares:

A final dividend for the year ended 31 March 1972 of 14 cents per share (last year's final dividend, 12 cents per share).

This dividend, together with the interim dividend of 6 cents per share paid on 13 December 1971 represents a total distribution for the year of 20 cents per ordinary share (last year's total distribution, 18 cents per ordinary share).

2. 6½% Cumulative Preference Shares:

A dividend of 3¼ per cent (3,25 cents per share) for the six months ended 31 March 1972.

3. 7½% Cumulative Redeemable Preference Shares:

A dividend of 3¾ persent (3,75 cents per share) for the six months ended 31 March 1972.

The foregoing dividends are declared in the currency of the Republic of South Africa. Warrants in payment will be posted on or about 22 May 1972 to members at their registered addresses or in accordance with their written instructions.

Warrants in payment of the dividend to ordinary shareholders with addresses in Europe, the United States of America and Canada will be despatched from the London Share Transfer Office. Such payments will be made in United Kingdom currency calculated by reference to the rate of exchange ruling on 9 May 1972 or at a rate not materially different therefrom.

Payment to all other ordinary shareholders and all preference shareholders will be made from the office of the Transfer Secretaries, Johannesburg. South African Non-Resident Shareholders' Tax and United Kingdom Income Tax will be deducted from the dividends where applicable.

Any instructions which will necessitate an alteration in the office from which payment is to be made must be received by the Company on or before 21 April 1972, but shareholders are reminded that any request for a change in the office of payment from within to outside the Republic requires the approval of the South African Exchange Control Authorities.

The transfer books and register of members in respect of the ordinary and preference shares will be closed from 22 April to 28 April 1972, both dates inclusive.

By Order of the Board,
W. R. STERRY, Secretary.
