Any amount thus becoming payable by the owner shall, subject to the provisions of section *thirty-eight* of the Act, form a first charge against the amount of compensation payable in respect of such property.".

(2) If it is the owner's intention to continue his or any other person's occupation of the property after the expiration of the three months period mentioned in paragraph 5 of the "notice of expropriation", the owner should, within 30 days of the date mentioned in the aforesaid notice, contact the Regional Office of the Department of Community Development in order to make the necessary arrangements.

(3) Should the owner or present occupier continue to occupy the property until such time as the amount of compensation is agreed upon and paid or the property is registered in the Board's name, the owner shall be responsible for the payment of municipal rates, taxes and other charges on the property for that period. Should the owner fail to pay such charges the Board reserves to itself the right to pay and to deduct the amount from the compensation payable in respect of such property and to terminate the owner's occupation of the property forthwith.
