Note 1.—The results for the six months ended 31 December 1973 have been adjusted to include the profits of the Racec Group for the six months to 31 December 1973 as the Racec Group was taken over with effect from 1 July 1973.

Note 2.—The tax rate for the period is 24 per cent. This reduced rate has resulted from investment allowances, assessed losses within the Group and deferred taxation adjustments. The 1973 figures have been adjusted accordingly.

Note 3.—The number of issued ordinary shares at 31 December 1973 was 10 000 000 shares of 50c each. For comparative reasons the number of issued ordinary shares at 31 December 1973 has been adjusted to correspond with the 11 643 300 issued shares of 50c each at 30 June 1974 and 31 December 1974 as the take over of Racec Construction Ltd, which resulted in the increase in the number of issued shares, became effective from 1 July 1973.

FORECAST IN RESPECT OF YEAR ENDING 30 JUNE 1975

The year to date has been characterised by high interest rates, a national scarcity of funds and adverse weather conditions, all of which have hampered contracting activities. In addition, the full effects of inflationary costs, some of which are not recoverable in terms of the contractual formula applicable within the civil engineering industry are now being felt. The amount of the consolidated profit after tax of your company for the year ending 30 June 1975, may be increased by the recovery of amounts in respect of inflationary costs and other contractual claims. It is anticipated that the negative influence of the adverse rainy weather conditions during the past two months on profitability for the second half year, will be more than off-set by the above-mentioned settlements, which have not been taken into consideration to date. In the event of no unforeseen or abnormal circumstances arising, the consolidated profit after tax of your company for the year ending 30 June 1975 should exceed that for the year ended 30 June, 1974.

DIVIDEND

In accordance with the policy set out in the Directors' Report for the year ended 30 June 1974 an interim dividend has been declared and notice thereof is given below. In view of the uncertainties mentioned above a conservative approach has been adopted and the amount of the interim dividend has been fixed at 6 cents per share.

On behalf of the Board,

P. K. HOOGENDYK, (CHAIRMAN),
L. VAN IDDEKINGE, (Managing Director),

28 February 1975.

DECLARATION OF DIVIDEND

Notice is hereby given that an interim dividend of 6 cents per share, in respect of the year ending 30 June 1975, has been declared payable to shareholders registed as such at the close of business on 14 March 1975. The transfer register and register of members will be closed from 15 March 1975 to 20 March 1975, both days inclusive. Dividend cheques will be posted during April 1975.

TRANSVAAL

I, CHRISTOFFEL JOHANNES MARAIS, residing at 44 Welgedacht Avenue, P.O. Welgedag, Springs, and employed as a shunter, intend to apply to the State President for authority, under section 9 of the Aliens Act, 1937, for my minor son RIAAN ROBINSON to assume the surname MARAIS for the reasons that when my wife and I adopted him it was stated that he was to retain his family name, Robinson, but this has resulted in confusion as he is known by some as Robinson and by others as Marais and he becomes most upset when he is referred to as Robinson especially at school where he is registered under the surname Robinson. He is generally, however, known as Marais amongst his friends. Also I now wish him to assume my surname.

He previously bore the name Robinson.—C. J. Marais. 24 February 1975.

My parents were married on 16/1/46, I was born on 18/9/44.

I previously bore the name Errol John Naicker.

(1) I originally bore the surname Whitcher, being that of my natural mother;

(2) I was and am commonly known by the said surname;

(3) the present surname is one I acquired by adoption, my adoptive parents having lost communication with me for the past ten years.

I previously bore the name Rose Whitcher.—C. R. Mahomed, 13 March 1975.

The child is to be known as Brett Eckton Rogers.

The child previously bore the name of Brett Eckton Chitiz.—A. D. Rogers.

APPLICATION FOR REGISTRATION OF TRADE MARKS IN SOUTH-WEST AFRICA

(Applications accepted in terms of Act 48 of 1973)

Any person who has grounds for objection to any of the following trade marks may, within the prescribed time, lodge Notice of Opposition on form SM 6 contained in the Second Schedule to the Trade Marks Rules in South-West Africa, 1973. The prescribed time is two months after the date of advertisement. This period may on application be extended by the Registrar.

Formal opposition should not be lodged until after notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the Notice of Opposition is incurred. Failing such notice to the applicant an opponent may not succeed in obtaining an order for costs.

"B" preceding the number indicates Part B of the Trade Mark Register.
