COMMENT

For the year under review earnings per ordinary share increased from 33,5 cents to 44,4 cents. The improved trading conditions which were experienced during the first six months of the financial year continued during the second six months of the year with sales being inflated since January as a result of retailers buying heavily in anticipation of an increase in the wholesale prices of wines and spirits following the announcement of substantial prices by the K.W.V.

The industry wholesale prices for wines and spirits have not yet been adjusted to cover the K.W.V. price increases and other rising costs and hence it is difficult to forecast sales volumes and profits for next year. Trading conditions however remain buoyant.

Your directors have declared an increased final dividend of 15 cents per ordinary share making a total for the year of 22 cents (1973—20 cents).

DECLARATION OF DIVIDENDS

Notice is hereby given that the following dividends have been declared payable on or about 21 May 1974 to shareholders registered in the books of the Company at close of business on 26 April 1974:

1. Ordinary shares: A final dividend for the year ended 31 March 1974 of 15 cents per share (last year's final dividend—14 cents per share). This dividend, together with the interim dividend of 7 cents per share paid on 20 December 1973 represents a total distribution for the year of 22 cents per ordinary share (last year's total distribution—20 cents per ordinary share).
2. 6½ Per Cent Cumulative Preference Shares: A dividend of 3¼ per cent (3,25 cents per share) for the six months ended 31 March 1974.
3. 7½ Per Cent Cumulative Redeemable Preference Shares: A dividend of 3¼ per cent (3,75 cents per share) for the six months ended 31 March 1974.

The foregoing dividends are declared in the currency of the Republic of South Africa. Warrants in payment will be posted on or about 21 May 1974 to members at their registered addresses or in accordance with their written instructions.

Warrants in payment of the preference dividends will be despatched from the office of the transfer secretaries, Johannesburg.

Warrants in payment of the ordinary dividend will be despatched from the office of the transfer secretaries, Johannesburg, to all payees except those with addresses in Europe, the United States of America and Canada to whom payment will be made from the London share transfer office.

Payments from the London share transfer office will be made in United Kingdom currency calculated by reference to the rate of exchange ruling on 9 May 1974 or at a rate not materially different therefrom.

South African Non-Resident Shareholders' Tax and United Kingdom Income Tax will be deducted from the dividends where applicable.

The transfer books and register of members in respect of the ordinary and preference shares will be closed from 27 April to 7 May 1974, both dates inclusive.
