DIE BLOMPLANTE VAN AFRIKA

Hierdie publikasie word uitgegee as 'n geïllustreerde reeks, baie na die aard van Curtis se "Botanical Magazine". Die doel van die werk is om die skoonheid en variasie van vorm van die flora van Afrika aan die leser bekend te stel, om belangstelling in die studie en kweek van die inheemse plante op te wek, en om plantkunde in die algemeen te bevorder.

Die meeste van die illustrasies word deur kunstenaars van die Navorsingsinstituut vir Plantkunde gemaak, dog die redakteur verwelkom geskikte bydraes van 'n wetenskaplike en kunsstandaard afkomstig van verwante inrigtings.

Onder huidige omstandighede word twee dele van die werk in een omslag gepubliseer, maar met onreëlmatige tussenpose; elke deel bevat 10 kleurplate. Intekengeld bedra R10 per uitgawe van twee dele (buitelands R10,60 per uitgawe): Vier dele per band. Vanaf band 27 is die prys per band in linne gebind R30; in moroccoleer gebind R35. (Buitelands, linne gebind R31; moroccoleer R36).

Verkrygbaar van die Direkteur, Afdeling Landbouinligting, Privaatsak X144, Pretoria.

Verkoopbelasting moet by binnelandse bestellings ingesluit word.

THE FLOWERING PLANTS OF AFRICA

This publication is issued as an illustrated serial, much on the same lines as Curtis's Botanical Magazine, and for imitating which no apology need be tendered.

The desire and object of the promoters of the publication will be achieved if it stimulates further interest in the study and cultivation of our indigenous plants.

The illustrations are prepared mainly by the artists at the Botanical Research Institute, but the Editor welcomes contributions of suitable artistic and scientific merit from kindred institutions.

Each part contains 10 plates. Two parts are published in one cover and costs R10 per issue of two parts (other countries R10,60 per issue). Two, three or four parts may be published annually, depending on the availability of illustrations. A volume consists of four parts. From Volume 27, the price per volume is: Cloth binding, R30; morocco binding, R35 (other countries, cloth binding R31; morocco binding R36).

Obtainable from the Director, Division of Agricultural Information, Private Bag X144, Pretoria.

Sales tax must accompany inland orders.

Note

The comparative figures for 1984 have been re-stated to align them with the 31st December year end which was adopted in that year.

Comment

While the improvement in the Company's results derive in part from effective action taken in controlling operating costs and reducing working capital with consequent reductions in interest charges, it must be pointed out that the increase is on a relatively low base for the comparable period in the pervious year.

Borrowings

The Company's interest bearing borrowings at the dates indicated were:

	At 30/6/85 R'000	*Change 84/85 %*	*At 30/6/84 R'000*

Commitments			
Total lease commitments	51	(18)	62
Capital commitments	58	(28)	80

Prospects

Provided no unforseen cicumstances arise, present predictions are that the Company's income after tax will be in the order of approximately 15% higher than that achieved in 1984. Profits in the second six months will be relatively lower than for the first six months due to the depressed economy and higher raw material costs resulting from the depreciation of the Rand.

Dividend

In accordance with past practice, an intermim dividend will not be paid.
